MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

No. 2998.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }
July 3, 1899. }

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution adopted by you on June 16, 1899, giving permission to Thomas J. O'Connor to place a movable blackboard in the streets and avenues of The City of New York.

My objection to this resolution is, that it gives permission in a general and indefinite manner to place an incumbrance on the streets of the city, and is not in the public interest.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby given to Thomas J. O'Connor to place a movable blackboard, upon which mathematical problems may be demonstrated, in the streets, avenues and thoroughfares of The City of New York as now constituted, the work to be done at his own expense, under the direction of the Chief of Police; such permission to continue only for three months from the date of approval by his Honor the Mayor.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

No. 3013.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }
July 3, 1899. }

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution adopted by you on June 16, 1899, giving permission to the W. L. Heermance Company to erect a smokestack in front of their premises, No. 311 Greenwich street.

My objection to this resolution is, that the proposed smokestack is about twelve feet in diameter and practically occupies the entire width of the area, and is to the detriment of the owners of adjacent property.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby given to W. L. Heermance Company to erect a temporary smokestack within the stoop-line in front of their premises, Nos. 311 and 313 Greenwich street, Borough of Manhattan, the work to be done at their own expense, under the direction of the Commissioner of Highways; such permission to continue only for sixty days from the date of approval by his Honor the Mayor.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

No. 3045.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }
July 3, 1899. }

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution adopted by you on June 20, 1899, giving permission to George Bayer to erect a storm-door in front of his premises, No. 888 Gates avenue, Borough of Brooklyn.

My objection to this resolution is, that the dimensions of the storm-door should be prescribed, as they are not otherwise defined by law.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby given to George Bayer to erect and keep a storm-door in front of his premises, No. 888 Gates avenue, Borough of Brooklyn, provided said storm-door shall not exceed the dimensions prescribed by law, the work to be done at his own expense, under the direction of the Commissioner of Highways; such permission to continue only during the pleasure of the Municipal Assembly.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

No. 3037.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }
July 3, 1899. }

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution adopted by you on June 20, 1899, requesting the heads of City Departments to close their offices at 3 o'clock each day, except Saturdays, during the months of July and August.

The present office hours of City Departments end at 4 o'clock each day. If shortened, as proposed, inconvenience to the public will result, and there is no good reason why city officials should have an hour's holiday each day which the law does not give to the public generally.

ROBT. A. VAN WYCK, Mayor.

Resolved, That the heads of the several departments of The City of New York be and they are hereby respectfully requested to close their offices at 3 o'clock P. M. each day, excepting Saturdays, during the months of [June,] July and August [September].

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

COMMUNICATIONS.

The President laid before the Board the following communication from the German Housewives' Association :

No. 3122.

By Alderman Goodman—

GERMAN HOUSEWIVES' ASSOCIATION, NO. 121 EAST FIFTY-NINTH STREET, NEW YORK.

To the Honorable the Board of Aldermen :

Whereas, The petition of this Society to the Municipal Assembly has been favorably acted upon, and, as a result, the question of "Mistress and Servant" will be investigated conformably to our request; therefore

Resolved, That the President be and is instructed to appoint a committee of ten members to give all possible aid to the municipal authorities, in order that said investigation be thorough and absolutely impartial.

Resolved, That we place upon record an expression of our earnest desire that no special favoritism be extended to either the housewife or the housemaid, but that each be placed on equal footing before and under the law, with discrimination against neither class.

Resolved, That all persons holding servants' positions, and the laboring classes generally, as well as proprietors of intelligence offices and employment bureaus, be and they are cordially invited to aid and co-operate with us in the effort to perfect the laws in the interest of all concerned.

Resolved, That, as some apprehension seems to exist that our purpose is to benefit only the housewife, and not the hired help, the several newspapers be respectfully requested to publish the foregoing, and to emphatically set forth that our hope and intention is based on the broad ground of mutual interest and mutual protection; that we are the friend of the laboring classes, and will do all in our power to give tangible evidence thereof.

Resolved, That a copy hereof be transmitted also to the Municipal Assembly.

NEW YORK, June 27, 1899.

BOARD OF DIRECTORS,

per SAM SANDERS, Secretary.

Which was referred to the Committee on Law.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract (No deposit or bonds required on bids under One Thousand Dollars). Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders must state the price of each article per lot, by which the bids will be tested. The extensions must be footed up, as the bids will be read from the total footing and awards made to the lowest bidder on each item.

All estimates not conforming to these requirements may be considered as informal.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time as the Commissioners may determine. All bids must be based upon the descriptions furnished or samples exhibited by this Department and not on samples furnished by the bidder.

Samples will be on exhibition at the office of Supervising Engineer, foot of East Twenty-sixth street, during office hours, until the bids are opened.

The form of the contract, including specifications, and showing the manner of payment can be obtained at the office of the Supervising Engineer, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners, or be provided for by the specifications.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or

neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation and the contract will be readvertised and relet, as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Bookkeeper and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.
