MAYOR ADAMS STATEMENT ON “OUR CITY, OUR VOTE” LEGISLATION

“I believe that New Yorkers should have a say in their government, which is why I have and will continue to support this important legislation. While I initially had some concerns about one aspect of the bill, I had a productive dialogue with my colleagues in government that put those concerns at ease. I believe allowing the legislation to be enacted is by far the best choice, and look forward to bringing millions more into the democratic process.”
