AGENCY RULES

TRANSPORTATION

■ NOTICE

Notice of Adoption of amendments to the rules relating to General No Stopping Zones.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Transportation by subdivision (a) of Section 2903 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation hereby adopts amendments to subdivision (e) of Section 4-08 of Chapter 4 of Title 34 of the Official Compilation of the Rules of the City of New York, the Traffic Rules, by adding new paragraph (12). This rule was published in the City Record on July 21, 2008, and a public hearing was held on August 20, 2008. New matter is underlined and matter to be deleted is in [brackets]. As the Mayor and the Commissioner have authorized an early implementation of this rule based upon substantial need, this rule shall take effect immediately upon this publication.

Subdivision (e) of section 4-08 of Title 34 of the Rules of the City of New York is amended to add a new Paragraph (12) to read as follows:

(12) Obstructing traffic at intersection. When vehicular traffic is stopped on the opposite side of an intersection, no person shall drive a vehicle into such intersection, except when making a turn, unless there is adequate space on the opposite side of the intersection to accommodate the vehicle the person is driving, notwithstanding the indication of a traffic control signal which would permit the person to proceed.

STATEMENT OF BASIS AND PURPOSE OF RULE

The Commissioner of the Department of Transportation is authorized to promulgate rules regarding parking and traffic in the City pursuant to Section 2903 of the New York City Charter.

Subdivision (e) of section 4-08 is being amended to incorporate recent amendments to the New York State Vehicle & Traffic Law. The Governor of the State of New York recently signed legislation specifying that, in cities with a population of one million or more, blocking an intersection can be adjudicated as a parking violation. The Department is amending the Traffic Rules to implement this change, and to facilitate effective enforcement by the New York City Police Department.

FINDING OF SUBSTANTIAL NEED FOR EARLIER IMPLEMENTATION

Chapter 241 of the Laws of 2008 added a new subdivision 2-a to section 236 of the Vehicle and Traffic Law ("VTL"), which provides that in the City of New York, a violation of section 1175 of the Vehicle and Traffic Law is to be considered a parking violation in addition to being a moving violation. VTL §1175 prohibits a driver from driving a vehicle into an intersection when traffic is stopped on the opposite side of the intersection and there is not adequate space on the opposite side of the intersection to accommodate the vehicle ("blocking the box"), unless the driver is making a turn. Pursuant to the New York City Charter, parking, stopping and standing regulations are established by rule of the Department of Transportation. This amendment to the Rules Relating to General No Stopping Zones incorporates VTL §1175 into DOT's Traffic Rules and establishes "blocking the box" as a parking violation therein.

As traffic congestion continues to be a significant problem in New York City, immediate implementation of this rule amendment is necessary to facilitate the prompt enforcement of the new violation by the New York City Police Department.

Therefore, pursuant to section 1043(e)(1)(c) of the New York City Charter, the Department of Transportation hereby finds that there is a substantial need for the earlier implementation of the amendment to the Rules Relating to General No Stopping Zones. Consequently, the attached amendment to the Rules Relating to General No Stopping Zones shall be effective upon the final publication of the amendment in the City Record, and the requirement that thirty days first elapse after such publication shall not apply.

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2008 CONSOLIDATED PLAN

The City of New York announces the public comment period for the substantial amendment to the City's 2008 Consolidated Plan. The public comment period will begin on August 25, 2008 and extend thirty (30) days to September 23, 2008.

This amendment adjusts downward the U.S. Department of Housing and Urban Development (HUD) HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately \$116.047 million, and \$1.347 million, respectively) to the actually amount awarded (approximately \$111.972 million, and \$0.544 million, respectively) as a result of the Federal Fiscal Year 2008 (FFY08) appropriations. The amendment includes the deletion of two existing HOME-funded programs, the addition of four new HOME-funded programs and the reallocation of the FFY08 HOME grant funds among the remaining programs.

In addition, the amendment adjusts the HUD Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed \$54.723 million to the amount awarded \$56.811 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The amendment substantially reduces the amount of HOPWA monies used to fund HASA Case

Management and Supportive Services (HOPWA-201), and eliminates federal funding for three other programs (HASA Housing Personnel (HOPWA-202), HASA Quality Assurance (HOPWA-203, and HASA Project Sponsor Administration (HOPWA-205), respectively). A significant portion of the funds will be reallocated to the HASA (Supportive) Housing Contracts Program (HOPWA-204).

The amended 2008 Consolidated Plan also incorporates the amended Calendar Year 2008 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

Copies of the amended 2008 Consolidated Plan will be made available on August 25, 2008 and can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). In addition, the amended Plan can be downloaded through the internet via the Department's website at www.nyc.gov/planning.

Written comments should be sent by close of business September 23, 2008 to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge--, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application. If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M. to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
