#### MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, November 29, 1881.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted November 15, 1881, giving permission to W. McCarty Little, proprietor of the "Westmoreland," No. 100 East Seventeenth street, to erect a chimney on the outside of the building, for the reason that a similar resolution was vetoed by the Mayor October 18, 1881, and the objections still exist, namely, that it would be an unnecessary encroachment on the street.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to William McCarty Little to place and keep a chimney, as shown on the accompanying diagram, on the "Westmoreland," No. 100 East Seventeenth street, the work done at his own expense, under the direction of the Commissioners of the Fire Department; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, November 29, 1881.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted November 22, 1881, giving permission to the Metropolitan Telephone and Telegraph Company to lay wires under the streets in the City of New York, for the reasons :

First—That the resolution fails to make any provision for the payment to the city of an adequate consideration for the franchises sought to be granted. The approval of this resolution by me would be equivalent to the bestowal upon the Metropolitan Telephone and Telegraph Company of a right which is of great value to them, and which should be of great value to the city, while the city itself would reap practically no return for the proprietary rights of which it would dispose.

The Metropolitan Telephone and Telegraph Company, which is a wealthy corporation, already possessed of most valuable rights, should be compelled to pay the city an honest price before it is permitted to add to the franchises it already enjoys.

The provision in the resolution for the payment of one cent for each lineal foot of street occupied is altogether inadequate, being, in my opinion, scarcely more than nominal.

Not only should this practice of granting franchises without compensation come to an end because of its inherent wrongfulness, but because if the burden of taxation is ever to be materially reduced, the city must avail itself of all possible sources of income. Capital is entitled to a fair return for its use, but if the municipality is enabled to afford the opportunity to capital for reaping unusual returns far above the market rate of interest, the city which thus affords the opportunity should share in the benefit.

Second—While it may be advisable that electrical wires should be placed below the surface of the street, provided the city is properly reimbursed for the privilege, they should be so placed only upon condition that they shall not interfere with the use of the street for other purposes. The right sought to be granted in the resolution of constructing and maintaining or using, upon or below the surface of the ground, boxes, vaults, or other fixtures, would, in my opinion, only result in the further incumbrance of our already crowded thoroughfares. I notice, also, that by the terms of the resolution the Metropolitan Telephone and Telegraph Company would be subjected only to such of the provisions of Article XLI. of chapter 8 of the Revised Ordinances of 1880 as require them to reserve one wire in each route for the use of the Police, and one for the Fire-alarm Telegraph. The provisions of this article of the Revised Ordinances are most wholesome, and there is no reason why the Metropolitan Telephone and Telegraph Company should be exempted from complying with their terms. The passage of your resolution would practically place the streets of the city at the mercy of the Metropolitan Telephone and Telegraph Company, free from all the provisions of Article XLI. of the Revised Ordinances which are most wholesome, except the one concerning the reservation of wires for the use of the Police and Fire Departments, while such wires could supply no existing need by either of these Departments, inasmuch as they are already sufficiently provided with wires for their respective purposes. The article of the ordinances referred to provides for the protection of water and gas pipes, sewers and drains, from exposure, prohibits the laying of wires more than four feet distant from the curb-stone; directs that all work shall be done so as not to materially impede traffic or passage, and that in no case shall passage be interrupted for a longer period than an hour; provides that the space selected for laying the wires shall not exceed two feet in width and two feet in depth, and contains other salutary regulations, to the rigorous observance of which this company should be held, instead of being granted practical exemption from its requirements. The further objection remains that this company is only one of a large number of corporations using electrical wires for telegraphic and telephonic purposes in this city, all of whom have as much claim upon the streets of the city, for the purpose of laying their wires, as the Metropolitan Telephone and Telegraph Company, and from whom in the future it is more than possible that applications will be made similar to that now made by the company referred to in the resolution. The streets of this city are already largely occupied with various sewers, water pipes, gas-pipes, elevated railroad foundations, steam heating pipes, and electrical light pipes or wires, and in many of the streets it will be impossible to accommodate more than

a small number of wires for telegraphic or telephonic purposes. Some provision should be made for preventing the granting of any right to a company which might work a practical exclusion of all other companies from the streets, or any of the streets of the city. Any right of the kind proposed to be granted to the Metropolitan Telephone and Telegraph Company, should be granted only after full consideration of the requirements of the entire telegraph system of the city, and with a view to its possible future developments, and the resolution in question shows that no such consideration has been given in the matter.

W. R. GRACE, Mayor.

Resolved, That permission be and hereby is granted to the Metropolitan Telephone and Telegraph Company to use the streets within the City of New York for the purposes of constructing and laying lines of electrical conductors under ground, from time to time, in tubes or otherwise, and for constructing, maintaining, and using in such streets, from time to time, upon, above, or below the surface of the ground, boxes, vaults, or other fixtures suitable for distributing and testing, from time to time, the wires and insulators of said lines, and for access thereto. All excavations in streets, removals and replacements of pavements or sidewalks, shall be done under and according to the direction of the Commissioner of Public Works. The said company, in acting under this permission, shall be subject to so much of the provisions of article XLI. of chapter eight of the Revised Ordinances of 1880 as requires that one wire in each route shall be reserved for the use of the police and one for the fire-alarm telegraph, without charge to the City and County of New York. For each street opened and used by the company, under this permission, for the purpose of laying therein its lines of electrical conductors, it shall pay to the city a sum equal to one cent for each lineal foot of such street occupied.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, November 29, 1881.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted November 22, 1881, giving permission to William Dodd to retain sign across the sidewalk in front of No. 21 New Chambers street, for the reason that signs extending from house to curb are objectionable and dangerous, and obstructs the light from the street-lamp.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to William Dodds to retain the sign now across the sidewalk in front of No. 21 New Chambers street; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, November 29, 1881.

I return, without my approval, the resolution of the Board of Aldermen, adopted November 22, 1881, giving permission to George W. Franklin to keep an ornamental clock in front of No. 2156 Third avenue, and the resolution adopted November 22, 1881, giving permission to Henry Smith to place a barber-pole in front of No. 65 King street, for the reason that similar resolutions have been vetoed by the Mayor, and that the same objections still exist, namely, that poles on the curb are dangerous obstructions.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to George W. Franklin to place and keep an ornamental clock at curb-stone in front of his premises, No. 2156 Third avenue, the work done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Resolved, That permission be and the same is hereby given to Henry Smith to place and keep a barber-pole in front of No. 65 King street, the work done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, November 29, 1881.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted November 22, 1881, giving permission to Samuel Cohen to retain a sign at No. 281 Grand street, for the reason that a resolution locating signs in a similar position was vetoed by the Mayor, September 23, 1881, and that the signs are intended to be placed at an elevation beyond the limits of the corporation ordinances.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to Samuel Cohen to retain signs in front his premises, No. 281 Grand street, said signs being attached to the building on the second and third floors inside of the stoop-line, the work done at his own expense; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, November 29, 1881.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted November 22, 1881, giving permission to Giovanni Scutaro to retain a stand in front of No. 196 Chatham street, for the reason that this stand is to be placed on the curb, and that the occupant of the store in front of whose premises the stand is intended to be placed strongly objects to the stand being placed in front of his store.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to Giovanni Scutaro to retain stand for the sale of fruit in front of premises No. 196 Chatham street, he having obtained the consent of the occupants of said premises, the work done at his own expense; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

INDORSED:

W. R. GRACE,  
Mayor.  
ALLAN CAMPBELL,  
Comptroller;  
PATRICK KEENAN,  
President of the Board of  
Aldermen;  
THOS. B. ASTEN,  
President of the Department of  
Taxes and Assessments.

Present—The following members, viz.:

Wm. R. Grace, the Mayor of the City of New York; Allan Campbell, the Comptroller of the City of New York; Thos. B. Asten, the President of the Department of Taxes and Assessments. Absent—Patrick Keenan, the President of the Board of Aldermen.

The minutes of the meeting held November 18, 1881, were read and approved.

The Comptroller presented the following communication:

FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE, November 28, 1881.

To the Board of Estimate and Apportionment:

The proceedings for opening One Hundred and Thirty-eighth street and other streets in the Twenty-third Ward, and for opening Sedgwick avenue, in the Twenty-fourth Ward, have been confirmed, and the issue of city stock is required for the payment of awards for damages, etc., as provided by the act, chapter 604 of the Laws of 1874, under which they were instituted by the Department of Public Parks.

The Commissioners of Public Parks have adopted and transmitted resolutions directing the Comptroller to issue stock of the City of New York, pursuant to said statute, which are herewith submitted.

At the last session of the Legislature an act, chapter 544, was passed, which provided for the payment of assessments for street openings and improvements, and the issue of bonds, but the meaning and validity of the act were not clear, and the question as to the authority to issue bonds for the payment of awards, etc., under these proceedings, was submitted to the Counsel to the Corporation.

His opinion as to the authority to issue bonds for the purpose of such payment is herewith submitted, to the effect that the statute, although, perhaps, so intended, "is unintelligible, and furnishes no authority whatever for the issue of bonds to pay the awards and expenses in the matter of opening One Hundred and Thirty-eighth and other streets, and those bonds, therefore, must be issued under chapter 604 of the Laws of 1874."

Resolutions have been prepared authorizing the issue of city stock for the payment of awards and expenses in the proceedings referred to, which are herewith submitted for adoption.

Respectfully,

ALLAN CAMPBELL, Comptroller.

Resolved, That the Comptroller be and he is hereby authorized to issue, from time to time, as may be required, and at such rates of interest as he may determine, not exceeding five per centum per annum, stock of the City of New York, not exceeding the total sum of ninety-seven thousand eight hundred and eighty-four dollars and ninety-seven cents (\$97,884.97), for the payment of the awards for damages, and the expenses, charges and disbursements made and incurred by the Commissioners of Estimate and Assessment appointed by the Supreme Court in the matter of the opening of Sedgwick avenue, from Fordham Landing road to Boston avenue, in the Twenty-fourth Ward of the City of New York, confirmed by the Supreme Court on November 2, 1881; of which said stock so authorized to be issued, the sum of forty-eight thousand nine hundred and forty-two dollars and forty-nine cents (\$48,942.49), assessed on the Mayor, Aldermen, and Commonalty of the City of New York, under the authority of section 4 of chapter 604 of the Laws of 1874, shall be issued pursuant to section 7 of said chapter 604 of the Laws of 1874, and chapter 322 of the Laws of 1871, and shall be denominated "Consolidated Stock of the City of New York," payable from the Sinking Fund, under section 8 of chapter 383 of the Laws of 1878; and the sum of forty-eight thousand nine hundred and forty-two dollars and forty-eight cents (\$48,942.48), assessed on property benefited under said proceedings, or as much thereof as may be required, shall be issued under the authority of said section 7 of chapter 604 of the Laws of 1874, and shall be designated "Assessment Fund Stock," payable from assessments;

Resolved, That the Comptroller be and he is hereby authorized to issue, from time to time, as may be required, and at such rates of interest as he may determine, not exceeding five per centum per annum, stock of the City of New York, not exceeding the total sum of seven hundred and fifteen thousand two hundred and twenty-four dollars and forty-five cents (\$715,224.45), for the payment of the awards for damages, and the expenses, charges, and disbursements made and incurred by the Commissioners of Estimate and Assessment appointed by the Supreme Court in the matter of the opening of One Hundred and Thirty-eighth street, from Harlem river to Long Island sound; the opening of One Hundred and Forty-ninth street, from Harlem river to the Southern Boulevard; the opening of Westchester avenue, from Third avenue to the city line at the Bronx river; the opening of Cliff street, from Third avenue to Union avenue; the opening of One Hundred and Sixty-first street, from Jerome avenue (late Central avenue), to the Third avenue; the opening of One Hundred and Sixty-fifth street, from Boston avenue to Union avenue; the opening of Prospect avenue, from One Hundred and Fifty-sixth street to the Southern Boulevard; the opening of Willis avenue, from One Hundred and Forty-seventh street to Third avenue; the opening of One Hundred and Forty-eighth street, from Third avenue to St. Ann's avenue; the opening of One Hundred and Fifty-sixth street, from Third avenue to Elton avenue; and the opening and widening of Morris avenue, from Third avenue to Railroad avenue; at One Hundred and Fifty-sixth street, in the Twenty-third Ward of the City of New York; the report of said Commissioners confirmed by the Supreme Court on November 16, 1880, and order entered February 9, 1881; of which said stock so authorized to be issued, the sum of three hundred and forty thousand five hundred and thirty-two dollars and twenty-three cents (\$340,532.23), assessed on the Mayor, Aldermen, and Commonalty of the City of New York, under the authority of section 4 of chapter 604 of the Laws of 1874, shall be issued pursuant to section 7 of said chapter 604 of the Laws of 1874, and chapter 322 of the Laws of 1871, and shall be denominated "Consolidated Stock of the City of New York," payable from the Sinking Fund, under section 8 of chapter 383 of the Laws of 1878; and the sum of three hundred and seventy-four thousand six hundred and ninety-two dollars and twenty-two cents (\$374,692.22), assessed on property benefited under said proceedings, or as much thereof as may be required, shall be issued under the authority of said section 7 of chapter 604 of the Laws of 1874, and shall be designated "Assessment Fund Stock," payable from assessments.

LAW DEPARTMENT,  
OFFICE OF THE COUNSEL TO THE CORPORATION,  
NEW YORK, November 22, 1881.

Hon. ALLAN CAMPBELL, Comptroller:

SIR—I am in receipt of your letter of the 21st instant, in which you refer to the provisions of chapter 544 of the Laws of 1881, and request my opinion as to whether bonds to raise moneys to pay the awards and expenses in the proceeding for opening One Hundred and Thirty-eighth and other streets, in the Twenty-third Ward, can be issued under section 2 of said chapter.

The act in question is entitled "An act to provide for the payment of assessments for street openings and improvements in the Twelfth Ward, north of One Hundred and Fifty-fifth street, and the Twenty-third and Twenty-fourth Wards of the City of New York."

The first section of the act provides that all assessments in street opening proceedings, or for grading, regulating, paving and sewers in said territory have been laid, the Comptroller shall issue the bonds of the city to an amount sufficient to pay said assessments, which bonds shall be in sums not exceeding \$1,000, and bear interest at a rate not exceeding six per cent. per annum, and shall express that one-twentieth of the whole amount of said bonds shall be payable in each year, such one-twentieth to be designated in each year by the Comptroller, on a day to be specified in said bonds, by public selection, by lot, from the whole number of said bonds, and said assessments shall be paid from the proceeds of said bonds.

The second section provides that upon the confirmation of any report in street opening proceedings in which assessments for benefit have been made, and whenever assessments for grading, regulating, and paving and for sewers in said territory have been laid, the Comptroller shall issue the bonds of the city to an amount sufficient to pay said assessments, which bonds shall be in sums not exceeding \$1,000, and bear interest at a rate not exceeding six per cent. per annum, and shall express that one-twentieth of the whole amount of said bonds shall be payable in each year, such one-twentieth to be designated in each year by the Comptroller, on a day to be specified in said bonds, by public selection, by lot, from the whole number of said bonds, and said assessments shall be paid from the proceeds of said bonds.

I am wholly at loss to understand the meaning of this section. Assessments, both in street opening proceedings and for street improvements, are to be paid to the city by the owners of the property upon which such assessments are levied. There is no occasion for the city, either in street opening proceedings or in the matter of street improvements, to issue assessment bonds; and this provision of the statute is unintelligible. The Legislature may have intended to make provision for issuing bonds to pay awards in street opening proceedings, but as there are no awards to be paid for street improvements, the statute, even upon this supposition, could not be carried out in the matter of street improvements. We are not at liberty, however, to speculate upon what law the Legislature may have intended to pass, but must take it as we find it. As printed in the session laws, and doubtless as enacted, the statute furnishes no authority whatever for the issuing of bonds to pay the awards and expenses in the matter of opening One Hundred and Thirty-eighth and other streets, and those bonds must, therefore, be issued under chapter 604 of the Laws of 1874.

I am, sir, yours respectfully,  
W. C. WHITNEY, Counsel to the Corporation.

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,  
36 UNION SQUARE, November 12, 1881.

Hon. ALLAN CAMPBELL, Comptroller:

SIR—I transmit herewith a copy of a preamble and resolution adopted at a meeting of the Board governing this Department, held on 11th instant, in the matter of the opening of One Hundred and Thirty-eighth and other streets, and am

Very respectfully,  
D. PORTER LORD, Acting Secretary D. P. P.

Whereas, A certain proceeding was instituted by the Department of Public Parks by virtue of chapter 604 of the Laws of 1874, and other statutes, to wit:

"In the matter of the application of the Department of Public Parks, for and in behalf of the Mayor, Aldermen, and Commonalty of the City of New York, relative to the opening of One Hundred and Thirty-eighth street, from Harlem river to Long Island Sound; and to the opening of One Hundred and Forty-ninth street, from Harlem river to the Southern Boulevard; and to the opening of Westchester avenue, from Third avenue to the city line at the Bronx river; and to the opening of Cliff street, from Third avenue to Union avenue; and to the opening of One Hundred and Sixty-first street, from Jerome avenue (late Central avenue) to Third avenue; and to the opening of One Hundred and Sixty-fifth street, from Boston avenue to Union avenue; and to the opening of Tinton avenue, from Westchester avenue to One Hundred and Sixty-ninth street; and to the opening of Prospect avenue, from One Hundred and Fifty-sixth street to the Southern Boulevard; and to the opening of Willis avenue, from One Hundred and Forty-seventh street to Third avenue; and to the opening of One Hundred and Forty-eighth street, from Third avenue to St. Ann's avenue; and to the opening of One Hundred and Fifty-sixth street, from Third avenue to Elton avenue; and to the opening and widening of Morris avenue, from Third avenue to Railroad avenue, at One Hundred and Fifty-sixth street, in Twenty-third Ward of the City of New York;" and

Whereas, The report of the Commissioners of Estimate and Assessment appointed by the Supreme Court in said proceeding was confirmed by said Court on November 16, 1880; and

Whereas, Section 7 of said act provides for the creation and issue of stock of the City of New York for the payment of the damages awarded by said Commissioners of Estimate and Assessment, and of the expenses, charges, and disbursements in the premises; therefore

Resolved, That pursuant to section 7 of chapter 604, Laws of 1874, the Commissioners of the Department of Public Parks hereby direct that the public fund or stock which the Comptroller of the City of New York by said provision of law, is authorized and directed to create and cause to be issued in the manner, and on behalf of the City of New York, shall be issued at such time or times, in such manner and form, of such description, and in such amounts, not exceeding the total sum of seven hundred and fifteen thousand two hundred and twenty-four and 45-100 (\$715,224.45) dollars, as the said Comptroller may determine for the payment of the awards for damages, expenses, charges, and disbursements made and incurred by the Commissioners of Estimate and Assessment appointed by the Supreme Court in a certain proceeding instituted by the Department of Public Parks by virtue of said act, to wit:

The Comptroller presented the following report:

FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE, November 18, 1881.

To the Board of Estimate and Apportionment:

Sundry bills of charitable institutions against the city for the support of children during the present year, committed by magistrates, have been received by this Department. At my request, these bills have been examined by the officers of "The New York Society for the Prevention of Cruelty to Children." Mr. Elbridge T. Gerry, President of the Society, reviews with much care the present system, and makes certain suggestions for protecting the city against errors in the payment of these bills, which meet with my approval.

Mr. James E. Morrison, to whom I submitted the bills for examination, has furnished an opinion

which I present herewith. Reference is made also to the Comptroller's communication, relative to similar bills, to be found on page 91 of the minutes of the Board of Estimate and Apportionment, June 29, 1881.

Renewed examination confirms the views therein expressed. The system under which the support of these children is made a charge upon the City Treasury is defective in many essential particulars. The interests of the city are not sufficiently guarded, and the forms of law for the examination of applications for the commitment of children to these institutions do not seem to bring out all the facts in each case, and do not furnish a complete record of necessary particulars to enable the financial officers of the city to pass upon the merits of the claims.

I have examined the bills of the St. Stephen's Home for Children and the Asylum of the Sisters of St. Dominic, and believing the items therein referred to in Mr. Gerry's communication are not legal charges against the city, I would recommend that correction be made accordingly.

As to the bills of the St. Ann's Home for Children for the six months ending September 30, 1881, I am of opinion, after careful consideration of the facts, that they are not proper claims upon the City Treasury.

The following resolutions are submitted for adoption.

ALLAN CAMPBELL, Comptroller.

And offered the following resolution:

Or any other public building or office in which gas may be required during the aforesaid term.

Any person making an estimate for the above-mentioned supplies shall furnish the same in a sealed envelope at said office, at or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The gas shall have an illuminating power of not less than sixteen sperm candles when tested on the improved form of the Bunsen Photometer, and by a burner that will obtain from the gas the greatest amount of light, and practicable for use by the consumer, and consuming at the rate of five cubic feet of gas per hour; the testing candle shall be of sperm of six to the pound, and consuming, as near as possible, one hundred and twenty grains of sperm per hour, and no candle shall be used for testing which consumes less than one hundred and fourteen or more than one hundred and twenty-six grains of sperm per hour. And, as regards purity, the gas shall be free, within limits not injurious to the public health, from ammonia, sulphuretted hydrogen, and other sulphurous and noxious compounds.

Bidders are required to state in their estimates the several markets, armories, buildings, and offices to which they propose to furnish gas in accordance with the terms, conditions and specifications contained herein, and in the proposed form of contract, and the illuminating power of the gas they propose to furnish.

Bidders are also required to state one definite and distinct price for each thousand cubic feet of gas furnished (whether the quantity be more or less) to each or any of the following public markets, armories, buildings, and offices of the city, and this price must be written out in full, and also inserted in figures.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder,

will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties,

in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded as a subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or to execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisit on on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

### PROPOSALS FOR ESTIMATES.

**ESTIMATES FOR THE CONSTRUCTION OF A** Crib Bulkhead on the west side of Hart's Island, in Long Island Sound, will be received by the Board of Commissioners of the Department of Public Charities and Correction, at the office of said Department, No. 66 Third Avenue, in the City of New York, until 9:30 o'clock A. M. of Thursday, the first day of December, 1881, at which place and time the bids will be publicly opened by the head of said Department and read. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The amount of security required is ten thousand dollars (\$10,000).

The Engineer's estimate of the nature, quantity, and extent of the work is as follows:

The construction of about 2,450 lineal feet of Crib Bulkhead, to be composed of spruce logs, made in sections and sunk in detached lengths.

N. B.—As the above-mentioned quantity, though stated with as much accuracy as is practicable, in advance, is approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received: 1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of their estimates, dispute or complain of such Engineer's estimate or statement, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Public Charities and Correction, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the work before mentioned, which

shall be actually performed, at the price therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

The work is to be commenced within ten days after the date of the execution of the contract; 150 feet in length of the bulkhead is to be finished within forty-five days thereafter, and the entire work is to be fully completed within one hundred and fifty days from the date of execution of the contract.

Bidders will state in their estimates a price per cubic foot of crib bulkhead in position; a price for each mooring pile in position; a price for each ring in position; a price for each fender pile driven, and a price per cubic yard of accepted stone ballast in position for such quantity as may be required over and above the amount furnished by the parties of the first part.

Bidders will distinctly write out in their bids, both in figures and words, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on, until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residences, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state that fact; also that the estimate is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation on any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above all his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

## JURORS.

## NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable jurors, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. ## NOTICE TO TAXPAYERS.

RELATING TO THE PAYMENT OF UNPAID TAXES, ASSESSMENTS, AND CROTON WATER RENTS.

THE COMPTROLLER OF THE CITY OF NEW YORK hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

CHAPTER 33.  
AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November, after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the CITY RECORD, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act:

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum on the amount thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the date of entry in the record of titles of assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice by advertisement

for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed specifying the title of such assessment and the date of its confirmation by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings, and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.

Section 6. This act shall take effect immediately.
