The zoning map amendment would change the existing M1-1 and R7-1 zoning districts to a mix of R6A, R7A, R7X, and **R8X residential districts with selected C2-4** commercial overlays for eleven blocks located in the Crotona Park East and West Farms neighborhoods of the Bronx in Community Districts 3 and 6. The proposed actions would facilitate a proposal by the applicant, Industco Holdings, LLC, to develop ten new primarily residential buildings of which seven would comprise a large-scale general development (LSGD). Comments are requested on the DEIS and will be accepted until Monday, August 8, 2011.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 10DCP017X.

The maximum height of such #buildings# shall be 290 feet. In addition, the gross area of each of either the highest two or three #stories# of such #building# shall not exceed 80 percent of the gross area of the #story# directly below such highest two or three #stories#.

Department of Consumer Affairs by Section 20-104(b) of Chapter 1, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department promulgates and adopts rules and amendments to existing rules regarding the licensing of process servers.

These rules and amendments were proposed and published on May 12, 2011. The required public hearing was held on June 13, 2011. This rule will take effect in thirty days.

Material being deleted is shown below in brackets and material being added is underlined.

Statement of Basis and Purpose

Section 20-104 (a) of the New York City Administrative Code gives the Commissioner jurisdiction and control over all licenses issued under Chapter 2 of Title 20 of such Code. Section 20-104 (b) grants the Commissioner the power to set forth rules necessary to carry out his or her powers and duties and to require licensees to keep such records as he or she may determine are necessary or useful to carrying out the purpose of Chapter 2.

Those powers include the authority to:

- set forth rules prescribing how licensees maintain records that they are by law required to keep;
- require that licensees, their employees and agents, conduct their activities consistent with the requirements of the laws applicable to the service of process in the City of New York and with standards of honesty and integrity; and
- require the licensees to notify the Department and the public when they fail to carry out their duties in a competent and lawful manner.

The amended Rule simplifies and clarifies the record keeping requirements that individual process servers and process serving agencies must meet.

Section 1 of the Rule amends Section 2-233 to simplify paper recordkeeping in three ways:

- It limits the obligation of an individual process server to include in his or her records the date of the filing of an affidavit of service in court to the instances when the individual process server personally files the affidavit.
- It limits the obligation of the individual process server to record the registered or certified postal receipt number of process delivered by such methods only when the individual makes the mailing himself or herself.
- It shortens the time that licensees must maintain paper records from seven years to three years and thereby reduces the expense of record maintenance.

Section 2 of the Rule amends Section 2-233a to clarify the electronic record keeping requirements:

- It clarifies that individual process servers and process server agencies may meet their obligation to maintain electronic records in a secure and unalterable manner by uploading the records to a third party, so long as the records cannot be changed once delivered to the third party.
- It simplifies the alternative method for licensees to maintain unalterable electronic records by permitting them to make two copies of the records on CD-ROM, DVD-ROM or other once-write medium, one copy of which must be stored off-site.
- It adds a method for licensees to correct typographical errors in or inadvertent omissions from the entry into electronic format of the information contained in the individual process server's paper records.

Section 3 of the Rule amends Section 2-236 to simplify the requirement that licensees report court challenges regarding the adequacy of the service of process:

Material to be deleted is enclosed in brackets. Material to be added is underlined. **RULE**

Section 1. Section 2-233 of subchapter W of Chapter 2 of title 6 of the Rules of the City of New York is amended to read as follows:

§ 2-233 Records.

(a) Duty of individual licensee to keep records. Each process server shall keep records in compliance with the provisions of 89-cc of the General Business Law, as follows (1) Each process server shall maintain a legible record of all service made by him as prescribed in this section. (2) The record to be maintained shall include the following information, where applicable: (i) the title of the action or a reasonable abbreviation thereof; (ii) the name of the person served, if known; (iii) the date and approximate time service was effected; (iv) the address where service was effected; (v) the nature of the papers served; (vi) the court in which the action has been commenced; (vii) the index number of the action, if known. identifying features. (4) If service is effected pursuant to subdivision four of section three hundred eight of the civil practice law and rules, the record shall also include the dates, addresses and time of attempted service pursuant to subdivisions one, two or three of such section. All attempts must be entered in a separate, chronological entry.

(5) If an affidavit of service is filed with the court by the process server, the record shall include the date of such filing.
(6) Process servers shall retain each record required to be kept under this § 2-233(a) for a period of [seven] three years from the date of service. Where a process server is employed as a process server by any person, a copy of such records shall also be maintained by such person at his principal office in this state for the same period.

(b) Licensees who serve process shall also maintain their records in the following manner:

(1) The licensee shall make a separate and contemporaneous entry of the date, time and address of every attempted and effected service of process in chronological order in a bound, paginated volume.

(2) The licensee shall make entries in only one volume at a time, which shall contain every attempted and effected service made by the licensee, until all of the available space in the volume is filled.

(3) The written entry for each service shall include the type of service effected whether personal, substituted, [or] conspicuous, or corporate (i.e. on the Secretary of State).
(4) If service is effected pursuant to CPLR § 308(4) or RPAPL § 735(1), the entry shall include a description of the area adjacent to the door to which process is affixed including the color and composition of hallway walls, color and composition of hallway floor or doorstep, and location of premises in relation to stairs, elevator or entranceway.

Section 2. Section 2-233a of subchapter W of Chapter 2 of Title 6 of the Rules of the city of New York is amended to read as follows:

§2-233a Electronic Records.

Licensed process servers and process serving agencies must maintain records in an electronic format that is resistant to tampering.

(a) Process Servers. Process servers shall maintain electronic records in accordance with the provisions of this subdivision. A licensed process server may meet the requirement to maintain records in an electronic format as required by § 20-406.3 of the Administrative Code by

(1) scanning into an image file that legibly reproduces in all details on a daily basis the original record the process server maintains in a bound volume pursuant to [section] 2-233,
(i) the image file shall be named with the date of the service recorded in the bound volume and the process server's license number, and shall be date and time stamped with the date and time that the file was created; and

(ii) such scanning shall be done within twenty-four hours from the last event that the record records; and
(iii) the process server must save the scanned image file to a portable media device at least once per week and shall maintain the portable media device in a manner designed to ensure its security and preservation, including by keeping it in a location separate from the original image file; and
(iv) such portable media device shall be labeled with the process server's last name, license number, and the date

range of the records stored on the device; or by (2) maintaining electronic records in accordance with the provisions set forth in subdivision (b) of this section. (3) Nothing in this section shall be construed to relieve the licensed process server of the duty to maintain a bound, chronological, and contemporaneous record of service as provided under [section]§ 2-233 of this rule <u>or an electronic</u> record of service under § 20-410 of the Administrative Code. (b) Process Serving Agencies. Process serving agencies shall maintain electronic records in accordance with this subdivision. Such agencies must maintain all information required to be maintained pursuant to [section]§ 2-233(c) of this rule.

(2) The licensee shall use an electronic records management system that:

(i) ensures the authenticity, reliability and integrity of the electronic records;

(ii) permits the efficient retrieval of electronic records;
(iii) contains a backup support system such that the electronic records shall be capable of being reconstructed in the event of an electronic or computer malfunction or unforeseen accident resulting in the destruction of the system or the information contained therein.

(3) The information required to be maintained pursuant to $[section] \underline{\&} \underline{2}\underline{-}233(c)(1)$ shall be maintained in electronic form in a format provided by the Department as an Excel spreadsheet and accessible at the following internet address: http://www.nyc.gov/processserver or [by a third party document management system in any of the following formats provided] by the licensee uploading the data to a third party service provider, provided that the permissions of that data will be secured so that the data cannot be edited once the upload has been saved and that the records shall contain such separate fields with parameters as follow: (i) name of the individual process server to whom service is assigned, which will be entered as last name, first name; (ii) the license number of the individual process server to whom service is assigned, which will be specified as a seven digit number, where the first number shall be zero if the process server's license number is less than seven digits; (iii) the title of the action or proceeding, if any; (iv) the name of the person served, if known, which shall be

(v) the date that service was effected, which shall be entered as MM/DD/YYYY:

- While continuing the requirement that the licensee notify the Department whenever it receives notice of such a challenge, it eliminates the requirement that the licensee automatically provide to the Department relevant documents concerning the challenge and imposes that requirement only when the Department specific requests documents.
- It modifies the obligation that the licensee report to the Department the result of a challenge to service. A licensee must request a written report of the result of the challenge from the party for which it served process, or its attorney. If the licensee does not learn the result of the hearing in that manner, it must search for the result in the files of the clerk of the court where the hearing was scheduled to occur sixty days after the scheduled date of the hearing, and, if necessary, ninety days after the scheduled date of the hearing. The licensee must inform the Department in writing of the result within ten days after it receives the information, or, if was unable to learn the result, so notify the Department one-hundred days after the scheduled date of hearing.

(i) The name and license number of the individual licensee to whom process is distributed, assigned or delivered to be served;

(ii) All of the information required to be maintained pursuant to paragraphs (1) through (5) of subdivisions (a) and paragraphs (3) through (5), and (7), of subdivision (b) of this rule.

(iii) [A copy or a scan to a] $\underline{A}n$ image file that legibly reproduces the original record in all details of the individual licensee's record maintained pursuant to subdivisions (a) and (b) of this rule for each day on which the individual licensee attempted or effected service of the process assigned to the individual licensee;

(v) Copies of any notes, memoranda or other writings submitted by the individual licensee containing information related to the attempted or effected service of process;

(viii) the nature of the papers served;

(ix) the court in which the action has been commenced, which shall be entered as either Civil Court NYC, Civil Supreme, Criminal, Housing (L/T), or District Court, followed by the county of the court, the judicial department if appellate, or the federal district;

(x) the full index number, which shall be entered with all information necessary to identify the case, such as XXXXX/XX, unless the case is a Civil Local matter, in which case, it will include the prefix of CV, CC, LT, MI, NC, RE, SC, or TS;

(xi) if service was effected pursuant to subdivisions (1) through (3) of CPLR § 308 a description of the person served which shall consist of six fields, including sex, hair color, approximate age, height, weight, and any other identifying features provided by the process server;

(4) If the process serving agency elects to record the information required to be maintained pursuant to [section]§ 2-233(c)(1) itself rather than through a third-party provider, [it must convert such information into a portable document ("pdf") format] within twenty four hours from the last event the record records it must copy the Microsoft Excel file containing such information, or a PDF of such Excel file, to a CD-ROM, DVD-ROM or other write-once media, and immediately make a second copy to write-once media, which

second copy shall be stored off-site. [(i) The process serving agency shall ensure that the security settings for this converted pdf are set so that editing and printing of the document is restricted and no edits or changes may be made to the document.]

(5) Licensees shall preserve the electronic records by either (a) submitting the record entries to a third party service on a daily basis or (b) copying the file to a portable media device within one week of a creation of the file. Such device must be maintained in a manner designed to ensure its security and preservation, including by keeping it in a separate off-site location. (a) Whenever a process server or process serving agency receives any type of notice, including an oral communication, that a court has scheduled a hearing to determine whether service of process made or assigned by such licensee was effective, the licensee shall submit a report to the Department (attention of Counsel's Office), in writing, by certified mail, or by email to an address designated by the Department within ten days of receiving such notice. Such written report shall include:

(1) the title and index number of the action;

(2) the court and the judge before whom the hearing is scheduled;

(3) the date(s) of the hearing; <u>and</u>

(4) the name and license number of every licensee who effected service or assigned or distributed the process for service.[; and]

[(5)](b) On request, such licensee must provide copies of all records, including but not limited to, routing sheets, the pages of the licensee's log book for each day on which service of the process in issue was attempted or effected, and all affidavits of service, pertaining to the contested service. [(b)](c)(1) The licensee shall [have an affirmative obligation] attempt to learn [and report to the Department] the result of [the] such hearing, including any judicial order or voluntary settlement resolving the challenge to service of process [within ten days of the issuance of a decision on or settlement of the challenge], by making a written or email request to the party on whose behalf the challenged service of process was made or the party's attorney for a written report of the result of the hearing. Sixty days after the date of the scheduled hearing, if the party or its attorney has not provided to the licensee a written report of the result of such hearing, the licensee shall search for the result in the file in the office of the clerk of the court where such hearing was scheduled to occur. If the clerk's file does not contain a result sixty days after the hearing, the licensee shall search for the result in the clerk's file ninety days after the scheduled date of such hearing. (2) The licensee shall report to the Department by certified mail or email (i) within ten days of learning the result, or (ii) that it made attempts to learn the result and

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law \$ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pav its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
