The Comptroller presented the following report of the Engineer of the Department of Finance and offered the following resolution, relative to bid of the James D. Murphy Company, for the construction of the Sixty-ninth Regiment Armory:

January 4, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—At a meeting of the Armory Board, held December 30, 1903, the following was adopted:

"Resolved, That the bid of the James D. Murphy Company, Nos. 1181-1183 Broadway, Borough of Manhattan, for materials and work required in the erection and completion of the new armory building for the Sixty-ninth Regiment, N. G. N. Y., to be erected on the westerly side of Lexington avenue, extending from Twenty-fifth to Twenty-sixth street, in the Borough of Manhattan, amounting to the sum of six hundred and six thousand two hundred and sixty-six dollars (\$606,266), for Alternative "A," be accepted as being the lowest bid for said work; that the same be submitted to the Commissioners of the Sinking Fund for their concurrence, and to the Comptroller for his approval of the sureties thereon, and when so approved the Chairman of this Board be authorized to execute the contract on behalf of the Board; that all the other bids be rejected, and that the deposits received at this meeting be forwarded to the Comptroller, with the request that he return the amounts received from the unsuccessful bidders."

I would report that the following bids were received by the Armory Board for the erection and completion of the proposed building for the Sixty-ninth Regiment, N. G. N. Y.:

Name.	Alternatives.	
	"A."	"B."
James D. Murphy Company, No. 1181 Broadway.....	\$606,266 00	\$621,866 00
Millikin Brothers, No. 11 Broadway.....	664,355 00	690,000 00
P. J. Brennan, No. 78 West End avenue.....	680,000 00	20,000 00
Hugh Getty, No. 274 Ninth avenue.....	670,000 00	15,000 00

The bid of James D. Murphy Company, No. 1181 Broadway, item "A," \$606,266, being the lowest, I think the Commissioners of the Sinking Fund may properly concur in the action of the Armory Board.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That the Commissioners of the Sinking Fund hereby concur in the following resolution adopted by the Armory Board at meeting held December 30, 1903:

"Resolved, That the bid of James D. Murphy Company, Nos. 1181-1183 Broadway, Borough of Manhattan, for materials and work required in the erection and completion of the new armory building for the Sixty-ninth Regiment, N. G. N. Y., to be erected on the westerly side of Lexington avenue, extending from Twenty-fifth to Twenty-sixth street, in the Borough of Manhattan, amounting to the sum of six hundred and six thousand two hundred and sixty-six dollars (\$606,266) for Alternative "A" be accepted as being the lowest bid for said work; that the same be submitted to the Commissioners of the Sinking Fund for their concurrence, and to the Comptroller for his approval of the sureties thereon, and when so approved the Chairman of this Board be authorized to execute the contract on behalf of the Board; that all the other bids be rejected and that the deposits received at this meeting be forwarded to the Comptroller, with the request that he return the amounts received from the unsuccessful bidders."

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Armory Board, relative to property assigned as a site for an armory and quarters for the Second Battalion, Naval Militia:

NEW YORK, December 31, 1903.

To the Honorable the Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting of the Armory Board held December 30, 1903, the following was adopted:

"Whereas, At a meeting of the Armory Board, on September 26, 1901, the Committee on Armories reported favorably on a site for the accommodation of the Second Battalion Naval Militia, and at the same meeting the Secretary presented a copy of a communication from the Corporation Counsel, notifying the Comptroller that the title is now vested in The City of New York to the proposed site for this armory, in the Eighth Ward, in the Borough of Brooklyn, bounded by First avenue and New York bay, and Fifty-first and Fifty-second street, together with the right, title and interest of owner of the upland in and to the lands and front of said block under the water of the New York bay, extending to the bulkhead and the pier line; and at the same meeting the Clerk of the works made a report as to the availability of this site for building an armory, and the President of the Department of Taxes and Assessments offered the following:

"Whereas, The Corporation Counsel has, by communication dated September 13, 1901, advised the Comptroller that the title is now vested in The City of New York, of a plot of land located in the Eighth Ward of the Borough of Brooklyn, bounded by First avenue and New York bay, Fifty-first and Fifty-second street, together with the right, title and interest of owner of the upland in and to the land and front of said block under the water of the New York bay by extending to the bulkhead and pier line.

"Resolved, That in accordance with the provisions of section 134, chapter 314, of the Laws of 1901, the Commissioners of the Sinking Fund be requested to appropriate said plot as a location for an armory and quarters for the Second Battalion, N. G. N. Y."

—which was adopted; and

Whereas, On October 11, 1901, the Sinking Fund concurred in assigning to the use of the Second Battalion Naval Militia the property so bounded by First avenue, New York bay, Fifty-first and Fifty-second streets; and

Whereas, The site as concurred in and assigned for the purpose of an armory for the Second Battalion Naval Militia does not, in the opinion of the Armory

Board, fulfill the requirements of the statute and the necessities of the organization; therefore be it

Resolved, That the Armory Board does hereby request the concurrence of the Sinking Fund Commissioners in assigning to the use of the Second Battalion Naval Militia, as an armory site, the whole of the upland and land under water extending from Fifty-first to Fifty-second street and from First avenue westward to the pier head lines.

Yours truly,

FRANK J. BELL, Acting Secretary.

The resolution adopted by the Commissioners of the Sinking Fund October 11, 1901 (page 368, minutes of 1901), apparently was passed in error. It appears to me that it was the intent of the Sinking Fund Commissioners to adopt a resolution in conformity with the request of the Armory Board forwarded to the Commissioners on October 9, 1901, that it was the intention to not only assign for the use of the Second Naval Battalion the upland, but all the right, title and interest to the lands under the waters of the New York bay, extending to the pier head line; therefore I think it proper for the Commissioners of the Sinking Fund to amend the resolution as adopted on October 11, 1901, to conform to the original request of the Armory Board and resolution adopted by the Armory Board on December 30, 1903.

EUG. E. McLEAN, Engineer, Department of Finance.

January 6, 1904.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the resolution adopted by this Board at meeting held October 11, 1901, assigning to the use of the Second Battalion Naval Militia the property belonging to the City in the Borough of Brooklyn bounded by First avenue and New York Bay, Fifty-first and Fifty-second streets, be and the same is hereby amended so as to read as follows:

Resolved, That the Commissioners of the Sinking Fund hereby set apart and assign the plot of land belonging to the City, in the Borough of Brooklyn, bounded by First avenue and New York bay, Fifty-first and Fifty-second streets, together with the right, title and interest to the lands under the waters of the New York bay extending to the pier head line, as a site for the Armory and quarters for the Second Battalion Naval Militia.

Which was unanimously adopted.

The following communication was received from the Armory Board, relative to bill of Messrs. Werner & Windolph, architects (see Minutes, 1903, page 1130):

NEW YORK, December 31, 1903.

To the Honorable the Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting of the Armory Board held this day the following was adopted:

"Resolved, That the Secretary be directed to return the bill of Messrs. Werner & Windolph for fees for services in connection with the alterations to doors of certain armories, together with a copy of his report, and the recommendation of the Armory Board that the bill be paid, as rendered at ten per cent."

A copy of the report is herewith transmitted.

Yours truly,

FRANK J. BELL, Acting Secretary.

NEW YORK, December 30, 1903.

Honorable SETH LOW, Mayor, and Chairman of the Armory Board:

SIR—I beg to report in the matter of the bill of Messrs. Werner & Windolph, architects, for preparing plans and specifications and the necessary supervision in the alterations to certain armories, as follows:

The contract for doing this work amounts to \$12,441. The work is located in eight armories, situated in the boroughs of Manhattan, Brooklyn and Queens. No separate estimates for the amount of work in the different buildings has been submitted, and such division of the entire contract could only be a matter of estimate.

The architects have rendered a bill for their services on the basis of ten per cent. of the amount of the contract. They state, also, that they made a verbal agreement with Mr. Gustaveson, the former Secretary of the Armory Board, to do this work for a fee of ten per cent. on the cost of it. No record of this contract or agreement appears on file in the office of the Armory Board.

I do not call to mind, nor do I find on the records of this office, any payment to an architect for fees exceeding five per cent. on the cost of the work, but the schedule of fees of the American Institute of Architects, I believe, provides for such a fee on work of this character.

If five per cent. on the cost of the work is a fair compensation for the construction of an armory (a job located at one place and amounting to five or six hundred thousand dollars), then ten per cent. is not an unreasonable fee for this work, amounting to less than \$12,000, scattered in eight armories and in three boroughs, and for work which must be made to conform to existing work of as many styles of architecture as there are armories in which it is located.

It is therefore my opinion that the charge is a reasonable one, and that the verbal agreement of the Armory Board, through its former Secretary, with the architects should be lived up to.

Respectfully submitted,

(Signed) FRANK J. BELL, Acting Secretary.

Referred to the Comptroller.

The following communication was received from the Board of Education, relative to an amendment to resolution authorizing a lease of premises known as Schumaker's Hotel, Middle Village, Borough of Queens (see Minutes, 1903, page 830):

January 13, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, in a communication under date of November 12, transmitted a resolution adopted by the Executive Committee of the Board of Education at a meeting held November 11, 1903, as follows:

Haar, by George Haar, attorney, lessor.

2. Premises at Grant City, Washington avenue, between Thompson street and Railroad avenue, Borough of Richmond, for a term of one year from April 1, 1904, at an annual rental of three hundred dollars (\$300), payable monthly, otherwise upon the same terms and conditions as contained in the existing lease; Jeanne Vivian Penet, lessor.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

The report was accepted and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education, relative to a renewal of the lease of premises No. 799 Vernon avenue, Borough of Queens:

To the Executive Committee:

The Committee on Buildings respectfully reports that the leases of the following-named premises, used as annexes to public schools, will expire on the dates specified, and the City Superintendent has stated in each case that a renewal is necessary to afford additional school accommodations in the various localities.

Your Committee, therefore, recommends the following resolution for adoption: Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the renewal of the leases of the following-named premises used for school purposes, as follows:

Premises No. 799 Vernon avenue, Borough of Queens; owner, William Nelson; annex to Public School 77; lease expires March 1, 1904; term, one year; annual rental, \$600.

A true copy of report and resolution adopted by the Executive Committee of the Board of Education on November 18, 1903.

A. EMERSON PALMER,
Secretary, Board of Education.

In connection therewith the Comptroller presented the following report:

January 13, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, in a communication under date of November 19, transmits a resolution adopted by the Executive Committee of the Board of Education at a meeting held November 18, 1903, as follows:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the renewal of the leases of the following named premises, used for school purposes, as follows:

* * * * *

"Premises, No. 799 Vernon avenue, Borough of Queens; owner, William Nelson; annex to Public School 77; lease expires March 1, 1904; term, one year; annual rental, \$600."

The Board of Health and the Building Department report adversely on the proposition of the Board of Education to renew this lease. The Building Department states:

"The building is a three-story and basement frame, brick basement, building, 25 feet front by 45 feet deep, with a 10-foot extension on south side two stories high, the main building being about 37 feet high, the first floor being divided into four rooms, all of which are heated by a hot air furnace, the pipes of which, under basement ceiling, are very close, without any protection. In one place in the kitchen the plaster has fallen, and the same has been substituted by paper, being put over the place which sags close to hot air pipes; also in basement hallway the hot air pipe is about 3 inches from the basement stair partition, which has no protection. The second floor is reached by a 3-foot wood stairway, 7½-inch riser; is divided into two classrooms and two cloakrooms, with a 3-foot hallway between the same, all of which is heated by stoves. The third story, which is an attic with a mansard roof, divided into three rooms, two of which are classrooms, one of which for an exit, is forced to come through a room before reaching a hallway, which is 2 feet 10 inches wide. The floor is reached by a 3-foot stairway, with 17 risers, each being 7-inch. The doorways of classrooms open in, blocking the exit. The conditions on this floor are very dangerous, and provision should be made to provide other means of exit for the 54 scholars that are housed in the two classrooms. This floor is heated by stoves. I would suggest for safety, if the additional exit is not provided, the use of the upper floor be dispensed with."

The Department of Health reports:

"The four rooms on the top floor were found to be poorly ventilated and lighted, and overcrowded with pupils, and entirely inadequate for school purposes. All the rest of the building and surroundings were found to be in a fairly good sanitary condition."

I would respectfully recommend that the Commissioners of the Sinking Fund refuse to authorize the renewal of this lease until such time as the building has been put in a condition which would be satisfactory to the Department of Buildings and the Department of Health of the Borough of Queens for use by the Board of Education for school purposes.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved: EDWARD M. GROUT, Comptroller.

Which was referred back to the Board of Education, with a copy of the report.

The Comptroller presented the following report of the Appraiser of Real Estate and offered the following resolution, relative to the renewal of the leases of premises on East One Hundred and Sixty-seventh street, premises on White Plains avenue and premises on One Hundred and Fifty-eighth street, for the President of the Borough of The Bronx:

January 5, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—In a communication under date of December 23, 1903, Hon. Louis F. Haffen, President of the Borough of The Bronx, requests the renewal of a lease of the premises on East One Hundred and Sixty-seventh street east of the Southern Boulevard, Mrs. Eliza N. Gray, owner, at a monthly rental of \$25, the present lease of which expired on January 1, 1904.

The Commissioners of the Sinking Fund at a meeting held January 24, 1902 (See Minutes, Sinking Fund, page 17), authorized a renewal of this lease for a period of two years, the lessor to pay taxes, assessments and water rates, and I would respectfully recommend that this lease be renewed upon the same terms and conditions as the old lease, which expired on January 1, 1904.

He also asks for a renewal of the lease of premises on White Plains avenue, opposite Logan street, estate of Anna M. Shiel, owner, at a monthly rental of \$35, which lease also expired on January 1, 1904.

The Commissioners of the Sinking Fund, at a meeting held on December 24, 1902 (See Minutes, Sinking Fund, page 1169), authorized a lease of a large room on the ground floor, together with the basement and cellar, of premises located on the westerly side of White Plains avenue, opposite Logan street, in the Borough of The Bronx, for use as a branch Engineer's office for the Topographical Bureau, for a term of one year from January 1, 1903, with the privilege of two annual renewals at the rental of \$35 per month, the owner to put the premises in first-class condition, and to keep the same in good and tenantable condition during the term. This lease was twice amended by the Commissioners of the Sinking Fund at meetings held January 7 and March 11, 1903.

I would respectfully recommend that the request of the Borough President be complied with, and that the Commissioners of the Sinking Fund authorize a re-

newal of this lease for a period of one year upon the same terms and conditions as was in the lease which just expired on January 1, 1904.

President Haffen also requests the renewal of the lease of the premises on One Hundred and Fifty-eighth street, 50 feet west of Tinton avenue, Annie J. Hillman, owner, which expires on February 1, 1904, at a monthly rental of \$20.

The Commissioners of the Sinking Fund at a meeting held March 4, 1903 (see Minutes, Sinking Fund, page 223), authorized a lease of the premises on the south side of East One Hundred and Fifty-eighth street, 45 feet west of Tinton avenue, in the Borough of The Bronx, for storage purposes for the Topographical Bureau of the borough, for a term of five years from February 1, 1899, at a monthly rental of \$20. It seems that the former Board of Public Improvements had been in possession of the premises from February 1, 1899, to December 31, 1901, and that since December 31, 1901, the Topographical Bureau of the borough has been in possession, using the building for storage purposes. The matter of this lease had been referred to the Corporation Counsel, and his opinion was returned, stating that the Commissioners of the Sinking Fund could authorize a lease covering that period, which the Commissioners, at a meeting held March 4, did so authorize.

I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the premises on the south side of East One Hundred and Fifty-eighth street, 45 feet west of Tinton avenue, in the Borough of The Bronx, for storage purposes for the Topographical Bureau of the Borough of The Bronx, for a period of one year from February 1, 1904, at a monthly rental of \$20; Annie J. Hillman, owner.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of leases to the City of the following-described premises for the use of the President of the Borough of The Bronx:

1. The premises on the north side of One Hundred and Sixty-seventh street, Borough of The Bronx, 100 feet east of the Southern Boulevard, for a term of two years, from January 1, 1904, at a monthly rental of twenty-five dollars (\$25); the taxes, assessments and water rents to be paid by the lessor; otherwise upon the same terms and conditions as contained in the existing lease; Eliza N. Gray, lessor.

2. Premises located on the westerly side of White Plains avenue, opposite Logan street, Borough of The Bronx, for a term of one year, from January 1, 1904, at a rental of thirty-five dollars (\$35) per month, otherwise upon the same terms and conditions as contained in the existing lease; Mrs. Anna M. Shiel, lessor.

3. Premises on the south side of One Hundred and Fifty-eighth street, 45 feet west of Tinton avenue, for a period of one year, from February 1, 1904, at a monthly rental of twenty dollars (\$20); otherwise upon the same terms and conditions as contained in the existing lease; Annie J. Hillman, lessor.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease of premises known as the Williamson Building, corner Potter and Steinway avenues, Borough of Queens (see Minutes, 1903, page 1023):

January 18, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—At a meeting of the Executive Committee of the Board of Education held on the 21st day of October, 1903, the following resolution was adopted:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a renewal of the lease of the following named premises used for school purposes, as follows:

Premises, Potter and Steinway avenues, Queens; owner, Margaret A. Williamson Boyd; annex to Public School 8; district, No. 42; lease expires, February 15, 1904; term, 1 year; annual rental, \$2,000.

I had this building examined by the Department of Health and the Department of Buildings and found that it was in such a condition as to make the use of the entire building for school purposes absolutely out of the question. A full report was made thereon to the Commissioners of the Sinking Fund in a communication under date of November 11, and a copy of the same, I understand, was transmitted to the Board of Education.

The Bureau of Buildings of the Board of Education, in a communication under date of January 6, 1904, through Frank A. Collins, Deputy Superintendent of Queens, requested an interview with this office, and later Mr. Collins called upon me, the object being to find some way by which the Board of Education could continue in the use of the school building until the new school, No. 84, now in course of erection, will have been completed. This office refused to change its report in regards to the use of the entire building for school purposes, and so informed him at the time, and in a communication under date of January 13, 1904, called the attention of Mr. Adams, who is Chairman of the Committee on Buildings of said Board, to the condition of the building and the report made by the Building Department and the Department of Health.

I understand the Board of Education absolutely require the use of this property, and if under the conditions the Commissioners of the Sinking Fund agree to authorize a renewal of the lease, as requested by the Board of Education, I would respectfully recommend that in so doing they designate that the ground floor only of the building shall be used for school purposes.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved: EDWARD M. GROUT, Comptroller.

FLUSHING, N. Y., January 6, 1904.

Hon. EDWARD M. GROUT, Comptroller, City of New York:

DEAR SIR—Being personally conversant with all the details of the premises the lease of which is sought to be renewed, on the corner of Steinway and Potter avenues, Long Island City, belonging to Mrs. Mary A. Boyd, and which has been in use as an annex to Public School 8, Borough of Queens, since before consolidation, the Hon. Richard H. Adams, Chairman of the Committee on Buildings, at its last meeting, directed me to seek a personal interview with you, the object being to find some way by which we may continue in the use of these premises until the new school, Public School 84, now in course of erection, will have been completed.

The Assistant Superintendent of Buildings of the Borough of Queens thinks fire escapes should be erected on the front. This the owner refuses to do on the ground that a one-year renewal does not warrant her in expending \$1,500 for something which will be of no use to the premises when the Board of Education moves out.

Mr. Adams thinks it would be unwise for the Board of Education to expend \$1,500 for a fire escape, in view of the short time this building will be needed and the expected early completion of the new school.

We have had our Inspectors out all the fall, as their other duties permitted, inspecting buildings proposed for school purposes to find if possible suitable quarters to take the place of this building, but in all cases the rental asked, the cost of fitting up, or their unsuitability, have brought all our efforts to naught.

May I have the honor of conferring with you on this specific matter by or before Monday noon, January 11, that I may report to Mr. Adams at the next meeting of the Committee on Buildings, to be held in the afternoon of the above date.

Very respectfully,

FRANK A. COLLINS,

Deputy Superintendent of School Buildings, Borough of Queens.

Whereas, The Commissioners of the Sinking Fund, at meeting held November 18, 1903, returned the application of the Board of Education for a renewal of the lease

of premises at Potter and Steinway avenues, Borough of Queens, with directions to either have the owner comply with the requirements of the Department of Buildings, with reference to fire escapes, etc., or look for another location for school purposes; and

Whereas, It appears that the owner refuses to comply with such requirements, and that this particular piece of property is the only place obtainable in the neighborhood; and

Whereas, The Board of Education has requested that the lease be renewed with the understanding that the ground floor only be used for school purposes, so as to enable the school to continue until the new School 84, now in course of erection, is completed; therefore be it

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City from Mrs. Mary A. Williamson Boyd, of the Williamson Building, at the corner of Potter and Steinway avenues, Long Island City, Borough of Queens, used as an annex to Public School 8, for a term of one year from February 15, 1904, at an annual rental of two thousand dollars (\$2,000), payable quarterly; otherwise, upon the same terms and conditions as contained in the existing lease. The Commissioners of the Sinking Fund, in authorizing this lease, do so with the understanding that the ground floor of the building only shall be used for school purposes, and that any occupation of the building for school purposes other than the ground floor will be without authority; the Commissioners of the Sinking Fund deeming that it would be for the interests of the City that a lease of the premises for the purposes specified should be made.

The report was accepted and the resolution unanimously adopted.

At this point the Chairman of the Finance Committee, Board of Aldermen, arrived, took his seat in the Board, and thereafter participated in the proceedings.

The Comptroller presented the following report of the Appraiser of Real Estate and offered the following resolution, relative to a renewal of the leases of premises corner Westchester and Greene avenues, and premises at One Hundred and Forty-fifth street and College avenue, for the President of the Borough of The Bronx:

January 5, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—In a communication under date of December 18, 1893, Hon. Louis F. Haffen, President of the Borough of The Bronx, requests the Commissioners of the Sinking Fund to authorize a renewal of two leases for premises occupied by The City of New York, office of the President of the Borough of The Bronx. One, located on the southeast corner of Westchester turnpike and Green lane, a plot 50 by 100 feet, at an annual rental of \$100 (owner, Mary E. Moore), lease of which expires January 1, 1904.

At a meeting of the Commissioners of the Sinking Fund held December 24, 1902 (see Minutes of Sinking Fund, page 1173), the renewal of this lease was authorized for a term of one year at an annual rental of \$100, payable quarterly, with the privilege of two successive renewals. I would respectfully recommend that advantage be taken of one of the renewals, and that the Commissioners of the Sinking Fund authorize a renewal upon the same terms and conditions as is in present existing lease.

President Haffen also requests a renewal of the lease of the five lots fronting on One Hundred and Forty-fifth street and College avenue, and two lots fronting on One Hundred and Forty-fourth street (owner, Mott Haven Company; rental, \$700 per annum), lease of which expires on February 10, 1904.

A renewal of this lease was authorized by the Commissioners of the Sinking Fund at a meeting held on June 10, 1903 (see Minutes, Sinking Fund, page 538), and I would respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the lease of the building and vacant ground containing seven City lots, five in One Hundred and Forty-fifth street, fronting on College avenue, and two on One Hundred and Forty-fourth street, west of College avenue, for a term of one year from February 10, 1903, at an annual rental of \$700, payable quarterly; the Mott Haven Company, lessors.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of leases to the City, of the following-described premises, for the use of the President of the Borough of The Bronx:

1. The plot of land situated on the southeast corner of Westchester and Greene avenues, Borough of The Bronx, for a term of one year, from January 1, 1904, at an annual rental of one hundred dollars (\$100), payable quarterly, and on the same terms and conditions as contained in the existing lease; Mary E. Moore, lessor.

2. The building and vacant ground containing seven street lots, five in One Hundred and Forty-fifth street, fronting on College avenue, and two in One Hundred and Forty-fourth street, west of College avenue, for a term of one year, from February 10, 1904, at an annual rental of seven hundred dollars (\$700), payable quarterly, and on the same terms and conditions as contained in the existing lease; The Mott Haven Company, lessors.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Department of Water Supply, Gas and Electricity, relative to the renewal of the leases of premises No. 231 East Seventy-ninth street, and rooms in the Oriental Bank Building, corner Grand street and Bowery, Borough of Manhattan:

CITY OF NEW YORK, December 28, 1903.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of the Sinking Fund:

DEAR SIR—I hereby request that the Commissioners of the Sinking Fund authorize the Comptroller to execute renewals of the leases expiring December 31, 1903, of the following premises used by this Department as photometric stations:

BOROUGH OF MANHATTAN.

January 7, 1903—Premises No. 231 East Seventy-ninth street.

January 7, 1903—Rooms Nos. 10, 11 and 12 in the Oriental Bank Building, No. 122 Bowery.

Respectfully,

R. G. MONROE,
Commissioner of Water Supply, Gas and Electricity.

I would respectfully recommend that the Commissioners of the Sinking Fund authorize the renewal of these two leases upon the same terms and conditions as is in the last lease, which expired December 31, 1903.

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

January 5, 1904.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of leases to the City of the following described premises, for the use of the Department of Water Supply, Gas and Electricity, for a term of one year

from January 1, 1904, at the yearly rents specified in each case, otherwise upon the same terms and conditions as contained in the existing leases:

1. Rooms 10, 11 and 12, in the Oriental Bank Building, southwest corner of Bowery and Grand street, Borough of Manhattan, rental six hundred (600) dollars, payable quarterly; the Oriental Bank, lessor.

2. The ground floor of premises No. 231 East Seventy-ninth street, Borough of Manhattan, rental three hundred and sixty (360) dollars per annum, payable quarterly; Joseph Stein, lessor,

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

Which was unanimously adopted.

The following communication was received from the Department of Water Supply, Gas and Electricity, relative to a renewal of the lease of premises corner One Hundred and Sixty-sixth street and Washington avenue, Borough of The Bronx:

NEW YORK, December 28, 1903.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of the Sinking Fund:

DEAR SIR—I hereby request that the Commissioners of the Sinking Fund authorize the Comptroller to execute a renewal of the lease, expiring December 31, 1903, of premises at the northeast corner of One Hundred and Sixty-sixth street and Washington avenue, used as a repair shop by Company No. 5 of this Department.

Respectfully,

R. G. MONROE,
Commissioner of Water Supply, Gas and Electricity.

I would respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the above lease upon the same terms and conditions as is in the last lease, which expired December 31, 1903.

MORTIMER J. BROWN,
Appraiser of Real Estate in charge of Bureau.

January 5, 1904.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from William H. Payne, of premises on the northeast corner of Washington avenue and One Hundred and Sixty-sixth street, Borough of The Bronx, for the use of the Department of Water Supply, Gas and Electricity, for a term of one year from January 1, 1904, at an annual rental of six hundred (600) dollars, payable quarterly, and upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

Which was unanimously adopted.

The Comptroller presented the following report of the Appraiser of Real Estate and offered the following resolution, relative to an amendment to resolution authorizing a lease of premises at No. 86 Fourth street, Long Island City, Borough of Queens, for the Police Department (see Minutes, 1903, page 963):

January 7, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held October 16, 1903, adopted a resolution authorizing the renewal of a lease of the top floor of premises No. 86 Fourth street, Long Island City, Borough of Queens, for a term of one year from December 1, 1903, at a rental of \$20 per month, otherwise upon the same terms and conditions as contained in the present existing lease, for the use of the Police Department; Margaret Moran, lessor. It seems that the owner is not Margaret Moran, but Thomas Hopkins, of No. 174 Fourth street, Long Island City.

I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution amending their resolution of October 16 by substituting the name Thomas Hopkins as lessor, in place of Margaret Moran.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Resolved, That so much of the resolution adopted by this Board at meeting held October 16, 1903, as relates to the renewal of the lease of the top floor of premises No. 86 Fourth street, Long Island City, Borough of Queens, for the use of the Police Department (paragraph 5), be and the same is hereby amended by substituting the name of "Thomas Hopkins" as the lessor in place of "Margaret Moran."

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report of the Appraiser of Real Estate and offered the following resolution, relative to an amendment to resolution authorizing a lease of premises No. 1772 Pitkin avenue, Borough of Brooklyn, for the Fire Department (see Minutes, 1903, page 952):

January 9, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held October 16, 1903, adopted a resolution authorizing the renewal of the lease of No. 1772 Pitkin avenue, Borough of Brooklyn, for a term of one year from January 1, 1904, at a rental of \$1,000 per annum, payable quarterly, otherwise upon the same terms and conditions as are contained in the present existing lease, for the use of the Fire Department; John Ennis, lessor.

It seems that the owner is not John Ennis, but Louis May, of No. 5803 Third avenue, Borough of Brooklyn.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution amending their resolution of October 16, 1903, by substituting the name of Louis May as lessor instead of the name "John Ennis."

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Resolved, That so much of the resolution adopted by this Board at meeting held October 16, 1903, as relates to a renewal of the lease of premises No. 1772 Pitkin avenue, Borough of Brooklyn, for the use of the Fire Department (paragraph 5), be and the same is hereby amended by substituting "Louis May" as the name of the lessor in place of "John Ennis."

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease of premises at No. 231 Bowery, Borough of Manhattan, for the Department of Street Cleaning:

January 15, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Hon. John McGaw Woodbury, Commissioner of the Department of Street Cleaning, in a communication under date of December 4, 1903, requests the consent and approval of the Commissioners of the Sinking Fund for a renewal of the lease of the premises No. 231 Bowery, in the Borough of Manhattan, now occupied

by his Department as a section station, which expired on the 20th day of December, 1903, for a period from December 20, 1903, to May 1, 1907, at an annual rental of \$1,000, payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease."

This lease was originally made for a period of one year by resolution of the Commissioners of the Sinking Fund at a meeting held November 5, 1902 (see Minutes, Sinking Fund, pages 922 and 1159), the City, in addition to paying the rent, to assume the payment of rents for Croton water used on the premises, the lessor to furnish steam to heat the said premises.

This is not exactly a renewal of the lease, for the simple reason that the rent now asked is \$200 increase over the rental allowed by the Commissioners of the Sinking Fund for the year last past, and the term instead of being one year is made for three years four months and eleven days. The attorney and agent of the owner, John T. Allen Company, No. 565 Seventh street, Brooklyn, New York, declares that he can dispose of the premises to another party, who now occupies one of the upper floors, at the proposed rental of \$1,000, and the Deputy Commissioner of Street Cleaning requests that the lease be made for a long period for the reason that he does not desire to be put in a position whereby an increased rental may be asked from time to time, and this is a case where it would be for the best interests of the City that the lease be made for the period asked. Inasmuch as the Department of Street Cleaning is restricted to the use of the ground floor only of buildings, I find it impossible, in the vicinity of this section station, to find another site which would answer their purposes, and, under the circumstances, I am compelled to request that the Commissioners of the Sinking Fund authorize a lease of the rear store of premises known as No. 231 Bowery, Borough of Manhattan, with entrance thereto through the freight hallway, for a period of time from the expiration of the old lease, December 20, 1903, to May 1, 1907, at an annual rental of \$1,000, payable quarterly; owner, Nellie May, represented by John T. Allen Company, No. 565 Seventh street, Brooklyn, New York, as attorney and agent; otherwise upon the same terms and conditions as are contained in the lease which expired December 20, 1903.

Respectfully submitted for approval,

MORTIMER I. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved: N. TAYLOR PHILLIPS, Deputy Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a lease to the City from Nellie May, of the rear store of premises known as No. 231 Bowery, Borough of Manhattan, with entrance thereto through the freight hallway, for use as a section station, for a term from December 20, 1903, to May 1, 1907, at a rental of one thousand dollars (\$1,000) per annum, payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that a lease of the premises for the purposes specified should be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report of the Appraiser of Real Estate, and offered the following resolution relative to an amendment to resolution authorizing a sale of a strip of land corner Avenue U and Ocean avenue, Borough of Brooklyn (see minutes, 1903, page 1294):

January 15, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund, at a meeting held December 30, 1903, adopted a resolution authorizing the sale at public auction of premises owned by the City, located on the corner of Avenue U and Ocean avenue, in the Borough of Brooklyn, formerly a part of an old public school site. Owing to an error in the description, I would respectfully recommend that the resolution of the Commissioners of the Sinking Fund be amended so as to read as follows:

Resolved, That, pursuant to the provisions of section 205 of the amended Greater New York Charter, the vacant lot of real estate belonging to The City of New York, situate on the southeast corner of Avenue U and Ocean avenue, in the Borough of Brooklyn, bounded and described as follows:

Voorhees, by deed recorded in the Register's office of the County of Kings, in Liber 1336 of Conveyances, page 78,

—be sold for the highest marketable price at public auction, after due advertisement, at a minimum or upset price of seven hundred dollars (\$700), and the Comptroller is hereby authorized to take the necessary steps for making such sale on the following

Terms and Conditions.

The highest bidder will be required to pay 25 per cent. of the amount of his bid, together with the auctioneer's fees of twenty-five dollars (\$25), at the time of the sale, 75 per cent. upon the delivery of the deed, which deed shall be a bargain and sale deed, and to be delivered thirty days after the date of the sale, said payments to be made in cash.

The Comptroller may at his option resell the property if the successful bidder shall fail to comply with the terms of the sale, and the person failing to comply therewith will be held liable for any deficiency resulting from such resale.

The Comptroller reserves the right to reject any and all bids which are not for the best interests of the City.

Respectfully submitted for approval,

MORTIMER I. BROWN,

Appraiser of Real Estate in Charge of Bureau.

The following communication was received from the Department of Bridges, relative to a lease of rooms in the Park Row Building:

January 30, 1904.

To the Honorable Commissioners of the Sinking Fund of The City of New York:

GENTLEMEN—For the use of the Department of Bridges I desire more space on the twelfth floor of the Park Row Building, as the rooms now being used by the Department are inadequate, and I therefore request your Honorable Board to lease from the agent of the Park Row Building, in addition to that which is now occupied by the Department, the following offices:

Room No. 1228—Floor space 180 square feet.
Room No. 1229—Floor space 133 square feet.
Room No. 1230—Floor space 133 square feet.
Room No. 1231—Floor space 155 square feet.
Room No. 1236—Floor space 345 square feet.
Room No. 1237—Floor space 122 square feet.
Room No. 1238—Floor space 122 square feet.
Room No. 1239—Floor space 280 square feet.

The Rooms Nos. 1236 to 1239 inclusive had been occupied by this Department until two years ago, when they were given up by the City because of the vacancy in the office of Chief Engineer and other changes in the staff of the engineering force.

I am informed by the agents of the building that the City pays a special rental for the offices it occupies therein, which is known to the Comptroller only.

Please arrange for immediate possession, as the present tenants in four of the rooms are anxious to move out, and expect to turn them over as soon as the necessary authority is given.

Respectfully,

GEO. E. BEST, Commissioner of Bridges.

In connection therewith the Comptroller presented the following report and offered the following resolution:

January 20, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioner of the Department of Bridges, in a communication under date of January 13, 1904, requests the approval and consent of the Commissioners of the Sinking Fund for a lease of Rooms 1228 to 1231, inclusive, containing in area 601 square feet, and Rooms 1236 to 1239, inclusive, containing in area 869 square feet, for the use of the Chief Engineer and the staff of the engineering force.

Rooms 1236 to 1239, inclusive, have been occupied by the Bridge Department up to a period of about two years ago, when they were given up by the late Bridge Commissioner, for the reason that a vacancy occurred in the office of the Chief Engineer and other changes in the staff of the Engineering Department.

The Commissioners of the Sinking Fund, at a meeting held May 21, 1902, adopted a resolution authorizing the payment of the rent for the use of these rooms from January 1 to May 1, 1902, at the price fixed by the resolution of the Commissioners of the Sinking Fund, January 20, 1899.

Inasmuch as the Department of Bridges absolutely requires the use of these rooms for Departmental purposes, I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Corporation Counsel to prepare a lease of the rooms Nos. 1236 to 1239, inclusive, containing an area of 869 square feet, for a period of one year, for the sum of \$1,433.85 per annum, or at the rate of \$1.65 per square foot, the Park Row Construction Company, lessors.

And also a lease of Rooms Nos. 1228 to 1231, inclusive, containing an area of 601 square feet, for a period of one year, for the sum of \$901.50 per annum, or at the rate of \$1.50 per square foot, the Park Row Construction Company, lessors.

The rent, being reasonable and just, to be paid by the Department of Bridges out of funds appropriated for the Department and not used for other purposes, the lessors to furnish light, heat and janitor services.

Respectfully submitted for approval.

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved: N. TAYLOR PHILLIPS, Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Park Row Construction Company, of Rooms Nos. 1228, 1229, 1230, 1231, 1236, 1237, 1238, 1239, in the Park Row Building, Borough of Manhattan, for the use of the Department of Bridges, for a term of one year from the date of occupation, at an annual rental of two thousand three hundred and thirty-five dollars and thirty-five cents (\$2,335.35), payable quarterly from the appropriation made to said Department of Bridges; the lessor to furnish heat, light and janitor's service; and the Commissioners of the Sinking Fund, deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Comptroller moved that when the Board adjourn it adjourn to meet subject to the call of the Chair.

The City of New York,
Office of the President of the Borough of The Bronx,

Office of the Chief Engineer,
December 23, 1903.

Hon. LOUIS F. HOFFEN, President:

Dear Sir—I am informed that the Commissioners have been appointed since November 6, 1903, in the proceeding to acquire title to the widening of East Two Hundred and Thirty-third street, from Webster avenue to The Bronx river, and I am also informed that the Commissioners have not yet filed their oaths of office. In view of these facts, I beg to suggest that the matter be brought to the attention of the Street Opening Bureau, with a view to having the oaths of the Commissioners filed as soon as possible, so that title may vest in these lands at as early a day as may be. The contract work is progressing quite rapidly, and even at the earliest date that the title can vest there will be some considerable delay to the contractor, no doubt.

Respectfully,

JOSIAH A. BRIGGS,
Chief Engineer of the Borough of The Bronx.

On motion, the Secretary was directed to communicate with the Mayor and request that a date be fixed on which title would vest in the City to said Two Hundred and Thirty-third street, from Webster avenue to the Bronx river.

Whereas, Section 393 of the revised Charter requires canals to be kept free from obstruction occasioned by the emptying of overflow sewers therein, and when any canal is so obstructed directs the President of the Borough in which such canal is located to dredge the same; and

Whereas, Under the authorization of a resolution adopted by the Board of Aldermen on December 1, 1903, and approved by the Mayor on December 9, 1903, the President of the Borough of Brooklyn was empowered to expend the sum of twenty-two thousand five hundred dollars (\$22,500) for dredging the Gowanus canal, the Wallabout canal, etc., in compliance with the requirements of the Charter, without further advertising; and

Whereas, The amount available for such expenditure under the aforesaid resolution has been exhausted, and there still remains about 15,000 cubic yards of overflow sewer deposit to be removed in said canals, and the cessation of work on the part of the contractors employed to remove the deposits would cause unnecessary delay and further expense to the city; and

Whereas, There is now available \$11,400 in the appropriation for dredging sewer outlets for this purpose for 1904; therefore be it

Resolved, That the President of the Borough of Brooklyn be and he is hereby authorized to expend, without further advertising, the sum of \$10,400 for dredging the Gowanus canal, the Wallabout canal, etc., in compliance with the requirements of the Charter.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise, in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either enclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
