BOROUGH OF THE BRONX.

MINUTES OF THE LOCAL BOARD OF CHESTER, TWENTY-THIRD DISTRICT.

Pursuant to call by President Haffen, the members of the Local Board of Chester, Twenty-third District, Borough of The Bronx, met in the office of the President of the Borough in the Municipal Building, One Hundred and Seventy-seventh street and Third avenue on July 1, 1909, at 3 p. m.

Present—Alderman Corbett, Alderman Mulligan and the President of the Borough of The Bronx.

Petitions Advertised for Hearings on This Date.

245. Regulating and grading, setting curbstones and flagging sidewalks a space four feet wide, laying crosswalks, building approaches, drains, walls, etc., and erecting fences where necessary in Lacombe avenue, from Bronx River avenue to White Plains road, and all work incidental thereto.

Petition signed by W. P. Beach and five others.

Estimated cost, \$49,500; assessed value of the real estate included within the probable area of assessment is \$398,600.

Title not vested; proceedings initiated by Board of Estimate and Apportionment March 27, 1908, for acquiring title.

No one appeared in opposition. On motion, seconded, it was

Resolved, That proceedings be and the same hereby are initiated for regulating and grading, setting curbstones and flagging sidewalks a space four feet wide, laying crosswalks, building approaches, drains, walls, etc., and erecting fences where necessary in Lacombe avenue, from Bronx River to White Plains road, and all work incidental thereto.

Unanimously adopted.

Resolved, That the Local Board of Chester, Twenty-third District, hereby recommends to the Board of Estimate and Apportionment that said Board fix a date when title will vest in Lacombe avenue, from Bronx River avenue to White Plains avenue, and it hereby suggests that the date be made three months after the authorization of this improvement. Unanimously adopted.

247. Laying out on the map of The City of New York, Mansion street, from Beach avenue to Noble avenue, at a width of 50 feet.

Petition signed by Timothy M. Hartnett, Michael J. Carey, Henry Fullert and about fifty others.

No one appeared in opposition.

James H. Goggin appeared in favor for the property owners, and stated that the owners desired to have the street remain at a width of 50 feet, for the reason that there seems no necessity now or in the future to have the street widened. At the present time there are a number of buildings erected out on the old line. If you widen the street 10 feet, it will impose on the taxpayers unnecessary expense, especially in view of the recent ordinances passed by the Board of Estimate and Apportionment relating to the regulating of widths of streets. If you take off 5 feet on each side on the lots (this street is only five blocks long), if you take off 5 feet on the front of the lots you will practically destroy the entire lots and impose a burden on the property owners. The section seems to be unanimous in desiring to have this remain as a 50-foot street.

Alderman Corbett—Mr. President, I have investigated this thoroughly, and I find that the majority of taxpayers or property owners are in favor of the street being left at the present width of 50 feet, and I move it be sent forward to the Board of Estimate and Apportionment.

Motion withdrawn, as there was no report ready as yet from the Engineer of the Borough.

On motion, seconded, this matter was laid over awaiting report.

239. Regulating and grading, building approaches, drains, walls, etc., and erecting fences where necessary in Throggs Neck boulevard, between the Eastern boulevard and the Shore drive, and all work incidental thereto.

Petition contains the names of Estates Development Company, by Sam. F. Fleisch, manager, and two other corporations, all of No. 16 East Forty-second street.

The petition above referred to was sent to this office by Edward W. Murphy, in a letter dated June 1, 1909.

Opposition noted on pages 117 and 118 of Local Board Minutes of June 17, 1909. Estimates of cost and also three subdivided reports also appear in Minutes of June 17, 1909, page 118.

This matter was referred to Alderman Corbett for report.

Proceedings initiated, but no title vested. No Commissioners are appointed, no proceedings of any kind under way.

Report of Alderman Corbett.

"I have looked through there and find that there is quite a little opposition at present, and I move that this entire matter be laid over."

On motion, seconded, the matter was laid over. Adopted.
