Adopted by the Board of Aldermen, June 5, 1877.

Approved by the Mayor, June 13, 1877.

Resolved, That permission be and is hereby given to Daniel Donovan to lay a crosswalk across Monroe street, from No. 24 to 25, he being the owner of No. 25 Monroe street, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, June 5, 1877.

Approved by the Mayor, June 13, 1877.

Resolved, That the lamp-post now standing on the east side of Broadway, opposite the Astor House, near the line of the crosswalk extending from the Post-office to the junction of Ann street and Broadway, be removed and placed about ten feet south of its present location, keeping the line of said crosswalk, as the post is now a serious and dangerous obstruction to the free uses of the street, which at this point is traversed by the cars of several of the city railroad companies, and persons alighting therefrom are liable to be injured from the close proximity of the said post to the railroad tracks, the work of removal to be under the direction of the Commissioner of Public Works.

Adopted by the Board of Aldermen, May 29, 1877.

Received from his Honor the Mayor, June 14, 1877, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That permission be and the same is hereby given to the Knickerbocker Ice Company to place and keep a platform-scale for weighing ice on the east side of Avenue A, about thirty feet south of Ninety-third street, provided the said scale will not interfere with the public use of the street, the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, June 12, 1877.

Approved by the Mayor, June 15, 1877.

DEPARTMENT OF PUBLIC PARKS.

DEPARTMENT OF PUBLIC PARKS,
36 UNION SQUARE,
NEW YORK, June 8, 1877.

CONSTRUCTION OF DRAINS IN THE TWENTY-FOURTH WARD.

PROPOSALS, IN SEALED ENVELOPES, WILL be received at the office of the Department of Public Parks, 36 Union Square, New York City, until Wednesday, the 20th day of June, 1877, at the hour of half-past nine o'clock A. M., when they will be publicly opened, for constructing drains for the lands bounded on the north by Fordham and Pelham avenues, on the east by the Southern Boulevard, on the south by the Kingsbridge road, and on the west by Arthur street, in the Twenty-fourth Ward of the City of New York.

The Engineer's estimate of the work to be done, and on which the bids will be tested, is as follows, viz.:
7,000 cubic yards of earth excavation.
100 " " rock
1,890 linear feet of open drains.
2,230 " " covered drains
2,300 " " blind

These quantities are considered as approximate, and any variation of them will not entitle the contractor to any claim for extra time in the completion of the work, or to any other claim for damages, if the quantities of work should prove to be greater or less than here estimated, and the Department of Public Parks expressly reserves the right of increasing or diminishing the said quantities, as in its opinion may be necessary.

Each proposal must state, in figures and in writing, a price per cubic yard, per linear foot, for each of the above-named items, which prices are to cover the whole cost of the work.

The time required for completion, which will be tested at the rate of \$3 per day, must also be stated. No pro-

posal will be received which contains prices for other items than those above mentioned.

No proposal will be considered unless accompanied by the consent, in writing, of two responsible householders or freeholders of the City of New York, their respective places of business or residence being named, to the effect that they will become bound as sureties in the sum of five thousand dollars for the faithful performance of the contract, should it be awarded upon that proposal.

Each proposal must state the name and place of residence of the person making the same; the names of all persons interested with him therein; that it is made without collusion with any other person making an estimate for the same work; and that no member of the Common Council or other officer of the Corporation is directly or indirectly interested therein, or in any portion of the profits thereof.

The Department reserves the right to reject any or all proposals. Proposed sureties must verify their consent by affidavit.

Forms of proposals may be obtained, and the terms of the contract (including the specifications), settled as required by law, seen at the office of the Secretary, as above. The plans for the work can also be seen at the office of the said Department.

Proposals must be addressed to the President of the Department of Public Parks, and endorsed "Proposals for construction of Drains in the Twenty-fourth Ward," and shall also be indorsed with the name or names of the person or persons presenting the same, and the date of presentation.

NOTICE
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and it unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
