Queens Borough Public Library—Request for Special Revenue Bonds, \$1,200, to Meet Deficit in Account for Repairs to Buildings.

The Queens Borough Public Library, Jamaica, New York, April 16, 1917.

Honorable Board of Aldermen, City of New York:

Gentlemen—Herewith is transmitted a copy of a resolution taken by the Queens Borough Public Library Board of Trustees at its meeting held on April 12, 1917, requesting an issue of revenue bond funds to provide for an additional appropriation in the total amount of twelve hundred dollars to the account of the Queens Borough Public Library for Repairs to Buildings, this being the deficit in the amount required. Your attention is respectfully directed to this matter and its favorable consideration requested.

No. 1527.

Department of Finance—Statement Showing Issues of Special Revenue Bonds from January 1, 1917, to April 20, 1917, the Unissued Balances of Authorizations as at April 20, 1917, and Amount of Requests Now Pending.

City of New York, Department of Finance, April 23, 1917.

Hon. FRANCIS P. KENNEY, Chairman, Committee on Finance, Board of Aldermen, the City of New York:

Dear Sir—An examination has been made of the general situation in regard to special revenue bonds authorized under subdivision 8, section 188 of the Charter, for the purpose of determining to what extent the \$2,000,000 limitation which is placed upon the issues in any one year is encumbered.

As a result of this examination it is now possible to submit to you the attached statement showing issues from January 1, 1917, to April 20, 1917, the unissued balances of authorizations as at April 20, 1917, and the amount of requests now pending.

There is now in the course of preparation a statement showing the status of all authorizations having unissued balances at March 31, 1917. When completed a copy of this statement will be sent to you.

Trusting that this information will be of value to you, I am,  
Very truly yours, ALBERT E. HADLOCK, Deputy and Acting Comptroller.

\*On account of the expiration of the period for which obligations may be contracted for under these authorizations, it might be possible that the departments, when notified, will consent to the rescindment of a small portion, thereby reducing the encumbrances to that extent on the \$2,000,000 limitation placed upon the issues in any one year.

Which was ordered on file.

The Vice-Chairman laid before the Board the following communication from the Armory Board:

No. 1528.

To the Honorable the Board of Aldermen:

Gentlemen—I have the honor to transmit herewith a copy of a resolution adopted by the Armory Board April 16, 1917, as follows:

Resolved, That the Armory Board hereby requests the Board of Aldermen to request the Board of Estimate and Apportionment to authorize the issue of special revenue bonds, pursuant to the provisions of subdivision 8 of section 188 of the Greater New York Charter, in the sum of \$8,870 to supply the deficiency in the appropriation of 1917 for the purchase of coal for the various armories of the N. **Board of Trustees, Bellevue and Allied Hospitals—Request for Special Revenue Bonds, \$266,700, for Purchase of Certain Supplies.**

Bellevue and Allied Hospitals, Office of the Board of Trustees, 1st Avenue and 26th Street, New York, April 18, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, New York:

Sir—The Trustees of Bellevue and Allied Hospitals have the honor to request the Board of Aldermen to authorize an issue of special revenue bonds in the sum of \$266,700, to meet the anticipated deficits in the appropriations for food, fuel and medical and surgical supplies, as follows:

Fuel .....	56,700 00

\$266,700 00

A statement is in course of preparation by the General Medical Superintendent giving the reasons in detail for the necessity of this request, and will be presented to your Board when completed.

Respectfully, J. K. PAULDING, Secretary, Board of Trustees.

Which was referred to the Committee on Finance.

The Vice-Chairman laid before the Board the following communication from the President of the Borough of Queens:

No. 1530.

**President, Borough of Queens—Request for Special Revenue Bonds, \$10,000, to Relieve Dangerous Highway Conditions on Thrall Avenue.**

The City of New York, Office of the President of the Borough of Queens, Long Island City, April 19, 1917.

To the Honorable Board of Aldermen, City Hall, N. Y. City:

Sirs—On March 31, 1917, I addressed a communication to your Board requesting the approval of an issue of special revenue bonds to the extent of \$10,000 to provide funds for relieving the dangerous conditions existing in the highways in the neighborhood of Thrall Avenue and Beaufort Street, in the Woodhaven section of this borough. Pending the application of this request plans and specifications were prepared, and on April 19 bids were received for the work necessary to remedy the conditions, as follows:

Ajax Drainage Cont. Corp. ....	\$12,473 00
Lupier & Remick .....	14,316 25
The Green Cont. Co. ....	16,887 80
Murphy Bros. ....	16,888 85
Peace Bros. ....	17,640 25
Western Eng. & Const. Corp. ....	19,143 00
C. R. Simpson .....	19,478 93
Watson-Flagg Eng. Co. ....	25,425 51

The low bid is \$2,473 in excess of the amount requested in revenue bonds, and I therefore ask that you consider my application of March 31, 1917, as \$12,473 instead of \$10,000, for the reason that the low bid contemplates an expenditure to that amount. Yours very truly,

MAURICE E. CONNOLLY, President of the Borough of Queens.

Which was referred to the Committee on Finance.

The Vice-Chairman laid before the Board the following communications from the Commissioner of Public Charities:

No. 1531.

**Commissioner of Public Charities—Request for Authority to Purchase a Touring Car Without Public Letting.**

Department of Public Charities of The City of New York, Municipal Building, Tenth Floor, April 19, 1917.

Re Permission to Purchase Touring Car.

To the Honorable the Board of Aldermen, City Hall, New York:

Gentlemen—I respectfully request permission to purchase in the open market, without public letting, a touring car, at a cost of about \$2,700. This item would be a charge against our account 1917—1917—Motor Vehicles and Equipment.

May I request your early and favorable action in this matter.

Very sincerely yours,

JOHN A. KINGSBURY, Commissioner.

Which was referred to the Committee on Public Letting.

No. 1532.

**Commissioner of Public Charities—Request for Permission to Award Contract, Without Public Letting, for General Construction Work in Connection with Central Storehouse and Elevator on Blackwell's Island.**

Department of Public Charities of The City of New York, Municipal Building, Tenth Floor, April 24, 1917.

Re Central Storehouse, B. I.

To the Honorable the Board of Aldermen, City Hall, New York:

Gentlemen—Permission is hereby requested to enter into a contract, without public letting, with Albert Winternitz for the general construction work in connection with the central storehouse and elevator on Blackwell's Island, the said contract to be in the sum of \$340,000.

On February 23, 1917, an opening of bids for this particular work was held and the above-mentioned contractor submitted the lowest of nine bids received. On this date the unencumbered balance in our corporate stock account C. C. H—58, for the construction of a central storehouse and elevator on Blackwell's Island, was \$234,913.57. Mr. Winternitz's bid of \$340,000 exceeded the unencumbered balance in the account. It was therefore necessary for us to secure additional corporate stock funds before it was possible for us to make an award. It now develops that through a recent decision of the courts it would be illegal for us to award this contract in view of the fact that the needed funds were secured subsequent to the opening of bids for this contract.

The case upon which the Board of Appeals made their decision was the Brooklyn Court House contract.

I believe that your honorable board has already had similar situations come before you. It is our desire to proceed in all haste with the construction of the central storehouse and elevator, and in view of this fact we would appreciate it very much if your Honorable Board will give this matter prompt attention.

Very sincerely yours,

JOHN A. KINGSBURY, Commissioner.

Which was referred to the Committee on Public Letting.

The Vice-Chairman laid before the Board the following communication from the Board of Estimate and Apportionment:

No. 1533.

**Board of Estimate and Apportionment—Resolution to Establish the Grades of Positions of Foreman Machinist and Foreman House Painter in the Fire Department.**

City of New York, Board of Estimate and Apportionment, Office of the Secretary, Municipal Building, April 23, 1917.

To the Honorable the Board of Aldermen:

Gentlemen—I transmit herewith certified copy of resolution adopted by the Board of Estimate and Apportionment April 20, 1917, recommending the establishment in the Fire Department of the grades of positions of Foreman Machinist and Foreman House Painter at \$1,500 per annum each, for one incumbent.

I also enclose copy of report of the Committee on Salaries and Grades relative thereto. Respectfully,

JOSEPH HAAG, Secretary.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Fire Department of the grades of positions, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.	Number of Incumbents.
Foreman Machinist .....	\$1,500 00	One
Foreman House Painter .....	1,500 00	One

A true copy of resolution adopted by the Board of Estimate and Apportionment, April 20, 1917.

JOSEPH HAAG, Secretary.

Bureau of Personal Service, Board of Estimate and Apportionment, April 3, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On March 3, 1917, the FIRE COMMISSIONER requested modification of Code No. 1672 for 1917. The Bureau of Personal Service reports thereon as follows:

"Purpose—To increase the rate of Foreman Machinist, from \$5 a day to \$5.50 a day, and of Foreman House Painter, from \$4.50 per day to \$5.50 per day.

"Reason—On February 20, 1917, the Board of Aldermen, pursuant to a request of the Board of Estimate and Apportionment, and in conformity with a report of the Bureau of Personal Service on the prevailing rates of pay for certain skilled mechanics in private employment, established the rate of \$5 per day for Painter. On February 27, 1917, in like manner, the Board of Aldermen established the rate of \$5 per day for Machinists. During the time Journeymen were paid the lower rate, Foremen were receiving, as a rule, 50 cents per day more. The Commissioner now requests an increase for the Foreman so as to maintain a proper distinction in the rates between Journeymen and Foremen.

"Finding—As pointed out to your Board in a previous report on Foremen in the Department of Docks and Ferries, it has been the general custom in the City service to pay Foremen 50 cents a day more than Journeymen. In the majority of departments Foremen and General Foremen of repair gangs who supervise some skilled mechanics, in addition to others, are paid a per annum rate. In the Department of Plant and Structures, certain Foremen of skilled trades are employed on a yearly basis. There is no reason why all regularly employed Foremen, whether of skilled trades or not, should not be paid in this way. The rate fixed should be somewhat higher than that for Journeymen continuously employed, but not necessarily 50 cents over the Journeymen. The advantages, consisting of longer vacations, no reduction for certain excused time, and others, attached to a per annum rate more than offset the proposed difference in pay. In the present request the per annum rate of \$1,500 for both the Foreman Machinist and Foreman House Painter is proper. This rate is the minimum of the grade for the work to be performed."

Recommendation—In view of the above report, your Committee recommends that the Board of Aldermen be requested to establish the positions of Foreman Machinist at \$1,500 per annum, and Foreman House Painter at \$1,500 per annum.

Recommendations for the establishment of positions for employment on the basis of 6 and 7 working days in the week will be made in a subsequent report.

Respectfully, ALBERT E. HADLOCK, Deputy and Acting Comptroller; JOHN PURROY MITCHEL, Mayor; LEWIS H. POUNDS, President, Borough of Brooklyn; Committee on Salaries and Grades.

Which was referred to the Committee on Salaries and Offices.

The Vice-Chairman laid before the Board the following communication from the President of the Borough of Brooklyn:

No. 1534.

**President, Borough of Brooklyn—Request for Authority to Purchase Coal Without Public Letting.**

The City of New York, Office of the President of the Borough of Brooklyn, Borough Hall, Brooklyn, April 21, 1917.

Honorable Board of Aldermen, The City of New York:

Gentlemen—As per the resolution adopted by your Board of Aldermen on January 16, 1917, and approved by the Mayor on January 26, 1917, and pursuant to the provisions of section 419 of the Greater New York Charter, authority is requested from your Board to empower the Borough President to purchase such coal as may be necessary for the use of his departments during the period ending September 30, 1917, in amounts aggregating more than one thousand dollars (\$1,000), on open market order, instead of by contracts. Yours very truly,

E. W. VOORHIES, Acting Borough President.

Which was referred to the Committee on Public Letting.

No. 1535.

**Police Commissioner—Request for Special Revenue Bonds, \$30,000, for Purchase of Fuel.**

City of New York, Police Department, Office of the Commissioner, April 23, 1917.

The Honorable the Board of Aldermen, City of New York:

Gentlemen—It is respectfully requested that an issue of Special Revenue Bonds in the amount of \$30,000 be authorized for the purpose of meeting an anticipated deficit in the Police Department appropriation for the purchase of fuel (Code No. 1611). This deficit is due to the increased prices of coal over the prices estimated in the budget and to a slight increase in consumption. Respectfully,

LEON G. GODLEY, Acting Police Commissioner.

Which was referred to the Committee on Finance.

The Vice-Chairman laid before the Board the following communication from the Commissioner of Parks, Borough of The Bronx:

No. 1537.

**Commissioner of Water Supply, Gas and Electricity—Request for Special Revenue Bonds, \$15,879, to Provide for Advance in Wages of Pipe Caulkers and Tappers.**

The City of New York, Department of Water Supply, Gas and Electricity, Office of the Commissioner, Municipal Building, New York, April 23, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, New York City:

Dear Sir—The wages of Pipe Caulkers and Tappers have been increased from \$4 to \$4.50 per day by concurrent resolution of the Board of Estimate and Apportionment and the Board of Aldermen, effective March 1, 1917. To provide the necessary funds to meet this advance in wages, I respectfully request that the Board of Aldermen recommend to the Board of Estimate and Apportionment an issue of special revenue bonds in the sum of \$15,879. Respectfully,

WILLIAM WILLIAMS, Commissioner.

**Commissioner of Water Supply, Gas and Electricity—Stating Opposition of Department to "An Ordinance to Amend Section 145 of Article 13 of Chapter 23 of the Code of Ordinances, Relating to Streets and Particularly Relating to Posts and Poles."**

The City of New York, Department of Water Supply, Gas and Electricity, Office of the Commissioner, Municipal Building, New York, April 24, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, New York City:

Dear Sir—The department opposes the proposed ordinance recently introduced by Alderman Haubert, entitled "An ordinance to amend section 145 of article 13 of chapter 23 of the Code of Ordinances, relating to streets and particularly relating to posts and poles," for the following, amongst other, reasons:

1. This ordinance is in conflict with that portion of section 528 of the Charter which provides that the Commissioner of Water Supply, Gas and Electricity "shall determine whether any extension of the existing electrical conductors of any person or corporation in said city shall be by means of overhead or underground conductors."

2. Under the Charter the Board of Estimate is alone empowered to order wires underground, sections 525 to 527, and yet by preventing the extension, repair, or relocation of present pole lines the effect of the ordinance would be to require wires to be placed underground.

3. In order to reach many undeveloped and sparsely settled section of the city it is necessary for overhead wires to pass through well developed sections. In such cases the proposed ordinance would restrict the supply of current to such undeveloped sections by preventing the erection of the necessary pole lines to reach them.

4. Many well built up suburban streets are ungraded and unpaved. In the case of ungraded streets it would not be possible to install underground construction for the accommodation of electric conductors, for the reason that the manholes and hand holes would have to be placed at the grade which will exist when the road is finally finished and might thus project above the existing grade and become a menace to traffic through such streets.

5. The ordinance, if enforced, would require short sections of underground between sections where the conductors were carried overhead on poles. This form of construction is very objectionable from an engineering standpoint and possesses characteristics detrimental to reliable service. It would also be much more expensive to maintain. Respectfully,

WILLIAM WILLIAMS, Commissioner.

The Vice-Chairman laid before the Board the following communications from the Commissioner of Docks and Ferries:

No. 1539.

**Commissioner of Docks—Request for Authority to Contract for Dredging Without Public Letting.**

The City of New York, Department of Docks and Ferries, Office of the Commissioner, Pier A, North River, April 21, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen:

Dear Sir—Owing to the abnormal conditions brought about by the war it has been found impossible to secure satisfactory bids on contracts for dredging. The dredging companies, without exception, state that they are unwilling to bid upon work to be covered by contracts which can only be executed after considerable delay and which obligate them to do work at uncertain periods in the future. They state that their equipment may be requisitioned at any time by the United States Government and that regulations concerning the closing of the harbor make it practically impossible for them to bid except for immediate acceptance and for work to be done within a very short time after the order is given. The department has nevertheless tried ever since the first of the year to secure a contract for dredging, but without success.

On January 24, 1917, bids were opened and only one offer was received for dredging on the North River; no bids were received for East River work. The price of the North River dredging was 28 1-2 cents per cubic yard, as against an estimate of 18 cents per cubic yard. The bid was rejected and the contract readvertised, bids being opened on March 9. Again but one bid was received for North River dredging, at 35 cents per cubic yard, and for East River dredging at \$1 per cubic yard. Bids were opened a third time on March 27 and but one bid was received, 29 cents a cubic yard for North River dredging and 98 cents for East River dredging. The department has a balance in its appropriation for dredging of \$28,791.03.

Many of the steamship slips are shoaled to a point where immediate dredging is necessary. The City is under contract with the International Mercantile Company, with the Cunard Steamship Company and with the Fernch Line for the dredging of their slips and urgent demands have been made upon the department to carry out the City's obligation. The French Line has notified the department that it declines to pay rent until the dredging is done and that it will hold the City liable for any damage to ships caused by the shoaling of the slips.

I request that authority be given me to award, without public letting, orders for dredging in excess of \$1,000, such orders to be given from time to time between the date of authorization and December 31, 1917, as it is possible to secure the doing of the work, up to the limit of the appropriation as above.

Very truly yours,

R. A. C. SMITH, Commissioner of Docks.

In connection with the foregoing communication Alderman McCann offered the following resolution, and moved that the same be made a Special Order for the day.

Which was adopted.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Docks be and he is hereby authorized and empowered to enter into contract or contracts, without public letting, for dredging work in the East and North Rivers, such orders to be given from time to time between the date of authorization and December 31, 1917, but only to the extent of the balance

in the appropriation for dredging, namely, twenty-eight thousand seven hundred and ninety-one dollars and three cents (\$28,791.03).

At this point the President assumed the chair.

The President then put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Burns, Browne, Carroll, Cardani, Cassidy, Cole, Collins, Cox, Crane, Cunningham, Curley, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Farley, Ferguson, Ferrand, Friedlander, Gaynor, Gilmore, Glennon, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Post, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Shields, Silberstein, Smith, Squiers, Sullivan, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; the Vice-Chairman—64.

No. 1540.

**Commissioner of Docks—Request for Authority to Make Alterations to the Recreation Pier at East 24th Street, Manhattan, Without Public Letting.**

The City of New York, Department of Docks and Ferries, Office of the Commissioner, Pier A, North River, April 24, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen:

Sir—Negotiations have been in progress with the Navy Department of the United States Government for the use of the recreation pier at the foot of East 24th Street, Borough of Manhattan, on a basis of rental at the rate of \$30,000 per annum; the City to enclose the lower deck of the pier and provide suitable doors, and also to make necessary alterations to the upper deck of the pier, all in accordance with plans and specifications which have been prepared by the Chief Engineer of this department. Bids have been obtained for the alterations to the lower deck of the pier as follows:

Robbins-Ripley Company .....	\$6,099 00
Snare & Triest Company .....	6,470 00
Post & McCord .....	7,300 00
J. Edward Ogden Company .....	8,635 66

The Robbins-Ripley Company are the lowest bidders and agree to start the work at once and complete same in twenty-five working days.

At a meeting of the Commissioners of the Sinking Fund held April 19, 1917, a resolution was adopted approving of and consenting to the execution by the Commissioner of Docks of a lease to the United States Government of the pier at the foot of East 24th Street, Borough of Manhattan, City of New York, together with the right to use the recreation structure thereon, for the period required by the Government, at a rental at the rate of \$30,000 per annum.

The cost of making the changes is included in the \$30,000 rental and the code from which the money is taken for the improvement will be reimbursed by instalments received as rent as rapidly as possible.

This matter is extremely urgent and I respectfully request that the Board of Aldermen grant me authority as soon as possible to enter into a contract with the Robbins-Ripley Company without public letting to make the necessary alterations at a cost not exceeding \$6,099. Very truly yours,

RICHARD C. HARMON, Acting Commissioner of Docks.

In connection with the foregoing communication Alderman McCann offered the following resolution and moved that the same be made a Special Order for the day.

Which was adopted.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Docks be and he is hereby authorized and empowered to enter into a contract with the Robbins-Ripley Company, without public letting, for alterations to the recreation pier at the foot of East 24th street, Borough of Manhattan, at a cost not exceeding six thousand and ninety-nine dollars (\$6,099).

The President then put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Burns, Browne, Carroll, Cardani, Cassidy, Cole, Collins, Cox, Crane, Cunningham, Curley, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Farley, Ferguson, Ferrand, Friedlander, Gaynor, Gilmore, Glennon, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Post, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Shields, Silberstein, Smith, Squiers, Sullivan, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; the Vice-Chairman—64.

The Committee on Finance, to which was referred on April 3, 1917 (Minutes, page 9), the annexed request of the Commissioner of Records of the County of New York for Special Revenue Bonds, \$22,500, for purchase and setting up of steel file cases, etc., respectfully

#### REPORTS:

That, as this is a corporate stock matter, the request should be made to the Board of Estimate and Apportionment. The Committee accordingly recommends the matter be placed on file.

FRANCIS P. KENNEY, WM. P. KENNEALLY, JOHN T. EAGAN, JOHN DIEMER, F. H. STEVENSON, MICHAEL STAPLETON, SAMUEL J. BURDEN, CHARLES P. COLE, ROBERT L. MORAN, CHARLES DELANEY, Committee on Finance.

Commissioner of Records of the County of New York, Hall of Records, Borough of Manhattan, New York City, March 27, 1917.

Hon. FRANK L. DOWLING, President of the Board of Aldermen, Member Board of Estimate and Apportionment:

Dear Sir—Application is hereby made for the issuance of corporate stock in the amount of \$22,500, to provide for the expense of purchasing and setting up 211 steel file cases with shelves and 34 bases for same, 21 steel cabinets, and 104 special steel shelves.

These file cases will provide new shelving for records and release for records existing shelves not now used for records, to the amount of some 2,506 lineal feet of records, according to a joint study of the subject made by this Department and the office of the Commissioner of Accounts.

I am making this request for corporate stock in accordance with my duties prescribed by Chapter 291, Laws of 1911:

"\* \* \* The records \* \* \* deposited or filed in the office of the clerk of the county of New York in the county court house, \* \* \* or in any other building that may be designated or occupied as a depository for such records, \* \* \* shall be placed and kept in steel file cases which shall be provided without unnecessary delay. \* \* \* The plans for such steel file cases \* \* \* shall be prepared by the said commissioner of records as he shall direct. \* \* \*"

I therefore ask your Board to authorize me to prepare the plans and specifications for above filing equipment.

Attached hereto is a copy of the Commissioner of Accounts' letter to me, dated February 21st, 1917, in reference to the above request for funds.

Respectfully submitted,

CHARLES K. LEXOW, Commissioner of Records, County of New York.

City of New York, Office of the Commissioners of Accounts, Municipal Building, February 21, 1917.

Hon. CHARLES K. LEXOW, Commissioner of Records, New York County, Hall of Records, New York:

Dear Sir—I have your letter of the 15th instant in the matter of the new file cases needed by your office, and shall be very glad to support any application which may be made to the Board of Aldermen or the Board of Estimate and Apportionment for funds from which to purchase such file cases to the extent heretofore approved by Mr. Bennett.

You state in your letter a request that the cost of these new file cases be included in the request for funds to carry out the alterations. Even the request for funds to carry out the alterations will not originate with this office. It will be made by the President of the Borough of Manhattan. The request for funds for the new file cases will have to be made, I am advised, directly by you. If, when you make it, you will refer the examiners of the Board of Estimate to Mr. Bennett, he will be very glad to state the facts as he knows them in support of your application.

I have examined very carefully the correspondence that has passed between us with reference to the removal of your offices and can find nowhere any provision by which the granting of funds for these new file cases was made a condition of your removal, and the reports which I have before me of Mr. Bennett's conference with your representatives and yourself indicate no such arrangement. That situation is quite natural since, as Mr. Bennett informs me, you need new file cases now and will continue to need them whether you move your office or not. Accordingly, without reference to whether you move or not, your application for funds for new file cases should be granted, and I shall assist so far as I can to see that it is granted. Since, however, that matter stands on a footing that bears no relation to your removal, I hope you will place us in position to help you most effectively by presenting this in its more logical light, as a separate request. Very truly yours,

(Signed) LEONARD M. WALLSTEIN, Commissioner of Accounts.

**Report of the Committee on Public Thoroughfares in Favor of Adopting Resolution Naming the Space at the South Approach of the 3rd Avenue Bridge, Borough of Manhattan, "Kuyter Park."**

The Committee on Public Thoroughfares to which was referred on March 27, 1917 (Minutes, page 791) the annexed request of the Commissioner of Parks, Manhattan and Richmond, for designation of the space at the south approach of the 3rd Avenue Bridge as "Kuyter Park," respectfully

#### REPORTS:

That the Commissioner of Parks appeared before the Committee in relation to this matter, and a petition was also presented from the Local School Board and the Harlem Board of Commerce. The purpose of the change is to commemorate the name of an old colonial settler, whose name it is desired to perpetuate because of his defense of popular rights in behalf of his fellow colonists.

It, therefore, recommends the adoption of the accompanying request.

Resolved, That the open space or park at the south approach to the Third Avenue Bridge, in the Borough of Manhattan, be and the same is hereby designated and shall hereafter be known as "Kuyter Park."

MICHAEL STAPLETON, FRED SMITH, EDWARD W. CURLEY, CHARLES W. DUNN, ALEXANDER S. DRESCHER, W. A. GLENNON, THOMAS W. MARTIN, FRANK MULLEN, Committee on Public Thoroughfares.

City of New York, Department of Parks, Boroughs of Manhattan & Richmond, Municipal Building, 10th Floor, March 21, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, New York City:

Dear Sir—Request is hereby made that in accordance with the provisions of section 43 of the Greater New York Charter, the name of "Kuyter" be given to the small unnamed park at the south approach of the Third Avenue Bridge.

This request is endorsed by prominent citizens of Harlem representing the Harlem Board of Commerce, and for the reason that it commemorates the name of Jochem Pietersen Kuyter, who landed there in 1639, locating a farm which consisted of the area of the greater part of the present Harlem. Kuyter was assassinated by Indians in 1654.

Riker, in his history of Harlem, page 180, states in regard to Mr. Kuyter as follows:

"Jochem Pietersen Kuyter was no ordinary man. His career was one of those not so rare in human history, which seem a failure in the light of worldly ambition, but when viewed from a higher standpoint, both a success and a triumph. Not in his laudable efforts to subdue the wilderness, but by his bold defense of popular rights, he conferred invaluable benefits upon his fellow-colonists and those succeeding them, and which entitled him to a place on the roll of public benefactors. Kuyter should have a memorial in Central Park."

Very truly yours,

CABOT WARD, Commissioner of Parks.

On motion of Alderman McKee, the foregoing report was made a General Order for the day.

The President put the question whether the Board would agree with said report and adopt such resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Browne, Carroll, Cardani, Cassidy, Cole, Collins, Cox, Crane, Cunningham, Curley, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Farley, Ferguson, Ferrand, Friedlander, Gaynor, Gilmore, Glennon, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McLanu, McCourt, McGarry, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Post, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Shields, Silberstein, Squiers, Sullivan, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; President Van Name; President Connolly, by Albert C. #### REPORTS:

Your Committee is not in a position at this time to recommend a change in the name of Bridge Street, which has existed for so many years, and it, therefore, recommends that the request be placed on file.

Resolved, That that portion of Bridge Street between State and Whitehall Streets in the Borough of Manhattan be and the same is hereby changed to, and shall be hereafter known and designated as Custom House Place, and the President of the Borough is hereby authorized and requested to number and renumber buildings on such thoroughfare as may be necessary and to note the changes on the maps and records of The City of New York.

**Report of the Committee on Public Thoroughfares in Favor of Filing an Ordinance to Amend the Code of Ordinances, Relating to "Street Cleaning."**

The Committee on Public Thoroughfares, to which was referred on March 27, 1917 (Minutes, page 803), the annexed ordinance to amend sections 20 and 21 of article 3 of chapter 22 of the Code of Ordinances, relating to street cleaning, respectfully

#### REPORTS:

Your Committee believes that it is not the proper thing at this time to throw the burden of cleaning sidewalks upon the Street Cleaning Department instead of the occupants.

It, therefore, recommends that the ordinance be placed on file.

AN ORDINANCE to amend sections 20 and 21 of article 3 of chapter 22 of the Code of Ordinances, relating to street cleaning.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. Sections 20 and 21 of article 3 of chapter 23 of the Code of Ordinances, relating to street cleaning, are hereby amended to read as follows:

§20. Removal from roadways and crosswalks.

The commissioner of street cleaning and the borough presidents of Queens and Richmond, immediately after every snowfall or the formation of ice on the sidewalks, crosswalks, or in culverts, paved streets or public places, shall forthwith cause the removal of the same, and shall keep all sidewalks, crosswalks and culverts clean and free from obstruction.

§21. Property owners' duties.

[1. *Must clear sidewalks.* Every owner, lessee, tenant, occupant, or other person having charge of any building or lot of ground in the city, abutting upon any street or public place where the sidewalk is paved, shall, within 4 hours after the snow ceases to fall, or after the deposit of any dirt or other material upon said sidewalk, remove the snow and ice, dirt or other material from the sidewalk and gutter, the time between 9 p. m. and 7 a. m. not being included in the above period of 4 hours; provided, however, that such removal shall in all cases be made before the removal of snow and ice from the roadway by the commissioner of street cleaning, or by the borough president of Queens or Richmond, or subject to the regulations of said commissioner of street cleaning or of said borough president of Queens or Richmond, for the removal of snow and ice, dirt and other material; except that in the boroughs of Queens and Richmond any owner, lessee, tenant or occupant or other person who has charge of any ground abutting upon any paved street or public place, for a linear distance of 500 feet or more, shall be considered to have complied with this section, if such person shall have begun to remove the snow and ice from the sidewalk and gutter before the expiration of the said 4 hours, and shall continue and complete such removal within a reasonable time.

Whenever any owner, lessee, tenant, occupant or other person having charge of any building or lot of ground, abutting upon any street or public place where the sidewalk is paved, shall fail to comply with the provisions of any ordinance of the city for the removal of snow and ice, dirt, or other material from the sidewalk and gutter in the street, on the side of the street on which such building or lot abuts, the president of the borough in which such building or vacant lot is located may cause such removal to be made, meeting the expense thereof from any suitable street cleaning or highway fund, and thereafter the expense of such removal, as to each particular lot of ground, shall be ascertained and certified by the said borough president to the comptroller, and the board of estimate may authorize such additional expenditures as may be required, for the said removal of such snow and ice, dirt, or other material, to be repaid to the fund from which the payments were made, with proceeds from the issue and sale of revenue bonds, which shall be sold by the comptroller as provided by law.

The said borough president shall, as soon as possible after such work is done, certify to the corporation counsel the amount of the expense chargeable against each piece of property. The corporation counsel is hereby directed and authorized to sue for and recover the amount of this expense, together with \$3 penalty for each offense, and, when so recovered, the amount shall be turned over to the city chamberlain, to be deposited to the credit of the general fund of the City of New York for the reduction of taxation.]

1. [2.] *May use ashes, etc.* In case the snow and ice on the sidewalk shall be frozen so hard that it cannot be removed, without injury to the pavement, the owner, lessee, tenant, occupant or other person having charge of any building or lot of ground as aforesaid, may, within the time specified in the preceding subdivision, cause the sidewalk abutting on the said premises to be strewn with ashes, sand, sawdust, or some similar, suitable material, and shall, as soon thereafter as the weather shall permit, thoroughly clean said sidewalks.

Sec. 2. This ordinance shall take effect immediately.

**Report of the Committee on Public Thoroughfares in Favor of Filing a Letter from the Real Estate Brokers of the Rockaways Relative to Signs Indicating Street Names in Far Rockaway.**

The Committee on Public Thoroughfares, to which was referred on April 3, 1917 (Minutes, page 2), the annexed letter of inquiry of the Real Estate Brokers of the Rockaways with respect to signs indicating street names in Far Rockaway, respectfully

#### REPORTS:

This is a matter which is entirely under the jurisdiction of the Borough President, and it recommends the filing of the petition and the reference of the same to the Borough President of Queens.

MICHAEL STAPLETON, FRED SMITH, EDWARD W. CURLEY, CHARLES W. DUNN, ALEXANDER S. DRESCHER, W. A. GLENNON, THOMAS W. MARTIN, FRANK MULLEN, Committee on Public Thoroughfares.

Real Estate Brokers of the Rockaways (Incorporated), Far Rockaway, N. Y., March 29, 1917.

Board of Aldermen, City Hall, New York:

Gentlemen—On Feb. 23d, 1916, your Board adopted a topographical map of Far Rockaway, showing the new street names and house numbers. On June 1st, 1916, Far Rockaway accepted the new established map and most of the houses were numbered under the new system.

From that time on communications were carried on with the Borough Officials, concerning street corner signs. We were informed that as there was no money in the treasury for this purpose, the Borough officials could not supply the necessary street signs. The writer then corresponded with the Board of Estimate and Apportionment and received a communication from its Secretary that a sum of money had been set aside for this purpose and would be scheduled in the Budget for 1917. We have continually kept in touch with the Queens Borough officials concerning this sum, but up to the present writing have received no satisfaction.

If this money has been allotted for this purpose, it is important that it be used before our early spring season, as the greatest volume of our business is done in the spring and summer months and great confusion takes place due to the present chaotic conditions of the various street names, many of which are known by three different names.

Any suggestion from you, as to the further procedure in obtaining this much needed improvement, will be gratefully received by the Real Estate Brokers of the Rockaways. Yours very truly,

LEWIS H. MAY, President.

The Committee on Public Thoroughfares, to which was referred on April 3, 1917 (Minutes, page 28), the annexed ordinance to amend section 13 of article 2 of chapter 24 of the Code of Ordinances, relating to "restricted streets," respectfully

**REPORTS:**

That the Alderman of the district appeared before the Committee and stated that, owing to the congested condition, it was very desirous to exclude pushcart peddlers in order to facilitate traffic.

The Committee, therefore, recommends the adoption of the accompanying ordinance.

**Report of the Committee on Public Thoroughfares in Favor of Filing Bronx Chamber of Commerce Recommendation for Revocation of Licenses to Pushcart Vendors in The Bronx.**

The Committee on Public Thoroughfares, to which was referred on April 10, 1917 (Minutes, page 61), the annexed recommendation of the Bronx Chamber of Commerce for revocation of licenses of pushcart vendors in The Bronx, respectfully

**REPORTS:**

Your Committee is of the opinion that the recommendations are altogether too sweeping, and as various streets are becoming congested in these particular parts of the city, pushcart vendors must be gradually eliminated from congested sections.

It, therefore, recommends that the matter be placed on file.

MICHAEL STAPLETON, FRED SMITH, EDWARD W. CURLEY, CHARLES W. DUNN, ALEXANDER S. DRESCHER, W. A. GLENNON, THOMAS W. MARTIN, FRANK MULLEN, Committee on Public Thoroughfares.

Bronx Chamber of Commerce, March 29th, 1917.

*The Board of Aldermen, Municipal Building, New York City:*

Gentlemen—I have the honor to present to you for your consideration the following resolutions recently adopted by this body and should be pleased to have an expression of opinion on the matters involved:

(1) Whereas, the large and increasing number of pushcart vendors, which are permitted to occupy our streets, have become an intolerable nuisance to persons and other vehicles lawfully occupying the street, and a detriment to real estate values and store rentals in sections where a large number of pushcarts are allowed to stand; therefore be it

Resolved, that the Bronx Chamber of Commerce recommends the revocation of all licenses heretofore issued to pushcart vendors for the purposes of vending their wares in the Borough of The Bronx, and the enactment of a city ordinance by taking away the power, if any there be, in the city officials or boards to issue any such licenses in the future.

(2) Whereas, zones have been established by law in the City of New York and the Borough and County of Bronx, as part of the City of New York, to prevent the erection or alteration of buildings for any purpose other than residential buildings and particularly for the prevention of the establishment of certain businesses which are recognized as being very undesirable, not only in the residential sections, but in business sections; therefore be it

Resolved, that the Bronx Chamber of Commerce goes on record as favoring the refusal by appropriate public authorities to grant permits, or, if necessary, an amendment to the law to prevent the granting of permits to any individual, corporation or other concern for the establishment of a rag shop, junk shop, bottle shop or second-hand metal shop in premises hereafter vacated, which are now occupied by such shops within the zones now barring such shops, and approve the strict enforcement of the zone law in this respect as a benefit to the values of adjoining real estate, especially buildings now occupied or which may be occupied for a less objectionable business purpose and residential buildings within the neighborhood occupied by such rag shop, junk shop, bottle shop or second-hand metal shop.

Very truly yours,

J. M. TAYLOR, Secretary.

**Report of the Committee on Public Thoroughfares in Favor of Filing an Ordinance to Amend the Code of Ordinances, Relating to "Right of Way."**

The Committee on Public Thoroughfares, to which was referred on December 23, 1916 (Minutes, page 847), the annexed ordinance to amend subdivision 1 of section 13 of article 2 of chapter 24 of the Code of Ordinances, relating to "rules of the road," and particularly to "right of way," respectfully

**REPORTS:**

Your Committee is of the opinion that the traffic ordinance has now furnished sufficient power to the Police Department to regulate these matters and that the proposed ordinance is unnecessary.

It, therefore, recommends that said ordinance be placed on file.

AN ORDINANCE to amend subdivision 1 of section 15 of article 2 of chapter 24 of the Code of Ordinances, relating to "rules of the road," and particularly "right of way."

*Be it Ordained by the Board of Aldermen of The City of New York, as follows:*

Section 1. Subdivision 1 of section 15 of article 2 of chapter 24 of the Code of Ordinances, relating to "rules of the road," and particularly to "right of way," is hereby amended to read as follows:

§15. Right of way.  
1. Direction. [On all streets and public places, all vehicles going in a northerly or southerly direction shall have the right of way over any vehicles going in an easterly or westerly direction.] *Every driver of a vehicle approaching the intersection of a street or public place shall grant the right of way at such intersection to any vehicle approaching from his right; provided, that whenever traffic officers are stationed they shall have full power to regulate traffic.*

Sec. 2. This ordinance shall take effect immediately.

*Note—New matter in italics; old matter, in bracket [ ], to be omitted.*

Board of Aldermen, City Hall, New York City:

Gentlemen—At the last meeting of the Local School Board, District 21, the following resolution was presented and unanimously adopted:

Whereas, the little park at the south approach to Third Avenue Bridge is without a name; and

Whereas, the said park is a portion of the old farm of Captain Jochem Pieterse Kuyter, and near where he fell a victim of Indians, over two and a half centuries ago, and the only portion dedicated to the use of the public as a park; and

Whereas, Captain Kuyter was the most notable of the pioneers in the territory included in the old town and village of Harlem; and

Whereas, Kuyter's efforts to subdue the Harlem wilderness and more especially his fight (the first in America) for free speech have never been given the recognition they merit; and

Whereas, the naming of this park in honor of Captain Kuyter will be some recognition of Harlem's early hero and of his bold defense of popular rights; now, therefore, be it

Resolved, that the Local School Board of District No. 21 earnestly urge those in authority in such matters to give the name of Kuyter Park to the space at the south approach to Third Avenue Bridge; and be it further

Resolved, that a copy of this resolution be sent to each member of the Aldermanic Committee having matters of this kind in consideration.

We beg to be informed of your favorable consideration of this matter.

Respectfully yours, SARA LEWINSON, Secretary.

 Board of Standards and Appeals, Municipal Building, New York, March 19, 1917.

Honorable FRANK L. DOWLING, President of the Board of Aldermen:

Sir—Herewith please find enclosed a resolution for adoption by your honorable board, requesting the Board of Estimate and Apportionment to authorize the issuance of special revenue bonds to the amount of nine thousand one hundred forty-one dollars and fifteen cents (\$9,141.15), for the purpose of meeting the additional expenses necessary for the efficient prosecution of the work devolving on the Board of Standards and Appeals and the Board of Appeals for the period between April 1, 1917, and December 31, 1917.

An analysis of the work of these boards to date shows that appeals from decisions of the fire commissioner, or the superintendents of buildings, or under the building zone resolution, and petitions for variations of the labor law are being received at the rate of thirty-five per week since January 1, 1917. Experience shows that it is not possible, with the present force and equipment, to dispose of more than twenty-two such appeals and petitions per week. There is good reason to believe that the number of appeals and petitions will grow larger instead of smaller. It is manifest, therefore, that the work of both boards is falling behind.

In the preparation, last fall, of the budget for this year, it was assumed that the work might be kept up to date by holding one meeting of the Board of Standards and Appeals and one meeting of the Board of Appeals each week. It has been found necessary, however, not only to prolong the meetings of the Board of Appeals until a late hour in the afternoon or well into the evening, but also to hold an extra session of the board each week, in order that any progress whatever might be made with the work accumulating. This has necessarily increased the work falling on the office staff to such an extent that it has not been possible to keep it up to date.

In request made by this board for appropriation for the year 1917, \$6,240 was included to pay five appointed members of the Board of Appeals and the chief of the uniformed force of the Fire Department, who is ex-officio a member of that Board. As stated heretofore, it was assumed that, by holding one meeting a week of the Board of Standards and Appeals and of the Board of Appeals, the work might be properly handled. It has been already stated, however, that it has been necessary to hold practically every week this year at least two meetings of the Board of Appeals, as well as one meeting of the Board of Standards and Appeals.

In the estimate for appropriation for the year 1917 was included a request for \$1,040 to pay the chief of the uniformed force of the Fire Department for attendance at meetings of the Board of Appeals, the amount of compensation fixed by your Board for attendance being \$10 per session. The Board of Estimate and Apportionment, however, disapproved this request for payment of the chief of the uniformed force of the Fire Department for attendance at these sessions, and eliminated it from the estimate. The Corporation Counsel later advised the Comptroller that, under the law, the chief of the uniformed force of the Fire Department is entitled to compensation as a member of the Board of Appeals. In order to provide for the payment of the chief of the uniformed force of the Fire Department, it has been necessary to draw upon the amount allowed for the year for the five appointed members.

Request for appropriation for telephone service during the year 1917 was made by the board in preparing the budget for this year; this amount was eliminated from the appropriation on the understanding that provision for telephone service would be made in the appropriation for the office of the President of the Borough of Manhattan. The Borough President, however, has refused to provide the telephone service, and up to date it has been necessary for the Board to draw against the appropriation allowed for contingencies.

When the Board of Standards and Appeals was organized, in July, 1916, no office accommodations had been provided for its use. Finally, after considerable delay, the Sinking Fund Commission assigned to the use of the Board Rooms 914-919. The Board is seriously handicapped because there is no direct connection between Rooms 918-919, the meeting room and the secretary's office, and Rooms 914-916, the rooms of the chairman, assistant engineers and office force. In December last, I requested the Commissioner of Plant and Structures to cut a door from Room 914 to Room 918, but I have been advised, both by him and the Borough President of Manhattan, that there are no funds available for doing this work. It is absolutely imperative to have the rooms connected.

The amount requested for furniture is designed to provide necessary furniture for additional regular employees, and to replace furniture which was loaned to this Board by the Bureau of Public Buildings and Offices.

As to the atlases and maps of the various boroughs of the City, the Board has no equipment of this character, and the possession of such atlases and maps is necessary, especially in the consideration of appeals under the building zone resolution. Respectfully,

RUDOLPH P. MILLER, Chairman.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Personal Service, March 26, 1917.

Hon. FRANCIS P. KENNEY, Chairman, Committee on Finance, Board of Aldermen:

Dear Sir—In the matter of Item No. 1393, relating to a request of the Board of Standards and Appeals for revenue bonds for an increase in force and for additional funds for fees and commissions, I would ask that you defer action for one week, as the data which I am collecting cannot be had in time for the coming meeting.

Respectfully yours,

GEORGE L. TIRRELL, Director.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Personal Service, April 2nd, 1917.

Hon. FRANCIS P. KENNEY, Chairman, Committee on Finance, Board of Aldermen:

Dear Sir—Regarding item No. 1393, relating to a request for revenue bonds from the Board of Standards and Appeals, I wish to report as follows:

Fees and Commission ..... \$3,640 00

In my opinion, the items requested under this heading should be allowed. The Board of Appeals have been holding one more meeting a week than was planned at the time of the budget. If this continues the sum requested, \$2,600, will be needed. The Corporation Counsel has rendered an opinion the Chief of the Uniformed Force of the Fire Department is entitled to compensation for attendance at the meeting of the Board of Appeals, to cover which \$1,040 is required.

Additional Force ..... \$3,600 00

The Chairman appears reluctant to furnish any more detailed information than is stated in his request to you. This information does not seem sufficient to report either for or against the increased force. Respectfully,

GEORGE L. TIRRELL, Director.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Personal Service, April 9, 1917.

Hon. FRANCIS P. KENNEY, Chairman, Committee on Finance, Board of Aldermen:

Dear Sir—Regarding item No. 1393, relating to a request for revenue bonds from the Board of Standards and Appeals, I wish to report that, in the matter of additional force, we have not specific information relating to the duties of the present employees or the proposed duties of the new employees. Cards were left for this purpose with the Board two weeks and the information requested. We have not enough data relating to the volume of work done or on hand or to the amount of detail work required in the handling of the appeals that come before the Board.

In view of this, the Bureau of Personal Service is not in position to make a recommendation. Respectfully,

GEORGE L. TIRRELL, Director.

The President put the question whether the Board would agree with said report and adopt such resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Burns, Browne, Carroll, Cardani, Cassidy, Cole, Collins, Cox, Crane, Delaney, Diemer, Donnelly, Dunn, Eagan, Farley, Ferguson, Ferrand,

Friedlander, Gilmore, Glennon, Gutman, Hatch, Hilkemeier, Kenneally, Kenney, McCann, McCourt, McGillick, McManus, Mullen, O'Rourke, Palitz, Post, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Shields, Smith, Squiers, Sullivan, Stapleton, Stevenson, Trau, Walsh, Williams, Wirth, Wise; President Connolly, by Albert C. Negative—Aldermen Bassett, Curley, Dixson, Drescher, Gaynor, Haubert, Heyman, McGarry, McKee, Martin, Silberstein, Tolk—12.

On motion of Alderman Kenney the vote by which the foregoing resolution was lost was reconsidered and the paper restored to the list of Special Orders.

The Committee on Finance to which was referred on March 13, 1917 (Minutes, page 660), the annexed request of the President of the Borough of Queens for Special Revenue Bonds, \$1,540, for the purchase and installation of an automatic blue printing machine, respectfully

#### REPORTS:

That after hearing Mr. Brock, and Mr. Moore, Consulting Engineer, Borough of Queens, the Committee believes there is need of such machine and recommends the adoption of the accompanying resolution.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of nine hundred and ninety dollars (\$990), the proceeds whereof to be used by the President of the Borough of Queens for the purpose of the purchase and installation of an automatic blue printing machine. All obligations contracted for hereunder to be incurred on or before December 31, 1917.

The City of New York, Office of the President of the Borough of Queens, Long Island City, February 21, 1917.

To the Honorable Board of Aldermen, City of New York:

Gentlemen—In accordance with the provisions of subdivision 8 of section 188 of the Greater New York Charter, I hereby request your approval of the issue of Special Revenue Bonds to the extent of one thousand five hundred and forty dollars (\$1,540), to provide for the purchase and installation of an automatic blue printing machine.

There was installed several years ago such a machine in the Topographical Bureau of this department, but it has become in such condition of disrepair as to require almost a complete reconstruction in order to render it useful and it is my judgment that the purchase of a new machine of a modern type would be to the best interest of the City.

The request for such installation was made in the departmental estimate for 1917 but the provision therefor was not recommended at the time by the Budget Committee.

Very truly yours, MAURICE E. CONNOLLY, President of the Borough of Queens.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Contract Supervision, March 24, 1917.

No. 1350—President, Borough of Queens, Requesting Issue of Special Revenue Bonds, \$1,540, for the Purchase and Installation of an Automatic Blue Printing Machine.

Hon. FRANCIS P. KENNEY, Chairman, Finance Committee, Board of Aldermen:

Sir—It is proposed to purchase an Automatic Blue Printing, Washing and Drying Machine for the Topographical Bureau, situated in the Hirschman Building, on 12th Street, Long Island City.

Reference to the fund ledgers in the Department of Finance discloses that in the early part of February, 1917, an open market order was issued in the amount of \$990 to the Revolute Machine Company for a Blue Printing and Drying Machine to be used by the engineering division of the Bureau of Sewers and Highways, situated in the Queens Borough Building, on Hunterspoint Avenue, Long Island City. This building is only a short distance from the Hirschman Building and messengers are available and in use between them.

A few years ago the President of the Borough of Queens included in his annual budget estimate a request for a Blue Printing Machine for the Bureau of Sewers and Highways. After considerable discussion, it was decided that one machine, which was then being operated in the Topographical Bureau, was sufficient for the needs of the entire office of the President of the Borough, messengers being employed carrying back and forth the tracings and the finished prints.

The Revolute Blue Printing Machine which has recently been purchased is capable of doing 1,800 square feet of blue printing per hour, an amount considerably in excess of the requirements of the entire three bureaus—Sewers, Highways and Topographical.

The need for the additional machine is not apparent. Very truly yours, PETER J. MCGOWAN, Acting Director.

The President put the question whether the Board would agree with said report and adopt such resolution.

Which was decided in the negative by the following vote, three-fourths of the members having failed to vote in favor thereof:

Affirmative—Aldermen Burns, Browne, Carroll, Cardani, Cassidy, Collins, Cox, Crane, Curley, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Farley, Ferguson, Ferrand, Gilmore, Glennon, Gutman, Hatch, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McKee, Martin, Moore, Mullen, O'Rourke, Palitz, Post, Robitzek, Schmitz, Shields, Silberstein, Squiers, Sullivan, Stevenson, Trau, Walsh, Williams, Wise; President Connolly, by Albert C. Benninger, Assistant Commissioner of Public Works; President Mathewson, by John G. Borgstede, Commissioner of Public Works; President Pounds, by Edmund W. Voorhies, Commissioner of Public Works; President Marks, by Ralph Folks, Commissioner of Public Works; the Vice-Chairman—56.

On motion of Alderman Cox, the vote by which the foregoing resolution was lost, was reconsidered and the paper restored to the list of Special Orders.

The Committee on Finance, to which was referred on April 10, 1917 (Minutes, page 65), the annexed request of the Fire Commissioner for special revenue bonds, \$22,865.01, for the replenishment of fund for the purchase of coal, respectfully

**REPORTS:**

That this request is due to the great increase in the cost of coal, and, basing its conclusions on the annexed report of the Bureau of Contract Supervision, the Committee recommends the adoption of the accompanying resolution.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of twenty-two thousand eight hundred and sixty-five dollars and one cent (\$22,865.01), the proceeds whereof to be used by the Fire Commissioner for the purpose of replenishing fund for the purchase of coal for the year 1917.

All obligations contracted for hereunder to be incurred on or before December 31, 1917.

Fire Department of the City of New York, April 2, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen:

Sir—This department was allowed in the 1917 budget \$111,130.00 for the purpose of purchasing 18,820 tons of coal, all grades. To date 7,894 tons have been purchased at a cost of \$47,193.01. Of the quantity already contracted for 4,895 tons are semi-bituminous coal for fireboats, the cost ranging from \$3.85 to \$5.69 per ton.

There will be required in addition to the quantity already purchased 10,836 tons to meet the tonnage allowed in the budget. Of this quantity 8,301 tons are anthracite, which costs more than coal for fireboats.

Based on the needs for the balance of the year, this department will require, in addition to the funds now available in the fuel account, \$22,865.01 or contracts about to be advertised cannot be awarded. It is requested, therefore, that an issue of revenue bonds in the sum of \$22,865.01 be authorized by your board.

Respectfully, ROBERT ADAMSON, Fire Commissioner.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Contract Supervision, April 15, 1917.

No. 1467—Request dated April 2, 1917, from the Fire Commissioner of the City of New York for an issue of Special Revenue Bonds, \$22,865.01, for the Purchase of Coal.

Hon. FRANCIS P. KENNEY, Chairman, Finance Committee, Board of Aldermen:

Sir—The Bureau of Contract Supervision, to which this request was referred, reports thereon as follows:

In the 1917 budget \$111,130 was provided for the purchase of 18,820 tons of coal; to date 7,884 tons have been contracted for at a cost of \$47,193.01.

A study of the requirements of the amount of coal for the balance of the year indicates that 10,936 tons, at a total estimated cost of \$90,940, will be required.

There is a balance in the budget funds of \$68,074.99, leaving the sum of \$22,865.01 to be provided, which appears necessary.

Very truly yours, TILDEN ADAMSON, Director.

The President put the question whether the Board would agree with said report and adopt such resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Burns, Browne, Carroll, Cardani, Cassidy, Cole, Collins, Cox, Crane, Cunningham, Curley, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Farley, Ferguson, Ferrand, Friedlander, Gaynor, Gilmore, Glennon, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Post, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Shields, Silberstein, Smith, Squiers, Sullivan, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; President Van Name, President Mathewson, by John G. **Report of the Committee on Finance in Favor of Adopting Resolution Authorizing an Issue of Special Revenue Bonds, \$4,130, for the Replenishment of Fund for the Purchase of Coal—Department of Plant and Structures.**

The Committee on Finance to which was referred on April 10, 1917 (Minutes, page 65), the annexed request of the Commissioner of Plant and Structures for Special Revenue Bonds, \$4,130, for the replenishment of fund for the purchase of coal, respectfully

**REPORTS:**

That this request is due to the great increase in cost of coal and basing its conclusions on the annexed report of the Bureau of Contract Supervision, it recommends the adoption of the accompanying resolution.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of four thousand dollars (\$4,000), the proceeds whereof to be used by the Commissioner of Plant and Structures for the purpose of replenishing fund for the purchase of coal for the year 1917.

All obligations contracted for hereunder to be incurred on or before December 31, 1917.

Department of Plant and Structures, City of New York, Municipal Building, Manhattan, N. Y., April 4, 1917.

To the Honorable Board of Aldermen of the City of New York:

Gentlemen—The amount of coal needed to be purchased by this Department for the balance of the year will be approximately 800 gross tons. The price paid for some coal purchased last month was \$8.33 per gross ton, and at this price the cost will amount to \$6,664. The balance in this Department's account "2764 TB, Fuel Supplies," is \$2,433.08, of which \$2,402.41 is credited to bridge revenue allowance, and \$30.67 is credited to tax levy allowance. It is assumed that approximately \$100.92 will be needed for the purchase of kerosene, gasoline, etc. There will therefore be needed for the purchase of coal in addition to the funds authorized the sum of \$4,130 (\$6,664 minus \$2,534). I beg to request that your Honorable Board recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue Special Revenue Bonds in the amount of Four Thousand One Hundred and Thirty Dollars for the purpose of increasing the allowance under said schedule, in order that this coal may be purchased when required. Respectfully,

F. J. H. KRACKE, Commissioner.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Contract Supervision, April 9, 1917.

Request of \$4,130 Special Revenue Bonds, Department of Plant and Structures for Purchase of Coal.

Hon. FRANCIS P. KENNEY, Chairman, Finance Committee, Board of Aldermen:

Sir—On April 4, 1917, the Commissioner of Plant and Structures, I have been informed, requested special revenue bonds to the amount of \$4,130 for the purchase of coal. I submit herewith the facts in reference to this matter.

The budget for the year 1917 provides \$7,500 for fuel supplies which is the amount requested by the commissioner in his departmental estimate for this year. Of this amount \$1,565 was to be provided by tax levy and the balance, \$5,935, from revenues of the Brooklyn Bridge. At the present time there is a total balance in these two funds of about \$2,534.

The request of the commissioner is based on estimated requirements for the balance of the year of 800 tons of coal at an average price of \$8.33 per ton, or \$6,664. This amount, less the available balance, indicates a deficit of \$4,130.

The statement below shows the allowances made for coal in the 1917 budget, which is exclusive of the amounts provided for charcoal and fuel oil. It also shows the coal consumption in 1916 and the cost thereof:

	Estimate for 1917.			Consumption in 1916.	
	Tons.	Price.	Amount.	Tons.	Amount.
Broken coal .....				5	\$31 58
Pea coal .....	12	\$5 75	\$69 00	5	2 56
Blacksmith's coal .....	48	5 50	264 00	40.7	232 64
Nut and stove coal .....	340	6 75	2,295 00	354.7	2,573 50
Buckwheat coal .....				313.5	1,179 39
Bituminous .....	975	4 50	4,387 50	711.4	3,159 36
	1,375		\$7,015 50	1,425.8	\$7,179 03

Since the first of the year the department purchased 205.79 tons of stove and nut coal at an average price of \$9.89 per gross ton, 398.55 tons of bituminous coal at an average price of \$6.87 per ton and 11 tons of blacksmith's coal at an average price of \$9.61 per ton, a total of \$4,877.60. This is an excess in cost of \$1,635.95 over the prices on which the departmental estimate was based. These prices were the same as those then prevailing. Based on present prices, the estimated tonnage of coal still to be delivered, there is an apparent additional deficit of \$2,360, or a total of \$3,995.95. Part of this deficit is in the bridge revenue fund already referred to.

Notwithstanding the fact that a very large part of the coal still to be delivered is to be used for the Brooklyn Bridge Division of this department which is operated and maintained out of the revenues of the Brooklyn Bridge, it appears advisable at this time to provide the entire deficit out of special revenue bonds as the revenues of this bridge have been declining for some time past with a probable further decrease upon the completion of the Broadway-Fourth Avenue Subway.

The sum of \$4,000 should be sufficient to meet the coal requirements for the balance of the year. Respectfully,

TILDEN ADAMSON, Director.

The President put the question whether the Board would agree with said report and adopt such resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Burns, Browne, Carroll, Cardani, Cassidy, Cole, Collins, Cox, Crane, Cunningham, Curley, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Farley, Ferguson, Ferrand, Friedlander, Gaynor, Gilmore, Glennon, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Post, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Shields, Silberstein, Smith, Squiers, Sullivan, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; President Van Name, President Mathewson, by John G. The Committee on Finance, to which was referred on April 10, 1917 (Minutes, page 65), the annexed request of the Board of Trustees of Bellevue and Allied Hospitals for Special Revenue Bonds, \$7,760, for repairs and alterations to the day camp boat, "John H. Huddleston," respectfully

**REPORTS:**

That these repairs are necessary in order to obtain full use, both day and night, of this boat as a tuberculosis camp.

The Committee is heartily in favor with the purpose, and recommends the adoption of the accompanying resolution.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of seven thousand seven hundred and sixty dollars (\$7,760), the proceeds whereof to be used by the Board of Trustees, Bellevue and Allied Hospitals for the purpose of providing for repairs and alterations to the day camp boat "John H. Bellevue and Allied Hospitals, office of the Board of Trustees, 1st Avenue and 26th Street, New York, April 4, 1917.

Hon. FRANK DOWLING, President, Board of Aldermen, City Hall, New York:

Sir—The Trustees of Bellevue and Allied Hospitals have the honor to request the Board of Aldermen to authorize an issue of special revenue bonds in the sum of \$7,760 to make much needed repairs and changes in the tuberculosis day camp boat

"John H. Huddleston," located at the foot of Corlears Slip. The boat "John H. Huddleston" serves as a tuberculosis day camp for the Gouverneur district, and in order to obtain the full use and proper benefits of this very important service the following repairs and changes are necessary:

Plumbing work .....	\$500 00
Hot water system .....	775 00
Roofing on hurricane deck .....	200 00
Carpenter work—	
Item 1, all repairs and new work on main deck.....	625 00
Item 2, complete enclosure on promenade deck.....	1,536 00
Item 3, dividing partitions between class rooms and main deck.....	288 00
Item 4, ladies' winter cabin on promenade deck.....	470 00
Item 5, railings on hurricane deck .....	284 00
Item 6, enclosures around children's playground, promenade deck.....	164 00
Painting, two coats .....	1,800 00
Electric wiring, lower and main decks .....	662 00
Electric wiring, promenade and hurricane decks .....	450 00

\$7,760 00

This request is made on account of the fact that the Budget for Bellevue and Allied Hospitals for 1917 allowed only \$4,000 for Gouverneur Hospital in appropriation No. 2087, General Repairs, and most of these are for prescribed items.

Respectfully, J. K. PAULDING, Secretary, Board of Trustees.

The President put the question whether the Board would agree with said report and adopt such resolution.

#### Report of the Committee on Finance in Favor of Adopting Resolution Authorizing an Issue of Special Revenue Bonds, \$120, to Pay for Employment of a Temporary Clerk—Board of Coroners, Manhattan.

The Committee on Finance, to which was referred on April 10, 1917 (Minutes, page 66), the annexed request of the Board of Coroners, Manhattan, for special revenue bonds, \$120, to pay for employment of a temporary Clerk, respectfully

##### REPORTS:

That this request is due to two Clerks being taken ill, necessitating the employment of a temporary Clerk. There being no funds from which said temporary Clerk may be paid, the Committee recommends the adoption of the accompanying resolution.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of one hundred and twenty dollars (\$120), the proceeds whereof to be used by the Board of Coroners, Borough of Manhattan, for the purpose of paying for employment of a temporary Clerk. All obligations contracted for hereunder to be incurred on or before December 31, 1917.

Board of Coroners, Borough of Manhattan, New York, Municipal Building, April 6, 1917.

To the Honorable the Board of Aldermen, City Hall, New York:

Gentlemen—I respectfully request the issuance of special revenue bond funds in the amount of \$120 to pay for the employment of a temporary Clerk in this office. Two of the Clerks being sick and this office being open at all hours, day and night, for the transaction of the public business, it was necessary to appoint a Clerk for this purpose. Respectfully yours,

ISRAEL L. FEINBERG, President of the Board.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Personal Service, April 16, 1917.

Hon. FRANCIS P. KENNEY, Chairman, Finance Committee, Board of Aldermen:

Sir—Your letter of April 12, 1917, in relation to the request of the Board of Coroners, Borough of Manhattan, for an issue of special revenue bonds in the sum of \$120 to pay the salary of a temporary Clerk, has been received.

There are no funds within the 1917 appropriation to the Board of Coroners from which the services of a temporary Clerk may be paid. In the Salary and Wage Accruals Account there are at present no balances available for a transfer. The employment of a temporary night Clerk was made necessary from March 28, 1917, by reason of the fact that the regular night Clerk has been sick with rheumatism for about three weeks and is now employed only occasionally during the day time. The day force is handicapped by reason of the fact that one of their staff was hurt by an automobile last summer and is still suffering from the effects of the accident and cannot be assigned to night work. The Board of Coroners applied to the Civil Service Commission for certification of a list from which to appoint a Clerk. None of the Clerks on the list would accept the employment. The Board of Coroners were then permitted by the Civil Service Commission to make an emergency appointment of any one who would accept the position. An allowance of \$120 in special revenue bonds will provide the necessary funds for the employment of the temporary Clerk for thirty nights at \$4 per night. Very truly yours,

GEORGE L. TIRRELL, Director.

The President put the question whether the Board would agree with said report and adopt such resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Burns, Browne, Carroll, Cardani, Cassidy, Cole, Collins, Cox, Crane, Cunningham, Curley, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Farley, Ferguson, Ferrand, Friedlander, Gaynor, Gilmore, Glennon, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Post, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Shields, Silberstein, Smith, Squiers, Sullivan, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; President Van Name, President Mathewson, by John G. #### Report of the Committee on Finance in Favor of Adopting Resolution Amending Special Revenue Bond Issue, \$118,352, for Equipment, Etc., of Aqueduct Emergency Police, so as to Reimburse Police Department Contingent Account in the Sum of \$62,000.

The Committee on Finance, to which was referred on April 10, 1917 (Minutes, page 67), the annexed request of the Police Commissioner for amendment of Special Revenue Bond issue, \$118,352, for equipment, etc., of Aqueduct Emergency Police, so as to reimburse the Police Department contingent account in the sum of \$62,000, respectfully

##### REPORTS:

That, since the adoption of the previous resolution the Federal Authorities have taken over the guarding of the Aqueduct, relieving the Police from said duty. The contemplated resolution is for the purpose of reimbursing the Police Department contingent fund for expenses incurred.

It, therefore, recommends the adoption of the accompanying resolution, with the following suffix: "All obligations contracted for hereunder to be incurred on or before December 31, 1917."

Resolved, That the resolution adopted March 27 requesting the Board of Estimate and Apportionment to authorize the Comptroller to issue special revenue bonds in the amount of one hundred and eighteen thousand three hundred and fifty-two dollars (\$118,352), the proceeds whereof to be used by the Police Commissioner

for equipment, maintenance, supplies and operation necessary for the Emergency Aqueduct Police, as provided by chapter 64 of the Laws of 1917, is hereby amended to read as follows:

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of sixty-two thousand dollars (\$62,000), the proceeds whereof to be used by the Police Department for the purpose of reimbursing the Contingent Account because of emergency expenditures which could not be anticipated at the time of the preparation of the budget.

All obligations contracted for hereunder to be incurred on or before December 31, 1917.

City of New York, Police Department, Office of the Commissioner, April 9, 1917. The Honorable the Board of Aldermen, City Hall, New York City:

Gentlemen—On March 27 your Board adopted a resolution requesting the Board of Estimate and Apportionment to authorize the Comptroller to issue special revenue bonds in the amount of \$118,352, the proceeds of which were to be used by the Police Commissioner for the purpose of providing equipment, maintenance, supplies and services necessary for the Emergency Aqueduct Police, as provided by chapter 64 of the Laws of 1917.

Subsequent to the adoption of the above resolution the Federal authorities took over the policing of the Aqueduct, so that it is not necessary for the Police Department to go ahead with this service. So far as possible, orders for equipment have been cancelled and further purchases were stopped. The equipment which has been obtained will, however, be needed for Special Policemen within the City or for the regular service of the Department.

It is respectfully requested therefore that your Board amend the resolution of March 27 so as to provide that special revenue bonds in the amount of \$62,000 be authorized, the proceeds to be used for reimbursement of the Police Department Contingent Account (Code No. 1634), in which a deficit is anticipated. The above amount will meet the emergency expenditures for equipment and supplies necessary for the organization of the Aqueduct Force and also for emergency service within the City; it provides only for actual needs up to this time and does not include amounts estimated for future needs.

An itemized statement of the requirements is attached hereto.

Respectfully, A. WOODS, Police Commissioner.

#### Report of the Committee on Public Letting in Favor of Adopting Resolution Authorizing the Commissioner of Plant and Structures to Purchase Certain Supplies Without Public Letting.

The Committee on Public Letting to which was referred on March 27, 1917, (Minutes, page 786) the annexed request of the Commissioner of Plant and Structures for authority to purchase certain supplies for repaving and reconstructing the roadways of the Brooklyn Bridge without public letting, respectfully

##### REPORTS:

That owing to the unusual conditions prevailing, it will be many months before delivery by contract could be made, and as it is the desire of the department to commence work soon and sufficient materials can be purchased in the open market, the Committee recommends the adoption of the said resolution.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Plant and Structures be, and he is hereby authorized and empowered to purchase certain supplies for repaving and reconstructing the roadways of the Brooklyn Bridge in the open market without public letting, to wit, as follows:

Structural Steel, Rivets, Bolts, Washers, etc., to an amount not exceeding..	\$31,500 00
Yellow Pine Lumber, to an amount not exceeding.....	7,000 00

Total amount .....

\$38,500 00

JOHN McCANN, PETER SCHWEICKERT, PATRICK H. SULLIVAN, C. AUGUSTUS POST, EDWARD W. COX, ALEXANDER S. DRESCHER, WM. P. MCGARRY, JOHN F. MCCOURT, Committee on Public Letting.

Department of Plant and Structures, City of New York, Municipal Building, Manhattan, N. Y., March 23, 1917.

To the Honorable the Board of Aldermen of The City of New York:

Gentlemen—Funds to the amount of \$80,000 have been authorized by the Board of Estimate and Apportionment for Repaving and Reconstructing the Roadways of the Brooklyn Bridge, between the Anchorages. For the prosecution of the work various supplies will be purchased, including structural steel, rivets, bolts, washers, lumber and wood blocks. The supplies first needed will be the structural steel, rivets, bolts, washers etc., to be used in reconstructing the floor, and the lumber to be used under the wood blocks. If the steel is purchased on contract it would require many months before delivery could be made, as the steel plants are filled with orders. Similarly, if the lumber is purchased on contract, it would require much time for its cutting and shipment. I believe that considerable of the steel

and lumber can be purchased in open market for early delivery, and, in view of the probable increase in prices, obtained as cheaply or cheaper than if purchased by contract. This would insure an early commencement of the work. It is proposed to purchase at this time the lumber required on one roadway and the structural steel, etc. required for both roadways. I therefore beg to request your Honorable Board to grant me permission to purchase in the open market, without public letting, the following supplies, for use in repaving and reconstructing the roadways of the Brooklyn Bridge:

Structural Steel, Rivets, Bolts, Washers, etc., to an amount not exceeding ..... \$31,500 00  
Yellow Pine Lumber, to an amount not exceeding ..... 7,000 00

The wood blocks required later will be purchased in the usual manner by contract.  
Yours truly,  
F. J. H. KRACKE, Commissioner.

The President put the question whether the Board would agree with said report and adopt such resolution.  
Which was decided in the affirmative by the following vote:

#### Report of the Committee on Public Letting in Favor of Adopting Resolution Authorizing the Commissioner of Correction to Purchase Botanical and Agricultural Supplies Without Public Letting.

The Committee on Public Letting, to which was referred on April 3, 1917, (Minutes, page 10), the annexed request of the Commissioner of Correction for authority to purchase botanical and agricultural supplies without public letting, respectfully

#### REPORTS:

That past experience has proven that cheaper prices and quicker deliveries can be obtained by open market buying than by contract.

It, therefore, recommends the adoption of said resolution.  
Resolved, That in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Correction be and he is hereby authorized and empowered to purchase botanical and agricultural supplies in the open market without public letting at a cost not to exceed three thousand five hundred dollars (\$3,500).

Department of Correction of the City of New York, Commissioner's Office, Municipal Building, Centre and Chambers Streets, New York, March 27, 1917.  
Hon. FRANK L. DOWLING, President, Board of Aldermen City Hall:

Dear Sir—I hereby respectfully request permission to purchase in the open market without public letting, quantities of botanical and agricultural supplies, in a sum not to exceed \$3,500.

It has been proven by experience that cheaper prices and quicker deliveries can be obtained in the vicinity of New Hampton, without entering into a contract, as the contractors on account of limited capital and lack of familiarity with city procedure, as a rule, do not care to enter into a formal contract, although they are willing to deliver on an open market order.

I trust your Honorable Board will take favorable action on this request as the fertilizer, etc., is urgently needed for spring planting and the consequent delay, if we are forced to advertise, would seriously embarrass us. Yours respectfully,

BURDETTE G. LEWIS, Commissioner.

The President put the question whether the Board would agree with said report and adopt such resolution.

#### Report of the Committee on Public Letting in Favor of Adopting Resolution Authorizing the Commissioner of Correction to Purchase Blankets Without Public Letting.

The Committee on Public Letting to which was referred on April 10, 1917, (Minutes, page 66) the annexed request of the Commissioner of Correction for authority to purchase blankets without public letting, respectfully

#### REPORTS:

That inasmuch as market conditions make it impossible to obtain these supplies in quantity by contract and the Commissioner has stated he can purchase sufficient in small lots from various shops, the Committee believes it advisable to grant the permission and recommends the adoption of said resolution.

Resolved, That in pursuance of the provision of section 419 of the Greater New York Charter, the Commissioner of Correction be and he is hereby authorized and empowered to purchase blankets in the open market without public letting, at a cost not to exceed three thousand five hundred dollars (\$3,500).

JOHN McCANN, PETER SCHWEICKERT, PATRICK H. SULLIVAN, C. AUGUSTUS POST, EDWARD W. COX, ALEXANDER S. DRESCHER, WM. P. McGARRY, JOHN F. MCCOURT, Committee on Public Letting.

Department of Correction of the City of New York, Commissioner's Office, Municipal Building, New York, April 9th, 1917.  
Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, New York City:

Dear Sir—I hereby respectfully request permission to purchase in the open market blankets for inmates' use, not to exceed \$5,000. State's Prison Industry is unable to furnish us blankets and has given us a release.

It is practically impossible to get any large quantity of blankets. We are able to purchase a few in job lots from different dealers in the open market.

I hope your honorable Board will take favorable action on this request, as the blankets are urgently needed to supply the increased census and deterioration.

If forced to advertise it will cause a delay and chances are against us getting them in the quantity needed is quite remote. Yours respectfully,

BURDETTE G. LEWIS, Commissioner.

The Committee on Public Letting, to which was referred on April 10, 1917 (Minutes, page 74), the annexed request of the Commissioner of Street Cleaning for authority to purchase certain articles without public letting, respectfully

#### REPORTS:

That due to the congested market conditions the Committee believes that better results can be had by granting the permission sought.

It, therefore, recommends the adoption of the said resolution.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Street Cleaning be and he is hereby authorized and empowered to purchase in the open market without public letting the following articles:

500 heavy pipe collars at \$7.70 each ..... \$3,850 00  
200 saddles for cart harness, at \$13.50 each ..... 2,700 00  
300 sides of harness leather, about 6,750 pounds, at 67 cents per pound.... 4,522 50  
50 sides of breeching leather, at \$9.50 per side ..... 475 00  
40 hides of Kip collar leather, at \$23.75 per hide ..... 950 00  
25 sole leather backs, about 500 pounds, at 75 cents per pound..... 375 00

\$12,872 50

JOHN McCANN, PETER SCHWEICKERT, PATRICK H. SULLIVAN, C. AUGUSTUS POST, EDWARD W. COX, ALEXANDER S. DRESCHER, WM. P. McGARRY, JOHN F. MCCOURT, Committee on Public Letting.

Department of Street Cleaning of the City of New York, Municipal Building, 12th Floor, New York, April 9, 1917.  
Hon. FRANK L. DOWLING, President, Board of Aldermen:

Sir—Pursuant to section 419 of the Greater New York Charter, I respectfully request permission to purchase in the open market, without public letting, the following articles:

500 heavy pipe collars at \$7.70 each ..... \$3,850 00  
200 saddles for cart harness, at \$13.50 each ..... 2,700 00  
300 sides of harness leather, about 6,750 pounds, at 67 cents per pound.... 4,522 50  
50 sides of breeching leather at \$9.50 per side ..... 475 00  
40 hides of Kip collar leather, at \$23.75 per hide ..... 950 00  
25 sole leather backs, about 500 pounds, at 75 cents per pound..... 375 00

\$12,872 50

I make this request for the reason that due to the large orders being placed by the United States Army for harness leather and harness it is impossible to wait for a contract for the above materials if the City is to be sure of securing the same at reasonable prices, in fact it is questionable if the same can be secured at all if not ordered immediately. Respectfully yours,

CHAS. B. LARGY, Acting Commissioner.

The President put the question whether the Board would agree with said report and adopt such resolution.

#### Report of the Committee on Finance in Favor of Filing Resolution Recommending That a Public Bath Be Constructed in 143rd Street, Borough of The Bronx.

The Committee on Finance, to which was referred on February 20, 1917 (Minutes, page 546), the annexed resolution recommending that a public bath be constructed in 143d street, Borough of The Bronx, respectfully

#### REPORTS:

That the Committee, being advised of the insufficient funds available for this purpose, believes the time inopportune for such a recommendation, and recommends the said resolution be placed on file.

Whereas, It has been the policy of The City of New York to take precautionary measures at every opportunity to preserve and maintain the health of the community by such methods as mosquito extermination, the building of Public Baths and other means, that was deemed to be necessary for the purpose, and for which money had been appropriated to carry out the work; and

Whereas, In the Borough of The Bronx, corporate stock had been issued to the extent of \$320,000 for the specific purpose of "interior public baths in the Borough of The Bronx," and was authorized by the Board of Estimate and Apportionment on the following named dates:

June 6, 1902	\$15,000 00
July 1, 1903	155,000 00
May 20, 1904	75,000 00
March 16, 1905	75,000 00

Total..... \$320,000 00

—and of which there remained on December 23, 1909, an unencumbered balance of funds for the aforesaid purpose amounting to \$140,000; and

Whereas, The City of New York did on September 21, 1909, purchase a site of land, situate on the south side of 143rd St., 140 feet west of Brook Avenue, in the Borough of The Bronx, for the specific purpose of building an interior public bath thereon, for the sum of \$14,000 for aforesaid site of land; and

Whereas, Plans were prepared for the construction of an interior public bath on aforesaid site purchased for the purpose. The estimated cost of which, including architect's fees was \$140,000; and

Whereas, Honorable John F. Murray, President of the Borough of The Bronx, under date of December 14, 1909, and again on December 18, 1909, in an amended form, requested authority from the Board of Estimate and Apportionment, to proceed with the contract for the construction of said interior public bath on aforesaid site; and for the reapproval of the issue of corporate stock heretofore made for the purpose of interior public baths, in the Borough of The Bronx, in order that the unencumbered balance thereof may become available. The amount specified being \$140,650.64; and

Whereas, The Board of Estimate and Apportionment, at a meeting held on Dec. 23, 1909, adopted a resolution, approving the request of the President of the Borough of The Bronx; and

Whereas, A different set of officials were elected to office and assumed the duties of same on Jan. 1, 1910, who failed to carry out the provisions of the resolution relating to the construction of the bath on 143rd St., 140 feet west of Brook Avenue, Borough of The Bronx, and without any public record of any objection to the bath at the place selected, or of any record of any proceeding leading up to the date of June 3, 1910, when the Board of Estimate and Apportionment, approved

by resolution, the recommendation of its corporate stock committee, Hon. William A. Prendergast, Comptroller; Hon. John Purroy Mitchel, President of the Board of Aldermen, and Hon. George McAnerly, President of Borough of Manhattan, rescinding the issues of corporate stock of dates May 20, 1904 and March 16, 1905, and which was approved by the Board of Aldermen at a meeting held on June 21, 1910; and

Whereas, There are at present absolutely no facilities for bathing in the lower end of the Borough of The Bronx, it was wrong to deprive the people of this congested section of the city of the opportunities afforded other sections of the city; and

Whereas, The City has lost the taxes which it would have received had the land not been bought because the plot has remained idle and unused up to the present time, thereby placing an additional burden on the taxpayers of the city, due to a lack of prudence of the officials intrusted with the faithful discharge of their duties for the past eight years; and

Whereas, The people of The City of New York are suffering enough from conditions over which they have no control, without the men they elect to office heaping burdens upon them. Therefore be it

Resolved, That the Board of Aldermen disapproves of the policy of purchasing property for any specific purpose, unless that purpose is carried out; and be it further

Resolved, That the Board of Aldermen of The City of New York recommends to the Board of Estimate and Apportionment that an interior public bath be constructed on the site of land bought by the City for \$14,000, known as Lots 42 and 43, Block 2287, located on the south side of 143d St., 140 feet west of Brook Ave., in the Borough of The Bronx, for the reason that it is essentially necessary for the health of the people residing in that section of the city.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Contract Supervision, March 13, 1917.

No. 1300—Resolution Recommending That Public Bath Be Constructed in 143d Street, Borough of The Bronx.

Hon. FRANCIS P. KENNEY, Chairman, Finance Committee, Board of Aldermen:

Sir—As you requested in your communication of February 23, 1917, I give you below the facts in relation to the above mentioned matter.

The Board of Estimate and Apportionment authorized funds for interior public bath purposes on the following dates:

June 6, 1902 \$15,000 00 For the construction and equipping of interior public baths and the acquisition of sites therefor.

June 16, 1903 2,500 00 To pay the expense of preparing the necessary plans and specifications for the construction of interior public baths.

July 1, 1903 155,000 00 For the acquisition of sites and the construction of buildings for interior public baths.

May 20, 1904 75,000 00 To pay for the acquisition of site and the construction of a building for an interior public bath.

Mar. 16, 1905 75,000 00 For the acquisition of site and the construction of a building for an interior public bath.

\$322,500 00

On June 3, 1910, the resolution of May 20, 1904, was amended by reducing the amount of the authorization to \$17,000 and the resolution of March 16, 1905, was rescinded. This made the net amount of corporate stock authorized \$189,500. With the premiums the amount of funds available was \$192,982.61.

There was paid out of these funds \$14,000 for a site in 143d Street near Brook Avenue, \$700 to an architect in adjustment of claim for services in preparing preliminary plans, for the construction of a building on the site referred to and \$48.75 for other incident expenses. With the exception of the amounts specified approximately \$171,000 was spent for an interior public bath at Elton Avenue and 156th Street. There is at present an available balance of \$6,901.89 in this fund.

No request is pending before the Board of Estimate and Apportionment for additional funds to construct a building on the site at 143d Street, near Brook Avenue. Such a request would originate with the President of the Borough of The Bronx. Very truly yours,

TILDEN ADAMSON, Director.

The President put the question whether the Board would agree with said report.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Cassidy, Cole, Cox, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Eagan, Glennon, Gutman, Hatch, Hilkemeier, Kenneally, Kenney, McCann, McManus, O'Rourke, Post, Robitzek, Schmitz, Stapleton, Stevenson, Walsh, Wirth; President Connolly, by Albert C. Benninger, Assistant Commissioner of Public Works; President Mathewson, by John G. Borgstede, Commissioner of Public Works; President Pounds, by Edmund W. Voorhies, Commissioner of Public Works; President Marks, by Ralph Folks, Commissioner of Public Works; The Vice-Chairman—30.

Negative—Aldermen Curley, Drescher, Ferguson, Gaynor, Gutman, Haubert, Heyman, Martin, Mullen, Palitz, Silberstein, Tolk, Trau and Williams—14.

Alderman McCourt moved that the Board do now adjourn.

The President put the question whether the Board would agree with said motion. Which was decided in the affirmative.

And the President declared that the Board stood adjourned until Tuesday, May 1st, 1917, at 1:30 o'clock p. m.

P. J. SCULLY, City Clerk and Clerk of the Board of Aldermen.
