The New York City Charter, Chapter 49, Section 1133, requires that agencies submit to the Department of Records and Information Services (DORIS) all reports, documents, studies and publications required by local law, executive order, or mayoral directive to be published, issued, or transmitted to the City Council or Mayor, within 10 business days of their publication. For any report that is not received within 10 business days of the publication date, DORIS is required to email the agency to request the report, and to provide the text of that email in place of the report in the Government Publications Portal.

Consistent with these requirements, DORIS hereby requests the transmission of the report shown below, which DORIS has not received as of 2020-06-16. Please submit this report to the Government Publications Portal. If you have questions, please contact staff at the Municipal Library at appdev@records.nyc.gov.

Required Report Type: Electric vehicle advisory committee recommendations

Report Description: Report including recommendations on ways to promote the usage of electric vehicles among the general public, which shall include consideration of methods to enhance the availability of electric vehicle charging methods and of parking, regulatory, technical and fiscal issues surrounding the increased use of electric vehicles in New York City. Commencing in 2018, the recommendations should include information regarding the pilot program established pursuant to LL 160/2016, including, to the extent such information is available, the cost of such pilot program, the rate of utilization of each charging station installed pursuant to such pilot program, recommendations with respect to expanding or making such pilot program permanent, and any other recommendations regarding such pilot program or the installation of electric vehicle charging stations in the city, including the feasibility of on-street electric vehicle charging.
