■ NOTICE

**COMMUNITY DEVELOPMENT BLOCK GRANT -  
DISASTER RECOVERY  
NATIONAL DISASTER RESILIENCE COMPETITION -  
PHASE 1  
NOTICE OF PROPOSED APPLICATION AND  
RESCHEDULED PUBLIC HEARING**

TO RESIDENTS, BUSINESS OWNERS, GROUPS, COMMUNITY BOARDS AND AGENCIES:

New York City (the City) is participating in the U.S. Department of Housing and Urban Development's (HUD) National Disaster Resilience Competition (NDRC). NDRC will competitively award nearly \$1 billion in HUD CDBG-Disaster Recovery funds to 67 eligible communities nationwide. The competition will help communities recover from prior disasters (declared in 2011, 2012, and 2013), and improve their ability to withstand and recover more quickly from future disasters, hazards, stresses and shocks. The Mayor's Office of Recovery and Resiliency (ORR) is leading the application process for the City for funds relating to the presidentially-declared disaster of Hurricane Sandy in 2012.

The Competition's application is divided into two phases. In this first phase, the City describes its unmet resiliency needs stemming from Hurricane Sandy. For its application, the City drew substantial content from its resiliency plan, A Stronger, More Resilient New York. During the process of creating that document, released in June 2013, the City engaged with residents, business owners, elected officials and other stakeholders to identify risks and vulnerabilities in communities throughout the five boroughs. The City also drew from ongoing analyses and engagement in resiliency projects throughout the City. If HUD accepts the City's first phase application and allows it to move to the second application phase, the City will identify specific projects for which it seeks funds. There will also be a second Public Comment Period and Public Hearing at a later date as part of Phase 2.

**The comment period on the proposed Phase 1 National Disaster Resilience Competition application will begin on March 2, 2015 at 12:00 A.M. (EST). Comments must be received no later than March 16, 2015 at 11:59 P.M. (EST).** The proposed Phase 1 National Disaster Resilience Competition application and the public commenting forms are available at <http://www.nyc.gov/cdbg>. Individuals will be able to read the application and comment on the amendment in English, Spanish, Russian and Chinese (simplified). The online materials will also be accessible for the visually impaired.

**The Public Hearing for the proposed Phase 1 Application has been rescheduled for March 10, 2015 at 7:00 P.M. at Pace University located at 163 William Street, 18th Floor, New York, NY 10038. The hearing is subject to change. Please call 311 or check <http://www.nyc.gov/cdbg> for the most updated information.**

Paper copies of the Phase 1 Application, including in large print format (18pt font size), are available at New York City Mayor's Office of Recovery and Resiliency 253 Broadway, 10<sup>th</sup> Floor, New York, NY 10007 in both English and the languages listed above:

Written comments may be directed to Jessica Colon, Senior Policy

Advisor, NYC Mayor's Office of Recovery and Resiliency, 253 Broadway, 10<sup>th</sup> Floor, New York, NY 10007. Comments may be provided by telephone by contacting 311, New York City's main source of government information and non-emergency services. For more information on how people with disabilities can access and comment on the Application, dial 311 or, using a TTY or Text Telephone, (212) 504-4115.

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)  
Department for the Aging (DFTA)  
Department of Consumer Affairs (DCA)  
Department of Corrections (DOC)
