How to Get Compost

Deliveries

Community gardeners, street tree stewards, parks, and other nonprofit organizations can order free pallets of bagged compost.

Compost is also available in bulk at a minimum order of 20 cubic yards.

Compost Givebacks

DSNY shares compost with residents! New Yorkers can get 40-pound bags of compost at Compost Giveback Events around the city.

Smaller amounts of compost are available at select outreach events.

Purchase for Commercial Use

Registered commercial landscapers can purchase bulk compost from the Staten Island Compost Facility.

DSNY Compost is approved by the US Composting Council Seal of Testing Assurance.
