Fund Commissioners ; and Whereas, Such action by this Board involves undertakings of great magnitude and cost, which will be far reaching in their good results upon the commercial prosperity of the City ; and Whereas, The proper and judicious preparation and execution of such plans require the high-est engineering ability and skill, and the Board therefore desires the advice of other engineers as well as the Engineer-in-Chief of the Department ; therefore be it Resolved, That this Board do and hereby does create a Board of Consulting Engineers, to consist of three men emi aent in their profession, whose duties shall be to examine and report upon such plans for the improvement of the water-front property as this Board may submit to them from time to time : and be it further 260 00

time to time; and be it further Resolved, That General Thomas L. Casey, of Washington, D. C., George S. Morison and William H. Burr, of New York City, be and they are hereby appointed such Board, with a per 15 63 100 00 500 00 100 00 diem compensation. 187 50

diem compensation. On motion of the President, the following preamble and resolution were adopted : Whereas, Great advances have been made in the methods and apparatus for handling cargoes, and the use of such methods and appliances will increase the efficiency, value and earning power of the City water-front property, facilitate and cheapen the handling of freight, increase commerce, and retain at this port trade which a lack of such facilities might cause to be diverted to other ports, to the loss and injury of city and people; therefore be it Resolved, That the President of the Board of Docks be authorized to have prepared plans and specifications for a combined pier and fire-proof warehouse, constructed in the most approved manner, and equipped with the most improved appliances, for the speedy and economical loading and unloading of vestels, and the transfer of freight between ships and warehouses, or cars or other vehicles. 562 50 493 81 500 00 168 75 8,350 00 2,000 00 6.875 00 111 19 3,125 00 1,017 19 31 50 677 25 250 00 1 00
