FOR CHARITABLE INSTITUTIONS.

All such appropriations being made subject to the following conditions:

1. The accounts of all charitable institutions receiving public moneys shall be so kept as to show the receipts of and disbursements from public moneys separately from the other funds of such institutions, and all institutions shall keep an exact record, to be corrected from time to time, in a form to be approved by the Comptroller, showing the addresses of the parents, guardians, or nearest relatives of inmates, and other information designed to facilitate inquiry into their financial inability to provide for such inmates.

2. Moneys received from the City Treasury shall be used by such institutions only for recurring expenses of "care, support and maintenance."

3. All institutions receiving public moneys shall be at all reasonable times open to the visitation and inspection of duly authorized representatives of the Department of Public Charities and the Department of Finance.

4. Upon it appearing to the satisfaction of the Comptroller that it would be to the public interests to withhold payments to any charitable institution for which an appropriation has been made, he shall give written notice to such institution of his intention to apply to the Board of Estimate and Apportionment for authority to so withhold such payments, and upon the determination of said Board that such payments should terminate, the right of any such institution to receive payment for services rendered thereafter shall thereupon cease.

5. Except where appropriations are made in bulk and not upon a per capita basis, no payment shall be made for inmates of private charitable institutions unless the same shall have been accepted by the proper Commissioner of the Department of Public Charities as a proper charge against the City, and, except in emergency cases, Commissioners of Charities shall not accept as proper charges against the City inmates capable of paying for their own support or for whose care adequate provision can be made in public institutions.
