Resolved, That the following communication be transmitted by the Chief Clerk to the Board of Estimate and Apportionment:

NEW YORK, November 22, 1878.

To the Board of Estimate and Apportionment:

GENTLEMEN—It appears by the published proceedings of your Board that the sum proposed for account of "Supplies" of the Police Department for the year 1879, is but \$60,000. That sum was appropriated for the present year, and the wants of the Department are such that said amount may not prove sufficient. Under such circumstances it seems plain that a larger provision ought to be made for 1879.

The account of "Supplies" covers a number of items of current expenditure which cannot be diminished or deferred without serious derangement of the public business of the Department.

The Board of Police, therefore, respectfully request that the appropriation for 1879 be increased by adding thereto the sum of ten thousand dollars, at least.

Very respectfully yours.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
