BOARD OF EXAMINERS.

Board of Examiners, }
June 12, 1906. }

Present—Messrs. Warren A. Conover, Charles Buek, Lewis Harding, Charles G. Smith, Edward F. Croker, Henry R. Marshall and William J. Fryer, Chairman.
Meeting called to order at 2 p. m.
On motion, minutes of last meeting approved as read.
Chief Croker, having reported, was excused by the Chairman.
Appeal 26 of 1906, New Building 927 of 1905, premises northwest corner of Seventieth street and Central Park West, Manhattan; Robert T. Lyons, architect and appellant.

"No. 1. The pent house will make the building exceed twelve stories and 150 feet in height; same must conform to all the requirements of section 105 of the Code, as to fireproofing."

It is the belief of the appellant that the law was not intended to apply to pent houses of reasonable area above the twelfth story.

Will the provision of section 105 of the Code as to fireproofing for buildings above twelve stories and over 150 feet in height apply in this case?

The appellant's reasons for desiring a favorable decision on the question to be passed upon are as follows:

1. All walls at the terminals of pent houses will be carried up to the full height.
2. The floors of pent house will be finished in cement.
3. Wire glass will be used wherever glass is necessary.
4. Proper skylights will be provided.
5. The roof of pent house will not be more than 154 feet 10 inches above the curb level.
6. All woodwork entering into the construction of the pent house will be fireproofed by the process which is fully accepted and approved by the Bureau of Buildings.
7. The pent house throughout will be constructed entirely fireproof.
8. Two standpipes with hose connections and outlets in the halls of pent house will be provided.
9. Pent house will not cover more than 50 per cent. of the roof area.
10. All doors leading from private to public halls throughout the building will be kalameined.

Mr. Robert T. Lyons appeared before the Board.

On motion, approved.

The following resolution was presented and read by the Clerk:

Resolved, That the Chairman be requested to take such steps as may be necessary to secure the transfer of five hundred dollars (\$500) from the account designated Salaries to the Contingencies.

On motion, approved.

Adjourned.

EDWARD V. BARTON, Clerk.

DEPARTMENT OF DOCKS AND FERRIES, FOOT OF BATTERY PLACE, BOROUGH OF MANHATTAN, CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE received by the Commissioner of Docks at Pier "A," foot of Battery place, in The City of New York, until 12 o'clock noon on

FRIDAY, JUNE 29, 1906,

FOR INSURING THE FERRYBOATS "MANHATTAN," "BROOKLYN," "BRONX," "QUEENS" AND "RICHMOND," now employed on the ferry between the foot of Whitehall street, in the Borough of Manhattan, and St. George, in the Borough of Richmond, City of New York, for a period of one year.

The said vessels, tackle, apparel, stores, supplies, furniture, engines, boilers, machinery and appurtenances shall be insured at a valuation to be determined upon by the insurer and the Commissioner of Docks, but shall not exceed the sum of \$300,000 for each boat, or a total of \$1,500,000 for the five boats; and in no case shall the Department be deemed a co-insurer.

The boats to be confined to the use and navigation within the bay and harbor of New York and the Hudson and East rivers, with the privilege to lay up and make additions, alterations and repairs while running or while laid up, or to go into dry dock. Any deviation beyond the limits named shall not void the policy, but no liability shall exist during such deviation; and upon the return of said vessels within the limits named above, no disaster having occurred, the policy shall be and remain in full force and effect unless a disaster occurs while deviating.

The policy shall provide for the full indemnification of all salvage expenses and loss, damage, detriment or hurt to said vessels for which the insurers are liable against the perils of the harbor, bay or rivers as above named, lightning and fires that shall occur to the hurt, detriment or damage of said vessels or either of them, or any part thereof, and for all damage which may be done by the vessels insured to any other vessel or property.

As the vessels to be insured are common carriers, the policy shall not contain any limitation as to the nature or kind of cargo or other material which shall be carried on the boats.

No claim shall be made by the Department for any damage to the vessels insured unless it exceeds \$500.

Losses shall be payable in thirty days after proof of loss or damage, and of the amount thereof, and proof of the interest of the insured shall have been made and presented at the office of the insurer or its representative in The City of New York.

Each bid must be accompanied by a copy of the policy upon which the bid is based.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed as follows:

"Bid for insuring ferryboats employed on the Staten Island Ferry."

Bids will be received by the Commissioner of Docks at Pier "A," foot of Battery place, until 12 o'clock noon on Friday, June 29, 1906, at which time and place the estimates received will be publicly opened by the Commissioner of Docks and read, and the award of the contract

made according to the law as soon thereafter as practicable.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal it be accompanied by a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the Commissioner of Docks, or money to the amount of One Thousand Dollars.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope, addressed to the Commissioner of Docks, or submitted personally upon the presentation of the bid or estimate.

The bidders shall state a rate per cent. at which they will insure or contract for insurance for the ferryboats, as specified above, in accordance with the terms of this advertisement, and also in accordance with the form of policy submitted, which shall be considered in connection with and form part of the bid.

Bidders will write out the rate per cent. of their estimates in addition to inserting the same in figures.

The Commissioner reserves the right to reject all bids or estimates if he deem it for the interest of the City so to do.

Bidders are requested to make their bids or estimates upon the blank form prepared by this Department, a copy of which can be obtained on application therefor at the office of the Department.

PUBLIC NOTICE IS HEREBY GIVEN that at a meeting of the Board of Estimate and Apportionment, held May 25, 1906, the following petition was received and was referred to the Bureau of Franchises.

To the Honorable the Board of Estimate and Apportionment of The City of New York:
The petition of Conron Bros. Company respectfully shows:

1. The said Conron Bros. Company is a corporation duly organized and existing under the laws of the State of New York, having for its principal place of business No. 40 Tenth avenue, in the City of New York, and is operating a plant at that point for artificial refrigeration for itself and a few others in the same block, and has been doing so for a period of three years.

2. The said Conron Bros. Company petitions your Honorable Board to grant a license to lay a conduit not more than twelve inches in diameter, to contain refrigerating pipes, extending across Thirteenth street, about one hundred feet east of Tenth avenue; also a pipe to cross Washington street about the middle of the block and about one hundred feet north of Thirteenth street, the said pipes to be laid under the surface of the streets.

3. That said pipes are to be used to convey brine, ammonia or other refrigerating medium, to connect with other pipes of Conron Bros. Company at the terminal points for the purpose of supplying to such customers as may desire the same refrigeration for properly insulated compartments for the preservation of meats and other perishable goods.

4. That the said district through which it is proposed to lay said pipes is largely devoted to the meat and produce trade, and for the proper carrying on of which it is necessary to have refrigeration, and that this company has been requested by persons engaged in said business along said route to extend its lines and to supply such persons with refrigeration.

5. That should said permit be granted, your petitioners will supply to all persons providing proper compartments of boxes and requiring the same, refrigeration at reasonable prices, and will save the City harmless from any loss or damage to any sewer, gas or water pipe, or from any cause that may arise from the exercise of the privilege so obtained by it, and will furnish such indemnity or security as the City may require to insure the faithful compliance with the conditions that it may see fit to impose upon your petitioners conditioned to the license applied for.

6. This company desires that the said franchise may continue for a period of ten years from the date of granting the same, and the company offers to pay to the City as a reasonable compensation or tax therefor annually a sum equal to 2 1/2 per cent. on the gross amount of receipts derived from the customers supplied by pipes to be laid under the proposed franchise. The company further offers that the percentage of its gross receipts to be paid for said franchise after the period of five years shall be increased to 5 per cent. during the remainder of the term.

7. This company further petitions that it may have the right of option, at the expiration of the said term of ten years, to a further term of ten years upon paying a like tax of 5 per cent. upon the gross receipts as above specified.

8. That said proposed line will not interfere with any fixtures or appurtenances forming part of the water mains, sewers, conduits, subways or sub-structures existing by virtue of any franchise heretofore granted, all of which appears from the map herewith submitted. The

company will do all work under the said franchise under the directions of the proper officers and departments of the City Government and will comply with all the requirements thereof.
