COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund at a Meeting held at the Mayor's Office at 1 o'clock P. M. on Monday, October 26, 1891.

Present—Hugh J. Grant, Mayor; Frederick Smyth, Recorder; Theodore W. Myers, Comptroller; Thomas C. T. Crain, Chamberlain; and Nicholas T. Brown, Chairman Committee on Finance, Board of Aldermen.

The reading of the minutes of the meeting held October 23, 1891, was dispensed with.

The matter of the purchase of water-rights, etc., between Fifty-fourth and Fifty-fifth streets, North river, from Hopper S. Mott and Alexander H. Mott, was considered.

J. Sergeant Cram, Esq., Commissioner of Docks, stated that the Board of Docks had passed resolutions on October 23, 1891, modifying the terms of the original agreement to comply with the preamble and resolutions of the Commissioners of the Sinking Fund, adopted October 23, 1891.

Whereupon the Comptroller offered the following:

Whereas, An action was commenced on or about the seventeenth day of September, one thousand eight hundred and eighty-eight, in the Supreme Court, in which the Mayor, Aldermen and Commonalty of the City of New York were plaintiffs, and Hopper S. Mott, Alexander H. Mott, Thomas Stokes, Robert Thedford, Ruth A. Wallace and David Wallace were defendants, to recover possession of the following premises in the City of New York, described in the complaint in said action, as follows:

Beginning at the southeasterly corner of the premises described in a grant from the Mayor, Aldermen and Commonalty of the City of New York to the Western Union Telegraph Company, dated May fifteenth, one thousand eight hundred and sixty-eight, which point is distant five hundred and sixty-six feet and nine inches westerly from the westerly line of Eleventh avenue, and fifteen feet three inches southerly from the southerly line of Fifty-fifth street, and is on the line of original high water; running thence westerly two hundred and sixty-one feet four inches, more or less, to the westerly side of the wharf or bulkhead on the North or Hudson river, as now existing; running thence southerly along the westerly side of the said wharf or bulkhead, as now existing, one hundred and fourteen feet seven inches; running thence easterly along the fence one hundred and fifty feet four inches; running thence southeasterly about three feet to the line of original high water, as shown on the map commonly known as Randel's map; running thence along the line of original high water as shown on the said map easterly, northeasterly and northerly to the point or place of beginning; and

Whereas, Issue was joined in said action by the service of an answer on the twenty-fourth day of December, one thousand eight hundred and eighty-eight, wherein and whereby the defendants denied the title of the Mayor, Aldermen and Commonalty of the City of New York and set up as a defense to said action a title obtained by adverse possession in and to said premises; and

Whereas, On or about the twenty-first day of February, one thousand eight hundred and eighty-nine, said action came on for trial before Mr. Justice Andrews, in the Supreme Court of the State of New York and resulted in a disagreement of the jury; and

Whereas, On and about the thirteenth day of May, one thousand eight hundred and ninety, the issues in said action again came on for trial before Mr. Justice O'Brien and a jury and resulted in a verdict for the defendants, upon which a judgment was entered on the twenty-eighth day of May, one thousand eight hundred and ninety, against the plaintiffs in said action, awarding to the defendants Hopper S. Mott and Alexander H. Mott the title in fee to the premises between Fifty-fourth and Fifty-fifth streets, on the North or Hudson river, described in said complaint, together with the appurtenances and hereditaments thereunto belonging or in any wise appertaining, and all rights of cramage and wharfage, advantages or emoluments in said bulkhead, together with the costs and disbursements, amounting to the sum of one thousand three hundred and fifty-seven dollars and eighty-two cents; and

Whereas, On or about the fourteenth day of June, one thousand eight hundred and ninety, the said Mayor, Aldermen and Commonalty of the City of New York elected to pay and did pay the said costs and take a new trial under sections 1626 and 1525 of the Code of Civil Procedure of the State of New York; and

Whereas, On or about the nineteenth day of November, one thousand eight hundred and ninety, the issues in said action again came on to be tried before Mr. Justice Beach and a jury, and said trial resulted in a verdict in favor of the defendants, upon which a judgment was entered on the first day of December, one thousand eight hundred and ninety, awarding to the defendants Hopper S. Mott and Alexander H. Mott the title in fee to the said premises described in the complaint, together with the appurtenances and hereditaments thereunto belonging or in anywise appertaining, and all rights of cramage and wharfage, advantages or emoluments in said bulkhead, together with the allowance, costs and disbursements amounting to the sum of two thousand four hundred and nineteen dollars and eighty-two cents; and

Whereas, On an appeal taken by the said plaintiffs from the said last-mentioned judgment, the same was, on or about the twelfth day of June, one thousand eight hundred and ninety-one, reversed and a new trial ordered, upon which an order of reversal was on the eighteenth day of June, one thousand eight hundred and ninety-one, duly entered; and

Whereas, The defendants, the said Motts, claim ownership of the property to the south of the premises described in said complaint in said action, extending to the southerly line of Fifty-fourth street, which premises are not involved in said action; and

Whereas, Negotiations looking towards a settlement of said action have been heretofore entered upon between the Counsel to the Corporation of the City of New York and the defendants the said Motts in said action; and

Whereas, The terms and conditions upon which a settlement of said action, as well as a settlement of the questions relating to the premises adjoining the premises described in the complaint on the south and extending to the southerly side of Fifty-fourth street, have been determined upon by the said Counsel to the Corporation and the said defendants Hopper S. Mott and Alexander H. Mott, as follows:

That the Mayor, Aldermen and Commonalty of the City of New York are to pay to the said defendants Hopper S. Mott and Alexander H. Mott, or their attorney, the sum of seven thousand five hundred dollars and execute or cause to be executed a deed quit-claiming and releasing all the right, title and interest of the said Mayor, Aldermen and Commonalty of the City of New York to the premises lying easterly of the easterly side of the Twelfth avenue and extending easterly to the line of original high-water mark, as the same is shown upon Randel's map, and extending from a line fifteen feet eight inches southerly from the southerly side of Fifty-fifth street to the southerly side of Fifty-fourth street, and the said Hopper S. Mott and Alexander H. Mott should execute a deed releasing and quit-claiming unto the said Mayor, Aldermen and Commonalty of the City of New York all their right, title and interest in and to the premises westerly of the easterly side of the said Twelfth avenue, extending westerly to the bulkhead at present existing upon said premises and extending from a line fifteen feet eight inches southerly from the southerly side of Fifty-fifth street to the southerly side of Fifty-fourth street, together with any and all lands under water in front of said last described premises extending out to the easterly side of Thirteenth avenue, as the same was established under and by virtue of an Act of the Legislature of the State of New York, in the year one thousand eight hundred and thirty-seven, and also together with the appurtenances and hereditaments thereunto belonging or in anywise appertaining, and all rights of cramage and wharfage, advantages or emoluments in said bulkhead, and also any and all wharfage rights, advantages, easements, emoluments and privileges appurtenant to the bulkhead along the westerly side of Thirteenth avenue in front of said described premises; and that the said Motts will, upon the request of the Counsel to the Corporation, without compensation, convey all their right, title and interest, in and to the lands embraced within

the lines of Fifty-fourth street, between Eleventh and Twelfth avenues, as the same is now laid out, to the Mayor, Aldermen and Commonalty of the City of New York in accordance with the provisions of section 971 of the Consolidation Act.

In case the said Hopper S. Mott and Alexander H. Mott should not be in a position to comply with the requirements of section 971 of the Consolidation Act, or should not for any reason be able to give the conveyance hereinbefore referred to, when requested so to do by the Counsel to the Corporation, then and in that event a proceeding shall be instituted by the Mayor, Aldermen and Commonalty of the City of New York, to acquire title to said premises for the purposes of a public street, and neither the said Motts or their assigns or any one claiming under them subsequent to the twenty-eighth day of September, one thousand eight hundred and ninety-one, shall make any opposition to said proceedings; and in any such proceedings a nominal award only shall be made for any premises belonging to the said Motts or their assigns taken for said street. Now, therefore, be it

Resolved, That the terms and conditions of the compromise and settlement hereinbefore recited, arranged between the Counsel to the Corporation and the said Hopper S. Mott and Alexander H. Mott, be and the same are hereby in all things approved, ratified and confirmed; and, be it further

Resolved, That the Counsel to the Corporation be and he hereby is directed to take all the necessary legal steps to carry the said terms and conditions into effect.

Which were unanimously adopted.

RESOLUTIONS OF DEPARTMENT OF DOCKS.

CITY OF NEW YORK—DEPARTMENT OF DOCKS,
PIER "A," N. Y., BATTERY PLACE,
NEW YORK, October 24, 1891.

Hon. WILLIAM H. CLARK, Counsel to the Corporation:

SIR—I enclose herewith copy of resolution adopted at a meeting of the Board governing this Department, held 23d instant. This resolution was passed to comply with the preamble and resolutions adopted by the Commissioners of the Sinking Fund, held October 23, 1891, and it amends the resolution of this Board passed September 18, 1891. They necessarily are somewhat more explicit, but are intended to carry out the modifications to the first resolution.

A copy of the preamble and resolutions of the Commissioners of the Sinking Fund was not received until to-day, and not knowing that the third provision of the original resolution had been modified by the striking out of the last part of the paragraph, from "and for the approach to said bulkhead" to the end of the same, Commissioner Cram, Commissioner Phelan and myself consent to its being stricken out, to comply with the wishes of the resolutions of the Commissioners of the Sinking Fund.

Will you be good enough to have the necessary quadruplicate agreement drawn in accordance with the modified resolution. It appears to me that the only modification in it would be a change in paragraph eleven of the first agreement.

I also enclose the original agreement, which was sent to the Commissioners of the Sinking Fund, together with a copy of their preamble and resolution adopted October 23, 1891.

Yours, respectfully,

EDWIN A. POST, President.

DEPARTMENT OF DOCKS,
October 23, 1891.

At a meeting of the Board governing this Department, held this date, the resolutions adopted by this Department, at a meeting held September 18, 1891, relative to the leasing of the bulkhead to be built by the City between Fifty-fourth and Fifty-fifth streets, North river, was amended so as to read as follows:

Resolved, That a lease, subject to the approval by the Counsel to the Corporation, be made of the bulkhead to be built by the City in front of the property owned by H. S. Mott and A. H. Mott, between Fifty-fourth and Fifty-fifth streets, North river, with the Messrs. H. S. and A. H. Mott, upon the following terms:

First—The annual rental shall be twenty-seven hundred and fifty dollars (\$2,750), payable quarterly in advance.

Second—The lease shall begin (or as soon thereafter as the Department of Docks shall have completed said bulkhead) and shall be for ten years, with a covenant of one renewal of ten years; the annual rental for the renewal term shall be fixed at the rate of three thousand and twenty-five dollars (\$3,025).

Third—A permit to construct a shed on said bulkhead upon the usual terms and conditions, and for the approach to said bulkhead by a flat rail track across the bulkhead to Twelfth avenue, or other property in front of property owned by the Messrs. Mott shall be granted by this Department.

Fourth—The Messrs. Mott to release to the City all claims to land and bulkhead lying west of the easterly line of Twelfth avenue, included in the pending litigation between the Messrs. Mott and the City, and also to land lying west of the easterly line of Twelfth avenue, immediately south of the land included in said litigation, to the southerly side of Fifty-fourth street, and the City to release to the Messrs. Mott all claims to land lying east of the easterly line of the Twelfth avenue to the original line of high-water mark.

Fifth—This department to build a pier at the foot of Fifty-fourth street, and the said Motts shall agree to give a bond that they will bid not less than \$15,000 per annum for a ten-year lease of said pier when constructed, which lease shall contain the privilege of shedding said pier on the usual terms and conditions, and also the privilege of a renewal for ten years, the annual rental for which shall be fixed by arbitration, two persons to be appointed by the City and two by the Messrs. Mott, and in case they are unable to agree, a fifth person to be appointed by them; the said rental shall not, however, amount to less than \$15,100.

Sixth—The lease shall contain suitable recitals of the fact that it is granted upon compromise, adjustment and discontinuance of legal proceedings now pending. Provided, however, that the Messrs. Mott shall accept the terms herein set forth in writing within ten days after service upon their counsel, Cecil Campbell Higgins, of a copy of these resolutions.

MEMORANDUM OF AGREEMENT.

Mott, parties of the first part, and The Mayor, Aldermen and Commonalty of the City of New York, acting by and through the Department of Docks, parties of the second part;

Whereas, On the eighteenth day of September, one thousand eight hundred and ninety-one, an agreement was entered into between the Messrs. Mott and the Mayor, Aldermen and Commonalty of the City of New York, by which agreement the terms and conditions of the settlement of the action of the Mayor, Aldermen and Commonalty of the City of New York against Hopper S. Mott and Alexander H. Mott and others were fixed and determined upon; and

Whereas, Said agreement was submitted to the Commissioners of the Sinking Fund for their approval; and

Whereas, The Commissioners of the Sinking Fund, on the twenty-third day of October, one thousand eight hundred and ninety-one, adopted certain resolutions modifying certain of the terms in said agreement, and transmitted the same to the Department of Docks for modification, in accordance with said resolutions; and

Whereas, The Dock Department, on the twenty-third day of October, one thousand eight hundred and ninety-one, amended the resolutions theretofore adopted by the Commissioners of Docks, on the eighteenth day of September, one thousand eight hundred and ninety-one, as follows:

Resolved, That a lease, subject to the approval of the Counsel to the Corporation, be made of the bulkhead to be built by the City in front of the property owned by Hopper S. Mott and Alexander H. Mott, between Fifty-fourth and Fifty-fifth streets, North river, with the Messrs. Mott, upon the following terms: That the annual rental shall be \$2,750, payable quarterly in advance; that the said lease shall be for ten years, with a covenant for one renewal of ten years and the annual rent for the renewal term shall be fixed at the rate of \$3,025, and that the said Motts shall agree to bid not less than \$15,000 per annum for a ten year lease of the pier to be constructed at the foot of Fifty-fourth street, which lease shall contain a privilege for erecting a shed upon said pier on the usual terms and conditions, and also a privilege of a renewal for ten years, at an advanced rental, which shall not be less, however, than \$15,100 per annum.

Now this indenture witnesseth that the said parties of the first part hereby agree to and with the said parties of the second part to accept the terms and conditions hereinbefore recited, and that they will, in all things, comply with the provisions of the said amended resolutions of the said Department of Docks, adopted on the twenty-third day of October, one thousand eight hundred and ninety-one.

In witness whereof the parties of the first part have hereunto set their hands and seals the day and year first above written.

HOPPER S. MOTT. [SEAL.]
ALEXANDER H. MOTT. [SEAL.]

Approved as to form.

WILLIAM H. CLARK, Counsel to the Corporation.

Whereupon the Recorder offered the following resolution:

Resolved, That the Commissioners of the Sinking Fund hereby approve of the action of the Department of Docks at the meeting October 23, 1891, in the matter of the agreement between it and H. S. and A. H. Mott, and in the foregoing preamble and resolutions referred to, for the conveyance of certain water-rights between Fifty-fourth and Fifty-fifth streets, North river, as set forth in the said agreement.

Which was unanimously adopted.

The Comptroller called up the application of the Directors of Mount Sinai Hospital for lease of the plot of ground situate at the northeast corner of Lexington avenue and Sixty-seventh street, and presented the following:

NEW YORK, September 10, 1891.

To his Honor HUGH J. GRANT, Mayor of the City of New York:

SIR—The undersigned, acting individually as a director of the Mount Sinai Hospital of this City, respectfully ask the Commissioners of the Sinking Fund, or other authorities of this city having jurisdiction in the matter, for a lease, terminable at the pleasure of said authorities and at a nominal annual rental, of the plot of ground, the property of the Corporation, situate at the northeast corner of Lexington avenue and Sixty-seventh street, this city, the same to be used by the said hospital, under such restrictions and conditions as the city authorities may designate, without erecting any building or structure thereon.

The property in question is at present unoccupied save by a carpenter shop or other readily movable structure, is untidy in appearance and in a wholly unimproved condition. Adjoining the same is the training school for nurses and dispensary connected with said hospital.

If the city authorities deem it proper to grant this request, I propose, at my own individual cost and expense, to properly grade and plot the property, enclose it with a neat picket or other fence, and maintain the same in harmony with the general appearance of the surrounding buildings, and the only use intended to be made thereof being for the purposes of a yard or garden to the training school, and not for any injurious or offensive or other purpose.

If you will give this matter your consideration, it will be highly appreciated by

Yours most obediently,

WM. VOGEL, No. 27 East Seventy-second street.

On motion, the papers were referred to the Comptroller to report the value of the plot and to confer with the Counsel to the Corporation as to the power of the Commissioners of the Sinking Fund to lease it to the Hospital for a nominal consideration without public advertisement, etc.

Adjourned.

RICHARD A. STORRS, Secretary.

M., on Thursday, November 19, 1891, at which place and hour they will be publicly opened.

No. 1. FOR REGULATING AND GRADING, SETTING CURB-STONES, FLAGGING THE SIDEWALKS AND BUILDING CULVERTS AND INLETS IN ONE HUNDRED AND EIGHTY-FOURTH STREET, between Jerome avenue and Vanderbilt avenue, West.

No. 2. FOR CONSTRUCTING SEWER AND APPURTENANCES ON BOTH SIDES OF THE SOUTHERN BOULEVARD, from One Hundred and Thirty-seventh to One Hundred and Thirty-eighth street.

No. 3. FOR CLEANING THE SEWER AND APPURTENANCES IN BROOK AVENUE, from its outlet in tide-water in the Bronx Kills, near the Harlem river to the centre of One Hundred and Sixty-fifth street.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department,

chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the city.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any other information desired, can be obtained at this office.

LOUIS J. HEINTZ,
Commissioner of Street Improvements,
Twenty-third and Twenty-fourth Wards.

About 20,000 pounds of Poultry.

For use on Thanksgiving Day.
—will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 12 o'clock A. M. of Thursday, the 19th day of November, 1891. The person or persons making any bid or estimate shall furnish the same in a sealed envelope indorsed "Bid or Estimate for Poultry, etc.," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.
Delivery will be required to be made of Poultry on Wednesday, November 25, 1891, before 7 o'clock A. M., all in accordance with specifications.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies delivered by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of

five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

NEW YORK, November 5, 1891.

TO THE PUBLIC.

OWING TO THE CONTINUANCE OF THE drought in the water-sheds of the Croton river and the Bronx river, and the consequent depletion of the supply held in reserve in the storage reservoirs, it becomes necessary to carefully husband the water supply and to limit its consumption to actual necessities for domestic and business use and for protection from fires until the supply at its sources is replenished and increased by copious rainfall. The people of this city are, therefore, earnestly requested to use the greatest possible economy in the consumption of water, and to abstain from careless or wanton waste, or any use of the water except such as is necessary for domestic and business pursuits and the protection of the public health. For some time past, and up to this date, the daily consumption has been 165,000,000 gallons, or nearly 100 gallons per capita, and there is no possible doubt that, with the exercise of care and economy, the consumption can safely be reduced to one-half that quantity without interfering with the comfort and health of the population. Persistence in wasteful or luxurious use of the water would result in curtailing the supply to the extent of diminishing it below the actual needs for comfort, health and protection from fires by the decrease of the pressures in the distributing mains and the elevation at which the water can be delivered in the houses, and this contingency can only be averted by the economical use of the water on the part of every consumer.

The draughts upon the reserve supply in the storage reservoirs and lakes began on May 15, when the natural flow of the Croton river fell below the quantity drawn for daily consumption, and have continued without interruption to the present day. The total quantity of stored water drawn to date is 12,040,000,000 gallons, averaging 75,000,000 gallons per day, and amounting at times to 120,000,000 gallons per day.

The holders of permits for using water through hose for washing house-fronts, stoops, areas and sidewalks, have been notified to discontinue such use of water at once, and the members of the Police Force are earnestly requested to enforce this prohibition, and to exercise special vigilance to prevent the use of water through hose and from the fire-hydrants except by the uniformed force of the Fire Department or under special permits from this Department.

THOS. F. GILROY,
Commissioner of Public Works.
