#### BUREAU OF VITAL STATISTICS.

REPORTED MORTALITY \* for the week ending June 23, 1883, together with the ACTUAL MORTALITY for the week ending June 16, 1883.

W. De F. Day, M. D., Sanitary Superintendent and Register.

Sir.—There were 539 deaths reported to have occurred in this city during the week ending Saturday, June 23, 1883, which is a decrease of 12, as compared with the number reported the preceding week, and 122 less than were reported during the corresponding week of the year 1882. The actual mortality for the week ending June 16, 1883, was 557, which is 15.2 below the average for the corresponding week for the past five years, and represents an annual death-rate of 22.01 per 1,000 persons living, the population estimated at 1,316,110.

Table showing the Reported Mortality for the week ending June 23, 1883, and the Actual Number of Deaths each day, from the Principal Causes, with the Ages of Decedents, for the week ending June 16, 1853.

Nos. 11, 2 and 12, Duane street, in the City of New York,
until 12 of clock M., of

WEDNESDAY, JULY 11, 1883,

at which time and place the estimates will be publicly opened by the head of said Department. The award of cable after the opening of the blood east on as practicable after the opening of the blood east of the work, shall further than the same in a sealed envelope to said Board, at which envelope shall be indorred with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Engineer's estimate of the quantities, is as follows

1. Yellow Pine Timber, 2"X12"

" 3"X 4"

" 5" Plank

" 5" Nat"

" 5" Nat"

" 6" Nat"

" 6" Nat"

" 6" Nat"

" 7" Nat"

" 7" Nat"

" 8" Nat"

" 9" Nat"

" 30 1,160 110 19,500 2,330 80 520 4,200 12,500 330 10,950 10,520 10,520 101,900 6,020 170,150

2. White Oak Timber (creosoted), 8"x12", 6,048 feet B.
M., measured in the work,
3. Georgia or N. C. yellow pine or spruce timber (creosoted), 3" x 3", 4,200 feet B. M., measured in the work.

The budder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the manner prescribed and return the commence within five days after the date of the contract, and all the work contracted for, except the placing, and fastering of the vertical fendings and scattering and fastering of the vertical fendings and scattering logs of the pure, and also accepting the sewer box, is to be fully complored on or before the fifth day of September, 1869, and all the work to be done under this fully complored within two weeks after the date of a notification to the contractor under this contract by the Engineer-in-Chief of the Department of Decks, that said fully complored within two weeks after the date of a notification to the contractor under this contract is ready to be proceeded with, and the damages to be poid by the soon ractor for each day that the contract may be unfulfilled after the time or times elasse in the contract, describing the soon ractor for each day that a Fifty Dellars per day.

All the old material taken from the pier, to be removed and there more contract, describing the price for which they will do the work under the contract.

Bidders will state in their estimates a price for the Bidders of the state of the state of the contract. The price is to cover all expenses of every kind involved in or incidental to the fullimous of the contract, including the rest of the proceeding the price for which they will do the work under the contract.

Bidders will cake in their estimates for doing this work.

Bidders will distinctly write out, both in wirds and in figures, the amount of their contract will be accepted and execute the contract will be a captured with first date of the service of a nonce to that effect; and in case of failure or neglect so to do, as in defau

he or 'ey will be considered as having abindenes' it, and he or 'ey will be considered as having abindenes' in defendence with a consequence of an or select, and so on until it be accepted as in defenit to the Corporation, as the in their estimates their names and places of residence; the sames of all persons be so inseressed, the estimates shall distinctly state of the persons interested with them therein; and if no other persons be so inseressed, the estimates shall distinctly state of the with any other person making an estimate for the same work, and that it is in all respects fair and without collision of rand; and also latt no member of the Composition, and cand a dark lot the member of the Composition, and it is to that no member of the Composition, and it is distinctly state of the Composition, and it is distinctly state of the Composition, and it is distinctly state of the composition of the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be estimate, that the several matters stated therein are in all respects true. Water more than one person is interested, it is requisite that the conflictation be made and subtrivited by all the puries interested on the composition, of two householders or freeholders of the Cury of New York, with their respective place of business or residence, to the effect that if the contract the awarded to the person to whom the contract chap will pay to the Corporation of the City of New York, and the person to whom the contract chap will pay to the Corporation of the City of New York and the person to whom the contract chap will pay to the Corporation of the City of New York and the person to whom the contract chap will pay to the Corporation of the City of New York and the person to whom the contract chap will pay to the Corporation of the City of New York after the composition of the contract, when the contract of the contract, we are allowed the contract of the

the away in Consignator to the city a New York, and the contract.

No estimate will be received or considered unless accompanied by either a corridor check upon one of the
National Banks of the City of New York, drawn to the
National Banks of the City of New York, drawn to the
National Banks of the City of New York, drawn to the
five per centum of the amount or security required for the
fauthul performance of the contract. Such check or
money must not be medicated in the sealed envelope conmoney must not be medicated in the sealed envelope concolors of the Department who has charge of the Estimatecher's of the Department who has charge of the Estimatebox, and no estimate can be deposited in said tox until
such check or memory has been examined by said officer
except that of the successful bidder, will be returned by
the Comptroller to the persons making the same, within
three days after the contract is awarded. If the successful
folder shall reduce or neglect, within five days after
the except that of the successful of the deposit made by him
shall be berfeined to and retained by the City of New York,
as liguidated damages for such neglect or refland, but if
the amount of his deposit will be returned to him by the
Comptroller.

Bidders are informed that no deviation from the specfications will be allowed, unless under the written instruc-

Comproller.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract warded (or, any person who is in arrears to the Corporation, upon otherwise, upon any obligation to the Corporation.

The right to decline all the assistance.

New York.

Bidders are requested, in making their bids or estisaties, to use the blank prepared for that purpose by the
states, to use the blank prepared for that purpose by the
stagreement, including specifications, and showing the
shaper of payment for the work, can be obtained upon
pplication therefor at the office of the Department.

LUCIUS J. N. STARK,
WILLIAM LAMBEER,
JOHN R. VOORHIS,
