## MUNICIPAL CIVIL SERVICE COMMISSION.

New York City, December 23, 1904.

A meeting of the Municipal Civil Service Commission was held at the Commission's offices, No. 61 Elm street, on Friday, December 23, 1904, at 4 P. M. All the Commissioners were present.

A public hearing was held on the proposed amendment of Civil Service Rules VII. and IX. The Commission was addressed by George McAneny, Esq., George R. Bishop, Esq., Elliot H. Goodwin, Esq., and Albert De Rood, Esq., representing the Civil Service Reform Association, in favor of the amendment of the rules, and John F. Dooling, Esq., appeared in opposition to the same. The hearing then closed.

After the Commission had gone into regular session, it was Resolved, That clauses 4 and 5 of Civil Service Rule IX. be and the same are hereby amended by substituting therefor the following:

"4. The Secretary, as early as practicable after the completion of an examination, shall notify each candidate therein of the rating he has received and, if such rating be above the required minimum, of his comparative standing. He shall likewise notify any candidate who, though admitted to the examination, has been rejected for reasons other than failure to receive the required minimum, stating such reasons specifically. Any candidate receiving any such notice may personally inspect his examination papers at any time, during the office hours of the Commission, and in the presence of such officer or employee as the Commission from time to time may designate.

"5. No examination paper or any part thereof, and no record of the results of a physical test, or any other record or statement rated as part of an examination, or in connection therewith, shall be subject to review, alteration or rerating, after the marks of the Examiners have been registered or attested as required hereunder; except that the Commission, at any time within a year from the date of the certification of an examination, may correct any manifest error or mistake of marking or rating appearing in any such paper or record, the nature of which it shall set forth in its minutes; such correction, in any case, to be without prejudice to the status of any person previously appointed as a result of such examination."

And further Resolved, That Clause 11 of Civil Service Rule VII. be and the same is hereby amended by substituting therefor the following:

"11. No candidate shall be granted a second or special examination or any second or special trial or test, either written or physical, preliminary to or in connection with any examination held hereunder, unless it be shown to the satisfaction of the Commission that his failure to appear for, or to gain admission to, or to complete such examination or test, was due to a manifest error or mistake for which the Commission is responsible, the nature of which shall be set forth in its minutes, or that such failure was due to compulsory attendance before any court or other public authority having the power to compel such attendance."

Upon a statement made by Charles T. Terry, Esq., Counsel for David H. Ray, Esq., and the presentation to the Commission of a certificate from D. B. Spence, M. D., certifying to the illness of Mr. Ray, the hearing in the matter of the charges preferred against David H. Ray, Examiner, was adjourned for one week, and the Secretary was instructed to notify Mr. Ray to appear on Friday afternoon, the 30th inst., at 4 o'clock.

A letter was presented from Adolph Goessel, Esq., requesting that his name be restored to the eligible list for Temporary Clerk. Mr. Goessel stated that his name appeared on the lists for Temporary Clerk and for Senior Clerk; that he had been temporarily appointed in the Board of Elections from the latter list, but supposed it was from the former; that for that reason, when he was certified from the Temporary Clerk's list he supposed he was already serving in such capacity and did not respond to the notice sent him and his name was therefore dropped from the list. After considering the facts in the case, the Secretary was instructed to restore Mr. Goessel's name to the list for Temporary Clerk.

A letter was presented from Louis D. Koop, Esq., requesting that his application for the position of Chairman and Rodman be accepted. It appearing that the application was not presented until December 19, while the receipt of application for that position had closed on the 14th, the request was denied.

The Commission then adjourned for the day.

Attest:

HENRY BERLINGER, Secretary.

Commissioner Bigelow presented the following minute:

The members of the Art Commission desire to record their high appreciation of the important service rendered by the Honorable John DeWitt Warner during the three years in which he was a member and President of this body. Entering the office at a time when the Revised Charter of the City had greatly enlarged its powers and responsibilities, Mr. Warner undertook the difficult task of organizing the Commission, providing a method of procedure and drafting a code of rules which should enable it efficiently and systematically to perform its duties. This work was performed with such skill and thoroughness as to prove completely successful, to ensure a prompt disposition of every question submitted to the Commission, and to enable it to keep a complete, intelligible, readily accessible and accurate record of all its decisions.

As the responsible presiding officer of the Commission, Mr. Warner has displayed administrative ability of a high order. In the discharge of his duties he has spared neither time nor toil. While his energy and fidelity have been an inspiration to his fellow members, his courtesy at all times has made our meetings a pleasure and our labors an agreeable duty.

Resolved, That this minute be entered upon the records of the Commission and that a copy of the same be sent to Mr. Warner.

On motion, the resolution was unanimously adopted, and the Assistant Secretary directed to forward a copy to Mr. Warner.

Commissioner Healy presented the following minute:

To Mr. Henry Rutgers Marshall, the Architect member of this Commission, has been assigned during the past three years a larger share of the work of the Commission than to any other of its members except the President. In the performance of this work he has given the Commission the benefit not only of his unusual professional ability, but an extraordinary diligence and devotion. A very large proportion of the plans of various structures submitted to the Commission have been passed upon by Mr. Marshall, engrossing a very considerable part of his time and study, the results of which have enabled the Commission to act with intelligence and confidence, and they believe also to the satisfaction of the public, on all matters of an architectural character.

The members of the Commission have pleasure in hereby officially testifying their grateful appreciation of the services of Mr. Marshall to the Commission, as well as to the great municipality of which he was so loyal an officer.

Resolved, That this minute be entered upon the records of the Commission and a copy of it be sent to Mr. Marshall.

On motion, the resolution was unanimously adopted, and the Assistant Secretary directed to forward a copy to Mr. Marshall.

On motion, the meeting adjourned.

MILO R. MALTBY, Assistant Secretary.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract or in the supplies, work or business to which it relates, or in any portion of the profits, thereof. The bid or estimate must be verified by the oath, in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank form mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
