BOARD OF ESTIMATE AND APPORTIONMENT.

(PUBLIC IMPROVEMENTS.)

A meeting of the Board of Estimate and Apportionment of The City of New York was held in the Governor's Room, City Hall, on Friday, July 31, 1903, at 3 o'clock in the afternoon.

Present—The Mayor, the Comptroller, the President of the Borough of Manhattan, the President of the Borough of Brooklyn, the President of the Borough of The Bronx, the President of the Borough of Queens and the President of the Borough of Richmond.

The Mayor, Hon. Seth Low, presided.

WIDENING EAST TWO HUNDRED AND THIRTY-THIRD STREET, BRONX.

Mr. Flannery appeared in support of the widening.

On motion of the President of the Borough of The Bronx, the following resolutions were adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 970 of the Greater New York Charter, deems it for the public interest that the title to the lands and premises required for the widening of East Two Hundred and Thirty-third street, between Webster avenue and the Bronx river, in the Borough of The Bronx, City of New York, should be acquired by The City of New York.

Resolved, That the Board of Estimate and Apportionment, deeming it for the public interest so to do, hereby requests the Corporation Counsel to make application to a Special Term of the Supreme Court for the appointment of Commissioners of Estimate and Assessment, and to take the necessary proceedings, in the name of The City of New York, to acquire title, wherever the same has not heretofore been acquired, for the use of the public, to the lands, tenements and hereditaments that shall or may be required for the purpose of widening East Two Hundred and Thirty-third street, between Webster avenue and the Bronx river, in the Borough of The Bronx, City of New York.

Resolved, That the entire cost and expense of said proceedings shall be borne and paid by The City of New York.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

CHANGE OF LINES OF WEST ONE HUNDRED AND SIXTY-FIFTH STREET, MANHATTAN.

The following petition and report of the Chief Engineer were referred to the President of the Borough of Manhattan:

To the Board of Estimate and Apportionment of The City of New York:

The petition of the New York Institution for the Instruction of the Deaf and Dumb respectfully shows:

1. Under and pursuant to chapter 565 of the Laws of 1865 a certain street known as One Hundred and Sixty-fifth street was laid out upon the map or plan filed by the Commissioners of the Central Park on or about the 19th day of May, 1869. The said street west of Broadway as so laid out, extended to the Hudson river, and was of the direction, width and grades shown upon the map hereto annexed marked "Map A." Subsequently thereto and on or about the 17th day of May, 1876, The City of New York acquired title to the said parcel of land upon the confirmation by the Supreme Court of the report of the Commissioners of Estimate and Assessment therefore appointed for that purpose.

2. At the time the said street was so laid out and title acquired as aforesaid your petitioner was and still is the owner of the land fronting upon the south side of the said street, between the present Fort Washington avenue and Boulevard Lafayette, and of all the land on both sides of said street, from the Boulevard Lafayette to the Hudson river. Since the confirmation of the said report said One Hundred and Sixty-fifth street has been regulated and graded from Broadway to the Boulevard Lafayette,

and the Boulevard Lafayette has been regulated and graded and in part macadamized, from One Hundred and Fifty-eighth street to Inwood street, and is now in public use.

3. Your petitioner is informed and believes that the said One Hundred and Sixty-fifth street was laid out in 1869, as aforesaid, from a point about 250 feet east of the Boulevard Lafayette to the Hudson river, and upon the grades shown upon Map A, hereto annexed, so as to afford a means of access from the high land east of the Boulevard Lafayette to the said river, and it was contemplated that the said street should be constructed under and beneath the Boulevard Lafayette where it intersected the same so that a continuous roadway or street would be passable and usable upon the grades so fixed.

4. Your petitioner states, however, that the said One Hundred and Sixty-fifth street, west of the Boulevard Lafayette, has not been so constructed, and that the Boulevard Lafayette has been regulated and graded and otherwise improved without any provision being made for using the said street beneath the same, as originally intended. Such construction is not now possible without great expense, and if so constructed the street would seriously injure the Boulevard as well as the property fronting thereon. In order to afford access to the river front by the most convenient and suitable method possible, a change in the lines of the said street should be made so that from and opposite the terminus of the street as laid out in direct lines at the Boulevard Lafayette, as now constructed, the said street should extend to the Hudson river. Your petitioner believes that if the location of the said street be so changed and altered the grades will be much more suitable for use than those fixed for the street as laid out by the Central Park Commissioners, and the great expense of a viaduct or bridge over the same at the Boulevard Lafayette, as well as injury to the property in the vicinity, be avoided.

Your petitioner therefore respectfully requests that the map or plan of The City of New York be amended by closing so much of One Hundred and Sixty-fifth street, heretofore laid out as aforesaid, as is colored blue upon the map hereto annexed, and that instead of the part so closed the lines of the said street be established or altered west of the Boulevard Lafayette, as shown in red color upon the said map.

Your petitioners will ever pray, etc.

Dated New York, May —, 1903.

THE NEW YORK INSTITUTION FOR THE INSTRUCTION
OF THE DEAF AND DUMB,

M. M. ADAMS, Secretary.

REPORT No. 1320.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted the petition of the New York Institution for the Instruction of the Deaf and Dumb, requesting that the location of West One Hundred and Sixty-fifth street, between Fort Washington avenue and the tracks of the New York Central and Hudson River Railroad Company, be changed from that now laid out upon the map of The City of New York.

Several buildings belonging to the above-named institution have been erected at the southwest corner of West One Hundred and Sixty-fifth street and Fort Washington avenue. The changes petitioned for are shown upon a sketch accompanying the request, and include the extension of One Hundred and Sixty-fifth street to the Boulevard Lafayette without changing the alignment in the middle of the block between Fort Washington avenue and the Boulevard, as it is now laid out; thence winding in a serpentine course to the railroad tracks.

The road is now in use between Fort Washington avenue and the Boulevard Lafayette approximately as called for in the petition. No improvements have yet been made, and no roadway is open west of the Boulevard. The change proposed through the westerly section will probably result in securing a much easier grade for the street.

I would recommend that this petition be referred to the Local Board, so that a public hearing may be given in the matter, and that the desires of those interested may be fully ascertained.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

LAYING OUT WEST ONE HUNDRED AND SIXTY-SIXTH, ONE HUNDRED AND SIXTY-SEVENTH AND ONE HUNDRED AND SIXTY-EIGHTH STREETS, MANHATTAN.

The following petition and report of the Chief Engineer were presented, and referred to the President of the Borough of Manhattan:

To the Board of Estimate and Apportionment of The City of New York:

We, the subscribers, taxpayers of The City of New York and freeholders owning the properties stated opposite our names, respectively, do respectfully petition your Honorable Board to change the map or plan of The City of New York so as to lay out three new streets by extending West One Hundred and Sixty-sixth street, West One Hundred and Sixty-seventh street and West One Hundred and Sixty-eighth street, from Broadway westerly to Fort Washington avenue.

Dated May, 1903.

REPORT No. 1319.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted the petition of William J. Van Pelt and nine others, requesting that the map or plan of The City of New York be changed by laying out West One Hundred and Sixty-sixth, West One Hundred and Sixty-seventh and West One Hundred and Sixty-eighth streets, between Broadway and Fort Washington avenue.

West One Hundred and Sixty-sixth and West One Hundred and Sixty-eighth streets now extend to Broadway from the east, while West One Hundred and Sixty-seventh street terminates at St. Nicholas avenue. A petition has been received for extending the lines of West One Hundred and Sixty-seventh street, from St. Nicholas avenue to Broadway, but the resolution of the Local Board providing for the same was referred back on June 12 last.

I would recommend that the petition now submitted be referred to the Local Board for a public hearing, and would also suggest that if they find this change a desirable one, that it also be made to include the portion of One Hundred and Sixty-seventh street between St. Nicholas avenue and Broadway.

I would also call attention to the fact that most of the property to be crossed by these streets as named in the petition is now used by the Greater New York Baseball Association, which has recently enclosed the grounds and erected a grandstand.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

OPENING EAST ONE HUNDRED AND EIGHTY-FIFTH STREET, BRONX.

The following resolution of the Local Board of Morrisania, Borough of The Bronx, and report of the Chief Engineer were presented:

In the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the "City Record" that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board, at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is

Resolved, By the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For acquiring title to the lands necessary for East One Hundred and Eighty-fifth street, from Washington avenue to Third avenue, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Morrisania, Twenty-fourth District, on the 11th day of June, 1903, Alderman Leitner, Alderman Peck, Alderman Harnischfeger and the President of the Borough of The Bronx voting in favor thereof.

Attest: HENRY A. GUMBLETON, Secretary to Local Board of Morrisania, Twenty-fourth District.

Approved and certified this 13th day of June, 1903.

LOUIS F. HAFFEN, President of the Borough of The Bronx.

REPORT No. 1333.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on June 11, 1903, initiating proceedings for acquiring title to East One Hundred and Eighty-fifth street, between Washington and Third avenues.

East One Hundred and Eighty-fifth street was laid out through the two blocks mentioned, by resolution of the Board of Estimate and Apportionment of March 20, 1903, and the map showing the change was filed on June 9 following.

The street is not in use upon the ground, and is encroached upon by a stable and a portion of a three-story frame building, the same fronting upon Third avenue. I believe that the request for acquiring title properly follows the resolution under which the street was laid out, and would recommend the authorization of opening proceedings.

The street has a width of fifty feet, and the entire expense of this proceeding should be borne by the property to be benefited.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 970 of the Greater New York Charter, deems it for the public interest that the title to the lands and premises required for the opening and extending of East One Hundred and Eighty-fifth street, from Washington avenue to Third avenue, in the Borough of The Bronx, City of New York, should be acquired by The City of New York.

Resolved, That the Board of Estimate and Apportionment, deeming it for the public interest so to do, hereby requests the Corporation Counsel to make application to a special term of the Supreme Court for the appointment of Commissioners of Estimate and Assessment, and to take the necessary proceedings, in the name of The City of New York, to acquire title, wherever the same has not heretofore been acquired, for the use of the public, to the lands, tenements and hereditaments that shall or may be required for the purpose of opening and extending East One Hundred and Eighty-fifth street, from Washington avenue to Third avenue, in the Borough of The Bronx, City of New York.

Resolved, That the entire cost and expense of said proceedings shall be assessed upon the property deemed to be benefited thereby.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

LAYING OUT TAYLOR STREET, BRONX.

The following communication from the President of the Borough of The Bronx and report of the Chief Engineer were presented:

THE CITY OF NEW YORK,
OFFICE OF THE PRESIDENT OF THE BOROUGH OF THE BRONX,
March 24, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

DEAR SIR—I transmit herewith copy of "Map or Plan Showing the Locating and Laying Out of Taylor Street, from Morris Park Avenue to West Farms Road, Twenty-fourth Ward, Borough of The Bronx, City of New York, Dated March 17, 1903," for concurrence and approval by the Board of Estimate and Apportionment, in accordance with section 439 of the Greater New York Charter.

Yours truly,

LOUIS F. HAFFEN, President of the Borough of The Bronx.

REPORT No. 1355.

July 21, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—With the accompanying communication from the President of the Borough of The Bronx, dated March 24, 1903, is submitted a map or plan showing the locating and laying out of Taylor street, from Morris Park avenue to West Farms road.

This street is shown on the tentative maps of the territory east of the Bronx river, which have been adopted by the Board, and the approval of a definite plan giving grades and dimensions is asked for by the Borough President for the reason that petitions have been received for building a sewer and regulating and grading the street.

The plan seems a proper one for adoption as a part of the permanent map of the City, and shows a footbridge across the tracks of the New York, New Haven and Hartford Railroad at West Farms road.

It is recommended that a public hearing be given in the matter. No technical description is given, inasmuch as the adjacent streets are not yet laid out, and it is therefore impossible to connect Taylor street with them by measurement.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Whereas, The President of the Borough of The Bronx, in pursuance of the provisions of section 439 of the Greater New York Charter, has submitted to the Board of Estimate and Apportionment a map or plan showing the locating and laying out of Taylor street, from Morris Park avenue to West Farms road, Twenty-fourth Ward, Borough of The Bronx, dated March 17, 1903;

Resolved, By the Board of Estimate and Apportionment of The City of New York, that a hearing be given to all persons interested in the said locating and laying out on Wednesday, September 16, 1903, at 10.30 o'clock in the forenoon, in the old Council Chamber (Room 16), City Hall.

Resolved, That the Secretary of said Board cause a notice of such hearing to be printed in the "City Record" for ten days, exclusive of Sundays and holidays, prior to the 16th day of September, 1903.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

CHANGE OF GRADE OF EAST ONE HUNDRED AND SEVENTY-FOURTH STREET, BRONX.

The following resolution of the Local Board of Morrisania, Borough of The Bronx, and report of the Chief Engineer were presented:

In the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Resolved, By the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For such a change in the grade of East One Hundred and Seventy-fourth street, between those points in One Hundred and Seventy-fourth street, between Webster and Clay avenues, as will give the easiest and most practicable grade to this street, in accordance with accompanying sketch, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Morrisania, Twenty-fourth District, on the 11th day of June, 1903, Alderman Harnischfeger, Alderman Leitner, Alderman Peck and the President of the Borough of The Bronx voting in favor thereof.

Attest: HENRY A. GUMBLETON, Secretary to Local Board of Morrisania, Twenty-fourth District.

Approved and certified this 13th day of June, 1903.

LOUIS F. HAFFEN, President of the Borough of The Bronx.

REPORT No. 1330.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on June 11, 1903, initiating proceedings for changing the grade of East One Hundred and Seventy-fourth street, between Webster and Clay avenues, so as to "give the easiest and most practicable grade to this street in accordance with the accompanying sketch."

The map submitted with this resolution shows that it is proposed to change the grade of One Hundred and Seventy-fourth street by fixing the grade at Carter avenue at 40 feet instead of 30 feet, as heretofore. As One Hundred and Seventy-fourth street is now laid out the grade for the two blocks between Clay and Carter avenues is about 20 per cent., being approximately uniform through each block; between Carter and Webster avenues it is about 1 per cent. The street is now in use between Anthony and Webster avenues, and, although it has not yet been graded, it probably approximately corresponds with the grades at present established. The petition for this change bears eight signatures of owners of property on One Hundred and Seventy-fourth street, Anthony avenue and Clay avenue.

If the change be made as requested, the grade between Clay and Anthony avenues will remain at 20 per cent., while the grade for the two blocks between Anthony and Webster avenues will be uniform at about 10 per cent. This change would not only necessitate a large amount of fill on One Hundred and Seventy-fourth street, but also on Carter avenue.

Anthony avenue has been regulated and graded, and a sewer has been built in Carter avenue. The only improvements which have yet been made on the streets affected by the change are near the northwest corner of Carter avenue and One Hundred and Seventy-fourth street, where two frame houses have recently been erected, the same apparently conforming with the established grade. These buildings will be subjected to a considerable damage in case the change now proposed is carried out.

In my judgment the grades now fixed for One Hundred and Seventy-fourth street would be of greater benefit than those proposed, and will entail a less expense to the owners of property, particularly on Carter avenue, for improving the same. If the changes are carried out, the grade, to be sure, will be reduced very materially for the block between Anthony and Carter avenues, but at the same time it will remain too steep to be utilized to any very great extent.

Herewith are transmitted a map and technical description, together with a resolution fixing the date for a public hearing, should the same be deemed desirable.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by changing the grades in East One Hundred and Seventy-fourth street, from Anthony avenue to Webster avenue, and in Carter avenue,

from East One Hundred and Seventy-third street to East One Hundred and Seventy-fifth street, Twenty-fourth Ward, in the Borough of The Bronx, City of New York, more particularly described as follows:

A.—East One Hundred and Seventy-fourth Street.

1. The grade at the intersection of Anthony avenue to be 50.0 feet above mean high-water datum, as heretofore;
2. The grade at the intersection of Carter avenue to be 40.0 feet above mean high-water datum;
3. The grade at the intersection with Webster avenue to be 29.0 feet above mean high-water datum, as heretofore.

B.—Carter Avenue.

1. The grade at the intersection with East One Hundred and Seventy-third street to be 43.3 feet above mean high-water datum, as heretofore;
2. The grade at the intersection with East One Hundred and Seventy-fourth street to be 40.0 feet above mean high-water datum;
3. The grade at the intersection with East One Hundred and Seventy-fifth street to be 30.0 feet above mean high-water datum, as heretofore.

Resolved, That the President of the Borough of The Bronx cause to be prepared for submission to this Board three similar maps or plans for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed change and the location of the immediate adjacent or of intersecting open or established streets, roads, squares or places sufficient for the identification and location thereof.

Resolved, That this Board consider the proposed change at a meeting of this Board, to be held in the Old Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 16th day of September, 1903, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the "City Record" for ten days continuously, Sundays and legal holidays excepted, prior to the 16th day of September, 1903.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

CHANGE OF GRADES IN TERRITORY BOUNDED BY JEROME AVENUE, CRESTON AVENUE, EAST ONE HUNDRED AND NINETIETH STREET AND MINERVA PLACE, BRONX.

The following resolution of the Local Board of Morrisania, Borough of The Bronx, and report of the Chief Engineer were presented:

In the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Resolved, By the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For change of grade in the section bounded by Jerome avenue, Creston avenue, One Hundred and Ninetieth street and Minerva place, as shown on map entitled "Map or Plan Showing Change of Grade of Avenues and Streets Within the Area Bounded by East One Hundred and Ninetieth Street, Jerome Avenue, Minerva Place and Creston Avenue," in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Morrisania, Twenty-fourth District, on the 20th day of November, 1902, Alderman Harnischfeger, Alderman Goldwater and the President of the Borough of The Bronx voting in favor thereof.

Alderman Peck not voting.

Negative—None.

Approved and certified this 26th day of November, 1902.

LOUIS F. HAFFEN, President of the Borough of The Bronx.

REPORT No. 1361.

July 23, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—The accompanying resolution of the Local Board of the Morrisania District, adopted on December 20, 1902, provides for changing the grades in the section bounded by Jerome avenue, Creston avenue, East One Hundred and Ninetieth street and Minerva place, in the Borough of The Bronx.

Some of the changes proposed in this resolution are quite extensive, the most radical being the raising of the grade of Jerome avenue and East One Hundred and Ninety-eighth street about 11 feet, and at a point between East One Hundred and Ninety-sixth and East One Hundred and Ninety-eighth street about 6 feet.

On the final maps of the Borough of The Bronx there are indicated, by figures in brackets, some grade elevations which were proposed some years ago by the Aqueduct Commissioners, but which have never been formally adopted. Upon inquiry I am advised by the Commissioners that they are indifferent as to these changes, but the borough authorities are convinced that they should be made.

This part of Jerome avenue is at present some distance below the embankment of the Jerome Park reservoir, while between East One Hundred and Ninety-sixth and East One Hundred and Ninety-eighth streets, along the easterly side of Jerome avenue, there is laid out a street called Park View terrace, which is located on a shelf considerably higher than Jerome avenue. Morris avenue has its only outlet to the north by way of this terrace, and the raising of the grade of Jerome avenue is principally for the purpose of furnishing a usable outlet for Morris avenue. The other changes proposed within the territory seem reasonable, and are designed to conform the grades more nearly with the existing surface.

It is recommended that a public hearing be given.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by changing the grades in the section bounded by Jerome avenue, Creston avenue, East One Hundred and Ninetieth street and Minerva place, in the Borough of The Bronx, City of New York, more particularly described as follows:

Jerome Avenue.

Beginning at the intersection of Jerome avenue and East One Hundred and Ninetieth street, the elevation to be 123.0 feet above mean high-water datum, as heretofore;

1. Thence northerly to a point distant 300 feet southerly from the southeast curb intersection of East One Hundred and Ninety-second street, the elevation to be 117.8 feet above mean high-water datum;

7. Thence northerly to the intersection of East One Hundred and Ninety-eighth street, the elevation to be 138.0 feet above mean high-water datum;
8. Thence northerly to the intersection of Minerva place, the elevation to be 142.5 feet above mean high-water datum, as heretofore.

Morris Avenue.

Beginning at the intersection of Morris avenue and East One Hundred and Ninety-third street, the elevation to be 119.5 feet above mean high-water datum;

1. Thence northerly to the intersection of Kingsbridge road, the elevation to be 128.5 feet above mean high-water datum, as heretofore;
2. Thence northerly to a point distant 215 feet from the northwest curb intersection of Kingsbridge road, the elevation to be 142.0 feet above mean high-water datum;
3. Thence northerly to the intersection of East One Hundred and Ninety-sixth street, the elevation to be 150.0 feet above mean high-water datum;
4. Thence northerly to a point distant 400 feet from the northeast curb intersection of East One Hundred and Ninety-sixth street, the elevation to be 162.0 feet above mean high-water datum;
5. Thence northerly to the angle point in Morris avenue, the elevation to be 148.0 feet above mean high-water datum.

Creston Avenue.

Beginning at the intersection of Creston avenue and East One Hundred and Ninety-first street, the elevation to be 118.0 feet above mean high-water datum, as heretofore;

1. Thence northerly to the intersection of East One Hundred and Ninety-second street, the elevation to be 128.0 feet above mean high-water datum;
2. Thence northerly to a point distant 225 feet from the northeast curb intersection of East One Hundred and Ninety-second street, the elevation to be 129.0 feet above mean high-water datum;
3. Thence northerly to the intersection of East One Hundred and Ninety-third street, the elevation to be 128.0 feet above mean high-water datum;
4. Thence northerly to the intersection of Kingsbridge road, the elevation to be 130 feet above mean high-water datum, as heretofore;
5. Thence northerly to a point distant 300 feet from the northeast curb intersection of Kingsbridge road, the elevation to be 146.0 feet above mean high-water datum, as heretofore;
6. Thence northerly to the intersection of East One Hundred and Ninety-sixth street, the elevation to be 148.5 feet above mean high-water datum, as heretofore;
7. Thence northerly to a point distant 600 feet southerly from the southeast curb intersection of East One Hundred and Ninety-eighth street, the elevation to be 138.0 feet above mean high-water datum;
8. Thence northerly to the intersection of East One Hundred and Ninety-eighth street, the elevation to be 133.0 feet above mean high-water datum;
9. Thence northerly to the intersection of Minerva place, the elevation to be 145.0 feet above mean high-water datum.

Park View Terrace.

Beginning at the intersection of Park View terrace and East One Hundred and Ninety-sixth street, the elevation to be 138.0 feet above mean high-water datum;

1. Thence northerly to a point distant 400 feet southerly from the southeast house line intersection of Morris avenue, the elevation to be 147.0 feet above mean high-water datum, as heretofore;
2. Thence northerly to the intersection of Morris avenue, the elevation to be 143.0 feet above mean high-water datum.

East One Hundred and Ninetieth Street.

Beginning at the intersection of East One Hundred and Ninetieth street and Morris avenue, the elevation to be 124.0 feet above mean high-water datum, as heretofore;

1. Thence westerly to a point distant one-half distance of curb, the elevation to be 127.0 feet above mean high-water datum.

Kingsbridge Road.

Beginning at the intersection of Kingsbridge road and Morris avenue, the elevation to be 128.5 feet above mean high-water datum, as heretofore;

1. Thence westerly to a point distant 50 feet from the northwest curb intersection of Morris avenue, the elevation to be 129.0 feet above mean high-water datum.

Resolved, That the President of the Borough of The Bronx cause to be prepared for submission to this Board three similar maps or plans for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed change and the location of the immediate adjacent or of intersecting open or established streets, roads, squares or places sufficient for the identification and location thereof.

Resolved, That this Board consider the proposed change at a meeting of this Board to be held in the Old Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 16th day of September, 1903, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the "City Record" for ten days continuously, Sundays and legal holidays excepted, prior to the 16th day of September, 1903.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

OPENING CANAL STREET WEST, BRONX.

The following resolution of the Local Board of Morrisania, Borough of The Bronx, and report of the Chief Engineer were presented:

In the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the "City Record" that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is

Resolved, By the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For acquiring title to the lands necessary for Canal street West, between East One Hundred and Thirty-fifth street and East One Hundred and Thirty-eighth street, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Morrisania, Twenty-fourth District, on the 11th day of June, 1903, Alderman Harnischfeger, Alderman Peck, Alderman Leitner and the President of the Borough of The Bronx voting in favor thereof.

Attest: HENRY A. GUMBLETON, Secretary to Local Board of Morrisania, Twenty-fourth District.

Approved and certified this 13th day of June, 1903.

LOUIS F. HÄFFEN, President of the Borough of The Bronx.

REPORT NO. 1331.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on June 11, 1903, initiating proceedings for acquiring title to Canal street West, between East One Hundred and Thirty-fifth and East One Hundred and Thirty-eighth streets.

This street is laid out upon the map of the City to have a width of 50 feet. At least a portion of the street as laid out is now in use as an unshaped roadway; the property abutting upon its line is occupied by several factories, many of which have their only outlet through it. A part of the land is encroached upon by sheds and by large piles of lumber.

I believe that this resolution is a proper one, and would recommend its authorization, the entire cost of the proceedings to be borne by the property benefited.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 970 of the Greater New York Charter, deems it for the public interest, that the title to the lands and premises required for the opening and extending of Canal street West, between East One Hundred and Thirty-fifth street and East One Hundred and Thirty-eighth street, in the Borough of The Bronx, City of New York, should be acquired by The City of New York.

Resolved, That the Board of Estimate and Apportionment, deeming it for the public interest so to do, hereby requests the Corporation Counsel to make application to a Special Term of the Supreme Court for the appointment of Commissioners of Estimate and Assessment, and to take the necessary proceedings, in the name of The City of New York, to acquire title, wherever the same has not heretofore been acquired, for the use of the public, to the lands, tenements and hereditaments that shall or may be required for the purpose of opening and extending Canal street West, between East One Hundred and Thirty-fifth street and East One Hundred and Thirty-eighth street, in the Borough of The Bronx, City of New York.

Resolved, That the entire cost and expense of said proceedings shall be assessed upon the property deemed to be benefited thereby.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

ACQUIRING MADISON AVENUE BRIDGE APPROACHES, MANHATTAN.

The following communication from the Commissioner of Bridges was presented:

DEPARTMENT OF BRIDGES, CITY OF NEW YORK,

July 29, 1903.

To the Honorable the Board of Estimate and Apportionment:

GENTLEMEN—In the matter of approaches to the Madison Avenue Bridge, on the Manhattan side of the Harlem river, I believe I have not heretofore requested you explicitly to take steps for the acquirement of title.

I therefore now respectfully request that you instruct the Corporation Counsel to immediately proceed to acquire title to the land necessary for the Manhattan approaches to the New Madison Avenue Bridge.

Respectfully,

G. LINDENTHAL, Commissioner of Bridges.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 970 of the Greater New York Charter, deems it for the public interest that the title to the lands and premises required for the opening and extending of the approaches to the Madison Avenue Bridge over the Harlem river, in the Borough of Manhattan, City of New York, should be acquired by The City of New York.

Resolved, That the Board of Estimate and Apportionment, deeming it for the public interest so to do, hereby requests the Corporation Counsel to make application to a Special Term of the Supreme Court for the appointment of Commissioners of Estimate and Assessment, and to take the necessary proceedings, in the name of The City of New York, to acquire title, wherever the same has not heretofore been acquired, for the use of the public, to the lands, tenements and hereditaments that shall or may be required for the purpose of opening and extending the approaches to the Madison Avenue Bridge over the Harlem river, in the Borough of Manhattan, City of New York.

Resolved, That the entire cost and expense of said proceedings shall be borne and paid by The City of New York.

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—14.

CLOSING STREETS IN ASTORIA, QUEENS.

The following petition was presented:

To the Board of Estimate and Apportionment:

The petition of the undersigned, the Astoria Light, Heat and Power Company, respectfully shows:

I. That your petitioner is a corporation organized and existing under the laws of the State of New York.

II. That it is the sole owner in fee of the following described premises:

Beginning at the point of intersection of the northeasterly line of Winthrop avenue (so called) with the pier and bulkhead line of the East river, running thence southeasterly along the said northerly line of Winthrop avenue (so called) 3,952 feet 2½ inches to the centre line of Rapelje street (so called); thence northeasterly along the centre line of Rapelje street (so called) 137 feet 6 inches; thence southeasterly on a line parallel with the so called Winthrop avenue 205 feet; thence northeasterly on a line parallel with Rapelje street (so called) about 75 feet to the centre line of Luyster creek; thence in a general northeasterly direction along the said centre line of Luyster creek, as the same bends, 1,800 feet to the pier and bulkhead line established 1891, for the southerly side of Berrian creek; thence northerly and westerly along said pier and bulkhead line, as the same bends, 2,550 feet to the lands under water adjacent to Lawrence Point, granted to Ed. J. Woolsey; thence northerly along said lands 615 feet to the pier and bulkhead line for the easterly shore of the East river; thence northwesterly and southwesterly along the said pier and bulkhead line, as the same bends, 3,700 feet to the point or place of beginning, be the same dimensions more or less.

III. That pursuant to chapters 461 and 756 of the Laws of 1871, a map or plan of Long Island City and of the streets, avenues and roads in said city was filed, as prescribed in said act, and that under and by virtue of chapter 378 of the Laws of 1897, as amended by chapter 401 of the Laws of 1901, the said map or plan, as so made and filed, has been adopted and established as the map or plan of The City of New York, and constitutes the map or plan of The City of New York, to the extent and so far as it covers the territory lying within the said city, and that certain streets, avenues and roads laid down upon said map or plan of said Long Island City so adopted as the map or plan of The City of New York pass through or upon the premises above described; that heretofore certain private maps have been filed with the Clerk of Queens County, New York, on which certain additional portions of the above described premises were included or designated thereon as streets, roads, highways or avenues, and that none of the streets, avenues, roads or highways shown on any of the said maps, whether public or private, and within the boundaries of the above described premises has been laid out, improved or opened by The City of New York or by another party or parties, and that none of the premises included in said streets, roads, highways and avenues, as laid out on any of said maps, has been used by the public, but that all of said premises have only been used as private property by the owners or lessees thereof.

IV. That a map or plan of the above described premises is hereto annexed and marked "Exhibit 1" and made a part hereof, showing all of said streets, avenues, highways and roads designated on the maps mentioned in Paragraph III. hereof, and included within the said premises; and that the streets, avenues, highways and roads laid down on the map of Long Island City and of The City of New York, as above mentioned and included within the said premises, are indicated on the map hereto annexed by unbroken or solid lines and that the streets, avenues, highways and roads laid down on the private maps, above mentioned in Paragraph III. thereof, which are in addition to the streets, avenues, highways and roads laid down upon the said official map of Long Island City and of The City of New York, are designated on the map hereto annexed by dotted lines.

Wherefore, your petitioner prays that a resolution be adopted by your Honorable Board to alter and change all of the said maps, by expunging therefrom all of such streets, avenues, highways or roads as are included in or designated thereon as such and which are included within the boundaries of the above-described premises; and that proceedings be thereupon had to so expunge and remove from the said maps all of the said streets, roads, highways and avenues, and for such other and further relief as to the Board may seem just.

THE ASTORIA LIGHT, HEAT AND POWER COMPANY, Petitioner.

By LEWIS B. GAWTRY, Secretary.

COUNTY OF NEW YORK:

Lewis B. Gawtry, being duly sworn, says that he is the secretary of the Astoria Light, Heat and Power Company, the petitioner named in the foregoing petition, that he knows the contents thereof, and the same is true to his own knowledge except as to the matters therein stated to be alleged upon information and belief, and that as to those matters he believes it to be true.

LEWIS B. GAWTRY.

Sworn to before me July 29, 1903.

WALLACE YOUNG, Notary Public, Nassau County. Certificate filed in New York County.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442, of the Greater New York Charter, as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York, by closing and discontinuing all the streets, avenues and roads lying within the territory bounded by Winthrop avenue, Luyster creek, and the pierhead and bulkhead line, in the Borough of Queens, City of New York.

Resolved, That the President of the Borough of Queens cause to be prepared for submission to this Board three similar maps or plans for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed change and the location of the immediate adjacent or of intersecting open or established streets, roads, squares or places, sufficient for the identification and location thereof.

Resolved, That this Board consider the proposed change at a meeting of this Board, to be held in the Old Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 16th day of September, 1903, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the "City Record" for ten days continuously, Sundays and legal holidays excepted, prior to the 16th day of September, 1903.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

CLOSING FULTON PLACE, BROOKLYN.

In connection with the proposed closing of Fulton place, Borough of Brooklyn, resolution for which was adopted on July 22, the Mayor presented the following agreement submitted by Frederick Loeser & Co., which met with the approval of the Board:

Agreement.

Know All Men By These Presents, That we, John Gibb, Howard Gibb and Arthur Gibb, composing the firm of Frederick Loeser & Co., do hereby undertake and agree to and with The City of New York.

Whereas, The Board of Estimate of The City of New York, on July 22, 1903, by resolution duly adopted, changed and altered the map of The City of New York by closing Fulton place, in the Borough of Brooklyn, between Fulton street and Livingston street, and the resolution is now before the Mayor of The City of New York for his action thereon; and

Whereas, The Messrs. Frederick Loeser & Co. own in fee the land in Fulton place subject to the public easement, and own in fee, or hold under lease all the land abutting Fulton place, excepting the land at the southwest corner of Fulton place and

Fulton street, fronting on Fulton street and running along Fulton place about sixty-six feet six and one-half inches, which lands are hereinafter more particularly described; and

Whereas, The owners of the said lands at the southwest corner of Fulton place and Fulton street claim that they will be damaged by the closing of Fulton place; and

Whereas, The Mayor of The City of New York has exacted as a condition of his approval of the resolution that the Messrs. Frederick Loeser & Co. shall agree not to build upon Fulton place in front of the premises at the southwest corner of Fulton place and Fulton street without the consent of the owners; now, therefore, this agreement

Witnesseth, That the Messrs. Frederick Loeser & Co., in consideration of the closing of Fulton place by The City of New York, do for themselves, their heirs and assigns, undertake, covenant and agree to and with The City of New York, that they, the Messrs. Frederick Loeser & Co., will not, nor shall their successors or assigns, at any time hereafter, without the consent of the owners of the premises at the southwest corner of Fulton place and Fulton street, build above the level of the curb of Fulton street, upon that part of Fulton place which adjoins the premises at the southwest corner of Fulton place and Fulton street.

The Messrs. Frederick Loeser & Co. undertake and further agree that they will remove the two sidewalks and the paved carriageway at present in Fulton place and will replace them with asphalt pavement, laid in the most approved manner, and that Fulton place, from Fulton street to the rear line of the premises at the southwest corner of Fulton place and Fulton street, a distance of sixty-six feet six and one-half inches, shall remain open until the owner of the premises hereinafter described shall consent to the occupation thereof by the Messrs. Frederick Loeser & Co., or until the Board of Estimate shall order it to be enclosed. The intention of this agreement being that Fulton place, between Fulton street and a line drawn parallel thereto and distant sixty-six feet, six and one-half inches from Fulton street shall remain open, and shall not in any manner be enclosed so as to bar access and egress to and from the premises until such time as the owners of the premises hereinafter described shall, in writing, consent to a further use and occupation of such premises by the Messrs. Frederick Loeser & Co., or until the Board of Estimate shall order it to be enclosed.

This covenant and restricting shall run with the land hereinafter particularly described and against the Messrs. Loeser & Co., and their lands; and the lands at the southwest corner of Fulton place and Fulton street, in favor of which the restriction is created and with which the covenants contained in this agreement shall run, are bounded and described as follows: Beginning at the corner formed by the intersection of the westerly line of Fulton place with the southerly line of Fulton street, and running thence southerly along Fulton place sixty-six feet six and one-half inches to lands of the Messrs. Frederick Loeser & Co.; thence easterly along the said lands of the Messrs. Frederick Loeser & Co., twenty-five feet; and thence northerly and parallel with the westerly line of Fulton place sixty-six feet six and one-half inches, more or less, to Fulton street, and thence westerly along the southerly line of Fulton street twenty-five feet to the point or place of beginning.

This undertaking is made at the suggestion and request of the Mayor of The City of New York for the benefit and protection of the owners of the property at the southwest corner of Fulton place and Fulton street, and shall be enforceable by such owners and also by The City of New York.

This agreement and all the rights of all parties under it shall come to an end, and the space reserved and restricted shall be enclosed and closed to the public and all others, except the owners thereof, if, at any time, the Board of Estimate of The City of New York shall, upon the application of any party in interest, or of its own motion, resolve or order and direct such enclosure and closing.

In witness whereof, the parties hereto have hereunto set their hands and seals this 27th day of July, in the year nineteen hundred and three.

FREDERICK LOESER & CO.,
By JOHN GIBB.

CHANGE OF GRADE OF MERRIAM AVENUE, BRONX.

The following communication from the President of the Borough of The Bronx was presented:

THE CITY OF NEW YORK,
OFFICE OF THE PRESIDENT OF THE BOROUGH OF THE BRONX,
NEW YORK, July 31, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

DEAR SIR—Under date of July 28, 1903, I am advised that the matter of the proposed change of grade of Merriam avenue, which is before the Board of Estimate and Apportionment for consideration on the 22d instant, was referred back to me for further report.

In connection therewith I inclose copy of report made by the Chief Engineer of the Borough of The Bronx on this subject, from which it appears that the proposed change of grade should be made, as it does not affect injuriously the property along the line of the avenue.

Yours truly,

LOUIS F. HAFFEN, President of the Borough of The Bronx.

(Copy.)

July 13, 1903.

Hon. LOUIS F. HAFFEN, President:

DEAR SIR—I return communication of J. W. Stevenson, Secretary, Board of Estimate and Apportionment, referring to the proposed change of grade of Merriam avenue, between Ogden avenue and East One Hundred and Sixty-ninth street, and in reporting on this matter I beg to say that the first proposed change of grade was presented to the Local Board and reported upon by me unfavorably. A second proposition was presented, however, which seemed better, and in view of the fact that there was no objection on the part of any property owner at the hearing, I favored the second proposition at the meeting of the Board, but did not make any written report thereon. I see no reason why this proposed change of grade should not be made, as it does not affect injuriously the property along the line of this avenue.

Respectfully,

(Signed) JOSIAH A. BRIGGS,
Chief Engineer of the Borough of The Bronx.

The following resolution was then adopted:

Whereas, At a meeting of this Board, held on the 12th day of June, 1903, resolutions were adopted proposing to change the map or plan of The City of New York so as to change the grade of Merriam avenue, from Ogden avenue to East One Hundred and Sixty-ninth street (or Orchard street), in the Borough of The Bronx, City of New York, and appointing a hearing at a meeting of this Board to be held on the 8th day of July, 1903, at 10.30 o'clock a. m., at which meeting such proposed action would be considered by this Board, and requesting a notice to all persons affected thereby of the aforesaid time and place at which such proposed action would be considered, to be published in the "City Record" for ten days prior to the 8th day of July, 1903; and

Whereas, It appears from the affidavit of the Supervisor of the City Record that the aforesaid resolutions and notice have been published in the "City Record" for ten days prior to the 8th day of July, 1903; and

Whereas, At the aforesaid time and place a public hearing was given to all persons interested in such proposed change who have appeared, and such proposed change was duly considered by this Board; now therefore be it

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, as amended, deeming it for the public interest to change the map or plan of The City of New York by changing the grade of Merriam avenue, from Ogden avenue to East One Hundred and Sixty-ninth street (or Orchard street), in the Borough of The Bronx, City of New York, does hereby favor the same so as to change the grade of the aforesaid avenue as follows:

1. The grade at the intersection of Merriam avenue and Ogden avenue to be 112.0 feet above mean high-water datum, as heretofore;

2. The grade at the angle of Merriam avenue and about 119 feet westerly of Ogden avenue to be 115.5 feet above mean high-water datum;

3. The grade at the intersection of Merriam avenue and East One Hundred and Sixty-ninth street to be 138.0 feet above mean high-water datum, as heretofore.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

The following resolution of the Local Board of Chester, Borough of The Bronx, and report of the Chief Engineer were presented, and the matter was referred back to the President of the Borough to have the boundaries of the improvement changed:

In Local Board of Chester, Twenty-fifth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the "City Record" that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is Resolved, By the Local Board of Chester, Twenty-fifth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For regulating and grading, setting curbstones, flagging sidewalks a space four feet wide, laying crosswalks, building approaches and erecting fences where necessary in Tremont avenue (or One Hundred and Seventy-seventh street), from the Bronx river and West Farms road to the Eastern Boulevard, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Chester, Twenty-fifth District, on the 20th day of April, 1903, Alderman Gass, Alderman Behrmann and the President of the Borough of The Bronx voting in favor thereof.

Attest: HENRY A. GUMBLETON, Secretary to Local Board of Chester, Twenty-fifth District.

Approved and certified this 21st day of April, 1903.

REPORT No. 1377.

July 28, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—The accompanying resolution of the Local Board of the Chester District, Borough of The Bronx, adopted on April 20, 1903, initiates proceedings for regulating and grading Tremont avenue from the intersection of the Bronx river and West Farms road to the Eastern Boulevard, including setting of curb, flagging sidewalks, laying crosswalks, building approaches and erecting fences where necessary.

Tremont avenue is one of the most important east and west streets in the Borough of The Bronx, and a special map has been adopted laying out the street between the Bronx river and Eastern Boulevard, and opening proceedings have been instituted for acquiring title.

It was in connection with a proposed reconsideration of a resolution of the Board of Public Improvements, assuming for the City 50 per cent. of the expense of these opening proceedings, that the question was raised as to the public place laid out on this map at the intersection of Tremont and Westchester avenues, it being thought by the Board that this public place was so extensive in area as to be more properly a public park. The question as to whether it could properly be called a public place was referred to the Corporation Counsel, and his opinion was that it might be so called, inasmuch as the area was intersected by a number of streets dividing it into a series of small parcels or public places.

This street runs through a territory which is largely undeveloped, but contains a number of small centres of population. The regulating and grading of the street will doubtless stimulate improvement in the neighborhood, although it is an extensive piece of work, estimated to cost over \$200,000. I have been unable to go over the line of the street carefully, but the improvement is petitioned for by John B. Cadieux and eighteen others, although the petitioners appear to represent a comparatively small proportion of the frontage, the total number of feet of frontage set opposite their names being 788 feet, though six of the petitioners do not note the frontage owned by them.

The estimated amount of work involved is as follows:

44,400 cubic yards of excavation;

171,000 cubic yards of filling;

17,000 linear feet of curbing;

60,500 square feet of flagging;

33,700 square feet of bridgestone.

—with such rubble masonry for retaining walls, drain pipe and basins as are required.

The total estimated cost of the improvement is \$205,000, and the assessed valuation of the property within the probable area of assessment is given as \$1,117,975.

The Borough President also asks that title be vested in the City in order that the improvement be made. Inasmuch as it will probably require some months to prepare the plans and specifications for this work, it seems scarcely necessary that title shall vest in the City before December 1, or at such time to be determined later as the President of the Borough may be prepared to make a contract.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following communication from the President of the Borough of Brooklyn was presented:

THE CITY OF NEW YORK,
OFFICE OF THE PRESIDENT OF THE BOROUGH OF BROOKLYN,
BROOKLYN, July 30, 1903.

Board of Estimate and Apportionment, City Hall, New York City:

DEAR SIRS—A resolution is now pending before your Board which, I believe, will be acted upon at the meeting to be held to-morrow, July 31, 1903, authorizing the construction of a relief sewer in Porter avenue to connect at Flushing avenue with the existing Knickerbocker avenue sewer. It is proposed that the said relief sewer running through Porter avenue shall empty into the basin of the Newtown Creek canal. For that purpose it is necessary to acquire a strip of land lying between the said basin and Johnson avenue.

In pursuance of the provisions of section 396 of the amended Greater New York Charter, I hereby request your Honorable Board either to acquire title or to secure an easement, for the use of the public to a strip of land 35 feet in width, situated immediately north of the junction of Porter and Johnson avenues and opposite the centre line of Porter avenue, running in a straight line north in continuation of Porter avenue, from the junction of the said Porter and Johnson avenues to the Newtown Creek canal.

Yours very truly,

J. EDW. SWANSTROM, President, Borough of Brooklyn.

The following resolutions were then adopted:

Whereas, The President of the Borough of Brooklyn has requested the Board of Estimate and Apportionment to acquire, for the purpose of constructing an outlet to the relief sewer in Porter avenue, an easement in certain lands situated in the said Borough of Brooklyn, more particularly described below;

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 396 of the Greater New York Charter, hereby directs that The City of New York acquire an easement for the use of the public, for the purpose of constructing said outlet sewer, in the following described lands and premises, viz.:

A strip of land 35 feet in width, situated immediately north of the junction of Porter and Johnson avenues and opposite the centre line of Porter avenue, running in a straight line north in continuation of Porter avenue, from the junction of the said Porter and Johnson avenues to the Newtown Creek canal.

Resolved, That the Corporation Counsel be and he hereby is requested to institute a proceeding to acquire an easement for the use of the public in the lands and premises above described, required for the construction of an outlet sewer.

Resolved, That this Board at this time makes no determination as to what part, if any, of the cost of the improvement is to be borne by The City of New York, and what part, if any, is to be assessed upon the property benefited, reserving that question for future determination.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

IN THE BOARD OF ESTIMATE AND APPORTIONMENT.

A copy of a resolution of the Local Board of the Bushwick District, duly adopted by said Board on the 23d day of July, 1903, and approved by the President of the Borough of Brooklyn on the 24th day of July, 1903, having been transmitted to the Board of Estimate and Apportionment, as follows, to wit:

"Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

"To construct sewer in Flushing avenue, from Knickerbocker avenue to Porter avenue, and in Porter avenue, from Flushing avenue to basin of Newtown Creek canal, opposite Porter avenue, in the Borough of Brooklyn,"

—and there having been presented to said Board of Estimate and Apportionment an estimate in writing, in such detail as the Board has directed, that the cost of the proposed work or improvement will be the sum of \$40,000; and a statement of the assessed value, according to the last preceding tax roll, of the real estate included within the probable area of assessment, to wit, the sum of \$175,403,760, having also been presented, it is

Resolved, That the said resolution of the said Local Board be and the same hereby is approved, and the local improvement therein provided for is hereby authorized; and this Board does hereby determine that the entire cost and expense thereof shall be borne and paid by The City of New York.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

On motion of the President of the Borough of Brooklyn the following resolution was then adopted:

Whereas, The Board of Estimate and Apportionment adopted a resolution on July 31, 1903, directing The City of New York to acquire an easement for the use of the public, for the purpose of constructing an outlet sewer, in a strip of land 35 feet wide, situated immediately north of the junction of Porter and Johnson avenues, and running to the Newtown Creek canal, in the Borough of Brooklyn; and

Whereas, By the terms of said resolution the question as to what portion, if any, of the cost of said proceeding is to be borne and paid by The City of New York, and what portion, if any, of said cost and expense should be assessed upon the property benefited thereby, was reserved for future determination; now be it

Resolved, That the Board of Estimate and Apportionment of The City of New York hereby determines that the entire expense of the above-described proceeding shall be borne and paid by The City of New York.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

On motion of the President of the Borough of Brooklyn the following resolution was adopted:

Whereas, The Board of Estimate and Apportionment, on the 8th day of July, 1903, adopted a resolution for the construction of relief sewers in the Borough of Brooklyn, as follows, to wit:

1. Sewer west side of Fourth avenue, from Butler street to Degraw street; Degraw street, from Fourth avenue to Gowanus canal, with silt and trap basin at Degraw street and Gowanus canal.

2. Sewer in Fifth avenue, from Atlantic avenue to Dean street; Dean street, from Fifth avenue to Third avenue; Third avenue, between Dean and Baltic streets; Baltic street, from Third avenue to Nevins street; Nevins street, between Baltic and Butler streets; Butler street, north side, from Nevins street to Gowanus canal; Flatbush avenue, east and west sides, between Atlantic and Fifth avenues; Atlantic avenue, south side, between Flatbush and Fifth avenues.

3. Sewer in Evergreen avenue, between Halsey and Schaeffer streets.

4. Sewer from the basin of the Newtown Creek canal, between Meadow and Stagg streets, to Morgan avenue sewer,

—and

Whereas, The Board of Estimate and Apportionment made no determination as to what portion, if any, of the cost and expense was to be borne by The City of New York and what portion was to be assessed upon the property benefited;

Resolved, That the Board of Estimate and Apportionment of The City of New York hereby determines that the whole of such cost and expense shall be borne and paid by The City of New York.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

The following resolution of the Local Board of Chester, Borough of The Bronx, and report of the Chief Engineer were presented:

In Local Board of Chester, Twenty-fifth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the "City Record" that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is

Resolved, By the Local Board of Chester, Twenty-fifth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For constructing temporary sewers and appurtenances in
Bronx terrace, between Fifth street and Fourteenth street;
First street (avenue), between Fourteenth street and Becker avenue;
Marion street, between Twentieth street and DeMilt avenue;
Catharine street, between the summit north of Kossuth avenue and DeMilt avenue;
Mathilda street, between the summit north of Kossuth avenue and DeMilt avenue;
Fulton street, between the summit north of Westchester avenue and DeMilt avenue;
Pell place, between DeMilt avenue and Huguenot street;
Robertson place, between DeMilt avenue and Huguenot street;
Huguenot street, between White Plains road and Robertson place;
DeMilt avenue, between White Plains road and Marion street;
Becker avenue, between White Plains road and First street (avenue);
Westchester avenue, between Fulton street and First street (avenue);
Kossuth avenue, between Catherine street and First street (avenue);
Elizabeth street, between Catherine street and Marion street;
Twentieth street, between Catherine street and Marion street;
Nineteenth street, between Second avenue and First street (avenue);
—in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Chester, Twenty-fifth District, on the 19th day of March, 1903, Alderman Behrmann, Alderman Gass and the President of the Borough of The Bronx voting in favor thereof.

Attest: HENRY A. GUMBLETON, Secretary to Local Board of Chester, Twenty-fifth District.

Approved and certified this 21st day of March, 1903.

REPORT No. 1363.

July 23, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—The accompanying resolution of the Local Board of the Chester District, Borough of The Bronx, adopted on March 19, 1903, initiates proceedings for the construction of temporary sewers in the following named streets:

Bronx terrace, between Fifth street and Fourteenth street;
First street (avenue), between Fourteenth street and Becker avenue;
Marion street, between Twentieth street and De Milt avenue;
Catherine street, between the summit north of Kossuth avenue and De Milt avenue;
Mathilda street, between the summit north of Kossuth avenue and De Milt avenue;
Fulton street, between the summit north of Westchester avenue and De Milt avenue;

Pell place, between De Milt avenue and Huguenot street;
Robertson place, between De Milt avenue and Huguenot street;
Huguenot street, between White Plains road and Robertson place;
De Milt avenue, between White Plains road and Marion street;
Becker avenue, between White Plains road and First street (avenue);
Westchester avenue, between Fulton street and First street (avenue);
Kossuth avenue, between Catherine street and First street (avenue);
Elizabeth street, between Catherine street and Marion street;
Twentieth street, between Catherine street and First street (avenue), and
Nineteenth street, between Second street and First street (avenue).

The proposition to build these temporary sewers is referred to in a report under this date in connection with the reconstruction of temporary sewers in Flower street, Second avenue and Fifth street, and a question was raised in that report as to whether or not section 394 of the Charter was designed to provide for building temporary sewers on so extensive a scale, on the ground that it was done "to prevent damage to property, or to abate a nuisance."

The streets covered by the resolution under consideration were laid out by the old Village of Wakefield, and were cared for by the said village authorities. All of them are now in use and have every appearance of being dedicated streets, except First street (or avenue), between Nineteenth street and Becker avenue, which is grown up with bushes and grass and is practically impassable. Affidavits have been submitted to me by Judge William W. Fenfield, Mr. Charles J. Reinhardt, who was Commissioner of Highways of the Village of Wakefield before annexation, and Mr. John Harjers, who was Highway Commissioner for the Town of Eastchester, all of whom certify to the fact that First street was known as a public street of the Village of Wakefield, and was cared for as such, and that a franchise was given by the town authorities to the Eastchester Electric Company to erect poles and string wires on this street. The present condition of First street is such that it could not be presumed to be a public highway, but the affiants claim that this is because it has been neglected, although it was freely dedicated to public use and accepted by the former Town of Wakefield.

The temporary sewers which it is proposed to build are designed for a separate system; that is, for the accommodation of house drainage only, and not for surface water. Contract plans showing the sizes and the grades of the sewers are submitted with the resolution for approval by the Board if it should authorize their construction.

The estimated cost is nearly \$100,000, and while there is no question as to the present need of sewers in this neighborhood, the amount which it is proposed to expend is a very large one—too large if there is any doubt of the application of section 394 of the Charter to the conditions here existing.

The estimated amount of work involved is as follows:

8,520 linear feet of 18-inch pipe sewer;
150 linear feet of 15-inch pipe sewer;
14,300 linear feet of 12-inch pipe sewer;
210 manholes;
4 flush tanks.

The total estimated cost of the improvement is \$98,070, and the assessed value of the property within the probable area of assessment is \$409,513.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The President of the Borough of The Bronx made the following statement:

"The facts are, according to the requirements of the Charter, that this is absolutely necessary for the drainage of that territory and to prevent the nuisances that are now occurring there. There is no outlet for that section determined or determinable, according to the plans at present filed, which makes it impracticable to construct under the present plans; and in order to prevent nuisances now occurring, some sewerage is necessary."

The following resolution was then adopted:

IN THE BOARD OF ESTIMATE AND APPORTIONMENT.

Whereas, A copy of a resolution of the Local Board of the Chester District, duly adopted by said Board on the 19th day of March, 1903, and approved by the President of the Borough of The Bronx, on the 21st day of March, 1903, has been transmitted to the Board of Estimate and Apportionment as follows, to wit:

"Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

"For constructing temporary sewers and appurtenances in Bronx terrace, between Fifth street and Fourteenth street;
"First street (avenue), between Fourteenth street and Becker avenue;
"Marion street, between Twentieth street and De Milt avenue;
"Catherine street, between the summit north of Kossuth avenue and De Milt avenue;

"Mathilda street, between the summit north of Kossuth avenue and De Milt avenue;

"Fulton street, between the summit north of Westchester avenue and De Milt avenue;

"Pell place, between De Milt avenue and Huguenot street;

"Robertson place, between De Milt avenue and Huguenot street;

"Huguenot street, between White Plains road and Robertson place;

"De Milt avenue, between White Plains road and Marion street;

"Becker avenue, between White Plains road and First street (avenue);

"Westchester avenue, between Fulton street and First street (avenue);

"Kossuth avenue, between Catherine street and First street (avenue);

"Elizabeth street, between Catherine street and Marion street;

"Twentieth street, between Catherine street and First street (avenue), and

"Nineteenth street, between Second street and First street (avenue);

—in the Borough of The Bronx, City of New York"; and

Whereas, the President of the Borough of The Bronx has stated that it is necessary to construct such sewers for the purpose of preventing damage to property and to abate a nuisance, and that it is impracticable to proceed immediately with the construction of the same in accordance with any plan already adopted, and there having been presented to said Board of Estimate and Apportionment an estimate in writing in such detail as the Board has directed, that the cost of the proposed work or improvement will be the sum of \$98,070, and a statement of the assessed value, according to the last preceding tax roll, of the real estate included within the probable area of assessment, to wit, the sum of \$409,513, having also been presented, it is

Resolved, That the said resolution of the said Local Board be and the same hereby is approved, and the local improvement therein provided for is hereby authorized, and this Board does hereby determine that no portion of the cost and expense thereof shall be borne and paid by The City of New York, but that the whole of such cost and expense shall be assessed upon the property deemed to be benefited by the said local improvement.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

In view of the report of the Chief Engineer in regard to First street, on motion of the Comptroller, the following resolution was adopted:

Resolved, That the Borough President be requested, before doing any work on that street, to submit to the Corporation Counsel a statement of the facts, and secure his opinion as to whether to-day that is a public thoroughfare; and if it is not, that he commence opening proceedings.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

The following resolution of the Local Board of Chester, Borough of The Bronx, and report of the Chief Engineer were presented:

REPORT No. 1362.

July 23, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—The accompanying resolution of the Local Board of the Chester District, Borough of The Bronx, adopted on December 11, 1902, provides for the rebuilding of temporary sewers and appurtenances in

Flower street, between Pleasant and Second avenues;

Second avenue, between Flower and Fifteenth streets, and

Fifth street, between Second avenue and Bronx terrace.

The rebuilding of these sewers is recommended in a report by the Chief Engineer of the Borough, who states that, in view of certain extensions of the Williams-bridge sewer system and further extensions which are in contemplation, it will be necessary to take up and rebuild the existing sewers, increasing their size and improving their grades.

There is also before the Board a resolution of the Chester District providing for the building of temporary sewers in Bronx terrace and a number of other streets which will have their outlet through the sewers provided for in the accompanying resolution.

It will be noted that all of these sewers are described as "temporary," there being no final sewerage plan for this district, the street plan itself not yet having been finally determined.

The streets named were highways of the old village of Williamsbridge, and the fact that sewers have already been built in them would indicate that they were considered to be and probably are public streets, they being extensively used and well built up and the streets being lighted.

The territory is greatly in need of adequate sewers, and the only objection which can be raised to their authorization is that there is not a definite sewer plan and that they are called temporary sewers.

Section 394 of the Charter provides that:

"Whenever it shall be necessary to construct a sewer or drain for the purpose of preventing damage to property or to abate a nuisance, and it shall become impracticable to proceed immediately with the construction of the same in accordance with any plan already adopted, on the approval of the Board of Estimate and Apportionment the President of the Borough within which such necessity arises shall have power to construct a temporary sewer or drain in such manner as to avoid such damage or to abate such nuisance, and the cost of such temporary sewer or drain shall be assessed upon the property draining into the same and benefited thereby."

The Board has already authorized the construction of a number of sewers in the Borough of The Bronx as temporary sewers. The proposition now before the Board is the reconstruction of some old sewers as temporary sewers, and the contract plans showing sizes and grades of the proposed sewers are herewith submitted for the approval of the Board, as is also done in the case of the proposed sewers in Bronx terrace and other streets to which reference has already been made.

The estimated cost of the sewers provided for in the accompanying resolution is \$20,760, while the cost of the sewers in the Bronx terrace district is estimated to be \$98,070. It will be seen, therefore, that it is proposed to expend a large sum in the reconstruction of temporary sewers; and I feel some doubt as to whether section 394 of the Charter can properly be considered as giving authority for such extensive construction without the adoption of a final sewerage plan.

The estimated amount of work involved is as follows:

1,900 linear feet of 24-inch pipe sewer;

190 linear feet of 18-inch pipe sewer;

2,920 linear feet of 15-inch pipe sewer;

5 linear feet of 12-inch pipe sewer;

10 linear feet of 8-inch pipe sewer;

700 linear feet of 6-inch pipe sewer;

38 manholes.

The total estimated cost of the improvement is \$20,760, and the assessed valuation of the property to be benefited is \$1,309,000.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

IN THE BOARD OF ESTIMATE AND APPORTIONMENT.

A copy of a resolution of the Local Board of the Chester District, duly adopted by said Board on the 11th day of December, 1902, and approved by the President of the Borough of The Bronx on the 13th day of December, 1902, having been transmitted to the Board of Estimate and Apportionment, as follows, to wit:

"Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

"For the rebuilding of temporary sewers and appurtenances in Flower street, between Pleasant avenue and Second avenue; and in Second avenue, between Flower street and Fifteenth street, and in Fifth street, between Second street and Bronx terrace, in the Borough of The Bronx, City of New York,"

—and there having been presented to said Board of Estimate and Apportionment an estimate in writing, in such detail as the Board has directed, that the cost of the proposed work or improvement will be the sum of \$20,760, and a statement of the assessed value, according to the last preceding tax roll, of the real estate included within the probable area of assessment, to wit, the sum of \$1,309,000, having also been presented, it is

Resolved That the said resolution of the said Local Board be and the same hereby is approved, and the local improvement therein provided for is hereby authorized, and this Board does hereby determine that no portion of the cost and expense thereof shall be borne and paid by The City of New York, but that the whole of such cost and expense shall be assessed upon the property deemed to be benefited by the said local improvement.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

The following communication from the President of the Borough of The Bronx and report of the Chief Engineer were presented:

THE CITY OF NEW YORK,
OFFICE OF THE PRESIDENT OF THE BOROUGH OF THE BRONX,
MUNICIPAL BUILDING, CROTONA PARK, June 18, 1903.

Hon. SETH LOW, Mayor, Chairman, Board of Estimate and Apportionment:

DEAR SIR—In the matter of the proceeding for paving Jackson avenue, between One Hundred and Sixty-sixth street and Boston road, which was referred back to me at the meeting of the Board of Estimate and Apportionment held on the 12th instant, for amendment, by omitting the block between Home street and the Boston road, or to hold the resolution until the sewer had been constructed, I beg to say that I do not see any necessity for either amending the resolution or for holding it until the sewer has been constructed, because, as will appear from the accompanying sketch, the lots on the west side of Jackson avenue, between Home street and the Boston road, drain into the sewer in Boston road, and the corner plot on the easterly side drains into the Home street sewer, leaving only the three vacant lots on the north to be provided with a sewer.

A petition is now circulating among the property owners of this block for construction of this sewer, and will be presented before long to the Local Board of Morrisania for its action, and this being the case, it seems to me, therefore, under these circumstances, the proceeding for paving Jackson avenue, from One Hundred and Sixty-sixth street to Boston road, should receive the sanction of the Board of Estimate and Apportionment, and I respectfully request that such action be taken.

Yours truly,

LOUIS F. HAFFEN, President, Borough of The Bronx.

REPORT No. 1316.

July 23, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—At the meeting of the Board of Estimate and Apportionment, held on June 12, 1903, a report was submitted on the proposed paving of Jackson avenue, between East One Hundred and Sixty-sixth street and Boston road, and the matter was referred back to the President of the Borough of The Bronx for amendment by omitting the block between Home street and the Boston road, for the reason that no sewers had been constructed in that block.

Under date of June 18, 1903, the President of the Borough has addressed a letter to the Board stating that it is not necessary to omit this block, as no sewer will be required at any rate for many years to come, and he submits a diagram of the property showing that all of the lots except two will be provided with sewer connection in other streets. He says in this letter that a petition is now circulating among the property owners for the construction of a sewer, but this statement has been recently corrected by the President, who assures me that no proceedings will be instituted for the construction of a sewer.

Under the circumstances I beg to suggest that the resolution of the Local Board of April 30, 1903, providing for laying an asphalt pavement on Jackson avenue, between East One Hundred and Sixty-sixth street and Boston road, and for setting curb, be now approved.

The estimated amount of work involved is as follows:

2,520 square yards of asphalt pavement on a concrete foundation.

1,875 linear feet of old and new curbing.

The estimated cost of the improvement is \$9,000, and the assessed valuation of the property to be benefited is \$382,976.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

IN THE BOARD OF ESTIMATE AND APPORTIONMENT.

A copy of a resolution of the Local Board of the Morrisania District, duly adopted by said Board on the 30th day of April, 1903, and approved by the President of the Borough of The Bronx on the 6th day of May, 1903, having been transmitted to the Board of Estimate and Apportionment, as follows, to wit:

"Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

"For paving with asphalt on a concrete foundation Jackson avenue, from One Hundred and Sixty-sixth street to the Boston road, and setting curb where necessary, in the Borough of The Bronx, City of New York."

—and there having been presented to said Board of Estimate and Apportionment an estimate in writing, in such detail as the Board has directed, that the cost of the proposed work or improvement will be the sum of \$9,000, and a statement of the assessed value, according to the last preceding tax roll, of the real estate included within the probable area of assessment, to wit, the sum of \$382,976, having also been presented; it is

Resolved, That the said resolution of the said Local Board be and the same hereby is approved, and the local improvement therein provided for is hereby authorized; and this Board does hereby determine that no portion of the cost and expense thereof shall be borne and paid by The City of New York, but that the whole of such cost and expense shall be assessed upon the property deemed to be benefited by the said local improvement.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

The following resolutions of the Local Board of Morrisania, Borough of The Bronx, and report of the Chief Engineer were presented, and the matter was laid over:

In the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Resolved, That the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, City of New York, hereby rescinds the resolution adopted by said Board on the 16th day of April, 1903, initiating proceedings for "regulating and grading only, Hunt's Point road, from Southern Boulevard to the East river;" and be it further

Resolved, That the Secretary forward a new resolution for this work initiating proceedings as follows:

"That Hunt's Point road be regulated and graded only, for the full width of 100 feet, between the Southern Boulevard and Bryant street, and for a width of 80 feet, being 40 feet on each side of the centre line, between Bryant street and the East river."

Resolved, That a copy of this resolution be forwarded to the Board of Estimate and Apportionment.

I hereby certify that the foregoing is a true copy of a resolution adopted by the Local Board of Morrisania, Twenty-fourth District, at a meeting of said Board held June 29, 1903.

Attest: HENRY A. GUMBLETON, Secretary.

Approved.

LOUIS F. HAFFEN, President of the Borough of The Bronx.

Dated New York, July 2, 1903.

In the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the "City Record" that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is

Resolved, By the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For regulating and grading only, Hunt's Point road, for the full width of one hundred feet, between the Southern Boulevard and Bryant street, and for a width of eighty feet, being forty feet on each side of the centre line, between Bryant street and the East river, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Morrisania, Twenty-fourth District, on the 29th day of June, 1903, Alderman Harnischfeger, Alderman Leitner, Alderman Peck, Alderman Goldwater and the President of the Borough of The Bronx voting in favor thereof.

REPORT No. 1360.

July 23, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On April 16, 1903, the Local Board of the Morrisania District, Borough of The Bronx, adopted a resolution providing for regulating and grading Hunt's Point road from the Southern Boulevard to the East river. A report was submitted under date of May 21, 1903, calling attention to the fact that the report of the Chief Engineer of the Borough containing his estimate of quantities and cost, indicated clearly that it was proposed to grade the street for a width of 100 feet in excavation and for a width of only 60 feet in embankment, while the resolution described the work as regulating and grading, with no reference to the fact that it was proposed to fill in that part of the street below grade for only a portion of its width.

The Board accordingly, on June 12, 1903, referred the matter back to the Borough President, in order that the resolution might be made to conform with the improvement as outlined in the report of the Engineer. This has been done by the passage of a new resolution on June 29, which resolution provides for regulating and grading Hunt's Point road between the Southern Boulevard and the East river, for the full width of 100 feet, between Southern Boulevard and Bryant street, and for the width of 80 feet, being 40 feet on each side of the centre line, between Bryant street and the East river.

As was stated in the previous report, the street is about one and one-half miles long, is at present in use, the sewer has been built, and it is expected that the proposed improvement will stimulate the development of property in the neighborhood. There seems no reason, therefore, why the present resolution of the Local Board should not be approved.

The work to be done comprises 40,900 cubic yards of excavation; 129,500 cubic yards of embankment.

The total estimated cost of the improvement is \$70,000, and the assessed value of the property within the probable area of assessment is \$183,944.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution of the Local Board of Morrisania, Borough of The Bronx, and report of the Chief Engineer were presented, and the matter was referred back to the President of the Borough:

REPORT No. 1329.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on June 11, 1903, initiating proceedings for regulating, grading, curbing and flagging East One Hundred and Forty-sixth street, between Mott and Walton avenues, and for laying an asphalt pavement.

Title to this street was vested in the City on April 14, 1897. The property abutting on the block for which the improvement is proposed has been improved by the erection of two dwellings on the northerly side, while the southerly side is largely occupied by a public school building. The street is in use, but has not been graded. Gas main has been laid, but the water main and sewer are both lacking.

I would recommend that this resolution be returned to the President of the Borough of The Bronx, to be amended by the omission of the pavement, or to be withheld until after the subsurface improvements have been completed.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

REPORT No. 1332.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on June 11, 1903, initiating proceedings for laying an asphalt pavement on East One Hundred and Thirty-sixth street, between Brook and St. Ann's avenues, and for setting curb wherever necessary.

Title to this block was vested in the City under regular proceedings on August 6, 1895. The abutting property has been improved only at its intersection with St. Ann's avenue, where large apartment buildings have been erected. The street has been regulated, graded and curbed, sewer has been built, and the water mains have been laid.

I would recommend the authorization of the work proposed, with the understanding that the gas main now lacking be provided before it is undertaken.

The work to be done comprises

1,600 square yards of asphalt pavement,

1,020 linear feet of new and old curbing.

The estimated cost of the improvement is \$5,500, and the assessed valuation of the property to be benefited is \$256,500.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

IN THE BOARD OF ESTIMATE AND APPORTIONMENT.

A copy of a resolution of the Local Board of the Morrisania District, duly adopted by said Board on the 11th day of June, 1903, and approved by the President of the Borough of The Bronx on the 13th day of June, 1903, having been transmitted to the Board of Estimate and Apportionment, as follows, to wit:

"Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

"For paving with sheet asphalt on concrete East One Hundred and Thirty-sixth street, from Brook avenue to St. Ann's avenue, and setting curb where necessary, in the Borough of The Bronx, City of New York,"

—and there having been presented to said Board of Estimate and Apportionment an estimate in writing, in such detail as the Board has directed, that the cost of the proposed work or improvement will be the sum of \$5,500, and a statement of the assessed value, according to the last preceding tax roll, of the real estate included within the probable area of assessment, to wit, the sum of \$256,500, having also been presented, it is

Resolved, That the said resolution of the said Local Board be and the same hereby is approved, and the local improvement therein provided for is hereby authorized, and this Board does hereby determine that no portion of the cost and expense thereof shall be borne and paid by The City of New York, but that the whole of such cost and expense shall be assessed upon the property deemed to be benefited by the said local improvement.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on June 11, 1903, initiating proceedings for regulating, grading, curbing and flagging Suburban place, between Boston road and Crotona Park East.

Suburban place is a short street, having a length of one block and bordering Crotona Park on the east. Title to it was acquired under regular proceedings on July 6 1895. The roadway is in use, although but slightly shaped, and the abutting property is entirely unimproved.

The street is now used mainly as an outlet from Crotona Park East, where a few dwellings have been erected. The work now proposed is petitioned for by thirteen owners of property in the vicinity, and includes a considerable amount of frontage upon the street.

The approval of this resolution is recommended, the work to be done comprising the following:

3,900 cubic yards of earth and rock excavation.

530 linear feet of curbing.

2,250 square feet of flagging.

The estimated cost of construction is \$4,500, and the assessed valuation of the real estate to be benefited is \$55,480.

REPORT No. 1327.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on May 25, 1903, rescinding a resolution adopted by the same Local Board on January 31, 1903, providing for a granite block pavement on East One Hundred and Eighty-seventh street, between Webster avenue and the Southern Boulevard, and initiating proceedings for laying an asphalt pavement within the limits mentioned, together with the setting of curb where necessary.

The resolution now rescinded by the Local Board was approved by the Board of Estimate and Apportionment on March 6, 1903, and provided for a granite block pavement on a sand foundation. Under the resolution now offered it is proposed to lay a sheet asphalt pavement through those portions of East One Hundred and Eighty-seventh street where the grade is less than 2½ per cent., while, where the grade is steeper, block asphalt is to be used.

In my judgment, the change proposed is a very desirable one, and I would recommend that the resolution adopted by the Board of Estimate and Apportionment on March 6, 1903, be rescinded, and that the one now offered be approved.

The work proposed includes the following:

13,700 square yards of sheet asphalt pavement.

2,820 square yards of asphalt block pavement.

6,920 linear feet of new and old curb.

The estimated cost of construction is \$51,000, and the assessed valuation of the property to be benefited is \$446,010.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment on the 6th day of March, 1903, providing for paving with granite East One Hundred and Eighty-seventh street, from Webster avenue to the Southern Boulevard, in the Borough of The Bronx, be and the same hereby is rescinded.

REPORT No. 1359.

July 23, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On January 31, 1903, the Local Board of the Morrisania District, Borough of The Bronx, initiated proceedings for regulating and grading Mosholu parkway South, between Webster avenue and Jerome avenue.

A report was submitted to the Board of Estimate and Apportionment under date of February 21, and the matter was considered at the meeting of March 6, 1903, but, there being some doubt as to whether this street came under the jurisdiction of the Department of Parks or the Borough President, the matter was laid over.

I have had informal conferences with the representative of the Corporation Counsel, with the President of the Borough of The Bronx and with the Park Commissioner for the Borough of The Bronx, and it has been agreed that the President of the Borough should proceed with the improvement as soon as it is authorized by this Board. Favorable action upon the resolution is therefore recommended.

The estimated amount of work, as given in the previous report, is:

8,900 cubic yards of excavation;

33,100 cubic yards of filling;

7,180 linear feet of curbing;

28,300 square feet of flagging.

The estimated cost of the improvement is \$36,500, and the assessed valuation of the property to be benefited is \$152,935.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

LOUIS F. HAFFEN, President of the Borough of The Bronx.

In the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the "City Record" that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is Resolved, By the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For paving with granite blocks on a sand foundation One Hundred and Sixty-first street, between Ogden avenue and Summit avenue, and resetting old curbstone, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Morrisania, Twenty-fourth District, on the 29th day of June, 1903, Alderman Harnischfeger, Alderman Leitner, Alderman Peck, Alderman Goldwater and the President of the Borough of The Bronx voting in favor thereof.

Negative—None.

Approved and certified this 3d day of July, 1903.

LOUIS F. HAFFEN, President of the Borough of The Bronx.

REPORT No. 1326.

July 14, 1903.

Hon. SETH LOW, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Morrisania District, Borough of The Bronx, adopted on June 29, 1903, initiating proceedings for laying a granite block pavement on One Hundred and Sixty-first street, between Ogden and Summit avenues, and for resetting the old curbstone.

The regulating and grading of this block were authorized by the Board of Estimate and Apportionment on May 16, 1902. The sewer has been built, but the abutting property is unimproved, and water and gas mains have not been provided. The street has a very steep grade, making it difficult to keep in repair until after a pavement has been laid.

If arrangements can be made by which the lacking water and gas mains can be provided prior to undertaking the work proposed, the approval of this resolution is recommended.

The work to be done comprises

625 square yards of granite block pavement.

500 linear feet of old curbstone reset.

The estimated cost of construction is \$1,800, and the assessed valuation of the real estate to be benefited is \$77,420.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

IN THE BOARD OF ESTIMATE AND APPORTIONMENT.

A copy of a resolution of the Local Board of the Morrisania District, duly adopted by said Board on the 29th day of June, 1903, and approved by the President of the Borough of The Bronx on the 3d day of July, 1903, having been transmitted to the Board of Estimate and Apportionment, as follows, to wit:

"Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

"For paving with granite blocks on a sand foundation One Hundred and Sixty-first street, between Ogden avenue and Summit avenue, and resetting old curbstone, in the Borough of The Bronx, City of New York."

—and there having been presented to said Board of Estimate and Apportionment an estimate in writing, in such detail as the Board has directed, that the cost of the proposed work or improvement will be the sum of \$1,800, and a statement of the assessed value, according to the last preceding tax roll, of the real estate included within the probable area of assessment, to wit, the sum of \$77,420, having also been presented, it is

Resolved, That the said resolution of the said Local Board be and the same hereby is approved, and the local improvement therein provided for is hereby authorized, and this Board does hereby determine that no portion of the cost and expense thereof shall be borne and paid by The City of New York, but that the whole of such cost and expense shall be assessed upon the property deemed to be benefited by the said local improvement.

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

The Mayor moved that the Board adjourn, which motion was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Borough of Manhattan, President of the Borough of Brooklyn, President of the Borough of The Bronx, President of the Borough of Queens and the President of the Borough of Richmond—13.

J. W. STEVENSON, Secretary.

The Secretary presented the application of Miss Sara C. Higgins for the position of Telephone Operator and also her affidavit stating that her application for the position was mailed on Monday morning, August 27, 1903, at 8 a. m.

On motion, duly seconded, it was

Resolved, That the application be accepted.

An affidavit was read from Mary D. Mullins petitioning the Commission to permit her to enter the examination for the position of Telephone Operator and rate her papers in such examination. The Secretary reported that in the case of Mary D. Mullins a conditional notice had been issued, pursuant to the instructions of the Acting President.

On motion, duly seconded, it was

Resolved, That the action of the Acting President in issuing a conditional notice to Mary D. Mullins to appear for the examination be approved.

Commissioner Spencer stated that he had conferred with Commissioner Folks, of the Department of Public Charities, and had submitted a communication from Dr. Mabon, of Bellevue and Allied Hospitals, and recommended that the positions of nine Chief Trained Nurses in the Department of Public Charities and three Chief Trained Nurses in the Bellevue and Allied Hospitals be placed in the exempt class.

On motion, duly seconded, it was

Resolved, That the classification of offices and positions in the exempt class, Department of Public Charities, be amended by including therein the following:

Two Chief Trained Nurses, Metropolitan Training School.

One Chief Trained Nurse, New York City Home for Aged and Infirm.

Three Chief Trained Nurses, Children's Hospital and School.

One Chief Trained Nurse, Kings County Hospital.

One Chief Trained Nurse, Cumberland Street Hospital.

One Chief Trained Nurse, New York City Training School.

On motion, duly seconded, it was

Resolved, That the classification of offices and positions in the exempt class, Bellevue and Allied Hospitals, be amended by including therein the following:

One Chief Trained Nurse, Men's Ward for the Insane.

One Chief Trained Nurse, Women's Ward for the Insane.

One Chief Trained Nurse, Alcoholic Ward for Women.

The report of the Chief Examiner on examinations not completed was received and ordered filed.

The report of the Chief Examiner showing that during the month of August, 1903, there were thirteen mental competitive, one mental promotion and seven mental non-competitive examinations and that 951 candidates participated therein was received and ordered filed.

The report of the Chief Examiner was presented in the case of Miss M. W. De Hort, who had filed an application for the position of Attendant—Playground, accompanied by the application of Miss De Hort with evidence that the same had been filed by her prior to the date of closing and returned for correction.

On motion, duly seconded, it was

Resolved, That the application of Miss M. W. De Hort be accepted and filed.

The Chief Examiner presented a report relative to the assignment of persons as Superintendents of Sewerage Disposal and who were performing duties not appropriate to their titles. The report showed that the Superintendents of Sewerage Disposal Works, which were in charge of Mr. H. H. Habbell, were a Foreman of Laborers and a Foreman of Sewer Cleaners and two Enginemen.

On motion, duly seconded, it was

Resolved, That the Secretary be instructed to withhold the certification of the Commission to the payroll of Frank J. Linksweller, Foreman, and John F. Cronin, Foreman.

The Chief Examiner presented a report relating to the case of W. W. Graham, a Cashier employed in the Fire Department, who was alleged to be acting in the capacity of Contract Clerk and Purchasing Agent. Accompanying said report was the opinion that the Fire Commissioner was acting within his jurisdiction in assigning these duties to the Cashier of the Department.

On motion, duly seconded, it was

Resolved, That the payroll of W. W. Graham, Cashier in the Fire Department, be passed.

The President and Commissioner Banta reported in the matter of the employment of Assistant Gardeners and Laborers in the Park Department of The City of New York, which matter had been referred to said Committee at a previous meeting for investigation and report. The Committee reported that, in its opinion, the duties as described by the Park Department and as performed under the title of Assistant Gardener or Mower were duties properly belonging under these titles, and therefore recommended that the reports of the Park Department be approved and the payrolls of the persons named passed.

On motion, duly seconded, the recommendation of the Committee was adopted.

A communication was read from the Law Department relative to the case of one Guttenburg against the Municipal Civil Service Commission, in which case it was requested that the Law Department take an appeal from the peremptory writ of mandamus directing this Commission to publish in the "City Record" the names of all persons applying for the position of Patrolman. The Corporation Counsel advises the Commission that an appeal cannot now be taken, the time for such action having expired in June.

On motion, the letter was ordered filed.

A communication was presented from the Department of Water Supply, Gas and Electricity requesting this Commission to pass the payroll of John P. Reynolds, a temporary Mechanical Draughtsman, pending the preparation of an eligible list for that position.

On motion, duly seconded, it was

Resolved, That the request of the Department of Water Supply, Gas and Electricity be granted and that the Secretary be instructed to pass the payroll of John P. Reynolds, temporary Mechanical Draughtsman, for services rendered.

A letter was presented from the Department of Parks, Borough of Brooklyn, relative to the case of Michael Kenney, whose payroll had been held by this Commission pending investigation. It was shown by the report of Commissioner Young that the primary duties of this person were those of a Gardener, which title he held, and that his assignments to perform other duty, that of Engineman, were only occasional and temporary. The Secretary stated that he had been authorized by the President and Commissioner Banta to attach the certificate of the Commission to the payroll of Michael Kenney for services rendered.

On motion, duly seconded, the action of the President and Commissioner Banta was duly ratified.

A letter was presented from the State Civil Service Commission relative to our communication of the 5th instant concerning appointments under paragraph 4, Rule 7. The communication was ordered filed.

A communication was read from the Department of Water Supply, Gas and Electricity, transmitting the affidavit of William H. Swain making request that his name be restored to the eligible list for Junior Clerk.

On motion, duly seconded, the matter was laid over for further investigation and report, and the Secretary was instructed to inform William H. Swain to present a doctor's certificate as to his physical inability to perform the duties of the position offered to him in August, 1902.

A communication was read from the Department of Correction relative to the assignment of mechanics to perform the duties of Keepers. It was shown by the communication of the Department of Correction that it had been the practice for years to employ mechanics in teaching prisoners the various trades, and that while so teaching they had been deputized as Keepers and that this method has been continued in the Department since the labors of the prisoners have been utilized and that it would be impossible to continue the prison industries under any other system. The communication was ordered filed.

Communications were received from the Department of Health, Department of Correction and Bellevue and Allied Hospitals transmitting reports of the examinations of persons appointed to position included in the non-competitive class.

On motion, duly seconded, the reports were accepted and ordered filed.

A communication was presented from the Police Department relative to the eligibility of Roundsmen William J. McCluskey, James J. Cullen and Edward McDonald for promotion to the position of Sergeant. The communication was referred to the Chief Examiner for investigation and report.

A letter was read from the Police Department as to why certain persons certified for appointment to the position of Patrolman were rejected by the Board of Surgeons of the Police Department, showing the particulars in each case of rejection.

On motion, duly seconded, it was

Resolved, That the Secretary be instructed to order re-examination of the persons, physically rejected by the Police Surgeons.

A communication was read from James Burns requesting that his application for Patrolman be accepted for the examination for the position of Police Doorman.

On motion, duly seconded, it was

Resolved, That the application of James Burns for the position of Patrolman be accepted for the examination for the position of Police Doorman.

A communication was presented from John F. Walsh requesting that his name be restored to the eligible list for Gardener on the ground that when he refused the position of Gardener he did so for the reason that the employment was in the Borough of Richmond and that he was residing in the Borough of Manhattan.

On motion, duly seconded, it was

Resolved, That the request of John F. Walsh that his name be restored to the eligible list for the position of Gardener be granted.

A communication was presented from the Rev. J. S. Loewy requesting that his name be restored to the eligible list for the position of Interpreter on the ground that he had declined the position with the understanding that such declination would not take his name from the eligible list.

On motion, duly seconded, it was

Resolved, That the request of the Rev. J. S. Loewy that his name be restored to the eligible list for the position of Interpreter be granted.

A communication was presented from John O'Brien requesting that his name be restored to the eligible list for the position of Inspector of Regulating, Grading and Paving, on the ground that he was employed at the time he declined the position as a Foreman of Laborers in the Department of Highways, Borough of Brooklyn, and that he desired his name to remain upon the eligible list in order that he might accept a position in the borough in which he resided.

On motion, duly seconded, it was

Resolved, That the request of John O'Brien that his name be restored to the eligible list for the position of Inspector of Regulating, Grading and Paving, be granted.

A communication was presented from F. B. Pierce, requesting the Commission to grant him a thirty-day waiver of appointment. This request was accompanied by a doctor's certificate showing that he was physically incapacitated for accepting the position.

On motion, duly seconded, the request was granted.

A letter was presented from the Engineers' Association of the New York Fire Department requesting that they be granted concessions in the matter of rating for record, owing to the fact that their being compelled to remain on duty at their engines prevents their performing deeds of conspicuous bravery and thus obtaining high marks on record.

On motion, duly seconded, the request was denied.

Commissioner Spencer recommended that the request of the Department of Bridges that the title of Riveter be included in Schedule G (labor class) be granted. This request has also received the approval of a former Commissioner, Mr. William A. Perrine.

On motion, duly seconded, it was

Resolved, That the classification of positions in the labor class be amended by including therein the following:

Riveter.

The Commission then adjourned to meet at 3 p. m. Wednesday, September 16, 1903.

"Resolved, That the Local Board of the Flatbush District, Borough of Brooklyn, after hearing had this 22d day of December, 1902, hereby determines to initiate proceedings to grade and pave Clarendon road with asphalt pavement, between Nostrand avenue and New York avenue, in the Borough of Brooklyn, and to set or reset cement curb, and pave sidewalks of said street with cement where not already done.

"Resolved, That this resolution be forwarded to the Board of Estimate and Apportionment for its approval."

Resolved, That this resolution be forwarded to the Board of Estimate and Apportionment for its approval.

Which was decided in the affirmative by the following vote:

Affirmative—Commissioner Redfield and Alderman McInnes.

Approved by the President of the Borough September 11, 1903.

No. 192.

Following report from the Superintendent of Sewers:

(Copy.)

September 15, 1903.

Hon. WILLIAM C. REDFIELD, Commissioner of Public Works:

Dear Sir—I herewith return a communication, which has been referred to me, the same being from the Secretary to the Local Boards, addressed to you under date of September 11, 1903, relating to the construction of a sewer in

Malbone street, between New York and Brooklyn avenues, with necessary outlets therefor.

It appears that it is desired to amend the resolution for the above matter, due to the anticipated change of the lines in Malbone street, which has been delayed, owing to the impossibility to obtain the appointment of Commissioners for some months to come. It is therefore desired that the Malbone street portion be omitted from the resolution, but that the necessary outlets therefor should be authorized and hastened to completion.

I therefore give estimate of cost for the construction of sewers in Nostrand avenue, between Midwood and Hawthorne streets; Hawthorne street, between Nostrand and New York avenues; New York avenue, between Hawthorne and Martense streets; Martense street, between New York and Bedford avenues;—which is \$78,000, respectfully stating that the assessed valuation of the real estate within the probable area of assessment is the same as before reported upon under date of September 10, 1902, viz.: \$3,894,130.

The items of work necessary are:

1,725 feet 66-inch brick sewer.

4,380 feet 60-inch brick sewer.

260 feet 54-inch brick sewer.

41 manholes.

22 receiving basins and appurtenances.

Respectfully yours,

(Signed) JOHN THATCHER, Superintendent of Sewers.

The following resolution was offered:

BOROUGH OF BROOKLYN.

LOCAL BOARD—THE HEIGHTS DISTRICT.

Monday, September 21, 1903.

Meeting in Borough Hall at 2 p. m.

The roll was called and the following members answered to their names:

William C. Redfield, Commissioner of Public Works, presiding; Alderman Downing, Forty-fifth Aldermanic District.

The Commissioner submitted the following:

No. 17.

Petition to alter the map or plan of The City of New York by widening Court street, from Livingston street to Fulton street, by adding fifteen feet to the easterly side thereof so as to make a street ninety (90) feet in width.

Postponed to Thursday, November 19, 1903, at 2 p. m.

No. 18.

Petition to widen the sidewalk on Macomber place, between Fulton street and De Kalb avenue, three (3) feet.

Following report from the Engineer of the Bureau of Highways:

City of New York, Borough of Brooklyn, Office of Commissioner of Public Works, Bureau of Highways, Chief Engineer's Office,

July 31, 1903.

OTTO KEMPNER, Esq., Acting Commissioner of Public Works, Borough of Brooklyn:

Dear Sir—I return you herewith petition for widening the sidewalk on

Macomber place, between Fulton street and DeKalb avenue, three feet.

In reply to this, I would say that this requires no action by the Local Board. I think under the law passed last winter that it only requires action by the Board of Estimate and Apportionment. The matter, therefore, should be sent to them, asking that the proper action be taken. I see no reason why the prayer of the petitioners should not be granted.

Respectfully,

(Signed) GEO. W. TILLSON, Chief Engineer.

The following resolution was offered:

Resolved, That the Local Board of the Heights District, Borough of Brooklyn, after hearing, had this 21st day of September, 1903, hereby recommends that the following form of ordinance be approved and transmitted to the Board of Aldermen for consideration.

AN ORDINANCE in relation to the width of the roadway and sidewalks of Macomber place, between Fulton street and DeKalb avenue, in the Borough of Brooklyn, City of New York.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The roadway of Macomber place, between Fulton street and DeKalb avenue, in the Borough of Brooklyn, is hereby reduced in width three (3) feet, and the sidewalks of said street are hereby increased three (3) feet.

Sec. 2. This ordinance shall take effect immediately.

MUNICIPAL CIVIL SERVICE COMMISSION.

MUNICIPAL CIVIL SERVICE COMMISSION, 61 ELM STREET, CITY OF NEW YORK.

PUBLIC NOTICE WILL BE GIVEN OF ALL competitive examinations two weeks in advance of the date upon which the receipt of applications for any scheduled examination will close. Applications will be received for only such examinations as are scheduled.

When an examination is advertised, a person desiring to compete in the same may obtain an application blank upon request made in writing, or by personal application at the office of the Commission.

All notices of examinations will be posted in the office of the Commission, City Hall, Municipal Building, Brooklyn, and advertised in the "City Record" for two weeks in advance of the date upon which the receipt of applications will close for any stated position.

Public notice will also be given by advertisement in most of the City papers.

Wherever an examination is of a technical character, due notice is given by advertisement in the technical journals appertaining to the particular profession for which the examination is called.

Such notices will be sent to the daily papers as matters of news, and to the General Postoffice and stations thereof. The scope of the examination will be stated, but for more general information application should be made at the office of the Commission.

Unless otherwise specifically stated the minimum age requirement for all positions is 21.

S. WILLIAM BRISCOE, Secretary.

PUBLIC NOTICE IS HEREBY GIVEN

that open competitive examinations will be held for the following positions:

NOTICE OF ASSESSMENTS FOR OPENING STREETS AND PARKS.

IN PURSUANCE OF SECTION 1005 OF THE Greater New York Charter, the Comptroller of the City of New York hereby gives public notice of the confirmation by the Supreme Court and the entering in the Bureau for the Collection of Assessments and Arrears, of the assessment

for OPENING AND ACQUIRING TITLE to the following-named street in the BOROUGH OF MANHATTAN:

TWELFTH WARD, SECTION 8.

WEST ONE HUNDRED AND SEVENTY-SECOND STREET—OPENING. from Amsterdam avenue to Fort Washington avenue. Confirmed April 6, 1903; entered September 28, 1903. Area of assessment includes all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of Manhattan, in the City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at the point of intersection of the middle line of the blocks between West One Hundred and Seventy-first street and West One Hundred and Seventy-second street with the middle line of the blocks between Fort Washington avenue and Haven avenue; running thence northerly along said middle line to a point in the northerly line of West One Hundred and Seventy-first street; thence northerly to a point midway between Fort Washington avenue and Haven avenue on the westerly prolongation of the center line of West One Hundred and Seventy-second street; thence northerly to a point midway between Fort Washington avenue and Haven avenue on the westerly prolongation of the middle line of the block between West One Hundred and Seventy-third street and West One Hundred and Seventy-fourth street; thence easterly along said prolongation and middle line to its intersection with the middle line of the blocks between Eleventh avenue and Audubon avenue; thence southerly along said middle line to the southerly line of West One Hundred and Seventy-third street; thence easterly along said southerly line and its easterly prolongation to an intersection with a line drawn parallel to and distant 100 feet easterly from the easterly line of Amsterdam avenue; thence southerly along said parallel line to its intersection with the easterly prolongation of the northerly line of West One Hundred and Seventy-first street; thence westerly along said prolongation and line to an intersection with the middle line of the blocks between Audubon avenue and Eleventh avenue; thence southerly along said middle line to its intersection with the middle line of the blocks between West One Hundred and Seventy-first street and West One Hundred and Seventy-second street; thence westerly along said middle line to the point or place of beginning.

The above-entitled assessment was entered on the date hereinafter given in the Record of Titles of Assessments, kept in the Bureau for the Collection of Assessments, and Arrears of Taxes and Assessments and of Water Rents, Room No. 85, No. 280 Broadway, Borough of Manhattan, between the hours of 9 a. m. and 2 p. m., and on Saturdays from 9 a. m. to 12 m., and all payments made thereon on or before November 27, 1903, will be exempt from interest, as above provided, and after that date will be subject to a charge of interest at the rate of seven per centum per annum from the date when such assessment became a lien, as provided by section 159 of this act.

Said section provides that "If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said Record of Titles of Assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment to charge, collect and receive interest thereon at the rate of seven per centum per annum, to be calculated to the date of payment from the date when such assessment became a lien, as provided by section 159 of this act."

Section 159 of this act provides "An assessment shall become a lien upon the real estate affected thereby ten days after its entry in the said record."

The above assessment is payable to the Collector of Assessments and Arrears, at the Bureau for the Collection of Assessments, and Arrears of Taxes and Assessments and of Water Rents, Room No. 85, No. 280 Broadway, Borough of Manhattan, between the hours of 9 a. m. and 2 p. m., and on Saturdays from 9 a. m. to 12 m., and all payments made thereon on or before November 27, 1903, will be exempt from interest, as above provided, and after that date will be subject to a charge of interest at the rate of seven per centum per annum from the date when above assessment became a lien to the date of payment.

NOTICE TO TAXPAYERS.

DEPARTMENT OF FINANCE, BUREAU FOR THE COLLECTION OF TAXES, NEW YORK, September 1, 1903.

TAXPAYERS WHO DESIRE TO OBTAIN their bills promptly should make immediate written requisition (blanks may be procured in the borough offices), stating their property by Section or Ward, Block and Lot or Map number, making copy of same from their bills of last year.

If a taxpayer is assessed for personal tax, the requisition should also request bill for such tax.

Each requisition should be accompanied by an envelope bearing the proper address of the applicant, AND WITH RETURN POSTAGE PREPAID.

In case of any doubt in regard to Ward, Section, Block or Lot number, taxpayers should take their deeds to the Department of Taxes and Assessments and have their property located on the maps of that Department and forward to the Deputy Receiver of Taxes with the requisition a certified memorandum of their property, which will be furnished by the Department of Taxes and Assessments.

Taxpayers in this manner will receive their bills returned by mail at the earliest possible moment and avoid any delay caused by waiting on lines, and is required in case of personal application.

The requisition must be addressed and mailed to the Deputy Receiver of Taxes in whichever borough the property is located, as follows:

JOHN J. McDONOUGH, No. 57 Chambers street, Borough of Manhattan, New York.

JOHN B. UNDERHILL, corner Third and Tremont avenues, Borough of The Bronx, New York.

JACOB S. VAN WYCK, Municipal Building, Borough of Brooklyn, New York.

FREDERICK W. BLECKWENN, corner Jackson avenue and Fifth street, Long Island City, Borough of Queens, New York.

JOHN DE MORGAN, Bay and Sand streets, Stapleton, Staten Island, Borough of Richmond, New York.

After receiving the bills, the taxpayer will see that they are properly rebated, then draw check for the net amount to the order of the Receiver of Taxes and mail bill and check, with an addressed envelope, with the return postage prepaid, to the Deputy Receiver in whichever borough the property is located.

All bills paid during October must be rebated before payment.

DAVID E. AUSTEN, Receiver of Taxes.

OFFICE OF THE DEPARTMENT OF DOCKS AND FERRIES, PIER "A," FOOT OF BATTERY PLACE, NORTH RIVER, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SALE OF BATHING PRIVILEGE.

CHARLES A. BERRIAN, AUCTIONEER, will sell at public auction, on behalf of The City of New York, acting by the Commissioner of Docks, at Pier "A," Battery place, in The City of New York, on Wednesday, September 30, 1903, at 12 o'clock noon, for a term of five (5) years, from October 1, 1903, at an upset price of three hundred dollars (\$300) per annum, a lease of the following described land under water:

Beginning at a point where the northerly side of Dyckman street intersects the established pierhead line; thence running southerly along said pierhead line a distance of about 167 feet to a point where said pierhead line intersects the northerly line extended of the land under water granted to Julia B. Hinchman, dated May 31, 1870; thence about easterly along the northerly line of said grant a distance of about 90 feet to a point on the prolongation of the line of mean high water from about the centre of street northerly; thence northerly along the said prolongation of the high-water line and along the high-water line a distance of about 130 feet to the intersection of said line of high water with the northerly side of Dyckman street; thence northwesterly along the northerly line of Dyckman street about 110 feet to the point or place of beginning.

The lessee shall have the right to erect and maintain upon the above-described premises, during the term of said lease, the necessary bath houses, floats and other structures required in and for the purpose of carrying on the bathing business, which said structures shall be erected under the direction and supervision of the Engineer-in-Chief of the Department of Docks and Ferries and in accordance with plans and specifications to be submitted to and approved by him.

The lessee shall have the privilege of one renewal of said lease for a further term of five years at an increased rental of 10 per cent. per annum.

TERMS AND CONDITIONS OF SALE.

The premises must be taken in the condition in which they may be at the commencement of the term of the lease, and no claim or demand that the premises or property are not in a suitable and tenable condition at the commencement of the term will be allowed by the Commissioner of Docks.

Any repairs, maintaining or rebuilding required or necessary to be done to or upon premises, or any part thereof, or the structures erected thereon during the continuance of the term of the lease shall be done by and at the cost and expense of the lessee.

No claim or demand will be considered or allowed by the Commissioner of Docks for any loss resulting from or occasioned by any delay on account of or by reason of the premises, or any part thereof, being occupied for or on account of any repairs, rebuilding or dredging.

The upset price of the lease of the premises offered for sale will be announced by the auctioneer at the time of sale (viz., \$300 per annum).

The lessee will be required at all times during the term of the lease to keep the slips adjacent to the said land under water, or structures erected thereon, well and sufficiently dredged.

The term of the lease is to commence October 1, 1903, and the rent therefor will be payable from that date.

A purchaser of the lease will be required at the time of the sale to pay, in addition to the auctioneer's fees, to the Commissioner of Docks, twenty-five per cent. (25%) of the amount of the annual rent, as security for the execution of the lease, which twenty-five per cent. (25%) will be applied to the payment of the rent first accruing under the lease when executed, or will be forfeited to The City of New York if the purchaser neglects or refuses to execute the lease with good and sufficient surety, to be approved by the Commissioner of Docks, within ten (10) days after being notified that the lease is prepared and ready for execution at the office of the Commissioner of Docks, Pier "A," North river, Battery place.

The Commissioner of Docks expressly reserves the right to resell the lease of the premises bid on by any one failing, refusing or neglecting to comply with these terms and conditions, the party or parties so failing, refusing or neglecting to be liable to The City of New York for any deficiency resulting from or occasioned by such resale.

The lessee will be required to pay the rent quarterly, in advance.

The lessee will be required, under the lease, to enter into a bond or obligation, jointly and severally, with good and sufficient surety, to be

approved by the Commissioner of Docks, in a sum double the annual rent for the faithful performance of the terms and conditions of the lease, the surety to be subject to the approval of the Commissioner of Docks. The purchaser will be required to agree that he will, upon ten (10) days' notice so to do, execute a lease, with sufficient surety as aforesaid, in the form now used by the Commissioner of Docks, a copy of which may be seen and examined upon application to the Secretary at the office of the Department of Docks and Ferries, Pier "A," North river, Battery place.

If the Commissioner of Docks requires at any time any of the said land under water for the purpose of building and constructing wharves, piers, bulkheads, facings, docks or slips, or either of them, according to and under the new plan, then, and in that case, on notice given by said Commissioner to the lessee, the said lease shall immediately terminate and be of no effect, and the said land under water be returned to the exclusive control and uses of The City of New York, as more particularly set forth in the form of lease above referred to.

No person will be received as a lessee or surety who is delinquent on any former lease from the Commissioner of Docks or The City of New York, and no bid will be received from any person who is in arrears to the Commissioner of Docks or The City of New York upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the Commissioner of Docks, or his predecessors, or to the Corporation of The City of New York.

The right to reject all bids is reserved if deemed by the Commissioner of Docks to be for the best interests of The City of New York so to do.

The auctioneer's fees, twenty-five dollars (\$25), must be paid by the purchaser at the time of sale.

Dated New York, July 17, 1903.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the City of New York, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be included in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
