By Alderman Morris—

Whereas, Grave doubts exist as to the lawful power of the Mayor and Aldermen to appoint a Comptroller of this city; and

Whereas, The office of Comptroller involves other than local considerations, inasmuch as the action of State officials may be involved; therefore

Resolved, That the whole subject of the power to nominate and appoint a Comptroller of the city be referred to the Attorney General of the State, and that he be respectfully requested to give to this Board his official opinion thereon, as early as is practicable, or that a case be made comprehending all the points involved and submitted to the courts for decision before this Board take any action in the premises.

To the Honorable the Board of Aldermen :

GENTLEMEN—In compliance with the request of James S. Thayer, expressed in the letter from him, which is hereto annexed and forwarded for your information, I hereby withdraw the nomination made in my communication to you of the 27th ult., in which James S. WM. H. WICKHAM, Mayor.

To the Honorable Wm. H. Wickham, Mayor of the City of New York :

DEAR SIR—I fully appreciate the honor you have done me in sending my name to the Board of Aldermen, for confirmation as Comptroller of the city.

I find, however, upon consideration of my personal and business affairs, and of the onerous and responsible duties connected with that office, that I cannot, at this time, with justice to myself, assume the business of the position, and therefore beg you will withdraw my name from the further consideration of the Common Council.

I am, very truly yours,

JAMES S. THAYER.

COMMUNICATIONS FROM THE DEPARTMENTS AND CORPORATION OFFICES.

The President laid before the Board the following communication from the Department of Finance :

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
November 29, 1876.

To the Honorable the Common Council :

By reference to the proceedings of the Board of Aldermen of July 28, 1876, it appears that James J. Slevin has been elected a member of said Board, to fill the vacancy caused by the death of Patrick Lysaght.

Article 3 of the Constitution of this State, section 7, provides that "No member of the Legislature shall receive any civil appointment within this State, or the Senate of the United States, from the Governor, the Governor and Senate, or from the Legislature, or from any city government, during the time for which he shall have been elected, and all such appointments and all votes given for any such member for any such office or appointment shall be void."

Mr. Slevin having been elected a member of Assembly from the City and County of New York for the year 1876, would seem to be precluded from taking the office of Alderman of the City of New York, and the action in electing him to be of no effect whatever.

Inasmuch as many acts of the Board of Aldermen affecting grave public interests may be apparently adopted by the vote of the party who claims to have been elected to fill this vacancy, especially when in those cases where moneys have been advanced from the treasury based on such acts, questions will arise as to their validity, and confusion and loss are likely to result therefrom, I respectfully call the attention of your Honorable Body to this matter, which appears to me to be a clear violation of a plain constitutional provision.

Very respectfully,

AND. H. GREEN, Comptroller.

Which was ordered on file.

The President laid before the Board the following communication from the Department of Public Works :

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, November 28, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you, without my signature or approval, the resolution adopted on the 23d inst., granting permission to the person therein named to sell, on the sidewalk, in front of designated premises on Franklin street, Christmas greens, etc., etc.

It has, perhaps, escaped the recollection of those who voted for this resolution, that a resolution, in general terms, granting the privilege desired in this and many other cases likely to arise during the next month or two, was adopted on the 23d December, 1875, and approved by the Mayor on the 24th of that month.

It is quite unnecessary to pass special resolutions such as this is, so long as that general authority remains in effect.

W. H. WICKHAM, Mayor.

Resolved, That permission be and is hereby granted to Mr. Samuel Thompson to place and exhibit for sale, upon the stoop line and sidewalk of premises occupied by him at Nos. 207, 209, 211, and 217 Franklin and 215 West streets, from December 1 to 30 inclusive, Christmas trees and greens, provided the space so occupied in no manner impedes the necessary travel of the public, and fully complies with the petition herewith connected.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, November 29, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith return to you, without my signature or approval, the resolution authorizing a fruit-stand to be kept in front of premises Nos. 370 and 372 Canal street.

The proposed stand would be one of a class of obstructions to the street which, as I have frequently stated heretofore, I cannot approve of.

W. H. WICKHAM, Mayor.

Resolved, That permission be and the same is hereby given to Edward Page to retain his fruit-stand in front of premises Nos. 370 and 372 Canal street, he having obtained the consent of the proprietor of said premises thereto ; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, November 29, 1876.

To the Honorable the Common Council :

GENTLEMEN—I herewith transmit for your consideration a petition signed by many citizens, and having reference to a subject concerning which I addressed you a communication recently.

W. H. WICKHAM, Mayor.

To the Mayor and Board of Aldermen of the City of New York :

The undersigned, citizens of the City of New York, many of whom have been imposed upon, in different ways, by a class of persons known as "ticket speculators," who are constantly in front of the various theatres and places of amusement which it is our desire to occasionally visit, and all of whom consider the system of "ticket speculation" as a public nuisance and an imposition on the patrons of theatres, pray your Honorable Body to enact some law to so regulate the same that a responsibility may be placed upon the theatre where such a system is practiced or allowed.

The President laid before the Board the following message from his Honor the Mayor:

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, December 6, 1876.

To the Honorable the Common Council:

GENTLEMEN—I herewith return to you, without my signature or approval, the resolution to authorize John Dwight & Co. to lower the curb and to pave from the curb to the house line on the two sides of One Hundred and Twelfth street, at a locality designated.

I am advised by the Commissioner of Public Works that the pavement of that street has just been completed, and that, by exercising the privilege which this resolution would grant, the grade of the sidewalk would be changed. He does not think it well to change the grade of the sidewalk, and suggests that Messrs. Dwight & Co. would receive all the benefits they desire by placing gutter-bridges in front of their premises. Permission to them to place such gutter-bridges there may properly be granted.

Resolved, That permission be and the same is hereby granted to John Dwight & Co. to lower the curb and pave from the curb to the house line on the north and south sides of One Hundred and Twelfth street, a space of fourteen feet, commencing 276 feet easterly of Second avenue; the same to be done under the direction of the Department of Public Works, and at the expense of said J. Dwight & Co., the owners of the property, and that adjoining on both sides of said street.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, December 6, 1876.

To the Honorable the Common Council:

GENTLEMEN—I herewith return to you, without my signature or approval, the resolution to erect lamp-posts and to light lamps on both sides of the Kingsbridge road, at a place mentioned.

I am advised by the Commissioner of Public Works that the piece of road mentioned is but a country road, with few houses on it, and has not yet been graded or regulated, or curbed, guttered, or flagged.

He thinks, therefore, that there is, as yet, no necessity for lighting both sides of the road, but that it will be quite enough to place lights on one side of the road only, for the present.

The resolution is returned to be amended in that respect, if you shall think proper to do so.

WM. H. WICKHAM, Mayor.

Resolved, That lamp-posts be erected and street-lamps lighted on both sides of the Kingsbridge road, from Monroe avenue to the Southern Boulevard, under the direction of the Commissioner of Public Works.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

OFFICE OF THE BOARD OF EDUCATION,
CORNER OF GRAND AND ELM STREETS,
NEW YORK, November 29, 1876.

To the Board of Estimate and Apportionment, New York:

GENTLEMEN—The undersigned, on behalf of the Board of Education, respectfully represent, that in consequence of the organization of two new schools, and the appointment of additional teachers, required by the increased attendance of pupils, the sum appropriated by your Board for the "Salaries of Teachers, Janitors, Superintendents, Clerks, and Employees," for the present year, will be less

DEPARTMENT OF PUBLIC PARKS,

36 UNION SQUARE (EAST),

NEW YORK, December 5, 1876.

To the Board of Estimate and Apportionment:

GENTLEMEN—The winter has begun earlier this year than usual, and the skating season is already commenced.

The only place in the city where skating can be enjoyed is the Central Park, where there is, in all, about thirty-six acres of water devoted to this purpose in the winter season. To keep the ice cleared, the snow swept and carried off, and to erect the two skating houses and one curling house, requires a larger amount of money than can be spared from the transfer to the Maintenance of the Parks, which you Board authorized on the 23d November last.

The Department, indeed, is informed by Commissioner Stebbins, who attended the meeting of your Board on that occasion, that he so informed you. In order to enable the usual preparations for skating and curling to be made, the Department respectfully requests that you will make a transfer of \$5,000 from the appropriation for the "Salaries of the Police," for which it is not required this year, to the "Maintenance of the Parks," at your next meeting, so as to enable the preparations to be proceeded with at once.

I inclose a form of resolution, which I respectfully submit for your adoption.

Yours, respectfully,

W. R. MARTIN, President D. P. P.

And offered for adoption the following resolution:

Resolved, That the sum of \$2,500 be and the same is hereby transferred from the appropriation "Salaries, Police Department of Public Parks," 1876, the same being in excess of the amount required for the purposes and objects thereof, to the appropriation "Maintenance and Government of Parks and Places," 1876, the amount of said appropriation being insufficient, this amount is appropriated for the purpose of providing proper accommodations and protection for skating, to keep the ice cleaned, the snow swept and carried off, and to erect the necessary skating houses.

And put the question whether the Board would agree with said resolution.

Which was agreed to.

Whereupon the Comptroller offered for adoption the following resolution:

Resolved, That the Comptroller be and he is hereby authorized and directed to issue bonds of the City of New York, as provided by chapter 750, Laws of 1873, for the purpose of providing moneys for the payment of judgments which have been or may be obtained against said city; the amount of said bonds not to exceed the sum of \$25,000, said bonds to be designated "New York City Bonds for the Liquidation of Claims and Judgments," and bear interest not exceeding seven per cent. per annum, and payable at such time, within three years from the date thereof, as the Comptroller may determine.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, JUNE 1, 1876.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered in person, if possible, and at this office only under severe penalties. If exempt, the party must bring proof exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, will be the expenses of this office, and unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment persons between sixty and seventy years of age, summer absenteers, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
