## DEPARTMENT OF FINANCE.

WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE  
FRIDAY, NOVEMBER 19, 1915.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

#### Notice of Public Hearing.

##### FRANCHISE MATTERS.

PUBLIC NOTICE IS HEREBY GIVEN PURSUANT to law that at a meeting of the Board of Estimate and Apportionment held November 5, 1915, the following petition was received:

TO THE HONORABLE THE BOARD OF ESTIMATE AND APPOINTMENT OF THE CITY OF NEW YORK.

The amended petition of the Fifth Avenue Coach Company respectfully shows:

I. That the petitioner is a domestic common carrier corporation duly organized to own, operate, manage and control a line of passenger stages or omnibuses for the transportation of passengers for hire.

II. That the post office address of the petitioner is No. 10 East 102nd Street, Borough of Manhattan, City, County and State of New York.

III. That the petitioner now owns and operates lawfully established stage routes as set forth at length in its applications filed with your Honorable Board on the following dates, to wit: June 5, 1913, and March 21, 1914, said applications constituting public records in the premises and reference thereto is prayed as fully as if here set forth at length.

IV. That for the purpose of establishing, maintaining and operating stage and omnibus routes for public use in the conveyance and transportation of persons and property for compensation, your petitioner desires to obtain from your Honorable Board and hereby respectfully applies for a grant of the right, privilege and franchise for the establishment, maintenance and operation by your petitioner of stage and omnibus routes for public use in the conveyance and transportation of persons and property for compensation, upon and along and over the surface of streets, avenues, highways, bridges, approaches and public places in the Borough of Manhattan of the City of New York, of which a description is hereto attached and hereby made part hereof. It is designated as "Schedule A."

The omission from said "Schedule A" of various routes shown on the map which accompanied the letter of the Franchise Committee of May 4, 1915, upon the basis of which applicants were invited to submit propositions, is upon the assumption that the Franchise Committee in its report of October 15, 1915, has recommended the adoption of the principle that new routes for omnibus operation should be such as to directly compete as little as possible with existing transit systems and also upon the assumption that no route will be authorized where ultimate public convenience and necessity will not require additional and competitive transit facilities.

This petition is amendatory of the petitioners heretofore filed with your Honorable Board upon the dates above specified, to wit: June 5, 1913, and March 21, 1914, upon which public hearings have been duly held.

#### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereunto belonging, to be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions, being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.
