SANITATION

■ PUBLIC HEARINGS

POSITIVE DECLARATION/NOTICE OF DETERMINATION and NOTICE OF INTENT TO PREPARE A DRAFT ENVIRONMENTAL IMPACT STATEMENT and NOTICE OF SCOPING MEETING

Date Issued:	September 17, 2025
CEQR Number:	25DOS003Y
Name:	Citywide Containerization Program
Location:	Citywide
Lead Agency:	New York City Department of Sanitation 125 Worth Street, New York, NY 10013
SEQRA Classification:	Unlisted

DESCRIPTION OF PROPOSED ACTION

The New York City Department of Sanitation (DSNY) has completed its review of an Environmental Assessment Statement for the proposed action referenced above and hereby issues this Positive Declaration/Notice of Determination and Notice of Scoping Meeting.

DSNY proposes to implement a waste containerization program at certain buildings with residential units and schools throughout the five (5) boroughs of New York City (Citywide Containerization Program or Proposed Program).

Under the proposed Citywide Containerization Program, buildings with 10 to 30 residential units would have the option to use stationary on-street containers or individual bins consisting of rigid receptacles with tight-fitting lids, not exceeding 55 gallons in size, for their refuse; residential buildings with 31 or more residential units would use stationary on-street containers for their refuse; and schools that receive DSNY collection would use stationary on-street containers for all waste streams (refuse; organics; metals, glass and plastic; and paper recyclables). The Proposed Program would be advanced throughout the City in phases, with full implementation by June 1, 2032. The Proposed Program would support the City's commitment to improving street cleanliness and reducing potential food sources for vectors.

These changes align with other City initiatives to increase the use of containers for waste storage and collection, and to create cleaner, more livable, and more vibrant streets and neighborhoods across the City.

DISCRETIONARY ACTIONS SUBJECT TO SEQRA AND CEQR

The Proposed Program will be reviewed for its potential environmental impacts, in accordance with the State Environmental Quality Review Act (SEQRA) and the City Environmental Quality Review (CEQR) procedures. Implementation of the proposed Citywide Containerization Program would involve a discretionary action and local approvals, and is therefore subject to CEQR and SEQRA and their implementing regulations. The City entities that may potentially be involved in the environmental review and approval process for the Proposed Program are:

- DSNY acting as lead agency for the environmental review for Citywide Containerization Program implementation; and
- Consultations with several City agencies:
 - New York City Department of Transportation (NYCDOT);
 - New York City Department of Environmental Protection (NYCDEP);
 - New York City Landmarks Preservation Commission (NYCLPC); and
 - New York City Public Design Commission (NYCPDC).

STATEMENT OF SIGNIFICANT EFFECT:

In accordance with New York City Executive Order 91 of 1977, as amended, and the Rules of Procedure for City Environmental Quality Review found at Title 62, Chapter 5 of the Rules of the City of New York (CEQR), DSNY, as lead agency for the referenced project, has determined that the Proposed Action may result in one or more significant adverse impacts on the quality of the human environment. Accordingly, a Draft Environmental Impact Statement (DEIS) is required to evaluate and disclose the extent to which impacts may occur.

Statement in Support of Determination:

DSNY has determined that the Proposed Project may result in the potential for a significant adverse impact with respect to the following technical area, which warrants more detailed study in a DEIS.

- The Proposed Project is expected to affect DSNY collection truck traffic and on-street parking throughout the City. Therefore, a more detailed assessment of the effect of the Proposed Project on transportation is warranted and will be provided.

Additionally, the following CEQR technical areas will be reviewed and detailed analyses, as appropriate, will be provided.

- The Proposed Project may affect existing and planned public policies and initiatives. Therefore, a more detailed assessment of the effect of the Proposed Project on public policy will be provided.
- The Proposed Project may affect socioeconomic conditions due to the placement of stationary on-street containers in the parking lane. Therefore, a more detailed study of the Proposed Program on socioeconomic conditions will be provided.
- The Proposed Program may affect historic and cultural resources throughout the City. Therefore, a more detailed study of the Proposed Program on historic and cultural resources will be provided.
- The Proposed Program may affect the pedestrian experience. Therefore, more detailed assessments of urban design and visual resources, as well as neighborhood character, will be provided.
- The Proposed Project would require the use of stationary on-street containers for the placement of waste by certain buildings with residential units and schools prior to DSNY collection and require the use of new Automated Side Loader collection trucks for the collection of this waste. Therefore, a more detailed assessment of the effect of the Proposed Project on the City's solid waste management system will be provided.
- The Proposed Project is expected to affect emissions from mobile sources, namely waste collection vehicles and its associated greenhouse gas emissions. Therefore, more detailed assessments of the Proposed Project's effect on air quality and the Proposed Project's consistency with the City's established greenhouse gas reduction goals will be provided.
- The Proposed Project is expected to affect DSNY collection truck traffic, and its associated mobile-source noise. Therefore, a more detailed assessment of the effect of the Proposed Project on noise will be provided.
- The Proposed Project is expected to affect the storage and collection of waste from certain buildings and schools utilizing stationary on-street containers. Therefore, a more detailed

assessment of the positive impact of the Proposed Program on public health will be provided.

Public Scoping:

Public scoping is a process whereby the public is invited to provide comments on the planned scope of work for a DEIS. A Draft Scope of Work (DSOW) outlining proposed analysis methodologies for the DEIS has been prepared and is available for public review and comment. A Public Scoping meeting to receive such comments on this DSOW has been scheduled for October 20, 2025 via Microsoft Teams from 9:00 A.M. to 12:00 P.M. and 1:00 P.M. to 4:00 P.M. using the following link: <https://teams.microsoft.com/meet/2946568180715?p=niYOPjMI7q40AiAG77>

EMERGENCY JOB ORDER CONTRACTS (JOC) FOR SENIOR AND COMMUNITY COLLEGES - Request for Qualifications - PIN#CITYW-CUCF-26-25 - Due 10-9-25 at 11:59 P.M.

The City University Construction Fund (CUCF) on behalf of the City University of New York (CUNY) Office of Facilities, Planning, Construction and Management (FPCM) has issued this Request for Qualifications (RFQ) to secure the professional services of firms to provide Emergency Job Order Contracts (JOC) for Senior and Community Colleges at CUNY facilities. All assignments shall be performed for the CUNY sites and facilities located on 25 institutions throughout the five boroughs of New York City. The scope of work is described in more detail in Section III of this RFQ.

A copy of the solicitation that more fully describes the project, process, minimum qualification requirements, submission requirements, evaluation criteria, timeline and contact information is available for downloading at www.cuny.edu/cunybuilds, under Current and Upcoming Procurements.

As described in more detail in this solicitation, those responsive and responsible firms that are determined by CUCF to meet the Minimum Qualification Requirements set forth in the RFQ and that best meet the Evaluation Criteria listed below will be awarded a Master Requirements Contract (MRC). Recommendations for the award will be made based on the evaluation process set forth in this solicitation. Firms selected through this solicitation will execute contracts with CUCF on behalf of CUCF based on the conditions of this solicitation.

Responses must be submitted electronically through the Dropbox link to be provided on the CUNY Builds website at www.cuny.edu/cunybuilds (Click on Current and Upcoming Procurements).

Questions pertaining to the solicitation are due by Thursday, September 18, 2025 by 5:00 P.M. and must be submitted to the Designated Contacts set forth below with the Project Name and Project Number in the Subject Line of the email.

This project is governed by the NYS Procurement Lobbying Law set forth in State Finance Law Sections 139-j and 139-k. The restricted period began with the publication of this Ad. Accordingly, all communications regarding advertised projects are to be channeled through the Designated Contacts set forth below. Communication with respect to this procurement initiated by or on behalf of an interested vendor through others than the Designated Contacts may constitute an "impermissible contact" under NYS law and could result in disqualification of that vendor.

The Designated Contact for this solicitation is: CUNY.Builds@cuny.edu.

CUCF will assign the Minority-owned and Women-owned Business Enterprise (MWBE) participation goal of up to 30% (18% MBE and 12% WBE) and the Service-Disabled Veteran-Owned participation goal of up to 6% for each task order issued under a requirements contract. MWBE and SDVOB requirements are set forth, respectively, in the solicitation, however, CUCF expects firms to fully comply with NYS Law and Executive Orders to achieve the maximum amount of MWBE and SDVOB participation on this contract.

Only New York State (NYS) MWBE and NYS OGS - SDVOB Certified firms shall be utilized to meet the participation goals. The Contractor and subcontractors at all tiers are strongly encouraged to utilize the Directories for the New York State Certified MWBEs and SDVOBs to identify eligible firms to fulfill these goals. The MWBE Directory may be accessed at <https://ny.newnycontracts.com/> and the SDVOB Directory may be accessed at <https://online.ogs.ny.gov/SDVOB/search>.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between CUCF and a Proposer during the procurement process. A Proposer is restricted from making contacts from the earliest posting on the CUNY Builds, the City Record, or the New York State Contract Reporter websites of its intent to solicit offers/bids/proposals through final award and approval of Procurement Contract(s) by CUCF/CUNY and, if applicable, the Office of the State Comptroller ("restricted period") to other than Designated Contact(s) unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated Contact(s), as of the date hereof, are identified in Section I.C. above. CUCF/CUNY employees are also required to obtain certain information when contacted during the restricted period and to make a determination of the responsibility of the Proposer pursuant to State Finance Law § 139-j and § 139-k. Certain findings of

non-responsibility can result in rejection for Contract award and, in the event of two findings within a four-year period, the Proposer is debarred from obtaining governmental Procurement Contracts for four years. Further information about these requirements can be found on the New York State Office of General Services (OGS) website at: <https://www.ogs.ny.gov/acpl/>.

Statement of Basis and Purpose of Rule

The New York City Identification Card Program (“IDNYC Card Program”) was established to ensure that New Yorkers are provided with the opportunity and peace of mind that come with possessing a government-issued photo identification. The program was officially launched on January 12, 2015. To date, the program has enrolled approximately 1.8 million individuals. In an ongoing effort to serve New York’s most vulnerable populations, IDNYC expanded and refined the number and types of reliable and verifiable documents that can be accepted as proof of identity and residency by final New York City Rule in August 2025.

HRA is publishing this amendment to make more precise a document description contained in the current listing of acceptable documents.

HRA’s authority for this rule may be found in Sections 603 and 1043 of the City Charter, Administrative Code Section 3-115, and Executive Order No. 6 of 2014.
