Tier 2

February 2004

The 911 Communications Operators/25 Year Plan is available ONLY to members employed by the New York City Police Department as police communications technicians, supervising police communications technicians, or principal police communications technicians. Collectively these titles define a *Police Communications Member*.

Words that are italicized throughout this brochure have special meaning, and possibly require further explanation. The definitions of these words can be found on the back of this brochure.

ELIGIBILITY

Participation is **OPTIONAL** for:

- Any person who was a Tier 2 *Police Communications Member* on October 21, 2003 (must file an election form to participate with NYCERS no later than April 19, 2004)

OR

- was already a Tier 2 member on October 21, 2003, but who becomes a *Police Communications Member* after October 21, 2003 (must file an election form to participate with NYCERS no later than 180 days of appointment as a *Police Communications Member*)

When any *Participant* in the *Program* ceases to hold a position qualifying him/her for participation in the *Program*, he or she shall cease to be a *Participant* and shall not be eligible for the benefits of the *Program*.

Any *Participant* in the *Program*, who terminates service as a *Police Communications Member* and returns to such service at a later date will be mandated into participation in the *Program* on that date. (Refer also to the Deficiency section.)

ELIGIBILITY TO QUALIFY FOR BENEFITS

Service Retirement

A *Participant* in the *Program* who has completed 25 or more years of *Credited Service*, has paid all *Additional Member Contributions (AMCs)*, and files for retirement at least 30 days, but no more than 90 days, before it is to be effective, will be eligible to receive a Service Retirement under this *Program*.

Vested Retirement

There is **no** provision for vesting under the *Program* for Tier 2 *Participants*.

SERVICE RETIREMENT BENEFIT

The Tier 2 Service Retirement Benefit is computed as follows:

- 50% of *Final Average Salary (FAS)* for the first 25 years of *Credited Service*,
plus
- 2% of *FAS* for each additional year (or fraction thereof) beyond the first 25 years of *Allowable Service*, up to a maximum of 30 years of service.

AMCs ARE MANDATORY

In addition to the basic member contributions that all Tier 2 members are required to pay, *Participants* must make an *Additional Member Contribution (AMC)* of 6% of gross wages each payroll period for all *Credited Service* rendered on or after October 21, 2003.

These contributions are in lieu of *AMCs* under Chapter 96 of the laws of 1995, and no member paying these contributions is required to pay Chapter 96 *AMCs*. An existing Chapter 96 *AMC* deficit, however, would still be owed.

AMCs are maintained in the *Retirement Reserve Fund* which is an account maintained separately from the *Members' Contribution Accumulation Fund (MCAF)*. The *MCAF* contains only the members' basic contributions.

A participant shall contribute AMCs until the later of:

- The date he or she is eligible to retire (or for 30 years if they continue in service)

OR

- October 21, 2004

AMCs ARE TAX DEFERRED

All *AMCs* made from wages earned on and after October 21, 2003 are not included in current gross income for Federal income tax purposes [IRC §414(h)]. However, those contributions are subject to New York City, New York State, and Social Security taxes. Any distribution of these *AMCs* makes them subject to Federal income tax.

DEFICIENCY

Any *Participant* who, while in active service, has not paid in full any contribution deficiency (in his or her *AMCs*), will still be entitled to a Service Retirement Benefit under this Program. However, the benefit will be reduced according to an actuarial formula that takes into account any deficiencies in *AMCs*.

A *Participant* who ceases to be employed as a *Police Communications Member* and withdraws his or her *AMCs* (and earned interest), and later becomes a *Participant* again, will be charged with a deficiency (including 8.25% per annum statutory interest) calculated as if such *AMCs* had never been made. Payment of a deficiency can be made in a lump sum or through payroll deductions.

A Disability Retirement Benefit and a Death Benefit, payable by NYCERS to a *Participant* or his or her designated beneficiary or estate, will be reduced according to an actuarial formula that takes into account any deficiency in *AMCs*.

LOANS

A *Participant* in the *Program* may borrow from his or her *AMCs* in the *Retirement Reserve Fund*, under the same rules for loans to Tier 4 members.

REFUNDS

A *Participant* who has rendered less than 5 years of *Credited Service* and who ceases to hold such a position, for any reason whatsoever, may withdraw his or her *AMCs*, and interest earned thereon. With 5 or more years of *Credited Service*, no withdrawal is possible.
