The following communications were received from the Commissioner of Docks, recommending a modification of a lease to the Brunswick Steamship Company, of Piers 14 and 15, North River, with adjoining bulkheads:

January 9, 1911.

Hon. WILLIAM J. GAYNOR, Mayor and Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting held November 21, 1906, the Commissioners of the Sinking Fund approved of the execution by the Commissioner of Docks of a lease to the Brunswick Steamship Company of certain wharf property including Pier new 14, North River, near the foot of Fulton street, the Company to have the privilege of using during the term of the lease the sheds and appliances which were appurtenant thereto at the time of the commencement of the lease—a two-story structure which was destroyed by fire on July 16, 1910. The Company has now submitted plans for the rebuilding of the shed, which plans provide for a one-story structure.

It is stated by the representatives of the Company that a one-story shed is better suited to the purposes for which it is intended to be used than a two-story shed, and it has agreed verbally that in case the City should decide at any time before the expiration of the lease that a two-story structure should be erected in place of the one-story structure, that the addition will be made by the Company upon notice by the City to build the additional story.

I am of the opinion that the Company should be permitted to erect a one-story shed instead of a two-story shed provided that the proper assurances are given that in case the City should desire a two-story shed erected before the termination of the lease that an order to that effect will be carried out. I therefore suggest that a bond be required in a sum equivalent to the cost of adding the additional story, say \$100,000, for the faithful performance of the agreement on the part of the representatives of the lessee to carry out such an order.

Such a deviation from the terms of the lease, I believe, requires the approval of the Commissioners of the Sinking Fund, and I therefore beg to request your approval of the modification of the terms of the lease so that the plans for a one-story shed may be approved by this Department upon an agreement (approved as to form by the Corporation Counsel) being filed with this Department that the Company will add an additional story in accordance with plans to be submitted to and approved by the Department, if at any time an order directing same is given by the Commissioner of Docks, or other proper authority, and that a bond in the sum of \$100,000 be furnished by the lessee for the faithful performance of such agreement.

Yours respectfully,

CALVIN TOMKINS, Commissioner of Docks.

January 27, 1911.

Hon. WILLIAM A. PRENDERGAST, Comptroller:

Sir—Referring to your communication of the 23d inst., in relation to application of the Brunswick Steamship Company for a modification of lease of Pier 14, North River, I transmit herewith copy of report of Chief Engineer of this Department dated January 26, 1911, in relation thereto and beg to state that if it is the desire of the Commissioners of the Sinking Fund to follow the suggestion contained in your communication, viz.: That in lieu of furnishing a bond, a payment should be made to the City for the difference in value between a single story shed and a double story shed, I would recommend that such a payment be computed on a 4 per cent. interest basis to produce the amount of \$57,600, which represents the cost after deducting the \$19,900 for converting the bulkhead shed which was formerly a single story structure into a double story structure.

Since the receipt of your communication, the Company has agreed to waive its claim for a deduction of the cost of extending the pier shed an additional length of 73 feet 6 inches, together with a mezzanine floor.

Yours respectfully,

CALVIN TOMKINS, Commissioner of Docks.

January 26, 1911.

Report on Communication from the Finance Department, Dated January 23, in Relation to Shed Structure on Pier 14, Near the Foot of Dey Street, North River.

Noting the attached from the Finance Department having reference to a modification of the lease of the Brunswick Steamship Company, for Pier No. 14, near the foot of Dey street, North River, and bulkhead adjoining, and to which is attached a communication which the Comptroller sent to the Brunswick Steamship Company, suggesting an alternative proposition in lieu of the one proposed by the Commissioner of Docks; namely, that a bond be furnished by the lessee in the sum of \$100,000, binding it to restore the shed on the pier as a two-story structure whenever so ordered by the Commissioner of Docks. The suggestion of the Comptroller is that payment should be made on a 4 per cent. interest basis to produce the amount which is the difference between a single story and a double story shed.

I have therefore prepared an estimate of cost for converting this pier shed (if erected from a single story to a double story) and adopted the unit prices for the various items entering into this conversion, such as structural steel, second floor surface, siding and roofing, which the Brunswick Steamship Company obtained under competitive bidding, except that the price of structural steel is taken at \$50 per ton, which is not the low bid, but an average between the low bid and the price which has been accepted by the Company. It may be stated that these unit prices are fair and reasonable, and fairly represent market conditions at the present time.

I therefore estimate as follows:

Estimated cost of converting a single story structure of the length as formerly existed on this pier, namely, 584 feet, to a double story structure	\$54,300 00
To which should be added the cost of raising the roof to the required height for making it a two-story structure.....	23,200 00
Total estimated cost of converting a single to a double story shed.....	\$77,500 00

The lessee, however, desires to construct a two-story bulkhead shed instead of a one-story shed, which formerly existed, the estimated cost of which is	\$28,100 00
The estimated cost for constructing a single story bulkhead shed is.....	8,200 00

Leaving the increased cost of constructing a two-story bulkhead shed over a one-story bulkhead of.....

\$19,900 00

It is my opinion that the construction of a two-story bulkhead shed is far more preferable than a single story shed, for the reason that the upper floor of a bulkhead shed can be applied for office purposes in connection with the business of the lessee, and any future lessee would undoubtedly apply the second story for similar purposes, thus adding an increased rental value to the premises. For this reason I would recommend that the additional cost for constructing a two-story bulkhead shed be taken into consideration in arriving at the monetary obligation due to the City.

To summarize, therefore, it is recommended that the following figures be considered:

Cost of converting the single-story pier shed to a double-story pier shed..	\$77,500 00
From which should be deducted the additional cost to the lessee for building a two-story bulkhead shed instead of a single-story bulkhead shed	19,900 00

Leaving the amount to which the lessee is obligated to the City of.....

\$57,600 00

As a matter of information, which really has no relation to the subject at issue, I desire to call your attention to the fact that the lessee also proposes to extend the pier shed an additional length of 73 feet 6 inches, together with a mezzanine floor. The estimated cost of this is \$15,000, and will revert to and become the property of the City at the expiration of the lease, and this amount has not been taken into consideration.

Nor has any consideration been given to the matter of the City becoming possessed of an absolutely new steel structure, replacing one which has existed for nearly twenty years and undergone the usual deterioration due to age. In other words, the new structure will have an additional twenty years of life.

The amount of \$100,000 which the Commissioner of Docks recommended to the Commissioners of the Sinking Fund be fixed as a bond to be furnished by the Brunswick Steamship Company, for faithful performance, etc., was arrived at by assuming the highest prices for steel, as well as other contingencies in connection therewith, with a sole view to absolutely safeguarding the interests of the City in a most liberal manner. The amount which is herein given as the cost for converting this shed was, as before stated, arrived at after a careful calculation and based on actual figures obtained after competitive bidding.

If it is the desire of the Commissioners of the Sinking Fund to follow the suggestion of the Deputy Comptroller; namely, that in lieu of furnishing a bond that payment should be made to the City for the difference in value between a single and a double story shed, I would recommend that such payment be computed on a 4 per cent. interest basis to produce the amount of \$57,600, which represents the cost after deducting the \$19,900 for converting the bulkhead shed which was formerly a single story structure into a double story structure.

Chief Engineer.

In connection therewith, the Deputy and Acting Comptroller presented the following report and offered the following resolution:

February 1, 1911.

To the Commissioners of the Sinking Fund:

Gentlemen—On January 9, 1911, the Commissioner of Docks requested the approval of the Commissioners of the Sinking Fund of a modification of the lease to the Brunswick Steamship Company of Piers 14 and 15, North River, with adjoining bulkheads in order to permit the Company to erect a one-story shed on Pier 14, in place of the two-story shed destroyed by fire July 16, 1910, provided the Company filed an agreement secured by a bond of \$100,000 that if at any time before the expiration of the lease the City should desire a two-story shed erected, an order to that effect would be carried out.

On January 27, 1911, the Commissioner of Docks, at the suggestion of the Comptroller, modified this request by recommending in lieu of furnishing a bond, that a payment be made to the City for the difference in value between a single story shed and a double story shed, such payment to be computed on a 4 per cent. interest basis to produce the amount of \$57,600, representing the cost after deducting \$19,900 for converting the bulkhead shed, which was formerly a single story structure, into a double story structure.

The sheds on Piers 14 and 15 and bulkheads were erected in 1894 by the International Navigation Company. On February 25, 1910, the property was vacated by the tenants and was occupied by the Brunswick Steamship Company under a lease approved by the Commissioners of the Sinking Fund, November 21, 1906, and providing that the tenant shall keep the sheds and piers in good condition and repair. On July 16, 1910, a fire destroyed the two-story shed on Pier 14 and the one-story shed on the bulkhead between the north side of Pier 14 and the south side of Pier 15.

The plan for rebuilding the sheds thus destroyed which the Company has submitted for the approval of the Commissioner of Docks provides for a shed on the bulkhead between the north side of Pier 14 and the south side of Pier 15, 48 feet wide and two stories in height, instead of 45 feet wide and one story high, as formerly. The pier shed of Pier 14, for a distance of 65 feet 6 inches from the roadway, is practically a duplication of the old shed in size but of more expensive construction. The balance of the old two-story pier shed, 580 feet 3 inches in length, is to be replaced by a one-story shed 73 feet 6 inches longer, the outer 54 feet containing a mezzanine floor.

An estimate agreed upon by the Dock Commissioner and the Company, based upon the competitive bids received by the Company for rebuilding the sheds according to the proposed plan, is as follows:

Difference in value of 584 feet of one-story shed on pier as proposed and the same length of two-story shed.....	\$54,300 00
Extra cost of altering a one-story shed to make it two stories in height	23,200 00
	\$77,500 00

Deduct for difference in cost between the proposed two-story shed on the bulkhead between Piers 14 and 15 and a one-story shed, as formerly

19,900 00

\$57,600 00

The proposed extension to the pier shed is not included in the above estimate as the proposed extension is considered a separate matter having no relation to the rebuilding of the sheds destroyed by fire.

The sum of \$27,339.40 paid on February 25, 1911, will at 4 per cent. compound interest amount to \$57,600 in nineteen years at the termination of the renewal period of the lease. Therefore, I advise that the Commissioners of the Sinking Fund approve of and consent to the execution by the Commissioner of Docks of a modification of the lease of the Brunswick Steamship Company of Piers 14 and 15 with adjoining bulkheads, so that the Company may erect a one-story shed on Pier 14, according to the plans submitted to the Commissioner of Docks, in place of the former two-story shed destroyed by fire, provided the Company pays to the City such a sum as will, at 4 per cent. compound interest, amount to \$57,600 on February 25, 1930.

A resolution is hereto attached which, if adopted, will carry this recommendation into effect. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks, of an agreement modifying the clause in the lease dated November 13, 1906, approved by the Sinking Fund, November 21, 1906, made by the Commissioner of Docks with the Brunswick Steamship Company, of Piers 14 and 15 and adjoining bulkheads, North River, which provides for the rebuilding, in case of destruction through fire or other causes of the demised premises under the direction of the Commissioner of Docks in like manner and similar to the premises destroyed by and at the expense of the lessee and in accordance with plans and specifications submitted to and approved by the Commissioner of Docks to such an extent as will require only the reconstruction of the superstructure recently destroyed by fire at Pier 14 and the adjacent bulkhead, of a two-story shed upon the bulkhead opposite Pier 14 and upon such pier extending outshore about sixty-five (65) feet; and extending outshore beyond that of a one-story shed of not less than five hundred and eighty-four (584) feet; provided that the shed upon the bulkhead between the north side of Pier 14 and the south side of Pier 15 shall be built by the lessees two stories in height instead of one story in height as heretofore, and further provided that the said Brunswick Steamship Company shall pay to the Comptroller of the City of New York on or before February 25, 1911, as a condition precedent to the modification of such lease, the sum of twenty-seven thousand three hundred and thirty-nine dollars and forty cents (\$27,339.40), the consent herein given

January 9, 1911.

Hon. WILLIAM J. GAYNOR, Mayor and Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting held November 21, 1906, the Commissioners of the Sinking Fund approved of the execution by the Commissioner of Docks of a lease to the Brunswick Steamship Company of certain wharf property including Pier new 14, North River, near the foot of Fulton street, the Company to have the privilege of using during the term of the lease the sheds and appliances which were appurtenant thereto at the time of the commencement of the lease—a two-story structure which was destroyed by fire on July 16, 1910. The Company has now submitted plans for the rebuilding of the shed, which plans provide for a one-story structure.

It is stated by the representatives of the Company that a one-story shed is better suited to the purposes for which it is intended to be used than a two-story shed, and it has agreed verbally that in case the City should decide at any time before the expiration of the lease that a two-story structure should be erected in place of the one-story structure, that the addition will be made by the Company upon notice by the City to build the additional story.

I am of the opinion that the Company should be permitted to erect a one-story shed instead of a two-story shed provided that the proper assurances are given that in case the City should desire a two-story shed erected before the termination of the lease that an order to that effect will be carried out. I therefore suggest that a bond be required in a sum equivalent to the cost of adding the additional story, say \$100,000, for the faithful performance of the agreement on the part of the representatives of the lessee to carry out such an order.

Such a deviation from the terms of the lease, I believe, requires the approval of the Commissioners of the Sinking Fund, and I therefore beg to request your approval of the modification of the terms of the lease so that the plans for a one-story shed may be approved by this Department upon an agreement (approved as to form by the Corporation Counsel) being filed with this Department that the Company will add an additional story in accordance with plans to be submitted to and approved by the Department, if at any time an order directing same is given by the Commissioner of Docks, or other proper authority, and that a bond in the sum of \$100,000 be furnished by the lessee for the faithful performance of such agreement.

Yours respectfully,

CALVIN TOMKINS, Commissioner of Docks.

January 27, 1911.

Hon. WILLIAM A. PRENDERGAST, Comptroller:

Sir—Referring to your communication of the 23d inst., in relation to application of the Brunswick Steamship Company for a modification of lease of Pier 14, North River, I transmit herewith copy of report of Chief Engineer of this Department dated January 26, 1911, in relation thereto and beg to state that if it is the desire of the Commissioners of the Sinking Fund to follow the suggestion contained in your communication, viz.: That in lieu of furnishing a bond, a payment should be made to the City for the difference in value between a single story shed and a double story shed, I would recommend that such a payment be computed on a 4 per cent. interest basis to produce the amount of \$57,600, which represents the cost after deducting the \$19,900 for converting the bulkhead shed which was formerly a single story structure into a double story structure.

Since the receipt of your communication, the Company has agreed to waive its claim for a deduction of the cost of extending the piershed an additional length of 73 feet 6 inches, together with a mezzanine floor.

Yours respectfully,

CALVIN TOMKINS, Commissioner of Docks.

January 26, 1911.

Report on Communication from the Finance Department, Dated January 23, in Relation to Shed Structure on Pier 14, Near the Foot of Dey Street, North River.

Noting the attached from the Finance Department having reference to a modification of the lease of the Brunswick Steamship Company, for Pier No. 14, near the foot of Dey street, North River, and bulkhead adjoining, and to which is attached a communication which the Comptroller sent to the Brunswick Steamship Company, suggesting an alternative proposition in lieu of the one proposed by the Commissioner of Docks; namely, that a bond be furnished by the lessee in the sum of \$100,000, binding it to restore the shed on the pier as a two-story structure whenever so ordered by the Commissioner of Docks. The suggestion of the Comptroller is that payment should be made on a 4 per cent. interest basis to produce the amount which is the difference between a single story and a double story shed.

I have therefore prepared an estimate of cost for converting this pier shed (if erected from a single story to a double story) and adopted the unit prices for the various items entering into this conversion, such as structural steel, second floor surface, siding and roofing, which the Brunswick Steamship Company obtained under competitive bidding, except that the price of structural steel is taken at \$50 per ton, which is not the low bid, but an average between the low bid and the price which has been accepted by the Company. It may be stated that these unit prices are fair and reasonable, and fairly represent market conditions at the present time.

I therefore estimate as follows:

Estimated cost of converting a single story structure of the length as formerly existed on this pier, namely, 584 feet, to a double story structure..... \$54,300 00
To which should be added the cost of raising the roof to the required height for making it a two-story structure..... 23,200 00

Total estimated cost of converting a single to a double story shed..... \$77,500 00

The lessee, however, desires to construct a two-story bulkhead shed instead of a one-story shed, which formerly existed, the estimated cost of which is \$28,100 00
The estimated cost for constructing a single story bulkhead shed is..... 8,200 00

Leaving the increased cost of constructing a two-story bulkhead shed over a one-story bulkhead of..... \$19,900 00

It is my opinion that the construction of a two-story bulkhead shed is far more preferable than a single story shed, for the reason that the upper floor of a bulkhead shed can be applied for office purposes in connection with the business of the lessee, and any future lessee would undoubtedly apply the second story for similar purposes, thus adding an increased rental value to the premises. For this reason I would recommend that the additional cost for constructing a two-story bulkhead shed be taken into consideration in arriving at the monetary obligation due to the City.

To summarize, therefore, it is recommended that the following figures be considered:

Cost of converting the single-story pier shed to a double-story pier shed.. \$77,500 00
From which should be deducted the additional cost to the lessee for building a two-story bulkhead shed instead of a single-story bulkhead shed 19,900 00

Leaving the amount to which the lessee is obligated to the City of..... \$57,600 00

As a matter of information, which really has no relation to the subject at issue, I desire to call your attention to the fact that the lessee also proposes to extend the pier shed an additional length of 73 feet 6 inches, together with a mezzanine floor. The estimated cost of this is \$15,000, and will revert to and become the property of the City at the expiration of the lease, and this amount has not been taken into consideration.

Nor has any consideration been given to the matter of the City becoming possessed of an absolutely new steel structure, replacing one which has existed for nearly twenty years and undergone the usual deterioration due to age. In other words, the new structure will have an additional twenty years of life.

The amount of \$100,000 which the Commissioner of Docks recommended to the Commissioners of the Sinking Fund be fixed as a bond to be furnished by the Brunswick Steamship Company, for faithful performance, etc., was arrived at by assuming the highest prices for steel, as well as other contingencies in connection therewith, with a sole view to absolutely safeguarding the interests of the City in a most liberal manner. The amount which is herein given as the cost for converting this shed was, as before stated, arrived at after a careful calculation and based on actual figures obtained after competitive bidding.

If it is the desire of the Commissioners of the Sinking Fund to follow the suggestion of the Deputy Comptroller; namely, that in lieu of furnishing a bond that payment should be made to the City for the difference in value between a single and a double story shed, I would recommend that such payment be computed on a 4 per cent. interest basis to produce the amount of \$57,600, which represents the cost after deducting the \$19,900 for converting the bulkhead shed which was formerly a single story structure into a double story structure.

Chief Engineer.

In connection therewith, the Deputy and Acting Comptroller presented the following report and offered the following resolution:

February 1, 1911.

To the Commissioners of the Sinking Fund:

Gentlemen—On January 9, 1911, the Commissioner of Docks requested the approval of the Commissioners of the Sinking Fund of a modification of the lease to the Brunswick Steamship Company of Piers 14 and 15, North River, with adjoining bulkheads in order to permit the Company to erect a one-story shed on Pier 14, in place of the two-story shed destroyed by fire July 16, 1910, provided the Company filed an agreement secured by a bond of \$100,000 that if at any time before the expiration of the lease the City should desire a two-story shed erected, an order to that effect would be carried out.

On January 27, 1911, the Commissioner of Docks, at the suggestion of the Comptroller, modified this request by recommending in lieu of furnishing a bond, that a payment be made to the City for the difference in value between a single story shed and a double story shed, such payment to be computed on a 4 per cent. interest basis to produce the amount of \$57,600, representing the cost after deducting \$19,900 for converting the bulkhead shed, which was formerly a single story structure, into a double story structure.

The sheds on Piers 14 and 15 and bulkheads were erected in 1894 by the International Navigation Company. On February 25, 1910, the property was vacated by the tenants and was occupied by the Brunswick Steamship Company under a lease approved by the Commissioners of the Sinking Fund, November 21, 1906, and providing that the tenant shall keep the sheds and piers in good condition and repair. On July 16, 1910, a fire destroyed the two-story shed on Pier 14 and the one-story shed on the bulkhead between the north side of Pier 14 and the south side of Pier 15.

The plan for rebuilding the sheds thus destroyed which the Company has submitted for the approval of the Commissioner of Docks provides for a shed on the bulkhead between the north side of Pier 14 and the south side of Pier 15, 48 feet wide and two stories in height, instead of 45 feet wide and one story high, as formerly. The pier shed of Pier 14, for a distance of 65 feet 6 inches from the roadway, is practically a duplication of the old shed in size but of more expensive construction. The balance of the old two-story pier shed, 580 feet 3 inches in length, is to be replaced by a one-story shed 73 feet 6 inches longer, the outer 54 feet containing a mezzanine floor.

An estimate agreed upon by the Dock Commissioner and the Company, based upon the competitive bids received by the Company for rebuilding the sheds according to the proposed plan, is as follows:

Difference in value of 584 feet of one-story shed on pier as proposed and the same length of two-story shed..... \$54,300 00
Extra cost of altering a one-story shed to make it two stories in height 23,200 00

\$77,500 00

Deduct for difference in cost between the proposed two-story shed on the bulkhead between Piers 14 and 15 and a one-story shed, as formerly 19,900 00

\$57,600 00

The proposed extension to the pier shed is not included in the above estimate as the proposed extension is considered a separate matter having no relation to the rebuilding of the sheds destroyed by fire.

The sum of \$27,339.40 paid on February 25, 1911, will at 4 per cent. compound interest amount to \$57,600 in nineteen years at the termination of the renewal period of the lease. Therefore, I advise that the Commissioners of the Sinking Fund approve of and consent to the execution by the Commissioner of Docks of a modification of the lease of the Brunswick Steamship Company of Piers 14 and 15 with adjoining bulkheads, so that the Company may erect a one-story shed on Pier 14, according to the plans submitted to the Commissioner of Docks, in place of the former two-story shed destroyed by fire, provided the Company pays to the City such a sum as will, at 4 per cent. compound interest, amount to \$57,600 on February 25, 1930.

A resolution is hereto attached which, if adopted, will carry this recommendation into effect. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks, of an agreement modifying the clause in the lease dated November 13, 1906, approved by the Sinking Fund, November 21, 1906, made by the Commissioner of Docks with the Brunswick Steamship Company, of Piers 14 and 15 and adjoining bulkheads, North River, which provides for the rebuilding, in case of destruction through fire or other causes of the demised premises under the direction of the Commissioner of Docks in like manner and similar to the premises destroyed by and at the expense of the lessee and in accordance with plans and specifications submitted to and approved by the Commissioner of Docks to such an extent as will require only the reconstruction of the superstructure recently destroyed by fire at Pier 14 and the adjacent bulkhead, of a two-story shed upon the bulkhead opposite Pier 14 and upon such pier extending outshore about sixty-five (65) feet; and extending outshore beyond that of a one-story shed of not less than five hundred and eighty-four (584) feet; provided that the shed upon the bulkhead between the north side of Pier 14 and the south side of Pier 15 shall be built by the lessees two stories in height instead of one story in height as heretofore, and further provided that the said Brunswick Steamship Company shall pay to the Comptroller of The City of New York on or before February 25, 1911, as a condition precedent to the modification of such lease, the sum of twenty-seven thousand three hundred and thirty-nine dollars and forty cents (\$27,339.40), the consent herein given

not to be deemed a consent to any modification of such lease to any greater extent than as herein specifically provided, and the clause of said lease hereby modified for this particular purpose to be deemed in full force and effect as to the new superstructure to be erected on said pier and bulkhead; such new superstructure to be built in all respects in accordance with plans and specifications submitted to and approved by the Commissioner of Docks.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

A communication was received from the Commissioner of Docks, recommending a modification of the lease to the New York Central & Hudson River Railroad Company, of Pier at the foot of West 36th street, Borough of Manhattan, and the Deputy and Acting Comptroller presented a report thereon.

Which was referred to a select committee, consisting of the Comptroller, Chamberlain and Chairman of the Finance Committee, Board of Aldermen, and the Corporation Counsel requested to advise the Committee in regard to the matter.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an application of the Board of Education, for a lease of 21 lots on Lefferts avenue and Church street, between Ridge and Hawtree avenues at Glen Morris, Borough of Queens:

February 10, 1911.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—A. Emerson Palmer, Esq., Secretary of the Board of Education, in a communication under date of December 15, 1910, transmits certified copy of a resolution adopted by the Board of Education at a meeting held December 14, 1910, relative to the leasing of land at Glen Morris, Queens, for use of the Board of Education for the purpose of erecting thereon a portable building containing two classrooms.

It is stated that an offer of sufficient property has been received for the purposes aforesaid at a nominal rental and acceptance of same is respectfully recommended by the Board of Education.

The resolution as adopted by the Board of Education requests the consent to and approval of a lease to the City of vacant lots which are described upon a certain map entitled, "Boulevard Terrace, Map of 1,795 lots belonging to the Metropolitan Land Company, situate in the Fourth Ward, Borough of Queens, City of New York," surveyed June 22, 1906, by S. H. McLaughlin, Civil Engineer and City Surveyor, and duly filed in the office of the Clerk of Queens County on the 27th day of March, 1907.

The lots are known and designated on said map by the lot numbers 15 to 25 inclusive, and 35 to 44 inclusive, in Block 48, on Lefferts avenue and Church street, between Ridge and Hawtree avenues, being 100 feet south of the southerly line of Hawtree avenue and extending southerly 200 feet, the lease to be for a period of from February 1, 1911, to July 1, 1914, at an annual rental of \$1 and taxes, the City to have the option of purchasing the property for the sum of \$16,000 during the period of the lease.

In my opinion it is unnecessary to lease twenty-one lots in order to accommodate a portable school building with a capacity of two class rooms. A plot of ground 100 by 100 feet would be more than sufficient to accommodate a building of this character.

Upon investigation I find that the twenty-one lots which are sought to be leased to the City are assessed for the year 1911 at \$9,500. Applying the tax rate of 1.81079 for 1910, to the assessed value of \$9,500 for the year 1911, results in the amount of \$172.02, plus the nominal rental of \$1 a year, making a total cost to the City of \$173.02 per annum, which in my opinion is excessive, taking into consideration the number of school children who will be accommodated.

I therefore respectfully recommend that the request of the Board of Education for the consent to and approval of a lease to the City of the vacant lots above described be denied. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the application of the Board of Education, for a lease of 21 lots on Lefferts avenue and Church street, between Ridge and Hawtree avenues, at Glen Morris, Borough of Queens, for a period from February 1, 1911, to July 1, 1914, at an annual rental of \$1 and taxes, be and the same is hereby denied.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City, of premises 417 East 85th street, Borough of Manhattan, for use of the Board of Education:

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Fred H. Johnson, Assistant Secretary of the Board of Education, under date of January 24, 1911, forwarded to this Department a printed copy of a report and resolution adopted by the Board of Education at a meeting held July 13, 1910, regarding a renewal of the lease of premises at 417 East 85th street, Borough of Manhattan, as follows:

"The Committee on Buildings respectfully reports that the lease of the premises at 417 East 85th street, Borough of Manhattan, occupied as an annex to Public School 77, will expire October 7, 1910; that the City Superintendent of Schools, under date of April 21, 1910, stated that further occupancy of said premises will be necessary; that the rent has been certified as fair and reasonable; and that the Departments of Health and Buildings have certified that the sanitary conditions are satisfactory.

"The renewal of this lease was approved by your Committee held on April 25, 1910, but presentation of the matter to the Board was deferred pending further investigation. It is now recommended that the lease be renewed for a period of one year, and the following resolution is submitted for adoption:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested, subject to financial ability, to approve of and consent to the execution by the Board of Education, of a renewal of the lease to the City of the premises at 417 East 85th street, Borough of Manhattan, occupied as an annex to Public School 77, for a period of one year from October 7, 1910, at an annual rental of \$600, which the Board of Education deems fair and reasonable, and on the same terms and conditions as contained in the existing lease. Owner, Mrs. Frances Gold, 417 East 85th street, New York City."

The premises in question consist of the basement in a three-story and high basement brick dwelling, 12 feet 6 inches by 40 feet, with a one-story brick extension, 12 feet 6 inches by 60 feet, on a lot 12 feet 6 inches by 102 feet 2 inches, and also rear yard on adjoining lot, 12½ feet by 60 feet, used for school gardens and playground. The City has been a tenant of these premises since October, 7, 1905, at a rental of \$600 a year, the same price now asked for a renewal. The premises are used as a kindergarten annex to Public School 77.

The lessor pays taxes and water rates, and furnishes heat, light, hot water supply and janitor service, the City having the privilege of making any interior alterations it may deem necessary. The upper floors of the building are occupied by the owner.

The assessed valuation for 1911 is (including adjoining yard):

Land	\$5,750 00
Building	2,000 00

Total..... \$7,750 00

Tax Department appraisal:

Land	\$8,000 00
Building	2,000 00

Total..... \$10,000 00

Real Estate Division appraisal:

Land	\$8,000 00
Building	2,500 00

Total..... \$10,500 00

The total rent of the building is approximately \$1,080 a year, which is about 14 per cent. of the assessed value, 10.4-5 per cent. of Tax Department appraisal, and 10.1-3 per cent. of Real Estate Division appraisal. The Board of Education states that rent, in its opinion, is reasonable and just.

Under the circumstances, the City being a holdover tenant, the rent must be deemed reasonable and just, and being the same as paid by the City for the past five years, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the basement and extension of the premises 417 East 85th street, Borough of Manhattan, occupied as an annex to Public School 77, for a period of one year from October 7, 1910, at an annual rental of \$600,

payable quarterly; the lessor to pay taxes and water rates, make inside and outside repairs, supply heat, light, hot water and janitor service, the lease also to include the rear yard of 415 East 85th street, 12½ feet by 60 feet, used for school gardens and playground; the lessee to make such interior alterations as it may deem necessary. Lessor, Mrs. Frances Gold, 417 East 85th street, Borough of Manhattan.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City, of the basement and extension of the premises 417 East 85th street, Borough of Manhattan, occupied as an annex to Public School 77, for a period of one year from October 7, 1910, at an annual rental of six hundred dollars (\$600), payable quarterly; the lessor to pay taxes and water rates, to make inside and outside repairs, supply heat, light, hot water and janitor service; the lease also to include the rear yard of 415 East 85th street, 12½ feet by 60 feet, used for school gardens and playground; the lessee to make such interior alterations as it may deem necessary; lessor, Mrs. Frances Gold; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City of premises 525 East 5th street, Borough of Manhattan, for use of the Department of Street Cleaning.

February 10, 1911.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Hon. William H. Edwards, Commissioner of the Department of Street Cleaning, in a letter to your Honorable Board under date of January 5, 1911, says:

"I request the consent and approval of your Board, pursuant to section 541 of the Charter, for a renewal of the lease from John Becker (residence, 525 5th street, Manhattan), of the front room, back room and room downstairs of premises known as 525 5th street, Borough of Manhattan, for another term of two years from May 1, 1911, at the same annual rental of \$720, payable quarterly, otherwise on the same terms and conditions contained in the existing lease.

"The above mentioned rent is the most reasonable that, in my opinion, can be had for suitable premises in that neighborhood."

The premises referred to consist of the store floor, a rear basement room 20 by 25 feet, and front basement room 8 by 16 feet, in a 5-story, cold water, tenement (with store) building 25 by 56 feet on lot 25 by 97 feet.

The City has been a tenant of these premises for three years at the same rental as is now asked for a renewal, viz.: \$720 a year.

The rented premises have gas and stove heat and have water and toilet in the basement. They are used as a section station for sections 18 and 20, a total of sixty men.

The property is assessed for the year 1911:

Land	\$18,000 00
Building	7,000 00

Total..... \$25,000 00

Valuation by Tax Department:

Land	\$19,000 00
Building	7,500 00

Total..... \$26,500 00

Valuation by Real Estate Bureau:

Land	\$19,000 00
Building	8,000 00

Total..... \$27,000 00

The rent of the four upper floors is \$2,064, making a total rent of the building amount to \$2,784. This is 11.1 per cent. on the assessed value, 10½ per cent. on the tax department value, and 10.3-10 per cent. on appraisal by the Bureau of Real Estate.

For comparison, 527 East 5th street, adjoining, is a similar building in all respects, except that it has toilets in the halls, while 525 has toilets in the yard for the use of the upper floors.

No. 527 East 5th street is assessed:

Land	\$18,000 00
Building	7,000 00

Total..... \$25,000 00

Valuation by Bureau of Real Estate:

Land	\$19,000 00
Building	8,500 00

Total..... \$27,500 00

The store and front basement, 20 by 25 feet, in this building rent for \$720 a year, and the total rent of the building is \$2,832. The rentals upstairs are slightly higher owing to better toilet accommodations.

Commissioner Edwards says that the rent is the most reasonable that can be had in that neighborhood for the purposes desired.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store floor in the premises, 525 East 5th street, Borough of Manhattan, together with the rear basement room 20 by 25 feet, and the front basement room 8 by 16 feet, for use as a street cleaning section station for sections Nos. 18 and 20, a total of sixty men, for a term of two years from May 1, 1911, at a rental of \$720 a year, payable quarterly, being the same as heretofore paid, the lessor to pay taxes and water rates and make outside repairs, the lessee to furnish heat, light and janitor service and to make such inside repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, John Becker, 525 East 5th street, Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City, of the store floor in the premises 525 East 5th street, Borough of Manhattan, together with the rear basement room 20 by 25 feet, and the front basement room 8 by 16 feet, for use as a street cleaning section station, for a term of two years from May 1, 1911, at an annual rental of seven hundred and twenty dollars (\$720), payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish heat, light and janitor service and make such inside repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease; lessor, John Becker; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City, of premises at 483 East 142d street, Borough of The Bronx, for use of the Board of Education:

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Hon. William H. Edwards, Commissioner of the Department of Street Cleaning, in a letter addressed to your Board under date of January 5, 1911, says:

"I request the consent and approval of your Board, pursuant to section 541 of the Charter, for a renewal of the lease from Mrs. Sarah O'Brien (residing at 483 East 142d street), of the store and cellar of the premises known as 483 East 142d street, in the Borough of The Bronx, for another term of three years, beginning May 1, 1911, at the same annual rental of \$480 per annum, payable quarterly, and otherwise on the same terms and conditions as contained in the existing lease, except as to the covenant for renewal.

"The above mentioned rent is the lowest that, in my opinion, can be obtained for suitable premises in that neighborhood."

The premises referred to consist of a two-story and cellar brick store and dwelling, 25 by 56 feet, on an irregular plot 40 feet front by 99.85 feet by 60 feet rear by 101.79

feet, located on the north side of East 142d street, between Willis and Brook avenues, in the Borough of The Bronx.

The City's lease covers the store floor and front half of basement, which are occupied by Section Station No. 60 (54 men). The upper part of the building is leased to two families at a total rental of \$354 a year. The building has toilet, water and gas, and is heated by stoves. There is also a one-story frame dwelling, 16 by 25 feet, on stone basement in the rear of the lot, which rents for \$240 a year, making the total rent of the property \$1,074 a year.

The property is assessed for the year 1911:

Land	\$8,500 00
Buildings	2,500 00
Total	\$11,000 00
Tax Department Appraisal:	
Land	\$9,700 00
Buildings	3,000 00
Total	\$12,700 00
Real Estate Division Appraisal:	
Land	\$10,000 00
Buildings	3,000 00
Total	\$13,000 00

The rent is, therefore, 9.7 per cent. on the assessed value, 8.4 per cent. on the tax department appraisal, and 8.3 per cent. on the real estate division appraisal.

The lessor pays taxes and water rates, and makes outside repairs; the lessee furnishes heat, light and janitor service, and makes such inside repairs as it may deem necessary.

There is no other similar (store front) rented building on this block with which comparison may be made. The rent is the same as paid by the City for the past three years, and Commissioner Edwards says that it is the lowest rate that can be obtained for suitable premises in the neighborhood.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store floor and front half of basement of the premises 483 East 142d street, Borough of The Bronx, for use as a section station for the Department of Street Cleaning, for a term of three years from May 1, 1911, at an annual rental of \$480, payable quarterly; otherwise upon the same terms and conditions as contained in the existing lease, except as to the covenant for renewal; the lessor to pay taxes and water rates, and make outside repairs; the lessee to furnish heat, light and janitor service, and make such inside repairs as it may deem necessary. Lessor, Mrs. Sarah O'Brien, 483 East 142d street, Borough of The Bronx. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City, of the store floor and front half of the basement of the premises 483 East 142d street, Borough of The Bronx, for use as a section station, for a term of three years from May 1, 1911, at an annual rental of four hundred and eighty dollars (\$480), payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish heat, light and janitor service and make such inside repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease, excepting as to the covenant for renewal; lessor, Mrs. Sarah O'Brien; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City of premises at 215 East 47th street, Borough of Manhattan, for the Department of Street Cleaning: February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Hon. William H. Edwards, Commissioner of the Department of Street Cleaning, in a letter to your Board under date of January 11, 1911, says:

"I request the consent and approval of your Board, pursuant to section 541 of the Greater New York Charter, for a renewal of the lease from John Michels (office, 210 East 47th street) of the store and basement of the premises known as 215 East 47th street, in the Borough of Manhattan, for another term of three years, beginning May 1, 1911, at the same annual rental of \$480 and otherwise upon the same terms and conditions contained in the existing lease.

"The above mentioned rent is the lowest that, in my opinion, can be obtained for suitable quarters in that neighborhood."

The premises referred to consist of the store floor and basement in the four-story brick, store and tenement building, with a front width of 27 feet 7 inches and a depth of about 60 feet, being irregular in shape, on a lot 27 feet 7 inches front, having a depth on one side of 85 feet 9 inches, and on the other side of 87 feet 7 inches, by 9 feet 4 inches in the rear. The basement is concreted, and the store has gas, water and toilets and stove heat.

The property is assessed for the year 1911:

Land	\$9,000 00
Building	3,000 00
Total	\$12,000 00
Tax Department appraisal:	
Land	\$11,000 00
Building	3,000 00
Total	\$14,000 00
Appraisal, Division of Real Estate:	
Land	\$11,000 00
Building	4,000 00
Total	\$15,000 00

The three upper floors rent for a total of \$624 a year, some of the tenants being employees of the owner and getting a reduced rental in consequence. The total rent of the building is \$1,104, which is 9.2 per cent. on the assessed valuation, 8 per cent. on the Tax Department appraisal, and 7.4 per cent. on the Real Estate Division appraisal.

The lessor pays taxes and water rates, and makes all repairs (inside and outside), except repairs to extra toilet installed by the Department; the lessee furnishes heat, light and janitor service. The premises are occupied by Section Stations 36 and 38 of the Street Cleaning Department, a total of 79 men.

There is no other similar rented building on this block with which a comparison may be made. Commissioner Edwards states that the rent is the lowest that can be obtained in the neighborhood.

Deeming the rent reasonable and just, and being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store and basement in the four-story brick, store and tenement building, 215 East 47th street, Borough of Manhattan, for use as a section station by the Department of Street Cleaning, for a term of three years from May 1, 1911, at an annual rental of \$480, payable quarterly; the lessor to pay taxes and water rates, and make inside and outside repairs, except repairs to toilet installed by the lessee; the lessee to supply heat, light and janitor service, and make such toilet repairs as it may deem necessary; otherwise upon the same terms and conditions as contained in the existing lease. Lessor, John Michels, 210 East 47th street, Borough of Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a renewal of the lease to the City, of the store and basement in the four-story brick store and tenement building, 215 East 47th street, Borough of Manhattan, for use as a section station, for a term of three years from May 1, 1911, at an annual rental of four hundred and eighty dollars (\$480), payable quarterly; the lessor to pay taxes and water rates and make inside and outside repairs, except repairs to toilet installed by the lessee; the lessee to supply heat, light and janitor service and make such toilet repairs as it may deem necessary otherwise upon the same terms and conditions

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City, of premises 106 East 126th street, Borough of Manhattan, for use of the Police Department.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—In a communication dated January 27, 1911, the Police Commissioner requests a renewal of the lease of the premises 106 East 126th street, Borough of Manhattan, for the purposes of a stable for the 43d Precinct, for one year from May 1, 1911, upon the same terms and conditions as in the existing lease.

At a meeting of the Sinking Fund Commission held on April 20, 1910, I gave comparisons as to rentals in the neighborhood, showing the reasonableness of the rent for the premises in question, which have been leased to the City for a number of years under the same terms and conditions. My report was favorably acted upon, and a renewal of the lease authorized.

The rent being the same as heretofore paid and reasonable and just, I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of premises consisting of the ground floor of 106 East 126th street, Borough of Manhattan, for use of the Police Department, for a period of one year from May 1, 1911, at an annual rental of \$601.92, payable quarterly; the lessor to pay taxes, and the City to pay water rents and make whatever repairs it deems necessary; otherwise upon the same terms and conditions as in the existing lease; lessor, Mrs. J. Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, of the premises consisting of the ground floor of 106 East 126th street, Borough of Manhattan, for use of the Police Department, for a period of one year from May 1, 1911, at an annual rental of six hundred and one dollars and ninety-two cents (\$601.92), payable quarterly; the lessor to pay taxes and the City to pay water rates and make whatever repairs it deems necessary, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Mrs. J. R. Foley; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution to authorize the Police Commissioner to establish, provide and furnish premises on Elm street, Richmond Hill, Borough of Queens, as a Police Station House:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Honorable James C. Cropsey, Commissioner of the Police Department, in a communication dated December 2, 1910, requests the Commissioners of the Sinking Fund to authorize him to establish, provide and furnish as a police station house, the building now leased by the City for station house purposes on the west side of Sherman street, 192 feet 10 inches south of Jamaica avenue, Richmond Hill, Borough of Queens. Said building is a two-story, attic and cellar frame house, and is for the use of the 23d Precinct.

In connection therewith I beg to report that the premises were authorized to be leased under a resolution adopted by the Commissioners of the Sinking Fund on November 16, 1910, for the accommodation of the members of the Police Force, and as a place of temporary detention for persons arrested and property taken, and also to furnish such business accommodation and provide for the housing of such apparatus and articles as shall be necessary for the Department of Police and the transaction of the business of the said Department within said Precinct.

In accordance with the above resolution this lease was executed on February 10, 1911.

Pursuant to section 320 of the Greater New York Charter, which provides that the Police Commissioners shall, from time to time, with the authority of the Commissioners of the Sinking Fund, establish, provide and furnish stations and station houses for accommodation thereof of members of the Police Force, etc., and as a place for the temporary detention of persons arrested and property taken within the Precinct, I would respectfully recommend that the Commissioners of the Sinking Fund approve of the request of the Police Commissioner as recited.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That pursuant to the provisions of section 320 of the Greater New York Charter as amended, the Commissioners of the Sinking Fund hereby authorize the Police Commissioner to establish, provide and furnish a Police Station House for the 283 Precinct, the building on the west side of Sherman street, 192 feet 10 inches south of Jamaica avenue, Richmond Hill, Borough of Queens, for the accommodation thereof, of members of the Police Force, and as a place of temporary detention for persons arrested and property taken within The City of New York, and also to provide and furnish such business accommodations, apparatus and articles, and to provide for the care thereof as shall be necessary for the Department of Police and the transactions of the business of the Department.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the lease of premises 3482 Park avenue, Borough of The Bronx, for use of the Department of Water Supply, Gas and Electricity:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—The Commissioners of the Sinking Fund, at a meeting held December 30, 1910, authorized a lease to the City from William I. Brown, agent, of premises 3482 Park avenue, Borough of The Bronx, for use of the Department of Water Supply, Gas and Electricity, for a period of four months from January 1, 1911, at a monthly rental of \$50, payable monthly.

The name of the lessor should have read W. E. & W. I. Brown, Incorporated, Agents.

I therefore respectfully recommend that the resolution above mentioned be amended by changing the name of the lessor from William I. Brown, Agent, to W. E. & W. I. Brown, Incorporated, Agents. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held December 30, 1910, authorizing a lease to the City, from William I. Brown, Agent, of premises 3482 Park avenue, Borough of The Bronx, for use of the Department of Water Supply, Gas and Electricity, for a period of four months from January 1, 1911, be and the same is hereby amended by substituting as the name of the lessor, "W. E. & W. I. Brown, Incorporated, Agents," in place of "William I. Brown, Agent."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered

the following resolution, relative to a lease to the City, of premises known as 147 Varick street, Borough of Manhattan, for use of the Board of Water Supply.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Mr. Joseph P. Morrissey, Secretary to the Board of Water Supply, in a communication to your Board under date of February 6, 1911, states that at a meeting of the Board of Water Supply held February 6, 1911, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund be requested to approve lease from H. C. Griffin & Company of the two-story and basement brick structure, about 20 feet by 75 feet in horizontal dimensions, and known by the number of 147 Varick street, Borough of Manhattan, to be used as a testing laboratory by the Board of Water Supply, for a period of one year from the 14th day of March, 1911, at a rental of \$1,500 per annum, payable quarterly at end of quarter, the rental to include steam heating and use of the elevator."

In the same communication, Secretary Morrissey says:

"We have received a letter from H. C. Griffin and Company, dated February 2, 1911, stating that they will add at their expense a line from the Varick street main to the laboratory at the above premises, which will give an uninterrupted flow of water. This arrangement is satisfactory to the Board."

The City has been a tenant of these premises for the past five years at a rental of \$1,500 a year under a sub-lease from the Henry Erkins Company, which held a lease to these and the adjoining premises from the Trinity Corporation. The Erkins Company failed some time ago and gave up its lease from the Trinity Corporation, and the latter corporation thereupon made a new lease for the three premises, 143, 145, 147 Varick street, to H. C. Griffin & Company, which firm now consents to make a lease to the City for the premises occupied by the City at 147 Varick street at the same rental and upon the same terms as contained in the former lease from the Henry Erkins Company.

In a letter dated January 25, 1911, Griffin & Company demanded a rental of \$1,660 a year from the City, but this was opposed as excessive by the Division of Real Estate of this Department, and as a result of negotiations between the Division of Real Estate, the Board of Water Supply and Griffin & Company, the latter firm finally consented to renew the lease at the former rental of \$1,500 a year, including steam heat and elevator service, and to put in at its own expense a pipe giving direct connection with the street water main, the water supply heretofore having been insufficient.

The appraised value of these premises, 147 Varick street, can only be given approximately, because of its being assessed with other property, of which this is a part.

It is assessed for the year 1911:

Land	\$11,000 00
Building	2,000 00
	\$13,000 00
Valuation by Tax Department:	
Land	\$12,000 00
Building	2,500 00
	\$14,500 00
Appraisal by Division of Real Estate:	
Land	\$12,000 00
Building	3,000 00
	\$15,000 00

The rental of \$1,500 a year is, therefore, about 11½ per cent. of the assessed value, 10-13 per cent. on the tax department value, and 10 per cent. on the appraisal by the Division of Real Estate.

For purpose of comparison, it may be stated that the firm of H. C. Griffin & Company pays the Trinity Corporation the sum of \$4,000 a year as rent for the three similar properties, 143, 145, 147 Varick street, including steam heat and power for elevator. The lease, however, did not cover the salary of the elevator attendant, which is to be provided by Griffin & Company, and this explains the reason why the premises rented by them at \$1,333.33 is sublet to the City for \$1,500, they not only supplying steam heat, but elevator service as well, and also put in the pipe giving the premises direct communication with the street water main.

Deeming the rent reasonable and just, and the lease being for the interests of the City, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the execution of a lease of the two-story and basement brick building 20 by 75 feet, known as 147 Varick street, Borough of Manhattan, used as a testing laboratory for the Board of Water Supply, for a period of one year from March 14, 1911, at a rental of \$1,500 a year, payable quarterly, the lessors to furnish steam heat and elevator service and to put in a service pipe connecting the premises directly with the street water main, and to make outside repairs; the lessee to furnish light and janitor service and to make such interior alterations and repairs as it may deem necessary. Lessors, H. C. Griffin & Company, 143 Varick street, Borough of Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from H. C. The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease of premises at 108-110 Cherry street, Manhattan, for use as an Infants' Milk Depot by the Department of Health.

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Mr. Eugene W. Scheffer, Secretary of the Department of Health, in a communication to your Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department of Health, held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund, be and they are hereby requested to authorize the lease to the City from P. J. Coppola, of 117 Mott street, Borough of Manhattan, of the double store on the first floor of the premises located at 108-110 Cherry street, Borough of Manhattan, for the use of the Department of Health as an Infants' Milk Depot, for a period of one year from the date of occupation, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$480 per annum, payable quarterly, this Board deeming said rental just and reasonable, and to authorize and direct the Comptroller to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

The premises referred to consist of a store, 12 feet by 34 feet 9 inches, with two rooms in the rear, one 15 foot 3 inches by 10 feet 2 inches, and the other 7 feet 6 inches by 9 feet 8 inches, in the six-story store and tenement building 108-110 Cherry street, north side, about 50 feet west of Catharine street, Borough of Manhattan. Both rear rooms have windows to the outer air. The store has toilet, sink, and some gas fixtures, and is heated by stove.

The Board of Health declares the rent of \$480 a year is reasonable and just. For comparison, the similar store space to the west of this store, divided into two small stores, rents for \$480 a year.

The lessor is to repair plumbing, provide additional gas fixtures, replace all broken glass, redecorate store and rooms throughout, and to put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof, and to permit the lessee to make any interior alterations it may deem necessary; lessor is also to pay taxes and water rates; the City to pay for light, heat and janitor service.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the

easterly store premises, 12 feet by 34 feet 9 inches, with rear rooms, 15 feet 3 inches by 10 feet 2 inches, and 7 feet 6 inches by 9 feet 8 inches, in the six-story store and tenement building, 108-110 Cherry street, Borough of Manhattan, for use as an Infants' Milk Depot by the Department of Health, for a period of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$480, payable quarterly, the lessor to repair plumbing, provide additional gas fixtures, replace all broken glass, redecorate store and premises throughout, and to put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof, and to permit the lessee to make any interior alterations and repairs it may deem necessary; the lessor to pay taxes and water rates; the lessee to furnish heat, light and janitor service; lessor, P. J. Coppola, 117 Mott street, Borough of Manhattan.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from P. J. Coppola, of the easterly store premises 12 feet by 34 feet 9 inches with rear rooms 15 feet 3 inches by 10 feet 2 inches and 7 feet 6 inches by 9 feet 8 inches in the six-story store and tenement building, 108-110 Cherry street, Borough of Manhattan, for use of the Department of Health as an Infants' Milk Depot, for a period of one year from February 15, 1911, with the privilege of renewal for an additional year, upon the same terms and conditions, at an annual rental of four hundred and eighty dollars (\$480), payable quarterly; the lessor to repair plumbing, provide additional gas fixtures, replace all broken glass, redecorate store and premises throughout and to put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof, and to permit the lessee to make any interior alterations and repairs it may deem necessary; the lessor to pay taxes and water rates; the lessee to furnish heat, light and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 139 Osborn street, Brooklyn, for use as an Infants' Milk Depot by the Department of Health.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Eugene W. Scheffer, Secretary of the Department of Health, in a communication to your honorable Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department of Health held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease to the City from Solomon Finkelstein, of 208 Osborn street, Borough of Brooklyn, of the store and three rooms in rear on the first floor of the premises 139 Osborn street, Borough of Brooklyn, for the use of the Department of Health as an Infants' Milk Depot, for a period of one year from the date of occupation, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$300 per annum, payable quarterly, this Board deeming said rental just and reasonable, and to authorize and direct the Comptroller to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

The premises referred to consist of a store 9 feet by 20 feet, with three rooms in the rear, 7 feet by 15 feet, 9 feet by 15 feet and 9 feet by 12 feet, on the first floor of the two-story and high basement frame store and tenement building at 139 Osborn street, Borough of Brooklyn. The premises have gas but no fixtures, and water and are heated by stove. The toilet is in the rear yard. The lessor is to pay taxes and water rates, to make all necessary repairs, and to put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof. The lessee is to furnish heat, light and janitor service. The store is now occupied temporarily, and possession cannot be obtained by the City until March 1, 1911.

The premises are to be used as an Infants' Milk Depot by the Board of Health. Said Board states that the rent is reasonable and just.

For comparison, an adjoining and similar store in same building is rented for \$300 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the execution of a lease of the store 9 feet by 20 feet, with three rooms in rear, 7 feet by 15 feet, 9 feet by 15 feet and 9 feet by 12 feet, on the first floor of the two-story and high basement, frame, store and tenement building at 139 Osborn street, Borough of Brooklyn, for use as an Infants' Milk Depot by the Department of Health, for a period of one year from March 1, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$300 a year, payable quarterly; the lessor to pay taxes and water rates, to make all necessary repairs, and to put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof; the lessee to supply heat, light and janitor service; lessor, Solomon Finkelstein, 208 Osborn street, Borough of Brooklyn. Respectfully,

WM. A. PRENDERGAST, Comptroller.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 651 Manhattan avenue, Brooklyn, for use as an Infants' Milk Depot by the Department of Health.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Eugene W. Scheffer, Esq., Secretary to the Department of Health, in a communication to your honorable Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department of Health held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease to the City from Herbert E. The premises in question consist of a store 9½ by 16 feet, with two rooms in the rear 9½ by 10 feet and 9½ by 14 feet, and coal bin 5 by 8 feet in cellar, store and rooms being on the ground floor of the four-story and cellar brick tenement, 651 Manhattan avenue, Borough of Brooklyn.

The lease is to be for a term of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$360 a year, payable quarterly, the lessor to pay taxes and water rates, have the premises thoroughly cleaned and to put and keep them in good and tenable condition during the term of the lease or any renewal thereof. The lessee to furnish heat, light and janitor service.

The Board of Health says that the rent is reasonable and just.

For comparison, the store adjoining on the south, similar, except that it is about two feet wider, rents for \$390 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the execution of a lease of the north store, measuring 9½ by 16 feet, with two rear rooms 9½ by 10 feet and 9½ by 14 feet, and coal bin in cellar 5 by 8 feet, in the four-story and cellar brick tenement, 651 Manhattan avenue, Borough of Brooklyn, for use as an Infants' Milk Depot by the Department of Health, for a term of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$360 a year, payable quarterly, the lessor to pay taxes and water rates, to have the premises thoroughly cleaned and to put and keep the same in good and tenable condition during the term of the lease or any renewal thereof, the lessee to furnish heat, light and janitor service. Lessor, Betty Norek; Agent, Herbert E. Williams, 818 Manhattan avenue, Borough of Brooklyn. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Betty Norek, of the north store, measuring 9½ by 16 feet with two rear rooms 9½ by 10 feet and 9½ by 14 feet, and coal bin in the cellar 5 by 8 feet, in the four-story and cellar brick tenement, 651 Manhattan avenue, Borough of Brooklyn, for use of the Department of Health as an Infants' Milk Depot, for a term of one year from February 15, 1911, with the privilege of renewal for an additional year, upon the same terms and conditions, at a rental of three hundred and sixty dollars (\$360) per annum, payable quarterly; the lessor to pay taxes and water rates to have the premises thoroughly cleaned, and to put and keep the same in good and tenable condition during the term of the lease or any renewal thereof; the lessee to furnish heat, light and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The premises referred to consist of the southerly store 10 feet 6 inches by 21 feet 6 inches in the six-story brick tenement building at 648-652 Morris avenue, Borough of The Bronx. The store has hot and cold water, gas fixtures and toilet, and is heated by stove. The lessor is to provide additional gas fixtures, paint walls, ceiling and woodwork of store white, make all other necessary repairs, and put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof; also to permit the lessee to make such interior alterations as it may deem necessary. Lessor, M. Santangelo, 72 Catharine street, Borough of Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Santangelo of the southerly store 10 feet 6 inches by 21 feet 6 inches in the six-story brick tenement building at 648-652 Morris avenue, Borough of The Bronx, for use of the Department of Health as an Infants' Milk Depot, for a period of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions at an annual rental of two hundred and sixteen dollars (\$216), payable quarterly; the lessor to furnish additional gas fixtures, paint walls, ceiling and woodwork of store white, make all other necessary repairs and put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof, also to pay taxes and water rates and to furnish hot water supply; the lessee to furnish heat, light and janitor service and to have the privilege of making such interior alterations as it may deem necessary; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 126 Dupont street, Brooklyn, for use as an Infants' Milk Depot by the Department of Health:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Eugene W. Scheffer, Esq., Secretary to the Department of Health, in a communication to your honorable Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department of Health held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease to the City from Mrs. A. N. Patcher, owner (J. P. Sloane, agent), of 887 Manhattan avenue, Greenpoint, Borough of Brooklyn, of the single store on the easterly side of the one-story extension on rear of premises 1090 Manhattan avenue, Borough of Brooklyn, known as 126 Dupont street, Borough of Brooklyn, for the use of the Department of Health as an Infants' Milk Depot, for a period of one year from the date of occupation, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$216 per annum, payable quarterly, this Board deeming said rental just and reasonable, and to authorize and direct the Comptroller to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

The premises in question consist of a store 22 feet 4 inches by 16 feet 6 inches on the south side of Dupont street, about 82 feet east of Manhattan avenue, Greenpoint, Borough of Brooklyn, being half of the building of two similar stores erected on the rear of lot known as 1090 Manhattan avenue.

The store is new, never having been occupied, and has gas and electric lights with stoves, water and toilet, and is heated by stove.

The Department of Health states that the rent is just and reasonable.

For comparison, the adjoining store in the same building, similar in every particular, is rented for \$204 a year.

As a result of negotiations by the Division of Real Estate of this Department, the owner of the store to be leased has consented to accept a rental of \$204 a year instead of \$216, as mentioned in the resolution, being the same rental paid by the adjoining tenant.

The store requires no repairs, but the lessor grants permission to the City to make any interior alterations that it may deem necessary.

The owner pays taxes and water rates and makes outside repairs, the City to provide heat, light and janitor service.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the easterly store, 22 feet 4 inches by 16 feet 6 inches, at 126 Dupont street, Greenpoint, Borough of Brooklyn, for use as an Infants' Milk Depot by the Department of Health, for a period of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$204 a year, payable quarterly, the lessor to pay taxes and water rates and to make all outside repairs, including repairs to roof, the City to furnish heat, light and janitor service and to make such interior alterations and repairs as it may deem necessary. Lessor, Mrs. A. N. Patcher, agent, J. P. Sloane, 887 Manhattan avenue, Greenpoint, Borough of Brooklyn. Respectfully,
WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Mrs. A. N. Patcher, of the easterly store 22 feet 4 inches by 16 feet 6 inches, at 126 Dupont street, Greenpoint, Borough of Brooklyn, for use of the Department of Health, as an Infants' Milk Depot, for a period of one year from February 15, 1911, with the privilege of renewal for an additional year, upon the same terms and conditions, at a rental of two hundred and four dollars (\$204) per annum, payable quarterly; the lessor to pay taxes and water rates and make all outside repairs, including repairs to roof; the City to furnish heat, light and janitor service; and to make such interior alterations and repairs as it may deem necessary; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 209 Stanton street, Manhattan, for use as an Infants' Milk Depot by the Department of Health:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Eugene W. Scheffer, Secretary of the Department of Health, in a communication to your honorable Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department of Health held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund, be and they are hereby requested to authorize the lease to the City from E. The premises referred to consist of a store 13 feet by 37 feet 4 inches, with rear room 8 feet by 15 feet, in the three-story and high basement, brick, store and tenement building with frame extension at 209 Stanton street, Borough of Manhattan. The store has gas and water. The toilet is in the rear basement. The lessor will overhaul the plumbing, furnish additional gas fixtures, repaint the interior of store and adjoining room, furnish such coal space in cellar as may be required, and put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof, and permit the lessee to make such interior alterations as it may deem necessary. The lessor will also pay taxes and water rates, and the lessee will furnish heat, light and janitor service.

The premises are to be used as an Infants' Milk Depot by the Board of Health. Said Board states that the rent is reasonable and just.

Lessor, E. Neufeld, 191-197 Stanton street, Borough of Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from E. Neufeld, of the store 13 by 37 feet 4 inches, with rear room 8 by 15 feet on the first floor and coal space in the cellar in the three-story and high basement, brick, tenement building at 209 Stanton street, Borough of Manhattan, for use of the Department of Health as an Infants' Milk Depot, for a period of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of four hundred and eighty dollars (\$480), payable quarterly; the lessor to pay taxes and water rates, to repaint the interior of store and room, overhaul plumbing, place gas fixtures in show window, make all other necessary repairs and put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof; the lessee to furnish heat, light and janitor service, and to have the privilege of making such interior alterations as it may deem necessary; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease of premises at 164 Avenue C, Borough of Manhattan, for use as an Infants' Milk Depot by the Department of Health:

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Mr. Eugene W. Scheffer, Secretary of the Department of Health, in a communication to your Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department of Health, held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease to the City from Meyer Butzel, of 22 East 89th street, Borough of Manhattan, of the store, two rooms and basement of the premises located at 164 Avenue C, Borough of Manhattan, for the use of the Department of Health as an Infants' Milk Depot, for a period of one year from the date of occupation, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$420 per annum, payable quarterly, this Board deeming said rental just and reasonable, and to authorize and direct the Comptroller

to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

The premises referred to consist of a store, 9 feet 6 inches by 29 feet, with two rooms in the rear, 8 by 9 feet, and 8 by 11 feet, and space 9 feet 6 inches by 15 feet in front part of cellar, in the five-story brick store and tenement building, 164 Avenue C, Borough of Manhattan. The store has toilet, water and gas, and is heated by stove. The lessor is to pay taxes and water rates, and to put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof, and to permit the City to make such interior alterations as it may deem necessary; the City to pay for light, heat and janitor service; the lease to contain a clause stipulating that the premises shall not be used for the dispensing of drugs or the care of sick children; the rent to be \$420 a year, payable quarterly, which rent the Department of Health declares reasonable and just.

For comparison, the store adjoining on the north, 6 inches narrower, and having less space and poorer light in the rear rooms, rents for \$360 a year.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the southerly store, 9 feet 6 inches by 29 feet, with two rooms in the rear, 8 by 9 feet and 8 by 11 feet, and front cellar space 9 feet 6 inches by 15 feet, in the five-story brick store and tenement building, 164 Avenue C, Borough of Manhattan, for a term of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, for use as an Infants' Milk Depot by the Department of Health, at a rental of \$420 a year, payable quarterly, it being understood and agreed that the premises shall not be used for the dispensing of drugs or the care of sick children; the lessor to pay taxes and water rates, and to put and keep the premises in good and tenable condition during the term of the lease or any renewal thereof, and to grant to the lessee the right to make such interior alterations as it may deem necessary; the lessee to pay for heat, light and janitor service. Lessor, Meyer Butzel, 22 East 89th street, Borough of Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at 698 Henry street, Brooklyn, for use as an Infants' Milk Depot by the Department of Health:

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Mr. Eugene W. Scheffer, Secretary of the Department of Health, in a communication to your Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department, held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease to the City from Frank M. The premises referred to consist of a store, 10 by 21 feet, with four rooms in the rear, 12 feet by 12 feet 3 inches, 14 feet by 7 feet 4 inches, 10 feet 6 inches by 7 feet 4 inches, and 10 feet 6 inches by 7 feet 4 inches, and passageway, 8 feet 6 inches by 4 feet, and coal bin in cellar, in the four-story brick tenement 698 Henry street, Borough of Brooklyn. The lessor is to pay taxes and water rates, and to put and keep premises in good and tenable condition during the term of the lease or any renewal thereof; the lessee to furnish heat, light and janitor service.

The Board of Health says that rent of \$240 a year is just and reasonable. For comparison, the adjoining store on the south side, similar in every respect, is rented for \$240 a year.

The premises referred to consist of a front room, 15 feet 3 inches by 16 feet, on the ground floor, at the northwest corner of the new three-story and basement brick United Neighborhood Guild building, 176 Nassau street, Borough of Brooklyn. The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 303 Williams avenue, Brooklyn, for use as an Infants' Milk Depot by the Department of Health.

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Mr. Eugene W. Scheffer, Secretary of the Department of Health, in a communication to your Board under date of January 25, 1911, states that at a meeting of the Board of Health of the Department of Health, held January 24, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease to the City from Williams Realty Company, of 516 Sutter avenue, Borough of Brooklyn, of the store on the first floor of the premises 303 Williams avenue, Borough of Brooklyn, for the use of the Department of Health as an Infants' Milk Depot, for a period of one year from the date of occupation, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$168 per annum, payable quarterly, this Board deeming said rental just and reasonable, and to authorize and direct the Comptroller to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

The premises in question consist of a store, 12 by 20, in a four-story brick tenement at the southeast corner of Williams and Sutter avenues, Borough of Brooklyn, said store being about 40 feet south of Sutter avenue. The store has gas, hot and cold water, and steam heat. The owner is to put in toilet and gas fixtures, and to put and keep the premises in good and tenantable condition during the term of the lease or any renewal thereof, and also to pay taxes and water rates, and furnish steam heat; and the City is to pay for light and janitor service, and to make such interior alterations as it may deem necessary.

The rent of \$168 a year is declared by the Board of Health reasonable and just. For comparison, 305 Williams avenue, an adjoining store, the same size and having in addition a rear room, 12 by 10, is rented for \$192 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the execution of a lease of the store premises, 12 by 20, known as 303 Williams avenue, 40 feet south of Sutter avenue, Borough of Brooklyn, for use as an Infants' Milk Depot by the Department of Health, for a period of one year from February 15, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$168 a year, payable quarterly; the lessor to pay taxes and water rates, furnish steam heat and hot water supply, put in toilet and gas fixtures, and to put and keep premises in good and tenantable condition during the term of the lease or any renewal thereof; the lessee to furnish light and janitor service, and to make such interior alterations as it may deem necessary; lessor, Williams Realty Company, by Edward Guckenheimer, Secretary, 516 Sutter avenue, Borough of Brooklyn. Respectfully, WM. A. PRENDERGAST, Comptroller.

king Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an amendment to resolution authorizing a lease premises on Bay street, Stapleton, Borough of Richmond, for use of the Department of Health:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—The Commissioners of the Sinking Fund at a meeting held October 27, 1910, adopted the following resolution:

"Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from the Estate of A. Horrmann, deceased, William Horrmann, Charles Horrmann and Isaac Untermyer, executors, of the vacant premises on the west side of Bay street, extending from Richmond road to Elizabeth street, Stapleton, Borough of Richmond, fronting about 50 feet on the northwesterly side of Richmond road, 41 feet on the westerly side of Bay street, 103 feet on the southerly side of Elizabeth street, and having a rear line of 58 feet at right angles to Elizabeth street and irregular, for use of the Board of Health as a tuberculosis clinic, for a term of three years from November 1, 1910, with the privilege of renewal for an additional three years, upon the same terms and conditions, at an annual rental of two hundred and forty dollars (\$240), payable quarterly; the lessor to pay taxes and grant permission to the lessee to remove the two old sheds on the rear of the plot; the lessee to make necessary improvements and furnish heat, light, water and janitor service, if needed."

In accordance with this resolution, leases were prepared by the Corporation Counsel, but when they were submitted to the lessors, they refused to execute them. They informed the Secretary of the Board of Health that they will not execute them with the privilege of renewal.

The Board of Health on January 31, 1911, adopted a resolution requesting the Commissioners of the Sinking Fund to amend their resolution of October 27, 1910, so as to make it read that the term of the lease will be three years from the date of occupancy on November 7, 1910.

I therefore respectfully recommend that the resolution above quoted be amended so as to read that the lease will be for a period of three years from November 7, 1910, without the privilege of renewal. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held October 27, 1910, authorizing a lease of the vacant premises on the west side of Bay street, extending from Richmond road to Elizabeth street, Stapleton, Borough of Richmond, for use of the Board of Health as a tuberculosis clinic, for a term of three years from November 1, 1910, with the privilege of renewal for an additional three years, upon the same terms and conditions, be and the same is hereby amended by striking out the words "with the privilege of renewal for an additional three years upon the same terms and conditions."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City, of premises 1034-1036 East 134th street, Borough of The Bronx, for use of the Department of Health:

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Mr. Eugene W. Scheffer, Secretary of the Department of Health, in a communication to your Board under date of February 2, 1911, states that at a meeting of the Board of Health of the Department of Health, held January 31, 1911, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund, be and they are hereby respectfully requested to authorize and direct the Comptroller to execute a renewal of the lease to the City from J. H. C. Johansmeyer, of the premises situated at 1034-1036 East 134th street, Borough of The Bronx, to be used as an ambulance and disinfecting stable for the housing of ambulances and disinfecting wagons of the Department of Health, for a period of one year from January 1, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease; the Board of Health deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made."

It will be noted that this lease expired January 1, 1911, and the City at the present time is a holdover tenant. The delay in forwarding a request for a renewal of this lease, as stated in a communication from the Health Department, was occasioned in great measure by the desire of the President of the Board of Health to utilize certain property purchased by the City in 1907 for this purpose, at Willow avenue and 134th street, Borough of The Bronx, and that owing to certain restrictions which existed on the property, it has not been possible for the Department to avail itself of the use of same. The matter of requesting the Corporation Counsel to take steps to have the restrictions removed has been considered and the impending expiration of the lease was lost sight of.

The Comptroller, after examination, in a communication addressed to the Commissioners of the Sinking Fund under date of January 25, 1910, reported favorably upon a renewal of this lease for a term of one year from January 1, 1910, with the privilege of renewal for an additional year, at an annual rental of \$1,200, payable quarterly, the same rent as now asked for this renewal. Said report was approved and a renewal of the lease authorized by the Sinking Fund Commission at a meeting held March 16, 1910.

Under the circumstances of the City being a holdover tenant, the rent must be deemed reasonable and just, and being the same as heretofore paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises situated at 1034-1036 East 134th street, Borough of The Bronx, to be used as an ambulance and disinfecting stable for the housing of ambulances and disinfecting wagons of the Department of Health, for a period of one year from January 1, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$1,200, payable quarterly; the lessor to pay taxes and water rates and make any necessary outside repairs. Lessor, J. H. C. Johansmeyer.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, of premises situated at 1034-1036 East 134th street, Borough of The Bronx, for use of the Department of Health as an ambulance and disinfecting stable, for the housing of ambulances and disinfecting wagons, for a period of one year from January 1, 1911, with the privilege of renewal for an additional year, upon the same terms and conditions, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly; the lessor to pay taxes and water rates and make any necessary outside repairs; lessor, J. H. C. Johansmeyer; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at 516 East 20th street, Borough of Manhattan, for use of the Department of Correction.

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Hon. Patrick A. Whitney, Commissioner of the Department of Correction, in a communication to your Board under date of January 10, 1911, says:

"Application is hereby made to the Honorable, the Commissioners of the Sinking Fund, for a renewal of lease of stable building 516 East 20th street, Manhattan, for a period of one year from April 1, 1911, at which date the present lease will expire. Building to be used as at present, for Central Stable of Department."

"The lessor is Mr. John U. Brookman, 88 Wall street, City."

The Department of Correction has occupied this stable for the past nine years at \$1,200 per annum, the same rent now asked for this renewal, the owner paying taxes and making inside and outside repairs, the City paying water rates and supplying heat, light and janitor service.

The property is assessed for the year 1911—Land, \$6,500; building, \$5,000; total, \$11,500.

Tax Department Appraisal—Land, \$8,000; building, \$5,000; total \$13,000.

Real Estate Division Appraisal—Land, \$8,000; building, \$5,000; total, \$13,000.

The matter of a renewal of this lease at the same rental as now asked, \$1,200, was reported favorably by the Comptroller in a letter to the Sinking Fund Commission under date of March 25, 1910, and the report was approved and a renewal of the lease authorized at a meeting of the Sinking Fund Commission held April 6, 1910.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the stable premises, 516 East 20th street, Borough of Manhattan, for use as a central stable for the Department of Correction for a period of one year from April 1, 1911, at an annual rental of \$1,200, payable quarterly; the lessor to pay taxes and make inside and outside repairs; the lessee to pay water rates and furnish heat, light and janitor service; otherwise upon the same terms and conditions as contained in the existing lease. Lessor, John U. Brookman, 88 Wall street, Borough of Manhattan.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the stable premises, 516 East 20th street, Borough of Manhattan, for use of the Department of Correction, for a period of one year from April 1, 1911, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly; the lessor to pay taxes and make inside and outside repairs; the lessee to pay water rates and furnish heat, light and janitor service, otherwise upon the same terms and conditions as contained in the existing lease; lessor, John U. Brookman; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of rooms 1323-1324 in the Park Row Building, 13-21 Park Row, Borough of Manhattan, for use of the President of the Borough.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Honorable George McAneny, President of the Borough of Manhattan, in a communication dated January 30, 1911, requests the Sinking Fund Commission to authorize a lease of Rooms 1323 and 1324 on the 13th floor of the Park Row Building.

The President of the Borough at present occupies about 18,592 square feet in the Park Row Building under a lease which will expire April 1, 1911. The area of the rooms proposed to be leased is approximately 411 square feet, and the rent \$72 per month. This would be at the rate of \$2.10 a square foot. While it is more than the rate paid for the rooms at present under lease for the President of the Borough, still it is just and reasonable, and is less than that paid for some of the rooms leased by the City in the Park Row Building.

In his communication the Borough President states that this lease is necessary for the establishment of an auxiliary force in the Bureau of Sewers, which force will look after the cleaning of the sewers of The City of New York. These employees are at present in the office of the Commissioner of Accounts, who needs the space used by them.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of Rooms 1323-1324 on the 13th floor of the Park Row Building, 13-21 Park Row, Borough of Manhattan, for use of the President of the Borough of Manhattan, for a period from February 15, 1911, to April 1, 1911, at a rental of \$72 a month; the lessor to furnish light, heat, elevator and janitor service, and to pay taxes and water rates; the City to observe any reasonable rules and regulations of said building as to the use of the demised premises and the conduct of City employees that do not interfere with the conduct and management of its business. Lessor, Park Row Realty Company.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Park Row Realty Company of Rooms 1323-1324 on the 13th floor of the Park Row Building, 13-21 Park Row, Borough of Manhattan, for use of the President of the Borough of Manhattan, for a period from February 15, 1911, to April 1, 1911, at a rental of seventy-two dollars (\$72) per month; the lessor to furnish light, heat, elevator and janitor service and to pay taxes and water rates; the City to observe any reasonable rules and regulations of said building as to the use of the demised premises and the conduct of City employees that do not interfere with the conduct and management of its business; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the rental of premises at 60 Castleton avenue, West New Brighton, Borough of Richmond, occupied by the Board of Elections:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Honorable J. Gabriel Britt, President, Board of Elections, in two communications to your honorable Board under date of January 24, 1911, states that at a meeting of the Board of Elections of The City of New York held on that day, the following resolutions were adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby authorized and requested to cause the Comptroller of The City of New York to pay to Katherine Fink, of West New Brighton, Borough of Richmond, the sum of fifty dollars (\$50) for the use by this Board of premises located at 60 Castleton avenue, West New Brighton, Borough of Richmond, covering 264 square feet of space, for the storage of election material, for the year 1910, said sum to be paid from the appropriation designated '665, Special Contract Obligations.'"

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby authorized and requested to cause the Comptroller of The City of New York to pay to Katherine Fink, of West New Brighton, Borough of Richmond, the sum of fifty dollars (\$50), payable monthly, for the use by this Board of premises located at 60 Castleton avenue, West New Brighton, Borough of Richmond, covering 264 square feet, for the storage of election material, for the year 1911, without the necessity of entering into a lease for said premises, said sum to be paid from the appropriation designated '851, Special Contract Obligations.'"

The Comptroller, in a letter to the Commissioners of the Sinking Fund under date of March 31, 1910, reported favorably regarding the payment to Katherine Fink of the sum of \$29.17 for the rent of the above mentioned premises for the seven months from June 1 to December 31, 1909, and said report was approved by the Sinking Fund Commission at a meeting held April 6, 1910, and payment of the said rent was authorized. However, through some oversight, no resolution was adopted providing for the payment of rent to Katherine Fink for the year 1910, and no rent for that year has been paid to her.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment to Mrs. Katherine Fink, of West New Brighton, Borough of Richmond, of the sum of fifty dollars (\$50) for the use by the Board of Elections of premises located at 60 Castleton avenue, West New Brighton, Borough of Richmond (covering 264 square feet of space), for the storage of election material, for the year 1910, said sum to be paid from the appropriation designated "665, Special Contract Obligations"; also

That another resolution be adopted by the Commissioners of the Sinking Fund authorizing the payment to Mrs. Katherine Fink, of West New Brighton, Borough of Richmond, of the sum of fifty dollars (\$50), payable quarterly, for the use by the Board of Elections of premises located at 60 Castleton avenue, West New Brighton, Borough of Richmond (covering 264 square feet), for the storage of election material during the year 1911, without the necessity of entering into a lease therefor, said sum to be paid from the appropriation designated "851, Special Contract Obligations."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Mrs. Katherine Fink, the sum of fifty dollars (\$50) for use of the Board of Elections, of premises located at 60 Castleton avenue, West New Brighton, Borough of Richmond, covering 264 square feet of space, for the storage of election material for the year 1910, said payment to be made without the necessity of entering into a lease therefor from the appropriation made to the Board of Elections for the year 1910, designated "665. Special Contract Obligations."

Resolved, That the Comptroller be and is hereby authorized to pay to Mrs. Katherine Fink, the sum of fifty dollars (\$50), payable quarterly, for use of the Board of Elections, of premises located at 60 Castleton avenue, West New Brighton, Borough of Richmond, covering 264 square feet of space, for the storage of election material during the year 1911, said payment to be made without the necessity of entering into a lease therefor, from the appropriation made to the Board of Elections for the year 1911 designated "851. Special Contract Obligations."

The report was accepted, and the resolutions severally adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the rental of room in the Manhattan Storage Warehouse at 52d street and 7th avenue, Manhattan, occupied by the Board of Elections:

February 10, 1911.

To the Honorable, The Commissioners of the Sinking Fund:

Gentlemen—Honorable J. Gabriel Britt, President of the Board of Elections of The City of New York, in a communication to your honorable Board under date of January 24, 1911, states that at a meeting of the Board of Elections held on that date the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be, and they are hereby authorized and directed to cause the Comptroller of The City of New York to pay to the Manhattan Storage and Warehouse Company the sum of \$154.87 for the rental of Room 8-Q-6 in the Manhattan Storage and Warehouse, 7th avenue and 52d street, Borough of Manhattan, from March 28, 1910, to December 31, 1910, used for the storage of election material and labor in connection with placing of the same therein, said sum to be paid from the appropriation designated '665. Special Contract Obligations.'"

In a second communication of the same date, he says the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be, and they are hereby authorized and requested to cause the Comptroller of The City of New York to pay to the Manhattan Storage and Warehouse Company the sum of \$16.75 per month for the storage of ballot boxes placed therein by order of the Court, such payment to continue during the year 1911, until the boxes in question are released by order of the Court, said sum to be paid from the appropriation designated '851. Special Contract Obligations.'"

This room or bin in the Manhattan Storage Warehouse, at 52d street and 7th avenue, Manhattan, measures 12 feet 5 inches by 8 feet 5 inches by 10 feet, and contains 1,062 cubic feet. It is located on the eighth floor, and the rent of \$16.75 a month is the regular rate charged by the Warehouse Company for other rooms of the same size on this floor, being at the rate of about 19 cents a cubic foot a year.

President Britt states that the election boxes of the 8th Municipal Court District of Manhattan and the 2d Municipal Court District of Queens are stored in this room by order of the Court, owing to the contests in the Courts, which have, as yet, not been decided. He also states that as soon as the boxes are released by the Court the payment of the rent for said room will discontinue and the boxes returned to the place of their original storage.

The sum of \$154.87 for the rent from March 28 to December 31, 1910, includes also \$2.50 charged by the Warehouse Company for labor in handling the boxes when stored.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment to the Manhattan Storage and Warehouse Company of the sum of \$154.87 for rental of Room 8-Q-6, in the Manhattan Storage Warehouse, 7th avenue and 52d street, Borough of Manhattan, for a period from March 28, 1910, to December 31, 1910, used for the storage of election material and labor in connection with placing the same therein, said sum to be paid from the appropriation designated "665. Special Contract Obligations."

And also that payment be authorized to the Manhattan Storage and Warehouse Company of the sum of \$16.75 a month from January 1, 1911, for the storage of these ballot boxes in said Room 8-Q-6, such payment to continue during the year 1911, until the boxes in question are released by order of the Court, said sum to be paid from the appropriation designated "851. Special Contract Obligations."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to the Manhattan Storage and Warehouse Company, the following rentals of rooms in the Manhattan Storage Warehouse, 7th avenue and 52d street, Borough of Manhattan, occupied by the Board of Elections for the storage of election material, as follows:

1. \$154.87 being the rental of Room 8-Q-6 for a period from March 28, 1910, to December 31, 1910, said payment to be made without the necessity of entering into a lease from the appropriation made to the Board of Elections for the year 1910 designated "665. Special Contract Obligations."

2. \$16.75 a month, from January 1, 1911, for the storage of ballot boxes in said Room 8-Q-6, said payment to continue during the year 1911 until the boxes in question are released by order of the Court, said payment to be made without the necessity of entering into a lease from the appropriation made to the Board of Elections for the year 1911, designated "851. Special Contract Obligations."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the rental of premises at 325 Bay street, Clifton, Borough of Richmond, occupied by the Board of Elections.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Honorable J. Gabriel Britt, President, Board of Elections, in a communication to your honorable Board under date of January 24, 1911, states that at a meeting of the Board of Elections of The City of New York held that day, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be, and they are hereby authorized and requested to cause the Comptroller of The City of New York to pay to Fred T. Scott, of 325 Bay street, Clifton, Borough of Richmond, the sum of sixty-five dollars (\$65), payable monthly, for the use by this Board of premises located at 325 Bay street, Clifton, Borough of Richmond, covering 810 square feet, for the storage of election material, for the year 1911, without the necessity of entering into a lease for said premises, said sum to be paid from the appropriation designated '851. Special Contract Obligations.'"

The Comptroller, in a report to the Sinking Fund Commission under date of March 31, 1910, reported favorably upon the payment of the rent for the years 1909 and 1910, for the premises mentioned in the above resolution, at the rate of \$65 a year, being the same rent as asked for the year 1911, and said report was approved by the Sinking Fund Commission at a meeting held April 6, 1910, and the payment to Fred T. Scott of the rent at the rate of \$65 a year for the years 1909 and 1910 was authorized.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment to Fred T. Scott of 325 Bay street, Clifton, Borough of Richmond, of the sum of sixty-five dollars (\$65), payable quarterly, for the use of the Board of Elections of premises located at 325 Bay street, Clifton, Borough of Richmond (covering 810 square feet) for the storage of election material during the year 1911, without the necessity of entering into a lease for said premises, said sum to be paid from the appropriation designated "851. Special Contract Obligations."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Special Contract Obligations."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the rental of premises at 80 Broadway, Flushing, Borough of Queens, occupied by the Board of Elections.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Honorable J. Gabriel Britt, President of the Board of Elections of The City of New York, in a communication to your Honorable Board under date of January 24, 1911, states that at a meeting of the Board of Elections held on that date, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be, and they are hereby authorized and requested to cause the Comptroller of The City of New York to pay to L. McCardell, of 80 Broadway, Flushing, Borough of Queens, the sum of thirty-five dollars (\$35), payable semi-annually, for the use by this Board of premises located at 80 Broadway, Flushing, Borough of Queens, covering 250 square feet, for the storage of election material for the year 1911, without the necessity of entering into a lease for said premises, said sum to be paid from the appropriation designated, '851. Special Contract Obligations.'"

The election materials, booths, railings, etc., are stored on the second floor of the 2-story frame stable at 80 Broadway, Flushing.

The rent of \$35 a year for 250 square feet is at the rate of 14 cents a square foot and is just and reasonable.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment to L. McCardell, of 80 Broadway, Flushing, Borough of Queens, the sum of \$35, payable semi-annually, for use by the Board of Elections of 250 square feet on the second floor of premises, 80 Broadway, Flushing, Borough of Queens, for the storage of election material for the year 1911, without the necessity of entering into a lease for the premises, the same to be paid from the appropriation designated, "851. Special Contract Obligations."

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby authorized and requested to cause the Comptroller of The City of New York to pay to Harry E. Sprague, Main street, Tottenville, Borough of Richmond, the sum of forty dollars (\$40), payable monthly, for the use of this Board, of premises located on Main street, Tottenville, Borough of Richmond, covering 540 square feet, for the storage of election material, for the year 1911, without the necessity of entering into a lease for said premises, said sum to be paid from the appropriation designated '851. Special Contract Obligations.'"

—President Britt also states that the rental of the premises is necessary and the amount of rent is fair.

The Comptroller, in a letter to the Sinking Fund Commission under date of March 31, 1910, reported favorably regarding the payment of the rent of these premises for the years 1909 and 1910, at the same rate as now asked for the present year, and said report was approved by the Sinking Fund Commission at a meeting held April 6, 1910, and the Comptroller was authorized to pay the rent without the necessity of entering into a lease.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to Harry E. Sprague, Main street, Tottenville, Borough of Richmond, the sum of \$40, payable quarterly, for use of rear premises 249 Main street, Tottenville, Borough of Richmond, covering 540 square feet, used for the storage of election material, for the whole of the year 1911, without the necessity of entering into a lease, upon a voucher prepared by the Board of Elections, said sum to be paid from the appropriation designated "851. Special Contract Obligations."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Harry E. Sprague, Main street, Tottenville, Borough of Richmond, the sum of forty dollars (\$40), payable quarterly, being the rental of premises in the rear of premises 249 Main street, Tottenville, Borough of Richmond, to be used by the Board of Elections for the storage of election material during the whole of the year 1911; said payment to be made without the necessity of entering into a lease, upon a voucher prepared by the Board of Elections, from the appropriation made to the Board of Elections for the year 1911 designated, "851. Special Contract Obligations."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the rental of premises on the north side of Fresh Pond road, opposite Glasser street, Glendale, Borough of Queens, occupied by the Board of Elections:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Honorable J. Gabriel Britt, President of the Board of Elections of The City of New York, in a communication to your honorable Board under date of January 24, 1911, states that at a meeting of the Board of Elections held on that date, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby authorized and requested to cause the Comptroller of The City of New York to pay to the Ivanhoe Hook and Ladder Company of Evergreen, Borough of Queens, the sum of thirty-five dollars (\$35), payable semi-annually, for the use of this Board, of premises located on Fresh Pond road, Evergreen, Borough of Queens, covering 400 square feet, for the storage of election material for the year 1911, without the necessity of entering into a lease for said premises, said sum to be paid from the appropriation designated '851. Special Contract Obligations.'"

There is an error in this resolution, the fire house of the Ivanhoe Hook and Ladder Company being located on the Glendale side of Fresh Pond road, which street is the dividing line between Glendale and Evergreen.

The election material mentioned, consisting of booths, railings, etc., is stored in the two-story frame fire house of the Ivanhoe Hook and Ladder Company, No. 10, in Fresh Pond road, opposite Glasser street, Glendale.

The rent of \$35 a year for 400 square feet of floor surface is reasonable and just.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment to the Ivanhoe Hook and Ladder Company, No. 10, of Glendale, Borough of Queens, the sum of \$35, payable semi-annually, for the storage of election materials during the year 1911, by the Board of Elections, in the fire house of said Company, 400 square feet, located on the north side of Fresh Pond road, opposite Glasser street, Glendale, Borough of Queens, without the necessity of entering into a lease for said premises, said sum to be paid from the appropriation designated "851. Special Contract Obligations."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to the Ivanhoe Hook and Ladder Company, No. 10, Glendale, Borough of Queens, the sum of thirty-five dollars (\$35), payable semi-annually, being the rental for the whole of the year

11, of 400 square feet of space to be occupied by the Board of Elections in the house of said Company, located on the north side of Fresh Pond road, opposite asser street, Glendale, Borough of Queens; said payment to be made without the necessity of entering into a lease, upon a voucher prepared by the Board of Elections, on the appropriation made to the Board of Elections for the year 1911 designated 51. Special Contract Obligations."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 1908-1910 Myrtle avenue, Glendale, Borough of Queens, for use of the Third District Municipal Court:

February 10, 1911.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The City has been a month to month tenant of the second floor except one room at the southwest corner, also one room on the first floor in the City Building, 1908-1910 Myrtle avenue, Glendale, Borough of Queens, which premises have been used for court room purposes by the Third District Municipal Court of Queens.

On December 19, 1910, Mr. Angelus Wetzel, treasurer of the Unity Club Association, the owner of the property, in a letter to your Board, offered to give a flat lease the premises occupied by the City for a term of three years, at a rental of \$1,800 a year; the City to give up the room on the ground floor, formerly used as a Judge's room, and to take in place of it the large room at the southwest corner of the second floor, heretofore reserved, at a rental of \$1,800 a year; the lessors to pay taxes and furnish steam heat, light, water and janitor service, and reserving the right to rent the court room or assembly hall and the ante-rooms on the second floor, except those occupied as Clerk's office and Judge's room, for lodge meetings, club meetings and other such purposes, from 6 o'clock p. m. to 6 o'clock a. m. during each and every day of said term.

The question of a renewal of this lease from month to month, for a period of six months from July 1, 1910, at a rental of \$1,800 a year, was reported upon favorably by the Comptroller in a communication to your Board under date of May 31, 1910, and the said report was approved and the renewal of the lease authorized at a meeting of your Board held June 22, 1910. Under the new lease now proposed the only change is that the City gives up the Judge's room, 13 by 18 feet, on the ground floor, and takes in place of it the large room, 12 by 20 feet, on the second floor at the southwest corner of the building. All the furniture in the building used by the Court is supplied by the lessor, the City only providing a safe and metal filing cases.

As a result of considerable negotiation by the Division of Real Estate of this department, the lessor has agreed to make the rent \$1,500 a year instead of \$1,800, as previously paid, or a saving of \$300 a year, upon a three-year lease, from January 1, 1911, the City to take the second floor room mentioned in place of the room on the ground floor, and the other terms and conditions to be the same as in the previous lease.

Deeming the rent reasonable and just, and the City being a holdover tenant, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of all of the second floor in the premises known as the Unity Building, 1908-1910 Myrtle avenue, Glendale, Borough of Queens, including the assembly hall, 48 by 49 feet, with ante-rooms and toilets, for use of the Third District Municipal Court, Borough of Queens, for a term of three years from January 1, 1911, at an annual rental of \$1,500, payable quarterly; the lessor to completely furnish all of said rooms for court purposes, including platforms, desks, tables, partitions and all other necessities, except a safe and metal filing cases; the lessor is also to pay taxes and water rates, and to furnish steam heat and janitor service; the lessor reserving the right to use or rent said assembly hall and all ante-rooms on the second floor, except rooms occupied as Clerk's office and Judge's room, for lodge meetings, club meetings and other such purposes, between the hours of 6 o'clock p. m. and 6 o'clock a. m. during each and every day of said term. Lessor, Unity Building Association, by Angelus Wetzel, treasurer.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from the Unity Building Association, by Angelus Wetzel, treasurer, of all of the second floor in the premises known as the Unity Building, 1908-1910 Myrtle avenue, Glendale, Borough of Queens, including the Assembly Hall, 48 by 49 feet, with ante-rooms and toilets, for use of the Third District Municipal Court, Borough of Queens, for a term of three years from January 1, 1911, at an annual rental of fifteen hundred dollars (\$1,500), payable quarterly; the lessor to completely furnish all of said rooms for court purposes, including platforms, desks, tables, partitions and all other necessities, except the safe and metal filing cases; the lessor is also to pay taxes and water rates and furnish steam heat and janitor service; the lessor reserving the right to use or rent said assembly hall and all ante-rooms on the second floor except rooms occupied as Clerk's office and Judge's room, for lodge meetings, club meetings and other such purposes, between the hours of 6 o'clock p. m. and 6 o'clock a. m. during each and every day of said term; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions relative to the lease of premises in the Ashland Building, 4th avenue and 24th street, Manhattan, for use of the Probation Officers of the Court of Special Sessions:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Under date of January 25, 1911, your honorable Board adopted a resolution authorizing a lease to the City from Philip Braender of Rooms 1901 and 1902 on the 19th floor of the Ashland Building, located at the southeast corner of 4th avenue and 24th street, Borough of Manhattan, for use of the Probation Officers of the Court of Special Sessions, for a term of two years from February 1, 1911, with the privilege of renewal for an additional term of two years, at a rental of \$2,000 a year, payable quarterly, the lessor to provide heat, light, water, elevator and janitor service and pay taxes; the lessor also agreeing to keep the building open and provide elevator service until 10 o'clock on two evenings a week to be designated by the Probation Officers.

Pending the preparation of the lease and before same could be executed, the lessor leased the rooms in question to other tenants.

The desirability of the neighborhood, and the fact that accommodations of a like character could be had in the same building, and at the same rental, Rooms 5 and 6 on the 18th floor in said building, containing approximately the same amount of space, viz.: 1,557 square feet, are selected as an exchange.

In view of these conditions, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution amending the resolution adopted January 25, 1911, by inserting in lieu of Rooms 1901 and 1902 on the 19th floor, Rooms 5 and 6 on the 18th floor of the Ashland Building, located at the southeast corner of 4th avenue and 24th street, Borough of Manhattan, for use of the Probation Officers of the Court of Special Sessions, and the term of the lease to read two years from February 15, 1911. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held January 25, 1911, authorizing a lease of Rooms 1901 and 1902 on the 19th floor of the Ashland Building, located at the southeast corner of 4th avenue and 24th street, Borough of Manhattan, for use of the Probation Officers of the Court of Special Sessions, be and the same is hereby rescinded;

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Philip Braender, of Rooms 5 and 6 on the 18th floor of the Ashland Building, located at the southeast corner of 4th avenue and 24th street, Borough of Manhattan, for use of the Probation Officers of the Court of Special Sessions, for a term of two years from February 15, 1911, at an annual rental of two thousand dollars (\$2,000), payable quarterly; the lessor to provide heat, light, water, elevator and janitor service, pay taxes and water rates, the lessor also agreeing to keep the building open and provide elevator service until 10 o'clock on two evenings a week, to be designated by the Probation Officers; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for

the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolutions severally adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an amendment to resolution authorizing a lease of premises at 19 Hardenbrook avenue, Jamaica, Borough of Queens, for use of the Court of Special Sessions.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—On October 27, 1910, the Commissioners of the Sinking Fund adopted a resolution authorizing a lease from Mrs. Elizabeth Flynn, of the premises, 19 Hardenbrook avenue, Jamaica, Borough of Queens, excepting the two semi-detached rooms on the southerly side of the ground floor, and the garage in the rear, for a term of two years from November 1, 1910, at an annual rental of \$600, payable quarterly, for use of the Court of Special Sessions as a Children's Court and place of detention for children.

Mrs. Flynn refuses to execute this lease unless the City will guarantee to make whatever inside repairs are necessary, and will agree not to make any alterations to the structural walls unless consent is first obtained from the owner, nor to detain any of the children in the building over night.

In a communication dated January 26, 1911, Frank W. Smith, Chief Clerk of the Court of Special Sessions, states that no alterations are contemplated in the building, and if any should be made in the future, the consent of the owner will first be obtained. He also says that at no time will children be detained over night.

The owner is also desirous to have the lease terminate on May 1, 1913.

I therefore respectfully recommend that the resolution above mentioned be amended by adding thereto a clause to the effect that children are not to be detained in the building over night, nor will any alterations be made to the structural walls of the building without the consent of the owner having first been obtained; the City to make whatever inside repairs it may deem necessary; the lease to be for a period of two years and six months from November 1, 1910. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held October 27, 1910, authorizing a lease of premises 19 Hardenbrook avenue, Jamaica, Borough of Queens, for use of the Court of Special Sessions as a Children's Court and place of detention for children, for a period of two years from November 1, 1910, at an annual rental of six hundred dollars, payable quarterly, be and the same is hereby amended by adding thereto a clause to the effect that the children are not to be detained in the building over night, nor will any alterations be made to the structural walls of the building without the consent of the owner having first been obtained; the City to make whatever inside repairs it may deem necessary, and by substituting as the term of the lease, for a period of two years and six months from November 1, 1910, in place of, "for a period of two years from November 1, 1910."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 299 Broadway, Borough of Manhattan, for use of the Sheriff of the County of New York.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Honorable John S. Shea, Sheriff of the County of New York, in a communication addressed to your honorable Board under date of January 16, 1911, calls attention to the fact that the lease of Rooms 401 to 423, inclusive, now occupied by him, on the fourth floor of the Barclay Building, 299 Broadway, Borough of Manhattan, will expire May 1, 1911, and respectfully requests that the lease be renewed for a period of one year from May 1, 1911, at an annual rental of \$12,500, which amount in the opinion of the Sheriff is a reasonable and just one.

The rooms at present occupied by the Sheriff have been leased to the City for a number of years and contain approximately 7,306 square feet of floor space, and, at a rental of \$13,470, which is the price at present paid, would be at the rate of \$1.84 per square foot.

The Division of Real Estate of the Department of Finance after considerable negotiation with the owners of the property in question has succeeded in arranging for a lease of all of the rooms now occupied by the Sheriff of the County of New York, consisting of Rooms 401 to 423, inclusive, on the fourth floor of the Barclay Building, 299 Broadway, Borough of Manhattan, which rooms contain approximately 7,306 square feet, at a rental of \$12,500 per annum, which will be at the rate of \$1.71 a square foot, showing a net saving to the City of \$970 per annum.

The lessors are to provide light, heat, elevator and janitor service. The Sheriff is to have the privilege of the directory, indicating the various offices in the elevator hall on the fourth floor, and also to have the privilege of a bulletin in the elevator hall on the fourth floor, upon which the Sheriff may post his notices, as required by law.

The building is an 18-story, steel, stone and brick, fireproof structure.

For comparison, I would mention the Broadway-Chambers Building, 277 Broadway, in which the City is paying at the rate of about \$2 a square foot.

The rent being reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease to be made of Rooms 401 to 423, inclusive, on the fourth floor of the Barclay Building, 299 Broadway, Borough of Manhattan, for use of the Sheriff of the County of New York, for a period of one year from May 1, 1911, at an annual rental of \$12,500, payable quarterly, the lessors to pay taxes and water rates and furnish light, heat, elevator and janitor service; the Sheriff to have the privilege of the directory indicating the various offices in the elevator hall on the fourth floor, and also the privilege of a bulletin in the elevator hall on the fourth floor upon which the Sheriff may post his notices as required by law. Lessors, The Barclay Realty Company, rent payable to William C. Walker's Sons. Wright Barclay, Agents. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from The Barclay Realty Company, rent payable to William C. Walker's Sons, Wright Barclay, Agents, of Rooms 401 to 423, inclusive, on the fourth floor of the Barclay Building, 299 Broadway, Borough of Manhattan, for use of the Sheriff of the County of New York, for a period of one year, from May 1, 1911, at an annual rental of twelve thousand five hundred dollars (\$12,500), payable quarterly; the lessors to pay taxes and water rates and to furnish light, heat, elevator and janitor service; the Sheriff to have the privilege of the directory indicating the various offices in the elevator hall on the fourth floor, and also the privilege of a bulletin in the elevator hall on the fourth floor upon which the Sheriff may post his notices, as required by law; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions relative to a renewal of the leases of premises 113 and 115 West 136th street, Borough of Manhattan, for use of the Trustees of Bellevue and Allied Hospitals.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Mr. J. K. Paulding, Secretary, Board of Trustees of Bellevue and Allied Hospitals, in a communication to your honorable Board under date of January 12, 1911, says:

"The Trustees have the honor to request the Commissioners of the Sinking Fund to authorize the renewal of the leases of the premises 113 West 136th street and 115 West 136th street, which expire on April 1, 1911, and May 1, 1911, respectively. These premises are used as residences for the nurses employed in Harlem Hospital, and it will be necessary to continue to occupy them until the nurses' home, for which plans have been prepared, is constructed within the grounds of the hospital. The leases should, therefore, be renewed for a period of not less than two years."

The City is the lessee of three adjoining houses, 113, 115 and 117 West 136th street,

Borough of Manhattan, which are used for dormitories for the nurses employed in the Harlem Hospital. The present rent in each case is \$1,200 a year, and the lease of No. 117 does not expire until May 1, 1912. There is an advantage in having the houses together, as one resident instructor and one janitor and furnace man cares for all of them.

No. 113 is a three-story and high basement, brown-stone front, brick house 16 feet 8 inches by 50 feet, with two-story brick kitchen extension 10 by 15 feet, on a lot 16 feet 8 inches by 99 feet 11 inches, and has eleven rooms, two baths and furnace heat. This building has been occupied for its present purpose for the past four years at a rental of \$1,200 a year.

The property is assessed for the year 1911—Land, \$7,300; building, \$4,700; total, \$12,000.

The Tax Department Appraisal is—Land, \$8,000; building, \$5,000; total, \$13,000. The Division of Real Estate Appraisal is—Land, \$8,000; building, \$6,000; total, \$14,000.

The Division of Real Estate was able to obtain from the owner a reduction of \$200, and he agreed to renew the lease for a period of two years, from April 1, 1911, at a rental of \$1,000 per year, otherwise upon the same terms and conditions as in the existing lease. The lessor is to pay taxes and water rates and make outside repairs, and the lessee is to furnish light, heat and janitor service, and to make such inside repairs as it may deem necessary.

The rent of \$1,000 a year is 8½ per cent. on the assessed value, 7 7-10 per cent. on the Tax Department appraisal, and 7 1-10 per cent. on the appraisal by the Division of Real Estate.

For comparison, 109 West 136th street, a similar house, built at the same time and by the same builder (these houses are considered the best constructed on the block), is for rent at \$1,050 a year, and the owner refuses to accept less. This house is assessed the same and is of the same value as No. 113.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises 113 West 136th street, Borough of Manhattan, for use as a dormitory for the nurses of Harlem Hospital, for a period of two years, from April 1, 1911, at an annual rental of \$1,000, payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish light, heat and janitor service, and make such inside repairs as it may deem necessary. Lessor, Morris J. Levi, individually, and as executor of the estate of Jacob Levi, deceased, 147 Water street, Manhattan.

The property, 115 West 136th street, is in all respects similar to No. 113, except that it has a limestone front. The house has eleven rooms and two baths, and has been occupied by the City for the past two years at a rental of \$1,200 a year.

Through the efforts of the Division of Real Estate of this Department, the rent of these premises has also been reduced to \$1,000 a year for the next two years, the only other change in the existing lease being that the City is hereafter to pay the water rates. The lease in this case does not expire until May 1, 1911.

The house, 109 West 136th street, previously mentioned will serve for a comparison in this case as in the case of No. 113.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of premises 115 West 136th street, Borough of Manhattan, for use as a dormitory for the nurses of Harlem Hospital, for a period of two years, from May 1, 1911, at an annual rental of \$1,000, payable quarterly; the lessor to pay taxes and to make outside repairs; the lessee to pay water rates and to furnish heat, light and janitor service, and to make such inside repairs as it may deem necessary. Lessor, Mary J. Archer, 412 West 148th street, Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the premises 113 West 136th street, Borough of Manhattan, for use of the Trustees of Bellevue and Allied Hospitals as a dormitory for the nurses of Harlem Hospital, for a period of two years, from May 1, 1911, at an annual rental of one thousand dollars (\$1,000), payable quarterly; the lessor to pay taxes and water rates and to make outside repairs; the lessee to furnish heat, light and janitor service and make such inside repairs as it may deem necessary; lessor, Morris J. Levi, individually, and as executor of the estate of Jacob Levi, deceased; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the premises 115 West 136th street, Borough of Manhattan, for use of the Trustees of Bellevue and Allied Hospitals as a dormitory for the nurses of Harlem Hospital, for a period of two years, from April 1, 1911, at an annual rental of one thousand dollars (\$1,000), payable quarterly; the lessor to pay taxes and make outside repairs; the lessee to pay water rates and furnish heat, light and janitor service and make such inside repairs as it may deem necessary; lessor, Mary J. Archer; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolutions severally adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City of premises at 149 Church street, Manhattan, for use of the Examining Board of Plumbers.

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—Edwin Hayward, Esq., President of the Examining Board of Plumbers, in a communication to this Department under date of January 30, 1911, requests a renewal for one year from May 1, 1911, with the privilege of renewal for another year upon the same terms and conditions, of the lease of offices, being Rooms 14, 15 and 16 in the Aldrich Building, 149 Church street, Borough of Manhattan, at a rental of \$960 a year, payable quarterly, being the same as paid by the City since 1898. The owners to pay taxes and water rates and to furnish heat, light, elevator and janitor service as heretofore, no alterations or repairs being required.

A request for a renewal of this lease for one year from May 1, 1910, at the same rental as now asked, \$960 a year, was reported upon favorably by the Comptroller, after an examination, in a communication addressed to the Commissioners of the Sinking Fund under date of March 10, 1910, and said report was approved and renewal of the lease authorized by the Commissioners of the Sinking Fund at a meeting held March 16, 1910.

The Examining Board of Plumbers has stated that the rent is reasonable and just, being the same as paid by the City since 1898.

Deeming the rent reasonable and just, and the lease being for the interests of the City, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of Rooms 14, 15 and 16 in the Aldrich Building, 149 Church street, Borough of Manhattan, for use as offices for the Examining Board of Plumbers, for a period of one year from May 1, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$960 a year, payable quarterly, the lessors to pay taxes and water rates and to furnish heat, light, elevator and janitor service as heretofore, no alterations or repairs being required. Lessors, Church & Warren Company, 165 Broadway, Manhattan.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, of Rooms 14, 15 and 16 in the Aldrich Building, No. 149 Church street, Borough of Manhattan, for use of the Examining Board of Plumbers, for a period of one year from May 1, 1911, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of nine hundred and sixty dollars (\$960), payable quarterly; the lessor to pay taxes and water rates and to furnish heat, light, elevator and janitor service as heretofore, no alterations or repairs being required; lessors, Church & Warren Co.; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the action taken at the last meeting in assigning rooms in the Borough Hall, Borough of Brooklyn, for use of the Board of City Magistrates (resolution rescinded).

The Commissioners of the Sinking Fund:

Gentlemen—On January 25, 1911, the Commissioners of the Sinking Fund passed a resolution assigning the rooms occupied by the Brooklyn Volunteer Firemen's Association, and Rooms 3 and 7 on the ground floor of the Borough Hall, in Borough of Brooklyn, for the use of the City Magistrate, Chief Clerk, Chief Probation Officer, Police Sergeant of the Special Court Squad, Library, Magistrate's private chambers, and meeting room for the Board of City Magistrates' Court the Second Division.

Since the passing of this resolution several appeals have been made to me behalf of the Volunteer Firemen of Brooklyn, that the rooms which have been occupied by these men for nearly forty years be restored to them. I have made a personal examination of the rooms and believe that there is some ground for consideration of their request by the Sinking Fund Commission.

It is a well established fact that the people of the City of New York wish to recognize and reward in every reasonable way the services given by the men who volunteered to fight fires in the different towns, villages and communities, who have become parts of the greater City of New York, at a time when there was regularly organized salaried force to protect lives and property. This feeling of gratitude finds expression in the Civil Service Law, where the volunteer firemen are classed with veterans of the Civil War, and are preferred above other men in places in the public service.

Under these circumstances only the most urgent public need would warrant City authorities in taking from these men the meeting place which a careful provision for them in the former City Hall of the City of Brooklyn.

My examination of the rooms occupied by these men in the Borough Hall convinced me that they are not at all suited for the purpose to which they were dedicated by the resolution of January 25, that is, the establishment of a Magistrates' Court. The building itself is old and in need of constant repair. I believe that if new quarters are to be established in Brooklyn, they should be placed in a modern building.

In view of these facts, and to bring the question before this Commission for consideration, I recommend the rescinding of the resolution of January 25, and offer the following resolution.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held January 25, 1911, which reads as follows:

"Resolved, That the Commissioners of the Sinking Fund hereby assign rooms occupied by the Brooklyn Volunteer Firemen's Association, and Rooms 3 and 7 on the ground floor of the Borough Hall, in the Borough of Brooklyn, for the use of the City Magistrate, Chief Clerk, Chief Probation Officer, Police Sergeant of the Special Court Squad, Library, Magistrate's private chambers, and meeting room for the Board of City Magistrates' Court in the Second Division, and, if deemed necessary, for a court room."

—be and the same is hereby rescinded, in so far as it relates to the rooms occupied by the Brooklyn Volunteer Firemen's Association.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of the lease of premises 127 West 125th street, Manhattan, leased for use of the Police Department:

February 10, 1911.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication from Mr. John D. Beals, Treasurer of the Robert Reid Company, in which he requests that the City consent to the cancellation of the lease of the second floor of 127 West 125th st., Manhattan, which will expire on December 1, 1913, inasmuch as the City no longer requires such premises and he has an offer from another tenant to lease the premises at the same rent paid by the City.

These premises were turned over to the Commissioners of the Sinking Fund by the Police Department as being no longer required.

At a meeting of the Commissioners of the Sinking Fund held January 11, 1911 I was authorized to sublet these premises for the unexpired term of the lease, which has almost two years to run.

If we were to sublet these premises, I do not think any more rent could be obtained than we are paying. I think, therefore, that the interests of the City would be best subserved by cancelling this lease.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the cancellation as of February 15, 1911, of the lease authorized by resolution of the Sinking Fund Commission on December 9, 1908, for the second floor of 127 West 125th street, Manhattan, for a term of five years from December 1, 1908, at an annual rental of \$1,400. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to cancel as of February 15, 1911, the lease of the second floor of premises, 127 West 125th street, Borough of Manhattan, leased for use of the Police Department, at meeting held December 9, 1908, for a term of five years from December 1, 1908, at an annual rental of fourteen hundred dollars (\$1,400), which premises were turned over to the Com-

missioners of the Sinking Fund as no longer required, and the cancellation agreed to by the owner.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report relative to an application of the Village of Hempstead for permission to connect their effluent outlet of the disposal plant of Hempstead with a 36-inch iron by-pass pipe of The City of New York that conveys the water around the reservoir of the Brooklyn Water Supply System:

February 6, 1911.

To the Commissioners of the Sinking Fund:

Gentlemen—On August 1 and October 21, 1910, Cyril E. Marshall, Civil and Landscape Engineer of Hempstead, Long Island, asked the Commissioners of the Sinking Fund for permission to connect the effluent outlet of the disposal plant of Hempstead with the 36-inch iron by-pass pipe of The City of New York that conveys the water of Horse Brook around the reservoir of the Brooklyn water supply system.

Before preparing a report on this request I requested the Corporation Counsel to advise me on the following questions:

1. If this is a proposition that should be authorized by the Commissioners of the Sinking Fund.

2. If not, what Board or Department can give the permission.

Geo. L. Sterling, Acting Corporation Counsel, in an opinion dated January 13, 1911, after reviewing the question, concludes his opinion by stating:

"I am of the opinion that it is within the power of the Commissioner of Water Supply, Gas and Electricity without the intervention or approval of any other Board, body or officer of the City to enter into an agreement with the Town of Hempstead such as that now proposed."

Therefore, in view of the opinion of the Acting Corporation Counsel, I recommend that no action be taken by the Commissioners of the Sinking Fund, except to transmit the request of Mr. Marshall, with a copy of the opinion of the Acting Corporation Counsel, to the Commissioner of Water Supply, Gas and Electricity. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Law Department, Office of the Corporation Counsel, New York, January 13, 1911.

Hon. WILLIAM A. PRENDERGAST, Comptroller:

Sir—I have received a communication bearing date of December 16, 1910, and signed D. Mathewson, Deputy and Acting Comptroller, which reads as follows:

"Mr. Cyril E. Marshall, Civil and Landscape Engineer, on behalf of the Village of Hempstead, transmitted to the Commissioners of the Sinking Fund, a request asking permission for the connection of the effluent outlet from the proposed disposal plant of the Town of Hempstead with the 36-inch iron by-pass pipe of the City that carries the waters of Horse Brook around the reservoirs of the Brooklyn Water Supply System; also forwarded is a copy of a communication sent Mr. Marshall by the Commissioner of the Department of Water Supply, Gas and Electricity, approving the general scheme and noting certain conditions that should be met in carrying out the scheme."

"From an examination that I have made of the proposition, I have no objections to offer, but before reporting to the Commissioners of the Sinking Fund, will you kindly advise me if this is a proposition that should be authorized by the Commissioners of the Sinking Fund, if not, what Board or Department can give the permission; in other words, I wish to be advised what is the correct procedure for the City to follow in order to comply with the request as submitted."

By section 469 of the Greater New York Charter, the Commissioner of Water Supply, Gas and Electricity is given cognizance and control "of maintaining the quality of the water supply."

By section 479 of the Charter, the said Commissioner "is charged with the preservation of all lakes and all waters from which a supply is drawn by the City, with the preservation of the banks on and of any river or other body of water from which the supply is drawn, from injury or nuisance, and with the execution of such measures as may be necessary to preserve and increase the quantity of water and keep it pure and wholesome and free from contamination and pollution, with the management, preservation and repairs of the dams, gates, aqueducts, bridges, water towers, reservoirs, mains, pipes, pipeyard and property of every description belonging to the water works." * * * *

It appears from the papers submitted that the City owns and operates a 36-inch by-pass pipe to carry the waters of Horse Brook, or Hempstead Creek, around the reservoirs and ponds forming part of the water supply system of Brooklyn.

Hempstead Creek is said to be in an intolerable condition, which is a menace to the Village of Hempstead and to the Hempstead reservoir owned by the City, due to the seepage from cesspools into the underground water-shed, which finds its way into the creek and eventually into the reservoir during flood times. This creek is at present diverted into a 36-inch by-pass as well as a settling basin, which, it is said, has not been used for some six years and has been condemned.

The plant proposed to be built is warranted to deliver an effluent free from bacteria and suspended matter.

As shown above, it is the duty of the Commissioner of Water Supply, Gas and Electricity to protect the water supply of the City from contamination and pollution, and it seems necessary that for that purpose some method should be devised for the diversion of the polluted waters of Hempstead Creek so that they should not contaminate the water in the reservoir.

This is proposed to be done by the connection of an effluent outlet from a proposed disposal plant of the Town of Hempstead with the 36-inch iron by-pass pipe of the City.

I am of the opinion that it is within the power of the Commissioner of Water Supply, Gas and Electricity without the intervention or approval of any other board, body or officer of the City to enter into an agreement with the Town of Hempstead such as that now proposed. No cession of City land is asked, and no interest therein is sought to be acquired, except the right to place an effluent outlet; the effect of which will be to protect the waters in the Hempstead reservoirs from pollution and contamination. This the Commissioner of Water Supply, Gas and Electricity can do himself under the powers vested in him by the Charter, and I see no reason why the work should not be done by the Town, thus saving the City considerable expense.

I advise you, therefore, that the Commissioners of the Sinking Fund have no jurisdiction in the matter. Respectfully yours,

G. L. STERLING, Acting Corporation Counsel.

The report was accepted and the Secretary directed to transmit the request of Mr. Marshall, with a copy of the opinion of the Acting Corporation Counsel, to the Commissioner of Water Supply, Gas and Electricity.

Resolved, That a warrant payable from the Water Sinking Fund, City of Brooklyn, be drawn in favor of the Chamberlain for the sum of two hundred and twenty-seven dollars and fifty-six cents (\$227.56) for deposit in the City Treasury to the credit of Water Rents, Borough of Brooklyn, Refunding Account, for the refunding of erroneous and overpayments of water rents, as per statement submitted herewith.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the refunding of amounts overpaid on permits to build street vaults.

February 9, 1911.

Commissioners of the Sinking Fund:

Gentlemen—The following applications have been made for the refund of amounts overpaid for street vault permits:

Permit No.	Owner and Location.	Amount.
2240.	Charles & Co., southeast corner Madison avenue and 43d street, Manhattan.....	\$27 48
561.	Brooklyn Labor Lyceum Association, 949 to 959 Willoughby avenue, Brooklyn.....	65 25
2207.	Michael Tenzer, 134 Essex street, Manhattan.....	19 06
2184.	Central Building Improvement & Investing Co., southwest corner Hudson and Duane streets, Manhattan.....	31 24

With each application is an affidavit of the owner and the certificate of a City Surveyor, and the amount to be refunded is certified by the Chief Engineer of Highways and approved by the Commissioner of Public Works (except in the case of the application of Brooklyn Labor Lyceum Association; in this case the permit was not used and a certificate from a City Surveyor is therefore unnecessary).

The amounts were deposited in the Sinking Fund for the Redemption of the City Debt, No. 1. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That warrants payable from the Sinking Fund for the Redemption of the City Debt, No. 1, be drawn in favor of the following named parties, refunding the amounts overpaid by them, respectively, for street vault permits, as per statement submitted:

Charles & Company.....	\$27 48
Brooklyn Labor Lyceum Association.....	65 25
Michael Tenzer.....	19 06
Central Building Improvement & Investing Company.....	31 24

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the transfer of \$261.81 from Sinking Fund No. 1, to the City Treasury to the credit of Refunding Assessments Paid in Error, Borough of Manhattan:

January 26, 1911.

Commissioners of the Sinking Fund:

Gentlemen—On December 29, 1910, a voucher was drawn by the Collector of Assessments and Arrears in favor of the Sheriff of New York County for \$1,454.27, to pay a judgment rendered in favor of Isaac C. Ogden, with costs and interest. This judgment made void a sale held October 21, 1875, for an unpaid assessment, at which time the City received \$407.66, \$261.81 of which had been deposited in the Sinking Fund for the Redemption of the City Debt, No. 1, and consequently could not be refunded out of Sinking Fund revenues without favorable action of the Commissioners of the Sinking Fund.

The voucher was drawn on the Revenue Bond Fund for Judgments account, to expedite payment, inasmuch as execution had issued and costs were accruing daily.

It now becomes necessary to reimburse the account, Revenue Bond Fund for Judgments, for the amount so paid. The refund will be made through Refunding Assessments Paid in Error, Borough of Manhattan.

The resolution herewith is necessary to reimburse such account for the amount of assessments so to be refunded.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Redemption of the City Debt, No. 1, be drawn in favor of the Chamberlain for the sum of two hundred and sixty-one dollars and eighty-one cents (\$261.81), to be deposited in the City Treasury to the credit of Refunding Assessments Paid in Error, Borough of Manhattan, to refund the account, Revenue Bond Fund for Judgments, out of which said refund was heretofore paid.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

New York, February 14, 1911.

WM. A. PRENDERGAST, Comptroller.

The City Chamberlain and President of the Board of Aldermen were present at the opening of the foregoing proposals by the Comptroller. Which was ordered printed in the minutes.

The Deputy and Acting Comptroller presented a statement of bonds and stocks of The City of New York, bonds and mortgage and real estate held by the Commissioners of the Sinking Fund for the account of the several sinking funds on December 31, 1910.

Which was referred to a select committee, consisting of the Chamberlain and Chairman of the Finance Committee, Board of Aldermen.

The Deputy and Acting Comptroller asked for and received unanimous consent for the consideration of the following matter:

The Deputy and Acting Comptroller presented the following report relative to the refund of \$12 to Helen Streifer:

Commissioners of the Sinking Fund:

Gentlemen—On December 13, 1910, a permit was granted Helen Streifer of Inwood, L. I., to construct a sheet pile bulkhead north of Mott avenue and east of Edgewater Road on Bayswater Channel, Far Rockaway, Borough of Queens, for which a payment for rental for land under water owned by the City and occupied by such improvement was exacted by the City at the rate of .012 cents per square foot per annum, with a minimum payment of \$12 per annum.

The yearly rental (\$12) was paid by said Helen Streifer to the Department of Docks on September 9, 1910, and deposited in the City Treasury on return for month of September, 1910.

A survey shows that no City property was used and an application has been made to your Commission for the consequent overpayment.

The application is approved by the Commissioner of Docks, and the original receipt has been surrendered. The payment having been deposited in the Sinking Fund for the Redemption of the City Debt No. 1, the refund will be made therefrom.

A resolution awaiting your favorable action is hereto attached.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Redemption of the City Debt No. 1 be drawn in favor of Helen Streifer for the sum of twelve dollars (\$12), refunding her such amount of rental erroneously paid for the privilege of constructing a sheet pile bulkhead north of Mott avenue and east of Edgewater Road on Bayswater Channel, Far Rockaway, Borough of Queens.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Adjourned.

HENRY J. WALSH, Secretary.

FRIDAY, MARCH 3, 1911.

FOR THE RIGHT TO DUMP AND FILL IN BEHIND THE BULKHEAD WALL RECENTLY BUILT ON PART OF THE BLACKWELL SECTION AT THE FOOT OF EAST SEVENTY-NINTH STREET, EAST RIVER, BOROUGH OF MANHATTAN.

TERMS AND CONDITIONS OF SALE.

The work to be done is to fill in with suitable material, as hereinafter described, the area behind the bulkhead wall recently built, extending from a point 20 feet south of the southerly side of East Seventy-ninth street, prolonged outshore, northerly to the center line, prolonged, of East Seventy-ninth street, and extending also from the rear of the bulkhead wall, inshore a distance of 50 feet to the line which defines the westerly jurisdiction in Exterior street of the Department of Docks and Ferries.

The filling shall be brought to a grade level with the top of the coping of the bulkhead wall and shall extend inshore on a regular grade to the level of the street adjacent to above-mentioned westerly line of jurisdiction.

It is estimated that the area outlining the above-described limits will create a basin to be filled in, under this agreement, whose cubical contents in net void space is equal to 950 cubic yards.

Bidders will state in writing a lump sum price, which they agree to pay for the privilege of filling in the void space, as described above, and as appears in detail on the map at Pier "A," North River, and which becomes a part of the contract or agreement.

In the estimated amount given, the amount in cubic yards is arrived at without placing any allowance for shrinkage, settlement, swelling of the material or penetration into the mud.

The Department is not bound in any way by such estimate, and bidders must satisfy themselves of the actual quantity required to fill in the above-described area by examination of the premises or such other means as they may prefer, the intention of the Department being to fill in the whole of the said premises behind the bulkhead wall within the above-described limits, and no allowance will be made to the purchaser from the purchase price on account of any discrepancy which may be found between the above-estimated quantity and the actual amount of filling required. The purchaser will be required to place the filling in accordance with the following specifications:

All the filling shall, unless otherwise directed, be placed directly in the rear of the bulkhead wall and carried from the bulkhead wall toward the shore until the bank of same has been carried out at the finished grade for a distance of about 30 feet from the face of the bulkhead wall, at which time, if so directed by the Engineer, the filling shall be started at the bank and carried out-shore toward the bulkhead wall.

All material must be dumped and filled in only in such manner, at such points and in such order of procedure and at such times and seasons as may, from time to time, be directed, and the work of filling in may be entirely suspended for such periods of time as may be directed by the Engineer. The purchaser shall have no claim for damage or for any allowance from the purchase money on account of such suspension of the work.

The purchaser shall provide all plank and other appliances and all necessary labor, and shall at all times keep the dump graded to the satisfaction of the Engineer.

All directions shall be given by the Engineer, and wherever the word "Engineer" is used in these specifications it refers to and designates the Chief Engineer of the Department of Docks and Ferries, or such officer or employee as may be designated by him.

Rip-rap stone coming directly on or against the bulkhead wall must be deposited carefully in such manner as will not injure the same. All the filling, except as otherwise specified herein, shall be of ashes, cellar dirt, broken stone, etc., entirely free from garbage or any organic matter objectionable in the opinion of the Engineer.

The filling shall be commenced within five days after the date of the receipt of a notification from the Engineer that the work, or any part of it, is ready to be begun, after which not less than 50 cubic yards per day shall be placed, and the whole amount of the filling called for to bring the above-described basin up to grade shall be completed within thirty calendar days from the date of the receipt of said notification. At the expiration of this time this agreement shall be considered closed, unless a further extension of time shall be given by the Commissioner of Docks. If at any time during the progress of the work it shall be deemed necessary to order the suspension of the whole or any part of the filling, the time for completing said filling shall be extended as much as it may have been delayed by such suspension.

In case the purchaser at any time does not proceed with the work of filling in to the satisfaction of the Commissioner of Docks, the said Commissioner will at once terminate the privilege of filling in and proceed to have the remainder of the filling in done by other parties in such way and manner as he deems proper, and any loss which may result therefrom shall be charged against the principal and his surety.

The purchaser shall, during the work of filling, and at all times until the completion thereof, take all necessary precautions and place proper guards for the prevention of accidents, and put up and maintain at night sufficient lights, and he shall indemnify and save harmless The City of New York from all damages and costs to which it may be put by reason of injury to the person or property of another resulting from negligence or carelessness in the performance of the work or guarding the same, to which the surety is also bound.

No bid or estimate will be considered unless accompanied by a certified check, drawn to the order of the Commissioner of Docks, or money to the amount of twenty-five per centum of the amount of the bid, which amount shall be applied in the case of the successful bidder to the first one-quarter of the amount of the filling to be deposited; twenty-five per centum to be paid when the first one-quarter of filling has been completed; twenty-five per centum additional when one-half the filling has been completed, and the balance, twenty-five per centum, when three-quarters of said filling has been completed.

A surety or guarantee company, duly authorized by law to act as surety, to be approved by the Commissioner of Docks, will be required to enter into a bond or obligation jointly and severally with the purchaser in the sum of double the amount of the purchase price as security for the satisfactory performance of said work, in accordance with the terms and conditions hereof.

The contractor agrees that he will comply with the provisions of the Labor Law. He further agrees that no laborer, workman or mechanic in the employ of the contractor, sub-contractor or other person doing or contracting to do the work or a part of the work contemplated by the contract, shall be permitted or required to work more than eight hours in any one calendar

day, except as in cases of extraordinary emergency caused by fire, flood or danger to life or property. That the wages to be paid for a legal day's work to all classes of such laborers, workmen or mechanics upon public work or upon any material to be used thereon, shall not be less than the prevailing rate for a day's work in the same trade or occupation in the locality where such public work is being constructed. Each such laborer, workman or mechanic shall receive the prevailing rate of wages. This contract shall be void and of no effect unless the person or corporation making or performing the same shall comply with the provisions of sections 3 and 14 of the Labor Law.

APPELLATE DIVISION, FIRST JUDICIAL DEPARTMENT.

In the matter of the application of The City of New York, pursuant to the provisions of chapter 276 of the Laws of 1910, for a determination of the amount of indebtedness incurred by said City prior to the first day of January, 1910, for the Brooklyn-Manhattan Rapid Transit Railroad, which may be excluded in ascertaining the power of said City to become otherwise indebted, pursuant to the provisions of section ten of article eight of the Constitution.

THE PETITION AND APPLICATION OF The City of New York, acting by its Board of Estimate and Apportionment, respectfully shows to the Court upon information and belief: First—Pursuant to the provisions of section ten of article eight of the Constitution, as amended, which went into effect on the 1st day of January, 1910, and which, among other things, provides that any indebtedness incurred by The City of New York for any rapid transit or dock investment prior to said 1st day of January, 1910, may be excluded proportionately to the extent to which the current net revenue received by such city therefrom shall meet the interest and the amortization installments thereof, and that the Legislature should prescribe the method by which the amount of any debt to be so excluded should be determined, and that the Legislature might, in its discretion, confer appropriate jurisdiction upon the Appellate Division of the Supreme Court in the First Judicial Department, for the purpose of determining the amount of any debt to be so excluded, the Legislature passed an act, being chapter 276 of the Laws of 1910, which was duly signed by the Governor and went into effect on the 11th day of May, 1910.

By said act, which prescribes the method by which the amount of any debt to be so excluded should be determined, The City of New York, acting by the Board of Estimate and Apportionment of said City, was authorized to present to the Appellate Division of the Supreme Court in the first Judicial Department, a verified petition setting forth the facts and praying for a determination of the amount of any debt incurred by The City of New York for rapid transit or dock investment prior to the 1st day of January, 1910, which may be excluded in ascertaining the power of said City to become otherwise indebted under the provisions of said section ten of article eight of the Constitution and conferred jurisdiction upon said Appellate Division to make such determination.

The petitioner begs leave to submit to this Court upon the return day of the notice of the application heron certified copies of said section ten of article eight of the Constitution, as amended, and of chapter 276 of the Laws of 1910.

Second—Pursuant to the said constitutional provision and statute hereinbefore recited, the Board of Estimate and Apportionment of the petitioner, by a resolution duly adopted on December 15, 1910, required the Comptroller of the petitioner to prepare and submit to said Board a statement showing in detail indebtedness incurred by the petitioner for the Brooklyn-Manhattan Rapid Transit Railroad prior to the 1st day of January, 1910, with the dates of maturity of such indebtedness, the terms of any and all agreements and contracts made by or in behalf of the petitioner with respect to such investment, the gross revenue received therefrom, the interest paid and to be paid by the petitioner on said indebtedness, the annual installments necessary for the amortization thereof, and the current net revenue derived from said investment, and pursuant to such resolution the said Comptroller did prepare and submit to said Board such statement, and thereupon, the said Board of Estimate and Apportionment did, by resolution adopted on January 12, 1911, direct that application be made to this Court for a determination of the amount of indebtedness incurred by said City, prior to the 1st day of January, 1910, for the Brooklyn-Manhattan Rapid Transit Railroad, which may be excluded in ascertaining the power of the petitioner to become otherwise indebted under the provisions of said section ten of article eight of the Constitution of the State of New York.

Third—The material facts relative to the construction of the said Brooklyn-Manhattan Rapid Transit Railroad are as follows:

Pursuant to a contract made and entered into under date of July 21, 1902, between the petitioner acting by the Board of Rapid Transit Railroad Commissioners for The City of New York and the Rapid Transit Subway Construction Company, a corporation organized under the laws of the State of New York and various supplemental, amendatory and modifying contracts, a rapid transit railroad was constructed which is known as the Brooklyn-Manhattan Rapid Transit Railroad. A brief resume of said contracts is hereto annexed, marked "A" and forms part hereof to the same extent as if herein fully and at length set forth and the petitioner asks leave to submit to this Court upon the return day of the notice of the application heron certified copies of said contract, dated July 21, 1902, and of said supplemental, amendatory and modifying contracts.

Fourth—Thereafter said railroad was constructed and was and has continued to be and is now being operated by the Interborough Rapid Transit Company, a domestic corporation organized under the laws of the State of New York, to which was assigned by agreement dated the 10th day of August, 1905, with the consent of the Board of Rapid Transit Railroad Commissioners for The City of New York, so much of said contract as provided for the maintenance and operation of said Brooklyn-Manhattan Rapid Transit Railroad for and during the term of years specified in such contract and the right or obligation to maintain and operate the said road or roads therein described and all rights with respect to such maintenance or operation.

Fifth—Prior to January 1, 1910, the petitioner issued its bonds to pay indebtedness therefor incurred under said contracts as follows:

Bonds Sold in Year.	Year of Maturity.	Rate of Interest.	Amount.
1906	1936	4	\$500,000 00
1903	1952	3 1/4	1,000 00
1904	1953	3 1/2	300,000 00
1904	1954	3 1/2	1,065,000 00
1905	1954	3 1/2	200,000 00
1906	1955	3 1/2	250,000 00
1907	1956	4	36,000 00
1907	1957	4	313,500 00
1907	1957	4 1/2	650,000 00
1908	1957	4 1/2	200,000 00
1908	1958	4	32,500 00
1909	1958	4	54,500 00
1909	1959	4	11,900 00
			\$3,614,400 00

In addition to the bonds issued prior to January 1, 1910, there was allotted during the period from January 1 to December 7, 1910, from the proceeds of sales of bonds the sum of \$222,600, thereby increasing the bonded indebtedness of the City for this improvement by that amount. These bonds bear interest at the rate of 4 1/2 per cent. per annum; were sold in 1910 and mature March 1, 1960, subject to redemption at the option of the City on or after March 1, 1930.

The current net revenue which the petitioner is receiving from the said Interborough Rapid

Transit Company under the terms of said contracts is the sum of \$184,504.65, apportioned as follows:

Interest-Rental	\$146,909 00
One per cent. upon bonds issued by the petitioner upon which, under the terms of the contracts, the said Interborough Rapid Transit Company was to pay this percentage	37,595 65
	\$184,504 65

The annual interest paid and to be paid by the petitioner on its bonds issued to pay indebtedness incurred and the annual installment necessary for the amortization of such bonds is the sum of \$190,728.04, apportioned as follows:

Interest on bonds issued prior to January 1, 1910	\$139,743 50
Interest on bonds issued since January 1, 1910	9,460 50
	\$149,204 00
Amortization installment on bonds issued prior to January 1, 1910	\$39,550 59
Amortization installment on bonds issued since January 1, 1910	1,973 45
	\$41,524 04
	\$190,728 04

The proportion of such indebtedness which may be excluded in ascertaining the power of said City to become otherwise indebted would, therefore, appear to be the proportion which the sum of \$184,504.65 bears to \$190,728.04.

Sixth—Under the contracts aforesaid, work to be done and materials to be furnished to the amount of \$529,858.88 therein contracted for were not payable prior to the 1st day of January, 1910.

During the year 1910, the two additional contracts, dated respectively January 18, 1910, and September 20, 1910, concerning which a brief statement is made in the schedule hereto annexed, marked "A," under Nos. 9 and 10, for work to be done and materials to be furnished in connection with the Brooklyn-Manhattan Rapid Transit Railroad, amounting to \$394,000, were entered into.

To December 8, 1910, there had been paid during the year 1910 on account of existing contracts in connection with said Brooklyn-Manhattan Rapid Transit Railroad, the sum of \$225,082.79, leaving the net contract liability under all contracts for the construction and operation of the Brooklyn-Manhattan Rapid Transit Railroad at the sum of \$608,776.09. There is a possible contingent liability for extra work under said contracts in an amount which it is impossible to state, as claims have not been formally presented to the Public Service Commission of the First District, but there is a likelihood that claims may be made. However, under the terms of the contracts, the operating company will be compelled to pay the interest and amortization installments upon the amounts which it will be necessary to pay in liquidation of these claims.

The following is a statement of the pending proceedings for the acquisition of land and the liability, if any, of the City thereon:

1. The matter of acquiring the easements for a subway railroad under Joralemon and Fulton streets and Flatbush avenue, Brooklyn; title vested June 3, 1903.

An award of \$12,000, made to John Notman, was confirmed.

An award of \$19,800, made to Hannah G. Mynderse, as executrix, etc., of Wilhelmus Mynderse, was confirmed.

An award of \$9,000, made to Eva V. Abbott, as executrix, etc., of George B. Abbott, deceased, was confirmed.

In this proceeding, there are upwards of 300 parcels involved. In the claims filed, no amount has been specified by the claimants.

For this reason, it is impossible to state the amount of damages, if any, which the City will be compelled to pay thereon.

2. The matter of acquiring an easement for subway under Joralemon street west of Furman street and under the property of the New York Dock Company; title vested July 19, 1904.

An award of \$162,500 was confirmed and an appeal taken by the City from the final order of confirmation, and this appeal will be argued in the Appellate Division, Second Department, probably at the February, 1911, Term, unless the compromise of that award and the one in the supplemental proceeding hereinafter referred to is theretofore completed to the satisfaction of the Public Service Commission of the First District and the Board of Estimate and Apportionment of the petitioner.

3. The matter of acquiring the fee of land under water at the foot of Joralemon street, Brooklyn; title vested April 9, 1909.

This proceeding is pending before Commissioners of Appraisal appointed by the Supreme Court. The claimants' witnesses testified to damages to the extent of \$765,000.

The City's witnesses have not yet testified, for the reason that the New York Dock Company has submitted a tentative proposition for settlement of this litigation and the former proceeding at the aggregate sum of \$247,500, upon the condition, however, that the City will leave to the said Company the uninterrupted use of the surface of the land immediately over the tunnel, said Company to supply and secure a suitably constructed pier to protect the tunneled structure from the possibility of damage by ships entering the slip.

These lands and easements are being acquired for the purposes of the said Brooklyn-Manhattan Rapid Transit Railroad. There are no other proceedings pending for the acquisition of lands or easements for the purposes of said railroad.

The petitioner currently pays no interest either upon the amount remaining unpaid for work to be done and materials to be furnished under these contracts or upon the awards which may be made in said proceedings for the acquisition of land and easements. No installment is necessary for their amortization for the reason that the same have not been funded. The rate of interest and the time of maturity of the bonds to be issued therefor have not been determined.

Seventh—By a resolution adopted by the said Board of Estimate and Apportionment on the 19th day of January, 1911, the said Board duly approved this petition and directed that a copy thereof be spread upon its minutes and that the same be verified in behalf of said Board, acting for The City of New York, by the Mayor, the Comptroller and the President of the Board of Aldermen.

Wherefore your petitioner prays that this Court will, pursuant to said chapter 276 of the Laws of 1910, designate six daily newspapers of general circulation published in The City of New York, at least one of which is published in the Borough of Brooklyn, in said City, in which notice of this application shall be given as prescribed by said act and fix the date when the application of your petitioner shall be heard and that this Court shall determine the amount of such debt which may be excluded in ascertaining the power of The City of New York to become indebted under the provisions of section ten of article eight of the Constitution of the State of New York, and for such other and further relief as may be just.

Dated New York, January 19, 1911.

THE CITY OF NEW YORK, By the Board of Estimate and Apportionment of The City of New York.

W. J. GAYNOR, Mayor; WM. A. PRENDERGAST, Comptroller; JOHN PURROY MITCHEL, President of the Board of Aldermen.

ARCHIBALD R. WATSON, Corporation Counsel, Office and Post Office Address, Hall of Records, Borough of Manhattan, New York City. State of New York, County of New York City of New York, ss.:

William J. Gaynor, William A. Prendergast and John Purroy Mitchel, being severally duly sworn, depose and say: That William J. Gaynor is Mayor of The City of New York; that William A. Prendergast is Comptroller of The City of New York, and that John Purroy Mitchel is President of the Board of Aldermen of The City of New York; and as such, are members of the Board of Estimate and Apportionment of the petitioner.

By resolution adopted by said Board on the 18th day of January, 1911, deponents were authorized and directed by said Board to subscribe and verify the foregoing petition in behalf of said Board, acting for the petitioner herein.

That they have read and know the contents of the foregoing petition, and that the same is true to their own knowledge, except as to the matters therein stated to be alleged upon information and belief, and as to those matters they believe it to be true.

The reason this verification is made by deponents, and not by the petitioner, is that the petitioner is a domestic municipal corporation, of which deponents are officers. The sources of deponents' information and the grounds of their belief as to the matters not therein stated upon their knowledge are the statement submitted by the Comptroller to said Board in this petition mentioned, information obtained from the books and records of the Department of Finance and of other departments of the petitioner, and from statements made to them by certain officers and agents of the petitioner.

W. J. GAYNOR, WM. A. PRENDERGAST, JOHN PURROY MITCHEL.

Severally sworn to before me this 19th day of January, 1911, JOHN A. LEDDY, Commissioner of Deeds, New York City.

Terms of Any and All Agreements and Contracts Made By or In Behalf of The City of New York, With Respect to the Brooklyn-Manhattan Rapid Transit Railroad.

1. Contract for construction and operation dated July 21, 1902, between The City of New York, acting by The Board of Rapid Transit Railroad Commissioners for The City of New York and Rapid Transit Subway Construction Company, a corporation organized under the laws of the State of New York, whereby the City agreed to pay to the said Rapid Transit Subway Construction Company the sum of Two Million Dollars (\$2,000,000) for construction, and in addition the sum of One Million Dollars (\$1,000,000) for terminals and real estate.

The said contract provided that the said Rapid Transit Subway Construction Company should give security for the performance of its obligations as follows:

For construction, by depositing with the Comptroller the sum of One Million Dollars (\$1,000,000), in cash or in value of securities, at the option of said Company, which said cash or securities are to be the security for the faithful performance by the contractor of all the covenants, conditions and requirements specified and provided for in said agreement for construction. Said contract also provided that upon default of said Company the Comptroller of The City of New York forthwith pay or apply to the use of the City from such cash or securities, from the proportion of the deposit remaining at the time the amount of any expenses incurred by liability arising by reason thereof.

In addition, said contract provided that said Company should file with the Comptroller a bond in the penal sum of One Million Dollars (\$1,000,000), as security for the payment of the rent under the lease by the Company, and also for the faithful performance by it of all covenants, conditions and requirements specified and provided for therein.

Said contract further provided that the City might in the event of the contractor's default in construction or equipment either complete the contract and hold the contractor liable for excess cost thereof; or make a new contract, in which case the contractor should pay to the City all damage which the City sustained by reason of the contractor's failure to complete; or that the City might proceed upon the bond given for construction; or might bring any suit or proceeding for injunction; or to recover damages; or to obtain any relief; or for any purpose proper under the said contract.

Said contract further provided that upon default in payment of rent or otherwise, the City might take possession of the Railroad and Equipment and as the agent of the contractor either maintain and operate the railroad; or make a sub-contract or might terminate the contract; or might sue to enforce lien upon equipment; or might sell security; or might bring suit or use remedies of landlord.

Provision is also made therein for the enforcement of the lien on equipment.

Said contract further provided that the same should not be assigned without the written consent of the Board of Rapid Transit Commissioners of The City of New York, concurred in by six members thereof.

Said contract further provided that no change should be made therein, except by written instrument duly authorized by said Board or its successors and consented to by the said Company and its sureties; that no claim should be made against any member of the said Board personally; that the said Company should not be taxable on its interest under said contract or on equipment provided therein; and that all necessary legal provisions should be deemed included in the contract.

Said contract further contained full specifications for the construction of the said railroad and further provided that the said Company should furnish the equipment necessary for the proper operation. In and by said contract The City of New York leased the said railroad when completed to the said Rapid Transit Subway Construction Company upon terms as follows:

"The Contractor hereby agrees to equip, maintain and operate the Railroad during the whole of the said term. The said term shall be thirty-five (35) years, and shall run from the date on which the Railroad shall be declared by the Board to be ready for operation.

"The Contractor shall surrender possession of the Railroad at the end of the said term of thirty-five years or at the earlier termination of this lease, as herein provided.

"The Contractor shall pay to the City rental for the Railroad, which rental shall consist of the following:

(1) An annual sum equal to the annual interest payable by the City upon all bonds which shall be issued by it in order to provide means for construction. The amount of such interest shall be ascertained as of the time when the Railroad shall be declared by the Board to be ready for operation, or, if the Board shall so direct, the time when passenger traffic on the Railroad shall begin; but it shall be increased from time to time by the amount of the annual interest payable by the City for all bonds which, after the date when

the Railroad shall be so declared to be ready for operation, or when such traffic shall begin, shall be issued in order to provide means for construction. The amount of amounts payable under this sub-division shall not be subject to decrease by reason of the refunding by the City at lower rates of interest of any of the bonds issued as aforesaid. Bonds issued in order to provide means for construction shall be deemed to include bonds issued to pay interest on bonds theretofore issued pursuant to this contract under the provisions of section 34 of the Rapid Transit Act, for all lands acquired in fee, but not bonds issued to pay for other rights, terms, easements or privileges.

"(2) A further annual sum which shall be equal to one per centum upon the whole amount of the said bonds (with the exceptions above mentioned), except that the annual payment in excess of such interest shall, for each year during the period of five (5) years from the date at which the payment of rental shall begin, be such sum not exceeding one (1) per centum as shall be equal to the excess of the profits of the contractor for such year in the operation of the Railroad over (3) per centum upon the capital of the Contractor invested in the enterprise, and exceeding further that for each year during a second and immediately succeeding period of five (5) years, there shall, in lieu of such one per centum, be paid one-half (1/2) of such one (1) per centum and in addition an amount not exceeding one-half (1/2) of such one (1) per centum which shall be equal to the excess of the profits of the Contractor for such year in the operation of the Railroad over five (5) per centum per annum upon its capital invested as aforesaid.

"(3) A further annual sum which shall be equal to the amount of the annual interest payable by the City upon bonds issued to provide means to pay for rights of way acquired on, under, through or over lands not belonging to the City.

"The rental shall begin on the date of the declaration of the Board that the Railroad is ready for operation, or, if the Board shall so direct, the date when passenger traffic on the Railroad shall begin, and shall be payable at the end of each quarter on the first days of January, April, July and October."

Said contract further provided: "During the first ten (10) years of the said term of thirty-five (35) years, the Contractor shall deliver to the Comptroller at the time each payment of rental is due a statement in form and with details to be prescribed by the Board, the same to be verified under oath by the Contractor or by the treasurer of the Contractor, or, in case of his absence or inability, then by its president, or other chief officer or manager, showing for the preceding quarter,

"(1) The amount of capital of the Contractor invested in the enterprise not including borrowed money however secured.

"(2) The gross receipts from the operation of the road.

"(3) The operating expenses of the road, including actual expenditure for repairs and maintenance and interest on borrowed money, but without allowance otherwise for wear or tear or deterioration.

"The profits shall be determined by deducting from the gross receipts the operating expenses as above defined.

"After the expiration of the said period of ten (10) years the Contractor shall deliver to the Comptroller at the quarterly times above mentioned a statement verified as above provided showing its gross receipts for the preceding quarter from the operation of the road. The Comptroller or the Board shall have the right to verify any of the said statements by an examination of the Contractor's books and the examination under oath of any of its officers or servants; and the Contractor hereby covenants that its officers and servants shall submit to such examination and produce such books whenever and wherever they may be reasonably required by the Board or Comptroller."

Said contract further provided that the said Company should observe the highest standard of railway operation; that the trains operated by it should maintain a speed of twelve miles per hour, and to operate the railroad with the highest regard to the safety of the passengers and employees thereof and of all other persons, and provide mechanical and other devices for safety of the very best known character, and that said Company will save the City harmless of and from all claims of every nature arising from injuries to the passengers, employees or other persons by reason of negligence on the part of said Company or of its employees and all other claims by reason of the operation of the railroad, except those by which the City by its said contract insures the Company.

Said contract further provided that said Company should, during the term of the lease, keep the railroad and its equipment in thorough repair and surrender the same at the termination of the lease in thoroughly good and solid condition and fully and perfectly equipped, presently ready for continuous and practical operation to the full limit of its capacity.

The contract further provided that the Company should, during the term of the lease, be entitled to charge for a single fare the sum of five cents and not more.

Said contract further provided as follows: "At the termination of the lease (or if the same shall, at any time not less than one (1) year before the expiration of the term of the present lease—be renewed by agreement between the City and the contractor, then upon the expiration of said renewal thereof) the City shall buy and the Contractor shall sell, the whole of the property of the Contractor forming part of the equipment or employed in and about the equipment, maintenance and operation of the railroad. The right of the City so to buy shall be protected by its lien upon equipment as aforesaid. Such purchase and sale shall be at a reasonable price, due regard being had to the condition, wear and tear of the property. Such price may be fixed by agreement between the Board or the Contractor; but if they shall not agree then such price shall be fixed by arbitration, or, if either party shall object to arbitration, or if the terms or procedure of arbitration shall not be agreed upon, or if the arbitration shall fail—then by appropriate suit or proceeding in the Supreme Court of this State. The City shall have the right at the termination of the lease, whether or not the price shall have been ascertained or paid, to take possession and use and operate all such property of the Contractor, but subject, however, to its liability to pay the value thereof to be ascertained as aforesaid with interest from the time of taking possession."

Said contract further provided: "Upon the written demand of the Contractor or its lawful assignee delivered to the Board not more than two (2) years and not less than one (1) year before the expiration of the term of this lease, the Contractor shall be entitled to a renewal hereof for the term of twenty-five (25) years. Such renewal lease shall be in the same form as this lease except that, in lieu of the term or terms of duration of this lease, such renewal lease shall be for the term of twenty-five (25) years from the date of the expiration of this lease, and except

further that such renewal lease shall contain no provision for a renewal, and except further that the amount of the annual rental shall be an amount not less than the average amount of the annual rental for the ten (10) calendar years of the lease next preceding the Contractor's demand for renewal, and that the amount of such rental, subject to such minimum limit, shall be agreed upon between the Board and the Contractor or its assignee or, if they shall not agree, then that the amount of such rental shall, subject to such minimum, be fixed by arbitration or, if either party shall object to arbitration or, if the terms of procedure shall not be agreed upon or if the arbitration shall fail, then by an appropriate suit or proceeding in the Supreme Court of this State."
