Which was decided in the affirmative by the following vote :

Which was decided in the affirmative by the following vote :

#### MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I have the honor to transmit herewith a petition of coal dealers and citizens, requesting the passage of an ordinance establishing public scales at convenient points and places in this City, where coal and other bulky articles consumed by the citizens can be weighed before delivery to consumers, in order to ascertain whether such weight is honest and in accordance with law.

ABRAM S. HEWITT, Mayor.

Which was referred to the Committee on County Affairs.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, that a crosswalk of two courses of blue stone be laid across Seventh avenue, on a line parallel and within the lines of the sidewalk on the south side of One Hundred and Eighteenth street, under the direction of the Commissioner of Public Works ; the expense to be charged to the appropriation for "Repairs and Renewals of Pavements and Regrading."

The Commissioner of the Department of Public Works reports that the necessities of pedestrian travel do not call for a crosswalk at this place and that the resolution is defective in providing that the expense shall be charged to the appropriation for "Repairs and Renewals of Pavements and Regrading," whereas it would have to be charged to the appropriation for "Boulevards, Roads and Avenues, Maintenance, etc."

ABRAM S. HEWITT, Mayor.

Resolved, That a crosswalk of two courses of blue stone be laid across Seventh avenue, on a line parallel and within the lines of the sidewalk on the south side of One Hundred and Eighteenth street, under the direction of the Commissioner of Public Works, the expense to be charged to the appropriation for "Repairs and Renewals of Pavements and Regrading."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, that the roadway of Forty-eighth street, from the crosswalk on the west side of Eleventh avenue to the bulkhead-line of the North river, be paved with trap-block pavement.

The Commissioner of the Department of Public Works reports as this street is now paved with cobble stone, the cost of repaving it could not be assessed upon the property benefited, as provided by this resolution and ordinance. The resolution would therefore be inoperative.

ABRAM S. HEWITT, Mayor.

Resolved, That the roadway of Forty-eighth street, from the crosswalk on the west side of Eleventh avenue to the bulkhead-line of the North river, be paved with trap-block pavement, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, that a crosswalk of two courses of blue stone be laid across One Hundred and Twenty-fourth street, on a line parallel and within the lines of the sidewalk on the west side of Madison avenue, the expense to be charged to the appropriation for "Repairs and Renewals of Pavements and Regrading."

The Commissioner of the Department of Public Works reports that the crosswalk is not necessary, and the expense would be chargeable to the appropriation for "Boulevards, Roads and Avenues, Maintenance, etc.," instead of "Repairs and Renewals of Pavements and Regrading."

ABRAM S. HEWITT, Mayor.

Resolved, That a crosswalk of two courses of blue stone be laid across One Hundred and Twenty-fourth street, on a line parallel and within the lines of the sidewalk on the west side of Madison avenue, under the direction of the Commissioner of Public Works, the expense to be charged to the appropriation for "Repairs and Renewals of Pavements and Regrading."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, that Croton-mains be laid in One Hundred and Sixth street, from the Boulevard to Eleventh avenue, and in Eleventh avenue, from One Hundred and Sixth to One Hundred and Fifth street, pursuant to section 356 of the Consolidation Act.

The Commissioner of the Department of Public Works reports that the street and avenue are graded, but there are only three houses to be supplied with water at a distance of six hundred feet, and the estimated cost of the proposed water-mains is \$1,200. It is deemed premature to impose upon the City the expense of laying the water-mains at this time.

ABRAM S. HEWITT, Mayor.

Resolved, That Croton-mains be laid in One Hundred and Sixth street, from the Boulevard to Eleventh avenue, and in Eleventh avenue, from One Hundred and Sixth to One Hundred and Fifth street, pursuant to section 356 of the New York City Consolidation Act.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

And, on motion of Alderman Van Rensselaer, the Clerk was instructed to transmit a copy of the papers to the Counsel to the Corporation for his opinion as to the power of the Common Council to give effect to resolutions of this character, notwithstanding the objection of his Honor the Mayor.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, that Ninety-fifth street, from Second avenue to Third avenue, be paved with trap-block pavement, and that crosswalks be laid at the terminating avenues where not already done.

The Commissioner of the Department of Public Works reports that this pavement is already provided for by an ordinance approved October 4, 1886, for which the specifications are now being printed. The present resolution is therefore unnecessary.

ABRAM S. HEWITT, Mayor.

Resolved, That Ninety-fifth street, from Second avenue to Third avenue, be paved with trap-block pavement, and that crosswalks be laid at the terminating avenues, where not already done, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, to lay crosswalks across Mott avenue, from One Hundred and Thirty-eighth to One Hundred and Fifty-second street.

I have received a report from the Commissioners of Public Parks that there is nothing on record to show that the streets and avenue mentioned in this resolution have been legally acquired by the City, and therefore the provisions of the resolution and ordinance could not be carried into effect.

ABRAM S. HEWITT, Mayor.

Resolved, That crosswalks of two courses of blue stone be laid across Mott avenue at the intersection of all streets from One Hundred and Thirty-eighth to One Hundred and Fifty-second street, inclusive, where not already laid, under the direction of the Commissioners of the Department of Public Parks ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, to lay crosswalks across One Hundred and Forty-ninth street, from Third to St. Ann's avenue.

I have received a report from the Department of Public Parks to the effect that the report of the Committee on Lands, Places and Park Department, which accompanies the resolution and ordinance, has an alteration, indicating the purpose of extending the limits of the work from Third avenue to the Southern Boulevard, but the change has not been made in the original papers. It is also desirable that the said resolution and ordinance should authorize crosswalks across the intersecting streets and avenues on the line of One Hundred and Forty-ninth street, as well as across the latter, and I suggest, therefore, that it be amended so as to read as follows :

"Resolved, That crosswalks of two courses of blue stone be laid at the intersection of all streets and avenues with One Hundred and Forty-ninth street, from Third avenue to the Southern Boulevard, where not already laid."

ABRAM S. HEWITT, Mayor.

Resolved, That crosswalks of two courses of blue stone be laid across One Hundred and Forty-ninth street, at the intersections of all streets and avenues from Third to St. Ann's avenue, where not already laid, under the direction of the Commissioners of the Department of Public Parks ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1887.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted March 22, 1887, to curb and flag Bathgate avenue, One Hundred and Seventy-sixth street and One Hundred and Seventy-fourth street, etc.

I have received a report from the Commissioners of Public Parks that there is nothing on record to show that the streets and avenues mentioned in this resolution have been legally acquired by the City, and therefore the provisions of the resolution and ordinance could not be carried into effect.

ABRAM S. HEWITT, Mayor.

Resolved, That the curb-stones be set and the sidewalks be flagged a space four feet in width, where not already done, as follows : On both sides of Bathgate avenue, from One Hundred and Seventy-second to One Hundred and Seventy-seventh street ; south side of One Hundred and Seventy-sixth street, between Bathgate and Washington avenues ; north side of One Hundred and Seventy-sixth street, between Washington and Vanderbilt avenues ; both sides of One Hundred and Seventy-fourth street, between Third avenue and Vanderbilt avenue, under the direction of the Commissioners of Public Parks ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

(Vice-President Divver was here called to the chair.)

The Committee on Lands, Places and Park Department, to whom were referred the annexed resolution and ordinance in favor of amending ordinance for regulating, etc., One Hundred and Sixty-first street, from Third to Gerard avenue, by omitting the block between Third and Elton avenues, respectfully

#### REPORT:

That, having examined the subject, they believe the proposed amendment to be unnecessary, and in opposition to the wishes of the owners of property interested. The paper was, by order of the Board, referred to the Counsel to the Corporation for his opinion as to the legality of the phraseology used in the resolution and ordinance, and his reply is herewith accompanying, together with an ordinance prepared in accordance with law by the Counsel. This resolution and ordinance your Committee propose to amend by leaving the extent of the improvement as provided in the ordinance of 1875, and retaining the other amendments proposed by the Counsel to the Corporation, viz.: omitting the words "where necessary," and substituting the words "where not already done." They therefore recommend that the said resolution and ordinance as so amended be adopted.

Resolved, That the resolution and ordinance heretofore adopted for regulating, grading, setting curb, gutter and flag stones and crosswalks, and resetting old curb, gutter and flag stones, in One Hundred and Sixty-first street, from the easterly curb-line of North Third avenue to Gerard avenue, approved September 26, 1885, be amended so as to read as follows:

Resolved, That One Hundred and Sixty-first street, between the westerly curb-line of Third avenue and the easterly curb-line of Gerard avenue, be regulated and graded, and culverts built; that curb-stones be set; that flag-stones four feet in width be laid along and on each sidewalk, and that crosswalks be laid where not already laid across the roadway of each intersection of said street with each avenue and at the intersection of each avenue with said street, except where the said street crosses the New York and Harlem Railroad, at which point approaches shall be made to the existing bridge across said railroad, under the direction of the Commissioners of Public Parks; and that the accompanying ordinance therefor be adopted.

#### REPORT:

That, having examined the subject, they believe the proposed improvement to be necessary, as the streets named are great thoroughfares, and are traversed, particularly in the night-time, by pedestrians to an extent greater, probably, than any other streets in this City. Electric lights would be a boon to travelers, and a protection which is very much needed. They therefore recommend that the said resolution be adopted.

Resolved, That the Commission for Lighting the City be and is respectfully requested to cause electric lights to be placed in Park Row, from the Brooklyn Bridge to Chatham Square; in Madison street, from Pearl to Catharine, and in Chambers and New Chambers street, from Broadway to South street.

## JURORS.

## NOTICE

## IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
ROOM 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempted, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquent.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,  
Commissioner of Jurors.

President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION  
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTI-  
MATES IF PRESENTED TO IT FOR THE PUBLIC INTERESTS  
AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF  
1882.

No bid or estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corpora-  
tion.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made from time to  
time, and in such quantities as may be directed by the  
said Commissioners.

Any bidder for this contract must be known to be en-  
gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the per-  
son or persons to whom the contract may be awarded  
will be required to give security for the performance of  
the contract by his or their bond, with two good and  
sureties, each in the penal amount of fifty (50) per cent.  
of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or them  
therein; and if no other person be so interested, it shall  
distinctly state that fact; also that it is made without any  
connection with any other person making an estimate for  
the same purpose, and is in all respects fair, and without  
contract by his or her name, or the name of the person  
Contracting, Head of Department, Chief of a Bureau, Deputy  
thereof, or Clerk therein, or other officer of the Corpora-  
tion, is directly or indirectly interested therein, or in the  
supplies or work to which it relates, or in any portion of  
the profits thereof. The bid or estimate must be verified  
by the oath, in writing, of the party or parties making  
the estimate, that the several matters stated therein are  
in all respects true. Where more than one person is in-  
terested, it is requisite that the verification be made and  
subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of busi-  
ness or residence, to the effect that if the contract be  
awarded to the person making the estimate, the will, or  
its being so awarded, become bound by his or her sureties for  
its faithful performance; and that if he shall omit or refuse  
to execute the same, they shall pay to the Corporation  
the same sum as the sum to which he would be en-  
titled on its completion and that which the Corporation  
may be obliged to pay to the person or persons to whom  
the contract may be awarded at any subsequent letting.  
The consent above mentioned shall be accompanied by  
the oath or affirmation, in writing, of each of the persons  
signing the same, that he is a householder or freeholder  
in the City of New York, and is worth the amount of the  
security required for the completion of this contract, over  
and above all his debts of every kind, and over and  
above his liabilities of every kind, and that he has offered  
himself as a surety in good faith and with the intention  
to execute the bond required by section 12 of chapter 7  
of the Revised Ordinances of the City of New York, if the  
contract shall be awarded to the person or persons for whom  
he consents to become surety. The adequacy and sufficiency  
of the security offered to be approved by the Comptroller  
of the City of New York.

No bid or estimate will be considered unless accom-  
panied by either a certified check upon one of the State or  
National Banks of the City of New York, drawn to the  
order of the Comptroller, or money, to the amount of five  
per centum of the amount of the security required for the  
faithful performance of the contract. Such check or  
money must be so enclosed in the envelope containing the  
estimate, that it must be handed to the officer or clerk  
of the Department who has charge of the Estimate-box,  
and no estimate can be deposited in said box until such  
check or money has been examined by said officer  
or clerk and found to be in full of the amount required.  
Except that of the successful bidder, will be returned to the  
persons making the same within three days after the con-  
tract is awarded. If the successful bidder shall refuse or  
omit to comply with the above conditions, the contract  
has been awarded to him, to execute the same, the  
amount of the deposit made by him shall be forfeited to  
and retained by the City of New York, as liquidated

damages for such neglect or refusal; but if he shall exe-  
cute the contract within the time aforesaid, the amount  
of his deposit will be returned to him.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept the contract with-  
in five days after written notice that the same has been  
awarded to his or her bid or proposal, or if he or she  
they accept, but do not execute the contract and give the  
proper security, he or they shall be considered as  
having abandoned it, and as in default to the Corpora-  
tion; and the contract will be readvertised and relet as  
provided by law.

The quality of the articles, supplies, goods, wares, and  
merchandise must conform in every respect to the sam-  
ples of the same on exhibition at the office of the said  
Department. Bidders are cautioned to examine the  
specifications for particulars of the articles, etc., re-  
quired, before making their estimates.

Bidders will state the price for each article, by which  
the bids will be tested.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.  
Payment will be made by a requisition on the Comptrol-  
ler, in accordance with the terms of the contract, from  
time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written in-  
struction of the Commissioners of Public Charities and Correc-  
tion.

No bid or estimate will be accepted from, or a contract  
awarded to, any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corpora-  
tion.

## NOTICE TO CROTON WATER CONSUMERS.

**NUMEROUS APPLICATIONS HAVE BEEN** made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and water service pipes, or by wasteful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water used.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the meter therefore holds the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, or defective service pipes, or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the building.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in water rents will be allowed for any portion of one year.

JOHN NEWTON,

Commissioner of Public Works.
