Whereas, On March 1, 1904, the Police Commissioner ordered the following proceedings:

Whereas, In the departmental estimate of the Police Department of The City of New York of the amount required for expenses for the year 1904, the amount required for the Police Fund for salaries of the Police Commissioner, Deputy Police Commissioners, Inspectors, Sergeants, Captains, Sergeants, Detective Sergeants, Roundsmen, Patrolmen, Doormen, Matrons, Telegraph Bureau and Steam Boiler Squad employees, etc., was \$11,740,750, including therein an amount of \$120,000 for the salaries of 150 Patrolmen, increase of force, at \$800 each per annum; and

Whereas, The Board of Estimate and Apportionment in final estimate allowed for such appropriation (Police Fund, etc.) the sum of \$11,000,000; and

Whereas, Application was made January 7, 1904, to the Board of Estimate and Apportionment and the Board of Aldermen for authority to be given the Police Commissioner to increase the Police Force of The City of New York by adding to the number of Patrolmen from time to time during the year 1904, not to exceed 150 * * * and provided that the salaries of such additional Patrolmen shall be paid out of the appropriation made to the Police Department for the year 1904, entitled "Police Fund—Salaries of Police Commissioner, etc.," and provided the same is sufficient for such purpose; and

Whereas, It appears that the liability at this time of such account is such in amount that the Police Commissioner could not pay the salaries of 150 additional Patrolmen without exceeding the appropriation made to the Police Department for said account; and

Whereas, An urgent necessity exists at this time for the increase in force allowed under the Charter by the appointment of such 150 Patrolmen;

Ordered, That the proceedings of January 7, 1904, asking for authority to appoint such additional Patrolmen, be amended by striking out the words "and provided that the salaries of such additional Patrolmen shall be paid out of the appropriation made to the Police Department for the year 1904, entitled 'Police Fund—Salaries of Police Commissioner, Deputy Police Commissioners, Inspectors of Police, Surgeons, Captains, Sergeants, Roundsmen, Patrolmen, etc.," and that there be substituted therefor the words "and that provision be made by the Board of Estimate and Apportionment for the payment of salaries of such additional Patrolmen, with the approval of the Board of Aldermen"; and

Whereas, The Police Commissioner received a communication, dated March 19, 1904, from Hon. J. W. Stevenson, Deputy Comptroller, as follows:

Hon. WILLIAM McADOO, Police Commissioner:

Dear Sir—At a meeting of the Board of Estimate and Apportionment held March 18, 1904, your communication amending the order of your Department adopted January 7, 1904, asking for authority to increase the Police Force by adding to the number of Patrolmen from time to time during the year 1904, not to exceed 150, the salaries of the same to be paid out of the appropriation made to the Police Department, entitled "Police Fund," was presented, and I was directed by the Board to advise you that in order to get additional funds it will be necessary to have an issue of Special Revenue Bonds.

Special Revenue Bonds are issued by authority of the Board of Aldermen, approved by the Board of Estimate and Apportionment.

It is therefore suggested that you have the matter brought to the attention of the Board of Aldermen.

Respectfully yours,
(Signed) J. W. STEVENSON, Deputy Comptroller.

Ordered, That the Board of Aldermen be and are hereby respectfully requested to authorize the issue of Special Revenue Bonds for the purpose of making the necessary provision for the payment of salaries of such additional Patrolmen, by and with the approval of the Board of Aldermen.

Ordered, That the Board of Estimate and Apportionment be and are hereby respectfully requested to approve the issue of Special Revenue Bonds for the purpose of making the necessary provision for the payment of salaries of such additional Patrolmen, provided the Board of Aldermen authorize the same.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, shall be or become interested, directly or indirectly, in the contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 470 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures. Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
