Definitions

Hudson Yards parking regulations applicability area

The "Hudson Yards parking regulations applicability area" is comprised of Subdistricts A, B, C, D and E of the #Special Hudson Yards District#, the 42nd Street Perimeter Area of the #Special Clinton District# and Area P2 of the #Special Garment Center District#.

Hudson Yards development parking supply

The "Hudson Yards development parking supply" shall be the aggregate number of off-street parking spaces in #accessory# individual or #group parking facilities#, #public parking lots# and #public parking garages# in the #Hudson Yards parking regulations applicability area#:

- (a) that have been constructed, pursuant to the as-of-right regulations in effect subsequent to January 19, 2005, and before (date of enactment), to the extent that such spaces satisfy the ratios of Section 93-821;
- (b) that have been constructed, pursuant to a City Planning Commission special permit approved subsequent to January 19, 2005, and before (date of enactment);
- (c) for which the Chairperson has issued a certification, pursuant to Section 93-821, paragraph (e); and
- (d) that have been approved by Board of Standards and Appeals variance, pursuant to Section 72-21, to the extent that such spaces satisfy the ratios of Section 93-821.

However, all off-street parking on Site 1, as shown on the map of the Special 42nd Street Perimeter Area in Appendix A of the #Special Clinton District# (Article IX, Chapter VI) shall be counted towards the #Hudson Yards development parking supply#.

For purposes of this definition, "constructed" shall include any off-#street# parking spaces in #accessory# or #group parking facilities#, #public parking garages# or #public parking lots#, where such #accessory# or #group parking facilities#, #public parking garages# or #public parking lots# were completed on (date of enactment); under construction on such date with the right to continue construction pursuant to Section 11-331; or granted a City Planning Commission special permit after January 19, 2005, where such permit had

not lapsed as of (date of enactment).

Public parking

"Public parking" shall be off-street parking that is open to the public during the business day for hourly, daily or other time-defined rental of parking spaces, for which a fee is charged;

Reservoir deficit

The "reservoir deficit" shall be the amount by which the #reservoir surplus# is less than zero;

Reservoir parking supply

The "reservoir parking supply" shall be the sum of:

- (a) all off-street parking spaces lawfully operating as of May 27, 2009, in the #Hudson Yards parking regulations applicability area# as #public parking#; and
- (b) any off-street parking spaces for which a valid building permit had been issued, as of May 27, 2009, and which have been constructed before (date of enactment).

However, any off-street parking space that satisfies the definition of the #Hudson Yards development parking supply# in this Section shall not be counted as part of the #reservoir parking supply#.

For purposes of this definition, "constructed" shall include any off-street parking spaces in #accessory# individual or #group parking facilities#, #public parking garages# or #public parking lots#, where such #accessory# or #group parking facilities#, #public parking garages# or #public parking lots# were either completed on (date of enactment) or under construction on such date with the right to continue construction pursuant to Section 11-331.

Reservoir surplus

The initial #reservoir surplus# shall be 3,600 off-street parking spaces. The "reservoir surplus" shall be increased by:

- (a) the aggregate number of off-street parking spaces in the #reservoir parking supply# for which a building permit has been issued, pursuant to the as-of-right regulations in effect subsequent to January 19, 2005, and before the (date of enactment);
- (b) the number of off-street parking spaces in the #Hudson Yards parking regulations applicability area# above the ratios permitted in Section 93-821, either certified by the Chairperson pursuant to Sections 93-822, paragraph (c), or by City Planning Commission special permit, pursuant to Section 93-823; and
- (c) the number of off-street parking spaces lawfully added in the #Hudson Yards parking regulations applicability area#, other than those permitted pursuant to this Section 93-80 et. seq., except for any increase by Board of Standards and Appeals variance that is counted as part of the #Hudson Yards development parking supply#;

The #reservoir surplus# shall be decreased by:

- (a) the aggregate number of parking spaces counted at any time in the #reservoir parking supply#, that subsequently are:
 - (1) reduced through modification or discontinuance of the applicable Department of Consumer Affairs license or certificate of occupancy or otherwise cease operation permanently; or
 - (2) not constructed in accordance with the applicable building permit, as reflected in a modification of such building permit or the issuance of a certificate of occupancy for a reduced number of spaces; or
- (b) the issuance of a certificate of occupancy for a #development# or #enlargement# providing a smaller number of spaces than allowed, pursuant to Section 93-821, to the extent of the difference between the number of #accessory# off-street parking spaces allowed, and the number provided. However, this paragraph shall not apply to Sites 2, 3, 4 and 5, as shown on Map 6 of Appendix A, and shall apply to no more than 200 #accessory# off-street parking spaces on Site 6 as shown on Map 6.

Substantial construction

- (c) For Use Group 6B offices not more than 0.16 #accessory# off-street parking spaces may be provided for every 1,000 square feet of #floor area#.
- (d) In the Eastern Rail Yard Subarea A1, ~~no #accessory# off-street parking shall be required~~ paragraphs (a) through (c) of this Section shall not apply, and any #accessory# off-street parking shall comply with the provisions of this paragraph, (d).
 - (1) For #residences#, #accessory# off-street parking spaces may be provided for not more than 40 percent of the total number of #dwelling units#.
 - (2) For #commercial# and #community facility uses#, not more than 0.325 #accessory# off-street parking spaces may be provided for every 1,000 square feet of #floor area#, provided that in no event shall the number of off-street parking spaces #accessory# to #commercial# or #community facility uses# exceed 350 spaces.
 - (3) In no event shall the total number of #accessory# off-street parking spaces for all #uses# exceed 1,000.
- (e) ~~The provisions of Sections 36-52 (Size and Location of Spaces) and 36-53 (Location of Access to the Street) shall apply to all permitted or required #accessory# off-street parking spaces.~~

- (1) The sum of the following is less than or equal to 5,084 spaces:
 - (i) the #reservoir surplus# or zero;
 - (ii) the #Hudson Yards development parking supply#; and
 - (iii) the number of spaces proposed to be added by the #development# or #enlargement# for which certification is sought; and
- (2) The sum of the following is less than or equal to 5,905 spaces:
 - (i) all off-street parking spaces in the #Hudson Yards parking applicability area# that have been categorized, in accordance with the definition in Section 93-81, as part of the #reservoir parking supply#, less any such off-street parking spaces that have been categorized as decreasing the #reservoir surplus# in accordance with paragraph (a) of the second part of the definition of #reservoir surplus# in Section 93-81;
 - (ii) all off-street parking spaces in the #Hudson Yards parking applicability area# that have been categorized as increasing the #reservoir surplus# in accordance with paragraphs (b) and (c) of the first part of the definition of #reservoir surplus# in Section 93-81;

- (iii) the #Hudson Yards Development Parking Supply#; and
- (iv) the number of spaces proposed to be added by the #development# or #enlargement# for which certification is sought.

- (4) Any certification granted by the Chairperson pursuant to this Section shall lapse after two years if #substantial construction# of the new #building# or of the #enlarged# portion of an existing #building# which includes the subject #accessory# off-street parking spaces has not occurred. In making a certification pursuant to this Section, the Chairperson shall not consider any prior certification or any special permit that has lapsed in accordance with the provisions of this Resolution.

93-822

Permitted parking when a reservoir deficit exists

When a #reservoir deficit# exists, additional off-street parking spaces may be provided in accordance with the provisions of this Section. However, this Section shall not apply in the Eastern Rail Yard Subarea A1:

- (a) The number of permitted #accessory# off-street parking spaces for Use Group 5 hotels may exceed 0.16 for every 1,000 square feet of #floor area#, up to the number permitted by Section 13-131;

 - (3) such additional #accessory# off-street parking spaces, when added to the sum of the parking spaces specified in subparagraphs (i), (ii) and (iii) of paragraph (e)(2) of Section 93-821 does not exceed 5,905 spaces, except insofar as the limit of 5,905 spaces set forth in paragraph (e) (2) has been adjusted pursuant to the provisions of paragraph (e) (3) of Section 93-821.
- (d) Any certification granted by the Chairperson pursuant to this Section shall lapse after two years if #substantial construction# of the new #building# or of the #enlarged# portion of an existing #building# which includes the subject #accessory# off-street parking spaces has not occurred. In making a certification pursuant to this Section, the Chairperson shall not consider any prior certification or any special permit that has lapsed in accordance with the provisions of this Resolution.

93-823

Parking permitted by special permit

When a #reservoir deficit# exists, the City Planning Commission may allow, by special permit, Use Group 6B offices to exceed the number of #accessory# off-street parking spaces permitted by Section 93-822, in accordance with the provisions of Section 13-561, except that finding (a) of Section 13-561 shall not apply. In addition, the Commission shall find that the number of #accessory# off-street parking spaces in excess of the number permitted by Section 93-821, proposed to be added by the #development# or #enlargement# that is the subject of the application under review, does not exceed the #reservoir deficit#; and that such additional #accessory# off-street parking spaces, when added to the sum of the parking spaces specified in subparagraphs (i), (ii) and (iii) of paragraph (e)(2) of Section 93-821 does not exceed 5,905 spaces, except insofar as the limit of 5,905 spaces set forth in paragraph (e) (2) has been adjusted pursuant to the provisions of paragraph (e) (3) of Section 93-821. In making such finding, the Commission shall not consider any prior certification or any special permit that has lapsed in accordance with the provisions of this Resolution.

93-824

Publication of data

The Department of City Planning shall make available, in a form easily accessed by the public, regularly updated calculations of the current #Hudson Yards development parking supply#, #reservoir parking supply#, and #reservoir surplus# or #reservoir deficit#, as applicable.

93-82

93-83

Use and Location of Parking Facilities

The provisions of this Section shall apply to all off-street parking spaces within the #Special Hudson Yards District#.

(a) All off-street parking spaces #accessory# to #residences# shall be used exclusively by the occupants of such #residences#. Except in the Eastern Rail Yard Subarea A1, aAll #accessory# off-street parking spaces #accessory# to Use Group 5 #transient hotels# and Use Group 6B offices may be made available for public use. However, any such space shall be made available to the occupant of a #residence# to which it is #accessory# within 30 days after written request therefore is made to the landlord. Furthermore, if #accessory# and public parking spaces are provided on the same #zoning lot#, all such spaces shall be located within the same parking facility. However, such regulations are modified in the following areas:

(1) in C1-7A Districts and in C2-5 Districts mapped within RSA Districts, all #accessory# off-street parking spaces shall be used exclusively by the occupants of the #residential development#, #enlargement# or conversion. Where a parking facility is located partially within a C2-5 District mapped within an RSA District and partially within another district, all such #accessory# off-street parking spaces may be made available for public use provided more than half of the floor space of the parking facility is located outside the C2-5 District mapped within an RSA District; or

(2) in the Eastern Rail Yards Subarea A1, any #accessory# parking spaces shall be exclusively for #uses# located in the Subarea.

(b) All #accessory# off-street parking spaces may be provided within parking facilities on #zoning lots# other than the same #zoning lot# as the #uses# to which they are #accessory#, provided:

(1) such parking facilities are located within a C2-8 or C6-4 District within the #Special Hudson Yards District#, or within the 42nd Street Perimeter Area of the #Special Clinton District# or within Area P-2 of the #Special Garment Center District#;

(2) the off-street parking space within such facility is counted only once in meeting the parking requirements for a specific #zoning lot#; and

(3) the number of parking spaces within such facility shall not exceed the combined maximum number of spaces permitted on each #zoning lot# using such facility, less the number of any spaces provided on such #zoning lots#. The provisions of Section 13-141 (Location of accessory off-street parking spaces), inclusive, shall apply.

(c) All off-street parking spaces shall be located within facilities that, except for entrances and exits, are:

(1) entirely below the level of any #street# or publicly accessible open area upon which such facility, or portion thereof, fronts; or

(2) located, at every level above-grade, behind commercial, community facility or #residential floor area# so that no portion of such parking facility is visible from adjoining #streets# or publicly accessible open areas.

93-8231

Authorization for above-grade parking

The City Planning Commission may authorize parking facilities that do not comply with the provisions of paragraph (c) of Section 93-823 (Use and Location of Parking Facilities) and may authorize floor space used for parking and located above a height of 23 feet to be exempt from the definition of #floor area#, provided that:

(a) below-grade parking has been provided to the fullest extent feasible, and such above-grade facility is necessary due to subsurface conditions such as the presence of bedrock, railroad rights-of-way or other conditions that impose practical difficulties for the construction of below-grade parking facilities;

(b) the scale of the parking facility is compatible with the scale of #buildings# in the surrounding area;

(c) the materials and articulation of the #street wall# of the parking facility is compatible with #buildings# in the surrounding area;

(d) the ground floor level of such parking facilities that front upon #streets# is occupied by #commercial#, #community facility# or #residential uses# that activate all such adjoining #streets#, except at the entrances and exits to the parking facility. Where site planning constraints make such #uses# infeasible, the parking facility shall be screened from adjoining #streets# or public access areas with a densely planted buffer strip at least 10 feet deep. Where such screening is not desirable, such ground floor wall of the parking facility shall be articulated in a manner that provides visual interest;

(e) any floor space above the ground floor level utilized for parking is located, to the greatest extent feasible, behind #commercial#, #community facility# or #residential floor area# so as to

minimize the visibility of the parking facility from adjoining #streets# or public access areas. Any exterior wall of the parking facility visible from an adjoining #street# or public access area shall be articulated in a manner that is compatible with #buildings# in the surrounding area;

(f) for portions of parking facilities that are visible from #streets#, publicly accessible open areas or nearby properties, interior lighting and vehicular headlights are shielded to minimize glare on such #streets#, public access areas or properties; and

(g) the location of vehicular entrances and exits will not unduly inhibit surface traffic and pedestrian flow.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

PROCUREMENT POLICY BOARD

■ NOTICE

NOTICE OF PROCUREMENT POLICY BOARD PUBLIC HEARING

The Procurement Policy Board will hold a public hearing on Wednesday, May 5th at 3:00 P.M., at 253 Broadway, 9th floor, large conference room, in the Borough of Manhattan.

NOTICE OF OPPORTUNITY TO COMMENT

ON PROPOSED RULE AMENDMENT

The Procurement Policy Board (PPB) intends to promulgate an amendment to § 4-08, **Completion of Contracts Following Default or Termination for Cause of Construction and Construction-Related Service Contracts, of chapter 4 of Title 9 of the Rules of the City of New York**, pursuant to Sections 311 and 1043 of the New York City Charter.

Basis and Purpose of the Amendment

The City requires construction contractors to obtain performance bonds under certain circumstances whereby the surety, upon default of the contractor, obligates to either complete the construction or tender a penal sum to the City. If the surety fails to complete the construction or opts to tender a penal sum to the City, the City agency in question must enter into a completion contract with a different contractor to ensure that the work is completed. The proposed amendment conforms the rule to the performance bond language by allowing an agency to enter into a completion contract after default of a contractor when a surety elects to tender payment of a penal sum, as well as when the surety fails to perform its obligations under the bond.

How to Comment

A public hearing will be held on May 5, 2010 at 3:00 PM at the Mayor's Office of Contract Services, 253 Broadway, 9th Floor, New York City. In lieu of testimony, written comments may be sent to Jose Maldonado, Chair, Procurement Policy Board, 253 Broadway, 9th Floor, New York, N.Y., 10007. *To be considered, comments must be received by May 4, 2010.*

The Amended Rule

In the amendment, which immediately follows this notice, new material is underlined and deletions are bracketed.

Jose Maldonado, Chair

Section 1. Paragraph (2) of subdivision (c) of section 4-08 of Title 9 of the Rules of the City of New York is amended as follows:

Section 4-08 COMPLETION OF CONTRACTS FOLLOWING DEFAULT OR TERMINATION FOR CAUSE OF CONSTRUCTION AND CONSTRUCTION-RELATED SERVICE CONTRACTS

(c) Application. Completion contracts shall be entered into pursuant to this section in cases where:

- (1) the contractor has been defaulted or terminated for cause;
- (2) there is no surety, or after a demand has been made by the agency, the surety either fails to perform its obligations in a timely manner or elects to tender a payment of funds as performance rather than completing the work, in accordance with its obligations; and
- (3) there is a continuing need to complete all or part of the work.

NOTICE OF PROCUREMENT POLICY BOARD PUBLIC HEARING ON VENDEX FEES

The Procurement Policy Board will hold a public hearing on Wednesday, May 5th at 3:00 P.M., at 253 Broadway, 9th floor, large conference room, in the Borough of Manhattan.

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED RULE AMENDMENT

The Procurement Policy Board (PPB) intends to promulgate an amendment to § 2-08, Vendor Responsibility and Appeal of Determination of Non-Responsibility, of chapter 2 of Title 9 of the Rules of the City of New York, § 3-02, Competitive Sealed Bidding, and § 3-03, Competitive Sealed Proposals, of chapter 3 of Title 9 of the Rules of the City of New York, pursuant to Sections 311 and 1043 of the New York City Charter.

Basis and Purpose of the Amendment

The proposed amendments provide for an administrative fee to be charged to prime vendors and subcontractors for vendor name checks to defray the cost of the City's VENDEX system and the Vendor Name Check process. The amount of the fee for the vendor itself and any of its subcontractors for which a Vendor Name Check is made would be charged against payments owed to the vendor once the contract is registered. The proposed amendments also require the CCPO to compile Citywide bidders lists in addition to any agency bidders lists authorized by the CCPO in order to make the administration of City bidder lists more efficient, and provide for an administrative fee to defray the cost of the citywide bidders lists, to be paid by vendors at the time of enrollment on such bidders lists.

How to Comment

A public hearing will be held on May 5, 2010 at 3:00 P.M. at the Mayor's Office of Contract Services, 253 Broadway, 9th Floor, New York City. In lieu of testimony, written comments may be sent to Jose Maldonado, Chair, Procurement Policy Board, 253 Broadway, 9th Floor, New York, N.Y., 10007. To be considered, comments must be received by May 4, 2010.

The Amended Rule

In the amendment, which immediately follows this notice, new material is underlined and deletions are bracketed.

Jose Maldonado, Chair

Section 1. Subdivision (f) of section 2-08 of Title 9 of the Rules of the City of New York is amended to read as follows:

Section 2-08 VENDOR RESPONSIBILITY AND APPEAL OF DETERMINATION OF NON RESPONSIBILITY.

(f) Department of investigation and administrative fee.

(1) Prior to making its determination of vendor responsibility, the agency shall request the Department of Investigation to conduct a Vendor Name Check on the proposed vendor, which shall consist of a review of the names on the Questionnaire and other information to ascertain whether the business or its affiliated individuals are or have, during a relevant period of time, been the subject of an investigation by the Department. The Department of Investigation shall undertake the review expeditiously and provide an explanation to an agency if its review is not completed within thirty calendar days of the request. If the Department of Investigation ascertains that there has been such an investigation, it shall provide a copy of any final report or statement of findings to the Agency Head for use in making the determination of responsibility. If the results of the review are not made available to the agency within thirty calendar days of the request, the agency may make its responsibility determination on the basis of the information then available to it.

(2) For any contract or subcontract that is subject to the Vendor Name Check process set forth in section (f)(1), the CCPO may charge a fee for the administration of the VENDEX system, including the Vendor Name Check process, in the amount of \$175 for contracts of an estimated value less than or equal to \$1,000,000 and \$350 for contracts of an estimated value greater than \$1,000,000. Such fee will be charged against payments made to the vendor on the contract at issue. The timing of the contract award shall not be affected by a fee incurred but not yet paid by the vendor. A prime vendor is responsible for the payment of fees for any subcontractors of the vendor for which Vendor Name Check requests are made. Nothing contained in these Rules shall prohibit a prime vendor from recovering from its subcontractors the amount of such fees attributable to those subcontractors. The VENDEX administrative fee may be waived at the discretion of the CCPO if it is determined that such waiver is in the City's best interest.

Section 2. Subparagraph (i) of paragraph (1) of subdivision (e) and subdivision (f) of section 3-02 of Title 9 of the Rules of the City of New York are amended to read as follows:

Section 3-02 COMPETITIVE SEALED BIDDING.

(e) Public Notice.
(1) Notice of Solicitation.
(i) Distribution. IFBs or notices of their availability shall be mailed, faxed, hand delivered,

or otherwise furnished to a sufficient number of vendors, including all vendors on the appropriate citywide bidders list established by the CCPO for the purpose of securing competition. IFBs or notices of their availability may be sent to vendors on agency-specific bidders lists, in addition to the appropriate citywide bidders list maintained by the CCPO, only with approval of the CCPO. Such IFBs or notices shall be sent at least fifteen (15) days in advance of the due date for bids, or at least twenty-two (22) days in advance of the due date for bids which are subject to Section 6-129 of the New York City Administrative Code (M/WBE and EBE program). An agency may, upon request of a vendor, provide IFBs or notices electronically. Where the notice does not include all IFB documents, an additional five (5) days shall be allowed. Notices of availability shall indicate, at minimum:

- (A) the name of the agency and, if appropriate, the specific division or bureau soliciting the bids;
- (B) title and brief description of the goods, services, or construction required;
- (C) specific information about how, when, and where the IFB is available;
- (D) the required fee or deposit amount, if any, for obtaining the IFB;
- (E) the time, date, and location of any pre-bid conference or site visit, if any, and if attendance is mandatory;
- (F) the date, time, and location for the receipt and opening of bids; [and]
- (G) if applicable, the name and phone number of the agency contact person; and
- (H) the citywide bidders list used.

(f) Bidders lists.

(1) [Lists] The CCPO shall compile citywide lists of vendors interested in being solicited for bids [shall be compiled and maintained by the procuring agency]. In addition, the CCPO may authorize one or more agencies to maintain citywide or agency bidders lists. Bidders lists shall be classified by standard categories of goods, services, and construction that are sufficiently detailed to provide meaningful distinctions among categories. Bidders lists shall include the names, addresses, EIN, e-mail addresses, and telephone numbers of the vendors. In addition, bidders lists shall indicate which of the listed businesses have been certified by DSBS [shall maintain a list of businesses certified by that agency] as minority owned, women owned and emerging business enterprises.

(2) The CCPO and agencies, if authorized by the CCPO to maintain bidders lists, shall cause to be continuously published in the City Record notice of the availability of applications for vendors to be added to citywide bidders lists or agency [bidder] bidders lists for goods, services, and construction regularly procured by the City. Every effort shall be made to publish notice in a manner that encourages minority, women and emerging business enterprises to certify with DSBS.

(3) Application by vendors for placement on the citywide bidders lists or an agency's bidders [bidder] list shall be continuously available on request from the vendor.

(4) Vendors that fail to respond to solicitations or notices of availability of procurement opportunities on three consecutive invitations within one standard category may be removed by the [ACCO] CCPO from the applicable citywide bidders list or by the ACCO from the applicable agency bidder list after notice to the vendor. A "No Bid" statement on a returned bid shall be considered a response. Vendors may also be removed from a citywide bidders list pursuant to procedures prescribed by the CCPO. [In either case, application]Application for reinstatement shall be the responsibility of the vendor. [A "No Bid" statement on a returned bid shall be considered a response.]

(5) Unless otherwise provided, inclusion or exclusion of the name of a vendor on a bidders list [business] does not indicate that the vendor [business] is responsible in respect to a particular procurement or otherwise is capable of successfully performing a City contract.

(6) Application by vendors for enrollment on a bidders list shall be subject to payment of a fee in

the amount of \$35 on a triennial basis. Such fee shall be included with the application for enrollment on the bidders list, and for subsequent triennial periods, shall be due upon the request of the CCPO. The fee for vendor enrollment may be waived at the discretion of the CCPO if it is determined that such waiver is in the City's best interest.

Section 3-03 COMPETITIVE SEALED PROPOSALS.

(d) Public notice.
(1) Notice of solicitation.
(i) Distribution. RFPs or notices of their availability and their notices of solicitation shall be posted on the City's website in a location that is accessible to the public simultaneously with their publication. RFPs and their notices of solicitation shall also be mailed, faxed, hand delivered, or otherwise furnished to a sufficient number of vendors, including all vendors on the appropriate citywide bidders list established by the CCPO pursuant to Section 3-02(f) at least twenty (20) days prior to the due date, or within the time frames authorized by Section 3-03 (h). An agency may, upon request of a vendor, provide RFPs or notices electronically. RFPs or notices of their availability may be sent to vendors on agency-specific bidders lists, in addition to the appropriate citywide bidders list maintained by the CCPO, only with approval of the CCPO. For those proposals which are subject to Section 6-129 of the New York City Administrative Code (M/WBE and EBE program), a minimum of twenty seven (27) days prior to the due date shall be provided.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
