WEEKEND AND EMERGENCY MEALS - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# 12524N0001 - Due 4-4-24 at 5:00 P.M.

The New York City Department for the Aging (NYC Aging) is dedicated to enhancing the lives of the city's older population, projected to reach 1.86 million by 2040, representing 20% of NYC residents. As an agency of the New York City government and an Area Agency on Aging under the federal Administration for Community Living (ACL), NYC Aging receives federal, state, and city funds to provide essential services for older adults and individuals with disabilities.

NYC Aging prioritizes reimagining food provision for older adults through its Home Delivered Meals (HDM) program, serving approximately 18,000 homebound older adults with nutritious weekday meals. The program aims to meet regulatory standards while catering to the diverse tastes of older New Yorkers, reflecting NYC Aging's commitment to enhancing quality, efficiency, and sustainability in meal services.

This Negotiated Acquisition (NA) aims to expand the HDM program by establishing a public-private partnership to supply weekend and emergency meals for our HDM client network. The funds under this NA will be used by the selected contractor to support the administrative costs necessary to raise sufficient funding so that the contractor, and any subcontractor(s), can procure and deliver meals for weekend consumption and unforeseen emergencies. Contractors must have the capacity for fundraising to meet program targets. Expectations include fundraising for approximately 18,000 HDM clients to receive weekend and emergency meals on an annual basis (1,872,000 weekend meals and 90,000 emergency meals).

NYC Aging has identified five organizations who it believes can meet the criteria of the NA. NYC Aging intends to award a contract to one of the following organizations:

- 1. CityMeals on Wheels
- 2. God's Love We Deliver
- 3. Great Performances (Artists as Waitresses Inc.)
- 4. New York Food Truck Association (NYFTA)
- 5. Riviera Hospitality Group (RC STILLWELL LLC)

Organizations that meet the below bulleted criteria may express their interest in being added to the above list and providing the expected services under this NA. Expressions of Interest must include a narrative (no longer than 1,000 words) addressing the following bulleted qualification requirements that NYC Aging will consider in making a final selection:

- <u>Fundraising</u>: Demonstrated experience of at least 5 years in fundraising to cover the scale required for the contract. The provider should have the organizational capability, staffing structure, and donor engagement expertise to meet fundraising targets, with regular reporting requirements.
- <u>Program Service Delivery</u>: Adherence to guidelines for the Home Delivered Meals (HDM) program, sourcing and preparing meals in compliance with regulations, and provision of weekend and emergency meals aligned with dietary needs and cultural preferences. The contractor and any subcontractor(s) must be prepared for emergency response and ensure food safety standards.
- <u>Organizational Capability</u>: Capacity to operate the program effectively, including legal and fiscal responsibilities, staff training, data management, and compliance with safety practices during the health-related emergencies. Financial stability and budget management in line with NYC guidelines are crucial.
- Emergency Preparedness and Collaboration: Experience in or a solid understanding of emergency preparedness planning, coordination with NYC Aging for continuity of care during emergencies, timely information provision, and collaboration with the Office of Emergency Preparedness and Response.

Responses should be submitted to NYC Aging at RFP@aging.nyc.gov by no later than 5:00 P.M. on April 5, 2024 in order to be evaluated. Please note that submission of a response does not guarantee inclusion in the NA solicitation.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

■ VENDOR LIST

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established six (6) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting, Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis), Plumbing and Electrical.

All vendors interested in NYCHA's PQLs must follow two $\left(2\right)$ important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQL's and to obtain applications, please visit NYCHA's website at: https://www.nyc.gov/site/nycha/business/nycha-pql.page

LATE NOTICE

CITYWIDE ADMINISTRATIVE SERVICES

■ NOTICE

Notice of Adoption of Rule Permitting Late Application Filing by Provisional Appointees for Open Competitive Examinations

Notice is hereby given that pursuant to the authority vested in the Commissioner of Citywide Administrative Services by sections 1043, 811 and 814 of the New York City Charter, and sections 15, 20 and 50 of the New York Civil Service Law, the Department of Citywide Administrative Services ("DCAS") is adopting a rule permitting provisional appointees to file late applications for open competitive examinations when they have been absent from work for at least half of the application period. A notice of proposed rulemaking was published in the City Record on December 6, 2023. A virtual public hearing was held on January 5, 2024.

Statement of Basis and Purpose of Rule

Pursuant to Section 15(4) of the New York Civil Service Law and Pursuant to Section 15(4) of the New York Civil Service Law and Section 811 of the New York City Charter, the commissioner of Citywide Administrative Services has all the powers of a municipal civil service commission set forth in the New York Civil Service Law. Section 50(1) of the Civil Service Law provides that the merit and fitness of applicants for positions which are classified in the competitive class shall be ascertained by such examinations as may be prescribed by the municipal civil service commission. Section 65 authorizes a municipal civil service commission to fill vacancies in the competitive class with provisional appointees provided that there are no civil service lists available to fill vacancies on a permanent basis. Section 65(3) provides that provisional appointees should be terminated not later than two months after the establishment of an eligible list for the title.

The Department of Citywide Administrative Services has promulgated General Examination Regulations, codified at section 11-01 of Title 55 of the Rules of the City of New York ("R.C.N.Y."), for the administration of examinations for applicants for positions classified in the competitive class. Section 11-01 sets forth the procedure for late applications for promotional examinations.

This rule amends subdivision (b) of section 11-01 to permit provisional appointees to submit late applications for open competitive examinations. Many of the individuals who hold provisional appointments perform essential public services but must be terminated when an eligible list based on an open competitive examination is established. DCAS has made considerable efforts to reduce the number of provisional appointees by developing and administering competitive examinations to make appointments from eligible lists. Amending the rule to permit provisional appointees who have missed the application period for valid reasons to submit late applications for open competitive examinations advances the continued quality and effectiveness of governmental operations by allowing experienced employees to seek permanent status.

New material is underlined. [Deleted material is in brackets.]
