# COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 o'clock a. m. on Wednesday, December 17, 1913.

Present—Ardolph L. Kline, Mayor; Douglas Mathewson, Deputy and Acting Comptroller; Robert R. Moore, Chamberlain; O. Grant Esterbrook, Acting President, Board of Aldermen; Henry H. Curran, Chairman, Finance Committee, Board of Aldermen.

The Minutes of the meetings held November 19 and 28, 1913, were approved as printed.

The Acting President of the Board of Aldermen asked for and received unanimous consent for a hearing to a delegation of business men who were present in connection with an application of the Police Commissioner for a lease of premises known as Literary Hall, situated at Park avenue and 2d street, Bayside, Long Island, for use as a station house.

The Rev. Fr. Brown and a Mr. McKnight representing the delegation, were heard in regard to the matter.

Discussion followed.

On motion, the matter was referred to the Comptroller for investigation and report.

The Chair called for a hearing in the matter of the request of the Commissioner of Docks that the Commissioners of the Sinking Fund authorize and assent to the institution of condemnation proceedings for the acquisition of waterfront property on the East River, lying about 48 feet westerly of Clinton street and the wharf property lying about 88 feet easterly of Clinton street, including Pier (old) 49.

November 13, 1913.

Hon. ARDOLPH L. KLINE, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—Pursuant to a resolution adopted by the Commissioners of the Sinking Fund, May 21, 1913, a lease was executed to the New York, New Haven and Hartford Railroad Company, of certain property on the East River, Borough of Manhattan, The City of New York, which included the following:

"Third—The pier known as Pier (old) No. 49, East River, between Clinton and Montgomery streets, together with the bulkhead extending from a point about 30 feet westerly from the westerly side of said pier to a point about 28.68 feet easterly of the easterly side of said pier and through said pier, or a total distance of 93.68 feet; also the 55 feet of bulkhead 48.03 feet west of Clinton street, when acquired by and the same shall become the property of The City of New York, as hereinafter provided."

The lease provides that the company shall at its own cost and expense acquire all right, title and interest of every kind of the private owners in Pier 49, East River, together with the adjoining bulkhead, and the 55 feet of bulkhead westerly of Clinton street, at a price to be approved by the Commissioners of the Sinking Fund, provided it be possible to so acquire the title to such property by private purchase, but that in case it may not be acquired at private purchase by the company it may be acquired by condemnation proceedings by the City.

In the event of the City so instituting and conducting such condemnation proceedings, the company shall agree to defray the entire cost of such proceedings, including awards, fees of commissioners and experts, and all other incidental and necessary disbursements in connection therewith; the entire amount of the expense and liability incurred by The City of New York for the land so to be acquired and leased immediately upon the liability becoming a charge against the City. To secure the performance of this obligation on the part of the company, the company has deposited with the Comptroller as security for the payment of its liability for the expenses of such condemnation proceedings, the sum of one hundred thousand dollars (\$100,000) and all interest that may accrue thereon shall be applicable to the liability of the railroad company for the cost of condemnation proceedings and the awards therein, as above specified.

In the event of the awards and cost of such condemnation proceedings, for which the railroad company is responsible, exceeding the sum of one hundred thousand dollars (\$100,000) and accrued interest thereon, the lessee railroad company shall at once pay to the Comptroller of The City of New York any and all sums necessary to discharge all liabilities over and above said one hundred thousand dollars (\$100,000) and accrued interest.

The agreement also provides that should there be included in and made the subject of such condemnation proceedings property other than the property to be leased to the railroad company, as herein mentioned, then there shall be abated from out the total of such awards, fees and other incidental and necessary disbursements, such awards as may be specifically made for such other property, should separate awards be made therefor; or, in the event of the award for such other property being included with that leased to the railroad company, then such proportionate part of such award as the value of such property not so leased bears to the total award made; and that there shall also be abated to the railroad company such proportion of the fees and other incidental disbursements in such condemnation proceedings as the proportion of the awards for land acquired and not leased bears to the land acquired and leased to the railroad company.

Under date of August 12, 1913, Edward H. Hawke, Jr., on behalf of the railroad company, stated that he found it impossible to agree with the owners to purchase at private sale, Pier (old) No. 49, East River, and the adjoining bulkhead and the 55 feet of bulkhead westerly of Clinton street, and suggested that this Department take such action as may be necessary in order that condemnation proceedings may be instituted.

The agreement further provides that upon the vesting of title by the City the rental fixed in the agreement which will be paid by the company shall begin.

In consequence of the inability of the lessee to agree with the private owners for the acquisition of the property by private agreement. I beg to recommend that the Commissioners of the Sinking Fund authorize the institution of condemnation proceedings for the acquisition of property between Jefferson and Montgomery streets, East River, Borough of Manhattan, as more particularly described as Parcels "A," "B," "C" and "D" in the accompanying memorandum entitled "Technical Description of Wharf Properties to be Acquired by The City of New York Between Jefferson and Montgomery Streets, East River, Borough of Manhattan, Being More Particularly Noted as the Wharf Properties Lying About Forty-eight Feet Westerly of Clinton Street and the Wharf Properties Lying About Forty-eight Feet East of Clinton Street, and Including Pier (Old) Number Forty-nine."

The assessed valuations of the properties as shown on the books of the Department of Taxes and Assessments for the year 1914, are as follows:

Block 241, Parcel "A," known as lots 19 and 20 on the Tax Map, bulkheads west of Clinton street, vacant, assessed at \$16,500 and \$8,500 respectively	\$25,000 00
Block 242, Parcel "B," known as lot 5 on the Tax Map, bulkhead east of Clinton street, vacant, assessed at	12,000 00
Parcel "C," known as lot 7 on Tax Map, bulkhead east of Clinton street, vacant, assessed at	10,000 00
Parcel "D," known as Lot 6, Pier 38, unimproved \$52,000; total valuation.	70,000 00
	\$117,000 00

Parcel "A" includes 17 linear feet more than is leased to the company, but the acquisition this small additional strip will make a continuous City ownership between Piers (new) 36 and 37, East River, and will prevent the possibility of the award of consequential damages, which will make it more economical for the City to acquire the entire strip of 72.18 feet at one proceeding.

Parcels "B," "C" and "D" appear to include two feet more than is provided for in the lease to the company, but in checking the figures with the Law Department it has been determined that in order to connect with the City's property on both sides it will be necessary to acquire this additional two feet.

Yours respectfully, R. A. C. SMITH, Commissioner of Docks.

State of New York, City and County of New York, ss.:

William Viertel, being duly sworn, says that he is Bookkeeper in charge of advertising in the office of the City Record; that the advertisement hereto annexed has been regularly published in the City Record, the official journal of The City of

November 25, 1913.

To the Commissioners of the Sinking Fund:

Gentlemen—On November 13, 1913, the Commissioner of Docks requested the Commissioners of the Sinking Fund to approve and consent to the institution of condemnation proceedings for the acquisition of dock property lying about 48 feet westerly of Clinton street and wharf property lying about 88 feet east of Clinton street, including Pier (old) No. 49.

As clearly stated in the Commissioner's communication, the property in question, except about 17 feet of bulkhead, is included in the premises leased to the New York, New Haven and Hartford Railroad Company, pursuant to a resolution adopted by the Commissioners of the Sinking Fund on May 21, 1913.

In said lease it is provided that the railroad company is to acquire the property by private purchase, but in case it may not be acquired by private purchase by the company, it may be acquired by condemnation proceedings by the City, the railroad company defraying all the expenses of said condemnation proceedings.

The Commissioner states that Mr. Edward H. Hawke, Jr., on behalf of the railroad company, notified him on August 12, 1913, that it is impossible to agree with the owners to purchase this property at private sale.

The railroad company having failed to agree with the owners upon a purchase price, the institution of condemnation proceedings by the City is the next step to be taken in order to carry out the terms of the lease to the New York, New Haven and Hartford Railroad Company.

Therefore, if the Board approves of my report at the public hearing, I recommend the adoption of the attached resolution approving and consenting to the request.

Respectfully, WM. A. PRENDERGAST, Comptroller.

December 9, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—At a meeting of your Board held October 8, 1913, a resolution was adopted authorizing the execution by the Board of Education of a renewal of the lease of the building and premises situated on the southeast corner of Hamburg avenue and Cornelia street, Borough of Brooklyn, occupied as an annex to Public School No. 106, for a period of one year from July 9, 1913, at an annual rental of \$1,020 and water tax.

The owner has objected to executing this lease unless the words "and make outside repairs" be stricken out, as there are no such conditions in the original lease made in the year 1902.

The Board of Education is still in possession of the premises, and has been a holdover tenant since July 9, 1913, and a renewal of the lease is therefore necessary.

I therefore respectfully recommend that the resolution in question be amended by striking out the words "and make outside repairs."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held October 8, 1913, approving of and consenting to the execution by the Board of Education of a renewal of the lease to the City of the building and premises situated on the southeast corner of Hamburg avenue and Cornelia street, Borough of Brooklyn, occupied as an annex to Public School 106, for a period of one year from July 9, 1913, at an annual rental of ten hundred and twenty dollars (\$1,020), payable quarterly, the lessor to pay taxes and make outside repairs, the lessee to pay water rates, furnish heat, light and janitor service, and make such inside alterations and repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease;

Deeming the rent reasonable and just, and it being the same as previously paid, and the City being a holdover tenant, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease of the second floor, consisting of three rooms, in the premises No. 245 Concord street, Borough of Brooklyn, for use of the Board of Education, for a period of two years from July

Gentlemen—The City is the owner of the premises No. 465 2d street in the Borough of Brooklyn, adjoining Public School 77, which was taken in condemnation proceedings in April, 1910, with the view of enlarging that school. The premises have since been turned over to the Commissioners of the Sinking Fund and have been leased at \$35 a month on a month-to-month basis.

Public School 77 is greatly overcrowded in the lower grades, and it is now necessary to provide other accommodations for the kindergarten classes.

The Board of Education at a meeting held October 22, 1913, requests that these premises, consisting of a 2-story and basement brick and brownstone house, 18 feet by 50 feet, on a lot 18 feet by 100 feet, adjoining the school grounds, be turned back to that Department for use as a kindergarten annex to Public School 77.

The Board of Education mentioned both Nos. 465 and 467 2d street, but prefer the former, as it adjoins the school grounds.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease to the City of premises No. 72-74 Horatio street, Borough of Manhattan, for use of the Department of Street Cleaning:

December 13, 1913.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to this department under date of November 26, 1913, states that the old church building at 99-101 Sullivan street, Borough of Manhattan, used by his department as Stable "M," is in a very bad and dangerous condition and has been condemned by the Board of Health as unsafe and unfit for use of the Department of Street Cleaning.

The horses are stalled in the basement, which is dark and badly ventilated. The walls of the building are cracked in several places and in danger of falling at any time, and the building is inadequate for use of the department in that section. It is held by the City under a ten-year lease, which expires March 1, 1917, at a rental of \$3,250 a year.

The Commissioner of the Department of Street Cleaning urgently requests that another stable be procured without waiting for the expiration of the Sullivan street lease.

A practically new and much larger stable has been found at Nos. 72-74 Horatio street, Manhattan. This is a 4-story and cellar brick stable, 50 feet by 85 feet, on a plot 50 feet by 87 feet 3 inches, and has storage space for forty trucks on the roof, electric elevator 8 feet by 16 feet, and electric lights.

The ground floor with a 15-foot ceiling, is also used for the storage of carts as well as the cellar, and has office, toilet and shower bath.

The second floor, 13-foot ceiling, has forty-eight single stalls, the third floor, 13-foot ceiling, has forty-eight stalls, and the fourth floor, 12-foot ceiling, has thirty-two stalls and five box stalls, making a total of 138 stalls. The stall floors are well lighted and ventilated on all four sides.

The present fair market value of this property is \$60,000.

The owner demanded a rental of \$6,500 a year on a 10-year lease from January 1, 1914, but as a result of negotiations by the Division of Real Estate of this department, he has consented to accept a rental of \$5,500 a year, which is a trifle more than 9 per cent. of the value of the property, and is at the rate of \$4 a month for each stall.

There is no other similar property in the neighborhood with which comparison may be made.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the 4-story and cellar brick stable, 50 feet by 85 feet, on a plot 50 feet by 87 feet 3 inches, at 72-74 Horatio street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of ten years from May 1, 1914, at a rental of \$5,500 a year, payable quarterly, the lessor to pay taxes, the lessee to pay water rates, furnish heat, light and stable service and make such inside and outside repairs as it may deem necessary. Lessor, John J. Bradley, 2 Worth street, Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City of the 4-story and cellar brick stable, 50 feet by 85 feet, on a plot 50 feet by 87 feet 3 inches at 72-74 Horatio street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of ten years from May 1, 1914, at an annual rental of fifty-five hundred dollars (\$5,500), payable quarterly; the lessor to pay taxes; the lessee to pay water rates, furnish heat, light and stable service and make such inside and outside repairs as may be deemed necessary; lessor, John J. Bradley; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City, of premises in the old Post Office Building, 1415-1417 Williamsbridge Road, Village of Westchester, Borough of The Bronx, for use of the Police Department:

December 9, 1913.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Police Department in a communication to your Board under date of October 3, 1913, requests a renewal of the lease of the premises known as the old Post Office Building, Nos. 1415-1417 Williamsbridge Road, Village of Westchester, Borough of The Bronx, occupied as a station house for the 69th Precinct, for a period of one year from January 1, 1914, at a rental of \$3,500 a

year, the same as previously paid, and otherwise upon the same terms and conditions as contained in the existing lease.

The Comptroller in a communication to your Board under date of October 3, 1912, recommended a renewal of this lease for a period of one year from January 1, 1913, at a rental of \$3,500 a year, and said report was approved and renewal of lease authorized at a meeting of your Board held October 9, 1912.

The rent is 11½ per cent. of the appraised value by the Division of Real Estate, which includes steam heat, water and inside and outside repairs.

The station has a force of seventy-nine men, and there is no other building available in Westchester Village that will accommodate so large a force of men.

Deeming the rent reasonable and just and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the two easterly stores on the ground floor and all of the second and third floors, in the 3-story, attic and cellar, old Post Office Building at Nos. 1415-1417 Williamsbridge Road, Village of Westchester, Borough of the Bronx, for use of the Police Department, for a period of one year from January 1, 1914, at a rental of \$3,500 a year, payable quarterly, the lessor to pay taxes and water rates, supply steam heat and make inside and outside repairs; the lessee to furnish light and janitor service and to maintain a hot water plant installed by it; and otherwise upon the same terms and conditions as contained in the existing lease. Lessor, William Henderson, Layton Avenue and Eastern Boulevard, Throggs Neck, Borough of The Bronx.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the two easterly stores on the ground floor and all of the second and third floors in the three-story, attic and cellar, old Post Office building at Nos. 1415-1417 Williamsbridge road, Village of Westchester, Borough of The Bronx, for use of the Police Department, for a period of one year from January 1, 1914, at a rental of thirty-five hundred dollars (\$3,500) a year, payable quarterly; the lessor to pay taxes and water rates, supply steam heat and make inside and outside repairs; the lessee to furnish light and janitor service and to maintain a hot water plant installed by it, and otherwise upon the same terms and conditions as contained in the existing lease; lessor, William Henderson; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The Comptroller, in a communication to your Board under date of November 21, 1912, recommended a renewal of this lease for one year from January 8, 1913, at a rental of \$600 a year, payable quarterly. Said report was approved and renewal of lease authorized at a meeting of your Board held November 27, 1912.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the rescinding of resolution authorizing a renewal of the lease to the City of premises at the foot of North 8th street, Borough of Brooklyn, for use of the Fire Department:

December 13, 1913.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Fire Department, in a communication under date of October 30, 1913, requests a renewal of the lease to the City of the pier and dock at the foot of North 8th street, Borough of Brooklyn, used as a berthing place for the fireboat "David A. Boody" for a period of one year from December 31, 1913.

The Commissioner under date of October 22, 1912, made a similar request for a renewal of this lease for one year from December 31, 1912.

The City has been a tenant of this pier for many years at a rental of \$1,000 a year.

Your Board, at a meeting held November 27, 1912, adopted a resolution approving the renewal of this lease for the year 1913, but it was not executed by the owners, Messrs. Havemeyer & Elder, 129 Front street, Manhattan, as they were uncertain at that time about rebuilding the pier, and no rent has been paid or demanded since December 31, 1912.

As a result of investigation by the Real Estate Division of this Department, it was learned that the owners, Messrs. Havemeyer & Elder, not caring to sign a renewal of the lease, were willing that the City should remain in possession of the premises rent free from December 31, 1912, and in a letter to this Department under date of December 4, 1913, the secretary to Messrs. Havemeyer & Elder says:

"I am instructed to state that our advice to you under date of December 23, 1912, still hold good, which are to the effect that we are willing to continue these privileges without cost to The City of New York until such time as it is necessary to make a change in the construction of this pier.

"Mr. Havemeyer takes this position principally as an evidence of our appre-

ciation of the valuable services rendered by the Fire Department in connection with the fire which occurred on our property on November 25, 1912." I therefore respectfully recommend that the resolution of your Board adopted November 27, 1912, regarding this matter, be rescinded, and that the Commissioner of the Fire Department be notified of the facts in the case. Respectfully,  
WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held November 27, 1912, authorizing a renewal of the lease to the City, of premises at the foot of North 8th street, Borough of Brooklyn, for use of the Fire Department for a period of one year from December 1, 1912, at an annual rental of one thousand dollars (\$1,000); lessor, Havemeyer & Elder, be and the same is hereby rescinded. The report was accepted and the resolution unanimously adopted.

Lessors, Antonio Cassela and Raffaella Cassela, 359 Manhattan avenue, Brooklyn. Respectfully,

December 8, 1913.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Secretary of the Department of Health in a communication to your Board under date of August 5, 1913, states that at a meeting of the Board of Health held July 15, 1913, a resolution was adopted requesting a renewal of the lease to the City from the Estate of A. This rent was an advance of 50 per cent over that previously paid, which is deemed excessive.

As a result of negotiations by the Division of Real Estate of this Department, however, it has been agreed that the City shall be allowed to remain in possession at the rate of \$240 a year without a lease, and on a month to month basis, the owner reserving the right to cancel the agreement upon giving 60 days' written notice.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay rent at the rate of \$20 a month, payable monthly, on a month to month basis, for use of the vacant premises on the west side of Bay street, extending from Richmond road to Elizabeth street, Stapleton, Borough of Richmond, fronting about 50 feet on the northwesterly side of Richmond road, 41 feet on the westerly side of Bay street, 103 feet on the southerly side of Elizabeth street, and having a rear line of 58 feet at right angles to Elizabeth street and irregular, for use of the Department of Health, as a location for a tuberculosis clinic, for a period not to exceed three years from November 1, 1913, without the necessity of entering into a lease; the lessor to pay taxes, also to have the right to terminate the agreement at any time upon giving 60 days' written notice; the lessee to make necessary improvements and furnish heat, light, water and janitor service as required. Lessor, Estate of A. Horrmann, deceased; William Horrmann, Charles Horrmann and Isaac Untermyer, Executors. Agent, E. Cossmann, 558 Bay street, Stapleton, Borough of Richmond.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to the estate of A. Horrmann, deceased, William Horrmann, Charles Horrmann and Isaac Untermyer, Executors, the rental of the vacant premises on the west side of Bay street, extending from Richmond road to Elizabeth street, Stapleton, Borough of Richmond, fronting about 50 feet on the northwesterly side of Richmond road, 41 feet on the westerly side of Bay street, 103 feet on the southerly side of Elizabeth street, and having a rear line of 58 feet at right angles to Elizabeth street and irregular, for use of the Department of Health, as a location for a tuberculosis clinic, for a period not to exceed three years from November 1, 1913, on a month to month basis, at a rental of twenty dollars (\$20) a month, payable monthly, without the necessity of entering into a lease; the lessor to pay taxes, also to have the right to terminate the tenancy at any time upon giving sixty days' written notice; the lessee to make necessary improvements and furnish heat, light, water and janitor service as required; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that the hiring of the premises for the purposes mentioned is necessary.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at No. 604 Park avenue, Borough of Brooklyn, for use of the Department of Health:

December 8, 1913.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Secretary of the Department of Health in a communication to your Board under date of October 31, 1913, states that at a meeting of the Board of Health held October 28, 1913, a resolution was adopted requesting a renewal of the lease of premises now occupied by that Department as an Infants' Milk Station, located at 604 Park avenue, Borough of Brooklyn, for a period of one year from January 15, 1914, at the same rental as now paid, and otherwise upon the same terms and conditions.

The Comptroller in a communication to your Board under date of November 21, 1912, recommended a renewal of this lease for a period of one year from January 15, 1913, at an annual rental of \$276, including \$60 for heat and light. Said report was approved and renewal of lease authorized at a meeting of your Board held November 27, 1912.

The owner of the premises, however, refuses to longer furnish heat and light, claiming that the gas bills far exceed the amount allowed him for that purpose, and he demands a rental of \$258 a year, without heat and light. This is an increase of \$42 a year in the rental, which is accounted for by the fact that all the store rentals in this building were increased this year from \$250 to \$4 a month, according to size, and he states that as he expended approximately \$180 last year in fitting up this store as a milk station for the Health Department he is entitled to an increase in the rent.

A thorough search of the neighborhood has failed to discover any other available store at a lower rental.

Deeming the rent reasonable and just, under the circumstances, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the lease of the store 9 feet 8 inches by 32 feet 6 inches, with rear room 7 feet 8 inches by 9 feet 5 inches, on the ground floor, and storage bin 7 feet by 5 feet in rear part of cellar, said store being the first store on the westerly side of house entrance of the 6-story brick tenement building at 604 Park avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from January 15, 1914, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$258, payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish heat, light and janitor service and to make such inside alterations and repairs during occupancy as it may deem necessary. Lessor, M. Angelo Elias, 55 Liberty street, Borough of Manhattan.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Gentlemen—The Chief Clerk of the Court of Special Sessions, in a communication to your Board under date of October 18, 1913, requests a renewal of the lease of Rooms 1805 and 1806 on the 18th floor of the Ashland Building, on the southeast corner of 4th avenue and 24th street, Borough of Manhattan, and known as 315 4th avenue, Borough of Manhattan, for use of the Probation Officers of the Court of Special Sessions, for a period of one year from February 15, 1914, at an annual rental of \$2,000, payable quarterly, and otherwise upon the same terms and conditions as contained in the existing lease. The name of the lessor should have read, "Marie Hudtwalker, as sole executrix under the last will and testament of J. George Grauer, deceased," and a resolution was adopted on January 15, 1913, amending the previous resolution so as to correct the name of the lessor by making this change.

The President of the Borough of Queens having requested a lease of these premises for a period of one year from January 1, 1914, I further recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the above mentioned room for use of the President of the Borough of Queens, for a period of one year from January 1, 1914, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$150, payable quarterly; the lessor to pay taxes, keep the premises in good and tenantable condition and furnish artesian well water, steam heat, light and janitor service. On October 8, 1913, the Commissioners of the Sinking Fund adopted a resolution authorizing the payment of rent at the rate of \$17 a month for a period not exceeding one year from November 1, 1913. This resolution conflicts with the one adopted on April 16, 1913.

I therefore respectfully recommend that the resolution adopted on October 8, 1913, be rescinded and that the resolution adopted on April 16, 1913, be amended by changing the period of rental at the rate of \$10 a month for two years from June 30, 1913, to the period from June 30, 1913, to November 1, 1913, and that the rent from and after November 1, 1913, be at the rate of \$17 a month.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of additional space in the Bergen Building, corner of Arthur and Tremont avenues, Borough of The Bronx, for use of the Register of Bronx County:

December 13, 1913.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—At a meeting of your Board held November 19, 1913, a resolution was adopted authorizing a lease of 5,500 square feet of space on the top floor of the Bergen Building, at the southeast corner of Arthur and Tremont avenues, Borough of The Bronx, for use of the Register of the County of Bronx, for a period from January 1, 1914, to July 1, 1917, at an annual rental of \$4,125, payable quarterly.

Under date of November 24, 1913, the Register-elect of the County of Bronx, in a communication to your Board, states that upon going over the floor and marking the space required for each department, he finds that there is not sufficient room with which to conduct the various departments connected with his office. There are nineteen departments required by law in the Register's office, some of which require considerable space.

It should be noted that the Register's office in New York County has about 30,000 square feet of floor space; Kings County has about 23,000 square feet, and Queens County about 27,000 square feet. It was considered that the original application of the Register-elect of Bronx County for 7,000 square feet (exclusive of aisle space) would be no more than sufficient to take care of his requirements. With the aisle space added this would have amounted to 9,000 square feet.

Under the resolution adopted by your Board only 5,500 square feet has been allowed, which amount includes the space necessary for aisles for the public. He now requests the hiring of two additional rooms, containing a total area of 950 square feet, which are to be used for the installation of twelve Elliott-Fisher machines, which will be constantly in use, and a bindery.

After an investigation made by the Appraiser of Real Estate of this Department I am satisfied that the request is a reasonable one and should be granted.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease from William C. Bergen of Rooms Nos. 5 and 6, containing 950 square feet, on the sixth floor of the Bergen Building, located on the southeasterly corner of Arthur and Tremont avenues, Borough of The Bronx, for use of the Register of the County of Bronx, for a period from January 1, 1914, to July 1, 1917, at an annual rental of \$712.50, payable quarterly; the lessor to pay taxes and water rates and make inside and outside repairs, also to furnish heat, light, elevator and janitor service; all provided, however, that the Bureau of Buildings of the Borough of The Bronx shall certify that the demised premises are suitable and proper for the purposes for which they are leased. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from William C. Bergen, of rooms 5 and 6, containing 950 square feet, on the sixth floor of the Bergen Building, located on the southeasterly corner of Arthur and Tremont avenues, Borough of The Bronx, for use of the Register of the County of The Bronx, for a period from January 1, 1914, to July 1, 1917, at

an annual rental of seven hundred and twelve dollars and fifty cents (\$712.50), payable quarterly; the lessor to pay taxes and water rates, and make inside and outside repairs, also to furnish heat, light, elevator and janitor service; all provided, however, that the Bureau of Buildings of the Borough of The Bronx shall certify that the demised premises are suitable and proper for the purposes for which they are leased; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The owners of the Metropolitan Life Insurance Building have consented to this arrangement.

The Comptroller in a communication to your Board under date of November 21, 1912, recommended a renewal of this lease for a period of one year from January 1, 1913, at a rental of \$1,600 a year, the same as paid for the previous six years, and said report was approved and renewal of lease authorized at a meeting of your Board held November 27, 1912.

A true copy of preamble and resolution adopted by the Board of Education on November 26, 1913.

A. E. PALMER, Secretary, Board of Education.

December 13, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Secretary of the Board of Education in a communication to your Board under date of December 1, 1913, states that at a meeting of the Board of Education held November 26, 1913, an application was presented from the Finance Department requesting the use of a room in Public School 97B, Manhattan, as an office for the Collector of the Delancey Street Market, and thereupon a resolution was adopted certifying to the Commissioners of the Sinking Fund, as being no longer required for the purposes of the Board of Education, the room at the Pitt street end of said Public School 97B.

This is a 1-story school building under the Williamsburgh Bridge at Pitt street, but is not at present being used for school purposes. The room in question was formerly known as the teachers' room and is located at the southwest corner of the building, fronting on Pitt street.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution assigning the room at the southwest corner of Public School No. 97B, Manhattan, under the Williamsburgh Bridge, said room fronting on Pitt street, for use by the Department of Finance as an office for the Collector of the Delancey Street Market. The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the assignment of three horses and wagon to the Board of Inebriety:

December 1, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On November 13 and 17, 1913, the Executive Secretary of the Board of Inebriety requested approval of the transfer, to its jurisdiction, of two horses and one wagon from the Department of Health and one horse from the Bellevue and Allied Hospitals. In connection therewith I report as follows:

The transfer of the horses and the wagon is requested in accordance with a suggestion of the 1914 Budget Committee. Request was made by the Board of Inebriety in the Departmental Estimate for 1914, for additional horses and wagons, but no allowance was made for the purchase as they could be obtained by transfer from other City departments.

On November 19, 1913, the Board of Health adopted a resolution assigning the two horses and wagon to your Board as no longer required, in order that they may be transferred to the Board of Inebriety. On November 17, 1913, the trustees of the Bellevue and Allied Hospitals transferred one horse ("Billie"), which is in fairly good condition, and no longer required for ambulance purposes.

As the horses are transferred to active service on the farm of the Board of Inebriety, at Warwick, N. Y., no Veterinarian's certificate has been sought.

I recommend the adoption of the attached resolution approving the transfer. Respectfully, DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Board of Inebriety two horses and wagon turned over to the Commissioners of the Sinking Fund by the Department of Health on November 19, 1913, and one horse turned over to the Commissioners of the Sinking Fund by the Trustees of the Bellevue and Allied Hospitals on November 17, 1913, as no longer required.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the assignment of 500 pounds of old rope to the Department of Public Charities:

December 10, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On December 1, 1913, the Commissioner of Public Charities requested transfer of 500 pounds of old rope from the Fire Department. In connection therewith I report as follows:

The Fire Department in a communication to the Commissioner of Public Charities advised that this condemned rope had been withdrawn from the sale of December 3 and would be turned over to the Department of Public Charities with the approval of the Commissioners of the Sinking Fund. The rope is desired by the Department of Charities for mat making purposes by inmates of almshouses.

I recommend the adoption of the attached resolution approving the transfer. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Department of Public Charities 500 pounds of old rope condemned as unfit for use by the Fire Department.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the assignment of two worn out ambulances to the President of the Borough of Brooklyn:

November 24, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On October 29, 1913, Dr. Richard E. Shaw, Superintendent of the Long Island College Hospital, requested directions as to the disposition of two ambulances, the property of the City. Superintendent Shaw stated as follows:

"The ambulances are worn out and it would not pay to attempt to repair them. One of them has been lying in the yard for five years. A short time ago a man offered \$10 for one of the ambulances, intending to utilize the vehicle in some way. This would indicate that the ambulances are of little value. As the ambulances are City property, I await instructions as to how to dispose of them."

Other hospitals are gradually substituting auto ambulances for horse ambulances. The President of the Borough of Brooklyn has consented to dispose of the ambulances at a corporation sale.

In view of the foregoing I recommend the adoption of the attached resolution, turning the ambulances over to the President of the Borough of Brooklyn to be disposed of at corporation sale. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Superintendent of Long Island College Hospital is hereby directed by the Commissioners of the Sinking Fund to turn over to the President of the Borough of Brooklyn two ambulances, property of The City of New York, to be disposed of at corporation sale.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to resolutions adopted by the Armory Board:

1. Transfer of \$55,363.62 cash balance in Corporate Stock Fund entitled C. A. B.—2-A, Armory Fund, 8th Coast Artillery to Corporate Stock Fund known as C. F. M.—24.

2. Changing the amount appropriated for retaining wall at new 8th Coast Artillery District Armory from \$140,000 to \$111,000.

3. Changing the amount appropriated for the erection of the Armory Building for the 8th Coast Artillery District from \$1,150,000 to \$1,179,000.

November 25, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On September 24, 1913, the Armory Board adopted the following resolutions:

1. Recommending that cash balance of \$55,363.62 in Corporate Stock Fund entitled "C. A. B.—2-A, Armory Fund, 8th Artillery District, erection of retaining wall between armory site and the easterly basin of Jerome Park Reservoir, be transferred pursuant to section 237 of the Greater New York Charter.

2. Amending resolution of the Armory Board adopted March 16, 1911, by changing the amount appropriated for a retaining wall, new 8th Artillery District Armory, from \$140,000 to \$111,000.

3. Amending resolution adopted by the Armory Board on October 17, 1911, by changing the amount appropriated for the erection of a completed armory building for the 8th Artillery District from \$1,150,000 to \$1,179,000.

In connection therewith I report as follows:

On December 18, 1911, the Commissioners of the Sinking Fund adopted a resolution authorizing the issue of \$1,150,000 corporate stock for the purpose of erecting a complete armory building for the Eighth Artillery District (including architect's fees) at the southerly end of Jerome Park Reservoir. The following statement shows the contracts that have been let and an estimate of the work still to be contracted for, architect's fees, etc.:

Contracts Let—	
Foundation work .....	\$72,815 86
Steel trusses .....	532,000 00
Granite blocks .....	3,140 00
Superstructure .....	471,672 00
	\$1,079,647 86

Work to be Contracted For—	
Flooring of drill floor .....	\$6,000 00
Plumbing work .....	43,990 00
Electric work .....	21,726 00
Heating and ventilating .....	50,000 00
	\$121,716 00

Total cost of building .....	\$1,201,363 86
------------------------------	----------------

Architect's Fees—	
5 per cent. on \$1,201,363.86 .....	\$60,068 20
2½ per cent. on \$115,716 .....	2,892 90
Inspection of steel .....	6,384 00
	\$69,345 10
	\$1,270,708 96

It will, therefore, be seen that, as only \$1,150,000 in corporate stock has been issued for the erection of this building, there will be a deficit in the account, amounting to \$120,708.96.

On March 16, 1911, your Board adopted a resolution authorizing an issue of corporate stock to the amount of \$140,000 for the purpose of erecting a retaining wall between the site of the new Eighth Artillery District Armory and the easterly basin of Jerome Park Reservoir. This work has been completed and there is an unencumbered balance remaining in the account (C. A. B.—2-A) of \$84,363.62. This balance is divided as follows:

Bonds authorized but unallotted .....	\$29,000 00
Cash balance .....	55,363 62

The Secretary states that in order to cover the above deficit of \$120,708.96 it is proposed to transfer the \$29,000 of bonds authorized but unallotted remaining in the account C. A. B.—2-A to the account C. A. B. 2-B, "Erection of a Completed Armory Building for the 8th Artillery District," and to also transfer, pursuant to the provisions of chapter 36 of the Laws of 1913, the unencumbered cash balance of \$55,363.62 to the account entitled "Moneys Available for Permanent Improvements for Which Corporate Stock May Lawfully be Issued."

By making this transfer, it is estimated that an additional appropriation of approximately only \$35,000 will be necessary to complete the Armory, exclusive of furniture, equipment, etc.

I recommend the adoption of the attached resolutions transferring the cash balance and amending the authorizations as requested. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the transfer by the Comptroller to the account entitled "Moneys Available for Permanent Improvements for Which Corporate Stock May Lawfully Be Issued" of the following unexpended and unencumbered cash balance in corporate stock fund heretofore authorized, the purposes for which said authorization was made having been accomplished, be and is hereby approved, pursuant to section 237 of the Greater New York Charter, as amended by chapter 36 of the Laws of 1913, as follows:

*Armory Board.*

C. A. B.—2A Armory Fund, 8th Artillery District, erection of retaining wall between Armory site and the easterly Basin of Jerome Park Reservoir .....

\$55,363 62

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund on April 26, 1911, as follows:

"Whereas, The Armory Board, at a meeting held March 16, 1911, adopted the following preamble and resolution:

"Whereas, The Commissioners of the Sinking Fund, under date of January 25, 1911, adopted a resolution assigning to the Armory Board to be used as a site for the proposed new armory for the Eighth Coast Artillery District, the land at the southerly end of Jerome Park Reservoir, situated in the Borough of The Bronx, bounded and described as follows:

The Deputy and Acting Comptroller presented the following report relative to a communication received from the Armory Board requesting approval of preliminary plans prepared by Messrs. Pilcher & Tachau, architects to the Eighth Artillery District Armory:

December 11, 1913.

To the Commissioners of the Sinking Fund:

Gentlemen—On November 18, 1913, the Armory Board adopted the following resolution:

"Resolved, That the preliminary plans and specifications prepared by Messrs. Pilcher & Tachau for the alterations to the old 8th Artillery District Armory, to make same adaptable for the use of the First Cavalry, be transmitted to the Commissioners of the Sinking Fund for approval."

Inasmuch as no appropriation has been made for this work, I recommend that action be deferred and the Secretary directed to return the plans and specifications to the Armory Board.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

The report was accepted and the Secretary directed to return the plans and specifications as recommended.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to authorizing the Comptroller to pay for the acquisition of property in the Town of Patterson, County of Putnam, State of New York, from the fund known as "City Treasury, Special and Trust Account, Sale of City Property":

December 9, 1913.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On June 25, 1913, the Commissioners of the Sinking Fund authorized a sale at public auction of a certain parcel of land situated at Towners, Town of Patterson, County of Putnam, State of New York, at an upset price of \$2,500. This property was bid in by the New York Central and Hudson River Railroad Company, and the deed therefor was delivered to the Railroad Company, and said sum was deposited in the fund "City Treasury, Special and Trust Account, Sale of City Property."

On July 10, 1913, the Board of Estimate and Apportionment adopted a resolution approving of the selection of a certain parcel of land situated in the Town of Patterson, County of Putnam and State of New York, and authorized the Comptroller to enter into contract for the acquisition of the same, at private sale, at a price not exceeding \$1,000. It is proposed to pay this purchase price from the moneys received from the sale at public auction which was authorized by the Commissioners of the Sinking Fund on June 25, 1913.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the payment for this property from the fund known as the "City Treasury, Special and Trust Account, Sale of City Property."

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Whereas, The Board of Estimate and Apportionment, by resolution adopted July 10, 1913, authorized the Comptroller to enter into a contract for the acquisition of certain land situated in the Town of Patterson, County of Putnam, State of New York, for use of the Department of Water Supply, Gas and Electricity, at private sale, at a price not less than one thousand dollars (\$1,000); the amount to be paid for the purchase of this site to be taken from the amount realized from the sale at public auction, of the land lying at Towners, Town of Patterson, Putnam County and State of New York, which was authorized by the Commissioners of the Sinking Fund on June 25, 1913.

Resolved, That the Commissioners of the Sinking Fund hereby authorize payment for the property hereinabove mentioned, authorized to be acquired for use of the Department of Water Supply, Gas and Electricity, for the sum of one thousand dollars (\$1,000) from the fund known as "City Treasury, Special and Trust Account, Sale of City Property."

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the setting aside and retaining in Sinking Fund No. 1 the sum of \$77,999,066.26, to provide for the redemption of the obligations of said Sinking Fund outstanding January 1, 1913:

December 10, 1913.

To the Honorable Commissioners of the Sinking Fund, City of New York:

Gentlemen—The purpose of this communication is to bring to your attention a surplus on January 1, 1913, in the accumulations of the Sinking Fund of the City of New York for the Redemption of City Debt No. 1 of \$2,839,843.82. This surplus is available for investment in General Fund bonds in accordance with section 222 of the Greater New York Charter.

The existence of the surplus was developed by Mr. William G. Lord, a statistician connected with the Division of Expert Accounting, while he was engaged early in 1913 in checking the adequacy of the assets of the various sinking funds to retire at maturity the bonds for which the funds are pledged, preparatory to reflecting the status of these funds upon the new general ledger of the city.

Mr. Lord's calculations show that on January 1, 1913, there was in the Sinking Fund under consideration assets aggregating \$218,338,910.08, made up as follows:

Investments ..... \$80,030,768 44  
Net cash ..... 808,141 64  
General Fund bonds ..... 137,500,000 00

Total assets ..... \$218,338,910 08

And that the amount required on January 1, 1913, which, invested at 3 per centum, compounded annually, will provide for the bonds chargeable to this fund at maturity is ..... 77,999,066 26

General Fund bonds to be cancelled when the bonds chargeable to this fund have been fully provided for. 137,500,000 00

215,499,066 26

Surplus available for investment in General Fund bonds. \$2,839,843 82

To preclude any possibility of error in figures of this magnitude, it was thought advisable to have them checked by an actuary, and Mr. W. H. Gould of 149 Broadway was employed for that purpose. It will be seen from the report that follows that he found the figures entirely accurate:

"November 7, 1913.

"Hon. WILLIAM A. PRENDERGAST, Comptroller, City of New York:

"Dear Sir—At the request of Mr. R. B. McIntyre of your department I have made calculations verifying the work of Mr. Lord in connection with the various Sinking Fund valuations.

"With particular reference to the condition of the Sinking Fund for the Redemption of the City Debt (1) I wish to state that I concur in the statements made by Mr. Lord in a communication which is attached hereto. The necessary reserve value for the Sinking Fund on January 1, 1913, is as follows:

"Non-exempt bonds ..... \$70,876,617 90  
Exempt (County bonds) ..... 7,119,448 36  
Matured and unredeemed bonds ..... 3,000 00

Total ..... \$77,999,066 26

"The assets of the fund, as shown in the Comptroller's report for December 31, 1912, are as follows:

"Invested assets ..... \$80,030,768 44  
Cash ..... 834,671 78  
"General Fund bonds" ..... 137,500,000 00

Total ..... \$218,365,440 22

Less warrants outstanding ..... 26,330 14

Net assets ..... \$218,338,910 08

"If to the reserve already stated we add the amount of 'General Fund bonds' the liabilities of the fund are \$215,499,066.26, which produces the surplus to which Mr. Lord draws attention of \$2,839,843.82, which would be available for further investment in 'General Fund bonds'."

"A further calculation shows the reserve value of this fund as of January 1, 1914, to be \$72,794,278.99, on the assumption that all the bonds maturing in the year 1913 have been duly paid and retired. There is still a further reserve of \$3,000 necessary on account of bonds which matured in 1890 and 1901 which have never been presented for payment. I believe that a tabulation of the assets of this Sinking Fund as of December 31, 1913, would show at least as great a surplus in the fund as Mr. Lord showed a year ago.

"Respectfully,

W. H. GOULD, Actuary."

The surplus reserved from investment in General Fund bonds, \$2,839,843.82, as above shown, has been due to two causes, namely:

1. The setting aside or reserving from investment in General Fund bonds annually of \$219,941.15, when the single sum of \$81,694.67 set aside in the year 1903, with its accumulation of interest earnings, would have fully met the following requirements of section 222 of the Greater New York Charter:

"\* \* \* The Board of Commissioners of the Sinking Fund in the year one thousand nine hundred and three and in each year thereafter until all of the bonds and stock which are redeemable from the fund known as 'The Sinking Fund of The City of New York for the Redemption of the City Debt' shall have matured, shall set apart out of the revenues and income of said Sinking Fund, except the income and accumulation thereof derived from assets held by said Sinking Fund on January first, nineteen hundred and three, and except also the income and accumulation thereof derived from the amount to be thus annually set apart, a sum which with the accumulation of interest thereon, together with the said assets of said Sinking Fund and the earnings and accumulations thereof, shall be sufficient to redeem at maturity all the bonds and stock of The City of New York which are redeemable from said Sinking Fund."

The over accumulation in the above instance was due in large part to the setting aside annually of sums which with compound interest would retire the following optional bonds at their earliest maturities instead of upon the dates they become due:

\$9,823,100 2½ per cent, payable after 1909, due 1929.  
145,000 3 per cent, payable after 1913, due 1933.  
300,000 3½ per cent, payable after 1913, due 1933.

Taking this circumstance into consideration, it was found that the single sum of \$81,694.67, set aside in the year 1903, would have been sufficient, with the accumulations of the original fund, to provide for the redemption at maturity of all outstanding bonds payable from this fund.

2. The investments made in General Fund bonds were made in round amounts, leaving small balances which have also increased the surplus accumulations of the fund.

Inasmuch as section 222 of the Greater New York Charter has now been in force for more than ten years we are enabled to determine the exact condition of this fund, as distinguished from the estimates contained in a report presented to your Board by the then Comptroller, Hon. Edward M. Grout, under date of May 19, 1903, and acted upon at a meeting of your Board held on May 20, 1903, as appears in the printed minutes of the Board for the year 1903 on pages 497 to 501.

The original fund or assets held on January 1, 1903, amounted to \$96,320,555.42. The revenues received from the investment of this fund from January 1, 1903, to December 31, 1912, amounted to \$28,614,074.84, or a total of \$124,934,630.26, from which has been disbursed the sum of \$47,040,133.18 for the redemption of matured bonds chargeable to this fund, leaving a balance of \$77,894,497.08 of the original fund and its accumulations on January 1, 1913, as is shown in detail in statement No. 1 hereto appended.

The amount of the bonds outstanding and redeemable from this fund on January 1, 1913, was \$97,782,459.05, as is shown in detail in statement No. 2, hereto appended.

The amount required, with interest earnings at the rate of 3 per cent. per annum, to provide for the redemption of the \$97,782,459.05 of bonds outstanding January 1, 1913, was \$77,999,066.26, as above stated.

It therefore appears that the addition of the sum of \$104,569.18 to the balance of the original fund on hand January 1, 1913, viz: \$77,894,497.18, will complete the full amount of \$77,999,066.26 needed to be retained in the fund to provide for the redemption of the \$97,782,459.05 of bonds then outstanding.

Consequently it will not be necessary hereafter to retain any part of the future revenues of this fund other than interest on the reserve required to provide for the redemption of the outstanding bonds. Therefore the entire assets and revenues of the fund over and above the amount needed to be retained for redemption purposes may be invested in General Fund bonds. The surplus available on January 1, 1913, for investment in General Fund bonds, as above shown, viz, \$2,839,843.82, is left free for such investment at the discretion of your Board. Respectfully submitted,

WM. A. PRENDERGAST, Comptroller.

Whereas, At a meeting of the Board of Commissioners of the Sinking Fund, held on May 20, 1903, a report was presented by the then Comptroller, showing the condition of the "Sinking Fund for the Redemption of the City Debt, No. 1," on January 1, 1903, and including an estimate of \$219,941.15 as the amount necessary to be set aside annually out of the revenues of said sinking fund (excepting the income and accumulation thereof derived from the assets held by said sinking fund on January 1, 1903, and except also the income and accumulation thereof derived from the amount thus set apart) to comply with the provisions of Chapter 103 of the Laws of 1903, and

Whereas, It now appears from a report presented to this Board by the Comptroller under date of December 10, 1913, That the result of the actual operation of said sinking fund for the ten year period from January 1, 1903, to January 1, 1913, demonstrates that the sum of \$104,569.18, in addition to the balance of the accumulation of the assets held by the said sinking fund on January 1, 1903, which amounted on January 1, 1913, to the sum of \$77,894,497.08, will complete the full amount, which, invested at the rate of 3 per cent. annually, will provide for the redemption of all the obligations of the said sinking fund outstanding on January 1, 1913, at their several maturity dates, thereof be it

Resolved, That there shall be set aside and retained in the "Sinking Fund for the Redemption of the City Debt, No. 1" the sum of \$77,999,066.26, consisting of (1) the amount of the balance held on January 1, 1913, of the accumulation of the assets held by the said sinking fund on January 1, 1903, viz: \$77,894,497.08, and (2) the sum of \$104,569.18 required to be retained out of the revenues of the said sinking fund, other than the revenues derived from the investment of the assets held by the said sinking fund on January 1, 1903, to provide for the redemption of the obligations of said sinking fund outstanding on January 1, 1913, said amount \$77,999,066.26, so set aside to be invested at a rate of interest not less than 3 per cent. per annum, said sum and its accumulations to the extent of 3 per cent. per annum to be applied solely to the purpose of the redemption at their several maturity dates of said obligations, amounting to \$97,782,459.05, outstanding on January 1, 1913, as provided in Chapter 103 of the Laws of 1903.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a petition of the Evangelical Lutheran Bethlehem Church for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn:

December 8, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Evangelical Lutheran Bethlehem Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 3, Block 793, Lot 58.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about February 26, 1906; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for religious services, Saturday school, Sunday school and meeting of church council.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to 1910 and since the assessed valuation for the year 1913 is \$8,200.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears, that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

#### Assessment.

"Paving 51st Street, between 6th and 7th Avenues" (entered March 22, 1910):

No. 39, Section 3, Block 793, Lot 58..... \$195 05

Although this property is not within the territory in which, as a general proposition, applications for exemption of church property are to be considered, as fixed by the resolution of the Commissioners of the Sinking Fund, adopted June 14, 1911, nevertheless, as the petitioner has established to my satisfaction an inability to meet the payment of the aforesaid open charge, I would recommend that such charge be cancelled upon payment of an amount equal to the face thereof, without penalty or

interest, following the provisions of the resolution of the Commissioners of the Sinking Fund adopted March 5, 1913, which modifies the policy of the Board as expressed in the aforesaid resolution of June 14, 1911, with respect to churches not within the territory.

Petitioner has included in its application certain installment assessments for the 8th Ward improvement, under chapter 365, Laws of 1889, etc., payable in ten annual installments, installment only a lien as levied, with permission to pay whole assessment after first installment is due and payable. First installment levied in 1900.

I refuse to certify my approval of the application, however, so far as respects said installment assessments, for the reason that the property was not acquired until February 26, 1906, subsequent to the levying of the first installment, the petitioner had due notice of the existence thereof, and presumably such assessments were an element affecting the value of the property when the same was bought, and furthermore, that at the time petitioner acquired the property such charges had accrued, although not a lien.

The total involved as principal in the above assessments is \$195.05. The property affected by these assessments is located in the Borough of Brooklyn, 8th Ward, 51st street, near 6th avenue.

The Trustee, Adolph Behn, in response to a request, has submitted a financial statement for the year ending December 1, 1911, showing the total receipts from all sources to be \$1,762.08 and the expenditures for all objects, \$1,660.26, leaving a balance of \$101.82.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said lien above mentioned accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the liens which I have refused to certify for cancellation, and I would therefore certify my approval of the application of the Evangelical Lutheran Bethlehem Church to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the lien above set forth as the one which may properly be cancelled be cancelled upon the payment of \$195.05, provided that payment be made within sixty days from the date of the resolution authorizing such payment.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon the payment of the sum of one hundred and ninety-five dollars and five cents (\$195.05), within sixty days from date, the Commissioners of the Sinking Fund by unanimous vote hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the Evangelical Lutheran Bethlehem Church, in the Borough of Brooklyn:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a petition of St. James M. E. Church, in the Borough of Brooklyn, for the cancellation of certain assessments for public improvements:

December 8, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—St. James M. E. Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn designated on the official tax map as section 19, block 6329, lot 1.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about June 20, 1902, that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for church purposes.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation for the year 1910 and since, and the assessed valuation for the year 1913 is \$27,300.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

No. 50, Section 19, Block 6329, Lot 1..... \$273 22

The total amount involved as principal in the above assessments is \$273.22. The property affected by these assessments is located in the Borough of Brooklyn, 30th Ward, 84th street, between 20th and 21st streets.

The treasurer, C. W. Bridgins, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$3,096.71 and the expenditures for all objects \$3,207.10, leaving a deficit of \$110.39.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of St. James Methodist Episcopal Church pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.00. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10) the Commissioners of the Sinking Fund by unanimous vote hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by St. James M. It is further stated that the above balance of \$3,047.74 is to be applied toward a "new convent."

Said statement also shows a mortgage indebtedness of \$30,000.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of the R. The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a petition of St. James Episcopal Church, Fordham, for the cancellation of certain assessments and water charges affecting premises in the Borough of The Bronx:

December 8, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—St. James Episcopal Church (Fordham) has presented to you a petition for the cancellation of certain assessments for public improvements and water charges, affecting premises in the Borough of The Bronx, designated on the official tax map as Section 11, Block 3190, Lots 1 and 56.

This application is made pursuant to the provision of section 221-A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about 1859 as to lot 1, and lot 56 in 1856; that it has owned the above described premises continuously since said date and is still the owner thereof, and that lot 1 now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used: Lot 1, as place of public worship; lot 56, as a parsonage.

It appears from an examination of the Assessment Rolls that said lot 1 has been exempt from local taxation for the year 1904 and since, and the assessed valuation for the year 1912 is \$150,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements and water charges were levied against said property and are now open and unpaid on the records of the Department, namely:

#### Assessments.

"Opening Davidson Avenue, from East 177th Street to Fordham Road, Etc." (confirmed December 15, 1904, entered January 13, 1905):

"Acquiring Title to Grand Boulevard and Concourse, Etc." (confirmed December 8, entered December 30, 1909):

1905, Section 11, Block 3190, Lot 1.....	\$20 70
1906, Section 11, Block 3190, Lot 1.....	18 95

In view of the fact that lot 56 is occupied as a parsonage and not entitled to exemption from taxation, no relief can be granted by the Commissioners of the Sinking Fund under section 221-A of the Charter.

From the records of the Bureau of Awards there appears the following:

Said tax search further shows that the foregoing water rents were paid at the time of the payment of the award. The foregoing assessments were cancelled by Comptroller's order dated September 13, 1904, in accordance with the advice of the Corporation Counsel, pursuant to chapter 689, Laws of 1904.

The total amount involved as principal in the above assessments and water charges is \$342.10. The property affected by these assessments is located in the Borough of The Bronx, at Jerome avenue and East 190th street.

The Pastor, Rev. D. L. Pelton, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$4,682.06, and the expenditures for all objects, \$4,529.06, leaving a balance of \$153.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221-A of the Greater New York Charter, and I would, therefore, certify my approval of the application of St. James Episcopal Church (Fordham), pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10) the Commissioners of the Sinking Fund by unanimous vote hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments and water charges levied and assessed against property owned by St. James' Episcopal Church (Fordham), in the Borough of The Bronx:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a petition of St. Bartholomew's Church for the cancellation of certain assessments and water charges affecting premises in the Borough of Manhattan:

December 8, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—St. Bartholomew's Church has presented to you a petition for the cancellation of certain water charges, affecting premises in the Borough of Manhattan, designated on the official tax map as Section 5, Block 1316, Lot 5, formerly known as Lots 5, 6, 7, 8 and 9.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the old Lots 5, 6 and 7 in 1890, and old Lots 8 and 9 in 1896; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as parish house, in which the dispensary, guilds, clubs, classes for the giving of instruction in stenography, typewriting, sewing, dressmaking and other useful occupations are maintained.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to 1898 and since, and the assessed valuation for the year 1913 is \$350,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following water charges were levied against said property and are now open and unpaid on the records of the Department, namely:

*Water Charges.*

1898, Section 5, Block 1316, Lot 5.....	\$151 40
1910, Section 5, Block 1316, Lot 5.....	821 30
1911, Section 5, Block 1316, Lot 5.....	1,095 60

The total amount involved as principal in the above water charges is \$2,068.30. The property affected by these water charges is located in the Borough of Manhattan, on the northerly side of East 42d street, east of 3d avenue.

The treasurer, William A. Greer, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$52,185.82, and the expenditures for all objects, \$103,470.61, leaving a deficit of \$51,284.79.

It is stated by the treasurer that the above deficit was made up by personal contributions and subscriptions from the members of St. Bartholomew's Church (the petitioning corporation), solicited by the rector, Leighton Parks, and that each year since 1891 a similar deficit has been raised in this way.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of St. Bartholomew's Church, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon the payment of ten dollars (\$10) the Commissioners of the Sinking Fund by unanimous vote hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following water charges on property owned by St. Bartholomew's Church, in the Borough of Manhattan:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a petition of St. Margaret's Church, Riverdale, N. Y., for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx:

December 8, 1913.

To the Honorable the Commissioners of the Sinking Fund of the City of New York: Gentlemen—St. Margaret's Church, Riverdale, New York, has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as Block 3423, lots 547, 553 and 555, all now known as lot 547.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and

Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same as follows: Lot 547, May 1, 1874; lot 553, April 5, 1893; lot 555, November 9, 1910; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used for religious purposes.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation as follows: Lot 547 in 1897 and since; 553 in 1909 and since; taxes for 1908 remitted by Department of Taxes and Assessments, and taxes for 1905 to 1907 inclusive, cancelled by Comptroller's order; lot 555 in 1911 and since, and the assessed valuation for the year 1913 is \$37,800.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Petitioner has included in its application lot 546, block 3423, but inasmuch as said lot is used as a rectory, and is not entitled to exemption, except to the extent of the usual \$2,000 parsonage allowance, I refuse to certify my approval of the application so far as respects said lot 546.

The total amount involved as principal in the above assessment is \$261.47. The property affected by these assessments is located in the Borough of The Bronx, Riverdale Avenue and West 260th Street.

It appears, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the liens which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of St. Margaret's Church, Riverdale, New York, to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of \$10.

"Jewett Avenue, Sidewalks, Etc." (confirmed March 2, 1909):	
Ward 1, District 6, No. 297, Plot 5, Block 73, Lot 1251 .....	182 27

The total amount involved as principal in the above assessment is \$209.61. The property affected by these assessments is located in the Borough of Richmond, Maine and Jewett Avenues.

The treasurer, J. B. Dorman, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$1,823.80, and the expenditures for all objects, \$1,887.92, leaving a deficit of \$64.12.

It appears, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Immanuel Church of Westerleigh, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by Immanuel Church of Westerleigh, in the Borough of Richmond.

The report was accepted and the resolution unanimously adopted

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the First Reformed Dutch Church of Long Island, for the cancellation of assessments for public improvements affecting premises in the Borough of Queens:

December 11, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—First Reformed Dutch Church of Long Island City has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Queens, designated on the official tax map as Ward 1, Volume 9, Block 96, Lot 22.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents from which it seeks relief accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same in or about 1875; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation under said provision of the Tax Law during the periods when the liens hereinafter set forth accrued. Said premises are used as a church and Sunday school.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to 1911 and since, and the assessed valuation for the year 1913 is \$7,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.	
"South Washington Place, Opening from Jackson Avenue to Academy Street" (confirmed May 18, entered July 1, 1911):	
No. 22, Section 9, Block 96, Lot 22, Ward 1 .....	\$366 00
"Jackson Avenue, Sewer from Payntar Avenue to South Washington Place, Etc." (confirmed and entered January 2, 1912):	
No. 31, Section 9, Block 96, Lot 22, Ward 1 .....	12 50
"Academy Street, Regulating, Etc., from Payntar Avenue to Wilbur Avenue" (confirmed and entered June 24, 1913):	
No. 16, Section 9, Block 96, Lot 22, Ward 1 .....	369 11

The records of the Division of Awards show the following award paid to petitioner, namely:

First Reformed Dutch Church of Long Island City, Queens.	
"Warrant No. 3882, dated October 20, 1909, in favor of First Reformed Church, Long Island City, in re opening Academy street, from Hunter Avenue to Grand Avenue, in the 1st Ward, Queens.	
"Parcels Nos. 6-L and 6-M—	
"Award .....	\$165 39
"Interest .....	84 69
"Interest from November 7, 1908, to July 12, 1909, on \$165.39, is .....	6 75
	\$256 83

"Paid April 15, 1910."

Damage parcels Nos. 6-L and 6-M, above referred to, included Lots 22 and 24, Block 96, Ward 1.

The records of said Division of Awards show further that prior to the payment of the foregoing award to petitioner, to wit, on April 30, 1909, the assessment against said Lots 22 and 24 in the same proceeding (opening Academy street), the principal of which amounted to \$250.35, was paid, and that there were no charges open and unpaid against said property at the time of the payment of said award.

Petitioner includes in its application certain assessments against Lot 24, Block 96, Ward 1, but in view of the fact that said lot is occupied as a parsonage, and not entitled to exemption except to the extent of the usual \$2,000 parsonage allowance, I refuse to certify my approval of the application so far as respects such assessments against said Lot 24.

The total amount involved as principal in the above assessments is \$747.61. The property affected by these assessments is located in the Borough of Queens, easterly side of Academy street, between Payntar Avenue and Washington place.

The petitioner, in response to a request, has submitted a financial statement for the year ending December 31, 1911, showing the total receipts from all sources to be \$1,308.83, and the expenditures for all objects \$1,367.91, leaving a deficit, \$59.08.

It appears, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the liens which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of the First Reformed Dutch Church of Long Island City to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens above set forth as the ones which may properly be cancelled, be cancelled upon the payment of \$10.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the First Reformed Dutch Church of Long Island City, Borough of Queens:

Assessments.	
"South Washington Place, Opening from Jackson Avenue to Academy Street" (confirmed May 18, entered July 1, 1911):

"Jackson Avenue, Sewer from Payntar Avenue to South Washington Place, Etc." (confirmed and entered January 2, 1912):

 No. 16, Section 9, Block 96, Lot 22, Ward 1..... 369 11  
 The report was accepted and the resolution unanimously adopted.

December 11, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:  
 Gentlemen—Rector, Wardens and Vestrymen of St. John's Protestant Episcopal Church of Long Island City has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Queens, designated on the official tax map as Ward 1, Volume 1, Block 54, Lot 1.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents from which it seeks relief accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about June 1, 1891; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation under said provision of the Tax Law during the periods when the liens hereinafter set forth accrued. Said premises are used as a church.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation for the year 1911 and since, and the assessed valuation for the year 1913 is \$12,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

**Assessments.**

"Van Alst Avenue, Regulating, Etc., from Jackson Avenue to Nott Avenue" (May 23, 1911, confirmed and entered):  
 No. 16, Section 1, Block 54, Lot 1, Ward 1..... \$173 01  
 "10th Street, Regulating, Grading, Etc., Vernon Avenue to Van Alst Avenue" (confirmed and entered March 1, 1912):  
 No. 37, Section 1, Block 54, Lot 1, Ward 1..... 281 88  
 The petitioner has included in its application certain assessments and taxes against Lot 3, Block 54, Ward 1, but inasmuch as said Lot 3 is occupied as a parsonage and not entitled to exemption except to the extent of the usual \$2,000 parsonage allowance, I refuse to certify my approval of the application so far as respects such assessments and taxes against Lot 3.

The total amount involved as principal in the above assessments is \$454.89. The property affected by these assessments is located in the Borough of Queens, northwest corner Van Alst avenue and 10th street.

The treasurer, Joseph Fellows, in response to a request, has submitted a financial statement for the last fiscal year showing the total receipts from all sources to be \$1,259.33, and the expenditures for all objects \$1,236.67, leaving a balance of \$22.66.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the liens which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of the Rector, Wardens and Vestrymen of St. John's Protestant Episcopal Church of Long Island City to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens above set forth be cancelled upon the payment of \$10.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by St. John's Protestant Episcopal Church of Long Island City, Borough of Queens:

 The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a petition of St. Anselm's Church for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx:

December 10, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:  
 Gentlemen—St. Anselm's Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as Section 10, Block 2654, Lots 5 and 31.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about July 15, 1892; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as follows: Lot 5 as a church; Lot 31 as a school.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to 1909 and since, and the assessed valuation for the year 1913 is \$46,000 for Lot 5 and \$135,000 for Lot 31.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

**Assessments.**

"Acquiring Title to the Grand Boulevard and Concourse, Etc." (confirmed December 8, entered December 30, 1909):  
 No. 7798, Block 2654, Lot 31 of 5 ..... \$27 63  
 "Outlet Sewer in Truxton Street, Between East River and Leggett Avenues, Etc." (confirmed and entered December 8, 1911):  
 No. 1525, Block 2654, Lot 31 ..... 243 00  
 No. 1518, Block 2654, Lot 5 ..... 194 40

As to Lot 31, also described in one of the foregoing assessments as Lot 31 of 5, upon which is erected a school building, the records of this Department show that a portion of said school building, viz.: Rooms 1, 2, 3, 4, 7 and 8, on the fourth floor thereof, has been leased by the petitioner to the Board of Education of The City of New York for the period from March 1, 1913, to July 1, 1915, at an annual rental of \$3,500, with the privilege of renewal for one or two years thereafter, for use as an annex to Public School No. 25.

It appears, therefore, that said Lot 31 is not used exclusively for carrying out thereupon the purposes of the petitioning corporation, within the meaning of said subdivision 7, section 4, article 1 of the Tax Law.

In view of this fact, in my opinion, the petitioner is not entitled to a total cancellation of the foregoing assessments against said Lot 31, but only to the cancellation of a proportionate part thereof, such proportionate part being based on the value of that portion of the property not leased, as compared with the value of the part leased. It being impossible to physically apportion the lot, an equitable method of arriving at the respective valuations of the part rented and the part not rented would be to capitalize the yearly rental paid at 10 per cent, which would give \$35,000 as the value of the part leased, and deducting said sum from the total valuation of said lot (\$135,000) leaves \$100,000 as the value of the part not leased. On this basis the respective proportions are as follows: Part leased, 26 per cent; part not leased, 74 per cent. A fair adjustment of the matter, therefore, in my opinion, would be to cancel the foregoing assessments against said Lot 31, the principal of which amounts at \$270.63, upon the payment by petitioner of 26 per cent. thereof, or \$70.36.

As to the foregoing assessment against Lot 5 (the church property) I would recommend that the same be cancelled upon the payment by petitioner of the nominal sum of \$10.

The total amount involved as principal in the above assessments is \$465.03. The property affected by these assessments is located in the Borough of The Bronx, westerly side of Tinton avenue, between East 152d street and East 155th street.

The Very Rev. Bernard Kevenhoerster, secretary and treasurer, in response to a request, has submitted a financial statement for the year 1910, showing the total receipts from all sources to be \$10,916.53, and the expenditures for all objects, \$16,476.02, leaving a deficit of \$5,559.49.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from local taxation during the time when said liens above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the proportionate part of certain of such liens which I have refused to certify for cancellation, and I would therefore certify my approval of the application of St. Anselm's Church to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens above set forth be cancelled upon the payment of \$80.36, provided that payment be made within sixty days from the date of the passage of the resolution authorizing such payment.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of eighty dollars and thirty-six cents (\$80.36) within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by St. Anselm's Church, in the Borough of The Bronx:

**Assessments.**

"Acquiring Title to the Grand Boulevard and Concourse, Etc." (confirmed December 8, entered December 30, 1909):  
 No. 7798, Block 2654, Lot 31 of 5 ..... \$27 63  
 "Outlet Sewer in Truxton Street, Between East River and Leggett Avenues, Etc." (confirmed and entered December 8, 1911):  
 No. 1525, Block 2654, Lot 31 ..... 243 00  
 No. 1518, Block 2654, Lot 5 ..... 194 40  
 The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a petition of the Roman Catholic Church of the Sacred Heart, for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx:

December 11, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:  
 Gentlemen—Roman Catholic Church of the Sacred Heart has presented to you a petition for the cancellation of certain assessments for public improvements and water charges affecting premises in the Borough of The Bronx, designated on the official tax map as Section 9, Block 2517, Lots 38½ of 38-40, 40 of 43-42 (all now known as Lot 40) and 10½.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about January 25, 1876; December 17, 1890, and August 18, 1910, respectively; that it has owned the above described premises continuously since said dates and is still the owner thereof, and that the same now is and has always been exempt from local taxation under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a church and school.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation for the year 1911, and since, and the assessed valuation for the year 1913 is \$90,000 for Lot 40 and \$250 for Lot 10½.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

**Assessments.**

"Regulating, Grading, Etc., in West 168th Street, Between Shakespeare Avenue and Boscobel Avenue" (confirmed and entered April 4, 1911):  
 No. 72, Block 2517, Lot 38½ of 38 (now 40) ..... \$122 14  
 No. 72, Block 2517, Lot 40 ..... 272 65  
 No. 74, Block 2517, Lot 40 of 43 (now 40) ..... 63 75  
 No. 140, Block 2517, Lot 42 (now 40) ..... 15 30  
 No. 44, Block 2517, Lot 10½ ..... 7 65

Petitioner has included in its application the following assessment, viz.:  
 "Regulating and Grading, Etc., West 168th Street, Between Shakespeare and Boscobel Avenues" (confirmed and entered April 4, 1911):  
 Record No. 33, Folio 368, Assessment No. 72, Block 2517, Lot 38 of 38, Amount of Assessment ..... \$31 01

At the time the foregoing assessment accrued and became a lien, however, Lot 38 of 38 was occupied and assessed as a rectory and was not entitled to exemption, except to the extent of the usual \$2,000 parsonage allowance. I therefore refuse to certify my approval of the application so far as respects said Lot 38 of 38.

Petitioner has also included in its application the same assessment above mentioned against Lot 43 of 43, Block 2317, the principal of which amounts to \$21.25, but

inasmuch as said lot is occupied at the present time as a rectory and is not entitled to exemption except to the extent of the usual \$2,000 parsonage allowance, I refuse to certify my approval of the application so far as respects said Lot 43 of 43.

The total amount involved as principal in the above assessments is \$481.49. The property affected by these assessments is located in the Borough of The Bronx, west side Shakespeare avenue, south of West 169th street.

The Rector and Treasurer, Rev. John J. Lennon, in response to a request has submitted a financial statement for the year 1911, showing the total receipts from all sources to be \$14,829.33, and the expenditures for all objects, \$11,430.96, leaving a balance of \$2,398.37.

Such statement also shows a mortgage indebtedness of \$90,000 and a note indebtedness of \$34,000.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens above mentioned accrued and became liens thereupon, except as above stated, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the liens which I have refused to certify for cancellation, and I would therefore certify my approval of the application of the Roman Catholic Church of the Sacred Heart to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of \$10.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the Roman Catholic Church of the Sacred Heart, The Bronx:

#### Assessments.

"Regulating, Grading, Etc., in West 168th Street, Between Shakespeare Avenue and Boscobel Avenue" (confirmed and entered April 4, 1911):

The report was accepted and the resolution unanimously adopted.

The following supplemental petition was received from the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., for an adjustment of the boundary line of premises at Belle Harbor, Jamaica Bay, Borough of Queens (See Minutes, page 1139):

In the matter of the application of the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., for an adjustment of the boundary line of premises at Belle Harbor, Queens County, State of New York.

To the Honorable the Commissioners of the Sinking Fund:

The West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., domestic corporations, beg leave to submit the following as their supplemental petition herein, in addition to the petition heretofore filed herein, dated and verified the 23d day of May, 1913, which was passed upon by this Honorable Board by resolution adopted by the said Commissioners of the Sinking Fund October 8, 1913, and to request that the said resolution be amended in the following particulars:

First—That the southerly boundary line of the property to be quit-claimed by The City of New York be changed from the high water line of 1908 to the line marked "mean high tide, April, 1902," as shown on "Maps of Jamaica Bay Survey, Sections 30 and 31, by Department of Docks, City of New York, on file in the Office of the Department of Docks at Pier 'A,' North River, Borough of Manhattan, New York City," which said mean high tide line is indicated on the map hereto annexed.

Second—That the deed of conveyance from The City of New York be made to the West Rockaway Land Company and not to the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc.

For the following reasons, to wit:

(1) The said resolution of this Honorable Board adopted October 8, 1913, does not conform with the agreement between the upland owner and the Commissioner of the Department of Docks referred to in said petition. While the petitioners are willing to take a quit-claim deed from The City of New York for a somewhat less area than was requested in the original petition of May 22, 1913, namely, they are willing to take to the said mean high tide line of April, 1902, as shown on the said maps of the said Department of Docks and indicated on the map hereto annexed, instead of the northerly side of Washington avenue; but they are not willing to exchange upon the terms set forth in the resolution.

(2) Title to the uplands is in the West Rockaway Land Company and will remain in the West Rockaway Land Company until after the delivery of the deed herein asked for; and the certificate of title will therefore show the upland owner to be the West Rockaway Land Company; and both petitioners request that the quit-claim from The City of New York run to the said West Rockaway Land Company. The Belle Harbor-Edgemere Realty Company, Inc., hereby consents thereto.

Dated New York, October 28, 1913.

WEST ROCKAWAY LAND COMPANY,

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 11, 1913.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On October 8, 1913, the Commissioners of the Sinking Fund adopted a resolution approving an agreement between the Commissioner of Docks and the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., fixing, determining upon and establishing with them as upland owner a line of high water in front of the property owned by them situated between Parcels A, B and C, as described in the agreement, and a further resolution was adopted fixing the above line as the boundary line between the property owned by the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., and the property belonging to The City of New York; and the Corporation Counsel was re-

quested to prepare the necessary papers whereby The City of New York, in consideration of the sum of \$101 and the additional charge of \$12.50 for the preparation of the necessary papers, releases to the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., the property lying inshore of said boundary line.

The description contained in the above mentioned resolution did not release all that the petitioners requested to be released to them. They requested a release to Washington avenue, but it was thought advisable to release the City's interest only to the high water line of 1908, as shown on a map attached to the petition, which was the most southerly inshore high water line shown.

The West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., in a supplemental petition to the Commissioners of the Sinking Fund, under date of October 28, 1913, request that the above mentioned resolution be amended by changing the southerly boundary line of the property to be released by the City from the high water line of 1908 to the line marked "mean high tide, April, 1902," as shown on "Maps of Jamaica Bay survey, sections 30 and 31, by Department of Docks, City of New York, on file in the office of the Department of Docks at Pier A, North River, Borough of Manhattan, New York City," which said mean high tide line is shown on a map attached to the supplemental petition. They further request that the release from the City be made to the West Rockaway Land Company instead of to the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc. The Belle Harbor-Edgemere Realty Company, Inc., joined in this supplemental petition.

I see no reason why the supplemental petition should not be granted as the high water line of 1908 was made the southerly boundary of the lands to be released by the City, because it was the most southerly high water line shown on the map attached to their petition. The supplemental petition shows a mean line of high water some distance further south than the line of 1908.

I therefore respectfully recommend that the resolution adopted on October 8, 1913, above mentioned, be amended by changing the name of the grantee to the West Rockaway Land Company instead of the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., and by changing the description of the land which The City of New York releases so as to make it read as follows:

Beginning at a point where a line (hereinafter designated as the one-hundred foot line) parallel with and one hundred (100) feet southwesterly, measured at right angles from said Government bulkhead line intersects the easterly side of Lincoln avenue, which said point is situated sixteen hundred ninety-two feet and ninety-four one-hundredths of a foot (1,692.94') north of the northerly side of Washington avenue, measured along the easterly side of Lincoln avenue; running thence southerly along the easterly side of Lincoln avenue six hundred twelve feet and ninety-four one-hundredths of a foot (612.94'), more or less, to its intersection with the line marked "mean high tide, April, 1902," as shown on "Maps of Jamaica Bay survey, sections 30 and 31, by Department of Docks, City of New York, on file in the office of the Department of Docks at Pier A, North River, Borough of Manhattan, New York City"; thence northwesterly along the said mean high tide line of April, 1902, to the westerly side of Winthrop avenue; thence northerly along the said westerly side of Winthrop avenue three hundred twenty-seven feet and twenty-two one-hundredths of a foot (327.22'), more or less, to the point where the said one-hundred foot line intersects said westerly side of Winthrop avenue, which said point is distant twenty-one hundred fifty-eight feet and seventy-five one-hundredths of a foot (2,158.75') north of the northerly side of Washington avenue, measured along the westerly side of Winthrop avenue; thence easterly along the said one-hundred foot line at right angles to the westerly side of Winthrop avenue thirty-three feet and one-tenth of a foot (33.1'); thence southeasterly along said one-hundred foot line to the easterly side of Orienta avenue; thence southerly along the easterly side of Orienta avenue three hundred fifty feet and six one-hundredths of a foot (350.06'), more or less, to a point on said easterly side of Orienta avenue, distant two hundred forty feet (240') north of the northerly side of Bayside drive, measured along said easterly side of Orienta avenue; thence easterly at right angles to the said easterly side of Orienta avenue two hundred feet (200') to the westerly side of Pelham avenue; thence northerly along the westerly side of Pelham avenue two hundred seventy-one feet and eighty-eight one-hundredths of a foot (271.88'), more or less, to the said one-hundred foot line; thence southeasterly along the said one-hundred foot line to the easterly side of Monmouth avenue; thence southerly along the easterly side

of Monmouth avenue three hundred ninety feet and sixty-eight one-hundredths of a foot (390.68'), more or less, to the corner formed by the intersection of the easterly side of Monmouth avenue with the northerly side of Bayside drive; thence easterly along the northerly side of Bayside drive two hundred feet (200') to the westerly side of Lincoln avenue, and thence northerly along the westerly side of Lincoln avenue three hundred twelve feet and forty-nine one-hundredths of a foot (312.49'), more or less, to the said one-hundred foot line, and thence southeasterly along the said one-hundred foot line to the easterly side of Lincoln avenue, where the same intersects the said easterly side of Lincoln avenue, the point or place of beginning.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held October 8, 1913, fixing the boundary line between property owned by the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., and property belonging to The City of New York, and authorizing a conveyance whereby The City of New York releases to the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., the property lying inshore of said boundary line, be and the same is hereby amended by changing the name of the grantee to the West Rockaway Land Company, instead of the West Rockaway Land Company and the Belle Harbor-Edgemere Realty Company, Inc., and by changing the description of the land which The City of New York releases so that it will read as follows:

Beginning at a point where a line (hereinafter designated as the one-hundred foot line) parallel with and one hundred (100) feet southwesterly, measured at right angles from said Government bulkhead line, intersects the easterly side of Lincoln avenue, which said point is situated sixteen hundred ninety-two feet and ninety-four one-hundredths of a foot (1,692.94') north of the northerly side of Washington avenue, measured along the easterly side of Lincoln avenue; running thence southerly along the easterly side of Lincoln avenue six hundred twelve feet and ninety-four one-hundredths of a foot (612.94'), more or less, to its intersection with the line marked "mean high tide, April, 1902," as shown on "Maps of Jamaica Bay Survey, Sections 30 and 31, by Department of Docks, City of New York, on file at the office of the Department of Docks at Pier A, North River, Borough of Manhattan, New York City"; thence northwesterly along the said mean high tide line of April, 1902, to the westerly side of Winthrop avenue; thence northerly along the said westerly side of Winthrop avenue three hundred twenty-seven feet and twenty-two one-hundredths of a foot (327.22'), more or less, to the point where the said one-hundred foot line intersects said westerly side of Winthrop avenue, which said point is distant twenty-one hundred fifty-eight feet and seventy-five one-hundredths of a foot (2,158.75') north of the northerly side of Washington avenue, measured along the westerly side of Winthrop avenue; thence easterly along the said one-hundred foot line at right angles to the westerly side of Winthrop avenue thirty-three feet and one-tenth of a foot (33.1'); thence southeasterly along said one-hundred foot line to the easterly side of Orienta avenue; thence southerly along the easterly side of Orienta avenue three hundred fifty feet and six one-hundredths of a foot (350.6'), more or less, to a point on said easterly side of Orienta avenue, distant two hundred forty feet (240') north of the northerly side of Bayside drive, measured along said easterly side of Orienta avenue; thence easterly at right angles to the said easterly side of Orienta avenue two hundred feet (200') to the westerly side of Pelham avenue; thence northerly along the westerly side of Pelham avenue two hundred seventy-one feet and eighty-eight one-hundredths of a foot (271.88'), more or less, to the said one-hundred foot line; thence southeasterly along the said one-hundred foot line to the easterly side of Monmouth avenue; thence southerly along the easterly side of Monmouth avenue three hundred ninety feet and sixty-eight one-hundredths of a foot (390.68'), more or less, to the corner formed by the intersection of the easterly side of Monmouth avenue with the northerly side of Bayside drive; thence easterly along the northerly side of Bayside drive two hundred feet (200') to the westerly side of Lincoln avenue, and thence northerly along the westerly side of Lincoln avenue three hundred twelve feet and forty-nine one-hundredths of a foot (312.49'), more or less, to the said one-hundred foot line; and thence southeasterly along the said one-hundred foot line to the easterly side of Lincoln avenue where the same intersects the said easterly side of Lincoln avenue, the point or place of beginning.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution authorizing a release of the City's interest in certain land between 157th and 158th streets, North River, to Emma Louise Adams:

December 11, 1913.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On May 21, 1913, the Commissioners of the Sinking Fund authorized a release to Emma Louise Adams of the interest of the City in certain lands between 157th and 158th streets, westerly of the high water line shown on a map by John Randel, Jr., dated April 10, 1819, the deed not to be delivered, however, until Emma Louise Adams releases to the City all her right, title and interest in and to the lands and lands under water westerly of the railroad's right of way and all her right, title and interest to her reversion to the strip of land 60 feet in width, more or less, forming the right of way of the Hudson River Railroad Company.

In a communication under date of June 9, 1913, the attorney for Emma Louise Adams objected to these conditions contained in the resolution of the Commissioners of the Sinking Fund. I submitted this communication to the Corporation Counsel and requested him to advise me as to the objections raised.

The Corporation Counsel states that the attorney for Emma Louise Adams asks that his client be placed in the same position that would result from a judgment in her favor in an action brought to quiet title; that this can be accomplished by giving a simple quit-claim deed by the City, and as the premises to be quit-claimed are limited to lands east of the railroad's right of way the City's rights in and to the lands and lands under water westerly of the westerly boundary of the premises released will not be affected thereby, and that in the present instance it seems to him that the City would be amply protected without a release from the grantee mentioned in the resolution of May 21, 1913, and in this view the Commissioners of the Sinking Fund may in their discretion amend the resolution adopted by striking therefrom so much thereof as requires a release from the petitioner.

I therefore respectfully recommend that the Commissioners of the Sinking Fund amend the resolution above mentioned by striking therefrom the words "nor until the petitioner has released to the City all her right, title and interest in and to the lands and lands under water westerly of the railroad's right of way, and all her right, title and interest to her reversion to the strip of land 60 feet in width, more or less, forming the right of way of the Hudson River Railroad Company."

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held May 21, 1913, authorizing a release or quit-claim to Emma Louise Adams of all the right, title and interest of The City of New York in and to certain lands between 157th and 158th streets, North River, westerly of the right of way of the New York Central and Hudson River Railroad—be and the same is hereby amended by striking therefrom the words "nor until the petitioner has released to the City all her right, title and interest in and to the lands and lands under water westerly of the railroad's right of way, and all her right, title and interest to her reversion to the strip of land 60 feet in width, more or less, forming the right of way of the Hudson River Railroad Company."

The report was accepted and the resolution unanimously adopted.

The following petition was received from the Hahnemann Hospital for a sale of the City's reversionary interest in certain land on the easterly side of Park avenue between 67th and 68th streets, Borough of Manhattan, City of New York:

Petition.

In the matter of the application of the Hahnemann Hospital of the City of New York, to the Commissioners of the Sinking Fund of the City of New York, for a sale of the City's reversionary interest in certain land on the east side of Park avenue between 67th and 68th streets, now occupied by the Hahnemann Hospital of the City of New York, for its hospital.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: The petition of the Hahnemann Hospital of The City of New York respectfully shows:

That it is a corporation organized and existing by and under the laws of the State of New York, under the provision of an Act of the Legislature entitled "An Act for the Incorporation of Benevolent, Charitable, Literary, Scientific or Missionary Societies," passed April 12, 1848, and the Acts amendatory thereof.

The charter of the hospital was filed in the New York County Clerk's office on October 14, 1869, and in the office of the Secretary of State on October 15, 1869.

The objects and purposes of its incorporation as expressed in its original charter were as follows:

"By means of voluntary or other contributions, to provide hospital accommodations for the poor who are desirous of being treated homeopathically."

In 1875 by an amended charter, the former corporation known as The Hahnemann Hospital of the City and County of New York, became merged with the New York Homeopathic Surgical Hospital of The City of New York, and the New York Homeopathic Hospital for Women and Children of The City of New York, into the present corporation under the name of "The Hahnemann Hospital of the City of New York." The law under which this amended charter was enacted was chapter 64 of the Laws of 1875.

The objects and purposes of the Hahnemann Hospital of The City of New York, as expressed in its amended charter were as follows:

"To provide hospital accommodations for the poor and others who are desirous of being treated homeopathically, and to establish, maintain, manage and conduct in the City of New York a hospital with proper buildings and departments, at which shall be received such persons as may respectively require medical or surgical treatment, and are desirous of being treated in accordance with the homeopathic system of medicine."

Since its incorporation the said hospital has given free medical and surgical aid to sick or disabled persons without regard to creed, color, sex, age, nationality or school of medicine at all times. The extent of such free medical treatment has steadily increased, and it has given free dispensary treatment to many thousands of patients. It has also given free treatment in its hospital to thousands of free hospital patients.

The Mayor, Aldermen and Commonalty of The City of New York, on January 14, 1871, leased to your petitioner a plot of ground on the east side of Park avenue extending from 67th to 68th street, and extending to a depth of 125 feet on each of said streets by the following description:

"All those ten certain lots, pieces or parcels of land, situate, lying and being in the City of New York and bounded and described as follows:

"Beginning at a point formed by the intersection of the northerly line or side of 67th street with the easterly line or side of 4th avenue, and running thence northerly along said easterly line or side of 4th avenue 200 feet and 10 inches to the southerly line or side of 68th street; thence easterly along the southerly line or side of 68th street 125 feet; thence southerly and parallel with 4th avenue, 200 feet and 10 inches to the northerly line or side of 67th street; thence westerly along the northerly line or side of 67th street 125 feet to the point or place of beginning."

—being the premises delineated and colored pink on the map annexed to this instrument made by Edward Boyle, City Surveyor, dated December 2, 1870, and designated as lots numbers 55, 56, 57, 58, 59, 62, 83, 84, 85, 86, as shown on the map of property belonging to the Mayor, Aldermen, and Commonalty of the City of New York, forming part of a square known as Hamilton Square made by Edward Boyle, City Surveyor, July, 1869, "Map of property leased for the term of 99 years to the Trustees of 'Hahnemann Hospital' by resolution of the Commissioners of the Sinking Fund, passed October 12, 1870."

Dated, New York, December 2, 1870.

EDWARD BOYLE, City Surveyor, No. 51 Liberty Street.

—which lease is recorded in the office of the Register of the County of New York on the 14th day of March, 1871, in Liber 1158 of conveyances, p. 566, by which the premises were leased to the Hahnemann Hospital of the City of New York, to be used and occupied by your petitioner for the charitable and benevolent purposes for which your petitioner was incorporated, and which lease provided for a term of 99 years from the 31st day of December, 1870, at an annual rental of One Dollar.

Your petitioner, shortly after the delivery of such lease, erected upon the said premises a hospital building, which, from the time of the completion thereof until the present time, has been used in accordance with the provisions of such lease. Your petitioner later on also erected on said premises a further addition or extension known as a Maternity Hospital, which has been solely devoted to hospital purposes since its erection.

The said hospital grounds and buildings have long since proved insufficient, both as to space and as to accommodations to supply the demand made upon the said Hospital, and your petitioner is desirous for the purpose of procuring proper hospital buildings of much larger proportions and with better accommodations to either sell and convey in fee simple, or mortgage the whole or any part of said premises or to lease the same, or any part thereof.

By chapter 345 of the laws of 1905, the Commissioners of the Sinking Fund, of the City of New York, were authorized to change the said lease above mentioned from the Mayor, Aldermen and Commonalty of the City of New York to the Hahnemann Hospital of the City of New York, to a grant so as to permit the said hospital "to sell and convey in fee simple absolute, or to mortgage the whole or any part of said premises, or to lease the said premises, or any part or portion thereof, for such term or terms, as shall be deemed proper by said hospital, and in case of any such sale, mortgage or lease, the said hospital devoting the proceeds of such sale or mortgage, or the income of such lease or leases, as may be made by it, to the erection of new buildings upon the present site, or to the purchase of a new site within the City of New York, and the erection of new buildings, and to the maintenance and support of the said hospital, or any two of these purposes."

Pursuant to the provisions of said act the Commissioners of the Sinking Fund passed a resolution dated May 27, 1908, authorizing the Mayor and City Clerk to make, execute and deliver on behalf of The City of New York, its deed of release conveying the said premises in fee simple absolute to the Hahnemann Hospital of the City of New York, upon delivery to the Comptroller of The City of New York, the consideration price of \$5,000 and the execution by the hospital of an agreement to treat upon request of The City of New York any indigent sick in said hospital in the same manner as other patients are treated without charge for an aggregate period of not less than 3,650 days annually from the delivery of the deed, and 10,000 days annually thereafter, the deed of release and agreement and other papers to be approved as to form by the Corporation Counsel and such deed of release to contain a provision expressly cancelling each and every of the covenants contained in the lease of the said premises.

The Commissioners of the Sinking Fund subsequently passed resolutions amending said resolution of May 27, 1908, on June 30, 1908, and again on December 9, 1908, resulting in an authorization of the grant for the consideration of \$5,000 cash and an agreement by the Hospital to care for 3,650 City sick per annum for three years from the date of delivery of the deed and 5,000 days per annum thereafter.

On December 17, 1908, an agreement was duly made, executed and delivered between The City of New York and the Hahnemann Hospital of the City of New York pursuant to said resolutions of the Sinking Fund Commission, and providing for the delivery of a deed of the said premises upon the terms and conditions therein stated.

Pursuant to said agreement on February 11, 1909, the Hahnemann Hospital paid to The City of New York the consideration price of \$5,000 and received its receipt therefor, and a deed and final agreement was drawn pursuant to said agreement and submitted to the Corporation Counsel, who approved the same.

The Sinking Fund Commissioners subsequently passed resolutions in reference to the matter on March 16, 1910, April 5, 1910, April 20, 1910, and May 18, 1910.

On March 26, 1913, the Corporation Counsel rendered an opinion to the effect that the consideration expressed in said resolutions of the Sinking Fund Commission and agreement of December 17, 1908, in so far as it provided for the care of the City sick, was an inadequate and invalid consideration to that extent, and that the Commissioners of the Sinking Fund had no authority in law to direct a conveyance to be made upon the said terms, and recommending that the Commissioners of the Sinking Fund should rescind their said resolution of May 27, 1908, as amended, and that the \$5,000 paid to the Comptroller by the Hahnemann Hospital should be returned to it and the contract in question cancelled.

Whereupon, on April 13, 1913, the Commissioners of the Sinking Fund passed a resolution reconsidering and rescinding the said resolution of May 27, 1908, and all resolutions amendatory or confirmatory thereof, and directed that a warrant be drawn from the Sinking Fund for the Redemption of the City Debt No. 1, payable to the Hahnemann Hospital for the said \$5,000, paid by it under said resolutions and agreement, and that an instrument be tendered to the Hospital cancelling and annulling the said contract of December 17, 1908.

Your petitioner now desires to purchase the reversionary interest of the City in said leasehold property for a consideration which will be entirely for cash. It believes that the fair market value of the City's present reversionary interest in said leasehold

premises, taking into consideration the unexpired term of the lease, which is now upwards of fifty-six years, and the present market value of the property in fee, is less than the sum of \$52,040.16, as your petitioner is informed and believes, and your petitioner now offers to purchase at private sale the said reversionary interest of the City in said premises for the sum of \$52,040.16.

Your petitioner therefore asks that the Commissioners of the Sinking Fund may authorize a sale of the reversionary interest of the City to your petitioner for the above mentioned price and that the property be conveyed by The City of New York to your petitioner upon the payment thereof towards which the City shall apply the said sum of \$5,000 heretofore paid by your petitioner to the City as hereinbefore stated, with interest thereon from February 11, 1909, the date of said payment, and which amount has not yet been paid to your petitioner, and that your petitioner may have such other or further relief in the premises as may be just and proper.

Dated New York, December 10, 1913.

THE HAHNEMANN HOSPITAL OF THE CITY OF NEW YORK,

(Seal.)

By JAMES G. CANNON, President.

City and County of New York, ss.:

James G. Cannon, being duly sworn, deposes and says that he is the President of the Hahnemann Hospital of the City of New York, the petitioner named herein; that he has read the foregoing petition and knows the contents thereof; that the same is true of his own knowledge, except such matters as are therein stated to be alleged upon information and belief, and that as to those matters he believes it to be true.

JAMES G. CANNON.

Sworn to before me this 10th day of December, 1913.

JAMES H. SEYMOUR, Notary Public, New York County No. 3498, New York Register No. 5016.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 13, 1913.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Pursuant to the provisions of chapter 345 of the Laws of 1905, the Hahnemann Hospital on June 12, 1905, applied to the Commissioners of the Sinking Fund for a grant in fee simple of the premises designated in said act. These premises consist of a certain parcel of land lying on the easterly side of 4th, or Park, avenue, between 67th and 68th streets, in the Borough of Manhattan.

Under the provisions of the act above mentioned, the Commissioners of the Sinking Fund are authorized, for such consideration as they may deem proper (having in view the provision made by the Hahnemann Hospital of The City of New York for the care of the sick, which would otherwise become a charge upon The City of New York), to change, modify or alter to a grant in fee simple, a certain lease of the premises above mentioned, which lease is dated January 14, 1871, and was to run for a period of ninety-nine years from December 1, 1870, at an annual rental of \$1.

On May 27, 1908, the Commissioners of the Sinking Fund authorized a conveyance to the Hahnemann Hospital of this property for the sum of \$5,000, and the execution by the hospital of an agreement to treat upon the request of the City, any indigent sick in the hospital in the same manner as other patients are there treated without charge, for an aggregate period of not less than 3,650 days annually, for three years from the delivery of the deed, and 10,000 days per annum thereafter, unless at the end of said three years the time when said 10,000 days shall commence shall be extended by the Commissioners of the Sinking Fund. This resolution was amended at different subsequent meetings, by changing certain conditions mentioned therein.

In accordance therewith, and on December 17, 1908, The City of New York and the Hahnemann Hospital executed the agreement mentioned, and on February 11, 1909, the Hahnemann Hospital paid to the City the sum of \$5,000.

On March 26, 1913, the Corporation Counsel rendered an opinion to the effect that the consideration expressed in the resolutions of the Sinking Fund Commission and the agreement of December 17, 1908, was an inadequate and invalid consideration, in so far as it provided for the care of the City's sick, and that the Sinking Fund Commissioners had no authority to direct the conveyance to be made upon such terms.

Acting on this opinion, the Commissioners of the Sinking Fund on April 16, 1913, rescinded the above mentioned resolution adopted on May 27, 1908, and all resolutions amendatory or confirmatory thereof, and they authorized the Comptroller to tender and refund to the Hahnemann Hospital the \$5,000 which they paid as consideration for the conveyance of the above mentioned property, and the Mayor and the City Clerk were authorized and directed to execute and deliver to the Hahnemann Hospital an instrument to be approved by the Corporation Counsel, cancelling and annulling the contract of December 17, 1908. A tender of such instrument and the sum of \$5,000 was made to the Hahnemann Hospital, and they refused to accept the same.

After considerable negotiations with the Comptroller, the Hospital now proposes to purchase the interest of the City in this property for the sum of \$52,040.16, providing the City returns to them the \$5,000 already paid in, with interest to the date of the delivery of the deed, and have filed a petition to that effect.

The assessed valuation of this property for the year 1914 is:

Land ..... \$575,000 00

Land with improvements ..... 675,000 00

The market value thereof has been appraised by the Division of Real Estate of this Department at \$800,000.

The lease to the Hospital has still fifty-six years to run. The amount which they offer to purchase this property for, namely, \$52,040.16, if compounded annually at five (5%) per cent. for fifty-six years, would amount to \$800,000, which offer, in my opinion, is a fair one and should be accepted by the City.

I therefore respectfully recommend that so much of the resolution above mentioned adopted by the Commissioners of the Sinking Fund on April 16, 1913, that directs a warrant to be drawn in favor of the Hahnemann Hospital in the sum of \$5,000, and the execution and delivery to the Hahnemann Hospital of an instrument cancelling and annulling the contract made between The City of New York and the Hahnemann Hospital of The City of New York, under date of December 17, 1908, be rescinded; and,

I further recommend the adoption of the attached resolutions.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Whereas, The Commissioners of the Sinking Fund, at meeting held April 16, 1913, adopted the following:

"Whereas, By resolution adopted May 27, 1908, as amended by resolutions adopted June 30 and December 9, 1908, the Commissioners of the Sinking Fund authorized and directed the Mayor and City Clerk to make, execute and deliver on behalf of The City of New York a deed conveying premises on the easterly side of 4th or Park avenue, between 67th and 68th streets, in the Borough of Manhattan, in fee simple absolute to the Hahnemann Hospital of The City of New York, upon payment to the Comptroller of the consideration of five thousand dollars (\$5,000), and the delivery of an agreement in writing, under seal, executed pursuant to resolution of the Board of Trustees of the Hospital Corporation, indicating the acceptance by that corporation of the terms and provisos contained in the preamble to the resolution of the Commissioners of the Sinking Fund; and

"Whereas, Thereafter, and on December 17, 1908, The City of New York, by the Mayor and the City Clerk, and the Hahnemann Hospital executed an agreement, under seal, whereby the City agreed to convey said premises in fee to said hospital upon the payment by it to the Comptroller of The City of New York of said consideration of five thousand dollars (\$5,000), together with the delivery to said Comptroller of an agreement, duly executed, pursuant to resolution of the Board of Trustees of said hospital (agreeing to treat certain indigent sick, as set forth in the preamble to the resolution); and

"Whereas, The said Hahnemann Hospital paid to the Comptroller said consideration of five thousand dollars (\$5,000) and delivered the agreement called for, but the conveyance to the hospital of the premises in fee simple has never been delivered; and

"Whereas, The Corporation Counsel having advised, under date of March 24, 1913, that the Commissioners of the Sinking Fund had no authority in law to direct a conveyance to be made to the Hahnemann Hospital upon the terms set forth in the resolution authorizing the same, and, further, that he is of the opinion that the Commissioners of the Sinking Fund should rescind the resolution adopted in the matter, as aforesaid, on May 27, 1908, as amended, and that the five thousand dollars (\$5,000) paid to the Comptroller by the Hahnemann Hospital should be returned to it and the contract executed, as above recited, cancelled; therefore be it

"Resolved, That the resolution adopted by this Board at meeting held May 27, 1908, authorizing the execution and delivery of a deed of release to the

Hahnemann Hospital of The City of New York, from The City of New York, of the land on the easterly side of 4th or Park avenue, between 67th and 68th streets, in the Borough of Manhattan, and all resolutions amendatory or confirmatory thereof be and the same are hereby reconsidered and rescinded; and be it further

"Resolved, That a warrant payable from the Sinking Fund for the Redemption of the City Debt No. 1 be drawn in favor of the Hahnemann Hospital of The City of New York for the sum of five thousand dollars (\$5,000), being the amount paid by the said Hahnemann Hospital as the consideration for a conveyance of the City's interest in land occupied by the hospital on the easterly side of 4th or Park avenue, between 67th and 68th streets, in the Borough of Manhattan, pursuant to resolution adopted by the Commissioners of the Sinking Fund on May 27, 1908, as amended by resolutions of June 30 and December 9, 1908, which the Comptroller is hereby authorized and directed to tender and refund to the said Hahnemann Hospital; and be it further

"Resolved, That the Mayor and City Clerk be and are hereby authorized and directed to execute, tender and deliver to the Hahnemann Hospital of The City of New York, an instrument to be prepared by the Corporation Counsel and approved by him as to form, cancelling and annulling the aforesaid contract heretofore made between The City of New York and the said Hahnemann Hospital of The City of New York under date of December 17, 1908."

Resolved, That so much of the foregoing resolutions as authorizes a warrant to be drawn in favor of the Hahnemann Hospital, for the sum of five thousand dollars (\$5,000), being the amount paid by the said Hahnemann Hospital as consideration for a conveyance which the Comptroller is authorized and directed to tender and refund to the said Hahnemann Hospital, and further, that the Mayor and City Clerk be authorized to execute, tender and deliver to the Hahnemann Hospital of The City of New York an instrument to be prepared by the Corporation Counsel and approved by him as to form, cancelling and annulling the aforesaid contract heretofore made between The City of New York and the said Hahnemann Hospital of The City of New York under date of December 17, 1908, be and the same is hereby rescinded.

Whereas, The Hahnemann Hospital of The City of New York did on the 10th day of December, 1913, pursuant to the provisions of chapter 345 of the Laws of 1905, make application to the Commissioners of the Sinking Fund by its petition in writing, dated on that day, for a grant in fee simple absolute of the premises in said act designated, and which are more particularly described as follows, viz.:

All those certain ten lots, pieces or parcels of land situate, lying and being in the Borough of Manhattan, City of New York, and bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line or side of 67th street with the easterly line or side of 4th avenue, and running thence northerly along said easterly line or side of 4th avenue, two hundred (200) feet and ten (10) inches to the southerly line or side of 68th street; thence easterly along the southerly line or side of 68th street one hundred and twenty-five (125) feet; thence southerly and parallel with 4th avenue two hundred (200) feet ten (10) inches to the northerly side or line of 67th street, and thence westerly along the northerly line or side of 67th street one hundred and twenty-five (125) feet to the point or place of beginning, together with the appurtenances thereunto belonging; and

Whereas, By a certain lease dated January 14, 1871, and recorded in the office of the Register of the City and County of New York on the 14th day of March, 1871, in Liber 1158 of Conveyances at page 566, the Mayor, Aldermen and Commonalty of The City of New York demised the said premises to the said the Hahnemann Hospital of The City of New York for the term of 99 years from the 31st day of December, 1870, and the Commissioners of the Sinking Fund are authorized and empowered by the said chapter 345 of the Laws of 1905, for such consideration as they may deem proper, to change, modify or alter to a grant in fee simple absolute the said lease of the said premises; and

Whereas, The Commissioners of the Sinking Fund, in the exercise of the discretion vested in them by the provisions of the said act, and having in view the provisions made by the Hahnemann Hospital of the City of New York for the care of the sick who would otherwise become a charge on the said City, which provision, however, they do not consider as affecting the question of the price which the said hospital ought to pay on a purchase of the said premises, have appraised the full value of the estate, right, title and interest of The City of New York in and to the said premises, subject to the said lease, upon the principles applicable to the valuation of reversionary interest, at the sum of fifty-two thousand and forty dollars and sixteen cents (\$52,040.16) and deem the said amount to be a fair and just pecuniary consideration for a grant in fee simple absolute of the premises above described and for which The City of New York shall sell, grant and convey to the said the Hahnemann Hospital of The City of New York all the estate, right, title and interest of The City of New York in and to said premises; now therefore be it

Resolved, That the Mayor and the City Clerk be and they are hereby authorized and directed to execute and deliver on behalf of The City of New York its deed granting and conveying the said premises in fee simple absolute to the said Hahnemann Hospital of The City of New York upon payment to the Comptroller of The City of New York of the said sum of fifty-two thousand and forty dollars and sixteen cents (\$52,040.16) as the consideration of such conveyance.

The deed of release to be approved as to form by the Corporation Counsel, and such deed or release to contain a provision expressly cancelling each and every of the covenants in the lease of such premises above described.

Resolved, further, That upon the payment of the said consideration the sum of five thousand dollars (\$5,000), paid by the said the Hahnemann Hospital of The City of New York to the Comptroller on or about the 11th day of February, 1909, for a grant in fee simple absolute of the said premises be refunded to the said hospital with interest at the rate of 4 per cent. per annum to the date of closing title.

The report was accepted and the resolutions severally unanimously adopted.

The following communication was received from the Commissioner of Docks, recommending a lease to the Lehigh Valley Railroad Company of Piers, new, 8 and 9, North River, with bulkhead.

Department of Docks and Ferries, The City of New York, October 31, 1913.

Hon. A. L. KLINE, Mayor, and Chairman of the Commissioners of the Sinking Fund: Sir—Piers, old, 8, 9, 10 and 11, North River, are in a dilapidated condition and should be rebuilt. It would be a useless waste of money to rebuild them on the present lines, which are inconsistent with the new plan adopted and approved by the City authorities for the improvement of the water-front at this locality. The ownership of the property is vested in numerous private owners scattered all over the world, and with whom it is practically impossible to make an agreement for the improvement of the premises.

I beg to recommend the adoption of a resolution by the Commissioners of the Sinking Fund which, in order to save time, I have had drafted and attached hereto, approving of and consenting to the execution by the Commissioner of Docks of a lease to the Lehigh Valley Railroad Company of the following premises, as more particularly described in the attached resolution, viz:

Parcel A: Pier, new, 8, near the foot of Rector street.

Parcel B: Pier, new, 9, near the foot of Carlisle street.

Parcels C and D: The bulkheads beginning at a point in the bulkhead line established by the Secretary of War in 1890, distant 143.17 feet, more or less, northerly from the northerly line of Pier, new, No. 7, being the northerly line of the property now or formerly owned by the Delaware, Lackawanna & Western Railroad Company, and leased to the Baltimore & Ohio Railroad Company; running thence northerly along said bulkhead line a distance of 461 feet, more or less, to the line of property owned by The City of New York and leased to the Central Railroad Company of New Jersey, said line being 52 feet, more or less, southerly from the southerly line of Pier, new, No. 10, North River. Together with the marginal wharf, street or place extending a distance of 50 feet inshore from and parallel with said bulkheads.

The lessee shall have the right to erect and maintain on Parcels A, B, C and D sheds for the protection of freight in transit.

The lease shall commence on the date that the Chief Engineer of the Department of Docks and Ferries shall report that the first of said parcels, together with the shed thereon is completed and ready for occupancy, but in any event the lease shall commence not later than two years from the date of the vesting of title in the City of the property covered by Piers, old, 8, 9, 10 and 11, together with the adjoining bulkheads to be acquired from private parties, and shall be for a term of ten years with privilege of three renewals of ten years each and one additional renewal of one year.

The rental for the first term shall be 27½ cents per square foot per annum for

the difference in the area between land under water covered by such portions of Piers, old, 8, 9, 10 and 11, as are owned by private parties, and land under water covered by Piers 8 and 9, North River, and, in addition, \$1 per annum for the remainder of the property leased to the company.

The rental for each renewal term shall be 10 per cent. advance on the rental for the preceding term.

The City shall acquire all the right, title and interest of the private owners in Piers, old, 8, 9, 10 and 11, North River, together with the adjoining bulkheads, as more particularly described in paragraph No. 12 of the accompanying resolution and the company shall defray the entire cost of the condemnation proceedings, including awards and all other disbursements taxed in connection therewith, upon the receipt of written notice that the liability has become a charge against the City and the amount thereof. To secure the performance of this obligation, the company at the time of the delivery of the lease shall deposit with the Comptroller the sum of \$100,000.

Upon the vesting of title in the City of the private property above described, the company shall at once proceed with the improvement of the water-front, including the building of Piers, new, 8 and 9, and the bulkhead wall above described, together with the sheds on said piers, and the marginal wharf, street or place extending inshore a distance of fifty feet therefrom, filling in in rear of said bulkhead, and the paving of the marginal street, wharf or place extending from said bulkhead inshore to the westerly line of West street with new granite block pavement.

The lease shall contain a recapture clause whereby the City may terminate the lease after ten years upon one year's notice, the City to reimburse the company for the cost of the condemnation proceedings as above set forth, together with the cost of improving the property, from which there shall be deducted 1 per cent. compounded annually at 4 per cent. for each year or part of a year which has elapsed since the beginning of the lease.

For the purpose of ascertaining the cost of improving the property by the company, there shall be filed in the office of this Department a sworn statement of the amount of moneys expended for said improvements, and if such amount shall be approved by the Commissioner of Docks, such amount shall be fixed and determined upon as the cost of such improvement.

Any and all piers, bulkheads, sheds, filling-in, paving and other improvements shall be done under the direction and supervision of the Chief Engineer of this Department in accordance with plans and specifications to be approved by him, and all of such improvements shall revert to and become the property of The City of New York at the expiration or sooner termination of the lease or any renewal thereof, except as otherwise herein provided.

The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now in use by the Department of Docks and Ferries, except in so far as they are inconsistent herewith, a copy of which may be seen and examined at the office of the Department, Pier A, foot of Battery place, North River.

Very truly yours,  
R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 15, 1913.

To the Commissioners of the Sinking Fund:

Gentlemen—On October 31, 1913, the Commissioner of Docks recommended and requested the Commissioners of the Sinking Fund to approve and consent to the execution by the Commissioner of Docks of a lease to the Lehigh Valley Railroad Company of the following described property on the North River, Borough of Manhattan:

*Parcel "A"—Pier (New) No. 8, Near the Foot of Rector Street.*

Beginning at a point in the bulkhead line established by the Secretary of War in 1890, distant 165 feet northerly from the northerly side of Pier 7; running thence westerly, parallel with and distant 165 feet northerly from the northerly side of Pier 7 to the pierhead line established by the Secretary of War March 1, 1913; running thence northerly along said pierhead line to an intersection with the northerly line of Pier 8, distant 75 feet northerly from the first described course, measured at right angles therewith; running thence easterly, parallel with and 75 feet northerly from the first described course to the bulkhead line established by the Secretary of War in 1890; running thence southerly along said bulkhead line 75 feet to the point or place of beginning.

*Parcel "B"—Pier (New) No. 9, Near the Foot of Carlisle Street.*

Beginning at a point in the bulkhead line established by the Secretary of War in 1890, distant 160 feet southerly from the southerly side of Pier 10; running thence westerly, parallel with and distant 160 feet southerly from the southerly side of Pier 10 to the pierhead line established by the Secretary of War March 1, 1913; running thence southerly along said pierhead line to an intersection with a line parallel with and 60 feet southerly from the first described course; running thence easterly, parallel with and 60 feet southerly from the first described course to the bulkhead line established by the Secretary of War in 1890; running thence northerly along said bulkhead line 60 feet more or less to the point or place of beginning.

*Parcel "C."*  
The bulkhead beginning at a point in the bulkhead line established by the Secretary of War in 1890, distant 143.17 feet, more or less, northerly from the northerly line of Pier (new) No. 7, being the northerly line of the property now or formerly owned by the Delaware, Lackawanna and Western Railroad, and leased to the Baltimore and Ohio Railroad Company; running thence northerly along said bulkhead line a distance of 195 feet, more or less, to a point midway between Piers (new) No. 8 and (new) No. 9, together with a marginal wharf, street or place extending a distance of 50 feet inshore from and parallel with said bulkhead.

*Parcel "D."*  
The bulkhead beginning at a point in the bulkhead line established by the Secretary of War in 1890 midway between Pier (new) No. 8 and Pier (new) No. 9, North River; running thence northerly a distance of 266 feet, more or less, to the line of property owned by The City of New York and leased to the Central Railroad Company of New Jersey, said line being 52 feet, more or less, southerly from the southerly line of Pier (new) No. 10, extending a distance of 50 feet inshore from and parallel with said bulkhead.

The lessee to have the right to erect and maintain on Parcels "A," "B," "C" and "D" sheds for the protection of freight in transit.

The lease to commence on the date that the Chief Engineer of the Department of Docks and Ferries shall report that the first of said parcels, together with the sheds thereon, is completed and ready for occupancy, but not later than two years from the date of vesting of title in the City of the property covered by Piers (old) Nos. 8, 9, 10 and 11, together with the adjoining bulkheads, to be acquired from private parties, and shall be for a term of ten years, with privilege of three renewals of ten years each and one additional renewal of one year.

The rental for the first term to be 27½ cents per square foot per annum for the difference in the area between the land under water covered by such portions of Piers (old) Nos. 8, 9, 10 and 11 as are owned by private parties and land under water covered by Piers (new) Nos. 8 and 9, and in addition one dollar (\$1) per annum for the remainder of the property leased to the Company.

The rental for each renewal period shall be ten (10) per cent. advance on the rental of the preceding term.

The City to acquire all the right, title and interest of the private owners in Piers (old) Nos. 8, 9, 10 and 11, together with the adjoining bulkhead, and the Company shall defray the entire cost. To secure the performance of this obligation the Company, at the time of the delivery of the lease, shall deposit one hundred thousand dollars (\$100,000) with the Comptroller.

Upon the vesting of title in the City the Company shall at once proceed with the improvement of the waterfront, including the building of Piers (new) Nos. 8 and 9, the new bulkhead wall, sheds on said piers and the marginal street, filling in in rear of bulkhead wall, and the paving with granite block pavement of marginal street, wharf or place.

All improvements made or erected under the terms of the lease to be done under the approval, direction and supervision of the Chief Engineer of the Department of Docks and Ferries, and shall become the property of the City at the expiration or sooner termination of the lease or any renewal thereof, except the filling in or pavement, in which the Company will have no right, title or interest.

I am advised that the entire improvement, including the acquisition of the property, will cost at least \$2,750,000, segregated as follows:

The acquisition of property.....	\$1,750,000 00
Removal of Piers (old) Nos. 8, 9, 10 and 11.....	10,000 00
New bulkhead wall.....	180,000 00

Construction of new piers and sheds.....	750,000 00
Filling in, pavement and dredging.....	60,000 00

Total .....\$2,750,000 00

The rental proposed, twenty-seven and one-half cents (27½ cents) per square foot for the excess of the area for the land under water covered by the new Piers 8 and 9 over the privately owned area of land under water covered by the present old Piers 8, 9, 10 and 11, is reasonable, and the same rate is now being charged for land under water along the North River. By this method the City is getting full rental for land under water and giving credit for the area that has to be purchased.

For the remainder of the privileges given only one dollar annually is charged, because the Company, pursuant to the terms of the lease, furnishes the money for the entire improvement, including the purchase of the privately owned property, the building of the new piers and sheds, the erection of the bulkhead wall and filling in and paving in rear of the bulkhead. This nominal rental is, in my opinion, sufficient, because the Company must provide for all the carrying charges (both interest and Sinking Fund) of the money invested, and the land and improvements revert to the City at the expiration or sooner termination of the lease.

The term of forty-one (41) years is fixed in order to permit the Company to finance the proposition on a four (4) per cent. basis. The method of paying for the property and improvements, in the event that the City decides to acquire the property pursuant to the recapture clause, is based upon the same method.

As a general proposition I concur, but in the interests of the City I recommend the following changes in the proposition, which have received the approval of the Commissioner of Docks:

(1) The term should be reduced from 41 years to 39 years. The 41-year term was based upon amortization at 4 per cent. This is not fair to the City, and is more than fair to the Railroad Company. Money of the Railroad Company under any conditions during the next 39 years must be worth at least 4½ per cent., and it is but proper that they should amortize at that rate.

(2) It should be specifically stated that in the cost and expense to the Company to be fixed as provided there should not be included anything to be paid for legal service by the Company. The City will bear all necessary legal expenses for the condemnation proceedings, to be reimbursed as provided, such sum so reimbursed to be part of the Company's cost and expense.

(3) The recapture clause should be modified to provide that the amount to be paid by the City for recapture shall be fixed by arbitration substantially in the manner that arbitrations are provided for in other Dock Department agreements, but in no event shall the amount so fixed by arbitration be greater than that shown by the method of compensation for recapture provided in the Dock Commissioner's letter, but upon a 4½ per cent. basis and not a 4 per cent. basis; nor less than an amount equal to a proportion of the cost which shall bear the same relation to the cost as the unexpired years of the entire term of 39 years bears to 39 plus ten per cent. of such amount.

(4) The lease should also provide that if the cost of the improvement is less than \$2,750,000 the Company shall pay an additional rental.

With these modifications, to which the Commissioner of Docks agrees, I recommend the adoption of the attached resolution approving the request, with the modifications as suggested.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

(1) Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks of a lease to the Lehigh Valley Railroad Company, a corporation organized and existing under the laws of the State of Pennsylvania, having its principal office at Philadelphia, in the State of Pennsylvania, of the following described property on the North River, Borough of Manhattan, The City of New York:

(4) The bulkhead beginning at a point in the bulkhead line established by the Secretary of War in 1890, distant 143.17 feet, more or less, northerly from the northerly line of Pier (new) 7, being the northerly line of the property now or formerly owned by the Delaware, Lackawanna & Western Railroad, and leased to the Baltimore & Ohio Railroad Company; running thence northerly along said bulkhead line a distance of 195 feet, more or less, to a point midway between Piers (new) 8 and (new) 9, together with the marginal wharf, street or place extending a distance of 50 feet inshore from and parallel with said bulkhead.

Together with the marginal wharf, street or place extending a distance of 50 feet inshore from and parallel with said bulkhead.

(6) The Lessee shall have the right to erect and maintain on Parcels "A," "B," "C" and "D" sheds for the protection of freight in transit.

(7) The lease shall commence on the date that the Chief Engineer of the Department of Docks and Ferries shall report that the first of said Parcels "A," "B," "C," or "D," together with the shed thereon is completed and ready for occupancy, but in any event the lease shall commence not later than two years from the date of the vesting of title in the City of the property described as to be acquired from private owners in Paragraph No. 12, excepting that in case labor disturbances or extraordinary emergencies shall interfere with the progress of the work allowance shall be made by the Commissioner of Docks for the time the work is suspended or interfered with.

(8) The first term of the lease shall expire ten years from the date the Chief Engineer of the Department of Docks and Ferries shall report that the first of said Parcels "A," "B," "C" or "D," together with the shed thereon, is completed and ready for occupancy, but in any event such first term shall expire not later than twelve years from the date of the vesting of title in the City of the private interests to be acquired and as more particularly described in Paragraph No. 12.

(9) The lessee shall have the privilege of two (2) renewals of ten (10) years each, and one additional renewal of nine (9) years, or otherwise in accordance with the provisions of Paragraph No. 10.

(10) The rental for the first term of ten (10) years shall be fixed as follows:  
The area of land under water covered by Piers (new) 8 and (new) 9 shall be ascertained by the City, and there shall be deducted therefrom the area of land under water covered by such portions of Piers (old) 8, 9, 10 and 11 as are owned by private parties, and for the excess area the Company shall pay rent, quarterly in advance to the City at the rate of 27½ cents per square foot per annum. In addition to the rental for the said land under water the Company shall pay to the City a nominal rent of one dollar (\$1) per annum for the remainder of the property hereby leased to the Company.

If the cost of the improvement, being the entire cost of the condemnation proceeding, including awards, fees of commissioners and experts, and all other necessary disbursements taxed in connection therewith, together with the cost of im-

proving said property, including the building of Piers (new) 8 and 9, described in Parcels "A" and "B," the bulkhead wall described in Parcels "C" and "D," together with the sheds erected on said piers or bulkhead, and on the marginal wharf, street or place adjacent thereto; also including the cost of filling in in rear of said bulkhead and the paving of the marginal street, wharf or place, as more particularly described in Paragraph No. 16, ascertained as provided in Paragraph No. 19, shall be less than the sum of \$2,750,000, the Company shall pay to the City annually, in addition to the rent above specified, an amount which shall be 5½ per cent. on a sum which shall be equal to the difference between the said sum of \$2,750,000 and such entire cost; such additional rental to be paid quarterly in advance.

If the cost of the improvement so ascertained shall be more than said sum of \$2,750,000, the Company shall be entitled to be credited, upon the average annual rental for a term of thirty-nine years, for the excess area of land under water (computed at the rate of 27¼ cents per square foot per annum), with an amount equal to 5½ per cent. upon the difference between said cost and the said sum of \$2,750,000. In the event that 5½ per cent. on said difference shall exceed the average rental for the excess area of land under water for the term of thirty-nine years, then the term of the lease shall be extended for a period which bears the same proportion to thirty-nine years as the amount of the excess of cost over the sum of \$2,750,000, plus the amount upon which 5½ per cent. is equal to the amount of rental for said excess area of land under water, above provided for by credit upon rent, shall bear to \$2,750,000.

(11) The rental for each renewal term shall be ten (10) per cent. advance on the rental for the preceding term.

(12) The City shall acquire all the right, title and interest of every kind of the private owners in Piers (old) 8, 9, 10 and 11, North River, and the lands under water covered thereby, together with the bulkhead beginning at a point 143.17 feet, more or less, north of the easterly prolongation of the northerly line of Pier (new) 7, being the northerly line of the property now or formerly owned by the Delaware, Lackawanna and Western Railroad Company, and extending northerly a distance of 461 feet, more or less, to the line of the property owned by the City, said line being 52 feet, more or less, southerly from the easterly prolongation of the southerly line of Pier 10.

(13) The Company shall defray the entire cost of such condemnation proceedings, including awards, fees of commissioners and experts, and all other necessary disbursements taxed in connection therewith.

(14) There shall be paid by the Company to the Comptroller of The City of New York such entire cost incurred by The City of New York for the property so to be acquired immediately upon receipt of written notice that the liability has become a charge against The City of New York, and the amount thereof. To secure the performance of this obligation on the part of the Company, the Company, at the time of the execution and delivery of the lease contemplated, and before the institution of condemnation proceedings, shall pay and deliver to the Comptroller of The City of New York as security for the payment of its liability for the expenses of such condemnation proceedings the sum of one hundred thousand dollars (\$100,000), which the Comptroller of The City of New York shall deposit in a separate account or accounts with duly designated depositories of The City of New York, to be agreed upon with the Company, at such interest as he may be able to obtain, which interest shall accrue to the credit of the Company. Neither the Comptroller nor the City shall be responsible for any larger or greater rate of interest than is actually obtained upon such deposit or deposits. The said sum of \$100,000 so deposited, and the interest that may accrue thereon, shall be applicable to the liability of the Company for the cost of such condemnation proceedings and the awards thereof, as above specified.

(15) In the event of the awards and cost of such condemnation proceedings for which the Company is responsible exceeding the said sum of \$100,000 and accrued interest thereon, the Company shall pay to the Comptroller of The City of New York, upon notice as aforesaid and demand, any and all sums necessary to discharge said liability over and above the said sum of \$100,000 and accrued interest.

(16) Upon the vesting of title in The City of New York of the property described in Paragraph No. 12 as that to be acquired from private owners, the Company shall at once proceed with the improvement of the waterfront, including the building of Pier (new) 8 and Pier (new) 9, more particularly described in Parcels "A" and "B," and the stone bulkhead wall as more particularly described in Parcels "C" and "D," together with the sheds on said piers and upon the marginal wharf, street or place, extending inshore a distance of 50 feet from said bulkhead. Such improvement shall also include the filling in in rear of said bulkhead and paving of the marginal street, wharf or place extending from said bulkhead line inshore to the westerly line of West street with new granite block pavement, on concrete foundation; but it is understood and agreed that the portion of the marginal wharf, street or place extending from the westerly line of West street to a line drawn parallel with and fifty feet inshore from the bulkhead hereby leased shall be owned and controlled by The City of New York, and the Company shall have no right, title or interest therein except the right of access to the property hereby leased.

(17) If at any time after ten years from the commencement of the lease the Commissioner of Docks shall determine that it will be for the best interests of the City to terminate the interest of the Company in the property leased, then upon service of written notice from the Commissioner of Docks to that effect, the interest of the Company in said property shall be terminated one (1) year from the date of service of such notice, and the rent reserved by said lease shall cease on the date of such termination, and no claim for damages or compensation in favor of the Company, by reason of the termination of such interest or for or on account of any constructions or improvements that may have been made or erected by the Company, shall at any time be made by the Company or by any person or persons whomsoever except as herein otherwise provided. No notice of termination of said lease, for the reasons specified in this paragraph, shall be of any validity or effect until it shall have been approved by resolution of the Commissioners of the Sinking Fund, passed after a hearing of which notice shall be given to the Lessee and no such termination shall be effective unless and until the City shall have paid to the Company the sum of money determined to be due the Company in accordance with the terms and provisions described in Paragraph No. 18; but the Company shall have the right to retain possession of the property leased upon complying with all of the terms, conditions and covenants of said lease until the City shall pay the amount so determined to be due.

(18) In case the lease, or any renewal thereof, shall be terminated as provided for in the preceding paragraph, The City of New York shall pay to the Company on or before the date of such termination an amount which shall be fixed as follows:

Not less than six months prior to the date fixed for the termination of said lease by the notice given pursuant to the provisions of Paragraph No. 17, the Commissioner of Docks shall appoint a person to act on his behalf as arbitrator and the Company shall also appoint a person as arbitrator, and the arbitrators so appointed shall determine upon a fair and reasonable amount to be paid by the City to the Company. In case the arbitrators are unable within thirty days from the date of their appointment to agree upon the amount so to be paid, they shall appoint a third person to act as umpire, and if they are unable to agree within five days upon such umpire, then, at the request of either of the parties to said lease, such umpire shall be appointed by the presiding Justice of the Appellate Division of the Supreme Court, First Department, and the decision of two of the said persons so appointed shall be conclusive and binding upon both parties to the lease. In no event shall the amount so fixed by arbitration be greater than the entire cost of the condemnation proceedings, including awards, fees of commissioners and experts, and all other necessary disbursements taxed in connection therewith, together with the cost of improving said property, including the building of Piers (new) 8 and 9 described in Parcels "A" and "B," the bulkhead wall described in Parcels "C" and "D," together with the sheds erected on said piers and bulkhead and on the marginal wharf, street or place adjacent thereto; also including the cost of filling in in rear of said bulkhead and the paving of the marginal street, wharf or place, as more particularly described in Paragraph No. 16, less one (1) per cent. for each year, compounded annually at 4½ per cent. for each year or part of a year which has elapsed since the beginning of the lease; and in no event shall the amount so fixed by arbitration be less than an amount equal to a proportion of the entire cost which shall bear the same relation to the entire cost as the unexpired years of the term of thirty-nine years bears to thirty-nine, plus ten (10) per cent. of such amount.

(19) Any and all piers, bulkheads, sheds, filling in, paving, and any and all work of improvement made or erected under the terms of this lease shall be done under the direction and supervision of the Chief Engineer of the Department of Docks

and Ferries, and in accordance with plans, specifications and estimates of cost to be submitted to and approved by him, and any and all of such piers, bulkheads, sheds and all other improvements made or erected in accordance with the terms of this lease shall revert to and become the property of The City of New York at the expiration or sooner termination of said lease or any renewal thereof, except as otherwise herein provided.

(20) For the purpose of ascertaining the cost of improving said property by the Company, the Company shall file in the office of the Department of Docks and Ferries within a reasonable time a sworn statement of the amount of moneys expended for said improvements, as more particularly described in Paragraph No. 16, and if such amount shall be approved by the Commissioner of Docks such amount shall be fixed and determined upon as the cost of such improvement. Such cost and expense shall not include any legal services paid by the Company. The City will bear all necessary legal expenses of the condemnation proceeding, to be reimbursed as provided in Paragraph No. 13, such sum so reimbursed to be part of the Company's cost and expense.

(21) The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now in use by the Department of Docks and Ferries, except in so far as they are inconsistent herewith.

(22) It is further provided that such lease shall not be executed pursuant to the authority hereby conferred, nor shall there be any liability on the part of the City, until such lease and agreement shall be approved by the Corporation Counsel as to form and legality of substance.

The report was accepted and the resolution unanimously adopted.

## FILLING PRIVILEGE.

SEALED BIDS OR ESTIMATES WILL BE received by the Commissioner of Docks, at Pier "A," foot of Battery place, North River, in The City of New York, until 12 o'clock noon on

WEDNESDAY, JANUARY 7, 1914.

FOR THE RIGHT TO DUMP AND FILL BEHIND THE BULKHEAD WALL RECENTLY BUILT BETWEEN E. 123D ST. AND E. 124TH ST., HARLEM RIVER, BOROUGH OF MANHATTAN.

TERMS AND CONDITIONS OF SALE. The work to be done is to fill in with suitable material as hereinafter described the area behind the new bulkhead wall extending from the southerly side of E. 123d st. northerly a distance of 171 feet, and extending inshore a distance of about 140 feet to the present shore line outshore of the easterly side of Pleasant ave.

The filling shall be brought to a grade 10 inches below the top of the coping of the bulkhead wall, and shall extend inshore on a sloping grade to a grade 10 inches below the grade of E. 123d st. Bidders will state in writing a lump sum price which they agree to pay for the privilege of filling the whole of the area above described.

It is estimated that the area outlining the above described limits will create a basin to be filled in under the agreement, the cubical contents of which in the net void space are equal to 6,550 cubic yards.

In the estimated amount given, the amount in cubic yards is arrived at without placing any allowance for shrinkage, settlement, swelling of the material or penetration into the mud.

The Department is not bound in any way by the estimate, and bidders must satisfy themselves of the actual quantity required to fill in the above described area by examination of the premises or such other means as they may prefer, the intention of the Department being to fill in the whole of the said premises behind the bulkhead wall within the above described limits, and no allowance will be made to the purchaser from the purchase price on account of any discrepancy which may be found between the above estimated quantity and the actual amount of the filling required.

The purchaser will be required to place the filling in accordance with the following specifications:

All of the filling shall, unless otherwise directed, be placed directly in the rear of the bulkhead wall and carried from the bulkhead wall toward the shore.

All materials must be dumped and filled in only in such manner, at such points, and in such order of procedure, and at such times and seasons as may from time to time be directed, and the work of filling in may be entirely suspended for such periods of time as may be directed by the Engineer. The purchaser shall have no claims for damage or for any allowance from the purchase money on account of such suspension of the work.

The purchaser shall provide all plank and other appliances and all necessary labor, and shall at all times keep the dump graded to the satisfaction of the Engineer.

All directions shall be given by the Engineer, and wherever the word "Engineer" is used in these specifications it refers to and designates the Chief Engineer of the Department of Docks and Ferries, or such officer or employee as may be designated by him.

Rip-rap stone coming directly on or against the bulkhead wall must be deposited carefully in such manner as will not injure the same.

All the filling, except as otherwise specified herein, shall be of ashes, cellar dirt, broken stone, etc., entirely free from garbage or any organic matter objectionable in the opinion of the Engineer.

The filling shall be commenced within five days after the date of the receipt of a notification from the Engineer that the work, or any part of it, is ready to be begun, after which not less than 100 cubic yards per day shall be placed, and the whole amount of the filling called for to bring the above described basin up to grade shall be completed within 66 days from the date of the receipt of said notification. At the expiration of this time this agreement shall be considered closed, unless a further extension of time shall be given by the Commissioner of Docks. If at any time during the progress of the work it shall be deemed necessary to order the suspension of the whole or any part of the filling, the time for completing said filling shall be extended as much as it may have been delayed by such suspension.

In case the purchaser at any time does not proceed with the work of filling in to the satisfaction of the Commissioner of Docks, the said Commissioner will at once terminate the privilege of filling in and proceed to have the remainder of the filling in done by other parties in such way and manner as he deems proper, and any loss which may result therefrom shall be charged against the principal and his surety.

The purchaser shall, during the work of filling, and at all times until the completion thereof, take all necessary precaution and place proper guards for the prevention of accidents, and put up and maintain at night sufficient lights, and he shall indemnify and save harmless The City of New York from all damages and costs to which it may be put by reason of injury to the person or property of another resulting from the negligence or carelessness in the performance of the work or guarding the same, to which the surety is also bound.

No bid or estimate will be considered unless accompanied by a certified check drawn to the order of the Commissioner of Docks, or money to the amount of twenty-five per centum of the amount of the bid, which amount shall be applied, in the case of the successful bidder, to the first one-quarter of the amount of the filling to be deposited; twenty-five per centum to be paid when the first one-quarter of filling has been completed, twenty-five per centum additional when one-half the filling has been completed, and the balance, twenty-five per centum, when three-quarters of said filling has been completed.

A surety or guarantee company, duly authorized by law to act as surety, to be approved by the Commissioner of Docks, will be required to enter into a bond or obligation jointly and severally with the purchaser in the sum of double the amount of the purchase price as security for the satisfactory performance of said work, in accordance with the terms and conditions hereof.

The contractor agrees that he will comply with the provisions of the Labor Law. He further agrees that no laborer, workman or mechanic in the employ of the contractor, subcontractor or other person doing or contracting to do the whole or a part of the work contemplated by the contract, shall be permitted or required to work more than eight hours in any one calendar day, except as in cases of extraordinary emergency caused by fire, flood or danger to life or property. That the wages to be paid for a legal day's work to all classes of such laborers, workmen or mechanics upon public work or upon any material to be used thereon shall not be less than the prevailing rate for a day's work in the same trade or occupation in the locality where such public work is being constructed. Each such laborer, workman or mechanic shall receive the prevailing rate of wages. This contract shall be void and of no effect unless the person or corporation making or performing the same shall comply with the provisions of sections 3 and 14 of the Labor Law.

#### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

#### TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer

in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless, The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beams, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a Department, chief of a Bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement, to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the proposals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate. For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bid or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel can be obtained upon application therefor at the office of the Department for which the work is to be done.
