The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

NYC DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL, will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm. NYC DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)\*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with, at least one of the entities in the joint venture being a certified M/WBE\*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

\* Firms that are in the process of becoming a New York City-Certified M/WBE, may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Application documents may also be obtained online, at: http://a856-internet.nyc.gov/nycvendoronline/home.asap.; or http:www.nycgovparks.org/opportunities/business.

### CITYWIDE

### $20215008\;\mathrm{GFY}$

By Council Members Salamanca and Moya (at request of the Mayor): Proposed authorizing resolution submitted by the Mayor pursuant to Section 363 of the Charter for the granting of franchises for the provision of telecommunications services.

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications ("DoITT") as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, pursuant to Section 363 of the Charter (the "Charter") of the City of New York (the "City"), the Commissioner of DoITT has made the initial determination of the need for franchises for telecommunications services; and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for the granting of such franchises pursuant to Section 363 of the Charter; and

WHEREAS, the Council has determined that the granting of such franchises will promote the public interest, enhance the health, welfare and safety of the public and stimulate commerce by assuring the widespread availability of telecommunications services;

The Council hereby resolves that:

A. The Council authorizes DoITT, or any successor thereto, to grant non-exclusive franchises for the installation of cable, wire and/or optical fiber and associated equipment in the inalienable property of the City (including through pipes, conduits and similar improvements thereto) to be used in providing one or more telecommunications services (as that term is defined in Section C of this resolution) in the City.

B. For purposes of this resolution, "inalienable property of the City" shall mean the property designated as inalienable in Section 383 of the Charter. References herein to facilities "in the inalienable property" shall mean facilities located on, over or under the surface of such inalienable property.

C. The public services to be provided under such franchises shall be one or more "telecommunications services", defined for the purposes of this resolution as the transmission of voice, data, information service and/or video signals, or any other form of wire communications or radio communications (as such terms are defined in subsections 59 and 40, respectively, of Section 3 of the federal Communications Act of 1934, as amended, or successor provisions thereto) but for purposes of this resolution "telecommunications services" shall not include any of the following: (i) "cable television services" shall not include authorizing resolution adopted by the Council on May 15, 2012 as Resolution No. 1334, or any successor resolution thereto; (ii) "mobile telecommunications services" as defined in the authorizing resolution adopted by the Council on March 9, 2016 as Resolution No. 935 or any successor resolution thereto; and (iii) "public pay telephones" as defined in the authorizing resolution adopted by the Council on December 21, 2009 as Resolution No. 2309 or any successor resolution thereto. D. All franchises granted pursuant to this resolution shall require the approval of the Franchise and Concession Review Committee and the separate and additional approval of the Mayor.

E. The authorization to grant franchises pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council (the "Expiration Date"). No franchises shall be approved pursuant to this resolution by DoITT, the Franchise and Concession Review Committee, or the Mayor pursuant to this resolution after the Expiration Date.

F. Prior to the grant of any such franchise, a request for proposals ("RFP") or other solicitation shall be issued by DoITT. Prior to issuing any such RFP or other solicitation, all necessary environmental and land use review shall be conducted in accordance with City Environmental Quality Review ("CEQR") and Section 197-c of the Charter. The criteria to be used by DoITT to evaluate responses to such RFP or other solicitation shall include, but not be limited to, the following to the extent permitted by law:

(1) the financial, legal, technical and managerial experience and capabilities of the applicant(s);

 $(2) \quad \mbox{the adequacy of the proposed compensation to be paid to the City; and$ 

(3) the ability of the applicant(s) to maintain the property of the City in good condition throughout the term of the franchise and in a manner consistent with the City's management of the public rights-of-way. In no event, however, shall DoITT include any criteria in any such RFP or other solicitation which the City would be preempted, pursuant to federal law, from thus including; and in no event shall DoITT apply any criteria to be included in any such RFP or other solicitation in a manner which the City would be preempted, pursuant to federal law, from thus applying.

G. Any franchise granted pursuant to this authorizing resolution shall be by written agreement which shall include, but not be limited to, the following terms and conditions to the extent permitted by law (provided however, that no term or condition, whether or not listed hereinafter, shall be included in a written franchise agreement if the City is preempted, by federal law, from including such a term or condition in such agreement, and provided that no term or condition, whether or not listed hereinafter, shall be included in a written agreement in a form or manner which the City is preempted by federal law from using with respect to such agreement):

(11) there shall be provisions to ensure adequate oversight by the City of franchisee's performance of its franchise obligations;

(12) there shall be provisions to restrict the assignment or other transfer of the franchise without the prior, written consent of the City and provisions to restrict changes in control of the franchisee without the prior written consent of the City;

(13) there shall be remedies to protect the City's interest in the event of the franchisee's failure to comply with the terms and conditions of the agreement; (14) all franchisees shall have been subject, prior to the commencement of the franchise term to review under the City's Procurement and Sourcing Solutions Portal ("PASSPort") or any successor system;

(15) all franchises shall include provisions incorporating the MacBride Principles;

(16) there shall be provisions preserving the right of the City to perform public works or public improvements in and around those areas subject to the franchise;

(17) there shall be provisions requiring the franchisee to protect the property of the City, and the delivery of public services through, along or across such property, from damage or interruption of operation, as a result of the construction, installation, use, operation, maintenance, repair and/or removal of the franchisee's facilities in the inalienable property of the City;

I. If any clause, sentence, paragraph, section or part of this resolution shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this resolution or the application thereof but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.
