COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 o'clock A. M., on Tuesday, July 30, 1912.

Present—Ardolph L. Kline, Acting President, Board of Aldermen; Edmund D. Fisher, Deputy and Acting Comptroller; Robert R. Moore, Chamberlain, and Henry H. Curran, Chairman Finance Committee, Board of Aldermen.

The Minutes of the meeting held July 17, 1912, were approved as printed.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease of premises No. 368 East 148th street, Borough of The Bronx, for use of the Board of Elections:

July 29, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Board of Elections at a meeting held July 2, 1912, adopted a resolution requesting that a lease be secured of the third floor and the rear third of the basement in the Markey Building, No. 368 East 148th street, south side of street, 120 feet west of 3d avenue, Borough of The Bronx, for the use of said Board for a period from August 1, 1912, to October 1, 1914, at a rental of \$1,000 a year, payable quarterly, the owner to pay taxes and water rates, supply heat, light and janitor service, and elevator service at all times up to 12 o'clock midnight, and also to make all repairs.

These premises are to take the place of the premises now occupied by the Board of Elections at 138th street and Mott avenue, Borough of The Bronx, part of which building is to be torn down for the subway improvement.

The Markey Building is a new 7-story and basement, fireproof loft building, 25 by 108 feet, on a lot 25 by 113 feet. It has electric light, steam heat, toilets and water. The third floor has a net floor space of 2,100 square feet, and the owner also gives 844 square feet of storage space in the rear part of basement, rent free.

The rental is therefore 48 cents per square foot for the third floor, with the free use of 844 square feet for storage in the rear part of basement.

For comparison, other floors in this building rent for \$900 a year each, without light or janitor service or any basement space.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the third floor, with 844 square feet in the rear part of the basement for storage purposes, in the Markey Building, No. 368 East 148th street, Borough of The Bronx, for use of the Board of Elections, for a term of twenty-six months from August 1, 1912, to October 1, 1914, at a rental of \$1,000 a year, payable quarterly, the lessor to complete said premises by finishing the walls in sand finish and painting them, the woodwork to be the same as now installed on the first floor of said building. The lessor also to place electric light fixtures as required; to erect a partition across the said floor at a point to be determined; to have all the work completed within two weeks after occupancy; to pay taxes and water rates, furnish heat, light and janitor service and elevator service at all times up to 12 o'clock midnight, and to make all inside and outside repairs. Lessor, George W. Markey, Jr., No. 368 East 148th street, Borough of The Bronx. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from George W. Markey, Jr., of the third floor, with 844 square feet of space, in the rear part of the basement, for storage purposes, in the Markey Building, No. 368 East 148th street, Borough of The Bronx, for use of the Board of Elections, for a term of twenty-six months from August 1, 1912, to October 1, 1914, at a rental of one thousand dollars (\$1,000) a year, payable quarterly; the lessor to complete said premises by finishing the walls in sand finish and painting them, the woodwork to be the same as now installed on the first floor of said building; the lessor also to place electric light fixtures as required, to erect a partition across the said floor at a point to be determined, to have all the work completed within two weeks after occupancy, to pay taxes and water rates, furnish heat, light and janitor service, and elevator service at all times up to 12 o'clock midnight, and to make all inside and outside repairs, and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises used as a corporation yard on West 123d street, between Morningside and Amsterdam avenues, in the Borough of Manhattan, for use of the President of the Borough of Manhattan:

July 30, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication from W. R. Patterson, Esq., Assistant Commissioner of Public Works, under date of July 29, 1912, requesting a renewal of the lease of premises situated on the northerly side of 123d street, between Morningside avenue and Amsterdam avenue, Borough of Manhattan, for a period of one year from August 31, 1912, the date of the expiration of the present tenancy.

A request for a renewal of this lease for one year from July 1, 1911, at the same rental as now asked, \$9,000 a year, was reported upon favorably by the Comptroller after an examination in a communication addressed to the Commissioners of the Sinking Fund under date of March 28, 1911, and said report was approved and renewal of lease authorized by the Commissioners of the Sinking Fund at a meeting held March 29, 1911.

It will be noted that while the lease called for a renewal from July 1, 1911, for a period of one year, the request of the Assistant Commissioner of Public Works is for a period of one year from August 31, 1912. This difference of two months is occasioned by the fact that under date of June 12, 1912, the Commissioners of the Sinking Fund adopted a resolution at the request of the Department of Public Works for a continuance of said lease for a period two months without the necessity of entering into a lease, making the expiration of the lease as of August 31, 1912.

Under date of June 26, 1912, the Commissioners of the Sinking Fund adopted a resolution assigning to the President of the Borough of Manhattan, for use as a corporation yard, certain property owned by the City and located on the westerly side of Lexington avenue, between East 131st and East 132d streets, Borough of Manhattan. This plot, it would appear from the letter herewith, will be required for the temporary use of the contractor for the construction of the Harlem River Tunnel of the Lexington Avenue Subway, and which will necessarily deprive the Department of Public Works of the use of the premises so assigned. In this contingency it will be necessary to provide for a continuance of the lease of the present quarters as a corporation yard for a term of one year. Statement is made in said communication that the attorneys for the owners are willing to renew the lease on the same terms and conditions as existing in the present lease.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease to the City of the plot of ground with the buildings and sheds erected thereon, in the Borough of Manhattan, bounded and described as follows:

Beginning at a point on the northerly line of West 123d street, distant 100 feet westerly from the corner formed by the intersection of said northerly line of West 123d street with the westerly line of Columbus or 9th avenue, now known as Morningside avenue; from thence running northerly and parallel with said Columbus or Morningside avenue 75 feet more or less to land formerly belonging to Clinton Molanaor; thence north 32 degrees, 35 minutes west along said land of Molanaor to the centre line of the block between West 123d and West 124th streets; thence westerly along said centre line of the block 369 feet more or less to a point on said centre line distant 275 feet easterly from the

easterly line of Amsterdam avenue (formerly 10th avenue); thence southerly and parallel with Amsterdam avenue 100 feet 11 inches to the northerly line of West 123d street; thence easterly along said last mentioned line 425 feet to the point of beginning.

—for use of the President of the Borough of Manhattan, as a corporation yard, for a term of one year from August 31, 1912, at an annual rental of \$9,000, payable quarterly, the lessor to pay taxes and water rates; said lease to contain a clause whereby the same may be cancelled upon ninety days' notice given by either party. Lessor, Curtis B. Pierce, as sole executor of the estate of Mary G. Pinckney, deceased. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Curtis B. Pierce, as sole executor of the estate of Mary G. Pinckney, deceased, of the plot of ground, with buildings and sheds erected thereon, in the Borough of Manhattan, bounded and described as follows:

Beginning at a point on the northerly line of West 123d street, distant 100 feet westerly from the corner formed by the intersection of said northerly line of West 123d street with the westerly line of Columbus or 9th avenue, now known as Morningside avenue; from thence running northerly and parallel with said Columbus or Morningside avenue 75 feet more or less to land formerly belonging to Clinton Molanaor; thence north 32 degrees, 35 minutes west along said land of Molanaor to the centre line of the block between West 123d and West 124th streets; thence westerly along said centre line of the block 369 feet more or less to a point on said centre line distant 275 feet easterly from the easterly line of Amsterdam avenue (formerly 10th avenue); thence southerly and parallel with Amsterdam avenue 100 feet 11 inches to the northerly line of West 123d street; thence easterly along said last mentioned line 425 feet to the point of beginning.

—for use of the President of the Borough of Manhattan as a corporation yard, for a term of one year from August 31, 1912, at an annual rental of nine thousand dollars (\$9,000), payable quarterly; the lessor to pay taxes and water rates; said lease to contain a clause whereby the same may be cancelled upon ninety days' notice given by either party; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an assignment of the old Town Hall on 86th street, in the Borough of Brooklyn, to the Department of Street Cleaning:

July 30, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your honorable Board under date of July 22, 1912, requests that the premises owned by the City on the north side of 86th street, 169 feet east of Fort Hamilton avenue, and known as the old Town Hall of New Utrecht, Borough of Brooklyn, be turned over to his Department for the purpose of constructing a stable thereon. He says that the building on this plot is at present in an untenable condition, but that the foundations are in good condition, and with the strengthening of the foundations and constructing a second floor after demolishing the present building, it would serve his purpose temporarily, as the location is central, and a stable at this point would mean a great saving in haul to the Department carts.

The premises known on the tax books as Lot 99 in Block 6037, Section 18, consist of a plot of land 100 feet front on 86th street by 136 feet 9 inches by 102 feet 7 inches by 161 feet. The present building is in an untenable condition.

The Committee on Vacant Lands reported regarding this property, recommending that it be leased for five years, but up to the present time the Bureau of City Revenue and Markets has been unable to find a tenant. That Bureau is now advertising a lease for five years from August 1, at an upset price of \$400 a year, bids to be opened at 11 a. m. Tuesday, July 30, 1912.

The nearest present street cleaning stable is stable "F" in 67th street, near 18th avenue. The City pays \$1,200 a year for the land only, the lease expiring August 15, 1916. Most of the buildings were erected by the City. This stable has sixty-nine horses and covers Bay Ridge, Dyker Heights, Bensonhurst, Fort Hamilton and Coney Island. It is located a hauling distance about three miles from the proposed stable in 86th street. At stable F the carts now average only three and three-eighths loads daily, because of the necessary long hauls.

It is the intention, if the property in 86th street is turned over to the Street Cleaning Department, to erect a 1-story stable to accommodate forty horses. That stable would cover the Bay Ridge, Dyker Heights, Bensonhurst and Fort Hamilton Districts, and stable F, with twenty-nine horses, would cover Bath Beach and Coney Island until the expiration of the lease in 1916, and both stables would then be able to average five loads a day for each cart. This, Deputy Commissioner Scott of Brooklyn states, would mean a saving to the City of \$25 a day. Under these circumstances it would seem inadvisable for the City to lease the property at 86th street at a low rental, if it can be leased at all, when it can be used to advantage by the Department of Street Cleaning.

I therefore respectfully recommend that the resolution of your Board adopted March 13, 1912, authorizing the leasing of the property in 86th street above mentioned be rescinded, and that the property be turned over to the Department of Street Cleaning for the purpose of erecting a stable thereon. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held March 13, 1912, authorizing a sale of the lease of the old Town Hall of New Utrecht, situated on the north side of 86th street, 169 feet east of Fort Hamilton avenue, Borough of Brooklyn, be and the same is hereby rescinded.

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign the property known as the old Town Hall of New Utrecht, situated on the north side of 86th street, 169 feet east of Fort Hamilton avenue, in the Borough of Brooklyn, and described on the tax books as Lot 99 in Block 6037, Section 18, to the Department of Street Cleaning.

The report was accepted and the resolutions severally adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the payment of rent of rooms in the Stewart Building, 280 Broadway, Borough of Manhattan, occupied by the Change of Grade Damage Commission:

July 29, 1912.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—I am in receipt of a communication to the Commissioners of the Sinking Fund dated July 11, 1912, from the Clerk to the Change of Grade Damage Commission, requesting that an appropriate resolution be passed authorizing the payment of rent of offices occupied by them in the Stewart Building, for the period from May 1, 1911, to May 1, 1912.

The Commission is now occupying Rooms 223 and 224 on the fifth floor of this building, the rent of which is \$1,300 per annum. Prior to May 1, 1911, they occupied Rooms 217 and 219 on the same floor, and on May 1, 1912, they changed to Rooms 223 and 224 in order to allow the Finance Department to take possession of Rooms 217 and 219.

On March 8, 1911, the Commissioners of the Sinking Fund authorized the payment of \$975, being the amount of rent due for Rooms 217 and 219 for the period from May 1, 1910, to February 1, 1911; and on June 28, 1911, the Commissioners of the Sinking Fund authorized the payment of \$325, being the amount of rent due for the same rooms from February 1, 1911, to May 1, 1911.

Rooms 223 and 224 contain an area of 1,093 square feet, and the rate per square foot is \$1.19.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment to Edward D. Harris, as receiver for Felix Isman, Incorporated, without the necessity of entering into a lease, of the sum of \$1,300, the amount due for the occupation of Rooms 223 and 224 on the fifth floor of the Stewart Building, No. 280 Broadway, Borough of Manhattan, by the Change of Grade Damage Commission, for the period from May 1, 1911, to May 1, 1912.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Edward D. Harris, as receiver for Felix Isman, Incorporated, without the necessity of entering into a lease, the sum of thirteen hundred dollars (\$1,300), being the amount of rent due for occupation by the Change of Grade Damage Commission, of Rooms 223 and 224, on the fifth floor of the Stewart Building, No. 280 Broadway, Borough of Manhattan, for a period from May 1, 1911, to May 1, 1912.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

A petition signed by F. T. Mitt, Jr., 149 Willow street, Brooklyn, and others, objecting to the closing of the Wall Street Ferry on July 27, and requesting that action be taken to keep the line in commission, was received and referred to a select committee, consisting of the Comptroller, Chamberlain and President of the Board of Aldermen.

Adjourned.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in full of the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary workmen or workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all loose sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in

the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all the materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless, The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beams, holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department, and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a Department, chief of a Bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement, to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
