Scope of Work

This project will install an accessible ramp and elevator at the Brooklyn War Memorial in Cadman Plaza Park.

This project will construct a comfort station and maintenance facility in Calvert Vaux Park.

This project will reconstruct the Olmsted Center in Flushing Meadows Corona Park.

This project will reconstruct Tony Dapolito Recreation Center.

This project will reconstruct the comfort station at Noble Playground.

This project will reconstruct Wakefield Playground.

This project will demolish the existing comfort station and construct a new comfort station at Greencroft Playground.

This project will reconstruct the basketball courts and the playground at Waring Playground in Bronx Park.

This project will reconstruct the running track and synthetic turf field and construct an adult fitness area at Juniper Valley Park.

This project will reconstruct Ravenswood Playground.

This project will reconstruct the East River Esplanade from East 68th Street to East 70th Street.

This project will reconstruct the entrance lobby and retaining walls at Pelham Fritz Recreation Center in Marcus Garvey Park.

This project will reconstruct the lower entrance, handball court, basketball court, and multipurpose play area at Bay Terrace Playground.

This project will reconstruct Mariners Harbor Playground with new play equipment, pavements, curbs, fences, walls and planting.

This project will reconstruct the comfort station and utility building in Betsy Head Park.

This project will construct a comfort station in Highbridge Park.

This project will reconstruct the play equipment, fencing, and spray shower area at Challenge Playground.

This project will reconstruct the entry plaza, including new benches, pavement and fencing, at Broad Channel Park.

This project will reconstruct the comfort station in Playground 174.

This project will construct a dog run at Devoe Park.

This project will reconstruct the play area at Willis Playground.

This project will reconstruct the spray shower at Woodlawn Playground in Van Cortlandt Park.

This project will reconstruct the comfort station at St. Mary's Park Playground West.

This project will reconstruct the children's play area in Mellett Playground with new steel play equipment, spray shower, pavements, site furniture, security lighting, landscaping, and utilities.

This project will reconstruct the playground and seating area at Babi Yar Triangle.

This project will reconstruct Bridge Playground.

This project will reconstruct Bartlett Playground.

This project will construct a comfort station in Fox Playground.

This project will construct a dog run along Shore Front Parkway.

This project will reconstruct the playground in John E. White Park.

This project will reconstruct the comfort station in Grove Hill Playground.

This project will reconstruct the center portion of Manhattan Beach Promenade, around the bathhouse and entryways to the beach with new concrete pavement, drainage, seating, landscaping, steps, and ADA-compliant ramps.

This project will reconstruct Morton Playground, including the basketball courts, play equipment, safety surface, water and drainage systems, park lighting, and landscaping.

This project will reconstruct the sidewalks and fencing at Seton Falls Park.

This project will reconstruct the multi-purpose area at Osborn Playground.

This project will reconstruct the eastern half of the lower playground area, and performance area at Highland Park.
