#### Notices of Public Hearings.

##### FRANCHISE MATTERS.

PUBLIC NOTICE IS HEREBY GIVEN, Pursuant to law, that at a meeting of the Board of Estimate and Apportionment held December 22, 1916, the following petition was received: To the Board of Estimate and Apportionment, New York City:

The undersigned, The Staten Island Railway Company, hereby respectfully petitions The City of New York for a modification of the contract between The City of New York and said Railway Company, dated December 26, 1912, as ex-

tended by resolution of the Board of Estimate and Apportionment October 8, 1915, approved by the Mayor October 18, 1915, whereby the City granted to said Railway Company, subject to the conditions and provisions therein set forth, the right and privilege to construct, and complete on or before December 26, 1916, and to maintain and operate additional or second standard gauge railroad tracks across and upon or over eight streets and avenues in the Fifth Ward, Borough of Richmond, such modification to provide that the rights granted to the said Railway Company by said contract, as extended by said resolutions, shall be confirmed as to the following tracks, the construction of which has been completed at the date hereof, namely: The tracks crossing Huguenot Avenue, Seguin Avenue and over Amboy Road, approximately 1,100 feet west of Huguenot Avenue; and that the rights to construct, maintain and operate second tracks across Bay View, Mance, Woodvill and Sharrot Avenues and Amboy Road near Pleasant Plains station shall cease and determine without prejudice to any future application for the granting of such rights, and that the Railway Company shall not be required to make any further payments for the privilege of constructing and maintaining tracks across said five last named streets under said contract, but shall continue to pay the City the sum fixed by said contract for said three crossings which have been completed as hereinabove stated, namely, the sum of \$100 per annum for each of said crossings so completed.

The reason for this application is that the Railway Company has for the time being abandoned its purpose of completing the construction of a double track upon that portion of its line which crosses the five streets last above referred to, because its operation does not now require such double tracking and because of the fact that the Railway Company has been advised that it is contemplated by the Public Service Commission that it may require the elimination of existing grade crossings thereon, and the Railway Company desires to avoid the additional expense of constructing such additional tracks until the time when such elimination and the necessary condition thereof and the changes and adjustments in its line incidental thereto may be determined upon.

THE STATEN ISLAND RAILWAY COMPANY, by G. J. BROWN, Assistant Secretary, State of New York, County of New York, City of New York, ss.:

On this 21st day of December, 1916, before me personally came George J. Brown, to me known and known to me to be the same person described in and who signed the foregoing petition, and he acknowledged to me that he had signed the same.

WM. S. YERKS, Notary Public, Richmond Co., N. Y. Certificate filed in N. Y. Co., No. 12.—and at the meeting of January 5, 1917, the following resolutions were adopted:

Whereas, the foregoing petition from the Staten Island Railway Company, dated December 21, 1916, was presented to the Board of Estimate and Apportionment at a meeting held December 22, 1916.

Resolved, that in pursuance of law this Board sets Friday, the 26th day of January, 1917, at 10.30 o'clock in the forenoon, and Room 16 in the City Hall, Borough of Manhattan, as the time and place when and where such petition shall be first considered, and a public hearing be had thereon, at which citizens shall be entitled to appear and be heard; and be it further

Resolved, that the petition and these resolutions shall be published for at least twice in two daily newspapers in the City of New York, to be designated by the Mayor, and for at least ten (10) days in the "City Record" immediately prior to such date of public hearing. The expense of such publication to be borne by the petitioner.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.
