COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11.30 o'clock A. M., on Wednesday, March 18, 1914.

Present—John Purroy Mitchel, Mayor; Alexander Brough, Deputy and Acting Comptroller; Henry Bruere, Chamberlain, and Henry H. Curran, Chairman, Finance Committee, Board of Aldermen.

The minutes of the meeting held March 11, 1914, were approved as printed, except as to the time of convening. The Chairman of the Finance Committee, Board of Aldermen, moved that the minutes of the meeting held March 11, 1914, be amended by substituting 11.40 as the hour of convening in place of 11 o'clock. Motion carried.

The Deputy and Acting Comptroller brought up for consideration the communication from the Commissioner of Docks recommending the approval of a lease to P. F. & W. A. Kane, of the northerly half of the pier at the foot of East 46th street, East River, Borough of Manhattan, laid over at the last meeting. Which was again laid over.

The Deputy and Acting Comptroller brought up for consideration applications of the Department of Street Cleaning for rental of the following dumping boards, which were laid over at the last meeting:

1. Dumping board extending from 107th to 108th street, rental \$40 a day.
2. Dumping board at the foot of Stanton street, at a rental of \$40 a day.
3. Dumping board at the foot of West 133d street, at a rental of \$40 a day.
4. Dumping board at the foot of West 96th street, at a rental of \$50 a day.
5. Dumping board at the foot of West 79th street, at a rental of \$50 a day.

The Commissioner of Street Cleaning urged that immediate action be taken on the rental of dumping board at the foot of Stanton street.

The Commissioner of Docks suggested that it lay over until the Committee now considering the rental of dumping boards were ready to report. Discussion followed. On motion of the Chamberlain, the applications were again laid over.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease to the City of premises at No. 7605 5th avenue, Borough of Brooklyn, for use of the Department of Street Cleaning:

March 6th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 19, 1914, requests a lease of the store floor of premises No. 7605 5th avenue, Brooklyn, N. Y., for use of his Department, for a term of three years from May 1, 1914, at an annual rental of \$360, payable quarterly, the City to make all alterations and repairs, if any are needed, with the understanding that the premises be surrendered at the expiration of the lease in the same condition as when leased, the lessor to pay water rates.

The premises consist of a store 14 feet average by 30 feet, with two light rooms in rear which are respectively 12 feet by 18 feet and 12 feet by 8 feet.

For comparison, the two adjoining similar stores are also owned by the lessor and are rented for \$300 a year each.

The Department of Street Cleaning has requested this lease to be made for a period of three years from May 1, 1914, at an annual rental of \$360, but upon investigation by the Division of Real Estate of this Department, it is found that the adjoining similar stores are rented for \$300 per annum each, and the lessor will only rent the store in question for one year at a rental of \$300.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store 14 feet average by 30 feet, with two rear rooms 12 feet by 18 feet and 12 feet by 8 feet, in the building No. 7605 5th avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of one year from May 1, 1914, at an annual rental of \$300, payable quarterly, the lessor to pay taxes and water rates, the lessee to make such alterations and repairs as it may deem necessary, with the understanding that the premises be surrendered at the expiration of this lease in the same condition as when leased, reasonable wear and tear excepted. Lessor, Philip J. Reilly, 7324 10th avenue, Borough of Brooklyn. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a lease to the City of the store 14 feet average by 30 feet, with two rear rooms 12 feet by 18 feet and 12 feet by 8 feet in the building No. 7605 5th avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of one year from May 1, 1914, at an annual rental of three hundred dollars (\$300), payable quarterly; the lessor to pay taxes and water rates; the lessee to make such alterations and repairs as it may deem necessary, with the understanding that the premises be surrendered at the expiration of this lease in the same condition as when leased, reasonable wear and tear excepted; lessor, Philip J. Reilly, the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease to the City of premises at No. 5311 13th avenue, Borough of Brooklyn, for use of the Department of Street Cleaning:

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 20, 1914, requests a lease of the store with two rear rooms in the building No. 5311 13th avenue, Borough of Brooklyn, for the use of his Department, for a period of three years from May 1, 1914, at an annual rental of \$360, payable quarterly, the lessor to put and keep the premises in good and tenantable condition, supply steam heat and pay for the water used.

The premises consist of a store 12 feet 10 inches by 37 feet 2 inches, with two rear rooms, 14 feet 6 inches by 14 feet 7 inches and 7 feet by 14 feet 4 inches, in the building No. 5311 13th avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at a rental of \$360 a year, payable quarterly, the lessor to pay taxes and water rates and supply steam heat and to put and keep the premises in tenantable condition, the lessee to supply light and janitor service. Lessor, Bernard Mizel, 1516 55th street, Brooklyn. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, of the store 12 feet 10 inches by 37 feet 2 inches, with two rear rooms 14 feet 6 inches by 14 feet 7 inches and 7 feet by 14 feet 4 inches in the building No. 5311 13th avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at a rental of three hundred and sixty dollars (\$360) a year, payable quarterly; the lessor to pay taxes and water rates and supply steam heat and to put and keep the premises in tenantable condition; the lessee to supply light and janitor service; lessor, Bernard Mizel; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at No. 1319 Foster avenue, Borough of Brooklyn, for use of the Department of Street Cleaning:

March 6, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 20, 1914, requests a lease of the store in the building No. 1319 Foster avenue, Borough of Brooklyn, for use of his Department, for a period of one year from May 1, 1914, at an annual rental of \$390, payable quarterly, the lessor to make all outside repairs and pay for the water used on the premises, the City to provide heat and light and make such inside repairs as it may deem necessary.

The premises consist of a store 18 feet by 55 feet, with two rear rooms.

For comparison, the two adjoining similar stores are rented for \$420 a year each.

After negotiation by the Division of Real Estate of this Department, the lessor has agreed to supply heat for the same rental, viz.: \$390 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store floor 55 feet by 18 feet, in the building No. 1319 Foster avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of one year from May 1, 1914, at an annual rental of \$390, payable quarterly, the lessor to pay taxes and water rates, make outside repairs and furnish heat, the lessee to supply light and make such interior repairs as it may deem necessary. Lessor, Joseph Gold, 824 Eastern parkway, Brooklyn. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City of the store floor 55 feet by 18 feet in the building No. 1319 Foster avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of one year from May 1, 1914, at an annual rental of three hundred and ninety dollars (\$390), payable quarterly; the lessor to pay taxes and water rates, make outside repairs and furnish heat; the lessee to supply light and make such interior repairs as it may deem necessary; lessor, Joseph Gold; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City, of premises at No. 70 Carmine street, Borough of Manhattan, for use of the Department of Street Cleaning:

March 6, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 19, 1914, requests a lease of the store and basement in the premises No. 70 Carmine street, Borough of Manhattan, for a term of one year from May 1, 1914, at an annual rental of \$540, payable quarterly, the lessor to pay taxes and water rates and make outside repairs, the City to make all inside repairs and furnish heat, light and janitor service.

This is a new lease to take the place of No. 73 Carmine street, now under lease to the City, which expires May 1, 1914.

The premises at No. 70 Carmine street consist of a store and basement, 52 feet by 16 feet, in a five-story brick building. The Commissioner of the Department of Street Cleaning states that the rent of \$540 a year is the lowest in his opinion that can be obtained for suitable premises in that neighborhood, but after negotiation by the Division of Real Estate of this Department, the owner has consented to accept a rental of \$516 a year.

For comparison, the store and basement 50 feet by 12 feet at 64 Carmine street, which is four feet narrower and two feet shorter, can be rented for \$480 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store and basement, 52 feet by 16 feet, in the building No. 70 Carmine street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of one year from May 1, 1914, at a rental of \$516 a year, payable quarterly, the lessor to pay taxes and water rates and make outside repairs, the lessee to make such inside repairs as it may deem necessary and furnish heat, light and janitor service. Lessor, Jerry Ciaffone, 16 6th avenue, Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City of the store and basement 52 feet by 16 feet in the building No. 70 Carmine street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of one year from May 1, 1914, at a rental of five hundred and sixteen dollars (\$516) a year, payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to make such inside repairs as it may deem necessary and furnish heat, light and janitor service; lessor, Jerry Ciaffone; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at No. 74 Greenwich street, Borough of Manhattan, for use of the Department of Street Cleaning:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 20, 1914, requests a renewal of the lease of the store premises No. 74 Greenwich street, Borough of Manhattan, for another term of three years from May 1, 1914, at the same annual rental of \$1,200, payable quarterly, and otherwise upon the same terms and conditions as contained in the existing lease.

The Comptroller in a communication to your Board under date of March 3, 1911, recommended that this lease be authorized for a period of three years from May 1, 1911, at an annual rental of \$1,200, and said report was approved and lease authorized at a meeting of your Board held March 8, 1911.

Deeming the rent reasonable and just and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store, 21 feet by 96 feet 8 inches, in the building No. 74 Greenwich street, Borough of Manhattan, for use of the Department of Street Cleaning for a period of three years from May 1, 1914, at an annual rental of \$1,200, payable quarterly, with the understanding that if the owner has an opportunity to sell the premises or to lease the whole of the same, she shall have the right to terminate the said lease upon ninety days' notice in writing; the lessor to keep the premises in good and tenantable condition during the term of the lease and pay taxes and water rates; the lessee to furnish heat, light and janitor service. Lessor, John A. Schappert, 524 East 89th street, Manhattan, executor of the estate of Mrs. Josephine B. McMillen, deceased. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City of the store 21 feet by 96 feet 8 inches in the building No. 74 Greenwich street, Borough of Manhattan, for use of the Department of Street Cleaning for a period of three years from May 1, 1914, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly; with the understanding that if the owner has an opportunity to sell the premises or to lease the whole of the same, she shall have the right to terminate the said lease upon ninety days' notice in writing; the lessor to keep the premises in good and tenantable condition during the term of the lease and pay taxes and water rates; the lessee to furnish heat, light and janitor service; lessor, John A. The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City of premises on the north side of East 135th street, 50 feet east of Madison avenue, Borough of Manhattan, for use of the Department of Street Cleaning:

March 6th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 16, 1914, requests a renewal of lease of the plot of ground 50 by 100 feet on the north side of East 135th street, 50 feet east of Madison avenue, known as 39-41 East 135th street, Borough of Manhattan, for another term of one year from April 1, 1914, at an annual rental of \$1,200, payable quarterly, and otherwise upon the same terms and conditions as contained in the existing lease.

The Comptroller in a communication to your Board under date of February 20, 1913, recommended a renewal of this lease for a period of one year from April 1, 1913, at an annual rental of \$1,200, and said report was approved and renewal of lease authorized at a meeting of your Board held February 26, 1913.

March 13, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Department of Correction, in a communication to your Board under date of March 4, 1914, requests a renewal of the lease of the stable premises at 516 East 20th street, Borough of Manhattan, upon the same terms and conditions as contained in the existing lease.

The Comptroller in a communication to your Board under date of January 24, 1913, recommended a renewal of the lease of these premises, which have been occupied by the City for the past twelve years, at a rental of \$1,200 a year, and said report was approved and renewal authorized at a meeting of your Board held January 29, 1913.

I therefore respectfully recommend, the rent being reasonable and just, and the same as previously paid, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the stable premises at No. 516 East 20th street, Borough of Manhattan, for a period of one year from April 1, 1914, at an annual rental of \$1,200, payable quarterly, the lessor to pay taxes and make inside and outside repairs, the lessee to pay water rates and furnish heat and light, and otherwise upon the same terms and conditions as contained in the existing lease. The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the form of preliminary contract for the services of F. L. Robinson as architect for the preparation of preliminary plans and specifications of proposed reconstruction of the Armory of the Second Field Artillery, 171 Clermont avenue, Borough of Brooklyn:

March 11, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On February 27, 1914, the Secretary of the Armory Board transmitted for approval form of preliminary contract and compensation for services of F. L. Robinson, as architect, for the preparation of preliminary drawings and specifications of proposed additional reconstruction of the Armory of the Second Field Artillery, 171 Clermont avenue, Borough of Brooklyn.

The cost is to be paid from the unencumbered corporate stock fund entitled "C. A. B.—64B, Armory Fund, Second Regiment Field Artillery, Alterations to Armory, 171 Clermont Avenue, Brooklyn."

An authorization of corporate stock in the sum of \$24,000 for this purpose was appropriated by the Armory Board on November 18, 1913, and concurred in by the Commissioners of the Sinking Fund on January 21, 1914.

The work proposed consists of new lockers, additional toilet facilities, and other rearrangements and alterations to provide quarters and accommodations for the additional men that it is proposed are to use this armory building.

The compensation (\$450) fixed in the form of contract is based upon a final contract of 7½ per cent. on the total cost of the work. This is the fee allowed for alteration work, which is usually paid for from other funds than corporate stock.

The Armory Board requested funds for this work in the estimate for 1914, but, upon recommendation of the Budget Committee, this item was stricken from the Budget, with the recommendation that the Armory Board request an issue of corporate stock for the purpose. This suggestion was followed and concurred in by the Commissioners of the Sinking Fund. While corporate stock has been allowed for the work, its nature, as far as the architect is concerned, is an alteration job, and a fee for architect's services of 7½ per cent. of the total cost of the work is reasonable.

The form of contract is similar to the form prepared and approved by the Corporation Counsel for preliminary architects' contracts.

I therefore recommend the adoption of the attached resolution approving the request. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund, pursuant to its resolution adopted on October 25, 1912, hereby approve of the form of preliminary contract for the services of F. L. Robinson as architect for the preparation of preliminary drawings and specifications of proposed additional reconstruction of the armory of the Second Field Artillery, 171 Clermont avenue, Borough of Brooklyn; the compensation for said work to be four hundred and fifty dollars (\$450), and to be charged to the corporate stock fund entitled "C. A. B.—6B, Armory Fund, Second Regiment, Field Artillery, Alterations to Armory, 171 Clermont Avenue, Brooklyn."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

March 13th, 1914.

To the Commissioners of the Sinking Fund:

The permit not being required by the Westchester Lighting Company, I recommend the adoption of the attached resolution rescinding the action taken by the Commissioners of the Sinking Fund on December 30, 1913.

Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

It appears that there is an error in the recital of the law under which the conveyance was authorized, and the Deputy Comptroller moved that the resolution be amended so that it will recite the proper authority of law.

The following resolution was then offered for adoption:

Resolved, That the resolution adopted by this Board at meeting held March 4, 1914, authorizing a conveyance to the State of New York of all the City's interests in the lands and buildings situated north of Clarkson street, and extending from Albany avenue to Utica avenue, in the Borough of Brooklyn, City of New York, as are now used for State hospital purposes, under a lease from The City of New York, or as a Potter's Field by The City of New York, be and the same is hereby amended to read as follows:

THE PUBLIC SERVICE COMMISSION FOR THE First District (hereinafter called "the Commission") invites proposals to supply track materials for use in the construction of rapid transit railroads, to wit: Tie Plates, Felt Pads and Ballast.

A full description of the materials and other requirements, provisions, details and specifications are stated in the form of contract, which is to be deemed a part of this invitation. Copies of the form of contract, bond and contractor's proposal may be inspected and purchased at the office of the Commission, No. 154 Nassau street, Borough of Manhattan, New York City. Copies of contract drawings T-1016 and T-1002 for Felt Pads may be inspected and purchased at the same office. Copies of drawings T-1015 and T-1016, showing the general nature of the Tie Plates desired, may be inspected and purchased at the same office, but bidders for the supply of Tie Plates must submit with their proposals competitive drawings showing the details of the Tie Plates which they propose to furnish, and the drawings so submitted will, if the proposal be accepted, be made part of the contract.

The Ballast is to be bid upon in five separate lots. Four of these lots shall be for approximately ten thousand (10,000) cubic yards each and the fifth lot shall be for approximately twelve thousand (12,000) cubic yards. The first lot (of approximately ten thousand (10,000) cubic yards) is to be delivered between May 1, 1914, and July 1, 1914; the second lot (of approximately ten thousand (10,000) cubic yards) is to be delivered between May 15, 1914 and July 15, 1914; the third lot (of approximately ten thousand (10,000) cubic yards) is to be delivered between June 1, 1914, and August 1, 1914; the fourth lot (of approximately ten thousand (10,000) cubic yards) is to be delivered between July 1, 1914, and September 1, 1914; and the fifth lot (of approximately twelve thousand (12,000) cubic yards) is to be delivered between August 1, 1914, and October 1, 1914; except as provided in the form of contract.

Bidders for Ballast may submit proposals in either of two ways. In the first place a bidder may submit a proposal for supplying any one or more of the separate lots to be delivered as above stated, specifying in his proposal by lot number or numbers the particular lot or lots which he proposes to furnish, in which event such proposal will be considered as for the particular lot or lots so specified and not for any other lot. In the second place a bidder may, without specifying any particular lot or lots, submit a proposal for supplying any one or more lots which the Commission may elect to award to him, in which event the Commission shall have the right to award any of the lots above stated to the successful bidder, and in which event, also, in case any bidder shall propose to furnish more than one lot, the Commission may award the full number of lots which such bidder offers to furnish or any lesser number. In case any bidder shall submit a proposal for supplying any one or more lots without specifying any particular lot or lots to which he desires to restrict his bid, the Commission may award to him any of the lots above stated to be delivered within the periods above named. The award of the contract or contracts, if made, will in any case, however, be made for the lots above described separately.

Ballast is to be either trap rock or hard limestone, and proposals will be received for either kind of Ballast. The award of the contract or contracts, if made for each lot will be for one or the other kind of Ballast as the Commission may in its discretion elect. The Contractor will not have the option under the contract of furnishing either kind of Ballast, but must furnish the kind for which the proposal is submitted and the contract awarded.

Proposals may be submitted for any one or more of the different types of Tie Plates, and the award of the contract or contracts, if made, will be for each type separately.

Bidders for Tie Plates and Felt Pads shall specify in their proposals the rate of delivery and times of first and last delivery of the material. In view of the necessity for prompt deliveries, the times of delivery as set forth in the Contractor's Proposal as well as the prices contained therein will be considered in awarding the contract.

Proposals must be in the form prescribed by the Commission.

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 26th day of March, 1914, at twelve-fifteen (12:15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Every proposal must, when submitted, be enclosed in a sealed envelope endorsed "Proposal for Supplying Track Materials for use in the construction of Rapid Transit Railroads," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal it will be deposited in a sealed box, in which all proposals will be deposited.

Every proposal must be accompanied by a certified check in a sum not less than ten (10) per

centum of the amount of the bid, except that a minimum deposit of two hundred dollars (\$200) will be required with all bids and that a deposit of two thousand dollars (\$2,000) will be sufficient to entitle bidders to bid on any or all of the different materials. Certified checks submitted with proposals must be payable to the order of the Comptroller of the City of New York and must be drawn upon a National or State bank or trust company satisfactory to the Commission and having its principal office in New York City.

Deposits made by bidders whose proposals are not accepted will be returned within five (5) days after the contract is executed and delivered. The deposit of the successful bidder will be returned when the contract is executed and its provisions in respect of the bond or deposit are complied with.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposal.

The right to reject any and all bids is reserved.

INVITATION TO CONTRACTORS.

Part of the Broadway-Fourth Avenue and Eastern Parkway Rapid Transit Railroad.

The Public Service Commission for the First District (hereinafter called "the Commission") invites proposals to construct Section 1-A, of Route No. 12, a part of the Broadway-Fourth Avenue Rapid Transit Railroad and of the Eastern Parkway Rapid Transit Railroad.

The points within The City of New York between which the said part is to run and the route to be followed are briefly as follows:

Section 1-A. Beginning at a point under Flatbush avenue, in the Borough of Brooklyn, about two hundred and seventy-four (274) feet southeast of the northeast corner of St. Mark's avenue and Flatbush avenue, and extending thence as a six-track structure southeasterly under Flatbush avenue to a point about three hundred and fifty (350) feet southeast of the southeast corner of Plaza street and Flatbush avenue, where the structure divides into two separate structures: a four-track structure curving easterly under the Plaza to a point about fifty-five (55) feet north of the southerly line of St. John's place extended, and a two-track structure continuing southeasterly to a point under the Plaza about fifty-five (55) feet north of the southerly line of St. John's place extended.

The Contractor will not be required to provide or lay tracks, ties or ballast, or to do station finish work.

The work under the contract will include the care and support of buildings, vaults, sewers, pipes, railroads and other surface, subsurface and overhead structures, the maintenance of traffic and the restoration of pavements and other surfaces.

The method of construction will be by trench excavation under cover, unless otherwise permitted by the Commission.

Bidders must examine the form of contract and the specifications and contract drawings, must visit the location of the work and inform themselves of the conditions along the line thereof and make their own estimates of the facilities and difficulties attending the execution of the work.

A full description of the work and other requirements, provisions, details and specifications are given in the form of contract and in the contract drawings therein referred to, which are to be deemed a part of this invitation. Copies of the form of contract, contract drawings, bond and contractor's proposal may be inspected and purchased at the office of the Commission, No. 154 Nassau street, Borough of Manhattan, New York City.

Partial payments to the Contractor will be made monthly as the work proceeds.

The Contractor must complete the work within thirty (30) months from the delivery of the contract.

At the time of the delivery of the contract the Contractor must furnish security to the City by depositing a bond, cash or securities in the sum of two hundred thousand dollars (\$200,000). As further security fifteen (15) per centum of the amounts certified from time to time to be due to the Contractor will be deducted until the amounts so deducted and retained shall equal ten (10) per centum of the total estimated amount to be paid to the Contractor under the contract. Thereafter there shall be so deducted and retained for such purpose ten (10) per centum of the amounts certified from time to time to be due to the Contractor.

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 27th day of March, 1914, at twelve-fifteen (12:15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed by the Commission.

A statement based upon the estimate of the Chief Engineer of the commission of the quantities of the various classes of the work and of the nature and extent, as far as practicable, of the work to be found in the schedule in the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City of New York (hereinafter called the "City") on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and form of contract.

Every proposal must, when submitted, be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Route No. 12, Section No. 1-A," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received unless accompanied by a certified check for fifteen thousand dollars (\$15,000) payable to the order of the Comptroller of the City and drawn upon a national or state bank or trust company having its principal office in the City of New York, and satisfactory to the Commission. Such check must not be enclosed in the envelope containing the proposal.

The Unit Prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Deposits made by bidders whose proposals are not accepted will be returned within five (5)

days after the contract is executed and delivered. The deposit of the successful bidder will be returned when the contract is executed and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved.

Notices of Public Hearings.

PUBLIC IMPROVEMENT MATTERS.

PUBLIC NOTICE IS HEREBY GIVEN THAT at the meeting of the Board of Estimate and Apportionment held this day the following communication was received:

To the Board of Estimate and Apportionment of The City of New York:

The Public Service Commission for the First District hereby transmits to your honorable Board for your approval and the approval of the Mayor of the City, as required by law, a certified copy of a resolution adopted by it on the 6th day of March, 1914, determining and establishing a route and general plan of construction for an additional rapid transit railroad in the Borough of Brooklyn in The City of New York, to be known as the Utica Avenue Route.

This route begins at a point in Eastern parkway, between Albany avenue and Troy avenue, where a connection can be made with the Eastern Parkway Line described in the contract dated March 19, 1913, between The City of New York and Interborough Rapid Transit Company, known as Contract No. 3, and thence extends under Eastern parkway, curving into Utica avenue and thence under and along Utica avenue to Flatbush avenue. From the point south of Eastern parkway this route is identical with the route heretofore approved by your honorable Board on September 30, 1910. That portion of the route heretofore approved by your honorable Board north of Eastern parkway is not desired by the abutting property owners, and their opposition led to the refusal of the Appellate Division in the Second Department to approve the former route. The route now adopted is desired by the abutting property owners, and it is probable that consent therefor can promptly be obtained.

Dated New York, March 19, 1914.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cans of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer

in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-ends, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York serves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
