

FORM 2

APO Designation of Collections and Disclosures as “Routine”

(Revised April 2022)

INSTRUCTIONS

Under the City’s Identifying Information Law, codified at N.Y.C. Admin. Code §§ 23-1201 to 1205, a City agency may not collect or disclose identifying information unless one of the enumerated exceptions applies. One such exception authorizes the Agency Privacy Officer (APO) to pre-approve a collection or disclosure that is “routine,” defined under the Law as “made during the normal course of city agency business and furthers the purpose or mission of the agency.”¹ This “routine” exception also includes collections and disclosures between City agencies when their privacy officers agree that the collection or disclosure furthers the purpose or mission of their respective agencies.

Form 2 is designed to record the agency’s collections and disclosures that are designated as “routine” in accordance with the Identifying Information Law. It should be completed by the APO, kept on file at the agency, and produced upon request of the Chief Privacy Officer (CPO). Once completed, this Form will contain information needed to complete a biennial agency report (Form 3) required under Admin. Code § 23-1205.

The APO may refer to the Mayor’s Office of Information Privacy Intranet site on CityShare² for examples of completed routine designation forms, or email OIP@oti.nyc.gov with questions about completing this Form.

NOTE ON CERTAIN COLLECTIONS AND DISCLOSURES MADE BY HUMAN SERVICES CONTRACTORS AND SUBCONTRACTORS

The APO may designate as “routine” the collections and disclosures of identifying information that are made by the agency’s human services contractors and subcontractors.
