The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Lumber, etc.," and with his or their name or names and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time or place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates

if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purposes, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise, must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

## JURORS.

## NOTICE

## IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW YORK COURT-HOUSE,  
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable jurors, and enable their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,

## TERMS AND CONDITIONS OF THE SALE.

The Department will make, prior to the commence-  
ment of the term of lease in each case, such repairs to  
any of the above-named premises, in the judgment of the  
Commissioners, needing them, as they may consider nec-  
essary to place the premises in suitable condition for  
service during the term for which leases are to be sold,  
except that no repairs will be made to any of the above-  
named premises where it is stated that they will not be  
repaired by the Department; but all the premises must  
be taken in the condition in which they may be on  
the date of commencement of said term, respectively;  
and no claim that the property is not in suitable condition  
at the commencement of the lease, will be allowed by  
the Department; and all repairs and rebuilding required  
and necessary, during the terms leased, are to be done at  
the expense and cost of the lessees.

Purchasers will be allowed three months, from date of  
commencement of their leases, in which to notify the De-  
partment that dredging is required at the premises leased;  
and the Commissioners guarantee to do all possible dredg-  
ing, as soon after being notified of the necessity therefor,  
as the work of the Department will permit, except that no  
dredging will be done at any of the above-named premises  
where it is stated that they will not be dredged by the De-  
partment; but in no case will the Department dredge  
where a depth of ten feet at mean low water already exists,  
nor after that depth shall have been obtained by dredg-  
ing; and no claim will be received or considered by the  
Department, for loss of wharfage or otherwise, consequent  
upon any delay in doing the work of such dredging, or  
consequent upon the premises being occupied for dredging  
purposes. All dredging required at any of the above  
premises, of which the purchaser of the lease therefor  
shall neglect or omit to notify the Department during the  
first three months of the term of the lease, and all dredg-  
ing necessary during the remainder of such term, is to be  
done at the expense and cost of the lessee.

The up-set price for each of the above-named premises  
will be fixed by the Department of Docks, and announced  
by the auctioneer at the time of the sale.

Each purchaser of a lease will be required, at the time  
of the sale, and in addition to the auctioneer's fees, to pay  
to the Department of Docks twenty-five per cent. of the  
amount of annual rent bid, as security for the execution  
of the lease, and which twenty-five per cent. will be  
applied to the payment of the rent first accruing under  
the lease, when executed, or forfeited if the purchaser  
neglects or refuses to execute the lease and bond within  
five days after being duly notified that the lease is pre-  
pared and ready for signature. The Commissioners  
reserve the right to resell the leases bid off by those failing  
to comply with these terms; the party so failing to be  
liable for any deficiency which may result from such  
resale.

Lessees will be required to pay their rent quarterly, in  
advance, in compliance with a stipulation therefor in the  
form of lease adopted by the Department.

Two sureties, each a freeholder and householder in the  
City of New York, and to be approved by the Commis-  
sioners of Docks, will be required, under each lease, to  
enter into a bond jointly with the lessee in the sum of an  
amount double the annual rent for the faithful per-  
formance of all the covenants of the lease; and each pur-  
chaser will be required to submit, at the time of the sale,  
the names and address of his proposed sureties.

Each purchaser will be required to agree that he will,  
upon being notified so to do, execute a lease prepared  
upon the printed form adopted by the Department, which  
can be seen upon application to the Secretary, at the  
office, 119 Duane street.

No person will be received as lessee or surety who is  
delinquent on any former lease from the Corporation; and  
no bid will be accepted from any person who is in arrears  
to the Corporation upon debt or contract, or who is a de-  
fault, as surety or otherwise, upon any obligation to the  
Corporation.
