The Agency continues its commitment of promoting and encouraging consistency and fairness in our employment practices. DEP's managers and supervisors are charged with promoting diversity and encouraging inclusion in all aspects of our business. When presented with the opportunity to hire or promote individuals, the EEO and Diversity Office, as well as Organizational Development & Human Resources, are included in the process to ensure that the recruitment, selection, and leadership development processes are applied consistently and in accordance with established City and Agency policies and procedures. This minimizes the potential for discrimination claims and guarantees the selection of the best and brightest our City, and its diverse population, has to offer.

Please describe the steps that your agency has taken to implement and achieve these initiatives/strategies. How do you evaluate the effectiveness of these actions?

On a weekly basis, DEP continues to publish job vacancy notices and updates for all employees. DEP routinely sends campaign emails to our community-based partners as well as area schools regarding open positions. In addition to campaign emails DEP advertises hard to recruit positions on the agency LinkedIn, Facebook, and Twitter pages, print and electronic publications. We will also place print and online ads for critical positions within the agency. In addition, we utilize headhunters for executive positions. As budget allows agency will continue to schedule attendance at college fairs and community events. Agency will collab with DCAS on any potential hiring hall activities. Attended NYC Government Hiring Hall on August 28, 2023 in Brooklyn, New York.
