

THE CITY RECORD.

OFFICIAL JOURNAL.

VOL. XIV.

NEW YORK, TUESDAY, AUGUST 24, 1886.

NUMBER 4,032.

EXECUTIVE DEPARTMENT.

MAYOR'S OFFICE, June 25, 1886.

To his Excellency DAVID B. HILL, Governor of the State of New York:

SIR—On or about the 30th day of November, 1885, information reached me which caused me to believe it to be my duty to prefer charges against Alexander Shaler, the President of the Board or Department of Health of the City of New York. I thereupon, as provided by section 108 of chapter 410 of the Laws of 1882, entitled "An act to consolidate into one act and to declare the special and local laws affecting public interests in the City of New York," prepared, signed and caused to be served upon the said Alexander Shaler charges and specifications, of which a copy is hereunto annexed marked Schedule "A," together with a notice that an opportunity would be afforded him to be heard at the Mayor's office, on Monday, the 7th day of December, 1885, at 11 o'clock in the forenoon, as to why he should not be removed from his office for the causes set forth in said charges and specifications.

Upon the said 7th day of December, 1885, the said Alexander Shaler and his counsel appeared before me at the Mayor's office and represented to me that he, the said Shaler, had been indicted by the Grand Jury of this county upon substantially the same grounds as those set forth in the charges and specifications preferred by me, and he asked an adjournment of the hearing upon the charges so preferred by me until after he should have been tried upon the criminal indictment. I accordingly, at his request, adjourned the said hearing, from time to time, until the 1st day of June, 1886, at which time the said Alexander Shaler and his counsel again appeared before me, and thereupon filed a demurrer to the said charges in the words following, to wit:

BEFORE THE MAYOR OF THE CITY OF NEW YORK.

In the matter
of
The charges preferred by William R. Grace against
Alexander Shaler, President of the Department of
Health of the City of New York.

The said Alexander Shaler, now here present, demurs to the charges herein and to each and every one of them, on the ground that even if the facts therein alleged be taken as true they do not present a case in which the Mayor of the City is authorized to act by way of removal from office nor one which he has jurisdiction to investigate.

(Signed)

ALEXANDER SHALER.

GEORGE BLISS and
ELIHU ROOT,
Of Counsel.

Upon the filing of the foregoing demurrer, I further adjourned the hearing of said charges until the 7th day of June, 1886, in order that I might obtain advice as to the force and effect of said demurrer, and as to the proper course to be pursued in the premises.

On the said 7th day of June, 1886, I received from the Counsel to the Corporation a letter of advice in reference to said demurrer in the following words:

"LAW DEPARTMENT,
"OFFICE OF THE COUNSEL TO THE CORPORATION,
"NEW YORK, June 7, 1886.

"Hon. WILLIAM R. GRACE, Mayor:

"SIR—I have examined with care the propositions of law advanced in support of the demurrer interposed by Alexander Shaler, President of the Department or Board of Health, to the charges against him now pending before you. Some of these propositions are novel and of considerable force, and it is, of course, impossible to say with certainty what the decision of the court of last resort would be upon them. I do not feel, however, under the circumstances that I would be justified in advising you to dismiss the proceedings by reason of the objections raised by the demurrer; but on the other hand, I do advise you that it is your duty to overrule the demurrer and to proceed with the investigation and determination of the charges.

"If the objections are well taken, no wrong will be done to the accused, even if the proceeding continues and should result in his removal by you, for in that case the Court would afford him whatever protection he is entitled to. On the other hand, if the objections are not well taken, and the proceedings should nevertheless be discontinued at this stage, the power of removal vested in the Mayor, and upon the exercise of which, under proper circumstances, the public safety, in large measure, depends, would not be availed of.

"Yours, very respectfully,

"E. HENRY LACOMBE, Counsel to the Corporation."

Upon the receipt of the foregoing communication, I overruled the demurrer interposed by the said Alexander Shaler, whereupon Mr. George Bliss, one of his counsel, who was then present, stated that it was intended by the demurrer to admit for all the purposes of the investigation of said charges the truth of the allegations made therein, and that neither the said Shaler nor his counsel proposed or intended to take any further part in said investigation, nor to produce witnesses, nor to cross-examine such witnesses as might be examined to substantiate the charges; and thereupon the said counsel withdrew and took no further part in said proceedings. I then proceeded to take testimony as to the truth of the charges, and caused the same to be taken down, and annex a copy thereof hereto, marked Schedule "B."

From the testimony so taken before me, I became convinced that the charges against said Shaler were true, and had been sufficiently proven.

It appeared from the said testimony that during the year 1884, the said Alexander Shaler, while holding and exercising the office of President of the Board or Department of Health, was also the Major-General commanding the First Division of the National Guard, and as such Major-General was, by virtue of an act of the Legislature known as chapter 91 of the Laws of 1884, entitled "An act to amend chapter 293 of the Laws of 1883, entitled 'An act to provide for the enrollment of the militia and for the organization and government of the National Guard of the State of New York, and for the public defense, and entitled the Military Code,'" a member of a board or commission thereby created, charged with the duty of considering applications of commandants of regiments, battalions, batteries, or troops for suitable armories or for enlargements and furnishment of armories, and of making recommendations to the Commissioners of the Sinking Fund for the purchase, rental, erection, enlargement, alteration or furnishment of armories to be paid for out of the Treasury of the City of New York. That while acting as a member of this last-mentioned Board, and being also President of the Department or Board of Health, the said Alexander Shaler made a corrupt agreement with one Monmouth B. Wilson, that he, the said Shaler, would vote in favor of recommending to the Commissioners of the Sinking Fund for purchase a certain lot or piece of land in the City of New York for the price or sum of \$350,000, upon the condition or agreement and understanding that in consideration of said vote and of the purchase of said lot or parcel of land by the Mayor, Aldermen and Commonalty of the City of New York, the said Wilson would pay to or advance for the said Shaler a sufficient sum of money to purchase and satisfy two certain mortgages executed by the said Shaler and constituting liens upon certain real estate in the State of New Jersey, owned by the said Shaler.

That in pursuance of the aforesaid agreement the said Shaler did vote to recommend to the Commissioners of the Sinking Fund the purchase or acquisition of said lot or parcel of land, and the said recommendation was accordingly made and the said lot or parcel of land was purchased by the Mayor, Aldermen and Commonalty at the price or sum of \$350,000.

That subsequently to said purchase and in pursuance of the aforesaid agreement the said Monmouth B. Wilson did purchase the two mortgages hereinbefore mentioned for the price or sum of \$9,000, and took and received from the holder thereof assignments therefor, and thereupon executed and delivered to the said Alexander Shaler, and the said Alexander Shaler received from the said Wilson satisfaction pieces of said mortgages.

Under these circumstances and facts as disclosed by the testimony I have felt it to be my duty to remove the said Alexander Shaler from his office of President of the Department or Board of Health, and I herewith transmit to you the formal certificate of such removal, together with a statement of my reasons therefor in writing, as required by section 108 of chapter 410 of the Laws of 1882.

Yours, very respectfully,

Mayor.

MAYOR'S OFFICE, June 25, 1886.

I, WILLIAM R. GRACE, Mayor of the City of New York, do hereby certify that in virtue of the power vested in me by section 108 of chapter 410 of the Laws of 1882, entitled "An act to consolidate into one act and to declare the special and local laws affecting public interests in the City of New York," I have this day, for cause, after an opportunity to him afforded to be heard, removed Alexander Shaler from the office of President of the Board of Health.

The causes of removal are:

First—That while an officer of the corporation and head of a department of the Mayor, Aldermen and Commonalty of the City of New York, to wit, President of the Department or Board of Health of said city, and after having duly qualified and entered upon his term of office and while in the employment and service of the said City of New York, he became directly interested with one Monmouth B. Wilson in the sale to and purchase by the Mayor, Aldermen and Commonalty of the City of New York of certain real estate, consisting of a plot of land between Ninety-fourth and Ninety-fifth streets, Madison and Fourth avenues, in the City of New York, purchased and taken by the corporation aforesaid for an armory site, the expense, price and consideration of which was payable from and actually paid from the City Treasury, and that he was directly or indirectly interested in the contract for the purchase of the same by and the sale of the same to the corporation aforesaid.

Second—That while an officer of the Corporation and head of a department of the Mayor, Aldermen and Commonalty of the City of New York, President of the Department or Board of Health of said city, and having duly qualified and entered upon his term of office as such, and during such term of office and while in the employment and service of the City Government he committed a fraud upon the City and converted the public property to his own use in this, to wit: That between the months of May and November, inclusive, in the year 1884, he was directly or indirectly interested with one Monmouth B. Wilson, in the sale to and the purchase by the Mayor, Aldermen and Commonalty of the City of New York, for an armory site in said city, a certain lot, piece or parcel of land bounded by Ninety-fourth and Ninety-fifth streets and Madison and Fourth avenues, which was purchased by the said Mayor, Aldermen and Commonalty of the City of New York, on or about the 25th day of November, 1884, for the price or consideration of \$350,000, which price or consideration was actually paid by the said Mayor, Aldermen and Commonalty of the City of New York out of the City Treasury for the purchase of the said lot, piece or parcel of land, and in the sale of which lot, piece or parcel of land to and the purchase of the same by the City of New York the said Monmouth B. Wilson acted as an agent or broker of the owner and received a large sum of money, to wit, the sum of \$12,000 more or less, as his profit, commission or brokerage of such sale, in which profit, commission or brokerage the said Shaler was, in violation of law and of his duty as an officer of the corporation, a party in interest and participant, and a part of which profit, commission or brokerage was actually received by said Shaler from the said Wilson directly or indirectly and was by said Wilson, with the knowledge and consent of said Shaler, paid over for and appropriated to the individual and personal benefit account and interest of the said Alexander Shaler in the extinguishment of his (the said Shaler's) individual and personal debts.

Third—That while an officer of the corporation and head of a department of the Mayor, Aldermen and Commonalty of the City of New York, to wit, President of the Department or Board of Health of said city, and after having duly qualified and entered upon his term of office as such, and during such term of office and while in the employment and service of the City Government, he did accept a gift, promise or an undertaking to make the same under an agreement and understanding that his vote, opinion, judgment or action should be influenced thereby or should be given on a matter, case or proceeding then pending before him in his official capacity as a member of the Board commonly known as the Armory Board, created by chapter 91 of the Laws of 1884, and of which Board he was ex-officio a member by virtue of his office of Major-General of the First Division of the National Guard of the State of New York, and of which Board he was the Secretary, in this, to wit:

That between the months of May and November, inclusive, in the year 1884, he was directly or indirectly interested with one Monmouth B. Wilson in the sale to and the purchase by the Mayor, Aldermen and Commonalty of the City of New York for an armory site in said city of a certain lot, piece or parcel of land bounded by Ninety-fourth and Ninety-fifth streets and Madison and Fourth avenues, which was purchased by the said Mayor, Aldermen and Commonalty of the City of New York, on or about the 25th day of November, 1884, for the price or consideration of \$350,000, which price or consideration was actually paid by the Mayor, Aldermen and Commonalty of the City of New York out of the City Treasury for the purchase of the said lot, piece or parcel of land.

That said lot, piece or parcel of land was purchased by the Mayor, Aldermen and Commonalty, and paid for out of the City Treasury on the recommendation of the said Shaler, and the Mayor of the City of New York, and the Commissioner of Public Works of the City of New York acting as a Board, under the authority of chapter 91 of the Laws of 1884, and constituting what is commonly known as the Armory Board, and the said Shaler was induced to vote in favor of such recommendation, and did vote in favor of such recommendation upon the promise or agreement of the said Monmouth B. Wilson, that if the said plot of land should be so purchased by the Mayor, Aldermen and Commonalty of the City of New York, he, the said Wilson, would and with the knowledge and consent of said Shaler, did, use, pay over and appropriate a portion of the profits derived by said Wilson, from the said sale, to the individual and personal benefit, account and interest of the said Shaler, for the extinguishment of his individual and personal debts.

SCHEDULE "B."

In the Matter of the charges preferred against General Alexander Shaler, President of the Board of Health of the City of New York.

Hearing before His Honor, Mayor William R. Grace, at the City Hall, New York, June 1, 1886, pursuant to adjournment, on the notice to Alexander Shaler, President of the Board of Health of the City of New York, as to why the said Alexander Shaler should not be removed from the office of President of the Department or Board of Health of the City of New York, for the causes set out in the charges and specifications heretofore served on said Shaler.

Appearances.

For the Prosecution—E. Henry Lacombe, Corporation Counsel, and Francis M. Scott, Assistant Corporation Counsel.

For Alexander Shaler—Colonel George Bliss.

It is admitted that the charges and specifications in this proceeding heretofore served upon the said Shaler, are as set forth in the document marked "Prosecution Exhibit A, June 1, 1886, S. H. Ormsby, Stenographer."

Colonel Bliss—Now, Mr. Mayor, before this case proceeds, I wish to make a further application for the adjournment of this case until after such reasonable time as that General Shaler shall have been again tried in the Court of General Sessions, or it shall appear that the failure to try him is the result of action on his part. I make the application simply. I do not desire to argue the question. It seems to me to be obvious. Your Honor has conceded it heretofore, and I cannot see any reason why the same ground for adjournment does not now exist as before, with just as much force. General Shaler has been twice tried, and there has been a failure of agreement on both occasions. That being a criminal prosecution, it seems to me that the case would be somewhat prejudiced by Your Honor's proceeding with the case here and now, and upon that ground I ask an adjournment.

Mayor Grace—Several adjournments have been given. It was expected that the matter would have been decided by another tribunal before now. But I think I gave notice at the last adjournment—it was so intended, and I believe it was so understood—that there should be no other adjournment.

ment. We will go on with this case now. It is the first Tuesday in June, to which it was adjourned, and I see no reason to further adjournment. We will proceed without further adjournment.

Colonel Bliss—Under these circumstances, Your Honor, it becomes my duty here to take a step which I would have avoided, and, on behalf of General Shaler, I here present a demurrer to the charges. We say that if the facts that those charges allege are true, they do not constitute a cause of action by the Mayor, and that the Mayor is not authorized to act on them. I intend to raise both the question of your jurisdiction to act at all in a case like this, and of your right to remove General Shaler.

Corporation Counsel Lacombe—Have you stated the ground of the demurrer?

Colonel Bliss—The grounds are substantially these: In the first place, the acts alleged against General Shaler appear upon the face of the papers to be acts committed by him not as a City officer. They are acts committed by him as a State officer, for which he is responsible to another tribunal and other officials, and for which he is in no sense responsible to Your Honor.

In the second place, that the statute under which your Honor is proceeding is contained in sections 57, 58 and 59 of the Consolidation Act, which replace certain sections of the Charter—replace sections 93, 94 and 95 of the City Charter. As to these they provide a way, and we claim that it is the only way, for punishing these offenses referred to. They provide a way in which an officer can be made responsible, and a way in which he can be removed from office. We claim that there is only power to remove him under these sections and in accordance with these provisions. These provisions substantially require that "upon conviction" he shall forfeit his office and "upon conviction" he shall be disqualified from holding office and shall be punishable. There is no allegation on the papers of conviction, and therefore I claim on that ground Your Honor has no jurisdiction.

Mr. Lacombe—It is important, if Your Honor please, that every step of this proceeding should be taken after careful examination of the questions raised, such as the question raised here upon the demurrer. I have had my attention called to it, and under the circumstances I think it is Your Honor's duty to grant an adjournment in order to give the demurrer a careful, proper and exhaustive examination, on the points raised, before any other action is taken. I will suggest an adjournment of two or three days, during which I will make an examination of the demurrer, and will advise you as Counsel to the Corporation as to what action should be taken.

Colonel Bliss—Mr. Root is away and will be away during the remainder of the week, and during Thursday and Friday I shall have as much as I can possibly attend to.

Mayor Grace—Well, gentlemen, a question of this kind came up during my last administration. I made up my mind that hereafter I would be chary about granting adjournments. But, of course, on the recommendation of the Corporation Counsel, I will grant an adjournment to Saturday or Monday. But let counsel on both sides understand that I will not grant any further adjournment, but go right along day after day to some disposition of this case.

Colonel Bliss—Monday will be satisfactory to us.

Mayor Grace—We will go on next Monday, June 7, at 11 o'clock A. M.

NEW YORK, June 7, 1886.

Met pursuant to adjournment.

Parties present as before.

Mayor Grace—Counselor, we adjourned our last meeting for the purpose of enabling me to get advice on the question raised by you, and I have received such advice from the Corporation Counsel, and decide to overrule the demurrer.

Colonel Bliss—Any grounds for it?

Mr. Lacombe reads his opinion.

Colonel Bliss—Well, sir, we have nothing to say. Of course our demurrer on the record admits the facts, and we must leave the matter in your hands for decision. I don't know whether you desire any more specific reply than the demurrer as to facts.

Mr. Lacombe—No; of course we can make our case.

Colonel Bliss—If you deem that necessary you can, but we are perfectly willing that you be saved that trouble.

Mr. Lacombe—We think it would make the record better. The witnesses are here, and we will see that the opportunity is afforded General Shaler and his counsel for cross-examination.

Colonel Bliss—We do not intend to put in any evidence or to be present, and we may as well make the record correct. We submit that there is no necessity nor propriety in proceeding to take evidence under the charges.

Mr. Bliss at this point retired from the room, and subsequently Mr. Root appeared, and after speaking to Mr. Lacombe also retired.

Q. Do you know General Alexander Shaler? A. I do.

Q. How long have you known him? A. Known him eighteen years, probably more.

Q. And how well have you known him? A. Intimately.

Q. Do you know that there was in existence in the year 1884 a Board known as the Armory Board of the City of New York? A. I do.

Q. Do you know who were the members of that Board—who composed it? A. Yes.

Q. Well, who were they? A. The Mayor, Commissioner of Public Works, and the Major-General of the First Division, State of New York.

Q. Did you learn in the year 1884 that the Armory Board, so composed, intended or proposed to purchase plots for sites for armories in this city? A. I did.

Q. Did you during the summer of 1884 have any conversation with General Shaler on the subject of sites for armories? A. I did.

Q. When did you have the first conversation with him on that subject, if you recollect? A. I can't tell exactly; probably somewhere in the month of May, 1884.

Q. Will you state what that conversation was? A. Oh, it was generally in regard to taking plots for armory purposes.

Q. Do you recollect the language of it? A. Not exactly.

Q. Do you recollect who started the conversation? A. I can't tell whether it was him or I, but we had a good many conversations together about it.

Q. Where were these conversations held? A. Sometimes in his office and sometimes in the street.

Q. Where was his office? A. Equitable Building.

Q. And where was your office? A. Right opposite, Boreel Building.

Q. Do you say you can't recollect the language of any of the conversation? A. Not exactly the language of the conversation, but what it was generally.

Q. Will you give us the substance, adhering to the language as near as you can? A. It was something about the Armory people wanting plots for the City; a number of lots; about two or three eligible places; I cannot tell exactly.

Q. Who said that? A. General Shaler.

Q. Did you say anything in answer to that? A. I told him I could get some property; I don't exactly recollect the language, but it was general; I seen him from day to day and talked to him about it.

Q. Did he say anything more about it? A. Had a great many conversations about it.

Q. Did he say anything about any benefit that was to be derived by you or himself? A. Yes; he said there was money to be made out of them.

Q. Money to be made by whom? A. It was understood between him and I.

Q. What did you do, if anything, in consequence of that conversation? A. I put in a number of plots, one at Ninety-fourth and Ninety-fifth streets and Madison avenue, thirty-two lots.

Q. Were the plots which you put recommended by the Armory Board to the Commissioners of the Sinking Fund? A. Sir?

Q. Do you know whether any of the plots which you offered were recommended to the Commissioners of the Sinking Fund for purchase? A. I don't know, only from the fact they were taken.

Q. You know they were taken? A. I know they were taken.

Q. You know the piece of property on Madison and Fourth avenues and Ninety-fourth and Ninety-fifth streets? A. Very well, sir.

Q. Was that one of the plots which you offered to the Armory Board? A. It was.

Q. How did you learn that that property was for sale? A. I think the first I noticed its being for sale was that I lived by it, and I think there was a sign up, or something of that kind, and I think Mr. Fairchild got it first and he and I were in together.

Q. In what form did you offer that for purchase; did you write a letter to the Board? A. No; I think Mr. Yoran, who got the contract for it, wrote a letter to the Board.

Q. What did you do about it? A. I saw General Shaler a good many times about that property.

Q. What did you say to him? A. I told him that the contract price was \$315,000, and it was to be sold for \$350,000, less expenses; there was taxes to pay on it and interest.

Q. You told him that the contract price was \$315,000? A. Yes.

Q. Well, what more did you say to him about it? A. That is about the substance of it; I told him I could make some considerable money out of it, and I knew of the mortgaged property; he had a mortgage on a piece of property at Ridgewood, New Jersey, and it was understood that if that property went through I would take up that mortgage and pay it.

Q. How did you know about that mortgage? A. I knew it two or three years; I knew it through Mr. Walton, one of the trustees and directors of the bank.

Q. Did you ever have any conversation with General Shaler prior to that time? A. Yes, sir.

Q. How much was the mortgage, do you recollect? A. The mortgage was about \$15,000, with the interest due on it.

Q. Did General Shaler make any reply to you when you said you would take care of the mortgage if this thing went through? A. I think he said "all right"; I think that is the exact language he used; I ain't positive now, it is so long ago, but it was understood.

Q. Did you say anything to General Shaler, do you recollect, as to who was the owner of that property or interested in the sale? A. I think I did; I think I told him Mr. Bissell owned the property but Mr. Yoran had the contract for it.

Q. The sale you say went through and the property was purchased by the City? A. Yes, sir.

Q. After the purchase was completed did you receive from any person any portion of the profit which was made upon it? A. I did.

Q. From whom? A. Mr. Fairchild.

Q. And how much? A. I don't know exactly how much it was.

Q. Approximately? A. I think the check was from \$12,000 to \$14,000; somewhere about that; I ain't sure.

Q. What, if anything, did you do with reference to the mortgages about which you have spoken? A. I negotiated with the principal trustee in the bank, Mr. Walton, for the purchase of that mortgage for \$9,000; I gave \$1,000 as an earnest, and an application was made to the Chancellor and it was bought; they agreed to sell it for \$9,000 and I paid the \$8,000 immediately—nine altogether for the mortgage.

Q. And what did you receive from the bank in return for that money? A. I received a satisfaction piece—got a satisfaction of the mortgage; I received a transfer of the mortgage to me from the bank, and had that recorded.

Q. Will you look at these papers I now hand you and state whether those are the mortgages and assignments which you received? A. (Looking at papers) Those are right.

Mr. Scott—The witness identifies, and I offer in evidence, a mortgage dated November 1, 1872, made by Alexander Shaler to J. Smith Homans, Jr., recorded in the office of the Clerk of Bergen County on the 8th day of November, 1872, in Book G 2 of Mortgages, p. 376; also a bond of even date with the mortgage in the penal sum of \$17,500, conditioned for the payment of \$8,750, with interest; also an assignment of the foregoing mortgage, dated September 15, 1873, made by J. Smith Homans, Jr., to the Hackensack Savings Bank, recorded in the office of the Clerk of Bergen County on the 25th day of September, 1873, and recorded in Book H of Assignments of Mortgages, p. 130.

The mortgage is marked Exhibit "B," the bond Exhibit "C," and the assignment Exhibit "D."

Mr. Scott—Also an assignment of the foregoing mortgage made by the Hackensack Savings Bank to Monmouth B. Wilson, dated December 10, 1884, recorded in Bergen County Clerk's office on the 18th day of December, 1884, Book P of Assignments of Mortgages, p. 297, which is marked Exhibit "E"; Mortgage dated November 1, 1872, made by Alexander Shaler to Charles H. Voorhies, recorded in Bergen County Clerk's office on the 8th day of November, 1872, in Book G 2 of Mortgages, at p. 373, which is marked Exhibit "F"; also the bond accompanying the same, and bearing even date therewith, made by Alexander Shaler to Charles H. Voorhies, in the penal sum of \$17,500, conditioned for the payment of \$8,750, with interest, which is marked Exhibit "G"; also an assignment of the last-mentioned mortgage, dated August 10, 1874, made by Charles H. Voorhies to the Hackensack Savings Bank, recorded in the office of the Clerk of Bergen County on the 8th day of December, 1879, in Book M of Assignments of Mortgages, p. 436, which is marked Exhibit "H"; also an assignment of the last-mentioned mortgage, dated December 10, 1884, made by the Hackensack Savings Bank to Monmouth B. Wilson, recorded in Bergen County Clerk's office on the 18th day of December, 1884, in Book P of Assignments of Mortgages, p. 298, which is marked Exhibit "I."

Q. After you had paid the \$9,000 to the bank and received these papers which you have identified, what did you do with them; what was the next step you did in reference to them? A. Had an assignment made to General Alexander Shaler.

Q. By whom did you have the assignment made? A. A young man by the name of Walton.

Q. Was it an assignment or satisfaction pieces? A. I mean the satisfaction pieces; excuse me.

Q. Did you execute those satisfaction pieces? A. I did.

Q. Before whom? A. A man by the name of Mills; he was a Commissioner for the State of New Jersey, at 111 Broadway, the same building as myself.

Q. What did you then do? A. I gave them to General Shaler.

Q. Gave what? A. The satisfaction pieces.

Q. And what did you do with these papers that you have identified? A. I kept those.

Q. Those you kept? A. Yes, sir.

Q. What, if you saw, did General Shaler do with the satisfaction pieces? A. He had them for some time until after the investigation.

Q. What did he do with them? A. He put them in his pocket.

Q. Did those satisfaction pieces ever come into your possession again? A. They did.

Q. When and under what circumstances? A. After the investigation of the Gibbs Committee I spoke to him about those satisfaction pieces, and wanted them back again, and he gave them to me in his house.

Q. At what time was that; do you recollect? A. Somewhere about October, I think it was; I forget the date—just about the time of the explosion of Hell Gate; it was about that time, for I recollect that occurrence.

Q. Did you, before or about the time that you received back those satisfaction pieces, have any conversation with General Shaler in reference to the matter? A. I did.

Q. State the substance or language, if you can? A. It was about this, that it was bad to have them in existence, and I wanted to get them out of the way.

Q. And what did he say in reference to that? A. He said he would give them back to me again.

By Mayor Grace:

Q. Why were they bad to have in existence? A. Well, that was after I had been before the investigating committee, and to have them go on record would be bad.

Q. Would they prove the fact that the loan had been paid? A. Most undoubtedly.

Q. At the request of General Shaler? A. Of course it would, because it was in his name.

By Mr. Scott:

Q. You say it was about the time of the Flood Rock explosion? A. Yes, sir.

Q. How do you identify that as the time? A. By the fact that I met General Shaler up there at that time, and talked to him about it when he came to my house that morning and we went out together.

Q. And there you had this conversation? A. Yes, sir.

Q. Did he give them back to you at that time? A. No, sir; not at that time; he gave me them back in his own house.

Q. And you went to his own house? A. Yes, sir.

Q. What did you do with them? A. Either he or I tore them up and threw them in the heater.

Q. What part of his house was it? A. Down in the basement—the first floor.

Q. Who, if anyone, else was present besides General Shaler? A. Nobody.

Q. Did you at about that time have any conversation with General Shaler in reference to a correspondence between you and him? A. Yes; I did.

Q. Won't you state what that conversation was? A. I can't give you the language; I can give the substance of it; it was in regard to paying interest, and I ought to have something to make a demand for the interest, and he wrote me a letter and I answered him back.

Q. Have you that letter which he wrote? A. I have not.

Q. At what time was this conversation? A. It was about the same time.

Q. About the time that the investigating committee was going on? A. Yes, sir.

Q. Who first suggested that such a letter was to be written? A. General Shaler.

Q. He suggested to you that he should write a letter and you should write an answer? A. Yes, sir.

Q. What has become of the letter which you received from him? A. I don't know; I couldn't find it.

Q. Have you looked for it? A. Yes, sir.

Q. What was its purport? A. The purport was to this effect, that as I had that mortgage for \$9,000 I would demand him to pay the interest once a year.

Q. That was the letter you were to write to him? A. That was the letter he was to write to me, and the rate would be six per cent. on \$9,000; then I answered it back.

Q. Was anything said with reference to the dates of these letters? A. They were to be ante-dated.

Q. And were they in point of fact ante-dated? A. Yes, sir.

Q. How far ahead? A. Back to January, 1885.

Q. And what time of year was this conversation? A. It was in the fall.

Q. The fall of 1885? A. Yes.

Frank Yoran, being duly sworn and examined, testifies as follows:

By Mr. Scott:

Q. Where do you reside, Mr. Yoran? A. Fordham.

Q. Do you know Benjamin Fairchild or Benjamin P. Fairchild? A. Yes, sir.

Q. Are you related to him? A. Yes, sir; stepfather.

Q. Are you connected with him in business, or have you been? A. Yes, sir.

Q. Where is your office? A. No. 171 Broadway.

Q. Where was your office in the summer of 1884? A. No. 111 Broadway.

Q. Do you know Monmouth B. Wilson? A. Yes, sir.

Q. Do you recollect the fact that there was sitting in this city in the summer of 1884 a Board known as the Armory Board? A. Yes, sir.

Q. Did you have any dealings with that Board? A. Yes, sir.

Q. Will you please look at that paper I now show you, being a contract between Pelham St. George Bissell and Florence W. Bissell and yourself; are you the Frank Yoran mentioned in that contract? A. Yes, sir.

Q. Did you have any interest in the transaction which arose out of that contract? A. I got paid for my services.

Q. Paid by whom? A. Mr. Fairchild.

Q. Did you execute the contract at his request? A. Yes, sir.

Q. Did you execute the several extensions which are found on the back of that contract, scattered over it? A. Yes, sir.

Q. Also at the request of Mr. Fairchild? A. Yes.

Q. And did you execute the release endorsed at the foot? A. Yes, sir.

The contract is marked Exhibit "K," and is a contract for property, dated August 11, 1884, between Pelham St. George Bissell and Florence W. Bissell with Frank Yoran, being a contract of sale by the two Bissells to Yoran, for the price of \$315,000, of a block of land bounded by Ninety-fourth and Ninety-fifth streets, Madison and Fourth avenues, containing the following clauses: "And if the party of the second part (Yoran) should sell this property to others before taking deed, then the parties of the first part hereby agree to make the deed direct to the party whom the party of the second part may elect, even at an increased consideration, and they (the parties of the first part) agree to accept the full consideration money; then the parties of the first part agree to pay over to the party of the second part in this contract the cash difference between the price herein contained and the price received by them from the party taking title."

This agreement by its terms was to have been completed on the 11th day of October, 1884, and by several extensions endorsed upon it the time for its completion was extended to November 25, 1884. The contract also contains at its foot the following memorandum signed by Yoran: "Above contract has been fully performed by the parties of the first part, and I have no further claim upon said parties thereunder."

Q. How well have you known Wilson and how long? A. I don't know how long I have known him; I have seen him on and on for the last seven years, I think it is.

Q. And during that time has he had business relations with Mr. Fairchild or yourself? A. Yes, sir.

Q. Was he during the summer of 1884 frequently in your office? A. He was in there occasionally.

Q. You at that time occupied the same office that Mr. Fairchild did, as you do now? A. No, sir; not the same office we do now.

Q. You both occupied the same office then and you both occupy the same office now—not the same office you occupied then? A. Yes, sir.

Q. I ask you to look at that paper and state whether that is in your handwriting. A. Yes, sir.

Q. Was it written by you, and what did you do with it after you wrote it? A. I gave it to Mr. Fairchild.

Q. Did you write it at Mr. Fairchild's request? A. Yes, sir.

Q. Did you receive a letter from the Secretary of the Armory Board in reply to that letter? A. I think I did.

Q. Have you the letter which you received from him? A. No, sir.

Q. What did you do with it after you had received it? A. It has been destroyed, I suppose; I never keep my letters.

Q. Can you tell whether that is a copy of the letter which you received in reply to the one which you had in your hand? A. I think it is.

The letter is marked Exhibit "L," and read in evidence.

Q. Mr. Yoran, what property was represented on the diagram which the letter says was inclosed in it? A. Fourth and Madison avenues, Ninety-fourth and Ninety-fifth streets.

Q. Was it the same property described in this contract, Exhibit "K"? A. Yes, sir.

Mr. Scott—I now read, for the purpose of keeping the record straight, the press copy which has already been identified and marked Exhibit "14," as follows:

AUGUST 19, 1884.

Mr. F. YORAN:

DEAR SIR—Your offer to sell to the City the plot of ground bounded by Fourth avenue, Madison avenue, Ninety-fourth and Ninety-fifth streets, for an armory site, was presented to the Armory Board this day, and placed on file. I am instructed by said Board to ascertain from you if the refusal of said plot for thirty days can be obtained.

Very respectfully,
ALEXANDER SHALER, Secretary.

Q. Did you reply to that letter, Mr. Yoran? A. Yes, sir.

Q. (Handing witness letter.) Will you look at that letter and state whether that is in your handwriting and was written by you? A. Yes, sir.

Q. Was it written as a reply to the letter which I have just read from General Shaler? A. Yes, sir.

Q. What did you do with this letter after you had written it? A. The same as the other—gave it to Mr. Fairchild.

Q. It was written by you at his request? A. Yes, sir.

The letter is marked Exhibit "M," and Mr. Scott reads as follows:

NEW YORK, August 20, 1884.

The Armory Commission:

GENTLEMEN—Yours of the 19th, asking for refusal to purchase, for thirty days, the plot of ground bounded by Madison and Fourth avenues, Ninety-fourth and Ninety-fifth streets, received. The property is valuable and the consideration large, and interest accumulates fast, and I cannot afford to give longer than the first of September, as there are other parties negotiating for the same property.

Yours truly,

F. YORAN.

Q. Did you receive a reply to that communication, Mr. Yoran? A. I think so.

Q. What did you do with the reply which you received; have you preserved it? A. No, sir.

Q. Will you look at that and state whether that is a copy of the reply? A. It is.

Mr. Scott—That is a copy which has already been identified and marked Exhibit "16," which I read.

ARMORY BOARD, August 21, 1884.

F. YORAN, Esq.:

DEAR SIR—I am authorized by the Armory Board to accept the refusal to purchase the plot of ground bounded by Madison and Fourth avenues, Ninety-fourth and Ninety-fifth streets, until September, 1884, as proposed in your communication of August 20.

Very respectfully,

ALEXANDER SHALER, Secretary.

Q. Will you look at that page and state whether or not you received a letter of which that purports to be a copy? A. I think I did.

Q. Is that letter also destroyed or lost? A. Yes, sir.

Mr. Scott—I read the copy, which has already been marked Exhibit "17."

ARMORY BOARD, September 5, 1884.

DEAR SIR—It has been found necessary to delay for a few days the consideration of your proposition to sell for armory purposes the plot of ground bounded by Madison and Fourth avenues, Ninety-fourth and Ninety-fifth streets, and I have to ask in behalf of the Armory Board a further extension of time until about the 10th inst.

Very respectfully yours,

ALEXANDER SHALER, Secretary,

Per W. G. S.

To F. YORAN, Esq.:

Q. (Showing witness letter) Will you look at that letter and state whether that is in your hand writing? A. Yes, sir.

Q. Was that written in answer to the letter which I have just read? A. I think so.

Q. Was that letter also given by you to Mr. Fairchild when you wrote it? A. Yes, sir.

Q. It was written at his request? A. It was.

Mr. Scott—I now read that letter, which I mark Exhibit "N."

NEW YORK, September 8, 1884.

To the Armory Board:

GENTLEMEN—Your note of the 5th inst. received. I have no objection to extending the time to the 15th inst. As I leave town for a few days, if you have any word for me please leave it at the office, 111 Broadway, as I have made arrangements to have my business attended to during my absence.

Yours very truly,

F. YORAN,

111 Broadway, Room J.

Q. (Showing witness letter) Will you look at that letter and state whether or not that letter is in your handwriting? A. It is.

Q. And was written by you? A. Yes, sir.

Q. And delivered to Mr. Fairchild? A. Yes, sir.

Q. And was written at his request? A. Yes, sir.

Mr. Scott—That is a letter already marked Exhibit "19," which I read:

NEW YORK, October 4, 1884.

ALEXANDER SHALER, Esq.:

DEAR SIR—I authorize you to say I will subscribe for \$100,000 of armory bonds after the transfer of my property to the City, at Ninety-fourth and Ninety-fifth streets and Fourth and Madison avenues.

Yours truly,

F. YORAN.

Q. I ask you whether you received a letter of which that is a copy? A. Yes, sir.

Mr. Scott—I will read the letter.

NEW YORK, October 13, 1884.

F. YORAN, Esq.:

SIR—At a meeting of the Armory Board, held on the 11th inst., it was notified that the Sinking Fund Commission had concurred in the recommendation to purchase the plot of ground at Ninety-fourth and Ninety-fifth streets, Fourth and Madison avenues, for \$350,000, which amount is to be paid for the same when the requisite money has been raised by the sale of the bonds authorized to be issued for that purpose, and I was requested to ask you to furnish the Corporation Counsel with an abstract of title at your earliest convenience. The Corporation Counsel will be instructed to prepare the necessary papers for the transfer if the title is found satisfactory.

Yours truly,

ALEXANDER SHALER.

Q. Do you know whether the sale of the property was ever consummated? A. Yes, sir.

Q. By whom was the deed for that property given, if given at all. A. Pelham St. George and Florence W. Bissell.

Q. In pursuance of their contract with you? A. Yes, sir.

Q. Who received the money that was paid by the City for it? A. They did, with the exception of the mortgages on it.

Q. And what, if anything, did you receive from the Bissells or either of them? A. I received the difference after the taxes and interest were deducted.

Q. Do you know how much that was? A. I don't know exactly what the amount was.

Q. (Showing witness paper) Will you look at that paper and state whether that is in your handwriting or whether the signature is yours? A. Yes, sir.

Q. Does that represent correctly the amount that you received from Mr. Bissell? A. It represents the amount I received from him, but it does not represent the profit.

Q. It represents the amount you received from him after that transaction was closed? A. Yes, sir.

Mr. Scott reads as follows:

"Received, New York, August 25, 1884, from Pelham St. George Bissell and Florence W. Bissell, \$32,534.91-100 in full payment of the balance due me under the contract dated August 11, 1884, between said parties and myself and in full for all claims against said parties or either of them."

The paper is marked Exhibit "O."

Q. You say that doesn't represent the entire profit? A. It represents a great deal more than the profit.

Q. In what way? A. It represents money paid on the contract and money paid at different times.

Q. Which amounted to what? A. And taxes and interest; there was \$3,500 paid on the contract in all, I believe.

Q. How much was the profit that was made out of the transaction? A. Between twenty and twenty-five thousand dollars.

Q. In what form did you receive this money for which you receipted here? A. Draft.

Q. What did you do with that draft? A. Indorsed it and gave it to Mr. Fairchild.

Q. And, as I understand it, your whole action in this matter was simply as the agent and at the request of Mr. Fairchild? A. Yes, sir.

Q. Did you ever have any conversation with Mr. Wilson in reference to this sale? A. Yes, sir.

Q. Did you request Mr. Wilson to undertake the sale of this property to the Armory Board? A. I don't know whether I did or not; I couldn't say.

Q. And each of the letters which you wrote and every step which you took, as I understand it, were written and taken at the instance and request of Mr. Fairchild, as his representative? A. Yes, sir.

Q. You had no other interest in the contract or its fulfillment, excepting that? A. No, sir.

Benjamin P. Fairchild, being duly sworn, testifies as follows:

By Mr. Scott:

Q. Where do you reside, Mr. Fairchild? A. Fordham.

Q. What is your business? A. Real estate dealer and broker and auctioneer.

Q. You have been in that business for some years, have you not? A. Yes, sir.

Q. Was that your business in 1884? A. Yes, sir.

Q. Where was your office at that time? A. 111 Broadway.

Q. Do you know Monmouth B. Wilson? A. Yes, sir.

Q. How long have you known him? A. Well, ever since he was a boy.

Q. Have you known him intimately? A. Yes, I have known him intimately from that time up to the present.

Q. Do you know where his office was in 1884? A. Yes, sir; Boreel Building.

Q. Do you recollect that there was sitting in this city in 1884 a Board or Commission known as the Armory Board? A. Yes, sir.

Q. Did you learn or ascertain that a portion of their duty was to select sites for armories? A. Yes, sir.

Q. Knowing that fact, did you take any steps looking to assisting them in their labors? A. I hunted up several pieces of ground for the purpose of selling to them.

Q. Did you, by yourself, or through any one else, offer to them any pieces of ground? A. I offered this piece and another one. What is the piece you are speaking of now?

Q. This piece at Ninety-fourth and Ninety-fifth streets. A. Yes, sir; and I think I offered one on Eighty-sixth and Eighty-seventh streets and Boulevard and Ninth avenue; and I think there was one from One Hundred and Third to One Hundred and Fourth street, between Ninth and New avenues.

Q. You have heard Mr. Yoran's testimony as to his having made a contract with Pelham St. George Bissell, at your request and as your representative? A. Yes, sir.

Q. That statement was true, was it not? A. Yes, sir.

Q. And it was you who had agreed to purchase that piece of property in point of fact? A. It was virtually mine; he was in my office, and I use his name frequently in real estate transactions, particularly where I don't purpose to take title myself.

Q. He has identified a letter here addressed to the Armory Board, offering to sell that plot of ground, and that letter was written at your request, as I understand it? A. Yes.

Q. And was written after he had, at your request, signed the contract for this property? A. Yes, sir.

Q. Did you, at or about that time, have any conversation with Mr. Wilson in reference to this property? A. Yes; frequently.

Q. You purchased it as a matter of speculation, didn't you; you didn't expect to take title to it at the time? A. No, sir.

Q. Was Mr. Wilson interested with you in that purchase? A. Yes, sir.

Q. Mr. Yoran has testified that money was paid from time to time upon the contract. A. That was so; yes, sir.

Q. Was a portion of that money paid by Mr. Wilson? A. Yes, sir.

Q. What agreement, if any, did you and Mr. Wilson have in reference to the participation in the profits to be derived from the sale of that property? A. I agreed to give him half whatever was made on it.

Q. And about what time was that agreement made—before you had taken this contract or after? A. After I had made the contract.

Q. Did you have any conversation with him before you made the contract? A. Several.

Q. In reference to this subject? A. Yes; about buying.

Q. In reference to selling it to the Armory Board? A. Yes, sir.

Q. Did you take the contract in consequence of the conversations you had with him? A. I suppose I did; from the conversation I had with him I supposed there was a good chance of selling it, and I was willing to take the chances.

Q. The property was finally purchased by the City at \$350,000? A. Yes, sir.

Q. Your contract called for its purchase by you at \$315,000? A. \$315,000 to pay taxes and assessments that were then due and to become due—if they became due before the purchase—and interest thirty days after date with the condition that they should transfer to anybody that I might sell or assign to.

Q. Mr. Yoran has testified that he received after the sale was completed from Mr. Bissell a check or draft for \$32,531.94, that he indorsed over to you, as I understand it? A. Yes, sir.

Q. That amount he says does not correctly represent the profit that was made on the transaction? A. No, sir.

Q. What was the profit that was made on the transaction? A. \$22,600 and some odd cents, as near as I can recollect.

Q. And what did you do after that with that profit?

By Mayor Grace:

Q. Did that include the commissions paid to you by the sellers? A. I didn't act as broker in the matter; I had nothing to do with that; the seller paid the commissions.

Q. He didn't pay them to you? A. No.

By Mr. Scott:

Q. What did you do with these profits after you had received them? A. I gave Mr. Wilson a check for what he had advanced in various ways and half the profits; I gave him a check for \$14,636.96; that included what money he had advanced.

Q. That is his half of the net profits? A. His half of the net profits and commissions.

Q. Were you present when the deed was presented by Mr. Bissell to the representatives of the City? A. No, sir.

Q. Did you ever have any conversation with General Shaler in reference to this property? A. No, sir.

Charles A. Clark, being duly sworn, testifies as follows:

By Mr. Scott:

Q. What is your first name? A. Charles A.

Q. What is your position, Mr. Clark? A. I am disbursing officer in the Finance Department of the City of New York.

Q. I show you four warrants, all dated November 25, 1884, drawn to the order of Pelham St. George Bissell and Florence W. Bissell, numbered as follows: No. 3521, Series B, for \$86,384.83; another, numbered 3522, Series B, \$2,099.25; another, numbered 3523, Series B, \$1,314.28, and another, numbered 3524, Series B, for \$260,237.64; Mr. Clark, will you tell what those are? A. Those are warrants representing the amounts named that were paid as the purchase money for the property, the aggregate being \$350,000.

Q. Are there any marks on these warrants which indicate whether or not they have been paid? A. Yes, sir; they were indorsed by the parties; these warrants were paid over to Mr. and Miss Bissell.

Q. I mean paid by the bank. A. Yes; they had been all paid.

Q. Do you know whether those warrants show for what they were paid? A. The voucher will indicate what they were paid for.

Q. What is that I show you? A. This is a voucher drawn by resolution and direction of the Corporation Counsel as to the way the warrants should be drawn.

Q. What does that voucher show this money to have been paid for? A. The voucher shows it has been paid for a plot of ground for armory site, consisting of a plot situated between Ninety-fourth and Ninety-fifth streets, Madison and Fourth avenues.

Mr. Scott—I now offer in evidence, Mr. Mayor, the certified copy of the commission of General Shaler as Major-General, dated the 24th day of January, 1867.

Q. And his signature is attached to each copy of the minutes? A. Yes, sir, whenever he was present.

Mr. Scott reads from the minutes of the same meeting, as follows:

"Applications from the Twenty-second Regiment, the Twelfth Regiment, the Eighth Regiment, and from the Second Battery, were then read, and being considered just and reasonable, were referred to the Secretary, with the request that he confer with the commanding officers of such regiments and battery, with reference to the requirements of their respective organizations and their preference, if any, in the location."

Mr. Scott reads from the minutes of the meeting held September 23, 1884, as follows:

"Also an application from Colonel George D. Scott, commanding the Eighth Regiment, for an armory to be located at Ninety-fourth and Ninety-fifth streets, Madison and Fourth avenues, was received and referred to his Honor the Mayor and the Major-General commanding, for the purpose of reinspecting the plots referred to."

Mr. Scott reads from the minutes of September 24, 1884, the meeting being held at the office of the Mayor, as follows:

"The Committee, consisting of the Mayor and the Major-General, reported that they had reinspected the plots of ground situated respectively at Sixty-seventh and Sixty-eighth streets, Ninth avenue and Boulevard, and at Ninety-fourth and Ninety-fifth streets, Madison and Fourth avenues, and were fully convinced that the sites were most suitable and the prices asked reasonable."

"The report was received and adopted."

Mr. Scott also reads the following from the minutes of the same meeting:

"Resolved, That the application of Colonel George D. Scott, commanding the Eighth Regiment, for an armory for said regiment to be located at Ninety-fourth and Ninety-fifth streets, Madison and Fourth avenues, be referred to the Sinking Fund Commissioners with the approval of this Board and the recommendation that the plot of ground referred to be purchased, and that the sum of \$350,000 be specified and provided for the purchase of the same; also that immediate steps be taken to obtain plans and specifications for the erection thereon of a suitable armory building for said Eighth Regiment, with accommodations for the Second Battery of Artillery, whose application has been approved by this Board."

The vote was taken on the above resolution, as follows:

Mayor Edson, aye; Commissioner Thompson, aye; General Shaler, aye.

Mr. Scott—That, I think, closes all the testimony which is to be taken to-day. I suggest that after looking over the minutes it may be desirable to repeat some of this testimony by other witnesses we are not able to procure to-day, and perhaps you had better take an adjournment sufficiently long to have the minutes written out.

The further hearing is adjourned to Friday, June 11, 1886, at 11 A. M.

NEW YORK, June 11, 1886.

Met pursuant to adjournment.

Appearance—Francis M. Scott, Assistant to the Counsel to the Corporation.

Mr. Scott announced that he had no further testimony to submit.

The Mayor thereupon declared the hearing closed.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
Room 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department,

chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 5, No. 31 Chambers street.

ROLLIN M. SQUIRE,
Commissioner of Public Works.

—will be received at the Department of Public Charities and Correction, in the City of New York, until 9.30 o'clock A. M. of Friday, August 27, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Crockery and Lumber," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, August 16, 1886.

Seven (7) pairs Uniform Pants, for Captain and Sergeants.

Ten (10) pairs Uniform Pants, for mounted Parkkeepers.

One hundred and forty-three (143) pairs Uniform Pants, for Parkkeepers.

Each and every of the foregoing articles to be made of the best West Point Cadet cloth, 54 inches wide, 28 ounces to the yard for overcoats and 22 ounces to the yard for pants.

The time for the completion of the work of furnishing said Uniforms will be forty (40) days after the date of the contract.

The person or persons to whom the contract may be awarded will be required to attend at the office of the said Department, with the sureties offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the sureties offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the contract will be readvertised and relet, and so on until the contract be accepted and executed.

N. B.—The prices must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in these proposals, or which contain bids for items not called for therein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Department of Public Parks to reject any or all estimates which it may deem prejudicial to the public interests. No estimate will be accepted from, or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate that the several matters therein stated are in all respects true. When more than one person is interested in the estimate the verification must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as surety in good faith and with an

intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks, and in substantial accordance with the specifications. No extra compensation beyond the amount payable for the work before enumerated which shall be actually performed, at the price therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

The amount of the security required is Five Hundred Dollars.

Bidders are informed that no deviation from the specifications will be allowed unless a written permission shall previously have been obtained from the Commissioners of the Department of Public Parks.

Blank forms of proposals and form of agreement, including the specifications, and showing the mode of payment for the work can be obtained on application to the Secretary at this office.

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing statement, and shall not at any time after the submission of an estimate dispute or complain of such statement nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.
