FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
NEW YORK, October 21, 1879.

To the Commissioners of the Sinking Fund:

Section 3 of chapter 383 of the Laws of 1878, provides that the collections of assessments made for certain local improvements shall be paid into the Sinking Fund, as follows, to wit:

"Section 3. All moneys now in the treasury of said city, heretofore collected and received in payment or on account of assessments made and confirmed for local improvements in said city, and all moneys which shall hereafter be collected and received in payment or on account of assessments made and confirmed, or which may be made and confirmed, for local improvements, completed prior to the passage of this act, shall be paid into the said Sinking Fund for the redemption of the City Debt, and the same is hereby, in addition to the revenues and moneys aforesaid, pledged and appropriated to said last-mentioned Sinking Fund for the payment of the bonds and stocks of said city, to be paid and redeemed therefrom as hereinbefore provided."

Section 6 of the same act provides that any portion of the bonded debt of the city, the payment and redemption of which is not otherwise provided for, "may be paid from said Sinking Fund for the redemption of the city debt," when "such payment shall not in any way impair the preferred claims thereon," and provided also "the Commissioners of the Sinking Fund shall deem it to be for the best interests of the city that such payment should be so made."

It is deemed proper that the moneys received from collections of assessments made for local improvements, and paid into the Sinking Fund in pursuance of the foregoing provision contained in section 3 of chapter 383, of the Laws of 1878, shall be applied, as far as practicable, to the payment and redemption of outstanding Assessment Bonds, as they become due. On November 1, 1879, Assessment Bonds become due amounting to \$6,756,800, and on the first day of the present month of October the balance of receipts in the Sinking Fund from assessments completed and confirmed prior to June 3, 1878, under the provision of the said section 3 of the act of 1878, amounted to \$786,977.62.

I recommend therefore, that the Commissioners of the Sinking Fund authorize the payment from the Sinking Fund of \$758,500, for the redemption of Assessment Bonds falling due on November 1, 1879, the remainder of such bonds due on that date to be paid from the proceeds of like bonds issued under the authority of a resolution adopted by the Board of Estimate and Apportionment on September 30, 1879.

DEPARTMENT OF DOCKS.

At a meeting of the Board of Docks, held October 2, 1879.

Present—Commissioners Dimock and Vanderpoel.

On motion, Commissioner Dimock took the chair.

The minutes of the meeting held September 25 were read and approved.

The following communications were received, read, and,

On motion, laid on the table to await action as stated, to wit:

From Engineer-in-Chief—Recommending that the crib-work between Thirty-sixth and Thirty-seventh streets, North river, should be built up to about five feet above mean low water, as in its present condition earth and refuse are constantly being washed into the river. Secretary directed to address a communication to the Police Department, requesting them to advise this Board what action, if any, has been taken by it towards removing the earth and refuse from the above premises, as requested by this Board on 25th ultimo, as it is imperative that action be taken by this Board to protect the water-front from further damage, and that the Secretary request Wm. H. Webb, owner of said water-front, to call at this office in reference to the dilapidated condition of the bulkhead between said streets.

From Board of Commissioners of Pilots—Stating that those in charge of the steamers of the Anchor Line are in the habit of throwing mattresses into the slips at Piers 20 and 21, North river, upon their arrival in port. Secretary directed to request Henderson Brothers, agents of said line, to call upon the Commissioners in relation to the above reported violation of law.

The following communications were received, read, and,

On motion, placed on file, action being taken were necessary, as stated, to wit:

From G. B. Lawton—Stating the necessity for increased wharf accommodation on the North river, between West Eleventh and Fourteenth streets, and requesting that piers be built by this Department at that section of the water front. Secretary directed to advise in reply that this Department is not authorized by law to construct, in that locality, piers of the dimensions claimed by him to be necessary, inasmuch as the established exterior pier and bulkhead line at the point named will not permit of piers being constructed of greater length than about 130 feet.

From New York, New Haven and Hartford Railroad Company—For permission to repair their bulkhead, between Piers 50 and 51, East river. Secretary reported that by direction of the Commissioners, on the 30th ultimo, permission had been granted to said company to repair the premises with the existing lines of the present structure. Action approved.

From Engineer-in-Chief, the following reports:

1st. As to quality of American Portland Cement submitted for test by S. L. Merchant.

2d. Stating that the superintendent of the lessee had made repairs to the surface of Pier 37, East river, and had stated his intention to keep it in serviceable condition until the expiration of his lease on May 1st next. Superintendent McConkey directed to report from time to time as to the condition of said pier.

3d. As to work performed during week ending September 27, 1879.

From Alfred Wagstaff—Recommending the appointment of Thomas Boyle as dockbuilder.

On motion, the application of the Central Railroad Company of New Jersey, for permission to make an extension to the outer end of Pier 14, North river, was taken from the table and placed on file, and the following resolution adopted:

Resolved, That permission be and is hereby granted to the Central Railroad Company of New Jersey, lessees of the southerly side of Pier 14, North river, to drive piles and extend, westerly, the said pier for a distance of about 102 feet for its entire width, say 27 feet, to remain only during the pleasure of this Board, provided that said company shall, within ten days from the date hereof, agree in writing to pay to this Department, as rent for the land lying under water belonging to the city, covered by the said extension, the sum of \$400 per annum, payable quarterly, in advance, from and after November 1, 1879; that before the work is commenced the consent of the owner of the northerly half of said pier to the proposed improvement be filed in this Department, and that the work be done under the supervision of the Engineer-in-Chief of this Department.

On motion, the Engineer-in-Chief was directed to cause the surface of Pier, new 1, North river, to be cleaned, as recommended by Superintendent Smith, and to repair the surface of pier at Third street, East river, several dangerous holes being reported by Superintendent Butler.

A communication was received from the Counsel to the Corporation, inclosing leases, in triplicate, duly approved by him as to form, to the associates of the Jersey Company, of Pier 18 and bulkhead adjoining, North river; and, being examined,

On motion, said leases were approved and the officers of the Board directed to execute the same.

On motion, the following resolutions were adopted, to wit:

Resolved, That Randolph Gardiere be and is hereby appointed Inspector of the Dumping of Dredged Material, at the rate of \$15 per week, and that Effingham V. Smith be and is hereby appointed Timekeeper, at the rate of 30 cents per hour, in place of O. H. Klemm, resigned.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M., of Friday, the 31st day of October, 1879. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate" for Groceries and Provisions, Hardware, etc., and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him, or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department.

ment. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrolment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

County Court-house (Chambers street entrance).
