BOROUGH PRESIDENT - MANHATTAN

MEETING

The March Manhattan Borough Board meeting, will be held on Thursday, March 21st, at 8:30 A.M., at 1 Centre Street, 19th Floor South, New York, NY 10007. The Department of City Planning will update the Manhattan Borough Board on the forthcoming Flood Resilience Zoning Text proposal. These recommendations were drawn from lessons learned through the City's recovery efforts after Hurricane Sandy, and were developed based on analysis of resilient construction in the floodplain, as well as community feedback, that was received during an extensive public engagement process as laid out in the Community Outreach Summary document released in 2018. The proposal would make some aspects of the post-Sandy emergency zoning text permanent, and it would also introduce new zoning tools to enhance resilience.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an

Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

NYC HEALTH PLUS HOSPITALS FEMA PROGRAM PROVISION OF CONSTRUCTION CONTRACTOR SERVICES - Request for Qualifications - PIN# 6162-0005 - Due 4-8-19 at 4:00 P.M.

New York City Economic Development Corporation ("NYCEDC"), on behalf of the projects' construction manager ("CM"), is seeking qualified firms for the construction of the Major Work project, at Coney Island Hospital, 2601 Ocean Parkway, Brooklyn, NY 11235.

Due its location, Coney Island Hospital ("CIH") is vulnerable to extreme coastal storms and in October 2012, the facility suffered extensive flood damage because of Superstorm Sandy. Since then, the hospital has temporarily restored the damaged areas and, working with the Federal Emergency Management Agency ("FEMA"), have developed plans to mitigate damage from future storms and flooding.

NYCEDC, as the lead of an interagency team, is now focused on the Major Work project. The construction of the Coney Island Hospital campus project includes the following components:

- Build a new resilient acute care hospital tower to be known as the Critical Services Structure ("CSS");
- Provide on-site parking, Demolition of existing buildings, including Hammett Pavilion, Building 6, and various existing site improvements; Renovation and selective demolition of 60,000 gross sq. feet,
- including portions of the existing Main Building and Tower Building; and
- Build a new permanent flood mitigation structure (s) (e.g. flood wall) around the campus.

NYCEDC has contracted with NBBJ to lead the design effort for all contract documents associated with the Services

Turner/McKissack, a JV has been selected as the CM, and will provide construction management services for the Project, including holding all construction subcontracts.

NYCEDC is seeking qualifications for the following types of construction contractors:

- General Contractors
- Masonry
- Carpentry
- Tile Working
- Flooring
- Windows

The purpose of this RFQ advertisement is specifically to request additional qualified firms for the following bid packages of the project:

- Ornamental Metal and Interior Glazing
- Site Work and Landscaping
- Millwork and Casework
- Tile and Terrazzo and Stone Base
- Resilient and Carpet and Resinous
- Painting/Concrete Sealer
- Window Treatment
- Signage

Those interested in these packages along with the other trades listed above are required to respond to the RFQ as per the schedule noted below. Respondents who do not submit within the outlined timeframe may not be included in the initial packages.

Note: The RFQ will remain open for submissions during the multiple procurement phases of the CIH Major Work Project. NYCEDC will advertise in the City Record when qualifications for a specific subadequate time to respond to the RFQ and have those responses reviewed by the CM to create the pre-qualified list of firms to receive the RFP for the specific sub-project.

If a firm has already submitted qualifications in response to a prior RFQ advertisement and been prequalified, the firm should not

resubmit its qualifications; any firms successfully pre-qualified will remain pre-qualified for all subsequent projects released under the CIH Major Ŵork Project, assuming the firm's compliance with all contract requirements. Similarly, any firms successfully pre-qualified under this RFQ will remain pre-qualified for all subsequent projects released under the CIH Major Work project, assuming contract compliance is maintained.

NYCEDC plans to prequalify firms on the basis of factors stated in the RFQ which include, but are not limited to: the firm's demonstrated experience and expertise in the particular trade for which the firm is submitting its qualifications; the firm's record regarding accidents and lost work days on construction projects; and the firm's resources available for the Projects.

The Services described above will require extensive coordination and collaboration among the Construction Management firm (the "CM") hired by NYCEDC, the other construction trades working within the Project Site and the Project Team.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Womenowned Business Enterprises (MWBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives.

The H plus H Coney Island Hospital Major Work has a Minority and Women-Owned Business Enterprises ("M/WBE") participation goal of 35 percent. Companies who have been certified with the Empire State Development's Division of Minority and Women's Owned Business Development as M/WBE are strongly encouraged to apply to this RFQ. To learn more about M/WBE certification and NYCEDC'S M/WBE program, please visit http://www.nycedc.com/opportunitymwdbe.

Respondents may submit questions and/or request clarifications regarding the RFQ in writing to NYCEDC on an ongoing basis. Questions should be directed to CIHRFQ@edc.nyc. If NYCEDC determines that answers will provide material clarification to the RFQ, questions will be answered within two (2) weeks of receipt and NECKED shall post such answers on the RFC website available through www.nycedc.com/RFP, so as to be available to all respondents. Note that the CM will separately manage the Question and Answer process for each bid package.

Firms responding to multiple trades may submit one comprehensive SO for all trades. Four (4) hard copies of the SO and attachments as well as four (4) jump drives must be submitted to: NECKED, Attention: Maryanne Catalane, Chief Contracting Officer, Contracts.

Detailed submission guidelines and requirements are outlined in the RFC, available as of Tuesday, November 15, 2016. The RFC is available for in-person pick-up between 9:30 A.M. and 4:30 P.M., Monday through Friday, from NECKED.
