DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS,

NEW YORK, July 6, 1877.

TO CONTRACTORS.

PROPOSALS FOR DREDGING THE SLIP BETWEEN PIERS (new numbers) 45 AND 46, NORTH RIVER.

SEALED PROPOSALS FOR DREDGING THE slip between Piers (new numbers) 45 and 46, North river, indorsed as above, and addressed to "The President of the Department of Docks," will be received at this office, until 12 o'clock M., of

TUESDAY, JULY 17, 1877,
at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

One-half of said slip is leased by the Oceanic Steam Navigation Company, represented by R. J. Cortis, Agent, No. 37 Broadway; and the contract for the work will not be awarded unless the price named by the lowest bidder shall be satisfactory to said lessees. Such contract, if awarded, will be entered into by the Department of Docks on behalf of the city, and by said lessees on their own account, the city becoming liable for three-fifths only of the expense, the other two-fifths to be borne and paid to the contractor by such lessees.

The estimated quantity of material to be dredged and removed is 15,000 cubic yards.

Any bidder for this contract must be known to be engaged in and be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance, in the sum of two thousand dollars.

The time allowed for doing such dredging is thirty days from the date of signing of the contract.

All the material excavated from the slip is to be removed by the contractor, and deposited subject in all respects to the laws regulating the deposit of dredgings in the harbor of New York.

Bidders will state in their proposals the price per cubic yard, for doing such dredging in conformity with the annexed specifications and agreement by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

Bidders will write out the price bid, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state that fact; also that the bid is made without any connection with any other person making any estimate for the same material, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath of affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 6 of chapter 574 of the Laws of 1871, and by section 27 of chapter VIII. of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person for whom he consents to become surety. The adequacy and sufficiency of the sureties offered are to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be had upon application at the office of the Department, Room No. 6.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

WILLIAM KENNELLY, AUCTIONEER.

CORPORATION SALE OF THE FRANCHISE OF THE FERRY FROM BULKHEAD AT THE FOOT OF WHITEHALL STREET, NEW YORK, TO STATEN ISLAND.

THE FRANCHISE OF THE FERRY FROM THE bulkhead at the foot of Whitehall street, New York, to Staten Island, will be sold at public auction on Wednesday, July 11, 1877, at the Comptroller's Office, at 12 o'clock noon, for the period of one year, from July 15, 1877. The form of the lease required to be executed by the highest bidder can be seen at the Comptroller's Office, on and after July 9, 1877.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect or refuse to execute a lease according to said form for ten days after the sale, his bid will, at the option of the Comptroller, be rejected.

The minimum rate for which the ferry franchise, or license to operate ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. of the gross receipts for ferriage that shall hereafter accrue at each separate ferry, collected at the landing place in the City of New York, such percentage to be paid quarterly to the Corporation, and a covenant will be contained in each lease requiring the lessee to make and deliver to the Comptroller of the City of New York, quarterly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also, that the lessee shall keep regular books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage on the gross receipts collected at the landing place in the City of New York.

All moneys received for the conveyance, of passengers, animals, vehicles, or freight from New York to Staten Island, to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such five per cent. is to be calculated and paid.

No bid less than five per cent. on such gross receipts will be entertained.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessee of the covenants of the lease of the franchise in their behalf.
