PUBLIC NOTICE IS HEREBY GIVEN THAT at a meeting of the Board of Estimate and Apportionment, held April 10, 1913, the following petition was received:

To the Honorable the Board of Estimate and Apportionment of The City of New York:

Union Railway Company of New York City, a New York Corporation (hereinafter called "the petitioner"), respectfully states:

First—That this Board, by resolution adopted on May 11, 1911, and approved by the Mayor on May 12, 1911, approved a form of franchise contract, to be executed by The City of New York, granting to the petitioner the right and privilege to construct, maintain and operate a double track extension to its present street surface railway with the necessary wires and equipment for the purpose of conveying passengers only in the Borough of Manhattan, City of New York, upon the following route, to wit:

Beginning at and connecting with the existing tracks of the petitioner on the 155th Street Viaduct, at or near 8th avenue, thence westerly upon and over said Viaduct to its intersection with 155th street and westerly upon and along said 155th street to the easterly side of Broadway.

Second—That the petitioner executed the said contract on March 27, 1913, but finds that public convenience and the demand for transportation on said street will be adequately answered by the construction, maintenance and operation of such extension from 8th avenue to Amsterdam avenue only.

Third—That the petitioner therefore desires that the said contract be modified as follows:

(a) By substituting the words "Amsterdam avenue" for the words "the easterly side of Broadway," in Section 1 thereof;

(b) By reducing the amounts of the several payments required under Section 2-Third thereof in proportion to such reduction in length of the said extension; and

(c) By substituting the words "Amsterdam avenue" for the word "Broadway" in Section 2-Twenty-fifth thereof.

Wherefore the petitioner asks this Board to approve such modifications and to authorize the execution of a proper supplemental contract by the City of New York.

Dated, New York, March 27, 1913.
