Johnson, representing Mrs. C. A. Bruce, said that the matter would receive immediate attention without charge to this Department.

On June 30, while answering a call to Seventeenth street and Third avenue, ambulance No. 6 was struck by a trolley car. The Driver was not hurt. The Doctor received some contusions and a slight cerebro concussion, but has so far recovered as to be able to be about. The ambulance was damaged to the extent of about \$100, and the company has been requested to pay for the repairs.

The rules and regulations governing the House Staff have been received, and, in accordance with Rule 67, on page 13, each member of the House Staff has been supplied with a copy and has signed a receipt for it.

In order to permit the Department of Docks and Ferries to remove the coping stone from the old sea wall it is necessary that the brick wall on the east side of the coal bin be taken down, and also the hoisting apparatus, track, bridge, etc. This will cost about \$225, and in accordance with the direction of the President estimates on this work have been asked for.

The trial balance for the first six months of 1904 is herewith submitted, and it is recommended that a transfer of four thousand dollars to the appropriation "Clothing for the Insane," and twenty-five hundred dollars to the appropriation "New Ambulances, Horses, Harness" be made from the salary appropriation.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
