amended by chapter three hundred and forty-five of the laws of eighteen hundred and eighty-nine," is hereby amended so as to read as follows:

§ 5. Upon the coming in of said report, signed by said commissioners, or any two of them, the said court shall, after hearing any matter which may be alleged against the same, either confirm the said report or refer the same to the same commissioners for revision and correction, to reconsider the subject-matter thereof, and the commissioners to whom said report shall be so referred shall return the said report corrected and revised, or a new report to be made by them in the premises, to the said court, and the same, on being so returned, shall be confirmed, or again referred by the said court, in the manner aforesaid, as right and justice shall require, and so from time to time until a report shall be made in the premises which the said court shall confirm, and such report, when made, shall be final and conclusive upon the owners, persons or parties in interest and entitled to any lands and premises mentioned in said report, and also upon all other persons and parties whatsoever, and the several assessments thereby confirmed shall thereupon become a lien upon the several lands and premises so as aforesaid severally assessed to the extent of the amount so assessed upon each parcel set forth in said report within said area of assessment. Upon the confirmation of said report of assessment the comptroller of the city of New York is hereby authorized to raise upon the assessment bonds of the city of New York, in the manner now provided by law, a sum not exceeding two hundred thousand dollars, and to pay therefrom the several sums awarded to the persons and parties as owners or interested in the lands and premises taken or to be taken for the purpose of said improvement, as the same shall appear by the report of the commissioners of estimate made in pursuance of the provisions of the acts hereby amended, and as amended when confirmed, and the expenses, charges and disbursements of the proceedings taken under said acts and under the same as hereby amended, as taxed and certified by a justice of the supreme court. In case any person or party in interest to whom an award shall be so made and confirmed shall decline to receive the same, or in case an award shall be made to "unknown owners," the comptroller is hereby authorized to deposit the sum so awarded to such person or party in interest, or to such unknown owner or owners, with the New York Life Insurance and Trust Company of the city of New York, to the credit of such person, party in interest or unknown owner; and thereupon the United States shall be entitled to enter upon, take possession of and use the said lands and premises for the purpose of said improvement, and all persons who have been made parties to the proceedings shall be divested and barred of all right, estate and interest in said lands and premises. All real estate acquired by the United States under and pursuant to the provisions of this act, for the said improvement, shall be deemed to be acquired for the public use; the moneys so deposited to the credit of "unknown owners," with all interest accrued thereon, to be paid only upon the order of the supreme court.

Sec. 2. Section six of said act is hereby amended so as to read as follows:

§ 6. The sums assessed for benefit, as the same shall appear by the report of assessment so as aforesaid confirmed, shall be paid, by the parties against whom the same are assessed, to the comptroller of the city of New York, who is hereby authorized to receive and apply the same in manner hereinafter directed. After the confirmation of said report, the said comptroller shall forthwith cause a notice to be published for twenty days in three of the public newspapers issued in said city of New York, of the confirmation of said report, that the assessments therein made are to be paid at his office within thirty days from the date of the confirmation of said report, without interest, and that if the same are not paid within ninety days from such confirmation, the proceedings provided for by this act will be taken for the enforcement and collection of the same, with interest thereon at the rate of eight per centum after thirty days from such confirmation. Said assessments may be paid to the said comptroller at any time after the confirmation of the said report of assessment, and within thirty days thereafter, without interest. And if not paid within thirty days thereafter interest at the rate of eight per centum per annum shall accrue and be paid upon the same until the same are paid, and as to all such assessments as shall not be paid within ninety days from the time said report of assessment is confirmed, the said comptroller is hereby authorized and directed, immediately upon the expiration of said ninety days, to issue his warrant for the collection of unpaid assessments. Such warrant shall be signed by the said comptroller and directed to the sheriff of the city and county of New York. It shall contain the names of all the persons and parties assessed, who have not paid the sums assessed against them by said report of assessment, the amounts due from such persons and parties respectively, the number and description of the parcels of lands and premises assessed for benefit, owned by such persons and parties respectively, and the amounts due from unknown owners, if any, with the number and description of all parcels assessed to such unknown owners as set forth in said report of assessment and the maps filed therewith. Said warrant shall command the sheriff to collect from the persons and parties named in said warrant the sum or sums due from them respectively, with interest at the rate of eight per centum per annum from and after the expiration of thirty days from the date of confirmation of said report of assessment, pursuant to the provisions and under the authority of this act, and to return the same, with the moneys collected thereon, to said comptroller within the period of sixty days from the date thereof. The said comptroller is hereby authorized to renew said warrant after the expiration of said sixty days, from time to time, until the whole amount due for said assessment shall be collected.

Sec. 3. Section seven of said act as amended by section two of chapter sixty-one of the laws of eighteen hundred and eighty-one, is hereby amended so as to read as follows:

§ 7. The sheriff of the city and county of New York shall thereupon, by virtue of said warrant and the authority hereby given, collect the several amounts so directed to be collected from the several persons or parties named therein and from the several lands and premises numbered and described therein as belonging to such persons or parties, and he shall have the same power to enforce the collection of the same, or any renewal thereof, as if said warrant, or any renewal thereof, were an execution issued in due form of law upon a judgment of a court of record of this state, against the persons and parties named therein as against the several parcels of land and premises numbered and described in said warrant. If any of the parcels numbered and described in said warrant shall be assessed to "unknown owners," and the amount so assessed shall not be paid to said sheriff within twenty days after said warrant shall have come into his hands, said sheriff is hereby authorized and directed, immediately after the expiration of said twenty days, to advertise the several parcels so assessed to unknown owners in the same manner and for the same period of time as in the case of known owners, except that for the name or names of the persons or parties as set forth in the notice of sale and other proceedings subsequent thereto taken by him, the description of "unknown owners" may be inserted therein; upon the payment of any such assessment the comptroller is hereby authorized and required to discharge the same, and the lien created thereby. Upon the return by the said sheriff of the warrant first issued by said comptroller as hereinbefore directed, if there shall be due and uncollected any of the sums assessed in said warrant directed to be collected, and there shall be due and unpaid any of the awards so confirmed as aforesaid to the owners or parties interested in the land so taken or of the expenses of said proceedings so certified as aforesaid, the said comptroller is hereby authorized to raise on the assessment bonds of the city of New York, in the manner now provided by law, such a further sum, not exceeding fifty thousand dollars, as will be sufficient to pay the awards and expenses of said proceedings then remaining unpaid, and from the proceeds of said bond shall pay such unpaid awards and expenses. The money received by the comptroller from such assessments shall be applied to the payment of such awards and expenses as may not have been paid by him from the proceeds of the bonds herein authorized to be issued, and the balance thereof, to the extent of the bonds issued under this act, and the interest thereon, shall be retained by said comptroller for the benefit of the city of New York. It is hereby declared that the whole amount of bonds authorized by this act and by section seven of chapter sixty-five of the laws of eighteen hundred and eighty as amended by chapter sixty-one of the laws of eighteen hundred and eighty-one shall not exceed the sum of two hundred and fifty thousand dollars, including such sum as may have been paid by said comptroller therefrom by virtue of chapter three hundred and seventy-seven of the laws of eighteen hundred and eighty-two.

Sec. 4. Section eight of said act, as amended by chapter sixty-one of the laws of eighteen hundred and eighty-one, is hereby repealed.

Sec. 5. This act shall take effect immediately.

—will be received by the Department of Public Parks, at their office, 36 Union Square, until ten o'clock, on Wednesday, the 23d day of May, 1883, at which time and place the estimates received will be publicly opened and read.

The nature and extent of the work, as near as it is possible to state in advance, is as follows:

120 cubic yards of Earth Excavation.
700 cubic yards of Wall and Base Courses.
250 lineal feet of Granite Coping.
192 lineal feet of Granite Steps and Platforms.

226 Granite Posts.

The person making any bid or estimate must furnish the same, enclosed in a sealed envelope, to the head of said Department of Public Parks, at its office, on or before the day and hour above-mentioned.

The envelope must be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

For the nature and extent of the work, reference must be made to the specifications and drawings on file in the office of the Department.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The amount in which security will be required for the faithful performance of the contract is \$3,000.

Bidders must satisfy themselves by personal examination of the location of the proposed work, and the plans and drawings, and by such other means as they may prefer, as to the nature and extent of the work and shall not at any time after the submission of an estimate assert that there was any misunderstanding in regard to the nature or amount of work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Department of Public Parks, and in substantial accordance with the specifications for the work and the plans therein referred to. No extra compensation beyond the amount to be bid or specified by the lowest bidder, shall be due and payable for the entire work.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the city so to do, and to re-advertise until satisfactory bids or

proposals shall be received. But the contract, when awarded will be awarded to the lowest bidder.

Blank forms for proposals and forms of contract, which the successful bidder will be required to execute, can be had at the office of the Secretary, and the plans can be seen and information relative to them can be had, at the office of the Superintending Architect, 36 Union Square.

Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the 1st day of August, 1883, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

All the old material taken from the existing sewer-box to be removed under this contract will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work. The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and, in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York, any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five

per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the articles shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the kind of hose to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance in the sum of one thousand dollars (\$1,000); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of fifty dollars (\$50). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement and specifications, showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING THIS Department with new boiler to Steam Fire Engine No. 6, and making repairs to said engine, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A.M., Wednesday, May 16, at which time and place they will be publicly opened by the head of said Department and read.

The boiler to be in all respects as to form and construction exactly similar to that now on Engine No. 3 of this Department, being M. R. Clapp's Circulating Tubular Boiler, patent of 1878.

The engine to be delivered at the Repair Shops of the Fire Department in complete working order, with a guarantee that the material and workmanship are of the best character, and to replace, at the expense of the contractor, such parts, if any, as may fail, if such failure is properly attributable to defective material or inferior workmanship. Said engine shall have a full and complete trial of its working powers at New York, under the superintendence of a competent engineer.

For information as to the amount and kind of work to be done and time of delivery, bidders are referred to the specifications which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (\$25) dollars per day.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, in the sum of eight hundred dollars (\$800); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of forty dollars (\$40). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

HEALTH DEPARTMENT.

HEALTH DEPARTMENT—OFFICE OF THE SECRETARY,
No. 301 MOTT STREET,
NEW YORK, May 2, 1883.

PROPOSALS FOR THE EXCAVATING AND PILING FOR THE FOUNDATIONS OF A HOSPITAL AT THE FOOT OF EAST SIXTEENTH STREET, IN THE CITY AND COUNTY OF NEW YORK.

PROPOSALS, SEALED AND INDORSED AS herein required, will be received by the Commissioners of the Health Department, at their office, No. 301 Mott street, until 2.30 o'clock P.M. of the 15th day of May, 1883, at which time they will be publicly opened and read by said Commissioners for the excavating and piling for the foundations of a hospital at the foot of East Sixteenth street.

The proposals must be addressed to the Board of Health of the Health Department of the City of New York, be indorsed "Proposals for the Excavating and Piling for the Foundations of a Hospital at the foot of East Sixteenth street, City and County of New York," and must contain the name and address of the parties making the same.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Health Department, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for both classes of work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect to do so, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state that fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation or the Health Department may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by

the Comptroller to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

The Department reserves the right to reject any or all proposals not deemed beneficial to or for the public interest. Proposals to state the price per pile of the piles when cut for plates measure less than 30 feet in length; the price per pile if over 30 feet and less than 40 feet, and the price if over 40 feet.

Plans may be examined and specifications and blank proposals obtained by application to the Secretary of the Board, at his office, 301 Mott street, New York.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
