November 15, 1913.

Hon. ARDOLPH L. KLINE, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—I beg to recommend that a resolution be adopted by the Commissioners of the Sinking Fund, approving of and consenting to the execution of the Commissioner of Docks of a lease to the Lehigh Valley Railroad Company of the following described property:

The lessee shall have the use of the entire surface of the pier, comprising an area of 24,653 square feet, but shall not have the right to tie up or berth boats or occupy the inshore 75 feet on the northerly side of the pier.

*Parcel "B."*

Beginning at a point in the existing bulkhead wall where the same is intersected by the northerly side of Pier (new) 5; running thence southerly and along said bulkhead wall a distance of 143.25 feet; running thence easterly inshore and at right angles to the existing bulkhead wall a distance of 9 feet; thence northerly and parallel with the first described course, a distance of 136.5 feet, more or less, to a point in the easterly prolongation of the northerly side of Pier (new) 5; running thence westerly and along the easterly prolongation of the northerly side of said Pier (new) 5 a distance of 11.25 feet to the point or place of beginning, comprising an area of 1,259 square feet.

*Parcel "C."*

Beginning at a point in the existing bulkhead wall where the southerly side of Pier (new) 5 intersects the same; running thence westerly and along the southerly line of Pier (new) 5 a distance of 27 feet; running thence southerly and at right angles with the southerly side of Pier (new) 5 a distance of 84 feet; running thence easterly and at right angles to the last mentioned course to an intersection with a line drawn at right angles to the bulkhead line at a point distant 68.25 feet southerly from the southerly side of Pier (new) 5, measured along the bulkhead wall; running thence easterly to the point or place of beginning, comprising an area of 3,994 square feet.

The lease shall begin ninety days after the execution thereof by the Commissioner of Docks and shall continue for a term of ten years, with privilege of renewal for a further term of ten years.

The rental for the first term shall be \$15,000 per annum, and for the renewal term at an advance of 10 per cent.

The Company shall have the right to erect upon parcel "C" a pile platform, and shall also have the right to erect upon parcels "B" and "C" and upon the entire surface of said Pier 5 sheds for the protection of freight in transit, said platform and sheds to be constructed in accordance with plans and specifications to be submitted to and approved by the Chief Engineer of this Department and the work is to be done under his direction and supervision, all of said platform and sheds to revert to and become the property of the City at the expiration or sooner termination of the lease, or any renewal thereof, it being understood and agreed that the company will surrender and agree to the cancellation of the indenture made the 8th day of August, 1911, by and between The City of New York, by the Commissioner of Docks, party of the first part, and the Lehigh Valley Railroad Company, leasing a portion of Pier 5, the upland and land under water adjacent thereto.

The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now in use by the Department of Docks and Ferries, a copy of which may be seen and examined at the office of the Department, Pier "A," foot of Battery place, North River, Borough of Manhattan.

Yours respectfully, R. A. C. SMITH, Commissioner of Docks.  
Memorandum in Relation to Proposed Lease to Lehigh Valley Railroad Company of Pier 5, the Bulkhead Platform and Land Under Water Adjoining.

This company has a lease of a portion of the southerly side, inner end, of Pier (new) 5, the bulkhead and land under water for platform adjoining for a term of ten years from August 1, 1921, with one renewal term of ten years, at rental of \$5,000 per annum.

The portion of the pier now leased by the railroad company contains an area of 7,365 square feet, and the bulkhead platform 2,541 square feet, making a total of 9,906 square feet.

The entire pier contains an area of 24,653 square feet, and the platform, parcel "C," 3,994 square feet, making a total of 28,647 square feet, or almost three times as much as it now occupies.

The proposed rental of pier, bulkhead and platform of \$15,000 is made up as follows:

739 linear feet of wharfage on the pier, at \$16 per linear foot ..... \$11,824 00

68¼ feet of bulkhead, at \$15 per linear foot ..... 1,023 75  
3,994 square feet of platform, at 25 cents per square foot ..... 998 50

Or a total of ..... \$13,846 25

—or say, in round figures, fifteen thousand dollars per annum.

Sixteen dollars per linear foot for wharfage room is the rate that has been charged railroad companies for berths in the Wallabout Basin and this rate has been applied in the present instance.

The lessee will be at a considerable expense in removing the present shed on the pier and platform erected only two years ago and rebuilding an entirely new structure on the property which it is now proposed to lease to them. In view of this fact I think that twenty years will be a short enough time to amortize the cost.

I might add that the wharfage received from the portion now proposed to be leased is as follows:

1911 ..... \$2,159 88  
1912 ..... 1,577 32

Yours respectfully,

CHARLES J. FARLEY, Deputy Commissioner.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

The lease is to further provide that the company will surrender and agree to the cancellation of the indenture made on the 8th day of August, 1911, by and between The City of New York, by the Commissioner of Docks, party of the first part, and the Lehigh Valley Railroad Company, leasing a portion of Pier 5, the upland and land under water adjacent thereto.

The remaining terms and conditions of the lease shall be similar to those contained in all leases of all property now in use by the Department of Docks and Ferries.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The following communication was received from the Commissioner of Docks requesting approval of a lease of a portion of the bulkhead and upland in marginal street in the vicinity of Pier 65, North River, to the Hamburg American Line:

Department of Docks and Ferries, City of New York, October 24, 1913.

Hon. ARDOLPH L. KLINE, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting of the Commissioners of the Sinking Fund held May 21, 1913, a resolution was adopted approving of and consenting to the execution by the Commissioner of Docks of a lease to the Hamburg American Line of that part of the marginal wharf, street or place extending from the southerly side of Pier 65 to the centre line of the bulkhead between Piers 64 and 65, North River, and extending inshore a distance of 50 feet, with the right to erect a shed thereon; the lease to commence on the date on which the lessee commences the construction of a shed thereon, provided that the construction work is started on or before October 15, 1913. In the event of the company not starting the construction of such shed on or before October 15, 1913, the resolutions adopted on March 19, 1913, and May 21, 1913, are void and of no effect.

The company up to the present time has not commenced the construction of the shed, but has made an application for a lease of a portion of the bulkhead north of Pier 65, together with a portion of the marginal wharf, street or place adjacent thereto and have requested that the property south of Pier 65, North River, the lease of which was approved by the Commissioners of the Sinking Fund on May 21, 1913, and the property now applied for be combined in one lease.

I beg to recommend that the Commissioners of the Sinking Fund approve of and consent to the execution by the Commissioner of Docks of a lease to the Hamburg American Line of the following described property:

*Parcel "A."*

Beginning at the intersection of the northerly side of Pier 65, North River, with the established bulkhead line, running thence southerly along the established bulkhead line 184.6 feet more or less to the centre line of the slip between Piers 64 and 65; thence easterly and parallel with the side lines of Pier 65 to an intersection with a line drawn parallel with and 50 feet, measured at right angles thereof, and easterly from the established bulkhead line; thence northerly along said parallel line to an intersection with the easterly prolongation of the northerly side of Pier 65;

thence westerly along the easterly prolongation of the northerly side of Pier 65, to the point or place of beginning.

*Parcel "B."*

The bulkhead beginning at the northerly side of Pier 65, near the foot of West 25th street, North River, and extending northerly a distance of 102.84 feet, together with the entire use of one-half of the waters of the slip adjoining the north side of Pier No. 65.

*Parcel "C."*

Beginning at a point in the bulkhead line established by the Department of Docks in 1871, where the northerly line of Pier 65 intersects the same; running thence northerly and along said established bulkhead line a distance of 90 feet; running thence easterly and parallel with the northerly side of Pier 65 to a point distant 50 feet from the aforesaid bulkhead line, measured at right angles thereto; running thence southerly and parallel with the aforesaid bulkhead line to the intersection of the easterly prolongation of the northerly side of Pier 65; running thence westerly and along the easterly prolongation of the northerly side of Pier 65 to the point or place of beginning.

The lease of Parcel "A" shall commence on the date on which the Hamburg-American Line commences the construction of a shed on the said premises, and in case such construction work is not commenced on or before July 1, 1914, the lease shall commence on that date.

The lease of Parcel "B" shall commence on the first day of the month next succeeding the date upon which this lease shall be approved by the Commissioners of the Sinking Fund or as soon thereafter as the Baltimore & Ohio Railroad Company shall surrender the lease now held by said company of the bulkhead between Piers Nos. 65 and 66, North River, but in any event shall begin not later than July 1, 1914.

The lease of Parcel "C" shall commence on the same date as Parcel "B," unless the lessee commences the work of construction before such date, and in such case the lease shall begin on the date the work of construction is commenced.

The leases of Parcels "A," "B" and "C" shall terminate August 1, 1921, with privilege of renewal for a further term of ten years upon three months' notice in writing to the Commissioner of Docks prior to the expiration of the first term.

The rental for the first term shall be as follows:

Parcel "A," per annum.....	\$1,258 12
Parcel "B," per annum.....	3,085 20
Parcel "C," per annum.....	618 75

Total, per annum..... \$4,962 07

The rental for the second or renewal term, unless agreed upon between the lessee and the Commissioner of Docks, with the approval of the Commissioners of the Sinking Fund, shall be fixed as follows:

Not less than three months prior to the expiration of the first term of the lease the Commissioner shall appoint a person to act on his behalf as arbitrator and the company shall also appoint a person as arbitrator, and the arbitrators so appointed shall determine upon a fair and reasonable amount to be paid as rental hereunder during the period covered by such adjustment. In case the arbitrators are unable within thirty days from the date of their appointment to agree as to the amount so to be paid as rental, they shall appoint a third person to act as umpire, and if they are unable to agree within five days upon such umpire, then, at the request of either of the parties to said lease, he shall be appointed by the presiding Justice of the Appellate Division, First Department, and the decision of two of the said persons so selected shall be conclusive and binding upon both parties to the lease; but in no case shall said rental to be paid be less than an advance of ten per cent. (10%) of the rental for the first term.

The lessee shall have the privilege of erecting a shed upon the areas above described as Parcels "A" and "C," in accordance with plans and specifications to be submitted to and approved by the Chief Engineer of the Department of Docks and Ferries and the Municipal Art Commission, said shed to revert to and become the property of The City of New York at the expiration or termination of the lease or renewal thereof.

The lease to contain a provision that it may be cancelled upon three months' notice in writing, if the Commissioner determines that the premises are required by the City for the prosecution of work according to any plan or plans for the improvement of the water-front now adopted or approved, or which may hereafter be adopted and approved, and pursuant to any existing or future law, or that the premises are required for terminal facilities or equipment thereof, under the provisions of chapter 776 of the Laws of 1911, or any amendment thereof.

In case the interest of the lessee in Parcels "A" and "C" shall be terminated for any of the reasons herein specified, then The City of New York shall reimburse the lessee for the cost of the shed on the area, the lease of which is thus terminated, less depreciation; for the purpose of ascertaining the cost thereof the lessee shall file in the office of the Department of Docks and Ferries a sworn statement of the amount of money expended for the construction of said sheds, and if such amount shall be approved by the Commissioner of Docks, such amount shall be fixed and determined upon as the cost of said structure for the purpose of the lease; from such amount there shall be deducted as depreciation at the rate of five (5) per cent per annum for each year or part of a year which shall elapse from the time of the commencement of the lease to the time of the termination thereof.

The remaining terms and conditions of the lease shall be similar to those contained in the leases of wharf property now in use by the Department of Docks and Ferries, a copy of which may be seen and examined at the office of the Department, Pier A, foot of Battery place, North River, Manhattan. Yours very truly,

R. A. C. SMITH, Commissioner of Docks.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the designation of space in the Bronx Court House at 161st street and 3d avenue, Borough of The Bronx, for use of the Court of Special Sessions.

November 25, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—On November 5, 1913, the Commissioners of the Sinking Fund authorized a lease of 5,500 square feet of space on the top floor of the Bergen Building, located on the southeast corner of Arthur and Tremont avenues, Borough of The Bronx, for the use of the Court of Special Sessions, for a period from January 1, 1914, to July 1, 1917, at an annual rental of \$4,125, payable quarterly. This resolution was rescinded on November 19, 1913.

Arrangements have been made with the Surrogate of Bronx County, whereby the Court room included in the space which was assigned to him in the Bronx Court House, can be used by the Court of Special Sessions on two days in each week, such days to be determined upon between the Surrogate and the Chief Justice of the Court of Special Sessions; providing such use does not interfere with the proper conduct of the Surrogate's Court. This arrangement is agreeable to the Justices of the Court of Special Sessions and the Surrogate.

In addition to this space, the Court of Special Sessions will also require 1,323 square feet of space on the ground floor. The most convenient portion to assign to this Court is the northwest corner thereof.

I therefore respectfully recommend that the Commissioners of the Sinking Fund designate for the use of the Court of Special Sessions, 1,323 square feet of space on the northwest corner of the ground floor of the Bronx Court House, located at 161st street and 3d avenue, Borough of The Bronx, and that the Court room on the third floor of the same building which has already been designated for the use of the Surrogate of Bronx County, be also designated for the use of the Court of Special Sessions for two days in each week, from January 1, 1914, which days are to be agreed upon between the Surrogate and the Chief Justice of the Court of Special Sessions; it being understood that if at any time the Surrogate finds the use of said Court room by the Court of Special Sessions detrimental to or interfering with the conduct of his Court, other quarters will be assigned by the Commissioners of the Sinking Fund. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That, pursuant to law, the Commissioners of the Sinking Fund hereby designate, for use of the Court of Special Sessions 1,323 square feet of space on the northwest corner of the ground floor of the Bronx Court House, located at 161st street and 3d avenue, Borough of The Bronx, and that the Court room on the third floor of the same building, which has already been designated for the use of the Surrogate of Bronx County, be and is hereby also designated for the use of the Court of Special Sessions for two days each week, from January 1, 1914, which days are to be agreed upon between the Surrogate and the Chief Justice of the Court of Special Sessions; it being understood that if at any time the Surrogate finds the use of said court room by the Court of Special Sessions, detrimental to or interfering with the conduct of his court, other quarters will be assigned by the Commissioners of the Sinking Fund.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the designation of newspapers in which to advertise the Bronx Court House as the place for the holding of the County Court, Surrogate's Court and Supreme Court, Borough of The Bronx, on and after January 1, 1914:

November 26, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—On November 19, 1913, the Commissioners of the Sinking Fund designated space in the Bronx Court House at 161st street and 3d avenue, Borough of The Bronx, as the place for the holding of the County Court, Surrogate's Court and the sittings and Terms of the Supreme Court, on and after January 1, 1914.

On the same date a further resolution was adopted instructing the Secretary of the Commissioners of the Sinking Fund to cause notices to be inserted in the proper newspapers as to the places designated for the different offices of Bronx County as required by law.

Chapter 548 of the Laws of 1912, which creates the Bronx County, provides that the Clerk of the Commissioners of the Sinking Fund shall cause a notice of the designation of the place or places of the holding of the County Court, Surrogate's Court and the Supreme Court to be published in such newspapers printed and published in Bronx County, and in such a manner and for such a term as the Commissioners of the Sinking Fund shall direct.

I therefore respectfully recommend that the Commissioners of the Sinking Fund direct the Secretary to cause notices to be inserted in the following newspapers on the dates mentioned below:

"North Side News," from December 1 to 31, 1913, inclusive (exclusive of Sundays and Holidays).

"Bronx Home News," December 4, 11 and 18, 1913, inclusive.

"Bronx Record and Times," November 29, December 6, 13, 20 and 27, 1913, inclusive.

"Westchester Globe," November 29, December 6, 13, 20 and 27, 1913, inclusive.

"Bronx County Progressive," November 29, December 6, 13, 20 and 27, 1913, inclusive.

"Bronx Star," November 29, December 6, 13, 20 and 27, 1913, inclusive.

—of the designation by the Commissioners of the Sinking Fund on November 19, 1913, of the space in the Bronx Court House, at 161st street and 3d avenue, Borough of The Bronx, for the use of the County Court, Surrogate's Court and the sittings and Terms of the Supreme Court, on and after January 1, 1914.

Respectfully, DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Note—At this point his Honor the Mayor arrived, and the following matters on the calendar requiring a unanimous vote were then considered:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a proposition of the Union Ferry Company of New York, for a settlement of franchise and wharfage claims existing between the City and the Ferry Company:

November 22, 1913.

*To the Honorable Commissioners of the Sinking Fund, City of New York:*

Gentlemen—The Union Ferry Company of New York and Brooklyn, heretofore operating the Wall, Catherine, Fulton, South and Hamilton ferries, the two first named being discontinued in July, 1912, has submitted through its attorney, Mr. George P. Hotelling, the following proposition to settle in full the claims in dispute existing between the ferry company and the City:

"Proposed Plan of Settling the Disputed Claims of the City Against the Ferry Company and of the Ferry Company Against the City."

"The Ferry Company to pay 2 per cent. of the gross ferriages to date and also to pay seven thousand five hundred dollars (\$7,500) cash in full of all claims for rents, etc., to date, the company also to release to the city the claim of over forty-two thousand dollars (\$42,000) for rentals paid by mistake for Wall street and Atlantic avenue, such payments and releases to be in full settlement of all claims to date."

"The Ferry Company to operate the Fulton, Atlantic Avenue and Hamilton Avenue ferries, including the City property used in connection therewith, for one year with the option to the company of two renewals of two years each on the same terms, the company to pay the City for franchise, rentals, etc., 2 per cent. of the gross receipts from ferriages."

"The City not to interfere with the rates of fare charged nor operate or grant any franchise to operate a ferry on the East River which shall in any way compete with the ferries of the Union Ferry Company as now operated by it; the company to have the option, in case the rates of ferriage are lowered by any authority whatever, or in case the Ferry Company is brought under the jurisdiction of the Public Service Commission, to cancel the lease or any renewal thereof.

"The foregoing is without prejudice in any way."

The terms of the proposed settlement are in the nature of a consideration for the City further leasing, to the Union Ferry Company of New York and Brooklyn, the franchise to operate the Fulton, South and Hamilton ferries for a period of one year, with two optional renewals for further terms of two years each, at an annual rental of a sum equal to 2 per centum of the gross receipts.

The present rental controversy between this company and the City has existed since 1909. Many conferences have been held during this period between the representatives of the contending parties in an endeavor to effect a settlement. A report dated January 18, 1912, containing a full discussion of the several items in dispute and a history of the company's affairs was submitted to the Commissioners of the Sinking Fund at its meeting held January 24, 1912, by a select committee of your Honorable Board, consisting of the Comptroller, Chamberlain and Chairman of the Finance Committee of the Board of Aldermen.

The facts concerning the matters in dispute are briefly as follows:

The Union Ferry Company of New York and Brooklyn, for the privilege of operating the five ferries hereinbefore mentioned, paid to the City a franchise rental of two (2) per centum of its gross receipts, besides wharfage rentals of \$2,000 per annum for the use of a strip of land at the foot of Atlantic avenue, Brooklyn (property of the City of Brooklyn prior to consolidation), and \$9,000 per annum for the use of property at the foot of Wall street, Manhattan. The franchise rental was paid by the company from November 1, 1904, until November 1, 1909, the wharfage rental on Atlantic avenue, Brooklyn, was paid to the City since consolidation (January 1, 1898), and the wharfage rental on Wall street property from May 12, 1905, when the City acquired title to the property. The company ceased payment of these wharfage rentals August 1, 1909.

The following represents the company's arrearages to the City for franchise and wharfage rentals:

Arrearages of Franchise Rentals.	
From November 1, 1909 to October 31, 1910.....	\$15,903 19
From November 1, 1910 to October 31, 1911.....	14,365 22
From November 1, 1911 to October 31, 1912.....	13,540 98
From November 1, 1912, to October 31, 1913.....	12,007 81
	\$55,817 20

Quarterly rental due July 31, 1913.....	500 00
Quarterly rental due October 31, 1913.....	500 00
	\$35,500 00

Note—The reduction in wharfage rental subsequent to July 31, 1912, is due to abandonment of property at Wall street by the Ferry Company and proposed utilization of the premises by the City for wharfage purposes.

In full settlement of the City's claim for franchise rental amounting to \$55,817.20 (this amount subject to verification) and wharfage rentals of \$35,500, as shown above, the ferry company offers the full amount of the franchise rental (\$55,817.20) also the sum of \$7,500 for wharfage rentals and the cancellation of its claim, which it computes as exceeding \$42,000 against the City for payments made, as it contends by mistake, as rent of \$2,000 per annum on Atlantic avenue, Brooklyn, property, and \$9,000 per annum rent on Wall street, Manhattan, property, maintaining that property owned by the City and necessary in the operation of these ferries is subject to no special rental charge, but is included in the franchise rent of two per centum of the gross receipts. As a further consideration, the company will execute a lease for the further operation of the three ferries as specified, and pay an annual rental of a sum equal to two per centum of the gross receipts with the provision that the City will not interfere with the rates of fare now charged, nor operate or grant any franchise to operate a ferry on the East River which shall in any way compete with the ferries of the Union Ferry Company as now operated by it; the company to have the option, in case the rates of ferriage are lowered by any authority whatever, or in case the ferry company is brought under the jurisdiction of the Public Service Commission, to cancel the lease or any renewal thereof.

Following the submission of the company's offer of settlement, a conference was arranged by this department between the attorney for the ferry company and Assistant and Acting Corporation Counsel, Mr. Louis H. Hahlo. The Corporation Counsel has been holding in abeyance actions instituted against the ferry company for the payment of these rentals, awaiting the result of pending negotiations. After a thorough discussion of the matter at the conference, the Acting Corporation Counsel said he could see no objection from a legal standpoint to a settlement of the controversy on the lines proposed by the ferry company, if the Comptroller determines it to be for the best interest to the City.

The resolution adopted by your honorable Board at its meeting held January 24, 1912, transmitted with the report of the select committee hereinbefore mentioned, was in effect a rejection of the ferry company's previous proposition for cancellation of the City's claims.

It is apparent that the opening of bridges and subways, with the abolition of tolls on the former, and the increasing use of motor propelled vehicles have materially reduced the traffic, both passenger and vehicular, on these ferries. The Wall and the Catherine street ferries, at one time highly profitable ventures, were discontinued in July, 1912, because, as the company claims, they were no longer self-sustaining and their operation entailed substantial loss. An examination made of the company's books in 1911 by this department substantially confirms this statement.

The company submits that this proposition for settlement is its best offer. To reject it would possibly mean extended law suits with uncertain results, besides, what is of more importance, an acceptance would mean a continuance of the operation of these ferries, the company at different times having threatened a discontinuance, the happening of which would unquestionably affect the convenience and welfare of the public, as well as the interests of many mercantile and industrial establishments who use the ferries.

In view of the foregoing, I would recommend that the Commissioners of the Sinking Fund approve the proposition as hereinbefore set forth, submitted by the Union Ferry Company of New York and Brooklyn, relative to the settlement of the franchise and wharfage rental claims existing between the City and the ferry company, provided that the company pays in addition to the amounts herein set forth, accrued interest upon the arrearages of franchise rental computed in quarterly periods at the rate of five (5 per cent.) per centum per annum, and for the further consideration that the company execute a lease for the operation of the aforesaid ferries upon the terms and conditions as substantially set forth herein and as contained in the resolution transmitted herewith. It is further recommended that the Commissioner of Docks be requested to recommend to the Commissioners of the Sinking Fund, pursuant to section 826 of the Greater New York Charter, that the franchise to operate the Fulton, South and Hamilton ferries be leased by private agreement to the Union Ferry Company of New York and Brooklyn for one year, with two optional renewal periods of two years each, at an annual rental of a sum equal to two per centum

of the gross receipts received by the company from ferriages, privileges, concessions and all other sources in connection with the operation of said ferries.

A resolution to this effect is transmitted herewith.

Respectfully, DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the report of the Comptroller, dated November 22, 1913, relative to the settlement of the City's claims against the Union Ferry Company of New York and Brooklyn for arrears of franchise and wharfage rents, to November 1, 1913, and the claim of the said ferry company against the City for overpayment of wharfage rents; and be it further

Resolved, That the Commissioner of Docks be and is hereby requested to recommend to the Commissioners of the Sinking Fund, pursuant to the provisions of section 826 of the Charter, that it will not be for the best interests of the City to sell a lease, at public auction, of the right and franchise to operate the Fulton, South and Hamilton ferries now operated by the Union Ferry Company of New York and Brooklyn, and that it would be for the best interests of the City that a lease be made to the Union Ferry Company of New York and Brooklyn, by private agreement, commencing November 1, 1913, for the period of one year with the option of two renewal periods of two years each at an annual rental of a sum equal to two (2) per centum of the company's gross receipts received from ferriages, privileges, concessions and all other sources in connection with the operation of said ferries and otherwise upon the terms and conditions referred to in the report of the Comptroller dated November 22, 1913.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Commissioner of Docks recommending a lease by private agreement to the Union Ferry Company of a franchise to operate the following ferries:

From the foot of Fulton street, Manhattan, to the foot of Fulton street, Brooklyn.

From the foot of Whitehall street, Manhattan, to the foot of Atlantic avenue, Brooklyn.

From the foot of Whitehall street, Manhattan, to the foot of Hamilton avenue, Brooklyn.

(For report of Comptroller see preceding matter.)

November 28, 1913.

HON. ARDOLPH L. KLINE, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—There is before your Board the matter of the proposed settlement of the claims existing between The City of New York and the Union Ferry Company for unpaid franchise and wharfage rentals in connection with the operation by the said ferry company of the Wall Street, Catherine Street, Fulton Street, Hamilton Avenue and South Ferries, and the claim by the said ferry company against the City for alleged overpayment of wharfage rentals by said ferry company, which settlement is based upon the following terms and conditions:

1. The ferry company to pay to the City the franchise rent (2 per cent. upon its gross receipts) in full. The arrears run from November 1, 1909, to October 31, 1913, and amount to about \$55,817.20. To this sum is added interest at 5 per cent. computed from quarterly periods.

2. The ferry company to pay the sum of \$7,500 in addition to the above.

3. The ferry company is to release to the City the claim of over \$42,000 for rentals alleged to have been paid by mistake on Wall Street and Atlantic Avenue properties.

4. The ferry company to execute a lease under the terms and conditions contained in the lease submitted herewith.

The performance of each and every condition hereinbefore set forth to constitute the consideration for the City releasing its claim for franchise rentals as hereinbefore mentioned and wharfage rentals of \$2,000 per annum for the use of a strip of land at the foot of Atlantic avenue, Brooklyn (property of the City of Brooklyn prior to consolidation), and \$9,000 per annum for the use of property at the foot of Wall street, Manhattan. The arrearages of wharfage rentals run from August 1, 1909, and are as follows:

Quarterly rental due October 31, 1909.....	\$2,750 00
Quarterly rental due January 31, 1910.....	2,750 00
Quarterly rental due April 30, 1910.....	2,750 00
Quarterly rental due July 31, 1910.....	2,750 00
Quarterly rental due October 31, 1910.....	2,750 00
Quarterly rental due January 31, 1911.....	2,750 00
Quarterly rental due April 30, 1911.....	2,750 00
Quarterly rental due July 31, 1911.....	2,750 00
Quarterly rental due October 31, 1911.....	2,750 00
Quarterly rental due January 31, 1912.....	2,750 00
Quarterly rental due April 30, 1912.....	2,750 00
Quarterly rental due July 31, 1912.....	2,750 00
Quarterly rental due October 31, 1912.....	2,500 00
Quarterly rental due January 31, 1913.....	500 00
Quarterly rental due April 30, 1913.....	500 00
Quarterly rental due July 31, 1913.....	500 00
Quarterly rental due October 31, 1913.....	500 00
	\$35,500 00

The reduction in wharfage rental subsequent to July 31, 1912, is due to abandonment of property at Wall street by the ferry company and proposed utilization of the premises by the City for wharfage purposes.

I am of the opinion that the interests of the City would not be best promoted by leasing the above proposed ferry franchise at public auction or by sealed bids in the manner first directed in section 826 of the Greater New York Charter, and beg to recommend the adoption by the unanimous vote of the Commissioners of the Sinking Fund of a resolution authorizing a lease by private agreement to the Union Ferry Company of New York and Brooklyn of the franchise to operate the following ferries:

From and to the foot of Fulton street, in the Borough of Manhattan, City of New York, to and from the foot of Fulton street, in the Borough of Brooklyn, City of New York;

From and to the foot of Whitehall street, in the Borough of Manhattan, City of New York, to and from the foot of Atlantic avenue, in the Borough of Brooklyn, City of New York;

From and to the foot of Whitehall street, Borough of Manhattan, City of New York, to and from the foot of Hamilton avenue, Borough of Brooklyn, City of New York;

—for a term of one year, with privilege of two optional renewal periods of two years each, at rental of two per cent. of the gross receipts received from ferriages, privileges, concessions and all other sources in connection with the operation of said ferries.

The remaining terms and conditions of the lease to be similar to those contained in the lease submitted to your honorable Board at this meeting, subject, however, to the approval of the Corporation Counsel as to form. Yours respectfully,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller offered the following resolution:

Whereas, Section 826 of the Greater New York Charter provides that the Commissioner of Docks shall have power and is authorized to lease in the name and for the benefit of The City of New York, in the manner provided by law, the franchise of any ferry or ferries belonging to said City, for the highest marketable price or rental, at public auction or by sealed bids, and always after public advertisement and appraisal, under the direction of said Commissioner but not for a term longer than ten years; and

Whereas, It is further provided in said section that whenever it may be determined by the unanimous vote of the Commissioners of the Sinking Fund, upon the recommendation of the Commissioner of Docks, that the interest of The City of New York will not be best promoted by leasing the franchise of a ferry in the manner in said section thereinbefore directed, it shall be lawful for said Commissioners of the Sinking Fund, by resolution adopted by such unanimous vote, upon the recommendation of the Commissioner of Docks, to lease such franchise by private agreement for terms not exceeding twenty-five years, and under such conditions as in their judgment will best protect and further the interest of the City and the traveling public; and

Whereas, Under date of November 28, 1913, the Commissioner of Docks has recommended that the interests of The City of New York will not be best promoted by leasing the franchises of the ferries—

From the foot of Whitehall street, Borough of Manhattan, to the foot of Hamilton avenue, Borough of Brooklyn;

—at public auction or by sealed bids, and after public advertisement and appraisal under the direction of the Commissioner of Docks; now, therefore, be it

Resolved, That, pursuant to the provisions of section 826 of the Greater New York Charter, the Commissioners of the Sinking Fund, by unanimous vote, determine that the interests of The City of New York will not be best promoted by leasing the franchises of the hereinbefore mentioned ferries at public auction, as provided in section 826 of the Greater New York Charter; and be it further

Resolved, That, pursuant to the provisions of section 826 of the Greater New York Charter, the Commissioners of the Sinking Fund, by unanimous vote, hereby approve of and authorize a lease to the Union Ferry Company of New York and Brooklyn of a franchise to operate ferries—

From the foot of Fulton street, Borough of Manhattan, to the foot of Fulton street, Borough of Brooklyn;

From the foot of Whitehall street, Borough of Manhattan, to the foot of Atlantic avenue, Borough of Brooklyn;

From the foot of Whitehall street, Borough of Manhattan, to the foot of Hamilton avenue, Borough of Brooklyn;

—upon the terms and conditions in the form of lease following, subject to the approval of the Corporation Counsel as to form:

Now this indenture witnesseth, that the said party of the first part, for and in consideration of the rents, covenants and agreements hereinafter mentioned and contained, on the part of the said party of the second part, its successors and assigns, well and truly to be paid, performed, observed, fulfilled and kept, according to the true intent and meaning of these presents, has leased, demised and to farm let, and by these presents does lease, demise and to farm let, unto the said party of the second part, the privilege or franchise to operate the following ferries:

It is further covenanted and agreed by and between the parties hereto that any and all structures erected under the provisions of this lease shall be so erected under the direction and supervision of the Chief Engineer of the Department of Docks and Ferries, in accordance with plans and specifications to be submitted to and approved by him. And any and all structures, floats, racks, fenders, bridges or fixtures now erected or which may hereafter be erected or placed upon or attached to property belonging to the City, are, and shall become, and shall revert to and be the property of the City at the expiration or sooner termination of said lease.

And also that the said party of the second part, its successors or assigns, at its own proper costs, charges and expenses, shall and will at all time during the said term, find, furnish and provide, ample accommodations in the way of safe and capacious boats and sufficiency of trips as shall be requisite and necessary to carry, transport and convey across the said waters between the places aforesaid, with safety, convenience and expedition, all passengers, horses and vehicles requiring or desiring carriage transportation or conveyance, except that the number of daily trips shall not be less than those provided for in the time-table in use on said ferries November 1, 1913, nor shall the rates of ferriages prevailing on November 1, 1913, be increased.

The party of the second part shall keep the boat or boats employed in the ferry service under this lease, at all times during the term hereby leased and demised, in good repair, and will furnish the same at all times with a sufficient number of proper implements, tackles and necessities, at the proper cost and expense of the said party of the second part, its successors or assigns, and all of said boat or boat, and all buildings and structures used in connection with said ferry shall and will at all times be subject to the supervision of the duly designated officer or officers of the Department of Docks and Ferries, and no charge for ferriage shall be made to such officer or officers or employees while engaged in such work of inspection.

And the said party of the second part, its successors or assigns, shall and will, during the said term hereby granted, provide and maintain a sufficient number of sober, honest, skillful and able-bodied men, who shall be competent to manage the boat or boats used on the said ferries, and the structures used in connection with said ferries, and the said men so employed, shall at all reasonable times give their constant and ready attendance at the said ferries on both sides, for the prompt and expeditious transportation of passengers, horses and vehicles, as aforesaid, across the said waters, and all boats used in the passenger service of said ferries shall be provided with adequate and sufficient life preservers, gates, life boats, floats and rafts, as may be directed by the United States authorities.

The party of the first part agrees not to interfere with the rates of fare now charged, but in no case shall such rates exceed those now charged on said ferries, nor interfere with the time schedules now established by the said party of the second part, as aforesaid, except that the number of daily trips shall not be less than those provided for in the time-table in use November 1, 1913, nor operate nor grant any franchise to operate any ferry on the East River, south of Brooklyn Bridge and north of Hamilton avenue ferry, which shall compete with any of the ferries of the Union Ferry Company, as now operated by it; in case the rates of ferriages shall be lowered or the number of daily trips shall be increased by the proper legal authorities, or in case the Ferry Company is brought under the jurisdiction of the Public Service Commission or in case the party of the first part shall operate or grant a franchise to operate any ferry on the East River within the limits aforesaid, then, upon the happening of any of said events, the party of the second part shall have the right to terminate the least or any renewal thereof, upon three months' notice, in writing, to the Commissioner of Docks, but in none of such cases shall the party of the second part have any right of action against the party of the first part as for breach of contract.

And the party of the second part further covenants and agrees to and with the party of the first part that it shall and will, within thirty days after execution of this lease, furnish a bond in the sum of \$10,000, with surety or sureties, to be approved by the Commissioner of Docks, for the faithful performance of all the terms and conditions of the lease.

And in the event that the Commissioner of Docks shall during the term hereby demised for any reason whatsoever deem it advisable that other surety or sureties should be substituted in lieu of the surety or sureties upon the bond attached hereto, that then and in such event the party hereto of the second part shall and will, whenever so ordered by the Commissioner of Docks, furnish a new bond with such surety or sureties as may be approved by him in lieu of the bond originally furnished.

And also that the said party of the second part, its successors or assigns, will quietly and peaceably yield and deliver up the possession of the said ferry franchise and property and everything herein demised, and surrender the property and privileges and the use, possession and exercise of any and all rights and privileges under the said franchise and this indenture, into the possession of the said party of the first part, its successors or assigns, without fraud or delay, at the end or sooner termination of said term.

And the parties hereto covenant and agree that the said party of the second part shall have the privilege of two renewals of this lease, each for a further term of two years, as hereinbefore set forth, the said renewals are to be in all respects similar to this lease, except as to additional renewals beyond the five year period, and that the party of the first part shall not be called upon to make any alterations or repairs to the wharf property and structures hereinbefore mentioned at the beginning of any renewal period.

And also that the said party of the second part, its successors or assigns, shall not, nor will any or either of them, during the said term, transfer, assign, or set over, let or under-let, or in any other manner convey this present lease, or any part thereof, or any estate or interest therein, or in any part thereof, without the leave or consent of the said party of the first part, its successors or assigns, in writing first had and obtained from the Commissioner of Docks.

And it is hereby further mutually covenanted and agreed by and between the parties to these presents, and these presents are upon the express understanding that nothing herein contained, shall be construed to interfere in any manner with any previous grants or rights made by the said party of the first part, nor with the right to grant any future ferries, except as hereinbefore provided.

It is mutually covenanted and agreed between the parties hereto that the words "Commissioner of Docks" whenever used herein shall be understood to mean the Commissioner of Docks of The City of New York, or the Board, authority, officer or officers, which may at any time be vested with the jurisdiction of or perform the duties or exercise the authority now vested in or performed or exercised by the Commissioner of Docks of The City of New York.

Provided, nevertheless, and these presents are upon the express condition that if the said rents so reserved, or any part thereof, shall be behind or unpaid, or if default shall be made by the said party of the second part, its successors or assigns, in

the payment of the rent herein and hereby reserved, upon any day or days whereon the said rents, or any part or portion thereof, or any of them, shall be or become due and payable, and if the said party of the second part, its successors or assigns, do, or shall neglect or omit (for thirty days after written notice thereof, as hereinafter provided) to pay, perform, fulfill or keep any or either of the payments, articles, covenants, clauses, agreements, matters or things herein contained, which on the part and behalf of the said party of the second part, its successors or assigns, are to be paid, performed or fulfilled, and kept, during the said term hereby demised, according to the true intent and meaning of these presents, then, and in every and all such case or cases, all the covenants, articles, stipulations and agreements, on the part and behalf of the party of the first part, or its successors, herein mentioned and contained, to be by them done and performed, or complied with, shall be, at the option of the party of the first part, utterly null and void, and it shall be lawful for the said party of the first part and its successors, to re-enter upon the premises hereby demised and to have, possess and enjoy the same again as fully and completely as though these presents had never been made, anything herein contained to the contrary thereof in any wise notwithstanding.

And that upon a written notice to be made and given by the Commissioner of Docks, demanding payment of the rent due and payable as herein provided from the said party of the second part, its successors or assigns, or demanding the performance of any of the articles, covenants, clauses, agreements, matters or things herein contained on the part of the said party of the second part, its successors, or assigns, to be performed or fulfilled, and the same remaining unpaid, unperformed, unfulfilled, for the space of thirty days ensuing the service of said notice, that then and in that event this lease and everything herein contained shall thenceforth at the option of the Commissioner of Docks cease and determine and be wholly void.

And it is further agreed that no waiver or default by the party of the first part of any of the covenants and conditions hereof, to be fulfilled, performed, kept, done and observed by the party of the second part shall be construed to be and shall act as a waiver of any subsequent default of any of the terms, covenants and conditions herein contained to be performed, fulfilled, kept, done and observed by the party of the second part during the term of these presents.

Each and every of the covenants, premises, agreements, terms and conditions herein contained on the part of the party of the first part to be performed, fulfilled, observed and kept, shall be binding upon it, and its successors, and assigns, and the rights thereunder, and all rights, privileges and benefits arising under this instrument in favor of the said party of the second part, its successors and assigns, shall be available in favor of the said party of the second part, its successors and assigns, but subject to the covenants herein contained relating to assignments.

Each and every of the covenants, premises, agreements, terms and conditions herein contained, on the part of the said party of the second part to be performed, fulfilled, observed and kept, shall be binding upon it, and its successors and assigns, and the rights thereunder and all rights, privileges, and benefits arising under this instrument in favor of the said party of the first part, its successors and assigns, shall be available in favor of the said party of the first part, its successors and assigns.

In witness whereof, the Commissioner of Docks has executed these presents, in duplicate, for and in behalf of The City of New York, the party of the first part, and has caused the common seal of the Department of Docks and Ferries of said City to be hereunto affixed, attested and approved by the Secretary of said Department of Docks and Ferries, and the said party of the second part has caused these presents to be executed by its President, and has caused its corporate seal to be hereunto affixed and attested by its Secretary.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements affecting premises owned by the Bay Ridge United Presbyterian Church, in the Borough of Brooklyn:

November 22, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Bay Ridge United Presbyterian Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 18, Block 5951, Lot 39.

This application is made pursuant to the provision of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about July 19, 1907; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used as follows: First floor, for the preaching of the gospel, Sabbath school work and religious worship; second floor, as the residence of the pastor; third floor, rented to a tenant.

It appears from an examination of the Assessment Rolls that the property has been partially exempt from local taxation prior to the year 1910 and since, such partial exemption covering the part thereof used for church purposes; and the valuation for the year 1913 is \$2,600 on the part used as a church, and the valuation on the part used as a rectory and the part rented is \$3,800.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

#### Assessments.

"Regulating, Grading, etc., 76th street from 4th avenue to 5th avenue" (entered March 28, 1911):  
No. 5, Section 18, Block 5951, Lot 39 ..... \$48 42  
"Laying sidewalks, S. S. 76th street, between 4th and 5th avenues" (entered April 23, 1912):  
No. 10, Section 18, Block 5951, Lot 39 ..... 33 85

As heretofore appears, the Department of Taxes and Assessments has exempted that part of the lot used for church purposes and has assessed the remainder, dividing the valuation, as shown above, without making a physical apportionment of the lot on the tax maps.

Although the Commissioners of the Sinking Fund have no power, under section 221A of the Charter, to cancel the foregoing assessments as far as they affect the part of the property used as a rectory and the part rented, by reason of the fact that such parts are not entitled to exemption from taxation under article 1, section 4, subdivision 7 of the Tax Law, nevertheless the Commissioners have the power to cancel the proportionate part of each of such assessments against the part of the property used for church purposes, such proportionate part to be determined by the relative valuations placed on the church part and the remainder of the property, respectively, by the Department of Taxes and Assessments. The valuation placed on the part used as a church (\$2,600) is approximately 41 per cent. of the total valuation (\$6,400) and the valuation on the remainder 59 per cent.

I would recommend, therefore, that each of the aforesaid assessments be cancelled to the extent of 41 per cent thereof, upon the payment of a nominal consideration.

As to the remainder of each of such assessments found to be against the rest of the property, viz., 59 per cent. thereof, I refuse to certify my approval of the application.

The total amount involved as principal in the above assessments is \$78.67. The property affected by these assessments is located in the Borough of Brooklyn, 30th Ward, southerly side of 76th street, between 4th and 5th avenues.

The Treasurer, J. D. Finley, in response to a request, has submitted a financial

statement for the year ending July 1, 1911, showing the total receipts from all sources to be \$844, and the expenditures for all objects, \$844.

Such statement also states that there is an unpaid note for \$125 due August 1, 1911.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question, and entitled to have the same partially exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to that part of such liens which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of Bay Ridge United Presbyterian Church to the extent I have herein indicated, as proper, pursuant to the provisions of such section of the Charter, and recommend that each of the foregoing assessments be cancelled to the extent of 41 per cent. thereof upon the payment of the sum of \$5 and the balance of said assessment with accrued interest, provided that payment be made within sixty days from the date of the adoption of the resolution authorizing such payment.

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Whereas, The Bay Ridge United Presbyterian Church has presented a petition for the cancellation of the following assessments:

"Regulating, Grading, etc., 76th street from 4th avenue to 5th avenue" (entered March 28, 1911):  
No. 5, Section 18, Block 5951, Lot 39 ..... \$48 42  
"Laying sidewalks, S. S. 76th street, between 4th and 5th avenues" (entered April 23, 1912):  
No. 10, Section 18, Block 5951, Lot 39 ..... 33 85

Resolved, That pursuant to the provisions of section 221A of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller to cancel the hereinabove mentioned assessments to the extent of 41 per cent. thereof, upon payment of the sum of five dollars (\$5) and the balance of said assessments with accrued interest, provided that payment be made within 60 days from date.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution to amend resolution adopted November 22, 1911, authorizing the cancellation of certain assessments and water charges levied and assessed against property owned by the Roman Catholic Church of St. Anselm:

November 15, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—The Roman Catholic Church of St. Anselm, heretofore petitioned your honorable Commission for the cancellation of, among other charges, the water charges for the years 1896, \$24.15; 1897, \$24.15, and 1907, \$20.70, affecting premises in the Borough of The Bronx designated on the official map as Section 10, Block 2654, Lot 5, and said petition was presented to you and the cancellation and relief asked was allowed by resolution of November 22, 1911, under the provision of section 221a of the Greater New York Charter, and said charges were thereafter cancelled of record on the books of the Collector of Assessments and Arrears pursuant to said resolution.

It appears that your Honorable Commission, owing to an inadvertent error in the presentation of the facts in relation to said water charges, in that said petition, in its printed form, stated that said charges "are now open and unpaid on the records of the Department," whereas said water charges had been paid and discharged of record June 15, 1911, had no authority under said section 221a of the Charter to annul and cancel said charges as they were not then liens against said property.

Upon the foregoing statement of the facts, I am of the opinion that, as your Honorable Commission exceeded its authority in said resolution, that said resolution, of November 22, 1911, should be amended by striking therefrom the following: "Water Charges: 1897, \$24.15; 1896, \$24.15; 1907, Croton Water Charges, \$20.70."

Respectfully DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held November 22, 1911, authorizing the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel upon payment of the sum of ten dollars (\$10) certain assessments and water charges levied and assessed against property owned by the Roman Catholic Church of St. Anselm, in the Borough of The Bronx, be and the same is hereby amended, by striking therefrom the following:

#### Water Charges.

1897..... \$24 15  
1896..... 24 15  
1907 Croton Water Charges ..... 20 70  
The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the cancellation of certain assessments for public improvements on property owned by the Andrews Methodist Episcopal Church, in the Borough of Brooklyn:

November 15, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Andrews Methodist Episcopal Church has presented to you a petition for the cancellation of certain assessments for public improvements, affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 13, Block 4115, Lot 13.

This application is made pursuant to the provisions of section 221a of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same prior to 1909.

That it has owned the above described premises continuously since said date, and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for religious purposes only.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to 1909, and since, and the assessed valuation for the year 1913 is \$34,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

#### Assessments.

"Regulating, Grading, Curbing, Etc., Etna Street, Between Dresden Street and Hale Avenue, Etc." (entered July 20, 1909):  
No. 177, Section 13, Block 4115, Lot 15..... \$20 79  
"Paving Etna Street, from Dresden Street to Queens County Line" (confirmed and entered June 2, 1910):  
No. 222, Section 13, Block 4115, Lot 13..... 43 50

The total amount involved as principal in the above assessments is \$64.29. The property affected by these assessments is located in the Borough of Brooklyn, 26th Ward, Richmond street, between Etna street and Ridgewood avenue.

The President of the Board of Trustees, Mr. Stephen P. Nicoll, in response to a request, has submitted a financial statement for the year ending March 31, 1911, showing the total receipts from all sources to be \$3,093, and the expenditures for all objects, \$3,159.11, leaving a deficit of \$66.11.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the

time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221a of the Greater New York Charter, and I would, therefore, certify my approval of the application of Andrews Methodist Episcopal Church, pursuant to the provisions of such section of the charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by Andrews Methodist Episcopal Church, in the Borough of Brooklyn:

*Assessments.*

"Regulating, Grading, Curbing, Etc., Etna Street, Between Dresden Street and Hale Avenue, Etc." (entered July 20, 1909):  
No. 177, Section 13, Block 4115, Lot 15..... \$20 79  
"Paving Etna Street, from Dresden Street to Queens County Line" (confirmed and entered June 2, 1910):  
No. 222, Section 13, Block 4115, Lot 13..... 43 50  
The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the cancellation of certain assessments for public improvements on property owned by the Ladies' Literary Institute of St. Mary's of the Springs, in the Borough of Manhattan:

November 15, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Ladies' Literary Institute of St. Mary's of the Springs has presented to you a petition for the cancellation of certain taxes and water charges, affecting premises in the Borough of Manhattan, designated on the official tax map as Section 5, Block 1382, Lot 38½.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about April 20, 1908, that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been entitled to exemption from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a Convent of Dominican Sisters and an Academy for Young Ladies.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation for the year 1909 and since, and the assessed valuation for the year 1913 is \$60,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following taxes and water charges were levied against said property and are now open and unpaid on the records of the Department, namely:

*Taxes.*

1908, Section 5, Block 1382, Lot 38½..... \$968 44

*Water Charges.*

1908, Section 5, Block 1382, Lot 38½..... \$2 00

Although the property was not acquired by petitioner until April 20, 1908, and consequently was not exempted from taxation under the law for the year 1908, by reason of the fact that it was not owned by the petitioner on the second Monday of January in that year, when the taxable status of property was fixed, still it was acquired prior to the date when the tax rate for said year was fixed by the Board of Aldermen August 4, 1908. The taxes for said year did not become a lien until the first Monday in October. Treating the date when the tax rate was fixed as aforesaid as the date when the taxes accrued, it would appear that the property in question was acquired prior to the time when the tax sought to be cancelled accrued and became a lien. In view of such fact, therefore, a fair adjustment of the matter, in my opinion, would be to cancel the aforesaid tax upon payment by the petitioner of the principal thereof, viz., \$968.44, thereby relieving the petitioner from payment of the accrued interest thereon.

With respect to the water charges for 1908, while the property was not exempted from taxation for that year, still it was acquired prior to the date when such charge accrued, i.e., May 1, 1908, and its use and occupation was such as to create an exemption on that date. For that reason I would recommend cancellation of water charge upon payment of the principal thereof, \$2.

The total amount involved as principal in the above water charges and taxes is \$970.44. The property affected by these taxes and water charges is located in the Borough of Manhattan, southerly side of East 68th street, west of Park avenue.

The Prioress, Sister Josephine, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$5,693.25, and the expenditures for all objects, \$3,739.51, leaving a balance of \$1,953.74.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Ladies' Literary Institute of St. Mary's of the Springs, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment by petitioner of \$970.44, provided that payment be made within sixty days from the date of the resolution authorizing such payment.

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of nine hundred and seventy dollars and forty-four cents (\$970.44), within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following taxes and water charges levied and assessed against property owned by the Ladies' Literary Institute of St. Mary's of the Springs, in the Borough of Manhattan:

*Taxes.*

1908, Section 5, Block 1382, Lot 38½..... \$968 44

*Water Charges.*

1908, Section 5, Block 1382, Lot 38½..... 2 00

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements on property owned by the Monastery of Our Lady of Mt. Carmel, in the Borough of Brooklyn:

November 15, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Monastery of Our Lady of Mount Carmel has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn designated on the official tax map as section 5, Block 1246, Lots 1 and 27.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate

owned by it from local taxation under article 1, section 4, subdivision 7, of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about November 14, 1907; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a monastery, devoted entirely to religious purposes.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation in 1910, and since; the taxes for 1909 were remitted by the Department of Taxes and Assessments, and the assessed valuation for the year 1913 is \$56,000 for Lot 1 and \$3,300 for Lot 27.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

*Assessments.*

"Regulating, Grading, Etc., Rogers Avenue, Between Park Place and Montgomery Street" (entered November 16, 1909):

No. 7, Section 5, Block 1246, Lot 1..... \$71 25

No. 6, Section 5, Block 1246, Lot 27..... 31 55

The total amount involved as principal in the above assessments is \$102.80. The property affected by these assessments is located in the Borough of Brooklyn, St. Johns place and Bedford avenue.

The vice-president, Mother M. Teresa, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$2,836.93 and the expenditures for all objects \$2,836.93.

It appearing therefore that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of the Monastery of Our Lady of Mount Carmel, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the Monastery of Our Lady of Mt. Carmel, in the Borough of Brooklyn:

*Assessments.*

"Regulating, Grading, Etc., Rogers Avenue, Between Park Place and Montgomery Street" (entered November 16, 1909):

No. 7, Section 5, Block 1246, Lot 1..... \$71 25

No. 6, Section 5, Block 1246, Lot 27..... 31 55

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements on property owned by Trinity Baptist Church, in the Borough of The Bronx:

November 15, 1913.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Trinity Baptist Church has presented to you a petition for the cancellation of certain taxes and assessments for public improvements, affecting premises in the Borough of The Bronx, designated on the official tax map as Block 4848, Lot 47, formerly known as Lot 386-3 of Wakefield.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about June 22, 1903, that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been entitled to exemption from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for church purposes only.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation for the year 1907, and since; the taxes for 1906 were remitted by the Department of Taxes and Assessment and the assessed valuation for the year 1913 is \$4,500.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements and taxes were levied against said property and are now open and unpaid on the records of the Department, namely:

*Taxes.*

1903, Block 4848, Lot 47 (Wakefield, 386-3)..... \$11 30

*Assessments.*

"Opening of White Plains Road, Morris Park Avenue, Boundary Line of N. T. C." (confirmed January 21, entered June 12, 1908):

No. 3583, Block 386, Lot 3 (Wakefield 386-3)..... 60 40

"Acquiring Title to East 222d Street, from 7th Street to Hutchinson River" (confirmed December 17, 1912, entered January 24, 1913):

No. 2630, Block 4848, Lot 47, Wakefield old 386-3..... 17 67

As to the foregoing taxes for the year 1903 against said lot, although the property was not acquired by the petitioner until June 22, 1903, and consequently was not exempted from taxation under the law for the year 1903, by reason of the fact that it was not owned by the petitioner on the second Monday of January in that year, when the taxable status of property was fixed, still it was acquired prior to the date when the tax rate for said year was fixed by the Board of Aldermen, July 27, 1903. The taxes for said year did not become a lien until the first Monday in October. Treating the date when the tax rate was fixed, as aforesaid, as the date when the taxes accrued, it would appear that the property in question was acquired prior to the time when the tax sought to be cancelled accrued and became a lien, and its use and occupation was such as to create an exemption.

In view of such fact, therefore, a fair adjustment of the matter, in my opinion, would be to cancel the aforesaid tax upon payment by the petitioner of the principal thereof, viz., \$11.30, thereby relieving the petitioner from payment of the accrued interest thereon.

The total amount involved as principal in the above assessments and taxes is \$89.37. The property affected by these assessments and taxes is located in the Borough of The Bronx, East 224th street, near Barnes avenues.

The Deacon and Secretary of the Board of Trustees, Mr. Madison S. Jones, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$975.87, and the expenditures for all objects, \$957.17, leaving a balance of \$18.70.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section

221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Trinity Baptist Church, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$21.30, provided that payment be made within sixty days from the date of the resolution authorizing such payment.

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of twenty-one dollars and thirty cents (\$21.30), within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following taxes and assessments levied and assessed against property owned by Trinity Baptist Church, in the Borough of The Bronx:

Taxes.

FANNIE L. SILVIS.  
(Her X mark.)

Sworn to before me this 21st day of November, 1912.

VITO A. M. SILVIS, Commissioner of Deeds, City of New York.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

November 17, 1913.

To the Commissioners of the Sinking Fund:

Gentlemen—On December 18, 1912, Fannie Silvis filed a petition praying for a release of the City's interest in the old Kyckout road, Block 2761, Brooklyn. A claim of adverse possession was set up in the petition and the attorneys were several times requested to submit two affidavits to support the allegation. No attention was paid to the communication, and, after a lapse of a reasonable time, the Comptroller recommended that the petition be denied.

At the meeting of your Board on September 24, the petition was denied on the recommendation of the Comptroller.

Under date of November 12, Vito M. Silvis, the husband of Fannie Silvis, requested the Commissioners of the Sinking Fund to reopen the case directly with the petitioner. It is stated that a mortgage falling due on this property is about to be foreclosed. Before the petitioner can obtain another loan it would be necessary to get a quit claim from the City to satisfy one of the title companies.

As all the facts in the case are the same, I think the case may be reopened on the original papers.

Three questions are to be determined, as follows:

Has the road been closed by lawful authority?

Is the property required for any public use?

What is the nature of the City's interest?

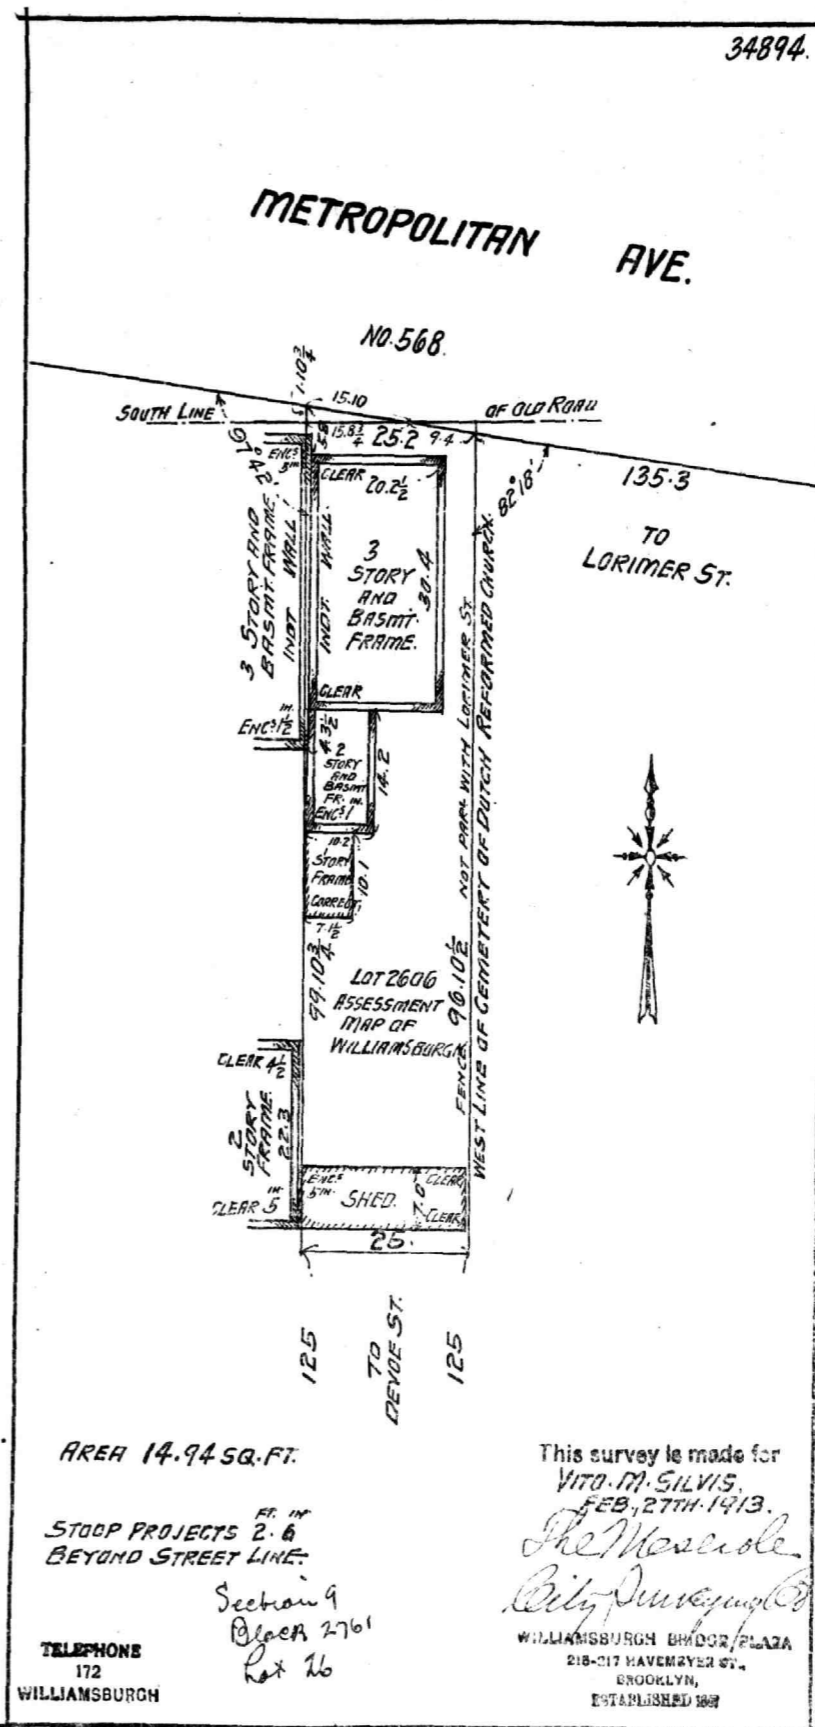

As to the first: The property is about 1 foot 11 inches at its widest point, 15 feet 10 inches long, triangular in shape; fronting on Metropolitan avenue, a street which has been opened and in use for many years. The opening of Metropolitan avenue operated as a closing of Kyckout road at this point.

As to the second: The size and shape of the property render it useless for any public purpose.

As to the third: The Appraiser of Real Estate of the Department of Finance valued the property at \$57.60. Under the rule, the charge will be 50 per cent. of that sum, or \$28.80, plus \$12.50 to cover the cost of drawing deeds, making a total of \$41.30. This is less than the nominal consideration charged by the Commissioners of the Sinking Fund, which is \$113.50.

I recommend that the prayer of the petitioner be granted by the adoption of the attached resolution, and that the charge will be \$113.50. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Whereas, Fannie Silvis, in a verified petition addressed to the Commissioners of the Sinking Fund, requests a conveyance of the interest of the City in a section of Kyckout road, designated on the tax maps of the Borough of Brooklyn as section 9, block 2761, lot 26; therefore, be it

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not required for any public use:

All that certain lot, piece or parcel of land, situate, lying and being in the Borough of Brooklyn, County of Kings, City and State of New York, bounded and described as follows:

Beginning at a point on the southerly side of Metropolitan avenue, distant 144.7 feet westerly from the corner formed by the westerly side of Lorimer street and the southerly side of Metropolitan avenue; running thence westerly along the southerly side of the old Kyckout road, 15 feet, 8 3/4 inches; thence northerly 1 foot 10 3/4 inches to the southerly side of Metropolitan avenue, and thence southeasterly along the southerly side of Metropolitan avenue, 15 feet 10 inches, to a point where the southerly side of Metropolitan avenue intersects the southerly side of the old Kyckout road at the point or place of beginning, be the said several dimensions more or less.

—and

Resolved, That, pursuant to the provisions of section 205 of the amended Greater New York Charter, the Commissioners of the Sinking Fund hereby authorize a conveyance to Fannie Silvis, residing at No. 658 Liberty avenue, Borough of Brooklyn, County of Kings, City and State of New York, of all the right, title and interest of The City of New York in and to that portion of the old Kyckout road hereinabove described.

The conveyance to be made is subject to the following conditions:

That the petitioners waive any and all claims for damages arising out of the closing of the road.

That the petitioners are the owners of lands fronting on the section of road conveyed.

That the deed contains the following reservation:

" \* \* \* excepting and reserving to the party of the first part all easements and other rights of every kind and description which it has in and to the section of old Kyckout road, as hereinabove described, by reason of its ownership of or interest in the premises hereby conveyed or otherwise with the same force and effect and to the same extent as though this conveyance had not been made or delivered. And the party of the second part in further consideration of this conveyance does hereby for herself, her heirs, successors and assigns, waive, surrender and release any right to damages which has accrued or may at any time accrue from the use for rapid transit, municipal, public or semi-public purposes of old Kyckout road, as hereinabove described, by reason of ownership of, or interest in, the premises hereby conveyed or herein described; without prejudice, however, to any rights or claims which have accrued or may hereafter accrue by virtue of such uses to the grantee herein, or her heirs, assigns or successors in interest, by reason of her ownership of the premises adjoining those hereby conveyed. Provided, however, that none of the foregoing exceptions, reservations, agreements or conditions shall operate to deprive the party of the second part or her heirs, assigns or successors in interest from claims for damage in case said Metropolitan avenue should be discontinued, closed or abandoned as a public street in front of the premises hereby conveyed. That the said conveyance shall be in such form as shall be approved by the Corporation Counsel."

—and be it further

Resolved, That the interest of The City of New York in and to the same is hereby appraised at the sum of one hundred and one dollars (\$101), plus twelve dollars and fifty cents (\$12.50), to cover the cost of drawing deeds, to be paid by the petitioner, and evidence produced that all taxes, assessments and liens due the City which appear against the land in the road and the petitioner's abutting property have been paid before the execution and delivery of the deed.

The report was accepted and the resolution unanimously adopted.

Adjourned.

## PUBLIC SERVICE COMMISSION.

## Proposals.

## INVITATION TO CONTRACTORS.

PART OF THE SEVENTH AVENUE-LEXINGTON AVENUE RAPID TRANSIT RAILROAD.

THE PUBLIC SERVICE COMMISSION FOR the First District (hereinafter called the "Commission") invites proposals to construct Section No. 6 of Routes 4 and 38, a part of the Seventh Avenue-Lexington Avenue Rapid Transit Railroad.

The points within The City of New York between which the said part is to run and the route or routes to be followed are briefly as follows: Section No. 6—Beginning at a point under 7th ave., in the Borough of Manhattan, about seventy-five (75) feet north of the northerly building line of W. 30th st., and extending thence northerly under 7th ave. to a point about one hundred (100) feet south of the southerly building line of W. 43d st.

The general plan of construction calls for a subsurface railroad having four and five tracks. The details of the construction of the railroad and appurtenances are more particularly indicated on the contract drawings.

Bidders will not be required to provide or lay tracks, ties or ballast, nor to do station finish work.

The work of construction under the contract will include the construction of all necessary sewers and connections along or off the route of the railroad; also the necessary support, maintenance, readjustment and reconstruction of vaults adjacent to buildings, pipes, tubes, conduits, subways or other subsurface structures; the support and care, including underpinning or the maintaining, protecting and securing, where necessary, of all buildings, monuments, surface and subsurface railroads and other surface, subsurface and overhead structures of any kind, etc., affected by or interfering with during the construction of the work; also the restoration of the sidewalks and roadways.

The method of construction will be by trench excavation under cover, unless otherwise permitted by the Commission, as set forth in the form of contract.

Bidders must examine the form of contract and the specifications, maps and plans; must visit the location of the work and inform themselves of the present conditions along the line thereof and make their own estimates of the facilities and difficulties attending the execution of the proposed work.

A fuller description of the work to be done is set forth, and other requirements, provisions, details and specifications are stated, in the printed form of contract and in the contract drawings therein referred to. Printed copies of the form of contract, bond and contractor's proposal may be had on application at the office of the Commission, No. 154 Nassau st., Borough of Manhattan, City of New York. The contract drawings may be inspected at the same office, and copies thereof may be purchased by prospective bidders on payment of five dollars (\$5). The printed form of contract and the contract drawings are to be deemed a part of this invitation.

The City and the Interborough Rapid Transit Company will both be parties to the contract; the Interborough Rapid Transit Company being a party for the purpose of discharging part of its contribution toward the cost of construction as provided in the contract dated March 19, 1913, between The City of New York, acting by the Commission, and Interborough Rapid Transit Company for the equipment, maintenance and operation of additional rapid transit railroads. The liability of Interborough Rapid Transit Company under the contract for which bids are now invited will be limited to an amount equal to ninety-five (95) per centum of the aggregate sum arrived at by multiplying the estimated approximate quantities by the unit prices, as contained in the schedule of unit prices in the contractor's proposal. The contractor is to accept the obligation of the Interborough Rapid Transit Company to make payments to the

amount and in the manner provided in the contract, and is to agree not to look to the City except to the extent that the amounts earned under the contract may exceed the amount for which the Interborough Rapid Transit Company is liable.

The Commission is informed by the Department of Docks and Ferries that docks and bulkheads along the East River or along the North River may be available for dumping purposes. Information in regard thereto may be obtained by any intending bidder upon inquiry at the office of the Department of Docks and Ferries with whom all arrangements must be made with respect to utilizing such docks and bulkheads as may be available.

Partial payments to the contractor will be made monthly as the work proceeds, as provided in the form of contract.

The contractor will be required to complete the work as soon as practicable and within a period of thirty-six (36) months from the date of the delivery of the contract.

**Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 29th day of December, 1913, at twelve fifteen (12.15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.**

Proposals must be in the form prescribed by the Commission, copies of which may be obtained at the office of the Commission.

A statement based upon estimate of the Engineer of the quantities of the various classes of work and of the nature and extent as near as practicable of the work required is to be found in the schedule forming a part of the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and form of contract.

All proposals must, when submitted, be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Routes Nos. 4 and 38, Section No. 6," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal it will be deposited in a sealed box, in which all proposals will be deposited. No proposal will be received or deposited unless accompanied by a separate certified check drawn upon a national or state bank or trust company having its principal office in The City of New York satisfactory to the Commission and payable to the order of the Comptroller of The City of New York for the sum of Fifteen Thousand Dollars (\$15,000). Such check must not be enclosed in the envelope containing the proposal.

The unit prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Bidders whose proposals are otherwise satisfactory, in case the sureties or securities named by them are not approved by the Commission, may substitute in their proposals the names of other sureties or securities approved by the Commission, but such substitution must be made within five (5) days after notice of disapproval, unless such period is extended by the Commission.

A bidder whose proposal shall be accepted shall, in person or by duly authorized representative, attend at the said office of the Commission within ten days after the delivery of a notice by the Commission that his proposal is accepted and that the contract is consented to by the Board of Estimate and Apportionment, and such bidder shall then deliver a contract in the form referred to, duly executed and with its execution duly proved.

At the time of the delivery of the contract the contractor will be required to furnish security to the City by giving a bond for two hundred thousand dollars (\$200,000). At the option of the successful bidder, cash or approved securities may be deposited instead of giving a bond. If securities are deposited in place of a bond under the contract, they must be of the character of securities in which savings banks may invest their funds and must be approved by the Commission.

The contractor's bond must be in the form annexed to the form of contract.

In addition and as further security, fifteen (15) per centum of the amounts certified from time to time to be due to the contractor will be deducted until the amounts so deducted and retained shall equal ten (10) per centum of the sum of the amounts resulting from the product of the estimated approximate quantities and the unit prices, as contained in the schedule of unit prices in the contractor's proposal. Thereafter there shall be so deducted and retained for such purpose ten (10) per centum of the amount certified from time to time to be due to the contractor. The contractor may from time to time withdraw portions of the amounts so retained upon depositing in lieu thereof corporate stock of the City of New York equal in market value to the amount so withdrawn.

In case of failure or neglect to execute and deliver the contract or to execute and deliver the required bond or to make the required deposit, such bidder will, at the option of the Commission, be deemed either to have made the contract or to have abandoned the contract. In the latter case, the Commission will give notice thereof to such defaulting bidder, and the Commission may thereupon proceed to make another contract with such, if any, of the original bidders, as, in the opinion of the Commission, it will be to the best interests of the City to contract with, or may by new advertisement invite further proposals. The defaulting bidder shall thereupon be liable to the City for all loss and damage by it sustained, including the excess, if any, of the amount it shall pay any other contractor over the amount of the bid of such defaulting bidder.

If the Commission shall give notice to any bidder that his or its proposal is accepted and that the contract is consented to by the Board of Estimate and Apportionment, and if the bidder shall fail within ten days thereafter or within such further period, if any, as may be prescribed by the Commission, to execute and deliver the contract and to execute and deliver the bond with sureties, or to make the required deposit, then the invitation to contractors and proposal accepted as aforesaid shall be a contract binding the bidder to pay to the City the damage by it sustained by reason of such failure, and in such case the bidder shall, by the terms of the proposal, absolutely assign to the City the ownership of the check accompanying his or its proposal as a payment on account of such damages.

All such deposits made by bidders whose proposals shall not be accepted by the Commission will be returned to the person or persons making the same within five days after the contract shall be executed and delivered. The deposit of the successful bidder will be returned when the contract is executed and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved.

#### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer

in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless, The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. ##### NOTICE TO CONTRACTORS.

##### GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department, and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a Department, chief of a Bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement, to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the proposals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
