LEGISLATIVE DEPARTMENT.

The following communication has been transmitted by the Clerk of the Common Council to the Board of Supervisors :

OFFICE OF THE CLERK OF THE COMMON COUNCIL, No. 8 City Hall, New York, October 22, 1873. To the Honorable the Board of Supervisors of the County of New York :

GENTLEMEN :- On the 12th day of May last you conferred upon me the high honor of electing me Clerk to your Honorable Body, pursuant to the provisions of section 25, chapter 335, laws of 1873, which imposed upon me the onerous and responsible duties of that office, in addition to those devolved on me as Clerk of the Common Council. I was and am truly grateful for this mark of your confidence, and had purposed, to the extent of my ability, faithfully to discharge the duties thus entrusted to me

Subsequently however, and by the provisions of chap. 763, laws of 1873, which authorizes your Honorable Body to appoint your own officers, it became evident to me that the obligations imposed, as Clerk of the Common Council, to perform the duties of Clerk of the Board of Supervisors ceased to exist.

As your Honorable Body has not yet exercised the power thus conferred by the subsequent act above quoted, I have continued to perform the duties of Clerk. I have however regarded my retention of the office as being of uncertain tenure, and perhaps of doubtful propriety without the further action of the Board.

Entertaining these views I deem it my duty to make this statement to your Honorable Body.

I shall however, continue, cheerfully to perform the duties entrusted to me as your clerk, until the Board exercises the perogative of choosing its own officers as provided by said chap. 763, laws of 1873.

I have the honor to be, very respectfully, your obedient servant, J. C. PINCKNEY, Clerk.

The subsidence of two most dreaded kinds of pestilence in the Southwestern States, without extending their ravages very fatally to cities larger than Memphis and Shreveport, is mentioned with gratitude by sanitary officers in numerous other cities and large towns. But the last note from Memphis states that "the fatality of the epidemic there is terrible." demic there is terrible."

It will be noticed that after more than two months cessation of small-pox two fatal cases are now reported. They occurred in adult Germans, who had neglected to be properly protected. The following note from the authorities in charge of the Small-pox Hospital mention the present remarkable exemption from this malady:
