BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD,
No. 2 CITY HALL,
NEW YORK, January 12, 1891.

PROPOSALS FOR FURNISHING STA-
TIONERY FOR THE USE OF COURTS
AND DEPARTMENTS OF THE
GOVERNMENT OF THE CITY OF
NEW YORK.

TO STATIONERS.

SEALED ESTIMATES FOR SUPPLYING THE
City Government with Stationery, Paper, Ink,
Pens, Pencils, Penholders, Rubber Bands, etc., will be
received at the office of the Supervisor of the City
Record, until 12 o'clock M. of Monday the 26th day
of January, 1891, at or about which time said estimates
will be publicly opened and read in the office of the
Mayor.

Each person making an estimate shall inclose it in
a sealed envelope, indorsed "Estimate for Furnishing
Stationery," and with his name and the date of its
presentation.

Each estimate shall state the name and place of resi-
dence of the person making it; if there is more than
one such person, their names and residences must be
given; and if only one person is interested in the esti-
mate it must distinctly state that fact; also, that it is
made without any connection with any other person
making an estimate for the same purpose, and is in all
respects fair and without collusion or fraud; and that
no member of the Common Council, head of a depart-
ment, chief of a bureau, deputy thereof or clerk therein,
or other officer of the Corporation is directly or indi-
rectly interested therein or in the supplies or work to
which it relates, or in any portion of the profits thereof.
The estimate must be verified by the oath, in writing, of
the party or parties making the estimate that the
several matters stated therein are in all respects true.
Where more than one person is interested it is requisite
that the verification be made and subscribed by all the
parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in
the City of New York, with their respective places of
business or residence, to the effect that if the contract
be awarded to the person making the estimate, they
will, upon its being so awarded, become bound as his
sureties for its faithful performance; and that if he
shall omit or refuse to execute the same, they will pay
to the Corporation any difference between the sum to
which he would be entitled upon its completion, and that
which the Corporation may be obliged to pay to the
person to whom the contract may be awarded at any sub-
sequent letting; the amount in each case to be calcu-
lated upon the estimated amount of the work by which
the bids are tested. The consent above mentioned shall
be accompanied by the oath or affirmation, in writing,
of each of the persons signing the same, that he is a
householder or freeholder in the City of New York, and
is worth the amount of the preliminary security re-

quired, and in the proposals stated, over and above all
his debts of every nature, and over and above his liabil-
ities as bail, surety and otherwise; and that he has
offered himself as a surety in good faith and with the
intention to execute the bond required by law. The
adequacy and sufficiency of the security offered will be
subject to approval by the Comptroller of the City of
New York after the award is made and prior to the sign-
ing of the contract.

The amount of security required upon the execution
of the contract will be in each case fifty per cent. of
the cost of the articles awarded to each contractor; the
amount of preliminary security to be given until each
award, and in which the sureties shall justify, shall be
SEVEN HUNDRED AND FIFTY DOLLARS.

Should the person to whom the contract may be
awarded neglect or refuse to accept the contract within
five days after written notice that the same has been
awarded to his bid or proposal, and that the adequacy
and sufficiency of the security offered has been ap-
proved by the Comptroller, or if he accept but do not
execute the contract and give the proper security, he
shall be considered as having abandoned it and as in
default to the Corporation, and the contract will be re-
advertised and relet, as provided by law.

No estimates will be accepted from, or a contract
awarded to, any person who is in arrears to the Corpo-
ration upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpo-
ration, and no estimates will be accepted from, or a con-
tract awarded to, any person not having at the time of
making his estimate, full, suitable and sufficient facili-
ties for performing the work specified in his estimate.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
National or State banks of the City of New York, drawn
to the order of the Comptroller, or money to the amount
of fifty per centum of the amount of the preliminary
security required for the faithful performance of the
contract. Such check or money must not be inclosed
in the sealed envelope containing the estimate, but must
be handed to the Supervisor of the City Record who
has charge of the estimate-box; and no estimate can be
deposited in said box until such check or money has
been examined by said supervisor and found to be cor-
rect. All such deposits, except that of the successful
bidder, will be returned to the persons making the same
within three days after the contract is awarded. If
the successful bidder shall refuse or neglect, within five
days after notice that the contract has been awarded
to him, to execute the same, the amount of the deposit
made by him shall be forfeited to and retained by the
City of New York as liquidated damages for such
neglect or refusal; but if he shall execute the contract
within the time aforesaid, the amount of his deposit
will be returned to him.

Permit will not be given for the withdrawal of any
bid or estimate, and the right is expressly reserved by
the undersigned city officers to reject any or all bids
which may be deemed prejudicial to the public interests.

A separate contract will be made with the lowest bidder
for each and every class of Stationery involving an
expenditure of more than five hundred dollars, and the
Board of City Record expressly reserves the right to
make a contract with the lowest bidder on any class in-
volving the expenditure of a lesser sum.

The stationery is to be put up in packages according
to schedules to be furnished to the contractors by the
Supervisor of the City Record and according to the
most approved methods followed in the stationery trade
for the preservation of goods. The contractors must
complete the delivery of the goods at the office of the
City Record within fifteen days from the execution of
the contracts.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
NO. 31 CHAMBERS STREET,
NEW YORK, AUGUST 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty, containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number, of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereupon liable to be assessed, as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works.

entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The prices must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The amount in which security will be required for the performance of the contract is \$2,000.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do, and to readvertise until satisfactory bids or proposals shall be received. But the contract, when awarded, will be awarded to the lowest bidder.

Blank forms for proposals and forms of contract which the successful bidder will be required to execute, can be had at the office of the Secretary, and information relative to them can be had at the office of the Department, Nos. 49 and 51 Chambers street.
