**STATEMENT OF BASIS AND PURPOSE**

The Street Activity Permit Office (SAPO) is charged with the administration of the permit system for street festivals, block parties, religious events, clean-ups, greenmarkets, promotional events and other events that take place on the City's streets and sidewalks. The proposed amendments make the following changes to the rules:

- They reflect organizational changes at SAPO in accordance with Executive Order 105, which shifted SAPO from the Community Assistance Unit to the

Office of Citywide Event Coordination and Management.

- They reflect operational enhancements at SAPO including but not limited to the E-Apply system launched in December 2009, which allows applicants to apply for SAPO permits online, pay for the processing fee by credit card, and view their application status in real-time. These enhancements also facilitate inter-agency coordination of applications upon submission.
- They update the fee schedule for events to account for administrative and manpower costs incurred by City agencies to review, evaluate, and approve or deny an application, as well as provide oversight and security for an event, at agencies including CECM, SAPO, Police Department, Fire Department, Department of Transportation and Department of Buildings.
- They clarify definitions of terms that are referenced within the rules to ensure that applicants can more easily understand and interpret the SAPO rules, e.g., clarify how fees are based, among other things, on the size of the event and on whether the event qualifies as a charitable or civic event.

**NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS**

Pursuant to Section 1-14(f) of the Concession Rules of the City of New York, the Department of Citywide Administrative Services (DCAS) intends to enter into negotiations with Riverside Machinery Co., Inc. (Riverside Machinery) to utilize approximately 4,040 square feet of waterfront property. This property is an unimproved upland portion of Block 803 Part of Lot 5, located on the south side of 52nd Street, approximately 384 feet west of the south west corner of First Avenue and 52nd Street, Borough of Brooklyn.

The property will be utilized pursuant to an occupancy permit issued by DCAS; no leasehold or other proprietary right is offered. The term is for one (1) year, with two (2) one year renewal options, exercisable at the City's sole discretion. The concession term will commence on approximately February 1, 2012. DCAS projects approximately \$15,000 in annual concession revenue to the City.

DCAS has determined that it is not in the best interest of the City to award this concession pursuant to a competitive process because of the unique location of the property, which is adjacent to property privately owned and utilized by Riverside Machinery. The occupancy permit will authorize Riverside Machinery to continue to use this property for the purpose of accessory business parking.

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Questions regarding instructions and information for potential concessionaires concerning how they may express interest in the proposed concession and/or how they may obtain additional information concerning the proposed concession should be directed to Shelley Goldman, Deputy Assistant Commissioner, Property Management & Leasing, Real Estate Services, at (212) 669-4019, or via email at [sgoldman@dcas.nyc.gov](mailto:sgoldman@dcas.nyc.gov). To ensure the consideration by DCAS of any "expressions of interest" resulting from this notification, please contact Ms. Goldman by November 17, 2011. DCAS will evaluate any proposals received in response to this solicitation on the basis of the fee offered and the intended use of the concession property by the proposed concessionaire. Where applicable, DCAS may condition the award of this concession upon the successful completion of VENDEX Questionnaires (Vendor and Principal Questionnaires) and review of that information by the Department of Investigation.

Pursuant to Local Law 34 of 2007, amending the City's Campaign Finance Law, the City is required to establish a computerized database containing the names of any "person" that has "business dealings with the city" as such terms are defined in the Local Law. In order for the City to obtain necessary information to establish the required database, potential concessionaires responding to this Notice are required to complete the attached Doing Business Data Form and return it with their proposal and should do so in a separate envelope. (If the potential concessionaire is a proposed joint venture, the entities that comprise the proposed joint venture must each complete a Data Form.) If the City determines that a potential concessionaire has failed to submit a Data Form or has submitted a Data Form that is not complete, the potential concessionaire will be notified by the agency and will be given four (4) calendar days from receipt of notification to cure the specified deficiencies and return a complete Data Form to the agency. Failure to do so will result in a determination that the proposal is non-responsive. Receipt of notification is defined as the day notice is e-mailed or faxed (if the potential concessionaire has provided an e-mail address or fax number), or no later than five (5) days from the date of mailing or upon delivery, if delivered.

This concession is subject to applicable provisions of Federal, State, and Local laws and executive orders requiring affirmative action and equal employment opportunity. Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.

Pursuant to Section 1-14(f) of the Concession Rules of the City of New York, the Department of Citywide Administrative Services (DCAS) intends to enter into negotiations with Williamsburg Yacht Club (Williamsburg) to utilize approximately 3,987 square feet of waterfront property. This property is known as Block 4346, Part of Lot 200, in the Borough of Queens, described as Parcel A:

■ n1

Located on the south side of 29th Avenue, approximately 184 feet west of the S/W/C of 119th Street and 29th Avenue, and Parcel B: Located at a point approximately 100 feet west and 71 feet south of the S/W/C of 29th Avenue and 119th Street, identified as Block 4346 Part of Lot 200.

The term is for three (3) years, and will commence on approximately February 1, 2012 and end on January 31, 2015. DCAS projects approximately \$9,240 in annual concession revenue to the City.

DCAS has determined that it is not in the best interest of the City to award this concession pursuant to a competitive process because of the unique location of the property, which is adjacent to property privately owned and utilized by Williamsburg and a portion of Williamsburg's clubhouse extends over the City-owned property. The occupancy permit will authorize Williamsburg to continue to use this property for no other purpose than land upon which a portion of the Williamsburg clubhouse is situated and for the storage of boats and related use in conjunction with the yacht club.
