**REQUEST FOR INFORMATION (RFI) ON SERVICE CONTRACTS FOR SOLAR PHOTOVOLTAIC (PV) SYSTEMS AND BATTERY ENERGY STORAGE SYSTEM (BESS) OPERATIONS AND MAINTENANCE (O&M) - Request for Information - PIN#N/A - Due 4-21-23 at 5:00 P.M.**

For over a decade, DCAS has worked with private industry, the New York Power Authority, and City agency partners, to install solar PV generation systems across the City's portfolio of properties. A portion of DCAS's solar PV portfolio, totaling roughly 8.5 MW of generation capacity+ across 90 sites, have been identified as needing operations and maintenance (O&M) attention, with the majority of these installations being rooftop ballasted systems. DCAS is considering procurement of long-term, on-going O&M services for these solar PV systems, as well as existing and planned BESS. DCAS is aiming to contract with multiple O&M service providers for a wide array of O&M services across its portfolio. These O&M services include (1) preventative maintenance, (2) reactive maintenance/repairs, and (3) emergency repairs.

The purpose of this RFI is to gather input from the solar PV and BESS O&M industry, particularly in the New York City region, to help inform a future solicitation(s) for these services. Insight gained from industry respondents will help DCAS develop scopes of work (SOWs) for future solicitation and contract documents. The intent is to ensure that DCAS's O&M program design and procurement/contracting strategy accurately reflects real-world industry practice and capabilities.

School Based Health Centers (SBHC) were established by Chapter 198 of the NYS Laws of 1978 "to improve the accessibility and availability of quality comprehensive and preventive physical and mental health services to preschool, elementary, middle and secondary school students in high risk areas of New York State. As a result of this Law, NYS Department of Health approves, licenses and monitors every SBHC in NYS. School Based Health Centers are medical health centers within the schools. They help students manage their illnesses during the school day. Because of the location, School Based Health Center are an easy health care option for busy students with busy parents who cannot always make it to their doctor's office. School-Based Health Centers have been providing primary care to students in NYC schools for over 30 years. It's been proven that School-Based Health Centers lower school absences and parents' time away from work. They also

lower the chance of an emergency room or hospital visit. If a child has a chronic illness, or suddenly gets sick, a School-Based Health Center at their school can assist the child with needed care.

# AGENCY RULES

## CONSUMER AND WORKER PROTECTION

### ■ NOTICE

#### Notice of Adoption

Notice of Adoption of procedural amendments to the rule prohibiting injurious conduct by licensees towards Department employees. These amendments outline the procedural steps that the Department and the Office of Administrative Trials and Hearings (“OATH”) will follow in enforcing and adjudicating violations of the injurious conduct rule.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer and Worker Protection by Sections 1043 and 2203(f) of the New York City Charter and Section 20-104(b) of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department is amending Title 6 of the Rules of the City of New York.

This rule was proposed and published on July 12, 2022. A public hearing was held on August 15, 2022.

#### Statement of Basis and Purpose

The Department of Consumer and Worker Protection (“DCWP” or “Department”) is adopting procedural amendments to the rule prohibiting injurious conduct by licensees towards Department employees. These amendments outline the procedural steps that the Department and the Office of Administrative Trials and Hearings (“OATH”) will follow in enforcing and adjudicating violations of the injurious conduct rule.

The injurious conduct rule prohibits licensees and employees of licensees from assaulting, menacing, unlawfully imprisoning, or harassing employees of the Department. The rule allows the Department to immediately suspend a license for violation of the rule, subject to a prompt post-suspension hearing, and to request continued suspension or revocation of the license.

The amendments make clear that, at the prompt post-suspension hearing, continued suspension of the license must be ordered if the Department is found to have alleged facts that, if true, would constitute a violation of the rule. The amendments also clarify that the alleged violations, and any continued suspension or revocation requested by the Department, will then be adjudicated at a trial to be held within 45 days of the decision following the first prompt post-suspension hearing.

These amendments also add a prohibition on intentionally damaging property of the Department. The Department has recently experienced incidents in which property of the Department, such as technology being used during an inspection, was intentionally damaged by employees of the business subject to inspection.

Finally, these amendments clarify that the injurious conduct rule applies to all businesses and their employees. Employees of the Department have been the victim of violations of this rule committed by licensees and non-licensees.

Sections 1043 and 2203(f) of the New York City Charter, and sections 20-104(b) and 20-104(e) of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to promulgate these rules.

#### New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 1-21 of Title 6 of the Rules of the City of New York is amended to read as follows:

#### § 1-21 Injurious Conduct by Licensees.

(a) No [licensee, or employee or agent of a licensee,] person shall assault, menace, unlawfully imprison, or harass, or attempt to assault, menace, unlawfully imprison, or harass, any employee of the Department engaged in carrying out any duty for the Department. No person shall intentionally damage any property of the Department. A licensee found in violation of this subdivision, or a licensee whose employees or agents are found in violation of this subdivision, is subject to suspension and/or revocation of its licenses as provided for in this section.

(b) In addition to any of the powers that may be exercised by the commissioner pursuant to any other provision of law or rule, upon the issuance of a summons alleging a violation of subdivision (a) by a licensee, or employee or agent of a licensee, the commissioner may immediately suspend any license held by the licensee, subject to a prompt post-suspension hearing to be held no more than 7 business days after the commencement of the suspension. In a summons alleging a violation of subdivision (a), the Department may request suspension or revocation of any license issued by the Department and held by the licensee, in addition to alleging any other violations.

(c) [At the post-suspension hearing prescribed by subdivision (b) of this section, the Department may request continued suspension or revocation of any license held by the licensee.] Post-suspension hearing and trial.

(1) At the post-suspension hearing prescribed by subdivision (b), continued suspension of a license must be ordered if the Department is found to have alleged facts which, if true, are sufficient to establish a violation of subdivision (a) of this section and the Department establishes by a preponderance of the evidence that continued

licensure poses a risk to public safety or the Department's ability to perform enforcement. Suspension ordered pursuant to this subdivision must be continued until a final determination is issued pursuant to paragraph (2) of this subdivision.

(2) Following the post-suspension hearing prescribed by subdivision (b) of this section, a trial will be held to adjudicate all violations alleged in the summons as well as any continued suspension or revocation requested by the Department. At such trial, the Department must prove by a preponderance of the evidence that the licensee's continued licensure poses a risk to safety or the Department's ability to perform enforcement. Such trial must commence within 45 days of the decision rendered in the post-suspension hearing.

(d) As used in this section, the following terms shall be defined as follows:

(1) "Assault" shall mean to intentionally or recklessly cause physical injury to another person.

(2) "Menace" shall mean to intentionally place another person in reasonable fear of physical injury.

(3) "Unlawfully imprison" shall mean to restrict a person's movements intentionally and unlawfully in such manner as to interfere substantially with his or her liberty by moving him or her from one place to another, or by confining him or her either in the place where the restriction commences or in a place to which he or she has been moved, without consent and with knowledge that the restriction is unlawful. A person is so moved or confined "without consent" when such is accomplished by physical force, intimidation or deception.

(4) "Harass" shall mean to intentionally and repeatedly harass another person by following such person in or about a public place or places or by engaging in a course of conduct or by repeatedly committing acts which places such person in reasonable fear of physical injury.

(5) "Person" shall have the same meaning as found in Section 20-102 of Title 20 of the New York City Administrative Code.

**NOTE:**

1. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
2. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
3. Items 1 - 4 on contract 4287148 and 5 - 20 on contract 4287149 are effective as of June 1st, 2022.
4. Items 1 - 4 on contract 4387063 are effective as of December 19, 2022.
5. Federal Superfund Tax is included in the DCAS weekly pricing schedule and it should not show as an additional fee.

**REMINDER FOR ALL AGENCIES:**

**FIRE DEPARTMENT**

■ NOTICE

**Enforcement of Fire Drills and Non-Fire Emergency (EAP) Drills to Resume May 1, 2023**

On or about March 13, 2020, as concern mounted about the transmission of COVID-19 in New York City, the Fire Department issued a notice advising building owners that it would not enforce timeframes for Fire Code-required building fire drills and non-fire emergency (EAP) drills until further notice. Pursuant to the March 13, 2020 Notice, building owners were authorized, but not required, to postpone such drills.

COVID-19 restrictions have eased and the Bureau of Fire Prevention has observed that occupancies of all types are increasingly being re-occupied. Based upon these factors, the March 13, 2020 Notice is hereby rescinded. Effective May 1, 2023, the Fire Department will resume its enforcement of fire and non-fire emergency (EAP) drills required by New York City Fire Code Section FC401.7 and Fire Department Rule 3 RCNY §401-07.

Building owners who have questions about the requirements in Section FC401.7, 3 RCNY §401-07, or this notice may contact the Fire Department by calling New York City 311 and asking for the Fire Department's Customer Service Center. Questions may also be submitted, to the Customer Service Center by emailing [FDNY.BusinessSupport@fdny.nyc.gov](mailto:FDNY.BusinessSupport@fdny.nyc.gov).

The term "contract" means a contract awarded by the City, and any subcontract under such a contract, for work: (i) to be performed within the City of New York; and (ii) where employees can be expected to physically interact with City employees or members of the public in the course of performing work under the contract.

Covered Employee. The term "covered employee" means a person (i) employed by a contractor or subcontractor holding a contract; (ii) whose salary is paid in whole or in part from funds provided under a City contract; and (iii) who performs any part of the work under the contract within the City of New York. However, a person whose work under the contract does not include physical interaction with City employees or members of the public shall not be deemed to be a covered employee.

§ 3. Requirement. All City agencies must take all necessary actions, to ensure that their contractors:

a. Require all covered employees to wear a face covering that covers the employee's mouth and nose during days 6 to 10 after infection with COVID-19 upon returning to a work site where the employee can be expected to physically interact with City employees or members of the public in the course of performing work under the contract.

b. Authorize covered employees to remove their face covering in the workplace (indoors or outdoors) when they are not required by subdivision (a) of this section to wear the face covering.
